

Thank you 1931

Chapter 1931: we will all be happy (3)

“Are you still feeling uncomfortable?” she asked softly.

He shook his head and caressed her long hair. with you around, how can I feel uncomfortable? ”

Every Day of Happiness was wonderful. It was God’s gift to Yingluo. He loved her more and more every day. He loved the mother of his child so much that he couldn’t stop.

Ye Liangqiu pressed her face against his chest. an LAN, I think Zhenzhen ...

he covered her lips. ” i know what you want to say. ”

He sighed,”that’s enough. We’ve had enough time. If you want to do it, then do it!” liangqiu, the past is in the past. she has also been punished.”

she lay in his arms and was a little surprised that he understood her so well.

there was a faint hint of alcohol on his body, which was mixed with the smell of a mature man, making him a little seductive.

ye liangqiu lay in his arms and raised her head to kiss him. she murmured, an LAN, in the car, huh?
”

He pressed down on her head and said in a hoarse voice, ” “didn’t you say to turn on the lights? Hmm?”

she buried herself in his arms and busied herself like a little vixen.”Let’s do it in the car first, then we’ll go home.”

She really wanted to stay in the car. It was not a joke. Qin Anlan’s heart was burning with anxiety, but he still restrained himself. He gently pulled her long hair and said, ” Liangqiu, the car will shake.

“then let it shake.” Ye Liangqiu reached out and tugged at his shirt collar. She looked like a little wild cat.

“The servants will see.” There was a hint of a smile in Qin Anlan’s voice. His large palm gently pulled her long hair, and he was not so anxious.

“Then let them see.” Ye Liangqiu sat in his arms and nibbled on his neck. Her voice was warm as she said, ” an LAN, I want you.

he suddenly kissed her lips, and it was an intense kiss.

after a moment, ye liangqiu regretted it.

she just wanted to do it in a relaxed way, but he was unusually intense ...

“An LAN, the car is shaking.” she tried her best to stop him, her face hot.

“Then let it shake.” his voice was hoarse.

ye liangqiu was on the verge of tears. ” the servants will see. ”

“Then let them see.” Qin Anlan chuckled and sealed her lips. He kissed her hard until her body went soft.

In the end, she bit his shoulder and was extremely angry. Qin Anlan, you’re too despicable.

he chuckled and finally let her go. he slowly tidied her up and bent down. ” liangqiu, let’s continue in the bedroom, okay? ”

She sat in his arms, her clothes disheveled as she cried, ” “Qin Anlan, you’re a beast.”

“Now you know that I’m a beast.” He patted her little face. I haven’t taught you a lesson in a long time. You still dare to tease me like this, huh? ”

she lay on his shoulder and bit his shoulder with her small mouth. her embarrassing words made him even angrier.

He picked her up and walked towards the main house. She immediately buried herself in his arms, not daring to look.

“It’s the holidays.” He found it funny and lowered his head to kiss her. “liangqiu, open your eyes and take a look.”

“i don’t want to see it.” She acted coquettishly like a little girl and wrapped her arms around his neck so tightly that he could not even feel her soul.

he patted her hard with his large palm. ” be good. ”

However, not only did she not let go, but she also wrapped around Yingying even tighter.

That night, she pestered him. The lights were on, and she came to him.

In the end, she lay in his arms, sweating, and kissed him. it seems quite exciting.

qin anlan was speechless for a moment.

Chapter 1932: We will all be happy (4)

qin anlan held ye liangqiu down and tidied her up for the entire night. when they woke up the next morning, ye liangqiu looked at herself in the mirror before returning to her room and jumping onto qin anlan. she pounced and bit him. ” can you still look at my body? ”

He chuckled and reached out to caress her neck. didn’t you say it was exciting? ”

he leaned over and said shamelessly in her ear, ” “there’s still time. let’s do it again?”

after making a fuss for a while, she didn’t dare to move anymore. she obediently lay on his shoulder, bit her lip, and looked at him.”I don’t want it.”

They didn't do anything. The two of them just leaned against each other, and there was an indescribable tenderness.

"Cool autumn?" He leaned close to her ear and murmured, "after the operation, I seem to be a little excited.

