

## Thank you 1921

### Chapter 1921: wife and child, a warm bed (4)

linda said a series of words. there were some hot tears in her eyes, and she felt very uncomfortable in her heart.

What was he doing now? was there any use in coming to her now?

he had gone through everything and returned to her side.

However, they didn't have a past, and there wasn't even a trace of love between them.

at most, they'd have sex for a night. at most, he'd talk about what to do with the child. at most, he'd say that he'd give her money and let her be a mistress.

How could these be considered feelings?

These were the most despicable and shameless.

How could she still have any expectations of him?

linda's eyes were a bit hot, and she glared at him with a bit of hatred.

That little gaze made Du Yuesheng's heart break. She hated him.

yes, she should hate him ...

He didn't explain. He would rather be the bad guy, because only the bad guys could control her, and she would compromise.

If she had found out that he had so much sincerity in his heart, she would have been fearless and ignored him.

his expression changed slightly, and when he walked in, he didn't try to curry favor with linda.

Linda felt a bit upset, so she turned aside and let him in.

seeing du yuesheng holding her daughter with a gentle face, linda couldn't help but say, "du yuesheng, you can come and see me once a year in the future.

she felt that she was being very generous. however, du yuesheng looked up at her and snorted, "Once a year?"

did that mean that he would only have sex once a year?

A man like Du Yuesheng had already kept herself pure for her for more than a year and had long been holding back her anger.

He was going to have her tonight!

he looked at her indifferently, the meaning in his eyes unclear.

linda's body trembled unconsciously, and she suddenly became a little scared.

“Do you regret it?” Du Yuesheng reached out and pinched her chin. you regret letting me in, right? ”

“No,” Linda pursed her lips and said in a low voice.

“you’re so submissive now. are you afraid that i’ll snatch the child away?” His voice was still cold.

Linda shook her head, ” No.

She was completely dumbfounded when it came to the child, and she could only look at him helplessly.

because she knew all too well of his power, and because xi yue was his child, even if sister liangqiu helped her, it would be useless.

she had no choice but to lower her head.

Du Yuesheng didn’t say anything else. The little bun in her arms didn’t understand anything. However, aunt Zhao was still busy in the kitchen, so it wasn’t convenient for her to speak.

He pursed his lips and kissed the child before handing him over to her. “I’ll go help out in the kitchen.”

Linda was a little surprised. What could he be doing in the kitchen?

du yuesheng removed her coat and threw it on the sofa. she rolled up her sleeves and walked into the kitchen indifferently. she helped aunt zhao cut the vegetables with a practiced look. in the end, du yuesheng was the one who cooked the vegetables.

It looked, smelled, and tasted great.

He shocked aunt Zhao and Linda so much that they couldn’t believe that he was born into a noble family, so how could he cook so well?

du yuesheng was smart enough not to say that she had learned this in order to make her ex-wife happy.

However, he only did it for a few days before his ex-wife ran away with someone else.

At this moment, he looked at Linda, and said in a calm voice,”Is it good?”

aunt zhao also looked at linda with a teasing look in her eyes.

linda lowered her head and ate quietly. in fact, it was really delicious.

An imperceptible smile appeared in Du Yuesheng’s eyes. She pursed her lips and did not say anything.

Aunt Zhao looked at this and that and suddenly said slowly.

Chapter 1922: wife and child, a warm bed (5)

aunt zhao looked at them and suddenly said slowly, ” ” shanshan, something happened in my hometown, so i might have to go back for a month. yingluo, do you think we should hire a new nurse? ”

linda bit her chopsticks and was a little surprised, “what’s the matter? i have to go back to my hometown.”

A hint of shyness appeared on Auntie Zhao’s face. someone from my hometown has introduced a man to me. I’m quite interested in him, and I’m going back to get engaged this time. He’ll come over to B city later.”

Linda was stunned. Aunt Zhao was already more than 50 years old, and she was still looking for a second spring? n/o/vel/b//in dot c//om

however, when aunt zhao mentioned that man, her expression was the same as a young girl’s. she should like that man very much.

“congratulations,” linda said with a smile, “if you get married one day, please let me know.”

