

Thank you 1861

Chapter 1861: he wanted to make her happy (part two)

Qin Anlan was wearing a white shirt. Other than wearing a silver mask, he did not wear any gloves. he didn't deliberately hide in front of her, probably because of the warmth in her eyes.

Ye Liangqiu took off the lid of the container and opened it. wow, that's great!

He hummed lightly. I should give you some nourishment.

As he spoke, his eyes swept over a certain place. Ye Liangqiu glanced at him, then happily began to dig into the thick soup he had made.

the taste was very good!

as ye liangqiu ate, he licked the corner of his lips, his face full of satisfaction."an Ian, you're too amazing."

"It's good that you like it," He had a faint smile, and half of his face was still very handsome.

eating quietly, even if they didn't speak, was still moving.

She was very full. After the meal, she sat on the floor in front of the floor-to-ceiling window, leaning against his chest. an LAN, it's been a long time since I've eaten so much. You've fed me until I'm like a little pig.

she looked up and smiled at him like a little girl.

Qin Anlan's gaze was deep. it's good to fatten her up, She won't look that good, so there won't be so many people snatching her from me.

she snuggled up on his shoulder and watched the night sky with him. The temperature of his body was warm, and she was reluctant to part with it.

Even if he didn't do anything, he would still feel satisfied.

"it's been a tough year, right?" he asked. He suddenly said.

ye liangqiu was stunned for a moment, then smiled. " an Ian, i thought you wouldn't ask.

He smiled. why wouldn't I? "

His fingers held hers, using his injured hand.

She was stunned for a moment, then she reached out to touch his palm. Because of the injury, without the palm print, the hand would not look good.

however, these injuries were because of her. he had suffered them to protect her, so she didn't find them ugly at all.

it wasn't too hard. I knew you were alive after that. she rested her face on his neck and said softly, "I'm just worried!"

anlan, i know that the situation is good. you won't hide it from me. " She took a deep breath before she continued, "I told myself countless times that I believe you will come back." &Nbsp;

This was the only way she could continue waiting.

Only then could she wait for him to return in that hopeless despair. She said in a low voice. He did not feel good about it.

after a long time, he said in a hoarse voice, " i will come back. "

"You still pushed me to Du Yuesheng." She said unhappily, causing him to chuckle.

"liangqiu, you see, you're still not destined to be with him. even without me, you can't be with him with just linda." he sighed, but also felt a little mocking. in fact, the ending between her and du yuesheng could not be changed. however, her actions had changed the ending between du yuesheng and linda.

Ye Liangqiu rolled her eyes at him. what's the point of telling me now? if I wasn't so faithful, do you think we would still be meeting in new York? " qin anlan sighed. " liangqiu, do you blame me? " her eyes were like water under the moonlight. she looked at him for a long time without saying anything.

his heart sank.

"An LAN, how could it be strange!" "I'm just afraid, afraid that you really won't come back," she said faintly.

She wrapped her fingers around his waist and said, " I'm not joking with you. If you leave again, I'll really find a man to marry or leave you. We'll split the five children.

"why don't you split the assets?" his face darkened.

Split the children? She really dared to say it!

Ye Liangqiu chuckled. because all the assets are now under my name.

Chapter 1862: he wanted to make her happy (part three)

After hearing her words, Qin Anlan glared at her as if he could not do anything to her.

She looked at him and smiled lightly. She pressed her face into his arms and smiled gloatingly. an LAN, have you ever regretted it? "

He hugged her and asked, " are you talking about King Entertainment or my face? "

"The love for me." she asked shamelessly.

Qin Anlan chuckled and reached out to pinch her face. why would I regret it? the thing I regret the least in my life is loving you.

She raised her head, her entire being soft.”Really?”

Qin Anlan sat down and bent one of his knees so that she was half-lying in his arms.

she raised her head, her long and beautiful fingers landing on his mask. she said softly, ” “An LAN, can you take off your mask?”

