

Thank you 1881

Chapter 1881: Fulfilling a husband's duties (3)

she recognized him at a glance and wrapped her arms around his neck. probably because she was in a light sleep, her entire body was exceptionally soft. she called out to him softly, her voice sweet and soft, with a touch of disbelief.

qin anlan patted her and said in a hoarse voice, " "Why did you fall asleep?" she hugged his neck tightly. " i'm a little tired. ' qin anlan chuckled. " you'll be even more tired in a while. "

As he said this, he gestured for her to face him and pressed her down. Even through the thick fabric, she could still feel the change in him.

the fingers around his neck tightened, and she buried her face in his neck. her voice was gentle as she said, " an lan? " she didn't ask directly, but after all, they shared the same bed. there were some things that their hearts were connected.

He gently kissed her little nose. when I was alone, I had a minor operation. I'm all better now.

as he spoke, he had already walked into the bedroom and laid her down on the soft bed.

He half-knelt beside her with one leg bent. His fingers gently pulled off the bath towel as he asked her seriously, " "liangqiu, do you want to try it out?" She blushed and turned her face to the side in a daze.

His rough fingers grazed her small face lightly, and he held her cheeks with both hands, kissing her deeply.

they were entangled, messy, and their clothes were scattered all over the ground.

Absence makes the heart grow fonder, and they hadn't done it for a long time, so he was a little rusty, and it was inevitable that he was a little heavy-handed.

It was not until two in the morning that he let go of her. She had cried out in pain and begged for a long time before he was willing to let her go.

after he had indulged in his desires, it did not mean that his body was satisfied.

in fact, his body was far from satisfied.

instead, he felt an indescribable satisfaction in his heart as he watched her being fed until she was full. his love for her had long surpassed that of obtaining, but giving.

he got up, drenched in sweat. when he took a hot towel to clean her up, he found that she was bleeding a little.

qin anlan's face heated up, and he looked at her with a burning gaze for a long time. after hastily applying it, he went to find a soft cream and applied it on her.

When he laid down again, she was almost asleep. He patted her and coaxed her to sleep.

but after a while, she was full of energy again. she hugged him and asked a hundred thousand whys, yingluo.

an Ian, why did you suddenly come back? ” she pressed herself against him.

although both of them were very hot and it was not comfortable to be pressed against each other, they still hugged each other tightly. qin anlan’s heart was filled with tenderness, but he did not let her go. he chuckled softly. ” because i want to make love with you! ” she lightly punched him. ” be serious. ‘

qin anlan chuckled. ” i’m unemployed now. the most serious thing i have to do is to satisfy ceo ye. ‘

As he spoke, he leaned close to her ear and asked meaningfully, ” “How is it?”

Ye Liangqiu glanced at him, not willing to answer such a shameful question. She buried her face deep in his arms.

Not only was it alright, it was simply life-threatening! now, she was still hurting hanhan there.

The way he looked at her suddenly turned nasty, forcing her to say shameless things.

what kind of person was ye liangqiu? she wouldn’t say anything even if she was beaten to death. if she didn’t say anything, he wouldn’t let her sleep. after messing around for more than ten minutes, she blushed, put her arms around his shoulder, and whispered in his ear,”he’s stronger than before,”

As long as ran ran was satisfied with Qin Anlan’s book!

In fact, he also felt that he had all kinds of ‘that’ effects now, so there was no need for skin implantation in some places..

Chapter 1882: Fulfilling a husband’s duties (4)

the night was long. even if they couldn’t do anything, it was still beautiful.

Qin Anlan looked at her sleeping in his arms. He knew that he had given her everything.

his heart softened, and he kissed her until half past five, when the sun was about to rise, before he got dressed and left.

She didn’t wake up, probably because she was really tired.

when he reached the door, he turned back again and checked on yingying. his breathing became a little hot again. he scolded himself in his heart, covered her with the blanket, and left.

When ye Liangqiu woke up, it was already eight o ‘clock. She opened her eyes and saw the warm morning sun shining down on the room. Aunt su was carrying the children and feeding them milk.

“I’ll do it,” she said in a slightly hoarse voice.

However, just as sne got up, aunt so’s expression Decame a little complicated.”i’ll do it!”