It was probably because the topic was too secretive that he gently bit her ear as he spoke.

"what?" she feigned ignorance.

"Don't play dumb. Do you want me to tell you with my actions?" His voice was suppressed, but there was a hint of joy in it.

because it was too blissful, too blissful.

Ye Liangqiu smiled and hugged him, burying her face in his chest. After a while, she said warmly, "I know."

"i can feel it," she said obediently after a while.

Qin Anlan's heart started to flutter again. She quickly hugged him tightly and frowned. "an lan, i'm in a little pain. "

he was stunned for a moment, but he immediately helped her check and apply medicine. he was very careful with everything, as if she was a fragile treasure. however, when he tormented her at that time, he was very cruel, so men were contradictory creatures. the more they treated you seriously, the more ruthless they were when they went crazy.

Ye Liangqiu rested for the day. At five in the afternoon, she changed into a light outfit and went with Qin Anlan to pick up the children to attend Kime's birthday party.

GM hotel.

kie's 30th birthday was a rather grand event. after all, his current status was there.

Qin Anlan's appearance inevitably caused a commotion. However, he did not really interact with King Entertainment's higher-ups.

He was a person who had left the world. Now that he had returned, he did not deliberately enter the world.

He was still the King of the Night, still manipulating the stock market on Wall Street, and King Entertainment had always been managed by Liang Qiu.

chick took care of he huan. the little he huan was already five years old, and this was also the fifth year since su cheng left.

while the crowd was cheering, KIME's eyes were a little hot.

Every time he saw he Huan, he would think of su Cheng. He could look at he Huan's little face the entire night because that face looked exactly like su Cheng's.

now, he was in a high position, dressed in fine clothes and riding a horse. however, he was still lonely, an ordinary father.

A man would not be too happy without the woman he loved by his side. Even if they could see each other for a few days a year, it was far from enough.

The crystal chandeliers reflected every inch of the scenery. The atmosphere was getting more and more intense, but the loneliness in Kime's heart was getting deeper and deeper.

He held a glass of red wine in his hand and looked at the crowd. A bitter smile appeared at the corner of his mouth. He slowly turned his head to look at the dark night outside.

however, he saw a little fairy in an orange dress.

su cheng stood there, wearing light makeup and an expensive gown.

As she stood there, time seemed to have returned to the past. She was still the little princess Qianqian.

Kime's eyes were a little hot, but the surroundings seemed to be quiet.

after a moment, he slowly walked over and stopped in front of her. he smiled slightly."Cheng Cheng, can you dance with me?"

She placed herself in his arms, and he suddenly pulled her into his arms.

finally, she returned to his side and never left again.

Anlan, thank you. ye liangqiu hugged qin anlan gently and smiled."we'll all be happy in the future, right?"

he smiled and lowered his head to kiss her. "i'll work hard. in the car, on the sofa, in the bathroom, you can do whatever you want!"

Chapter 1933: Ye Muyun VS little Xin (1)

nine years later!

At the entrance of B city's best academy, there were many luxurious cars.

The most eye-catching one was the limited edition Bugatti Veyron parked on the side of the road. The smooth lines of the body of the car exuded a unique sense of respect under the setting sun.

the car door was pulled open, and the young girl sat in the front passenger seat, throwing her bag to the back seat.

tang xue 'er (xiao xinxin) was wearing B university's school uniform. the ordinary school uniform looked indescribably good on her, especially the small section of her tender calf that was exposed between the cotton socks and the folding. it was so white that it was almost transparent.

ye muyun's beautiful fingers held onto the steering wheel. he turned his face, his sharp and exquisite facial features showing his displeasure. " why are you five minutes late? "

even though he was just asking casually, her entire body was tense ...

ye mu yun was the one who meddled the most!

she was even more controlled than her own parents.

She pursed her lips and gave an " Oh " before lowering her eyes. After a while, she sneaked a glance at him and found that he was looking at her intently. He looked like he would not give up until he got an answer.

he muttered in his heart, "this is so overbearing!"

