

Thank you 1971

Chapter 1971: Overbearing possessiveness (5)

Everyone's gaze was focused on Zhou chongguang's face, but Zhou chongguang did not seem to notice. His gaze was still on the man on the hospital bed.

he remembered that he was her 'brother'. how did he become her boyfriend now?

his gaze was fervent, but also a little cold.

ye muyun didn't feel uncomfortable at all. he took the blanket and covered the little girl's head. he calmly sat up and put on his shoes. when he got up, the only sound in the ward was the friction of his expensive clothes.

Compared to the crowd at the door, he seemed much calmer. He then chided the little girl who was trying to lift the blanket, "lie down.

a muffled and soft voice came from inside, "Brother, I can't breathe."

Ye Muyun sat on the bed and lifted the blanket a little. Her little head popped out. Her hair was messy and her mouth was slightly swollen. It was obvious that they had been kissing for a long time.

Ye Muyun's eyes dimmed. His slender fingers gently touched her red lips and gently rubbed them twice. His movements were very slow and had a kind of seduction.

in addition, ye muyun's looks were first-class. the few girls at the door looked at this scene and their faces actually turned red.

Oh my God, the man in front of her was even more handsome than Zhou chongguang. Furthermore, that noble aura was overflowing from his entire body, making people blush and their hearts beat faster. Also, the way he looked at Tang Xue 'er was simply pampering her to death.

every girl had the dream of being a princess, and tang xue 'er was obviously a princess among princesses.

Zheng Xinyi's eyes were a little hot as she looked at them. It turned out that there were two different ways of living.

"uncle meng, take them to the guest room and entertain them." Ye mu Yun's gaze was still on the little girl's face and his voice was faint.

meng qingcheng came back to his senses and smiled, "students, this way."

Opening a meeting room was just a matter of minutes.

before zhou chongguang left, he took another look inside.

ye muyun looked up and met zhou chongguang's eyes. the two men's eyes met. after two seconds of confrontation, they could already read each other's hostility.

when the door closed, ye mu yun's fingers rubbed xue 'er's head and asked, "Who is he?"

“You’ve seen him before. He gave me the sketch at the school gate.” Xue ‘er avoided the main point.

Ye Muyun glanced at her indifferently and then said softly, ” he likes you.

although his tone was light, it revealed a kind of compelling tension, and the invisible attitude of a superior.

Xue ‘er bit her lip and leaned back. She also bit her mouth and looked at him helplessly.

ye muyun’s eyes narrowed and his voice was a little tense. ” you know, huh? ”

“I don’t know,” Her little head was shaking like something, but her expression betrayed her.

ye mu yun stared at her for a long time before slowly saying, “Not bad.”

xue ‘er’s heart skipped a beat. she instinctively looked up and said anxiously, ” “Brother, don’t provoke him.”

Her small chin was held by him, and her voice was indifferent. “as long as he doesn’t provoke you, i won’t do anything to him.”

She was forced to look at him for a long time. Her eyes were sore and she felt wronged.

she pursed her lips and threw a tantrum. ” i don’t even like him! ”

Ye Muyun’s gaze had a deeper meaning. remember what you said today.

His fingers inched in slightly and lifted her lightly. His voice was as slow as his movements. don’t let me find out that you like him, Yueyue.

He pressed down on her back and pulled her into his arms.

then, his lips and tongue replaced his fingers and kissed her deeply.

Chapter 1972: domineering and possessive (6)

This time, the kiss was different from the gentleness from before. It was like a punishment. He kissed her little mouth so hard that it almost hurt her.

xue ‘er mumbled and wanted to break free, but he had always been overbearing, and he softened her in a few moves.

She was folded in his arms, receiving his kiss and anger.

she didn’t dare to provoke him when he was angry. she obediently let him kiss her until his anger subsided.

However, although his anger had subsided, anger in other aspects rose again. The young noble man was a little embarrassed. He held the little girl and suppressed his boundless desire. In the end, he could only end it with a kiss.

his handsome face was buried in her tender neck, and his breathing was heavy.

Xue 'er was a little scared. She was not completely ignorant.

She felt a little uneasy. He was holding back now, but if he couldn't hold back anymore one day, would he eat her?