Ye Liangqiu slowly lowered her head and then, not knowing whether to laugh or cry, touched her arms and chest, which were covered in hickeys.

judging from aunt su's expression, she must have misunderstood.

ye liangqiu lifted the blanket and walked towards the bathroom. when she reached the door, she turned around and coughed. " aunt su, an Ian is back. she spent the night here last night and should be back at the apartment now. ' su xiu was really, really shocked that young master qianqian had returned?

why did he come back in the middle of the night? Moreover, he didn't call anyone. Was he being sneaky?

Her eyes were filled with confusion.

ye liangqiu coughed again. " the flight will arrive at night. aunt su, you and the babies are already asleep, so i didn't wake you up. ' "

how could aunt su not understand why a man would drive back and forth so late at night?

wasn't it just to hug his wife and do those things?

Looking at the young Madam's small appearance, she should have been very moist last night. Thinking of this, aunt SU's heart was a little happy. Perhaps the Qin family would have another Little Miss and Little Master.

however, aunt su was thinking too much. not only did qin anlan undergo surgery, but he also had a vasectomy.

It was too hard to give birth to a child. He didn't want to have another one in the cold autumn. Besides, they already had enough children. Even if he gave one to Tang Yu, it would still be four to two!

So, last night, he did it so intensely without any protection.

in the middle, ye liangqiu cried to remind him, but he kissed her and said it was nothing, so he gave it all to her.

su xiu didn't know that her heart was filled with joy and she was thinking about a nest of babies.

even though ye liangqiu did not hear qin anlan's words, she could roughly guess what was going on.

they had been separated for too long, and it was really not suitable for them to have another child. yingying urged her to take a shower. when she saw the marks on her body in the mirror, she was angry and amused at the same time.

she was not a young boy or girl anymore, yet she still had to get dressed like this.

after taking a bath and going out, aunt su had already finished feeding the children and complained, "the sun hasn't even risen, and he's already gone." ye liangqiu smiled. " i don't know what time he left.

aunt su was old and liked to nag. " at least let me take a look. it's been a long time since i've seen him. ' "

Ye Liangqiu placed her hand on su Xiu's and smiled. then I'll ask him to come back for dinner tonight, okay? "

su xiu was finally satisfied. she laughed and scolded, " liangqiu, you're the one who loves me. you're not like an Ian, who has no conscience. "

She sighed again. actually, I'm old. I don't have many years to live. I always want to see more.

Her words made ye Liangqiu's heart ache. Even if su Xiu had a prejudice against her because of Xia Mian, at the end of the day, she was still loyal to the Qin family's Wanwan..

Chapter 1883: fulfilling a husband's duties (5)

Ye Liangqiu wouldn't care about this. Besides, su Xiu had been so concerned about her and the child that it wouldn't be an exaggeration to say that she had given everything she had to the Qin family.

she had long treated su xiu as family and had given up on letting su xiu return to her hometown to enjoy life. she had told an Ian that the qin family was su xiu's home. no matter how old she was, as long as she had a breath left, she would still stay in the qin family.

however, neither she nor qin anlan expected that su xiu's life would be so short.

it was so short that it was hard to accept.

qin anlan answered ye liangqiu's call and came over at night.

there were still light patches on his face. afraid that the children would see them, he wore a mask and played with it for a while. then, he asked the servants to bring it upstairs. only then did he take off his mask and eat.

Aunt su was so happy that she couldn't close her mouth. She prepared a table full of dishes to welcome Qin Anlan home and had a reunion dinner.

KIME had also come along with he huan and qian qian. he huan was a lonely child, so she was able to play with mumu.

The Qin family hadn't been this lively for a long time. They talked and laughed until late at night.

KIME brought he huan home while qin anlan and ye liangqiu went upstairs to rest. after she was done coaxing the child, she returned to the bedroom to take a walk.

He saw Qin Anlan's deep green eyes

Tonight, she probably couldn't hide, and she didn't want to hide either. She sat quietly in front of the dressing table, took off her earrings, and combed her long, curly hair.

his figure appeared in the mirror, and then she was gently hugged from behind.