However, even though she was dissatisfied, she was still very afraid of him and did not dare to show it. She answered honestly, " " today's election for the student council member urged me to be on duty. "

"A cleaner?" ye muyun sneered, his slender fingers gripping the steering wheel. he had already made a decision for her. "Reject it."

in his opinion, such a thing was a waste of time and life. it was meaningless.

tang xue 'er remained silent. she lowered her head and touched the corner of her clothes.

he turned his head and looked at her side profile. the 18-year-old girl had already grown up. her eyebrows were like a painting, and her tall little nose was raised. she was lively and bright. her small mouth was red and moist. he remembered that sweet taste.

When he opened his mouth again, his voice was already tense. you're not willing? "

"yes." She nodded her head obediently and looked up at him after a while, her eyes light. brother.

Her voice was timid, and it carried the fear she had for him since she was young.

And this 'brother' made ye Muyun's heart sink.

he had never been her brother, not in name or blood.

when he was 14 years old, he had finished all the homework in university and moved to the tang family's residence. she was afraid of him, but she still called him " brother " in a trembling voice. this call lasted for six years.

She couldn't change, and he didn't ask her to change.

he had studied abroad for three years. when he came back that year, he was 17 and she was 15. they were still as young as a ripe fruit.

Three years had passed. He had already built his Empire at Boyi and was now the Vice President. She was already an 18-year-old girl.

they were only two years apart, but he was much older than her.

However, he would rather she be like this forever, weak and slender. His embrace would always be here, waiting for her.

At this time, he was confused by her calling him "brother." After a while, he said indifferently, " "you like it a lot?"

tang xue ‘er nodded again. ” i want to make more friends. ”

“friend?” he raised his eyebrows slightly. ” you don’t like me to accompany you?
”

as he spoke, his voice was low and slightly hoarse. he didn’t sound like a 20-year-old boy.

tang xue ‘er secretly exclaimed in her heart-here it comes again!

in front of him, she would always be weak and afraid.

He always decided everything for her. What school she went to, what she wore, and even the friends she made, he would ask.

rather than saying that she was living under his wings, it would be better to say that she was living in his shadow.

She, on the other hand, did not dare to voice her anger.

Chapter 1934: Ye Muyun VS little Xin (2)

she didn’t say anything. ye muyun stretched out two long fingers and gently pinched her chin. his tone was indifferent. ” you don’t like it, huh? ”

tang xue ‘er looked up and saw his young and handsome face.

He was very good-looking, but he was too cold, with a profoundness that did not match his age.

The way he was acting right now was what she was most afraid of. It was as if he was going to eat her up.

“I like it.” In the end, his long-lasting y-might still made her yield. She lowered her eyes and did not dare to look at his handsome face.

He was undoubtedly an extremely outstanding person. He was only two years older than her, but he had already controlled the life and death of one party in the business world.

he was so outstanding that she felt pressured when she faced him. in his eyes, she was like a rice weeper.

They didn’t have much in common. When they were alone, she was afraid. She was afraid that he would kiss her, because once he kissed her, she felt like she had been electrocuted and felt extremely uncomfortable.

she couldn’t control that feeling, so whenever he looked like he wanted to eat her, she would pretend to sleep or do her homework.

just like now, he had been on a business trip for a week and had taken a private plane this afternoon. however, he had come to pick her up at school as soon as he had returned.

And now, he was showing such a look.

She instinctively struggled and wanted to avoid it, but his fingers used a little more force, and her fair chin instantly turned a few shades darker.

Her skin was extremely fragile and could not be touched since she was young. A touch would leave a mark that would last for days.

He wouldn't be rough with her easily, but they hadn't seen each other for a week, and he did miss her.

he unbuckled his seatbelt with one hand and lowered his head to kiss her.

tang xue 'er's body retreated instinctively. her eyes were filled with helplessness as she looked at him with her eyes wide open.

His lips landed on hers. It was very soft, with the fresh and cold of a young man.

It smelled nice and numbed, like a slight electric shock.

She was so scared that she didn't dare to close her eyes. She opened them and looked at his lowered eyes. He was good-looking and had controlled her for a long time.

It seemed like it was only a matter of time before they became a couple, but Yingluo still felt that it was not real.

She would always wonder why such an outstanding person like him would bother her.