Aunt Zhao nodded. that’s for sure.

After she finished speaking, her gaze fell on Du Yuesheng’s face and she deliberately emphasized, “Mr. Du, you can’t bully Shanshan when I’m not here.”

“Of course not,” Du Yuesheng smiled.

linda heard this and felt something was wrong.

She looked at aunt zhao suspiciously. Aunt Zhao was a smart person, and immediately put on an “you’re suspicious of me” expression, and Linda’s head immediately shrank back.

She must have been overthinking it. Aunt Zhao had indeed found her true love and had gone back to her hometown to get engaged.

She ate gloomily and thought about how she was going to take care of her child for the next month.

or should i stay at sister cold autumn’s place for a month? it also stopped old du’s shameless entanglement?

linda thought and made up her mind. she looked at old du and snorted, he was shameless.

Aunt Zhao was very quick. She packed up her things and was about to leave after dinner. She had even bought the tickets.

Linda’s little mouth was wide open.”This is too fast.”

it was so fast that she couldn’t help but suspect!

on the other hand, du yuesheng was very friendly. she took the initiative to send aunt zhao to the train station and aunt zhao did not reject her.

watching them leave, linda bit her fingers and thought for a moment, then immediately ran to the bedroom to pack up.

she didn't have many things, but xi yue had a lot. two big bags of things, it was hard to carry alone, and she had to take care of a child.

hence, she placed the things in the trunk of the car before carrying her daughter.

however, when she came back and opened the door, she saw du yuesheng sitting on the sofa. little xinyue was lying on the sofa and he was playing with the baby lovingly.

linda's blood was frozen, " how did you get in? "

"Oh, here's aunt Zhao's key." "Aunt Zhao was worried about you, so she asked me to come and take care of you," Du Yuesheng said.

Linda slowly closed the door, not saying a word.

"But from the looks of it, you're going out?" du yuesheng's voice was slow. " why? are you trying to escape from me? "

"No, I didn't," She bit her lip and leaned against the door. Du Yuesheng, you're overthinking it.

"is that so?" "if you don't have it, then bring the stuff and come to hong kong with me." he chuckled.

"i'm not going!" She had a very strong emotional reaction.

du yuesheng laughed even more freely. " then we'll stay here. the three of us will be a family! "

"who wants to be a family of three with you!" she said hatefully, " du yuesheng, i'm telling you. you're in b city now. i'll kill you like i'm killing a little chick. don't go too far. otherwise, i'll make sure you won't be able to return. "

she had just finished speaking when she was hugged.

du yuesheng pressed her forehead against hers and smiled gently. " shanshan, i don't want to come out after i go in. what should i do? "

Chapter 1923: a shameless man (1)

Linda was dumbfounded as she stared at this shameless man in front of her.

"stunned? ecstatic?" Du Yuesheng continued to speak shamelessly. Then, her large palm took advantage of her.

linda was both embarrassed and angry. she tried hard to break free, but she couldn't. instead, as she struggled, their bodies got closer and closer.

She really had no choice but to lower her head and take a bite on his neck. Her words were muffled."You, you bastard, let me go!"

“Of course I won’t let go of the things that bastard got his hands on.” Du Yuesheng lowered her head and looked at the little girl in her arms.

After not seeing her for almost a year, her skin had become much more tender after giving birth. She used to be so thin that she didn’t have much meat, but now she was obviously a lot plumper.

Du Yuesheng’s breathing became a little heavy as she hugged him like this. She rubbed and kissed him, missing him terribly.

Looking at little Xi Yue who was sleeping soundly at the side, Du Yuesheng shamelessly picked the woman up after a battle of wits. As she kissed her, she asked, ” “Where’s your room?”

how could linda agree? she punched and kicked, bit and scolded, but all of these couldn’t stop her. a man with a brain full of insects.

“not telling? then let’s do it in aunt zhao’s room. maybe there’s a different kind of fun.” he had bullied her too much.

Linda bit his shoulder tightly, and then suddenly let go. Her long hair was messy on her face, and her forehead was covered with sweat.

she growled at him, ” du yuesheng, are you going to change?| attitude!”

du yuesheng laughed in a low voice. ” you can say that after we’re done. ”

He had already kicked open the door to a room and carried her in. The worst part was that the door was not closed.