He lowered his head and his dark eyes were stained with a layer of darkness. He looked at her deeply and his voice trembled slightly. don’t you think it’s ugly? ”

She just smiled and wrapped her arms around his neck, kissing him gently. At first, it was just a light kiss, but later, because of this kiss, she was a little moved and the kiss became deeper.

as the two of them panted, ye liangqiu gently took off his mask, moved closer to him, and kissed him even more passionately.

Qin Anlan returned her kiss. Their lips and tongues were glued together for a long time.

Finally, he withdrew himself and kissed her gently on the lips. He chuckled and said, ” Liangqiu, you’re really a heavy one.

She punched him angrily and then buried her face in his arms.

the night was quiet, and it was wonderful to stay together.

On the top floor of the tallest building on Wall Street, he and she were hugging each other like a beauty and a beast.

However, no one could understand the love between them.

the night was a little cold. qin anlan’s legs were sore from sitting. he looked down at her and saw that she had fallen asleep.

she was sleeping in his arms.

She was really not afraid of his face at all.

Qin Anlan had wanted to carry her to the bed to sleep, but he was a little reluctant to see her like this.

He just sat there without moving and looked at her in a daze with a deep gaze.

Ye Liangqiu woke up after an hour of sleep. She opened her eyes and saw him looking at her.

She smiled and wrapped her arms around his neck. an LAN, I want to sleep.

he hummed in a deep voice, bent over, and carried her to the bed in the bedroom.

she lay on the soft bed and refused to let go of him. her voice was very soft.”an Ian, i want you to accompany me.” his gaze was deep as he coaxed her with a hoarse voice.”alright,” he said.

He took off her dress and changed her into her pajamas, but he lay down with her clothes on and let her rest in the crook of his arm.

The more he acted like this, the more clingy she became. Her slender arms wrapped around his waist, and she said in a low voice, "an LAN, I won't let you go.

He was helpless and kissed her as if he was coaxing a child. okay, I won't leave!

She became even more clingy. She undid two of his buttons and pressed her face against his chest.

"Liangqiu, you weren't like this in the past," Qin Anlan could not help but say.

How did she become so clingy?

"You used to hug me tighter than you do now." she grumbled and yawned. "an lan, it's time to sleep. i still have to go back to feed the child tomorrow. ' When she said this, he suddenly remembered something.

she would feed it tomorrow morning, so wouldn't it be a waste if she didn't finish it tonight?

She closed her eyes and could not see the green light in his eyes.

In the midst of his internal conflict, Qin Anlan finally could not control himself and carefully undid her pajamas..

Chapter 1863: he wanted to make her happy (part four)

ye bingqiu immediately woke up and held his black hair in her hands. she looked down-

his forehead was covered in sweat, and his voice was trembling slightly. "An

LAN?" he reached out his hand to comfort her and continued to do embarrassing things.

About ten minutes later, he raised his head from her arms and gently stroked her red lips with his fingers. does it feel good? "

ye liangqiu glared at him. ignoring her own sorry state, she stretched out her leg and kicked him hard.

qin anlan groaned in pain from the kick. then, he laughed softly. he reached out and slowly adjusted her pajamas for her. he even said shamelessly, "it's quite sweet. " ye liangqiu slightly closed her eyes, the hair on her forehead already a little wet from sweat.

she snorted softly. "i'll wean an, an, and Ian from milk tomorrow. "

"how can we do that?" Qin Anlan lay down again and carefully comforted her.

"you've also eaten unending." ye liangqiu looked up at him.

his black eyes became focused, to the point that there was a burning passion behind them.

only then did she realize how inappropriate her words were.

he snorted lightly. "shameless. "

Qin Anlan continued to chuckle. you're shameless, but I can't guarantee that I won't do it next time. He liked that soft feeling, as if he had found a place to belong to. He would never tell her about this weak thought.

Ye Liangqiu wrapped her hands around his waist and closed her eyes. "an Ian, let's sleep! you're not allowed to have insomnia!"

He laughed. What a domineering little thing. If it didn't even allow this, how could it be controlled? his fingers gently caressed her lips and patted her, coaxing her to sleep.

The curtains were not drawn, and outside the floor-to-ceiling window was the dark night sky.