She knew that if he wanted to do that, she would not dare to resist.

she obediently let him hold her and pursed her lips.

after a while, his voice rang in her ear. "be good. i miss you. "

her body stiffened for a moment, then his face shifted slightly to her. his voice was soft and gentle. "did you miss me? "

As he asked, he nibbled on her Little Neck with an indescribable charm.

She was not used to it and could not stand him like this. Her small hand clutched his shirt tightly and she leaned on his shoulder, trembling slightly. Later, she was really scared and reminded him softly, "older brother, I'm still sick.

ye muyun continued to gnaw for a while before letting her go. he patted her little face and spat out a few words, "i'm looking for excuses."

after that, he got up and put on his shoes as he said, "auntie li will be here soon. i'll go over there first, don't run around."

"oh, " she replied and watched him walk into the bathroom.

His position had always made him invulnerable. When he came out, he was already in high spirits. What was even more amazing was that he had changed his clothes and was more casual, not so formal.

The young girl was worried and instructed, "you're not allowed to be so fierce. She didn't do it on purpose.

Ye Muyun was originally walking towards the door, but he turned around and looked at her with a smile that wasn't a smile. Then, he chuckled. okay.

He was a person who rarely smiled and was difficult to please. His personality was also like that of a tortoise. Xue 'er did not know why he was so happy now as he hugged her body and looked at her for a long time.

Ye mu Yun's heart was boiling. He scolded the idiot and went out.

you're calling me stupid again. I'm stupid, but you're still sticking to me. If you give birth to an idiot in the future, you're going to call me an idiot again. xue 'er stuck out her tongue, and then her face felt a little hot.

She didn't want to have children with him.

at this moment, aunt li came over. ye muyun gave a few instructions at the door. aunt li was worried and her heart ached, so she quickly came in to serve the little princess.

ye muyun took out his phone from his pocket and contacted meng qingcheng, then walked to the guest room.

he pushed the door open and the room was filled with the smell of fragrant tea. the few young people were treated very well. meng qingcheng casually chatted for a while and when he saw ye muyun walk over, he smiled, " "he's coming. you're about the same age, so you have something in common."

As he spoke, Meng Qingcheng seemed to intentionally or otherwise introduce, " "Ye Muyun, the Vice President of Boyi."

he paused for a moment and then said meaningfully, " he's xue 'er's brother. as expected, he'll be her future husband. "

He was very direct because Meng Qingcheng could tell that the prettiest one among this group of children cared about little Xinxin.

It's not a good thing!

Chapter 1973: Still too young (part one)

after meng qingcheng finished speaking, he left.

zhou chongguang's expression changed slightly-

Meng Qingcheng's words meant that ye Muyun and Tang Xue 'er's relationship had been acknowledged by the elders.

childhood sweethearts, coupled with their parents 'tacit approval, marriage in the future was probably a matter of course. zhou chongguang's gaze was a little dim, but how could the fanaticism in his heart be extinguished so easily?

Ye mu Yun sat down. I thank everyone for Xue 'er's concern. Also, as long as she's fine, I won't pursue the matter.

in other words, if something happened, he would not let it go.

everyone's faces turned ugly.

and the man who had shot the basketball out was zhou chongguang's classmate-xiao yang.

Xiao Yang came from a small place and hadn't seen much of the world. Seeing that ye Muyun was about the same age as him and had an imposing aura, he immediately became angry. He also had the mentality of fighting for Zhou chongguang's injustice.

zhou chongguang, the prince charming of b university. he would definitely not be worse off than this man in the future.

"I was the one who played, just come at me if you have anything against me," Xiao Yang said without knowing the severity of the situation. I'll also pay for the medical expenses."

zhou chongguang wanted to stop him, but it was too late.

ye muyun sat leisurely, his slender fingers lightly tapping on the coffee table. his voice was still indifferent. "Alright," he said.

He took out his phone and dialed the hospital director's number. After a while, the hospital director came over and said respectfully, "young master ye, what can I do for you?"

Ye Muyun's chin moved slightly. pass Xue 'er's bill to this classmate. He'll be responsible for her medical expenses in the future.

the hospital director's face turned dark and he was in a difficult position. he hesitantly said, "i'm afraid that yingying can't afford it?"

