

Thank you 1911

Chapter 1911: Tricking old du (2)

linda cried quietly for a while. suddenly, she looked up at ye liangqiu, but her voice was firm. "sister liangqiu, i want to get someone's phone number. "

he immediately guessed what kind of person ye liangqiu was.

She pondered for a moment before asking,"Are you sure?" If that's the case, it might push the matter to an irredeemable stage."

linda smiled in a daze,"i'm not afraid!" didn't he say that he likes me? i'd like to see how much he likes me. "

ye liangqiu closed her eyes. " in that case, it's also possible that you and him will no longer be possible. "

sister Liangqiu, I've been hoping for it, but right now, I just want to get rid of it. Linda gritted her teeth,"also, why did he mess up my life, and I have to endure it?."

This time, it was her turn to take revenge on him and tear his life apart, if that was what he wanted.

Ye Liangqiu let out a long sigh. Women were indeed not creatures to be trifled with. She was also worried about Du Yuesheng. But after thinking about it, she felt that he deserved it!

if he didn't leave a way out for others, then he shouldn't expect others to block his path.

And so, ye Liangqiu got what Linda wanted a week later.

Linda spent 20 days in peace. Then, she received a call from Du Yuesheng. He said that he would fly to B city the next day.

"Mr. Du, you're not afraid of your fiancée, you know?" Linda answered the phone with a cold expression. Mr. Du should be very busy at this time."

In contrast to her harsh words, Du Yuesheng was much more sincere. Shanshan, I just want to see you once.

"In fact, I missed you too," Linda said in a soft voice.

When she said this, she felt that she was going against her heart.

However, Du Yuesheng was a little overjoyed because she had not said a single soft word to him. He also wanted to get her response.

At this moment, he thought that he could give her everything. He could even secretly get a vasectomy and not have children with his wife. Shanshan's child was his heir, and he could give her all his love.

perhaps he could not give her a marriage, but he could give her everything else.

Du Yuesheng put down the phone in her hand and called for her Secretary.

the secretary brought over a royal blue box and placed it on the table. du yuesheng raised her hand and motioned for him to leave.

after the door was closed, du yuesheng opened the box. there was a pair of platinum rings with simple lines inside. they were obviously rings for couples to get married.

du yuesheng looked at it for a long time before she picked up the male one and put it on herself. as for the delicate female one, he put it in his pocket.

in her heart, there was an unspeakable satisfaction.

it was as if his life had been fulfilled by that little girl, and the world was dazzling. he smiled, remembering that she had called him an old man, and now, he finally felt like he had a home.

Shanshan and their child!

du yuesheng was already regretting it. he should have said that he would go today. tonight's private plane would arrive in B city very quickly. if he was lucky, he could even spend the night at her place.

her period was long enough for them to have sex, and he really wanted to do it with her.

Du Yuesheng couldn't sleep the entire night just thinking about this. She was a little excited.

The next morning at eight o'clock, he boarded the private plane to City B and arrived at her apartment at 11:30.

he went straight to her apartment. the door opened before he even knocked.

He imagined her opening the door and hugging him sweetly, saying that she missed him so much.

At the thought of this, Du Yuesheng's face broke into a happy smile.

Chapter 1912: tricking old du (3)

At the thought of this, Du Yuesheng's face broke into a happy smile.

However, this smile ended when the person inside the door thought that it was his fiancée.

Lin Shimin's gaze fell quietly on her fiancé's face and she smiled appropriately. "Yuesheng, you're here."

Du Yuesheng did not know why, but she felt disgusted when she saw that smile.

However, he was more furious at that little woman.

that little woman who said she missed him last night, ran ran, lin shimin ... was she the one who called her over?

It's really good! in order to get rid of him, she actually dared to do this!

He didn't avoid her and directly opened the door and walked in like the master of the house.

lin shimin followed behind him and said in an indifferent tone, "I promised ye Liangqiu that I would not hurt Shanshan."

however, du yuesheng was not in the mood to pay attention to her. his eyes were indifferent and cold as he looked at the pregnant woman sitting on the sofa.