She was thrown onto the soft bed and bounced a few times. Her long black hair covered the pillow. She wanted to get up, but Du Yuesheng had already bent one leg and pressed her down.

he raised his hand and started to unbutton his shirt.

Linda was dumbfounded. Is he for real?

Actually, they had only done it once, and it happened after they took the medicine. It was so long ago, Huahua.

she leaned back and said in a small voice, ” “mr dean, calm down. we are not that close.”

linda said and swallowed her saliva—mom, isn’t he already in his early forties? Why are these six rows of abdominal muscles so attractive? it exuded a chocolate-like luster.

in this situation, linda could still remember that yingying looked thin when she was dressed, but she was chubby when she was undressed.

du yuesheng looked at her little eyes and smiled slightly, ” shanshan, you were pregnant with my child before, but you said you’re not familiar with me, huh? ”

He lowered his body and moved closer to her lips, almost touching her as he said, ” we’re not familiar with each other. How did my seed end up in your stomach, huh? ”

His words were quite vulgar, and his actions were even more vulgar. He was clearly a man of noble birth, but at this moment, he was no different from an ordinary man!

he looked as if he had not eaten meat or touched a woman for ten years. his whole body was steaming, and his eyes were red.

linda started to be scared and backed away. but how could a man who had not touched a woman for more than a year let her go so easily?

Her lips were sealed, and her palm was pressed to the side of her body as if it was nailed to a cross, allowing him to enjoy it.

she was so ashamed that it was useless to resist and curse. the old man panted and ate her up, not leaving any bones.

in the last moment, he kissed her hard. she turned her face away unwillingly, and there was a tear in the corner of her eye.

Chapter 1924: A shameless man (2)

she turned her face away unwillingly, tears in the corner of her eyes.

du yuesheng's body finally cooled down a little. she originally wanted to kiss her, but she reached out and gently pinched her little face. her voice was a little hoarse. " what's wrong? "

linda was so angry that she turned her face to the side and ignored him.

Even at this moment, he was still occupying her and unwilling to let go.

looking at her awkward expression, he was not angry. instead, he laughed. " did i hurt you? "

linda glared at him, " no. "

" if you don't, then yingluo, " he said slowly, his fingers gently touching her lips. " then let's do it again? "

as he said that, he really started to bully her again.

Linda was so angry that she cried. She twisted her little face and cried, "du yuesheng, aren't you already in your forties?"

How could he still have such good physical strength? she was not in pain, but she was exhausted.

Du Yuesheng did not stop. She lowered her head to kiss her and laughed softly, " "that's because you've starved me for too long."

At this moment, her soul was already drunk and she could not tell North from South. She only knew how to hum softly.

after hearing what he said, she only came back to her senses after a while. she gritted her teeth and glared at him."Your wife and those women outside can't satisfy you?"

du yuesheng kissed her hard. after kissing her, she said in a low voice, " are you jealous, huh? "

linda opened her misty eyes, looked at him, and provoked him with all her might, "Old man du, I just think you're dirty."

His eyes were deep as he smiled. "Oh, really? i'll see if you think i'm dirty."

Compared to her, he was an experienced man, and his methods were enough to torture her to the point that she would rather die than live.

Du Yuesheng also felt that she was too polite and gentle to her, so she let go of her hand and tormented her.

It was only their second time, and he had wanted to be gentle and leave a good impression on her. But now, there was no need.

she actually dared to say that he was dirty!

Two hours later, Linda was tortured to the point that she was on her last breath, and she said weakly, "you're not dirty?"

He only let her go after she begged him for a long time.

she couldn't be bothered to wash up and fell into a deep sleep.

When she woke up again, it was already six in the afternoon.

As soon as she opened her eyes, she found two magical things. One was that her luggage had been moved back, and the other was that little Xi Yue was eating bread in her arms.

she didn't move for fear of startling the child. she raised her eyes and looked at du yuesheng, who was sitting.

He was looking at her with a burning gaze.

"i've never seen you feed a child before?" Her tone wasn't very good, and it was a little hoarse.