Xiao Yang was young and aggressive. Although he came from a small place, his family was quite well-off. He thought that he could still afford a few thousand Yuan. The most important thing was that he could not embarrass Zhou chongguang. Hence, he straightened his neck and said, "Give it to me. I said I'll take responsibility, so I'll definitely take responsibility."

The director sighed. He was young and insensible!

did young master ye mention the money to him?

However, he was insistent on carrying it out, and the hospital director had no choice. He couldn't offend young master ye, so he went out to find a nurse to bring the list over.

Even though it was the Tang family's Hospital, the cost was still there.

after a while, the nurse brought it over and handed it to the director.

the headmaster closed the door and looked at ye mu yun. ye mu yun glanced at him and the headmaster immediately put the box down in front of xiao yang.

xiao yang's eyes glared at ye muyun as he went to get the list. his mouth was unforgiving. "I don't believe that such a small amount of medical expenses can force someone to die."

after she finished speaking, her eyes were a little straight ...

what, more than 30000 yuan in just one night?

"how is that possible? how is this possible?" Xiao Yang almost jumped up. you guys are such bullies. It must be fake. I don't believe it.

the hospital director wiped his sweat. he seemed to be in a difficult position. "student, the VIP rooms in our hospital are 30000 yuan a night. there's no discount."

He paused for a moment. for the sake of the patient's health, the toilet bowl is made of pure gold. It's very expensive to make, and there's only one of it. There's a reason why it's so expensive.

xiao yang's face turned red. 30000 yuan a night, wouldn't that be more than 200000 yuan a week?

He came from a good family, but he was definitely not someone who could easily take out so much money, so he said with difficulty, "she can choose not to stay in this room! This isn't a scam!"

Chapter 1974: Still too young (part two)

Thinking about it now, Xiao Yang felt a little resentful towards Tang Xue 'er. Did she have to be so pampered?

the headmaster still wanted to say something, but at this moment, ye muyun indifferently said, ” ” xue 'er has been living such a life since she was young. she has never taken the bus or subway, and she even takes a private plane when she travels. a piece of clothing costs at least tens of thousands. now you think she's cheating you, right? ”

he had never used money to make things difficult for others, but since someone wanted to talk about money, he didn't mind calculating it clearly.

xiao yang's face was completely pale and he was in a difficult position. zhou chongguang patted him and then said to ye muyun, ” “Mr. Ye, I'll pay for this!”

Ye mu Yun's gaze landed on his face and he smiled. alright!

He looked deeply at Zhou chongguang, and there was a hint of unnoticeable hostility in his eyes.

” i'm sorry, ” zheng xinyi said softly. ” i was the one who dragged xue 'er to watch the game with me. ”

She had wanted to speak up to help him, but she regretted it the moment she said it. What if she had to bear the huge medical expenses?

Zheng Xinyi's round face was filled with uneasiness as she bit her lip.

Ye Muyun's gaze landed on her face. After a while, he said, ” you guys go first!

he stood up, not intending to deal with them. if he did not want to meet this zhou chongguang, he would not even be willing to deal with him.

Just as he opened the door, Xue 'er was standing at the door. She had a coat over her hospital gown that ye mu Yun had left in the ward, making her look especially petite.

“Why did you come out?” Ye Muyun's voice was a little hoarse as he reached out to support her.

Xue 'er leaned on his shoulder and looked up at him with a fawning expression, ” “Brother, I was careless. Don't make things difficult for them.”

she lowered her voice again and used a tone that only he could hear. she said in a soft and delicate voice, ” “if you do this, i'll be hated.”

Ye Muyun looked at her soft appearance and reached out to rub her little head. He said in a calm voice, ” “then forget it.”

Did he just agree?

she couldn't believe it, but she immediately came back to her senses and said to xiao yang, ” “i'm sorry, my brother was just joking with you.”

xiao yang smiled weakly, unable to say anything.

xue 'er then looked at zhou chongguang and the rest, smiling faintly, " "Thank you for coming to see me."

Ye Muyun looked at her and smiled. He frowned and picked her up."Alright, go back and lie down to rest."

Xue 'er was used to being carried by him. Although she felt a little uncomfortable at this time, she still gently wrapped her arms around his neck, afraid that she would fall.