He leaned against the head of the bed and watched her the whole night. Before Qin Anlan went to the hospital, ye Liangqiu came every night.

they were like a pair of lovers who had a secret meeting. they stuck together every night. he cooked for her to eat and she slept with him.

they were just like any other normal married couple, but the only difference was that they didn't have sex.

she didn't mention this, and he didn't do anything outrageous to her. the days passed just like that.

Zhang yuanyuan didn't go to work for two days after the first day.

On the morning of the third day, she went to the office with red eyes.

qin anlan sat on the sofa and smoked while reading the newspaper with one hand.

When she heard the door open, she looked up and saw Zhang Yuanyuan in a suit. Her eyes reddened, and she called out softly, "BOSS.

Qin Anlan looked at her. you've thought it through? "

Zhang Yuanyuan was a very good partner, otherwise he probably wouldn't have given her the chance to think things through.

Moreover, he wasn't wearing a mask at this time, so he thought that it was better to let her give up on this idea.

Zhang yuanyuan indeed looked at his face and dispelled the distracting thoughts in her heart. she nodded gently. " i've thought it through. "

it's good that you've thought it through. i'll settle the things i've left behind in the next two days. " qin anlan's voice was very calm. " also, my wife will come over often in the future. you don't have to work overtime. "

Although she said that she had let go of her thoughts, she still couldn't stand his straightforwardness and felt wronged.

Zhang Yuanyuan had never felt that she had such a fragile heart. She pursed her lips tightly, and her lips turned pale. Then, she said softly, "Yes."

"why don't you go back?" she could not help but ask.

go back?

qin anlan reached out and touched his face. he smiled slightly. ” not everyone is not afraid..

Chapter 1864: he wanted to make her happy (5)

Qin Anlan reached out and touched his face. He smiled slightly. not everyone is not afraid.

Zhang Yuanyuan was stunned, unable to say a word.

qin anlan did not say anything else and focused on reading the newspaper again.

Zhang yuanyuan stole a glance at him. when she saw his face, she felt relieved. giving up was the right thing to do.

she wasn't so great as to make such a big sacrifice for a man. it was actually quite good for them to reunite as husband and wife.

so that night, ye liangqiu met Zhang yuanyuan in the parking lot. Zhang yuanyuan even gave her a friendly smile. ” miss ye, hello. the boss is waiting for you upstairs. ‘

Ye Liangqiu gently closed the car door, her eyes fixed on Zhang Yuanyuan's face.

after confirming that she had given up on qin anlan, she did not feel relieved.

instead, she was a little annoyed with this woman.

Her heart ached for an LAN.

Back then, Zhang Yuanyuan had admired power and wealth, not an LAN as a person.

when she saw an Ian's face, she decisively gave up on teasing her. it was actually very bad, and an Ian had no reason to bear it.

However, these were all ye Liangqiu's thoughts, so she didn't show them. She only lightly replied, “I know.”

When she was in the elevator, her eyes were a little hot.

why? why should an Ian be humiliated by this woman?

that's right, this was an insult. he was not worthy of this kind of love.

she pursed her lips and let out a long breath. she adjusted her emotions before leaving the elevator.

she didn't want an Ian to see through her. if she did, he would be hurt.

when she walked out, he was already waiting for her to reach out for him to hold.

when they were alone, he was no longer wearing a mask, and it was very natural.

she knew how much effort he had put in and how much he had struggled to be able to be so calm in front of her.

her eyes were a little hot. she held his hand and said softly, ” “i'll be going for surgery in two days, so i'll cook tonight.”

he didn't stop her and picked up his laptop. " alright, i still have some work to do. " she watched as he sat on the sofa and focused on the computer. from her position, she could only see half of his face.

it was a perfect side profile.

She took a deep breath. She thought that she actually owed an LAN.

If she hadn't done that back then, his face wouldn't be like this.

She was the one who insisted on having the best of both worlds, but he was the one who paid the price in the end.

she bent over and kissed his forehead lightly. " don't be so tired. "

She understood him in her heart. He had given King Entertainment to her, so he wanted to start a new career.

her heart ached, but she did not stop him.

qin anlan looked up and kissed her. " i know. " after she left, his eyes were filled with deep thought. they had been husband and wife for so long, and she could not hide her thoughts from him.