Thinking about how he had tortured her before, she had not been kind to him. At the same time, she had a headache.

if aunt zhao was here, he would have restrained himself.

She could only hope that aunt Zhao would come back soon.

probably sensing her thoughts, du yuesheng's tone was indifferent, " "aunt zhao won't be back for a while."

She narrowed her eyes and glared at him.

Du Yuesheng lowered her head and kissed her face. I invited aunt Zhao away for a million dollars.

"you're shameless!" she was so angry that she raised her hand to slap him.

unexpectedly, du yuesheng did not dodge and took the full brunt of the slap.

linda was stunned.

du yuesheng did not mind. " i hurt you just now. now i'm paying you back. we're even. "

He shamelessly thought that he could continue to torment her tonight. Just the thought of it made Xuxu happy. The one million Yuan was well spent.

as for what she said about being dirty, so be it. he didn't mind making her jealous.

Chapter 1925: a shameless man (3)

linda held the baby and ignored him.

In her eyes, he was a man with no moral integrity.

Was there anyone like this, pouncing on the bed the moment they met!

it wasn't that she didn't feel aggrieved. he used his power to threaten her with the child, yingluo.

The more she thought about it, the more she hated him. She cursed old du countless times for being impotent. She wanted to see how he played with women.

she kept silent and ignored him!

du yuesheng looked at her expression. how could she not guess her thoughts? a woman's dilemma was nothing more than whether a man's body was loyal and whether his feelings were loyal.

in terms of love, he had indeed given up on her once, and there was nothing much to say, but his body ...

he had wanted to tease her a little, but seeing her so sad and even self-loathing, he couldn't bear it. he squatted down in front of her, their eyes at the same level, and his big hand held her small hand, and he softly called her shanshan.

"don't call me that. you're not worthy." Linda's eyes were a little red, and she said in a low voice.

She had told herself that she hated him and would ignore this man in the future, but why did he still appear?

" du yuesheng, you can't have a relationship just because you want it. you can't give up on something at any time and turn back. do you understand? " She bit her lip and her voice was a little choked.

in front of him, she was still a very innocent little girl. how could her little schemes be enough to compete with him?

Du Yuesheng reached out and stroked her long hair. Her eyes were filled with tender love, as if she was treating a junior.

linda pushed him away immediately. this old pervert and ghost, when he pressed her down and tormented her, he didn't have this kind of patience, they were so rough!

du yuesheng smiled. she understood that the little girl was angry with her.

the most important thing was that she thought he was dirty.

Shanshan, ” he called her again. His voice was elegant and magnetic, even filled with love.

She still ignored him, but he didn't mind. He continued to speak in a low voice, ” “Look, you've hit me and scolded me. You've also vented your anger. Can you let me say a few words?”

she wanted to say no, but she swallowed the words back down. why should she care about him?

du yuesheng only felt that she was so cute. she rubbed her and little xi yue's thin hair before saying in a low voice, ” “indeed, i've had many women in the past, but i don't mess around. i've bought them with money, the kind that won't cause any trouble.”

as soon as he finished speaking, his shanshan exploded. ” mr. du, you also spent five million to settle me. i don't want any trouble. ”

“I'm the one who wants to trouble you.” du yuesheng smiled and pressed her forehead against hers. she pulled her into her arms somewhat forcefully. ” in fact, during the month that we were separated, i had other women. i didn't have many but i did come into contact with a few. ”

“fine, even if it wasn't me, you still liked sister liangqiu, didn't you?” linda was listless with anger.

Du Yuesheng didn't avoid him. She didn't want to hide what kind of person he was from her. She smiled faintly and said,”but your sister cold autumn didn't agree to be with me either, did she?”

she glared at him. he was so cunning.

“Then let's continue,” Du Yuesheng smiled.

his voice deepened. ” ever since i found out that you were pregnant with my child, i have no other woman. ”

she was stunned.

His voice became deeper and gentler. Shanshan, there's no wedding night. There aren't any messy women outside. Those were just used to anger Lin Shimin! I don't have any relationship with them.”