She was already in her late pregnancy. She sat on the sofa with her hand on her stomach, as if she was holding a ball.

Du Yuesheng just looked at her like that. It was enough to make one's scalp go numb.

He put his finger in his pocket and held the plain white gold ring, laughing at himself.

Look, Du Yuesheng, what you wanted to give her, but she didn't want it, Yingluo.

however, the moment she opened her mouth, she said hurtful words, "are you doing this to force me to make a decision?"

linda just looked at him like that, her eyes seemed to have countless little stars hidden in them.

Du Yuesheng only wanted to cover her eyes because he could not bear to hurt her when he looked at her eyes.

"Yes!" linda's voice was hoarse, "du yuesheng, you said that you like me. you're going to get married soon, and your fiancée is also here. if you really like me, then tell her that you don't want to marry her. you love me. "

as she spoke, she lifted her chin with a touch of stubbornness.

The veins on Du Yuesheng's forehead were popping out. He suppressed his voice and said, "shanshan, don't mess around,"

you clearly know that it's impossible to cancel the wedding now. Ever since the announcement of the marriage, the two families had many collaborations. After this layer of relationship was broken, neither of them trusted the other.

she was clearly certain that he would never cancel it, so she deliberately made things difficult for him and made him let go of her.

How could he not see through her?

"Did I make a scene?" linda gave a faint smile and lowered her eyes, "du yuesheng, you were the one who said you liked me. you were the one who said you wanted to be with me. am i making things difficult for you by doing this? "

"i'm fighting for the status that the child in my stomach deserves. am i wrong?" she laughed mockingly.

du yuesheng's face darkened.

Lin Shimin, who was beside him, was obviously much more cultured than him. She still smiled. Yuesheng, I don't mind you taking care of her, but you have to think carefully. The heir of the du family can only come from my womb.

she was such a sophisticated woman. how could she not see that du yuesheng liked this girl?

du yuesheng was no longer an impulsive teenager. why did she do such a stupid thing? what else could it be if not true love?

She could fulfill his wish, but what about her love? what about her liking?

She had actually liked his Yingluo for so many years, but he didn't know about it.

Knowing that he had a mistress outside, she was very disappointed, but she was willing to tolerate it.

Du Yuesheng looked at her and then at Linda's face,"now, do you still want to persist?"

Linda smiled in a daze, looking at them standing shoulder to shoulder, looking very much like a couple.

she knew that he would never cancel it. she was just asking to be humiliated. she was forcing him to hurt her.

Chapter 1913: tricking old du (4)

Linda slowly opened her mouth, with a determined smile on her face,"Yes, I insist."

The veins on Du Yuesheng's forehead were bulging and her voice turned cold. you know I can snatch the child away.

Linda laughed and raised her little face,"Du Yuesheng!"

" old man du, are you so sure that i'll give birth to him? " she asked with a hint of contempt.

she spoke slowly, word by word, " du yuesheng, i'm seven months pregnant now. it's not impossible for me to abort the child if you insist on taking him away. "

"do you think you'll have the chance?" His voice was extremely gloomy and his eyes were filled with viciousness as he stared at her.

In the eyes of the world, Du Yuesheng had always been a modest gentleman. She had never revealed the darkness in her heart. But at this time, he could not care about anything else. He was flustered and exasperated in front of her and released all his hostility.

at this moment, he almost wanted to strangle her to death.

Linda, however, ignored his anger and sneered, " Mr. Du, are you going to catch me and bring me back to Hong Kong? "

"do you think you can leave B city?"

she stood up straight and held her stomach. her voice became calm and composed. "Mr Dean, we must be fair and not be too greedy, right?"

her gaze fell on lin shimin and she smiled. " " unless you give up on ms. lin, the child and i will not belong to you. "

lin shimin smiled. " miss ning is very sensible. yuesheng, you should be more sensible too. "

she had the demeanor of a noble family and was calmly dealing with the problems her husband had left behind.

du yuesheng looked at her and then at linda. after a long time, he smiled gently, " so, it's just my own wishful thinking. "

His words were full of self-deprecation, then he took two steps back and walked toward the door.