The young men and women in the reception room looked at each other with complicated feelings.

People were really different. Tang Xue 'er's life was like that of a Princess.

xiao yang looked at zhou chongguang and sighed, " let's forget it! "

zhou chongguang, however, seemed to be deep in thought. after a while, he said with certainty, " "they won't be together!"

one was so strong and the other looked so gentle and well-behaved, but no matter how well-behaved they were, they would grow up one day.

when that day came, the little white rabbit would yearn for the outside world, and would want to escape from the big bad wolf.

Zhou chongguang lowered his eyes. He couldn't deny that ye Muyun was a man with a very strong aura. He simply couldn't believe that he was the same age as him.

her scheming was almost comparable to a forty-year-old man ...

what kind of environment had he been in to develop such a state of mind?

And how much time would he have to spend to catch up?

Chapter 1975: You have to be good (1)

Ye Muyun brought Xue 'er back to the ward and helped her lie down to rest.

Xue 'er was not willing to lie down and wanted to get up.

"be good." he pressed her down, his face slightly dark.

"I don't want to be obedient." Xue 'er pursed her lips.

Ye Muyun's expression froze. He pressed her down and said faintly, " Xue 'er, what do you want to do then? "

she swallowed the words that were on the tip of her tongue and looked at him pitifully. " brother, you're so busy. is it too hard on you? "

He sat on the edge of the bed, his eyes focused on her face, a little unpredictable. "I won't have to work hard if you're obedient."

Xue 'er was a little dazed.

She was already very obedient.

He said that he didn't want her to be on duty at the Student Union, and she never went there again. He said that he would go home after school, and she never interacted with her classmates. She had no friends, and he was the only one in her world.

wasn't this enough?

she lowered her eyes and didn't say anything, but he could tell that she was obviously a little emotional.

ye muyun was still willing to coax her when she was sick. he reached out and pinched her little face. " good girl. " i'll bring you a gift the next time i come back."

Xue 'er bit her lip. I have a lot of gifts.

he liked to buy clothes and accessories for her. he bought almost all of her clothes, including the size and styles. she didn't need to go shopping at all, and it seemed that she didn't have the chance to go.

The only one who could go out with her was ye mu Yun, and he was always busy.

she was 18 years old while he was only 20, but they were like an old couple.

Xue 'er didn't know when she had such a thought, but she felt that it was wrong for them to do this. even if they were the last ones to be together, this was not right, yingluo.

However, she did not have the courage to say it.

She lowered her eyes and said, " you don't have to buy me one. You should rest more when you have time.

Ye Muyun held her chin with one hand and carefully studied her expression. After a while, he said, " "i'll find some time,"

xue 'er raised her eyes to look at him. she didn't know where her courage came from, but she muttered, " "i don't need a gift."

"Yes, I don't need a gift," she said firmly.

the air froze.

Ye Muyun's gaze darkened as he looked at his little girl. He frowned and then pretended to be relaxed. then tell me, what do you want? "

xue 'er bit her lip, her heart thumping. after a while, she said, " " i don't want to have any special privileges in school. i want to be on duty. i want to be able to agree to my classmates 'request to have skewers. "

she looked at him expectantly. probably because she was not feeling well, her palm-sized face had a particularly weak beauty, different from her usual coquettishness.

ye mu yun was also a man, a straight man.

Although he was angry at her, he couldn't help but lean over and kiss her little mouth, tasting it again and again.

Xue 'er had never dared to resist his kisses, so she obediently raised her head and let him kiss her. when he was done, he squinted his eyes and rubbed her lips lightly with his fingertips. "you like being with them?"

his voice was still considered gentle, so xue 'er nodded her head hard. "yes."

"i prefer to be with my brother," she added. she looked at him like a lackey.

ye muyun was probably pleased. he reached out and ruffled her long hair. "when i come back from my business trip, i have to be home on time."

"i'll spend more time with you in the future," he said.

Xue 'er was a little surprised. Did this mean that he had agreed?