Just as she was in a daze, someone cupped her small face and he began to kiss her deeply.

This was what she was most afraid of. Her eyelashes trembled, her breathing stagnated, and her small lips were tightly pursed.

However, he had always been a strong-willed person, so he still succeeded. When he took advantage of the situation, he muttered her nickname, " "be careful, be careful!"

his pure and masculine breath invaded her, and she grabbed his shoulder in fear. her thin and white fingers clutched his shirt tightly, leaving a long fold on it. no matter how many times she did it, she was still afraid and not used to it.

However, he suddenly kissed her, venting all his thoughts for the past week in this kiss.

Her slender body was like a Reed in the wind, and she could only cling to him and let him do whatever he wanted.

the hopeless struggle was completely entangled at the school gate where people came and went.

after a long time, he seemed to be finally satisfied and moved away from her lips.

His unfathomable gaze was still locked on her. He stared at her intensely. did you miss me? "

In contrast to his indifference, she was panting like a patient on the verge of death. She fell on the back of the chair with her breath in a mess. Her long ponytail had long been let down helplessly. Her hair was wet with sweat and fell on her white forehead. She looked pitiful. Of course, it also made him want to bully her even more!

Chapter 1935: Ye Muyun VS little Xin (3)

She leaned back in her chair, her red lips trembling slightly. There was a touch of moisture on her lips, which was really tempting. He was very human.

She didn't understand why he liked kissing so much. It was obviously numb and painful. At least, that was what she felt.

Could it be that he was very comfortable?

Ye Muyun's body lifted slightly, but he didn't completely return to his position. He still hung above her, his eyes deep and his slender fingers gently caressed her lips. His voice was even more hoarse. "Put on your seat belt."

Tang Xue 'er was stunned and did not come back to her senses for a long time.

His handsome face was so close to hers, and his tall nose was even rubbing against hers. It was slightly cold, but his breath was frighteningly hot.

She subconsciously bit her lip and hummed in agreement, obedient and confused.

He couldn't help but lean closer to her lips and kiss her lightly for a while.

This time, she didn't catch him. Instead, she clutched her skirt tightly, so nervous that her whole body was stiff.

In the end, he left, his eyes staring deeply at her lips. "Afraid?"

She shook her head in confusion and looked at him with her eyes wide open.

He smiled, as if pleased. He ruffled her long hair. "You're still scared!"

"I'm not." Tang Xue 'er clenched her small fists and spoke in a soft but stubborn voice.

He ruffled her long hair again, as if he was treating his little pet. Then, Yingluo, show that you're not afraid that night. Hmm?"

At night, Yingluo suddenly lost her breath and looked at him with a bitter face.

Do I really have to kiss you?

Can Yingying, who has such a pitiful look in her eyes, not kiss me?

Ye Muyun felt helpless and his heart softened. What a child!

He fastened her seatbelt for her personally. Let's go home.

This home was the Tang family.

He had been living with her for many years and was like a part of this family. She acknowledged that.

Except for Yingluo, except for when he kissed her, except for when he looked at her with a devouring gaze.

At that time, Tang Xue 'er thought happily that it would be great if he lost his appetite for her one day. It would be great if he could have someone else gnaw on her.

Sometimes, she would look at herself in the mirror and feel that she was too skinny. Other than having better skin, she had too little meat!

fortunately, he only liked to kiss her and never had the intention to explore other things.

they didn't speak along the way. he rolled down the car window and played some soothing music.

while they were waiting at the red light, he didn't chat with her, but she secretly looked at him.

Her heart was beating wildly when she saw him. She was still so afraid of him!

"What are you looking at?" He asked indifferently, his long hand reaching for the front console as if he wanted to take out a cigarette, but he only touched it for a moment before putting it down.

her heart beat faster again. was she going to watch him and urge him to smoke?

he was only 20 years old!

However, she remembered that he was already the Vice President of a multinational company. It was not strange for him to smoke.

ye muyun still retracted his hand and didn't puff smoke in front of the little girl. he only glanced at her and coldly spat out three words, " "Coward."

She pursed her lips in dissatisfaction and turned her face to the side to look out of the car.

however, she didn't notice that his gaze had become gentle in an instant.