Lin Shimin smiled and nodded at Linda, " "miss ning, thank you."

Linda's face was expressionless and her voice was icy. Miss ning, you're welcome!"

"you don't have to give me the check. du yuesheng has given me enough," she continued without a pause.

If this woman wanted to use money to humiliate her, then she would be disappointed. Linda had said that after taking Du Yuesheng's five million Yuan, this child would no longer belong to her.

And what he gave later was that he was cheap!

lin shimin was born in a good family, so she was embarrassed by such a merciless scolding.

in the end, he didn't even force her to smile and quickly left.

Aunt Zhao closed the door, sighed, and walked over to help Linda,"shanshan, why are you making things difficult for yourself?"

she could tell that mr. du liked shanshan and not the lady.

but what was the use of just liking? in a man's world, there were definitely more than just women and children he liked.

a man like mr. du would not risk breaking the marriage for shanshan.

linda leaned her head on aunt zhao's shoulder and said in a low voice,"Aunt Zhao, am I being too stupid?"

she still cried.

Aunt Zhao wiped her tears and comforted her, " "actually, this is also good."

At least this time, he could really give up!

she had been through this and could tell that shanshan actually liked mr. du. it was just that she was too depressed.

no young lady would be willing to be treated like this.

du yuesheng walked to the apartment building. lin shimin caught up with him and walked side by side with him.

Chapter 1914: divorce after marriage (part one)

du yuesheng walked to the apartment building. lin shimin caught up with him and walked side by side with him.

his expression was not good, but he did not feel embarrassed at being caught.

lin shimin sighed. "yuesheng," she said, "i know she was an accident."

Du Yuesheng stopped in her tracks and looked at her indifferently. Shimin, if I say that she was not an accident and that I like her, what do you think I should do?"

"Yuesheng!" if you won't break the marriage, then there won't be any 'if's." lin shimin remained calm. "let's go back to hong kong and forget everything here, okay? yuesheng, this doesn't belong to you. it shouldn't appear in your life."

Lin Shimin's family background made her believe that even if Du Yuesheng was truly in love, no matter how bad the situation was, he would still choose to put benefits above all else. That was because they were the same kind of people.

du yuesheng looked at her quietly and suddenly asked, "shimin, do you love me?"

lin shimin didn't hesitate. she smiled faintly and said, "of course."

du yuesheng also laughed along with him. she laughed with a hint of mockery, "love? if it's love, how can you bear that i like another woman?"

Her feelings for him were not love, but a kind of suitability.

lin shimin was a little embarrassed, but she still forced a smile. "yuesheng, let's go!" The car is outside and the private plane is at the airport, ready to take off at any time."

du yuesheng's gaze fell on her face. after looking at her for a long time, her eyes were deep.

Lin Shimin couldn't take it anymore. She couldn't figure out his emotions, and she couldn't figure out if he really wanted to break the marriage.

She told herself countless times in her heart that he wouldn't, he wouldn't!

He didn't dare!

the cooperation between the two families had cost too much money. the news of their breakup was a big blow to the family business, especially the du family.

her gaze slowly became determined.

du yuesheng looked at her face and her eyes. she smiled coldly. "shimin, i suddenly feel that women who are too smart are not very cute."

After saying that, he walked towards the RV outside. As he passed by the garbage can, he took something out of his pocket and threw it in together with what he was holding.

a silver light flashed past. lin shimin's eyes narrowed, and there was a slight sharpness in them.

she had a feeling that what du yuesheng had thrown away was something extremely important to him.

looking at his back, she stood by the trash can and pursed her lips.

24 hours later, hong kong.

A pair of simple white rings for a man and a woman were placed on Lin Shimin's desk in a box.

lin shimin sat up straight and stared at it for a long time.