Chapter 1976: you have to be good (2)

She reached out to hug him and complimented him softly, "Big brother is the best."

ye mu yun looked down at her and rubbed her long hair. he hugged her and kissed her for a while before saying in a low voice, "i have to rush back to the United States in the afternoon."

she was stunned for a moment, then nodded her head hard. "don't worry about me,"

His gaze fell quietly in front of her and he snorted. "It looks like you really want me to leave?"

"no, absolutely not!" The little girl hugged his waist. Xinxin misses brother the most.

regardless of whether she was telling the truth or not, he believed her. he caressed her long hair and said in a gentle voice, "Be good. I'll be back in half a month."

She nodded obediently and let him hold her.

She wasn't such a heartless person. She knew that he was good to her.

in this world, there was probably no one who treated her better than ye muyun. now that he indulged her and was willing to listen to her requests, she felt like she liked him a little.

they had been together for so long, but this was the first time she had taken the initiative to acknowledge that she liked him.

She lifted her little face and took the initiative to kiss Yingying on his face.

ye mu yun was stunned for a moment. he reached out and touched his face, only coming back to his senses after a long time.

she was the one who kissed him.

his smile was unbelievably gentle as he lay on his side, teasing her.

It was easy for a young man and woman to get intimate in bed, but he was always concerned about her body and didn't dare to be too impetuous. He let her go after kissing her for a while.

After Xiao Xinxin fell asleep, ye Muyun got up and went to talk to her doctor for a while. After confirming that she was fine, he was relieved.

she could sleep very well. he watched over her for a long time, but he had no choice but to leave in the afternoon. his special assistant, gu ze, was already waiting outside.

Ye mu Yun sat by the bed, his fingers caressing Xue 'er's tender little face. His voice was very soft. baby, I'm leaving.

she didn't wake up, but turned over and naturally hugged his arm.

he was stunned for a moment, then he smiled lightly and scratched her little face. " little wimp. "

He was only two years older than her, but only God knew that he was treating her like he was raising a daughter.

he stayed for a while longer before he gently pulled his arm away, covered her with the blanket, and walked out.

when they reached the door, gu ze said softly, " "Chairman ye, the car is downstairs."

ye muyun paused for a moment and didn't say anything. he directly walked towards the elevator.

In the ward, the little girl who was lying down opened one eye, blinked, and then sat up suddenly. She hugged the pillow and rolled back and forth on the bed, extremely happy.

then, she laid down and sent a wechat message to her circle of friends: i'm going to eat skewers!

When she posted it, she blocked everyone. In fact, her moments were very simple, almost all of them were family and friends.

after the screen was turned off, he quietly sent it out. she felt a little sad as she looked at it.

it seemed that her world was indeed very small.

She only dared to fight for a little bit of what she wanted. She knew very well that she could only catch her breath when he was not around. Now that he was back, her time every night was his.

Xue 'er saw that no one liked or commented on her posts.

She commented that a life without freedom was an incomplete life. A love without freedom was only a cage!

after she finished writing, she wanted to delete it. just then, a call came in. it was from ye mu yun.

Chapter 1977: You have to be good (3)

Xue 'er was a little nervous and answered the phone.

"I'm going to board the plane in a while, be good." Ye mu Yun's voice was light and faint, with a trace of unnoticeable lingering.

she hummed in agreement.

He didn't say anything else. She could hear his light breathing. For some reason, her face blushed and she hung up the phone.

Ye Muyun stared at his phone and raised his eyebrows at Gu ze. she dared to hang up on me.

Gu ze smiled. it's President ye who has spoiled her.

Probably because Gu ze's words pleased ye Muyun, he didn't argue with the little girl and ordered the plane to take off.

When the plane took off, the young girl from Sheng Yuan hospital was rolling around on the bed happily.

she was supposed to be hospitalized for a week, but she went home after three days. of course, the director of shengyuan hospital personally explained this to ye muyun for more than an hour. he used all kinds of professional terms until his mouth was dry. only then was young master ye satisfied. he called the little girl again and explained it to her for a full two hours.

"alright, alright," Xue 'er was lying on her stomach, her voice light. I'm almost eighteen.

"you're not 18 yet, you're still a child," ye muyun said in a deep voice.

he put on the attitude of a superior. " have you forgotten that you failed the exam? "

Xue 'er pouted and let him speak. Anyway, she had long been used to his preaching.