The car re-entered the traffic and arrived at the Tang family's main house after about an hour.

tang yu and pei qiqi also lived here but they often traveled overseas. the only ones who lived here were ye muyun and tang xue 'er.

The expensive sports car stopped on the lawn in front of the main house. The chauffeur immediately came over to drive the car into the garage, and the servants at home were waiting outside to welcome them.

Chapter 1936: Ye Muyun VS little Xin (4)

It was a big deal that young master ye and young lady ye had returned together!

young master had gone on a business trip for another week. now that he was back, he had to take good care of himself.

ye muyun got out of the car. he was only wearing a simple white shirt and beige pants. at 184 cm, he was tall and lean. he was a natural clothes hanger, especially his long legs.| when she got out of the car, the little servant at home covered her face in front of the camera-

so handsome!

He got out of the car first, then went to the front passenger seat, opened the door, and saw that the little one was still not moving.

He raised his eyebrows and looked at her. I'm home!

"Mom and dad are not at home." She raised her little face and gave an irrelevant answer.

ye mu yun's face turned cold. "so, i'll torture you."

as he spoke, he bent down to unbuckle her seat belt, grabbed her little hand, and strode toward the main residence.

Tang Xue 'er followed behind him, looking a little embarrassed. She bit her lip and said, "let go of me.

"Call me big brother." His voice was still cold.

bad guy! She thought to herself, but she still called out "brother" softly.

The young girl's soft voice sounded sweet and lovely, and his heart also softened a little. He stopped in his tracks and turned around, letting her bump into his arms, her face on his shoulder, teasing her.

Her nose hurt and she let out a cry of surprise.

Ye Muyun supported her with one hand and lifted her small face with the other. your nose hurts? "

her nose was red, and her eyes were watery. she looked pitiful.

He hummed softly, but he quickly pinched Yingying hard on her nose.

she cried out in pain!

as for him, he chuckled in a low voice. his voice was a little cheerful, but also had the mischievousness unique to young men.

She raised her eyes and glared at him.

He leaned closer. everyone's watching! It'll be embarrassing if you cry."

his handsome face was right in front of her, beautiful yet detestable. once she was angry, she forgot everything. she opened her small mouth and revealed a row of small, eerie teeth. she bit the tip of his nose to vent her anger.

His eyes suddenly became deep and he looked at her with a burning gaze.

our tang xue 'er was very careful, but she regretted it so much in her heart. why did she take the initiative and provoke this devil?

ye mu yun stared at her for a full minute. his eyes were filled with anger as if he wanted to eat her up.

Tang Xue 'er didn't even dare to breathe loudly. Her small face was also blushing charmingly. Then, she lowered her head and didn't dare to look at him.

her hand was held, and he held her hand and continued to walk into the hall, chiding, " "In the future, you can't bite people."

he made it sound like she was a dog!

She was dissatisfied, but there was nothing she could do.

the two of them sat on the sofa and waited for dinner.

Ye Muyun was sitting with his long limbs and a Business Magazine in his hand. His posture was casual, but it was still crazily good to read.

on the other hand, tang xue 'er was playing the game. the great demon king was there. she had even lowered her voice, afraid that she would anger him.

She was depressed. It was her home, but he was more like the master of this house.

especially when daddy and mommy were not at home, he was acting like her guardian. he took her to and from school every day, and she had to go through her homework in private. those who didn't know would think that he was her little daddy.

She was probably relaxed because she felt a little uncomfortable sitting there, so she changed to lying on her side. It was uncomfortable again, so she changed to lying on her stomach with her feet facing him.

Ye Muyun looked up and could see a girl in school uniform. She had a slender figure and the hem of her skirt was rolled up, revealing a large section of her legs and even Minnie's underwear.| even the patterns inside can be seen clearly.

Chapter 1937: ye muyun VS little xin (5)

his face suddenly turned slightly red. after all, he was a young man who didn't know much about the affairs between men and women. in front of him, this was the girl he liked.

she suddenly remembered that it would be her 18th birthday next month!

his long eyelashes drooped, hiding the agitation in his eyes, but he could not move his eyes away.

the young girl who had been seen was still completely oblivious. her two legs swayed back and forth, beautiful and charming, and also dazzled his eyes.

he was no longer in the mood to look at the magazine in his hand. he only wanted to look at her.