She was not a fool. Of course, she knew what this meant ...

Du Yuesheng had thrown it away in a fit of anger. He had originally planned to give it to ning Shanshan so that they could wear matching rings?

then wouldn't she, mrs. du, be a joke?

Lin Shimin closed her eyes. Du Yuesheng, what kind of person do you think I am?

The extent to which he liked that girl was beyond her imagination. It was so deep that she began to panic.

Lin Shimin's body suddenly collapsed. She could already imagine how much damage this marriage would cause!

He would find that girl again, regardless of whether she liked him or not.

They had a child ...

lin shimin smiled gently. yesterday, du yuesheng seemed to have chosen her. in fact, he did it for the sake of the child and the safety of both mother and son.

The internal line on her desk rang. It was her Secretary.

Chapter 1915: divorce after marriage (part two)

the internal line on her desk rang. it was her secretary.

lin shimin picked up the call. the secretary's voice was sweet. " president lin, mr. du's secretary called to confirm the time mr. du will pick you up for dinner. "

the secretary confirmed again!

he didn't even give her this thought!

he, on the other hand, had the time to go to b city to see that woman. she found him an eyesore when he was so submissive.

Lin Shimin had always been known for her good upbringing. She was the same kind of person as Du Yuesheng. At this time, she also lost her temper. She threw the internal phone on the ground and smashed it.

the secretary on the other end of the line heard a loud bang and was a little stunned. was this the gentle president lin?

lin shimin stood there for a long time and bit her lip. then, she picked up her phone and called her secretary. "Tell Mr. DU's Secretary to follow the original time."

The Secretary was silent. President Lin seemed to have changed back, but it sounded a little different.

however, no matter how amiss it was, du yuesheng and lin shimin's wedding in hong kong was also extremely luxurious. the media was also lively for nearly half a month. but after that, there was an even more sensational news.

du yuesheng and lin shimin divorced a month after they got married. the reason was that du yuesheng had another woman outside.

and not just one!

Mrs. Du had enough of being caught in an affair every two to three days during her wedding! what she couldn't stand was that he would rather have another woman than touch her!

Lin Shimin had been patient for a month and finally decided to divorce!

In the famous people law firm, Du Yuesheng and Lin Shimin sat at two ends of the conference table.

In contrast to Lin Shimin's haggardness, Du Yuesheng looked particularly heroic and energetic. Her expression looked especially satiated.

to lin shimin, this satiety was particularly glaring.

initially, she thought that he would never forget ning shanshan. on their wedding night, she understood him. although she was looking forward to it, they still slept on their own. she thought that in a few days 'time, he would be considerate of her feelings.

but what she didn't expect was that a few days later, he started not going home.

the next day, she saw him in the newspaper. he was hugging a young model and laughing happily.

Lin Shimin told herself that he might have been socializing with someone else and was just putting on an act!

However, she had to do this scene every day, and she could no longer tolerate it.

every day, she would look at the hickeys left by other women on her husband's neck. day after day, she was about to break down.

just like now, his neck was still covered in those eye-piercing bruises.

"why?" she covered her eyes. " yuesheng, what did i do wrong that you have to treat me like this? "

"I can give you whatever those women can give you," she said in an exhausted voice.

"i don't have any desire for you." Du Yuesheng said it directly, not giving her any face.

lin shimin was stunned.

She looked at him with a dazed expression.

” also, have you forgotten what you have done? ” he smirked coldly. ” shimin, think about it again. ”

lin shimin’s face instantly turned pale. ” “You’re doing this for her?”

“i don’t like people controlling me.” du yuesheng’s gaze was clear, “I thought you knew me well enough.”

Lin Shimin’s voice suddenly trembled. “I don’t want a divorce now.”

du yuesheng took out a cigarette and lit it skillfully. she said indifferently,”actually, i don’t want a divorce either.”

lin shimin’s face was as pale as a piece of paper.