Chapter 1926: a shameless man (4)

He explained it to her in a good tone, and she should have looked at him with her mouth open in shock.

“shanshan, please don't look down on me. please don't look down on an old man in his forties who finally fell in love with a girl, okay?” He pressed his face against hers. even if it's Shanshan, I'm fine with it if you like my money.

“you're giving them all to me?” she asked gloomily.

“I can give you all my cash and real estate, except for the shares of my family business. That’s something I can’t touch.” he actually answered her question very seriously.

linda forced herself to be alert, and lazily asked, “how much wealth do you have?”

“probably tens of billions!” “you’ll have to ask my financial advisor,” du yuesheng frowned.

Linda Lay down, ” Du Yuesheng, were you too stingy in the past? you want to buy a child with just 100 million? ”

He didn’t know whether to laugh or cry.

an angry little girl was really difficult to deal with.

he coaxed her for a long time, but to no avail, so he gave up. anyway, he had already told her that she had to marry him regardless of whether she agreed or not.

after linda finished feeding the child, she pulled up her clothes and laid little xi yue flat. she looked at the little guy’s little face for a while before she got up lightly, ” du yuesheng, wait for me in the hall outside. i’ll come out after taking a shower. ”

“Don’t go to the bathroom. I don’t want to talk to you there.” She paused.

du yuesheng revealed a look of pity, but she still went outside first.

it was a good thing that she was willing to talk.

Linda watched him go out, pursed her lips, and walked into the bathroom. Ten minutes later, she came out, put on her clothes, and went to the living room.

Surprisingly, Du Yuesheng was not sitting in the living room. Instead, she was busy in the kitchen. The air was filled with the fragrance of food. It was very homely, especially when he was wearing a small apron. It was very funny.

Linda slowly sat down on the sofa, and looked at him being busy, and was a little dazed.

He had only told her some things and not everything, but she had already guessed it.

He had wanted to get a divorce from the day he got married, so he had found those women to anger Lin Shimin.

What was he doing this for?

Her heart was beating wildly. When she came back to her senses, he had already laid out the dishes and came over to call her.

“What are you thinking about?” His voice was gentle.

linda looked up, and her brain couldn’t help but ask a shameful question, “Aren’t you tired?”

he did it five times in the afternoon. For a man in his early forties, this was already an incredible thing for Yingying.

“In fact, if you’re willing, I can do it five more times,” Du Yuesheng smiled.

He paused for a moment and then deliberately looked at her. after all, I haven’t had sex for more than a year. Qianqian can’t do anything about it. If I endure it for a little girl’s little thoughts, people will still say that I’m dirty.

her face was a little hot, and she stood up after a while. ” “I’m hungry, let’s eat first!”

at this time, night had fallen. it seemed that he had spent the entire morning and afternoon in bed.

du yuesheng took very good care of her, as if she was doting on her little daughter. after a while, her gaze fell on a certain part of her, and her eyes were burning.”Drink some soup. This way, little Xi Yue will have enough to eat.”

her face was a little hot, and she drank the soup.

The meal was eaten in silence, each with their own thoughts.

after they were done, he was the one who cleaned up. he seemed to have blended into her world very quickly and did everything with ease, as if he had lived here for several years.

Chapter 1927: a shameless man (5)

Sitting on the sofa, Linda hugged her knees and looked at him with a touch of caution in her eyes.

She was really afraid of him. She was afraid that he would take the child away.

However, when she opened her mouth, she said something that went against her heart. “du yuesheng, i can go with you, but we have an agreement, yingluo.”

he was about to wash the dishes when he heard her words. his body stiffened and his hands stopped moving. he asked softly, ” “Shanshan, Are you sure?”

“Do I have a choice?” Linda pursed her lips and smiled.

he turned around and looked at her seriously. “You have a choice.”

He came over and squatted in front of her in an apron. Shanshan, you can spend five million to find an assassin to kill me. Then you will have Jiyue and inherit all my assets. You don’t have to marry me and you can get everything.

“the words you’re saying now are very detestable.” her voice was devoid of any emotion.

“shanshan, you can’t bear to part with me, can you?” he smiled and ruffled her hair.

“Shanshan, you actually still like me, don’t you?”