She clearly had an idea in her heart, probably because she felt that she owed him.

He dealt with some work again. When he smelled the fragrance, he felt hungry. He raised his hand to look at his watch. It was already eight o'clock.

would she be very tired and hungry after eating so late every day?

as he thought about this, he stood up and walked straight to the kitchen.

the warm yellow light shone on the top of her head and on her side profile, making her facial features and expression much gentler.

She wasn't wearing a dress tonight. Instead, she was wearing black tights and a white knitted shirt.

"You look good in anything." He could not help but hug her from behind and bury his face in her hair..

Chapter 1865: He wanted to make her happy (6)

ye liangqiu turned her face to the side. " you only know how to make me happy.

He clenched his fists and pressed his entire body against her back. He blew hot air into her ear. I just wanted to make you happier.

he was becoming more and more unruly. she struggled gently and her voice was especially soft."Anlan, it's done!"

He refused to let go. They had been apart for so long, and she was so soft in his room. How could he bear to let go?

Not only did he hug her from behind, but his large hands were also getting more and more unrestrained. He rubbed her and his lips were also on her soft and tender neck. how can it be okay?
" she hummed in acknowledgment. " i'm cooking, an Ian. "

They had been husband and wife for a long time, but it was rare for them to experience such a relaxed and sweet moment. At that time, from the moment Su Shicheng appeared, her entire body had been tense. When had she ever had such soft moments?

he was getting more and more out of hand. he hugged her and did not let go.

his big palm rubbed her, making her clothes a mess.

Ye Liangqiu simply couldn't do anything to him. She snorted and said, "an Lan, you can't waste it like this.

Not wasting it seemed to be exactly what he wanted!

He chuckled softly. As she wished, he couldn't waste it, could he?

he reached out to turn off the fire.

He lifted his strong arm and carried her onto the cold countertop. She couldn't escape even if she wanted to because he was blocking her.

"an Lan." She called out his name softly, her eyes welling up with tears and a hint of blame.

His fingers caressed her red lips, his gaze deep. "be good, yingluo." she didn't want to be obedient.

He didn't know that she couldn't stand him like that.

Her slender fingers wrapped around his head, helplessly feeling the loss of order.

he had really gone too far. she cried and kicked his shoulder, a little willful.

"an Lan, don't. don't be like this!" she cried and begged him.

he clearly knew that she would whine, but he still bullied her like this. he was so bad!

he moved his lips to hers and kissed her. seeing that she was crying so hard, his heart ached a little.

after all, she was a normal woman. it was too much for him to treat her like this.

His eyes darkened as he picked her up and walked towards the bedroom.

ye liangqiu was stunned. she lowered her eyes and called out in a small voice, "an Lan?" His voice was trembling.

his voice was hoarse. He kissed and rubbed her as he carried her to his bedroom.

The door was kicked shut, and she was thrown onto Xi Jue's size bed!

he covered her, their fingers intertwined, and his lips pressed against her ear. 'liangqiu, i've said it before. i want you to be happy.

at this moment, she was really in a mess. she looked up into his unfathomable eyes and trembled.

He didn't know if it was because of fear, but it was because of excitement.

he understood women!

In the past, Qin Anlan had walked among the flowers, but he had never served a woman.

Now, he wanted to make her happy. He wanted to see her drunk.

He lowered his head, and she screamed, "an LAN!!!!

be good, don't move. feel it carefully. " he stopped her struggling body, coaxed her, and comforted her.

his lips were warm, but it was enough to set off a storm that would make her go crazy.

everything was calm.

It was as if she had just been pulled out of the water. She reached out and hugged him tightly, like a drowning person holding onto a piece of driftwood.

qin anlan allowed her to hug him and reached out to pat her to comfort her.

she was probably really angry. she was too embarrassed just now.

She had never been like this before..

Chapter 1866: i won't be in pain (1)

Ye Liangqiu bit his shoulder and said in a low voice, "Qin Anlan, you're not allowed to do this in the future.

"why? you don't like it?" He kissed her lips and turned her face to face him. He asked hesitantly, "or are you the one who's feeling uncomfortable?"