Chapter 1916: Divorce after marriage (part three)

Du Yuesheng’s voice was very soft. Of course, it was also very cruel. Shimin, we can grow old together.

lin shimin looked at his expression and closed her eyes. ” du yuesheng, you don’t like me! ”

This was a Chen Shu.

however, he didn’t deny it at all. with a calm expression, he said, ” yes, i’ve never liked her. ”

lin shimin was stunned for a moment, and then she became angry. ” “Du Yuesheng, why did you marry me?”

His gaze was sharp. Shimin, what do you want me to say? ” benefits?”

“Why humiliate yourself?” he said mockingly.

lin shimin laughed so hard that tears came out of her eyes. he was her husband, the man she married.

from the first day of their marriage, he had wanted to take revenge on her.

“just because i sent our wedding photo to linda, you have to treat me like this?”
lin shimin laughed miserably. ” du yuesheng, do you think she will still want you?
”

She started to speak in an uncouth manner. you don’t know how many times you’ve touched her. Do you think that clean little girl will still want you? ”

Lin Shimin laughed as she spoke, tears streaming down her face.

She pitied herself, but also pitied Du Yuesheng.

he probably didn’t even know how much he liked that little girl!

Yuesheng, you really shouldn't have married me. It's not easy to fall in love once! "Let's go to hell together in the future," Lin Shimin said with a smile.

du yuesheng remained unmoved and chuckled. "no, lin shimin! I'm in heaven, you're in hell."

the unspoken rule of the upper-class society was that men could go out and spend money, but once a woman had an affair, she would be doomed.

Lin Shimin insisted on this marriage for half a year and finally fell in love with a young man five years younger than her.

he was a pianist!

His family background was average, but he was talented.

Lin Shimin spent a lot of money to support him and got all the love from the young man as she wished.

In the beginning, she was still avoiding him. Later on, she brought her little boyfriend to attend banquets everywhere without any scruples. Sometimes, she would even bump into Du Yuesheng.

while lin shimin was happy, she also understood that she wanted a divorce.

She did not ask for a single cent and even offered some benefits before she got a divorce and got rid of her status as Mrs. Du.

on the night of the divorce, lin shimin had eagerly looked for her young boyfriend and said that she wanted to marry him!

However, her little boyfriend held up a check. 50 million, Mr. DU's promise.

He leaned over and kissed her, "Madam Lin, you're very elegant!" I'm also very open in bed, but I already have a girlfriend."

he said regretfully. then, he carried his luggage and walked to the door, saying softly, " "i've already checked out of the room. madam lin, thank you for taking care of me during this period of time. "

Lin Shimin closed her eyes, her voice trembling. "don't you regret it? i have a lot of money, and i can put you on the altar and make you a first-class pianist."

"No need. I just want to be with the girl I love." Her young Harren said.

lin shimin exploded. " then why did you betray her? "

The man was silent for a long time. I have never had sex with her, so it's not considered a betrayal now. After I have her, I will not have anyone else.

With that, he walked straight out without any hesitation.

lin shimin stood alone in the hotel room. her mind was filled with young men. she had almost forgotten about her ex-husband, du yuesheng.

Chapter 1917: get a divorce after getting married (4)

lin shimin stood alone in the hotel room. her mind was filled with young men. she had almost forgotten about her ex-husband, du yuesheng.

But what did he say just now? he said that if he had it, he would never betray it again!

Lin Shimin suddenly walked outside, her heart filled with anger!

du yuesheng had lied to her!

all of this was his trap!

From the moment he started to give her the cold shoulder, to the moment he said that he had a woman outside, everything was a lie.

He didn't have a woman at all. He wanted her to divorce him on her own accord.

She rejected him, and he did not object. Instead, he quietly found a man to seduce her!

This kind of husband was really very qualified!

lin shimin laughed so hard that she cried.

this bastard!

she drove all the way to qin garden, where du yuesheng lived. when she stopped outside the courtyard, she saw the servants moving the luggage into the trunk of the car.