Aunt li, who was at home, came over to call for dinner and saw this scene.

the old man was experienced, how could he not know the thoughts of young men and women?

she pursed her lips and smiled, feeling happy.

although young master ye wasn't a member of the tang family, everyone in the tang family knew that young master ye was recognized by mr. tang and was highly regarded by him. otherwise, he wouldn't have lived here for so many years.

what's more, young master ye is likely to take over boyi in the future and become mr. tang's successor.

Young master ye and Little Miss's relationship was also very natural. It was as if they had been a couple since they were young.

little miss was such a petite and cute girl. only someone like young master ye could match her. xuxu was a little cold, but it was common for boys to be proud and cold on the outside but warm on the inside.

Aunt li was grinning from ear to ear. young master and miss, it's time to eat.

As soon as she opened her mouth, ye Muyun looked up. His eyes were a little embarrassed as he quietly nodded. okay.

after he finished speaking, he rolled up the magazine and tapped tang xue 'er's foot lightly. " time to eat. "

She was still acting shamelessly and refused to get up.

Seeing this, aunt li pursed her lips and left first.

ye mu yun watched as aunt li left and knocked on her little P * ss again. his voice was a little deeper, " "Still not getting up? when i'm not at home, do you always skip your meals like this?"

this time, she jumped up from the beating and then realized that she was not in a good position. she also saw the burning desire in his eyes.

She blushed and pulled her skirt. She said in a small voice, " I'm going to wash my hands.

he grunted in agreement and stood up.

when she was eating, her bowl was filled to the brim with nutritious food.

"you're feeding the pigs!" she protested.

Ye Muyun quickly and elegantly finished his dinner. He was indeed hungry. He looked up and said in a low voice, " aren't you? "

He paused for a moment and seemed to have realized something. He chuckled. I got it. You're not a pig. You're a rice worm!

Her eyes were red. She hated his arrogant look the most, as if she was an idiot!

That's right, she was an idiot. She had failed all her tests, and he had to donate a library to get her into school.

Moreover, he had taken care of this matter all by himself. Even her own parents did not know that her grades were so poor!

he was also the one who went to look at the whole world during the parent-teacher conference. only ye muyun knew how useless she, tang xue 'er, was. she had a beautiful appearance, but in reality, she was an idiot.

But even so, he was not allowed to say that about her!

because yingluo, because yingluo, he kissed her, yingluo.

she felt that the price was too high!

however, after so many years, it was too late for regrets. she could only open her eyes and watch him invade her life. everything about her was her boyfriend. everyone would think that they would get married in the future.

Even she seemed to be slowly accepting it!

now, she was still angry at him for saying that.

she ate her rice, her eyes red, and stubbornly ignored him.

Chapter 1938: ye muyun VS little xin (6)

ye muyun put down his bowl and chopsticks. he was no longer in the mood to eat and clear his custard bun. he was obviously angry.

he just sat there and looked at her quietly. he watched as she stuffed the rice into her mouth and chewed hard as if the rice was him. it made her vent her anger.

However, even though she was angry, the 18-year-old girl was still very beautiful.

ye muyun had a mature personality. looking at her like this, she vaguely remembered that she was growing more and more like pei qiqi when she was young.

however, pei qiqi was uncle tang's wife and little xin, which was xue 'er, was his.

his expression became much gentler as he reached out to brush her hair behind her ear. his voice was also faint."do you have a grudge against this rice? if you're not a rice weeper, then what are you?"

Tang Xue 'er's little mouth was full of food as she glared at him. She looked extremely cute. However, her big eyes were filled with tears and she looked very pitiful.

She slowly finished the food in her mouth and lowered her head. She only dared to whisper, "you don't need to care."

Ye mu Yun sighed in his heart. He was angry again!