“du yuesheng! I’m doing this for the child.” she sighed softly. ” it has nothing to do with liking someone, and it has even less to do with love. ”

“i can’t like a man who has given up on me,” she said indifferently.

“old du, what should i do? i can’t like you anymore,” she said with a smile.

when du yuesheng heard that, she felt extremely sad. her slender fingers immediately held her little head in her arms and she closed her eyes slightly, ” “it’s fine if you don’t like it. shanshan, don’t force yourself. i hope you can be happy.”

she cried in his arms,”du yuesheng, you’re a bastard!” I won’t be happy if I marry you.”

du yuesheng’s heart ached slightly. after a while, she said in a self-deprecating manner, ” “why don’t you give it a try? 10 years later, 20 years later, shanshan, you can come and tell me if you’re happy or not.”

she pursed her lips and did not say anything more. she knew that she had compromised.

It was not just a threat, but also because he liked Mingyue and could give her a complete family.

she told herself that was all there was to it, nothing else, yingluo.

Du Yuesheng used half a year to get a divorce and took only one day to get Linda. She was very fast.

after coming to B city, he already had a wife and child.

Linda had to return to Hong Kong with him. Before they left, they went to see Liang Qiu and Qin Anlan.

when she saw qin anlan, du yuesheng cursed in her heart.

We’re all old men, is there a need to make our faces look so good?

qin anlan sat in the large hall. the sun shone on him, making him look extremely handsome.

Linda glanced at old du and snorted,”See, this is what strength is.”

du yuesheng touched her face. ” why don’t i disfigure myself later? i can do whatever i want with my face. ”

“You should just go for plastic surgery and become a woman!” “Childish!” Linda snorted.

Du Yuesheng carried the child with one hand and touched her nose with the other-

i wonder who’s the childish one here!

As soon as he sat down, ye Liangqiu came down from upstairs and talked with Linda. She ignored Du Yuesheng. It seemed that she was also angry about what happened before.

du yuesheng could only chat with qin anlan. however, no matter how she looked at his face, she found it an eyesore.

qin anlan folded the newspaper and said indifferently, ” “What, you’re going to take Linda to Hong Kong?”

du yuesheng nodded. ” an lan, you don’t think we’ll win either? “

Chapter 1928: A shameless man (6)

Qin Anlan smiled faintly. no, I just thought that you wouldn’t marry Lin Shimin back then.

Du Yuesheng was helpless. I have my own difficulties.

“you were the one who regretted it on the day of your wedding, weren’t you?”

Qin Anlan hit the nail on the head. nothing can force you. You were just angry at Linda. You were angry at her for being insensible. However, on the day of the wedding, you softened and regretted it. qin anlan unpleasantly recounted old du’s mental journey, causing du yuesheng’s heart to turn cold.

he couldn’t let shanshan hear these words. he had tried so hard to beautify it so that if she heard it, she would still be willing to go to hong kong with him. Even if she did, she would probably not let him touch her.

He sighed. Shanshan used to have me in her heart, but now, I really can’t hold on to it.

“She probably hates me,” he said with a bitter smile.

she felt that he didn’t love her enough and that he only came back for her because of the child.

however, what she didn’t know was that hong kong’s rich and powerful families never lacked women to give birth to children. if he didn’t want it, the child wouldn’t be born. because it was her that night, he never thought of not wanting the child.

she had overlooked the extent of his love for her, and he himself had not underestimated her.

Qin Anlan was right. He had regretted it on the night of their wedding, but it was useless. At that time, Lin Shimin was already wearing a bathrobe and waiting for him to kiss her.

that night, he pretended to be drunk to avoid it.

That night, he laid on the bed and schemed against his wife so that he could return to his Shanshan’s side and stop her from crying.

du yuesheng was lost in her memories. after a long while, she laughed softly and said, ” an lan, i’ve never had strong feelings for her. shanshan, i only like her a little. however, i feel that this kind of liking makes me very happy. ”

“I’ll also work hard to make Shanshan happy,” he continued.

Qin Anlan turned his head and looked at his wife.

Liang Qiu also turned her head and met his eyes with a faint smile.