She knew very well where he was going. He was going to B city to find his Little Vixen!

they had just gotten divorced, and he was already so impatient!

Lin Shimin gritted her teeth, her mind filled with burning flames.

in fact, she did not love du yuesheng anymore. she loved someone else. however, du yuesheng had spent 50 million to buy her pain. if she did not look for him, who else could she find?

she sat in the car and quietly watched du yuesheng smoke a cigarette at the door. after that, she got into the car and started the engine.

When his car slowly drove out of the gate of Qin garden, Lin Shimin gritted her teeth, found the right angle, and drove the car over Yingluo.

With a loud bang, Du Yuesheng's car crashed into the wall of the gate. The car was instantly shattered and Du Yuesheng fell unconscious on the spot.

His fingers drooped, and two white rings fell out of his palm. Blood stained everything red.

He opened his eyes and wanted to say something, but his eyes closed again.

he couldn't die. he had to go to B city.

he wanted to apologize to his silly shanshan. at that time, he was in a fit of anger. although he said that he had no choice but to get married, he could still think of a way.

on the night of their wedding, he had seen the photo lin shimin had sent to him and he had panicked.

he felt that he had been so cruel to Shanshan!

when she saw it, would she cry, cry for the whole night?

that night, he called her but she didn't pick up. he didn't call her again because he knew that she hated him to death.

He did not create gossip just for Lin Shimin to see, but also for Shanshan.

He had hoped that she would be jealous, but she had not called him or sent him any messages.

She was so ruthless that it was as if he, Du Yuesheng, did not exist in this world.

In the end, he couldn't hold it in any longer. He sent people to protect her and set Lin Shimin up. He had expected Lin Shimin to seek revenge, but he didn't expect it to be so ruthless.

Women were indeed not to be offended!

Du Yuesheng slowly closed her eyes in a daze.

the police car and ambulance arrived together. lin shimin was taken away by the police car, while du yuesheng was in a coma in the hospital for a month.

after he woke up, he spent another month recuperating and dealing with company affairs.

When he finally stood on the land of B city, Linda's child had already been born, and it was already six months old.

it was a girl called mingyue.

This name was given by Linda herself. When she said it, everyone looked at her with a strange expression.

She still lived in that apartment and lived an ordinary life. Aunt Zhao was still with her and the child.

linda didn't need to worry about money now, she was already a rich lady.

Chapter 1918: wife and child, a warm bed (1)

she was already a rich lady.

she had heard about everything that happened in hong kong. she heard that du yuesheng was divorced, that she was hit by lin shimin, and that she was discharged from the hospital, yingluo.

those things had nothing to do with her. in the past year, he had not contacted her again.

Everything was in the past for Linda.

The weather in early autumn was cool and comfortable. Linda and aunt Zhao pushed the child for a walk in the community. Little Xinyue was lying in the small cart, wearing a one-piece. Her hair was sparse and pale yellow. They didn't know who she looked like, but overall, she was cute and good-looking, like a mixed-blood.

"baby, look, the autumn leaves are turning yellow." Linda sat down on a long chair and bent down to talk to little Xi Yue.

However, after she finished speaking, she realized that this bench was the one she had sat on when Du Yuesheng came over. Du Yuesheng had even hugged her here.

he retracted his expression and then frowned.

aunt zhao's voice stammered, " "Mr. Dean?"

Mr. Du? du yuesheng?

linda quickly looked up and saw du yuesheng who was travel-worn, she couldn't believe it.

however, he was indeed standing in front of her. her eyes were a little hot, and her words were not too polite. " what are you doing here? "

With just a glance, she noticed that there was a long scar on his forehead, about five centimeters long, which had now turned pale white. It should have been caused by the car accident.

however, it was his duty.

he had an affair with many women in his marriage, so it would be a blessing to yingluo if she didn't kill him.

du yuesheng's expression was not very good as she said, " "are you cursing me in your heart for not being killed by lin shimin?"

"i didn't say that," linda snorted.