"anlan, you can go and take a shower first." her voice was very soft.

qin anlan lowered his voice."let's shower together."

she thought of the red marks all over her body and was a little annoyed. she glared at him in the mirror."When aunt su saw my outfit this morning, she thought I was stealing glances at home."

Qin Anlan chuckled softly. His thin lips were pressed against her neck, and his voice was hot as he said, " how could you like someone else? our Liangqiu is so silly.

he kept kissing her until she was a little dazed.

she thought about last night again and felt a little indignant. he was clearly like what aunt su had said, having a sperm in his brain. he was willing to come back tonight because of that thing in bed.

She bit him hard on the neck. you're not allowed to do that again tonight.

"What?" his breathing was heavy, and he teased her with all his heart. " is it like this, or like this, huh? "

The more he kissed her, the more inappropriate it was. In the end, he simply carried her up and walked straight to the bathroom. He lowered his head and said shamelessly, " "by the way, liangqiu, didn't you say that you wanted to kiss me there?"

it was like a dream for her to be carried like a princess, but the words he said were completely shameless and shameful!

Her fingers pinched his straight nose, and her face was full of disgust. Qin Anlan, why do I feel that it's better for you to be impotent? at least, we can be more harmonious.

unlike now, where he wanted to kiss her all the time.

qin anlan's voice was a little hoarse. " liangqiu, i've been hungry for too long. '

Actually, he shouldn't have touched her tonight, but he couldn't help but lean close to her ear and whisper, " "Liangqiu, why don't you just kiss me and I

won move, okay? how could she not know about his dark thoughts? he said it nicely, and when the time came, even if he had enjoyed it, he would not let her go easily.

she wasn't going to be fooled!

But usually, there were two ways for a man to deal with a woman. One was to be soft, and the other was to force her!

if she didn't want to admit defeat, he could only force her, yingluo..

Chapter 1884: aunt su has left (1)

They were together the entire night.

when the sun rose, qin anlan realized that su xiu had left. she left with a smile, without a trace of pain.

at that time, qin anlan had finished preparing breakfast. he felt that it was strange, so he went to aunt su's room because aunt su had always woken up the earliest in the qin family. she was still asleep at nine in the morning.

When the door opened, Qin Anlan stopped and looked at su Xiu's face with a warm gaze.

she went, because her face was already gray, and her stiff face was only a cruel smile at the corner of her mouth.

Qin Anlan looked at her quietly for a while before walking over slowly. She half-squatted in front of su Xiu and reached out to smooth her slightly messy hair. She called out softly, "aunt su, why did you leave just like that? ' he had just come back last night, and she had left so impatiently today.

if he hadn't come back last night, would she have left so quickly?

but he also thought that if he didn't come back, he wouldn't even be able to see him one last time.

He knelt down on one knee and put his face close to hers. To him, su Xiu was half a mother. The role she played in his life was no less than his mother's.

ye liangqiu stood at the door, also stunned.

"an lan!" her voice trembled as she called his name softly.

Qin Anlan glanced sideways and let out a long breath. "Come over and send aunt su off."

Ye Liangqiu's face was drained of blood. She slowly walked over to Xuanji and knelt beside an LAN. She whispered, " "Aunt su doesn't have any children, an LAN is heartache." he knew what she was going to say. he reached out to hold her hand and said in a low voice, " okay. "

Su Xiu's funeral was Grand, and Qin Anlan and ye Liangqiu gave her the greatest respect.

Su Xiu did not have any children, but she had relatives in her hometown. Qin Anlan brought them over and let them attend su Xiu's funeral. He also got someone to buy a very beautiful country villa for her in her hometown. It was not for anything else but just in case she wanted to go home and have a place to stay.

It was drizzling.

another grave was added to the qin family's cemetery.

Su Xiu's grave was right next to Mrs. Qin's.

Anlan, in the future, aunt su will be able to accompany mom like before. ye liangqiu was dressed in black. she stood beside qin anlan and leaned her face on his shoulder as she looked at the two graves in front of her.

Qin PEI had already been buried with Mrs. Qin, and their wedding photo was used.

qin anlan looked at it for a while and said, " "i wasn't in the picture when they took the picture. It's been so many years, but my mother still kept him. I can imagine that she loves him very much." ye liangqiu pressed her face against his arm, not saying a word.