No one objected to Du Yuesheng taking Linda away, because they all knew that on the day of Du Yuesheng's wedding, Linda cried for a long time. After that, she didn't say it again, but the name of her child proved that she had always been thinking of Du Yuesheng.

She was right in front of him now. Du Yuesheng liked Linda, so why didn't she give him a chance?

Linda, on the other hand, was confused and extremely indignant. Du Yuesheng was so despicable, but sister Liangqiu didn't even stay?

"If he bullies you, come back and tell me." Said cool autumn.

Linda was stunned again. This was not what she had expected. She had thought that sister Liangqiu would object and even slap old du twice.

"there's nothing wrong with liking someone." Ye Liangqiu smiled.

linda, this little fool, did she really not know that she had always liked du yuesheng and had been waiting for him in B city?

she didn't need to worry now, because the one who was loved was the one who was happy. linda didn't know that she was probably the happiest inside.

Linda looked at this and then at that, and said slowly, "Why do I feel like I've been pushed into a pit of fire?"

"i promise it won't be a pit of fire." Du Yuesheng. Old du was all smiles.

Shanshan, I've been working out recently. But you weren't by my side for the past year, so I didn't know the results.

linda glared at him, "can he have any dignity in someone else's house?"

Also, he was acting like a retard now. She told herself that she should care for the retard. She was just pitying him!

yes, that's it!

Chapter 1929: We will all be happy (1)

when ye liangqiu sent linda to the airport, she was reluctant to leave. after all, linda had been by her side for so long. she was more like a younger sister than a subordinate, just like su cheng.

at the airport, linda was also crying like a baby. she looked very reluctant, and du yuesheng kept sighing at the side.

after that, he couldn't take it anymore. he came over to hold the baby with one hand and hugged her with the other. " look at you crying like a child. it's not like you're not coming back. "

linda was still crying, and her nose was red.

Du Yuesheng had no choice but to take a tissue and wipe her tears and snot in a not-so-gentle manner. To be honest, he was really not used to doing such a thing.

linda cried all the way to the boarding gate, and said tearfully, "if he bullies me, you have to take me in, sister cold autumn."

“I won’t,” Ye Liangqiu smiled and also wiped Linda’s tears. She knew that Linda was just worried and afraid of Yingluo.

du yuesheng had been carrying the child the whole time and did not show any signs of impatience. when the time came, she gently took linda into her arms and boarded the plane.

As the plane took off, ye Liangqiu watched as the gray dot flew higher and higher, further and further away, and finally became a small dot.

he felt a little cold in his heart. now he was convinced that linda would really settle down in hong kong for a long time.

“hong kong is so close, we can meet anytime.” Qin Anlan was wearing a thin coat. He stood beside her and held her shoulder. let’s go back. We still have to have dinner with Tang Yu, Qi Qi, and the others tonight.

Ye Liangqiu grunted in agreement. She held his arm and walked with him to the parking lot.

in the early winter morning, the sun shone on her body and it was a little warm. she rested her face on the coat on his shoulder and smelled the smell of the sun. it was the smell of happiness.

He sat in the car and drove all the way to the Qin family’s Cemetery.

Qin PEI, Mrs. Qin, and aunt su would be sleeping here forever.

ye liangqiu and qin anlan stood side by side. ye liangqiu’s expression was calm, while he had a faint smile on his face.

after standing there quietly for a while, she suddenly raised her head to look at him and smiled mischievously.”do you think aunt su will be dad’s second wife?”

Qin Anlan’s face darkened. He looked at his wife speechlessly. Liangqiu, you’re overthinking it.

She hugged his arm and smiled even more sweetly.

The winter sun shone on her, making her look very soft.

Qin Anlan lowered his head and patted her head. alright, let’s go back.

she hummed in acknowledgment but still rested her head on his shoulder, looking as if she couldn’t move.