"but you're thinking about it." Du Yuesheng, old man du, was an old man, but he was like a Rascal in front of Linda.

Linda put on a fake smile, " Yes, I think so. What can Mr. Du do? "

he looked at her deeply, his dark eyes unreadable.

after a moment, his eyes fell on little xi yue and his eyes became much more loving. " "The child should be half a year old,"

"even if i live to a thousand years old, it's none of your business." linda snorted.

du yuesheng was not bothered by her coldness. instead, she laughed, "a thousand years? isn't that a tortoise?"

linda pursed her lips, "yeah, only a bastard can give birth to a bastard!" Mr. DU's wife has a gigolo, what is Mr. Du if not a tortoise?"

"you admit that i gave birth to little xi yue?" du yuesheng's eyes were deep.

Linda didn't say anything. Her attitude was clear, he was not welcome.

aunt zhao stood at the side. it was also quite difficult because mr. du was single now and he had the heart to ask for her help.

however, his reputation in the past year had not been very good! there were butterflies around her one after another. although shanshan looked calm, she should be very angry.

“Aunt Zhao, let’s go home!” Linda said softly.

Auntie Zhao nodded. okay, I’ll carry the child.

“Why don’t I carry him instead?” Du Yuesheng’s eyes were a little hot.

he had never held little xi yue before. this was his first child.

of course, he also wanted linda to give birth to many children for him, and he would start making babies tonight.

However, this was only Du Yuesheng’s wishful thinking. She did not carry the child and the door did not enter. It was shut outside!

Chapter 1919: Wife and child, a warm bed (2)

“Shanshan, open the door.” du yuesheng called out from outside. her voice was somewhat helpless.

There was no sound from inside for a long time. Du Yuesheng could only squat there and guard, looking very down.

after sitting there for about half an hour, there was still no movement inside.

“So you’re determined to ignore me?” Du Yuesheng touched her nose, feeling a little uncomfortable.

without caring about his image, he squatted at the door and smoked. he smoked for a long time, but there was still no one inside.

He touched the cigarette with his fingers and finished half a pack of cigarettes.

he turned his head and looked at the tightly shut door. he sighed, got up, and knocked again.

This time, the door opened. It was aunt Zhao who opened the door. She looked at Du Yuesheng and sighed softly, ” “mr. du, it’s better if you don’t come. shanshan said she doesn’t want to see you.”

Du Yuesheng knew that if she wanted to enter, she had to get past aunt Zhao first. Hence, she lowered her voice, ” “Aunt Zhao, I’m single.”

there are a lot of single men on the street. If they all come, Won’t You Be able to see them? ” Aunt Zhao’s voice was harsh. She was really angry.

although he was single, he had gotten a divorce once and turned back. mr. du had a marriage before and did not expect it to be his first marriage. however, shanshan was pregnant and he went to get married. what was a divorce now?

was shanshan a pumped up spare tire?

Besides, their Shanshan now has money and looks. There’s no need to waste her youth with an old man, aunt Zhao thought immorally.

Du Yuesheng was stunned. The Auntie had retorted.

He coughed lightly and said uncomfortably, "how can i be the same as those men?"

"it's different," aunt zhao snorted, "the men outside didn't abandon shanshan after getting her pregnant." You're divorced but you're still so thick-skinned to ask for a reconciliation."

du yuesheng was embarrassed. she lowered her voice and said, " i'm true to shanshan. "

"Mr. Du, if you said this before the wedding, there would be some sincerity!"

"Please go back," aunt Zhao said, not too politely.

du yuesheng looked at aunt zhao helplessly.