After returning from an LAN, he had not mentioned Qin PEI again, and she did not dare to ask.

in fact, she was afraid that he would be unhappy if he knew about the burial.

Was he going to tell her his thoughts now? qin anlan's voice grew deeper. " liangqiu, my mother died for him! i can't say that he died for me, but i was born for him."

the man he had hated for many years had given him two lives. he had no more strength to hate.
if his mother wanted to love, how could he object?

ye liangqiu smiled lightly. an LAN, I think aunt su has been waiting for you to come back. she raised her head and looked at him.

Because you're back, aunt su can leave with a peace of mind.

"all these years, aunt su has been very tired, yingluo. let's let her have a good rest." She said gently.

Qin Anlan lowered his head and looked at her with a deep gaze. He smiled bitterly. Liangqiu, are you trying to comfort me? "

She hooked her arm around his like a little girl. that's right, an LAN.. Don't you feel it? "

Chapter 1885: aunt su has left (2)

He smiled and hugged her. then comfort me in bed at night.

he stroked his chin and smiled again. " it's best if i can do whatever i want. "

Ye Liangqiu didn't know what to do with him, so he said in a low voice, "the three elders are here, and you still dare to be so impudent!"

she was so shameless. she was still sad just now, but now she was full of energy and wanted to live with project X.

"if i continue to be sad, wouldn't i be letting you down?" qin anlan laughed. he hugged her tightly and said in a low voice, " "Life is so short. Liangqiu, I don't want to waste any more time."

he lowered his head to look at her, and she raised her head as well. their eyes met, and it was indescribably touching.

She thought that she should know him well.

The two of them snuggled together as they walked home. It wasn't too far, so they took it as a stroll.

One tall and one short, they just walked slowly like this.

he didn't wear a mask, so he attracted a lot of attention. he didn't care, and neither did she.

they were like an old couple as they walked towards home.

when they were crossing the road, a woman with a child in her arms was holding onto a young man's arm. she looked in the direction where qin anlan and ye liangqiu had gone with a burning gaze.

Shen RUO's eyes were a little hot as she looked at him and muttered to herself,

He's actually still alive."

Then, she laughed softly, but in a strange way. what a pity that your face is like this.

She held the man tightly and explained, ” “i met an acquaintance.”

at this moment, she felt a sense of balance in her heart and felt that the heavens had been kind to her.

although her man was not as rich as qin anlan, his appearance was the perfect match for shen ruo's thoughts. however, in the dead of the night, she could not help but think that she was only looking for self-comfort by thinking this way.

in her heart, she still could not accept it. she had once stood so high up and was so close to that outstanding man.

They were so close to getting engaged.

Fortunately, his appearance ruined Xuanji. When Shen RUO calmed down, she would think like this. As she thought about it, she felt more comfortable. After a long time, she would stop thinking about it.

However, she had never thought that there would be a day when they would meet again.

Ye Liangqiu returned to work a month after aunt SU's death, while Qin Anlan stayed at home to take care of the child.

After their discussion, they decided that his surgery would be performed in China and they would invite foreign doctors over. They could afford the expenses anyway, so there was no need to travel between the two countries.

on the first day at the company, linda had just returned from her leave.

After the meeting, ye Liangqiu looked at Linda and asked,”linda, don't you think that yingying is a little fat?”

Linda's face was especially red, she just came back from a trip, she pinched her own face, and said: “You do seem to have gained a lot of weight.”

so she said she wanted to lose weight. ye liangqiu looked at her, and her heart relaxed.

Linda gave her a hand, and then her eyes turned red,”i've heard about aunt su's matter. why didn't you inform me? at the very least, i should have sent her off.”

when in new York, linda and aunt su had a good relationship. thinking of this, linda burst into tears.

Ye Liangqiu helped her wipe away her tears and said, “Aunt su is most afraid of troubling people. You've been out for a long time, and it's not easy for you to have a trip. How can I call you back?”

he paused for a moment. ” don't worry. aunt su's funeral matters are very proper. after work, i'll take you to the qin garden to see her and light some incense.. “

Chapter 1886: aunt su has left (3)

linda replied.

she was thoughtful. when she got off work, she even bought a bouquet of flowers and said a few words in front of aunt su's grave.