In the end, he let her go because he had a meeting, Yingluo.

that night, xue 'er slept especially well. tomorrow, she had to go to school by herself without a driver and the devil.

She woke up at eight in the morning and Auntie li made a delicious breakfast for her. When she walked out of the villa with her bag, Auntie li waved her hand, as if she was sending an elementary school student out.

xue 'er turned around and waved. " i'll be back early. "

auntie li's eyes were brimming with tears. her little cutie had finally taken the first brave step.

when xue 'er took the bus to school, she was half an hour late ...

It turned out that the bus was so much slower than a private car!

when she entered the classroom, she stuck out her tongue, but her mood was very light. they were both in class, but she didn't really want to sleep. she sat down and casually drew a picture of a turtle and a rabbit racing. on the back of the turtle was written the three words "ye muyun."

then, she childishly drew the rabbit to run very fast so that he couldn't catch up.

She smiled childishly. This smile was cute and very innocent.

Zhou chongguang stood outside the first-year classroom and looked at the smile on Tang Xue 'er's face. He had never seen anyone's smile so clean and pure. It made people want to hold it in their hands and keep it as a collection.

he looked at her quietly for a long time before zhao ziyi sighed. " chongguang, no matter how pretty she is, she's still someone else's girlfriend. don't be afraid. there are plenty of other women in the world, right? "

"That's different." zhou chongguang mumbled,"i always thought i wasn't doing well."| I only realized today that I haven't met a girl who can really move my heart."

Zhao Ziyi shook his head,"he's gone mad."

Zhou chongguang smiled and patted his shoulder. "you don't understand,"

"she's just a woman, what's there to not understand?" zhao ziyi replied.

He still advised her sincerely, " ye Muyun isn't someone to be trifled with. Think about it, he's the same age as us and yet he's already the Vice President of Boyi. How much scheming and scheming does he need? "

he wasn't trying to destroy his own people's prestige. chong guang was outstanding, but he was an artistic youth. ye muyun, on the other hand, had been in the business world for a long time, so his state of mind was naturally different.

Chapter 1978: An ambitious little girl (1)

Zhou chongguang turned his head and stared at Zhao Ziyi for a long time. Then, he smiled faintly. Ziyi, I understand. I don't really want her. I just want to give her another choice.

He thought to himself,"is that kind of half-forced relationship that we grew up together love?"

If not, then he would take away her love-there was no first come, first served basis in love. Love was love, and no love was no love. There was no reason to speak of.

zhao ziyi shook his head disapprovingly. " you, you won't give up until you've reached the end of the bridge! "

he paused for a moment. " chongguang, think about your family and rongguang enterprises. i heard from a cousin that ye muyun is ruthless. with his position in boyi, it's not impossible for him to destroy rongguang. "

zhou chongguang laughed out loud. " this is my business. what does it have to do with my family! "

Zhao Ziyi still wanted to say something, but Zhou chongguang had already walked into the classroom. Today, they were here to select new members for the Student Union. Other than the main cadres, they were still lacking a few team members. To put it bluntly, they were just doing odd jobs.

xue 'er had been sent on duty the first day, but that was a transfer, so it didn't count.

And this time, Zhou chongguang had his own selfish motives. He didn't choose any of the other classes, but only chose Xue 'er's class.

The arrival of the school hunk made all the girls in the class boil and fight to sign up.

In the end, because there were too many people who signed up, they had to vote without counting the names.

When the results were announced, it was Xue 'er and two other unremarkable female classmates.

The entire class was silent. Tang Xue 'er?

the school hunk personally carried yingying to the infirmary and xue! er didn't seem to have registered just now?

How did he get selected without any registration?

The profoundness of this could be easily understood.

Xue 'er had unknowingly become The Public Enemy of all the girls in the class, and even Zheng Xinyi's gaze on her was slightly complicated.

Zhou chongguang smiled slightly and walked in front of Xue 'er.

She was still sitting there, not looking up to him like the others, kneeling and licking his boots!

" stay here in the afternoon. i'll teach you guys in the student union. " the school hunk's voice was as clear and melodious as a piano, causing the girls to cheer.

when zhou chongguang walked out, xue 'er was dumbfounded. she immediately stood up and said softly behind him, " "I didn't register."

these words were heard by zhou chongguang and vice president zhao ziyi, who was beside him. of course, the entire class heard it.