"i'll come back another day," she said softly after a long while.

aunt zhao glanced at him and snorted. she didn't say anything else and closed the door.

she turned her head and looked at linda, her expression softening. " shanshan, i think he is sincere. otherwise, why would such a big boss beg you like this? "

" he gave up on me because of his family. that's not his advantage. " Linda said in a low voice as she held little Xi Yue.

aunt zhao looked at little xi yue and felt very complicated. the name xi yue xi xi had two more words in it. it was obvious that she couldn't forget du yuesheng. everyone could see it, but she was too embarrassed to say it.

aunt zhao waved her hand. " it's up to you. anyway, i think mr. du is a good person. he's much more reliable than those guys outside who don't have a mouth. "

after he finished, he said earnestly, " "when a man comes to you after getting a divorce, it's usually true love."

"aunt zhao knows again." "Go and cook, I'm so hungry," Linda mumbled and pushed her.

Her voice was coquettish as she pushed Auntie Zhao to the kitchen.

"This child only thinks about eating all day. Isn't she afraid that it will be difficult to get married after she gets fat?" Aunt Zhao complained on purpose.

Linda pouted her little mouth, " yesterday, you said that I was too thin, and that I wouldn't be able to get married if I didn't gain weight. You said that no man would like pork ribs.

aunt zhao glared at her and snorted coldly!

Linda laughed and held her arm, her voice was extremely soft, " I know you love me the most, don't you? okay, go and cook.

aunt zhao stared at her for a long time, thinking that yingying was clearly doing this on purpose. otherwise, why would she suddenly become so clingy?

It wasn't like this before.

Although this was what she thought, aunt Zhao did not say it out loud. If she did not say it, the young lady would be embarrassed.

Aunt Zhao went to the kitchen happily. She had high hopes for this couple.

Women usually say no, but their hearts are very honest ...

linda stood in the living room, holding the child, and looked at the door with a dazed look.

It wasn't that she wasn't moved, but when she thought of all the frills he had caused after marriage, her heart turned cold again.

The old man was a pervert!

she deserved the divorce!

she played with the child. although she was determined, she still felt uneasy.

after all, du yuesheng was just outside. however, he should have left by now.

Linda was not sure, but she was also a bit curious.

Hence, she looked at aunt Zhao and said in a sweet voice, "aunt Zhao, please open the door and see if Du Yuesheng has left.

Aunt Zhao was busy cooking and her voice was loud. "i'm cooking, so i can't hear you."

linda repeated, and aunt zhao's voice became even louder, "The wind is too strong, I can't hear you."

Linda was speechless. She looked at the door handle, then walked over and opened the door after a moment of hesitation.

in the end, as soon as she opened the door, her eyes met du yuesheng's face.

Separated by the anti-theft door, Du Yuesheng's eyes were burning. "shanshan, i want to see the child. can you let me hold him?"

Linda instinctively took a step back and wanted to close the door, but his voice sounded, "if we go to court, i believe that this child will be mine."

After he finished speaking, he paused and looked at her fixedly.

it took a while for linda to come back to her senses, and her voice was a little flustered and exasperated, "du yuesheng, you bastard! "

"if i can't win your heart back by begging, then i don't mind being a bastard," du yuesheng smiled.

Linda glared at him, one inside and one outside.

After a long time, he finally opened his mouth and said in a slightly domineering manner, "open the door, or i'll kick it open."

she took a deep breath. after a while, she suddenly opened the door, "du yuesheng, what do you want? "

there was no longer any barrier between them, and he looked at her with a gentle gaze.

She took out a ring from her pocket. Shanshan, I just wanted to give you this. I'm late by a year.

as he said this, he was a little moved.

He had been very afraid at that time, on the night of his wedding with Lin Shimin.

He knew that she would cry and be sad, so he used the fastest speed to divorce her.

he had used some underhanded methods during the divorce, and he did not want her to know about it.

But he was very distressed. She didn't know and probably wouldn't accept him!

linda looked at him for a long time before she said softly,"Du Yuesheng, it's too late,"

she paused for a moment, her expression a little dejected."even if you gave me this before you got married, i would have believed you."

"but you didn't. you still chose her!" "I don't regret it!" Linda smiled. perhaps you'll say that i'm willful and unreasonable, and that i'm making things difficult for you, but shouldn't marriage and children be more important than anything else?"