In the end, Linda turned her head. CEO ye, I might ask for leave more often in the future.

Ye Liangqiu smiled. didn't you just have a long vacation? " the two of them walked towards the car together.

linda stuck out her tongue, " ceo ye, i have to go on a blind date! You have to find a man, don't you know that a full man doesn't know the hunger of a hungry man!"

The two of them had been through a lot, so they chatted casually. Ye Liangqiu looked at Linda and asked. " do you need anything? "

linda glanced at her. " if you need anything, you can look for yiye qing. i'm looking for a husband. '

Ye Liangqiu laughed and opened the car door. Linda followed.

come to my place for dinner. I'll get the driver to send you back later. ye liangqiu's voice was faint. of course, linda was happy to do so. she missed the babies very much, and she had also brought gifts.

However, she did not expect to see Du Yuesheng in ye Liangqiu's Villa.

she looked at ye liangqiu and then at du yuesheng, who was playing chess with president qin. she said to ye liangqiu in a low voice with a fake smile, " "boss ye, he was so shameless before, crying and shouting that he wanted to marry you. now that he's with boss qin, they're so harmonious. could it be that he changed his target?" ye liangqiu looked at qin anlan and laughed. " you said he likes anlan? " Linda nodded hard, " that's possible! I think it might be revenge." ye liangqiu rapped her on the forehead. " what are you thinking about all day? ' linda chuckled. " i'm going to the kitchen to take a look. '

just as she was about to leave, du yuesheng saw her. her eyes fell on the figure in white and she smiled, " linda, you're here for dinner too? "

Now, Liang Qiu had no chance. As a man, he had slept with Linda, so he was not stressed at all. of course, he had never thought of being with linda.

After all, she was still too young and inexperienced. She felt that they could not get along and that she was just a little girl.

however, it was quite interesting to tease her.

Hence, Du Yuesheng stood up. Liangqiu, you accompany an LAN. I'll go and hang around.

Ye Liangqiu watched as he walked toward the kitchen. She turned around and asked Qin Anlan in confusion, " "he's f * cking!"

qin anlan kept the chess pieces very indifferently and smiled faintly. " du yuesheng is also an ordinary man, although he doesn't think so. "

Didn't he just see Linda coming over?

"It's not Yingluo." Ye Liangqiu shook her head. She knew about the night Du Yuesheng and Linda were in New York, but after that ... There was no after that.

Qin Anlan looked up and smiled. If Linda doesn't care, Du Yuesheng will.

It was the stupidest thing to play tricks with a deep man.

"An LAN, I won't allow him to bully Linda," Ye Liangqiu said in a serious tone.

He smiled. I know, but Linda is also a powerful girl. She won't be bullied. She's not like someone who would sell herself for five hundred thousand.

she glared at him.

She had already given birth to five children, yet he was still bringing this up.

Qin Anlan was deliberately teasing her. He touched his chin and said, "it's worth it when you think about it. Five children, one hundred thousand. Such good genes, it's worth it.

She couldn't be bothered with him, so she went upstairs to change and prepare dinner.

Qin Anlan smiled and picked up the chess pieces, but he was quietly listening to the movements in the kitchen.

Du Yuesheng, Linda, and Ran Ran really didn't expect this!

Chapter 1887: Pregnant with an Old Man's Child (1)

Du Yuesheng walked into the kitchen, and Linda was secretly picking up a sour plum tomato and eating it.

Recently, she seemed to like eating sour things very much. In the past, she used to see sour things, but now she felt that eating them was very satisfying.

However, she was always a guest at Chairman Ye's house, so she had to stop after eating two. Later, she planned to destroy them all at the dining table.

The servants in the kitchen were busy. It was early winter, so they had still steamed mitten crabs. The meat was so full that it made people drool.

After traveling for a month, Linda had long missed the big fish and meat, and she drooled silently.

"You seem to have a good appetite." Du Yuesheng leaned against the kitchen door, lit a cigarette, and slowly smoked.

Linda was shocked, she turned around and said with a smile, "no matter how good my appetite is, it's not as good as Mr. Du's!"

She mouthed the words, "man and woman, one for one!"

Du Yuesheng could tell. Her fingers trembled as she held the cigarette. Nonsense. "However, she squinted her long and narrow eyes after a while. "Are you jealous?"