His large palm rubbed her head with all his might. Her small head was as soft as a small animal's. As he rubbed her head like this, he also felt a love-struck desire in his heart.

however, it was a restaurant after all. no matter what he wanted to do, he had to restrain himself.

the little girl didn't want him to rub her like this, but she didn't dare to dodge. in fact, even if she dodged, she wouldn't be able to dodge.

she endured it and finished her meal. after all, she was still angry. she got up after eating, her eyes red, and she ignored him.

ye muyun sat there and looked at her back with deep eyes. his whole body was tense.

when aunt li saw them, she knew that the two little ones were having an argument again. she wasn't worried. they had lived like this all these years. they were just children, and it was common for them to fight.

Auntie li came over to clean up. She smiled and teased the little master, " young master, it'll be fine after some coaxing.

ye mu yun nodded reservedly, got up, and slowly went upstairs.

Aunt li stood there and sighed. She could see that the young master loved the young miss very much, and the young miss also liked the young master. However, because she had been afraid since she was young, she had always been suppressed.

Ye Muyun went upstairs to his bedroom and stood on the balcony to smoke.

His body was a little tired, so he should be resting. However, the little guy was still angry at him, so how could he sleep in peace?

He stubbed out his cigarette and walked towards her bedroom, which was actually opposite his.

The bedroom door was closed, but it was not locked. It opened with a twist.

the little girl's room was mainly light purple in color, and it was aesthetically pleasing.

Ye Muyun furrowed his brows imperceptibly. He stepped on the thick white wool blanket and walked straight in.

there was no one in the bedroom, and the study room was empty, but her bag was left on a single sofa.

Ye mu Yun walked to the door and looked in the direction of the bathroom. There was the sound of water flowing from inside.

She walked back and opened her bag. The more she looked through it, the worse her expression became.

entrance exam results

They all failed!

ye muyun looked at the report card and felt that he was only twenty years old and already had the heart to raise a daughter.

with her iq, it's really a waste of uncle tang and aunt pei's genes, yingluo.

however, it wasn't that she wasn't smart either. it was just that she didn't take this to heart.

He didn't look good, but he didn't flare up immediately. After all, the little girl was taking a bath.

Chapter 1939: Ye Muyun VS little Xin (7)

ye muyun let out a long sigh. he wanted to smoke a cigarette but held it in.

When he returned to her bedroom, she was still in there. He leaned against the headboard and closed his eyes to rest. He was also thinking about how to teach Xuanji later!

When Tang Xue 'er came out, it was already half an hour later.

she spent a long time in the bathroom because she heard the door open.

at this time, the only person who would enter her room was ye mu yun.

She had come out barefooted and was only wearing a pink rabbit pajamas that reached her knees, revealing a small section of her fair skin. her tender and slender legs were sleeveless, so they looked quite cool.

when she saw the person lying on the bed, she wanted to change into thick pajamas.

however, she had only taken a step when ye mu yun's voice came over, "come here!"

tang xue 'er was stunned.

she twisted her little feet on the carpet for a long time. she didn't want to go over, but she didn't dare to not go over.

He was quite patient, lying down and waiting, not even opening his eyes.

She had always been afraid of him. Rather than calling him her boyfriend, it would be more direct to call him a prison warden!

after a long time, she finally walked over and pressed her lips against the bed. she called out in a low voice, "big brother."

ye muyun opened his eyes and looked straight into her helpless eyes. when he opened his mouth, his voice was already hoarse. "are you afraid of me?"

he knew that she was afraid of him, and he never thought it was a bad thing. for example, she was more obedient to him and listened to him except on special occasions.

Tang Xue 'er shook her head. Her long hair had been washed and was draped over her shoulders. It reached her waist. When she flicked it gently, a few strands of hair brushed past the tip of his nose.

She wanted to take it back, but he didn't let her. Instead, he caught it and played with it in his palm casually. His voice was also like, "lie down here."

she paused for a moment. it was rare that she did not listen to him, but instead, she instinctively took a step back.

He was sleeping on the bed, so she didn't dare to get close to him. This was probably the reserved nature of a young girl!

the action of retreating hurt her hair, but fortunately, he didn't force her. he let go of her hand and let her go for the time being.

"You don't have anything to say to me?" His voice was calm as he reached out his hand.