Why would she feel uncomfortable?

It was too comfortable, so she was afraid.

Besides, she didn't want him to be so lowly. He was Qin Anlan, and ran ran was

Qin Anlan.

in the depths of ye liangqiu's heart, he was still the qin anlan she had first seen. he was high and mighty and did not care about any woman.

however, he had become her husband and became like this for her.

now, in order to please her, he was doing such a lowly thing. if he was fine, she would find it interesting that he was like this, but it was different now.

She guessed that there was something wrong with his body, and the more he acted like this, the more she couldn't bear to see him like this.

she reached out and hugged him. "don't do this again, yueyue. i'm a little scared. ' his heart was a little wet. this is all i can give you.

I'll feel guilty whether you want it or not.

he turned to the side and turned his face. ” then i won’t do it in the future. ‘ she looked at his face and guessed what he was thinking. suddenly, she hugged him again and buried her face in his arms. ” an Ian, i like yingluo very much. it’s very comfortable. ‘ how could he not know that she had changed?

He sighed in his heart. ‘Cool autumn, you’re getting better at hiding yourself.’

This was probably what it meant to be afraid of deep love!

There were some things that were not said out loud, but both of them were clear about each other’s feelings. They avoided the topic.

their lives were very harmonious.

even though he didn’t make her happy every night, he would often hug her and make her happy.

Qin Anlan slowly realized that he seemed to like this.

psychologically, he seemed to have obtained some kind of secret satisfaction.

Fortunately, he was hospitalized for surgery.

the first operation was more difficult and painful, and it lasted more than ten hours.

ye liangqiu was waiting for him outside the operating room, while aunt su was by the phone. she and liangqiu had been longing to see an Ian for a long time.

Ye Liangqiu had told her to wait for an Lan’s face to recover, Yingluo.

“Alright, alright, when will this be better? it’s not like I haven’t seen it before! I’ve seen your terrible state when you went into premature labor.” “anyway, he’s not as ugly as an Ian was when he was born!” su xiu mumbled.

ye liangqiu was speechless. he was angry and amused at the same time. Recently, she had learned how to coax people. Not only did she have to coax Qin Anlan, but she also had to coax su Xiu.

Every hour, su Xiu would call to ask about the situation, so ye Liangqiu didn’t feel that the past ten hours had been too difficult.

From morning till late at night.

the surgery was finally over.

qin anlan’s face was covered with gauze when he was pushed out. fortunately, half of his face was exposed.

The anesthesia had worn off, and her face was in great pain. Half of her face was swollen, and she could feel it under the gauze.

Ye Liangqiu’s heart ached as she looked at him. She wanted to say that she wouldn’t do it next time, but she only thought about it and held back.

He wanted to be with the children, so she had to respect him.

In addition to his face, he also had skin implanted on his hand. In the future, when he put on clothes, the injury would probably not be visible.

He just looked at her and reluctantly raised his hand to wipe the tears from her eyes. He squeezed out a smile and said, "Liangqiu, it doesn't hurt.

How could it not hurt?

she shook her head, signaling him not to say anything..

Chapter 1867: I won't be in pain (2)

but when he looked at her, his eyes were filled with love.

how could he bear to see her sad? how could he bear to see her sad? if he had known this would happen, he would not have had the operation.

qin anlan closed his eyes and held her hand with his other hand. he said in a soft voice, "liangqiu, i'm a little tired. ' she nodded hard, her eyes full of tears. " i'll watch over you. i promise i won't leave. " the corners of his lips curved up slightly. he was not a child anymore, yet she was still coaxing him like this.

when he woke up again, it was already ten hours later. he opened his eyes, and they were very swollen. in front of him, the shadow of liangqiu was blurry.

"You're awake?" "Do you want to sit up?" she leaned forward and whispered in his ear.

qin anlan looked at her. at this time, his face was swollen like half a pig's head, and he could not say anything. whenever he spoke, his face would hurt, and his skin felt like it had been cut open.

His eyelids twitched, and she understood. She reached out and shook the bed to make him sit up.