Qin Anlan could not do anything about her. He half-carried her to the side of the car. Before getting in, he pressed her against the car door and kissed her fiercely.

he was kissing her, but she kept smiling and blocked his lips. ” an lan, your parents will see. ”

Qin Anlan’s breathing was heavy. didn’t you say that he was busy looking for a mistress? ”

After she finished speaking, she bit her neck twice as punishment. Ye Liangqiu said in a tender voice, ” anlan, someone will see you. you still have to eat later. ”

He finally stopped, and his fingers gently touched the bruise on her neck. He laughed lightly. "I thought you weren't afraid."

His gaze was too gentle. She kept looking at him and was a little excited. After a moment, she tiptoed and kissed him on the lips. Under his gaze, she lowered her eyes and played with the buttons of his coat with her fingers. Her voice was very low as she said, "an LAN, you you you."

"what?" He looked at her with a deep gaze.

Ye Liangqiu gently leaned against him and sighed. let's do it with the lights off tonight.

Chapter 1930: we will all be happy (2)

She knew that he had always been worried about his injuries, scaring her. It had been almost a year, and they still did it with the lights off, but she wanted to see him, to see his expression when he was in love.

"are you sure?" His voice was a little hoarse, and his eyes were fixed on her.

ye liangqiu grunted in agreement and wrapped her arms around his waist. "i think we can be a normal couple."

qin anlan's heart skipped a beat. after a moment, he lowered his head and gave her a light kiss. "okay, let's try it."

He carried her to the car and drove to Tang Yu's mansion.

Today was family day, a day for the two families to have dinner together. Ever since ye Muyun came to live with the Tang family, it seemed that they had decided to spend Saturday together.

Ye Muyun just happened to return from America and also attended the event.

When Qin Anlan and ye Liangqiu arrived, the servants had already prepared a sumptuous lunch. Of course, the adults sat at one table, and the children sat at another table.

Qin Anlan looked at the six little ones. He gave birth to the oldest one, the youngest one, and all five of them. Tang Yu had worked hard for so many years, but he only had a little heart. He wiped away his sweat and thought proudly that he finally had something better than Tang Yu.

Ye Muyun sat at the head of the small table. On one side sat Momo and Mumu. Behind them were two little ones, an an Lanlan. As for the other side, only the little princess Tang Xue 'er, also known as little Xin Xin, was sitting.

the eleven-year-old ye muyun matured so early that he didn't act like a child. he calmly took care of momo and mumu while they ate, but he put more energy on his heart. he even cut the heart-shaped steak that girls liked into beautiful pieces for her.

xiao xinxin probably didn't have a good appetite. after eating two pieces, she didn't have any intention of eating anymore. in the end, it was ye muyun who fed her.

Qin Anlan watched quietly and turned to ye Liangqiu. "you already know how to take care of people at such a young age."

“he’s trying to atone for your crimes against the women,” ye liangqiu said, looking askance at him.

Qin Anlan looked at his wife silently and did not say anything.

Tang Yu and PEI Qiqi looked at each other and laughed. PEI Qiqi fell into Tang Yu’s arms, ” Tang Yu, an LAN seems to be under Liang Qiu’s control.

Qin Anlan gave ye Liangqiu a meaningful look and lowered his voice. Liangqiu, you seem to have me under your thumb.

His voice was hoarse and flirtatious. Ye Liangqiu’s face heated up. She rolled her eyes at him and pursed her lips, not saying a word.

Qin Anlan laughed happily and drank a few more cups of Yingying.

Ye Liangqiu had wanted to remind him that he had to drive home, but thinking that he probably hadn’t been this happy in a long time, she let him be.

At four in the afternoon, she drove back with him. The kids stayed at Tang Yu’s place because PEI Qiqi loved kids!

tang yu couldn’t even think about having some alone time with her because he couldn’t give birth to any children.

by the time ye liangqiu drove back to their villa, it was already dark.

When the car drove through the black, carved gate, the lights of the entire villa lit up. Ye Liangqiu’s heart seemed to light up as well, warming her up.

When the car stopped, she turned her head and looked at Qin Anlan. He was slightly drunk and was sleeping lightly on the back of the chair.

“an lan, we’ve arrived.” she said softly, then turned her body slightly to help him unbuckle his seatbelt.

qin anlan grunted and opened his eyes. he looked at her and caressed her face with his large palm. he smiled warmly and called her name, ” “cool autumn?”