After all, Tang Xue 'er felt a little guilty in her heart. Moreover, he needed to show up tomorrow. Hence, she obediently gave him her hand and sat by the bed.

She had just sat down when he pulled her over. Her slender body fell into his arms and she was tightly hugged.

her nose bumped into his chest, and it was so painful, but she didn't dare to scream. experience told her that if she dared to scream, he would kiss her now.

She was scared to death, but she still reached out and wrapped her arms around his strong waist. She hugged him obediently and let him stroke her head like a little pet.

Get lost!| her hot little face was pressed against his chest, and she meowed like a kitten, " "i had an exam a few days ago."

ye mu yun's fingers gently stroked her little head and he lightly hummed.

she raised her eyes, her eyes full of joy, then lowered them again, a little depressed."Failed."

A strange look flashed across ye Muyun's eyes. He asked her quite seriously, " "Which one did you fail?"

she looked up quickly, but lowered her eyes even faster. she said with some shame,"both of them failed."

After that, she waited quietly for him to laugh at her.

Anyway, she was already used to it.

however, after waiting for a long time, he still didn't say anything. she couldn't help but look up and see him in a daze.

however, she saw a dark expression on his face. his gaze was on her as if it was on fire.

And, and at this time, she only realized that she was lying on her stomach, afraid that he would do something rash and wrapped her feet around his.

the result was that he seemed to be a little excited!

ye mu yun looked at her deeply.

the heat in his eyes made her vaguely afraid.

in her daze, she felt that he wanted to eat her again, but it wasn't like nibbling on her like when they were young, but something else.

However, the young girl didn't know what else it was.

she could only lie in his arms like a little kitten, her small hands holding his waist tightly, afraid that he would do something rash.

Ye Muyun let out a long breath and calmed down. He looked down at the little girl in his arms. She was smart. She was hugging him so tightly because she was afraid he would do something!

However, she couldn't stop him from doing it.

Moreover, he knew very well that uncle Tang had tacitly approved of their relationship. Even if there was something between them, he would not be harsh.

his plan was to wait until she was twenty years old before they got married.

although it was a little early, since he had already set his mind on her, it was only an early exercise of his husband's rights.

ye muyun's black eyes darkened even more. he reached out and stroked her long hair casually. for some reason, his voice was a little hoarse."you're not afraid at all! Hmm?"

he held her small arm with one hand and dragged her over, face to face with him.

however, in the process of dragging it out, their bodies touched for a while, which made one's hair stand on end. xue 'er didn't even dare to breathe.

their eyes met, and she quickly lowered her eyes. she lowered her eyes to look at her nose, and her nose to look at her heart. that little look made him both angry and amused.

Although it was such a charming moment, his expression was still stern. which part of you don't know? I can teach you!

He had just seen the results, but not the test papers.

tang xue 'er responded with an' oh 'and did not move. however, when she felt guilty, her small feet would rub against him. this time, it was not the ground that she was rubbing against, but his legs.

"It seems like you prefer to practice kissing." ye mu yun raised his hand and dimmed the bedside lamp. suddenly, the light became dim.

"if you're not yingluo, then do your homework!" xue 'er stammered. her voice was so pitiful that she was about to cry.

he held her in his arms and ignored her begging for mercy. he kissed her on the lips.

She was always not used to it, and he did not kiss her often. It was only this year that he had developed this habit.

once he kissed her, he would not let her go for at least half an hour. in fact, she could accept it if it was just nibbling on her little mouth, but she was most afraid that he would do some strange things.

tang xue 'er's eyes were wide open as she watched him close his eyes, his face filled with enjoyment.

She pursed her lips, not wanting to let him enter the deep corner. But then, he chuckled and bit her lips.

She let out a soft cry, and he got away with it.

her small hands clutched his shirt tightly. she was at a loss because their lips and teeth were intertwined. it was already beyond her tolerance. she trembled and wanted to push him away, but she did not dare to.

What was even more outrageous was that he was slowly not satisfied with just kissing. His large palm slid up her pajamas slowly and held hers.

she screamed and pushed him away, panting. her eyes were watery as she stared at him.

Her pajamas slipped off her shoulder, and she didn't know how embarrassed she looked at this moment. People, how messy.