He was very weak, and he knew that his current appearance was probably much uglier than his previous appearance, which was full of scars. At least, it wasn't ridiculous before, but now, he really couldn't look.

ye liangqiu bent over and looked into his eyes. she smiled. an LAN, you look very cute now.

she was all smiles, but he felt that she was extremely hateful.

however, even though she was mocking him, she still took good care of him and fed him water.

He took a small sip, and she whispered, " slow down.

as soon as he finished speaking, he looked at her with a profound gaze. ye liangqiu was startled by his gaze. his pig-like face was too scary, and he was saying such ambiguous words.

"what are you thinking about?" she glanced at him, put the cup aside after feeding him the water, and pulled the blanket up for him. " aunt su will send the porridge over later. you can't eat stimulating food. you have to be light for a

week. it'll be fine once the swelling goes down. ' qin anlan's face hurt. he did not say anything and only looked at her.

ye liangqiu knew that he wanted to ask the children.

don't worry, KIME will take care of her at home. " she smiled slightly. ' actually, an Ian, your face is covered now. the children can see it. ' she swore that she was not mocking him at all, but the petty man was obviously angry.

ye liangqiu smiled. actually, an Ian was like a child at times.

he didn't object, so ye liangqiu called KIME and asked him to come over with aunt su.

there were two adults and four children, so KIME had to drive a business car to get enough.

while waiting for someone, qin anlan took a nap again, ran ran.

when he woke up, the morning light fell on his face, and it hurt slightly.

ye liangqiu was lying on the bed. only then did he remember that she hadn't slept the entire night, and his heart ached for her.

at this time, the swelling on her face was better. although it was still swollen, it was not as painful as before.

His fingers reached out and touched her body gently. Ye Liangqiu instantly woke up. an LAN, how is it? " he shook his head slightly and did not say anything, so she knew that he was worried about her.

She smiled slightly and touched his ear with her long fingers. an LAN, this is really nothing.

compared to the pain he had suffered, it was not even one in ten thousand. He didn't say anything more, only gently holding her fingers and playing with them.

it was already nine o'clock in the morning when KIME brought the children over.

Su Xiu not only brought porridge for Qin Anlan but also food for ye Liangqiu. Su Xiu had doted on her a lot recently..

Chapter 1868: i won't be in pain (3)

not only was the young madam capable, but she was also capable of giving birth. she had given birth to five children for the qin family. although one of them had gone to the tang family, there were still four children left.

Ye Liangqiu was about to feed Qin Anlan, but su Xiu pushed her to the side. I'll feed them. After you finish your milk, give birth to the children. The two little guys haven't eaten for the whole night and are in a bad mood now.

qin anlan sat down and looked at the four little buns with a burning gaze.

momo, mumu, an an, and Ian Ian were all fans, and they could not get tired of looking at them.

especially the two little ones, he had never seen them before! su xiu brought a chair over to feed her and chuckled, “we’ll see it in the future! First of all, young master, you have to take care of yourself.”

Su Xiu looked up and felt that this gauze was a good thing. It blocked the young master’s face as if it was blocking the young master’s self-esteem. Otherwise, an an and Ian Ian would have to wait for a long time to see her father.

Su Xiu happily thought, ” why don’t I let young master always be wrapped in gauze in the future? that way, he will be more at ease.

However, this was just su Xiu’s random thoughts. This couldn’t happen. The skin still needed to breathe.

Qin Anlan pursed his lips lightly. He ate very slowly and very little. It really hurt when he moved his mouth.

Opposite them, the four babies kept looking at them.

he was very small, lying down and only knew how to eat his fingers.

Momo and Mumu were already two years old. They had been separated from Qin Anlan for a long time, and now their hair was wrapped up like this. They really could not recognize the happiness in Xuxu and su Xiu’s heart. They took care of Qin Anlan like a little young master and even introduced him happily, ” “this is daddy, do you remember?”

Momo and Mumu rejected him in their hearts. How could this man, who was wrapped up like a pig’s head, be their handsome and suave father?

They didn’t believe it! The two little ones continued to play with the two little buns.

su xiu sighed. just as she was about to say something, qin anlan stopped her. ” aunt su, it’s good enough that they’re not afraid! We’ll talk about it later!”