When the servants weren't paying attention, Linda secretly ate another small tomato. After she was satisfied, she slowly said, "Mr. Du, when you eat the crab later, remember to dip it in vinegar."

Du Yuesheng should have been happy that she acted as if she didn't mind what happened that night at all. However, now that Ye Liangqiu was nowhere to be found, he felt a little disappointed instead.

Even if there was a young lady pestering him now, it would be good. However, this little girl would rather eat food. She had no interest in a big fish like him.

Du Yuesheng left.

Linda started to gloat, "he deserves it, he must have been jilted!"

Even if he felt uncomfortable, he couldn't use her as a spare tire. The girl had taken the check, taken the pill, and no longer served him.

Linda was quite happy, and she ate another two chicken wings secretly. Er Ben jumped back into the living room in satisfaction, and the servants also served the dishes, not saying a word about Linda's secret eating.

At the dining table, Ye Liangqiu saw that Du Yuesheng had been silent the whole time, and Linda was happily eating her beloved mitten crab. She did not even look at Du Yuesheng. She thought to herself, "it's probably impossible."

Qin Anlan threw her a look, meaning, 'worry for nothing!'

An Ian's face was less swollen after another surgery. This time, she looked much better. So, in front of an old man like Du Yuesheng, President Qin did not lose face at all.

Ye Liangqiu was actually amused. An Ian actually valued her looks, even though he always said that the operation was to fix her appearance.

He looked at Linda casually, and said slowly, "You told me on the way that you wanted to take leave for a blind date at Yingluo's house, okay? Do you want me to help you find a few young talents in the company?"

She looked at Qin Anlan. "You know the people in KING Entertainment the best. You can recommend a few."

Qin Anlan calmly peeled a mitten crab for his wife and dipped it in vinegar for her. It's from the company. I'm just afraid that Linda won't like it.

Linda chuckled, her face thick, "I think whoever I see is pretty good." In an instant, there were about five to six young talents listed. Qin Anlan said solemnly, "I'll get cool autumn to make the arrangements."

Even if others didn't like President Ye's trusted aide, they still had to make Linda happy.

As long as Linda was willing, she could have five or six boyfriends at once!

They talked as if there was no one else around.. Du Yuesheng's eyes were deep, and she glanced at Linda, "you're so young and you already want to get married?"

Chapter 1888: Pregnant with an Old Man's Child (2)

du yuesheng's eyes were deep as she glanced at linda,"You're so young and you already want to get married?"

"yeah!" Linda smiled sweetly. could it be that Mr. Du doesn't want to get married? or does Mr. Du dare to say that he has no woman by his side? " du yuesheng's gaze became deeper and she smiled, " there was one recently, but i only slept with him for one night. "

Looking at the mitten crab in her hand, Linda couldn't bear it anymore.

did he scare people? Was he trying to threaten her with this?

She didn't have a husband, so what was wrong with accidentally sleeping with a man?

However, since he dared to insult her like this, she wouldn't let him live well either.

Linda smiled sweetly. yes, Mr. Du only stayed in new York for one night!

There's medicine in the cup. Oh, that's right, if CEO ye had sent Mr. Du back to the hotel that night, the result would've been ..."

She looked at Du Yuesheng innocently. little brat, I'm going to kill you!

'Shameless. We've already slept together, yet you still dare to say it.'

Say it, come on, let's hurt each other, Yingluo

Du Yuesheng was also shocked by this girl's courage. Linda had admitted that she had slept with him.

however, the little girl was really good at driving a wedge between them, yingluo.

If Du Yuesheng were to say anything now, she would appear to be ungentlemanly. If she didn't say anything, she would also be very passive. Qin Anlan did not know about this at first. He looked at Du Yuesheng and then at ye Liangqiu.

Du Yuesheng smiled bitterly,'an LAN, you were the one who entrusted ran ran to me. you haven't forgotten, have you?"

Now that they were all together, there was no point in talking about these old scores with him.

naturally, qin anlan was not in a position to flip through it. he was only thinking in his heart, if it was liang qiu who went that night, would she have had sex with du yuesheng?

The more he thought about it, the more his heart turned cold. If it really happened, would it be Du Yuesheng who was hugging her to sleep every night?

back then, how could he be so magnanimous to entrust his wife to someone else?

at this time, all the conspiracies and plots were far away from president qin. the only thing left was that du yuesheng had drugged his wife and failed, and the result was that she had slept with linda.

linda was the hero of the qin family and KING entertainment!

President Qin immediately said that he would reward Linda handsomely and find her a decent boyfriend to be her husband.

Du Yuesheng did not feel good about it. What's wrong with him? he didn't sleep with her because he liked her.

was there a need for this?

moreover, this little girl had become a hero. he was the one who had put in the effort that night!

Linda sneakily laughed, and ate up the whole plate of small tomatoes, as well as the three hairy crabs. But sadly, she ate too much, and her stomach started to hurt.

ye liangqiu saw her holding her stomach and was a little anxious. " what should we do? we have to send him to the hospital."

She looked at Du Yuesheng, " Yuesheng, why don't you accompany her to the hospital? " There are four children at home, Yingluo."

qin anlan also looked at his wife.'didn't we agree to find a suitable one for linda at KING entertainment? why is she still coveting du yuesheng?'

ye liangqiu's voice was very soft. " didn't we settle it together? i was afraid you would overthink it. "

Just now, an Lan's gaze was as if it wanted to kill. How could she not see it?

but what she said now was just to coax him and could not be taken seriously.

Ye Liangqiu always felt that Linda really didn't like Du Yuesheng. After all, she was just a little girl.

However, Du Yuesheng was different. She seemed to be a little concerned..

Chapter 1889: Pregnant with an Old Man's Child (3)

since she had said so, du yuesheng could not refuse. furthermore, he had slept with a young lady before. it was only natural for him to accompany her every time he was sent to the hospital.

in the end, it was du yuesheng who carried linda into the car. when ye liangqiu closed the door, she said worriedly, " "if there's anything, call me."

Du Yuesheng fastened her seat belt slowly and smiled, " "what can happen? at most, it's just acute enteritis or something. he's just a glutton."

ye liangqiu also smiled. why did she feel that du yuesheng's words had a hint of pampering?

it was probably because he was more than ten years older than linda and had slept with her before, so he felt the pain unconsciously.

She pursed her lips and didn't say anything. She closed the door and told him to drive slower.

after the car left, ye liangqiu turned to look at qin anlan and sighed. " "do you believe it? yuesheng has taken it to heart."

qin anlan put his arm around her shoulder. ” i don’t know if he’s interested or not, but mrs. qin, is there a need for you to address her so affectionately? ” yuesheng?”

She rolled her eyes at him. what else do you think? ”

She put her arm around his waist and walked towards the entrance with him. I almost married him, so I called him even more intimately.

As soon as she finished speaking, his lips were blocked by hers. Then, he carried her in his arms and said in a hot voice, ” ye Liangqiu, you’re in big trouble now. How dare you say such things! I think I need to teach you a lesson.”

she smiled and begged for mercy, but he still carried her upstairs. just as he was about to punish her, there was a burst of crying in the baby’s room.

the man cursed in a low voice. ” now, i feel that aunt su is really good! ”

in the past, the couple was quite harmonious because there was someone to take care of the child.

They didn’t feel at ease when outsiders were taking care of them, so they had always been taking care of Yingluo by themselves or by su Xiu.

Ye Liangqiu laughed as she lay there. She wanted to get up and take care of the child.

qin anlan reached out and stopped her. his voice became warm. ” you can lie down. you’ve been busy the whole day. i’ll go. ‘

sne reacnecl out to nug ms neck and said sottlY, ” “snould 1 wait tor you nere, or should i take a shower first?”

His breathing suddenly became heavy, and he kissed her hard. Little Vixen, go and wash up! I’ll deal with you later.”

As she spoke, she immediately ran to the nursery and wished she could knock all the little ones unconscious.

the scene of the four of them crying together was spectacular.

At this moment, Qin Anlan was a little regretful. Why did he have to give birth to so many?

It was simply too embarrassing!

It was so sweet!

in the xuanji hospital, du yuesheng kept holding linda.

the girl, who was originally very fierce, was now crying out in pain. she was extremely delicate.