Su Xiu’s gaze fell on his face. She felt that it was difficult to explain in a few words. She sighed and did not say anything else.

After ye Liangqiu finished eating, she carried an an and LAN to the inner room to feed Yingluo.

qin anlan looked at her back and took a few more glances.

in fact, he needed more nutrition than an an lanlan.

Qin Anlan was staying in the hospital. Before the stitches were removed, Kime and su Xiu often brought the children over. After a few times, the children were used to Qin Anlan’s pig-like face wrapped in gauze.

In fact, Momo and Mumu had already started calling him daddy. When Qin Anlan was in good spirits, he would play with them and play with building blocks.

time was so beautiful that qin anlan would rather stay in the hospital for the rest of his life.

When he said this to ye Liangqiu, she knocked him on the forehead. “unless you’re willing to be a pig’s head for the rest of your life,” qin anlan snorted coldly. he felt that she was no longer as aloof as before.

however, the days were just like this, and they were also very beautiful.

it was so wonderful that sometimes when he woke up in the middle of the night and saw her face lying by the side, he felt so happy that it didn’t seem

real.

however, once he removed the stitches, the children would no longer be able to visit him.

a week later, he was discharged from the hospital and moved into a detached villa. ye liangqiu also moved to the villa next door because it was more convenient to run between the two sides. after feeding the child, they would reach the villa through the small door in the middle. KIME also moved in to live with qin anlan.

this was probably qin anlan’s dark thoughts.

qin anlan sat alone in the study room, smoking. KIME had just been sent away..

Chapter 1869: an Ian, i want to kiss you (1)

Just as he was feeling a little depressed, the door to the study opened and ye Liangqiu carefully closed the door and walked in.

“It’s so late.” his tone was light, but he showed his dissatisfaction. when she came closer, he pulled her over, placed her on his lap, and kissed her.

their relationship had warmed up a lot during this period of time, unlike before when it was stiff. he could kiss whenever he wanted.

she had always been gentle and let him kiss her.

He only let go of her when he was almost done kissing her. His forehead was still against her, and his voice was hoarser than usual. “Why are you so late?”

he pressed his large palm on her back and slowly exerted force to make her as close as possible to his embrace.

Ye Liangqiu placed her hand on his shoulder and kissed his chin. the child is eating a little too slowly.

His face was a little smoother after the stitches were removed, but it looked like a patch now and would not look good.

moreover, ye liangqiu thought of his face, which had been implanted with P *

she felt that if she kissed that half of his face again in the future, it would be a bit embarrassing and inexplicable!

she sighed in her heart. i’d better kiss the other side!

qin anlan's large palm caressed her, and his voice deepened. "is there anything else?"

She couldn't stand his shamelessness and punched him. "don't your lips hurt?"

The stitches on her face had just been removed, and she was usually in pain just from eating, but now she had to suck as hard as an an Lanlan!

Ye Liangqiu didn't understand these men's dark thoughts, but he felt that it wasn't like he hadn't done it before, so why was he so infatuated with her?

However, she could not stop Qin Anlan from doing what he wanted to do. He sat behind the desk and hugged her. In the end, the position was not convenient, so he simply carried her to the desk and kissed her.

after kissing for a while, she shamelessly snatched an an lanlan's food. she still felt that it wasn't enough, so she simply tore everything off and shamelessly carried out some things.

the wooden desk against her skin looked particularly attractive.

his qi and blood were in turmoil, and he had done many outrageous things.

After the deed was done, he leaned on her neck and panted. Ye Liangqiu's condition wasn't any better, and she angrily bit his shoulder.

"You don't like how I'm treating you?" He chuckled in a low and hoarse voice. He helped her up with one hand and tidied her clothes with the other.

at this moment, he cherished her more than anything. in fact, he knew in his heart that he was more or less aggrieving her by using this method.

He also knew that he had to go to the doctor. A marriage without sex life would not last long.

fortunately, they were not married now. they were ex-husband and ex-wife.

he looked at her for a while and patted her back. " "carry you to the shower?" his face couldn't come into contact with water yet, so she could only wash it by herself. he would carry her out after she was done.