Du Yuesheng took her to do a blood test but she still couldn’t put her down. She frowned. are you sure you can beat me after sleeping with me once? ”

“bah!” Linda weakly lowered her head and buried it in his arms, “if it wasn’t for my lack of strength, do you think i would want you to carry me?”

Hmph! he pretended to put her down and snorted coldly. then you can find the young talents in the company to carry you!

Linda immediately hugged him tightly, and said with disgust, "yeah, you're old, you can't carry me anymore!" this was simply yingying challenging the man's bottom line.

du yuesheng's face darkened as she said word by word, "That night, who was the one who cried and said that he couldn't take it, that it hurt so much, and that he would die if it happened again?"

Linda looked around, this old thing really dared to say it!

she bit her lip. "that's because you took the medicine! ' du yuesheng sneered, " then i won't take the medicine.. let's see if i can carry it!

du yuesheng sneered. " when will i stop taking my medicine? i'll let you see if i can do it. "

Linda glared at him-

This shameless person!

who was the one who said that du yuesheng was a famous modest gentleman in hong kong? In her eyes, he was just a shameless old man!

linda ignored him, and half-leaned on the back of the chair, still looking a little pained.

No matter what, Du Yuesheng would not argue with a little girl. Hence, she pulled her back onto her shoulder. bear with it. The results will be out soon. Linda wanted to avoid him, but his arms were warm. She hesitated and leaned back.

The next moment, she asked childishly, " will I die? " du yuesheng looked down at her and smiled. " i've never heard of people dying from eating crabs. if there are, they must be stupid. '

He didn't think so at first, but now he felt that it was interesting to be with this girl.

At least, she wasn't afraid of him anymore, and she wouldn't try to seduce him.

This made him feel comfortable and relaxed.

Linda looked at him and held her stomach, " it hurts! You are a bad person!

"Yes, I'm a bad person." the mature man wanted to tease her, so he dared to say anything."even the bad guys didn't put a bucket (with the same pronunciation) into your stomach."

Linda glared at him, " Du Yuesheng, you're really shameless.

he just smiled deeply. when he looked up, he saw the nurse coming over, looking a little anxious.

du yuesheng's face, which was originally smiling, suddenly sank. she looked at the nurse and said in a low voice, "What's wrong?"

“This young lady needs to be transferred to another department,” the nurse said urgently.

Linda’s face changed. She was timid, she was really afraid of death!

Du Yuesheng put her arm around her shoulder to calm her down, ” “you can’t be transferring to the brain department, right?”

“I don’t think your brain works very well,” he said as he turned to look at her.

linda was about to cry, and her voice sounded like she was about to cry,”du yuesheng!”

don’t be too nervous, ” the nurse quickly said. ” but this might be a good thing for you guys. ” being sick was a good thing?

Linda didn’t know whether to laugh or cry. the nurse explained, ” isn’t it a good thing that this young lady has been transferred to the obstetrics department? ”

looking at this teacher’s age, wasn’t it a happy thing to have a son at an old age?

Obstetrics?

Linda and Du Yuesheng looked at each other in dismay.

Then, Linda lowered her head, her fingers gently caressing her stomach, her voice also trembled, “Are you kidding me, nurse? I’m not married yet!” it’s fine as long as you have a boyfriend. If you don’t acknowledge your boyfriend, you’re too much of a scumbag. the nurse said without thinking. then, she looked at du yuesheng and stared at her for a while.

Du Yuesheng did not feel good in her heart. He was a man and he would take responsibility for what he should do. However, Linda did not say that the child was his.

“i don’t have a boyfriend,” linda howled.

she covered her head with both hands and pulled at her hair. oh no, oh no, i’m pregnant, yingluo.

The nurse’s gaze moved back and forth between their faces, and she said hesitantly,”then, yingluo, is this gentleman your father?”

Linda was stunned.

du yuesheng’s face darkened. was he that old?

His eyes fell on Linda’s face, and his voice was cold, “Tell her, what’s our relationship?” seeing that he was so angry, linda felt very sad. she was in pain, okay?

why was he the one who was angry?

hence, he put on a fake smile and said, “i’m your sugar daddy, and i have a relationship with you.” du yuesheng wished she could kill her!

She really dared to say it..