He had been injured before, but fortunately, his strength had recovered, so it was not a problem for him to take care of her. However, there were some places where he could not use his strength and was a little out of breath.

When he carried her into the bathroom, she bit his ear and whispered, " "an Ian, i want to kiss you." qin anlan smiled faintly and lowered his head to kiss her lips. after a long while, her face turned red. it was not from kissing but because of hanhan.

she buried her face in his neck, and only moved her lips to his ear after a while. her voice was as soft as a mosquito. " an Ian, i didn't mean here. "

his body was obviously tense as he looked at her deeply. it was a while before he found his voice."if it's not here, where is it? hmm?" He'll know when she's done showering, Yingluo..

Chapter 1870: an Ian, i want to kiss you (2)

After she had taken a shower, she came out directly without calling him.

She was wearing a bathrobe and her long hair was let down, making her look especially soft.

she walked into the bedroom. the lights were a little dim. qin anlan leaned against the head of the bed and watched her come out with a deep gaze.

ye liangqiu smiled and didn't say anything. she lay down beside him.

“Where do you want to kiss?” Qin Anlan changed his position and lay flat.

He looked up at the ceiling and warned her, ” Liangqiu, this body is not the same as before. Are you sure you want to do this? ”

only the heavens knew that he had never dared to think about anything else. as long as she didn't despise him, as long as he could kiss and hug her, and if he could get better in the future, he would do everything. she just had to close her eyes and enjoy it.

he didn't dare to think that one day, she would be able to serve him like he did. It was really a wonderful thing that fell from the sky. He still couldn't believe it,

Yingluo.

ye liangqiu wrapped her arms around his waist, raised her head, and softly asked, “Anlan, is it really okay to go anywhere?”

His jaw tightened, and his mind was filled with too many out-of-order imaginations.

He didn't make a sound, but she had already started to kiss him from top to bottom, without missing a single spot.

sensing her intentions, he suddenly grabbed her arm and pressed it against her waist. ” liangqiu! ‘

“An LAN, you're not willing?” Her voice was trembling. his adam's apple bobbed a few times, his eyes dark. ” you don't want to see it. ‘ there was also a burn there, so it would not look good.

ye liangqiu determinedly moved his hand away and pressed her lips against his. she muttered, ” an lan, i've said it before. i want everything. ‘

It was his everything.

Whether it was good or bad, she would accept Yingluo.

this was also a mental barrier that he had to overcome.

qin anlan's body stiffened and he suddenly sat up straight. his voice turned a few degrees colder, and he was not as emotional as before.”Liangqiu, give me some time,” she was pushed to the side and fell to the ground, looking a little embarrassed.

Only then did he realize that his actions were a little rough. His eyes softened a

little and he said hoarsely, ” “I'm sorry,” she said.

he picked up a bathrobe from the side and helped her put it on, tied a knot, and silently looked at her for a long time.

He got off the bed and walked out wearing only a pair of long pants.

Ye Liangqiu sat there for a long time, but he still didn't return.

She felt a little cold as she hugged herself.

when he didn't come back, she just sat there with him in her arms, just like that.

qin anlan stayed outside for about an hour and smoked five or six cigarettes. when he returned to the bedroom, he saw that she was still sitting there.

His heart ached for a moment. why aren't you sleeping? ”

he went forward and wanted to lay her down. when he reached out and touched her, he realized that her body was very cold.

She closed her eyes and said, ‘Liangqiu, give me some time to face it, alright?

what i can give you, i can give you. if i can't, i will work hard.” he thought that she was angry and wanted to coax her.

However, she looked up at him and buried her head in his arms. Her slender arms wrapped around his waist. Her voice was low and nasal.”an Ian, i'm sorry! ”

He was a little surprised.

“Don't ignore me!” Her face was buried in his lower abdomen, and it was wet and hot after a while. It was her tears.

he couldn't do anything about her. he reached out for a tissue and wiped her tears. ” why are you crying?

He was clearly in the wrong just now. He was too emotional. What did she do wrong? she just wanted to make him happy, and she just wanted to make him happy the way he treated her..