Of course, Zhou chongguang felt embarrassed, but he turned around and smiled. the art Committee member of this year is sick and has suspended school, and there's no one to replace her for the time being. Tang Xue 'er, don't you want to give it a try? "

he paused for a moment. " your drawing is very good. the school will need new blood. "

zhou chongguang looked at xue 'er. " unless you're afraid. you don't dare to accept such a challenge. i don't think you've ever done anything on your own since you were young, other than getting dressed and eating. "

Xue 'er glared at him and said, " "you're wrong."

zhou chongguang's handsome brows raised slightly. xue 'er's always soft and tender face was tense. " even if it's dressing and eating, there will be someone to do it for me. "

her self-righteousness stunned the entire class!

Zhao Ziyi, who was beside Zhou chongguang, burst out laughing and said in a low voice, " the little sheep has quite the character. It's quite interesting. It's not bad to get into the Student Union.

xue 'er pursed her lips. " but i'll let you know that i don't just know how to eat and dress. i also know how to publish the school magazine. "

"You're quite ambitious, little girl." Zhao Ziyi jeered.

zhou chongguang glanced at him and didn't say anything else. he walked out directly.

Chapter 1979: An ambitious little girl (2)

However, the corners of his mouth were slightly upturned.

That little fool really couldn't take the provocation and fell for it.

after he left, the atmosphere in the class was a little subtle. after all, zhou chongguang was the prince charming of the school and had a high status, while tang xue 'er seemed to be the one who was favored by the prince charming.

no one had expected that the school hunk, who had always rejected girls, would pursue a girl at the same time. it was obvious that he was here for tang xue 'er.

A talented man with a beautiful woman! They were a match made in heaven.

Xue 'er only realized it later, but the words had already been said and there was no way to change them.

She looked left and right, pursed her lips, and kept quiet.

"Congratulations, Xue 'er." Zheng Xinyi's smile was weak.

"Can I regret it?" Xue 'er's smile was even weaker than hers.

Zheng Xinyi's expression was subtle. maybe not.

Xue 'er sat down and lay down for a while until she reported to the Student Union after school.

Zheng Xinyi went with her. After she went, Zheng Xin was very busy with work because Zhou chongguang was there.

she tried her best to make zhou chongguang notice that she was the outstanding one.

After Xue 'er went, the school magazine was not going to be published for the time being. She was a little bored, so she laid there and drew.

zhou chongguang was having meetings with his team members, and he would occasionally see the young girl at the end.

she was so out of place here, but she was so cute.

the setting sun shone on her small face, and her fine little hair was golden, looking extremely cute.

zhou chongguang was distracted. his gaze landed on xue 'er's face and he did not move for a long time.

in the end, it was zhao ziyi who pushed him before he regained his senses. everyone had a tacit understanding ...

zhou chongguang liked tang xue 'er!

It was true. Tang Xue 'er's beauty was the kind that, even if she was uneducated and incompetent, even if she did not have any good points, her beauty alone was enough to make people fall in love with her.

That kind of beauty was not something that everyone could touch. It needed to be supported by wealth, and in the future, Zhou chongguang would have the ability to support such a dainty wife.

Everyone especially idolized Zhou chongguang. When he was in meetings, no one was absent-minded, except for the young girl who just arrived!

zhou chongguang was two meters away, but he could still see what she had drawn on the paper. it was still her "brother," and his eyes were slightly dim.

After the meeting was over, most of the people went back to their work, while Xue 'er was still lying there doodling.

zhou chongguang walked over and knocked on the table. "can i take a look?"

xue 'er's gaze fell on his face, but she still let him see the paper after a while.

zhou chongguang looked at them quietly for a while, then smiled. "have you been together for a long time?"

Xue 'er took the paper and continued to draw, only giving a soft "en."

Zhou chongguang sat down slowly and looked at her exquisite side profile. He coughed lightly. does your Yingluo like him a lot?"

In fact, from the bottom of his heart, he approved of ye mu Yun.

That man was not someone he or Zhao Ziyi could compare to. However, he had the confidence that he could also give her a good life. Furthermore, he could give her freedom.

She was too depressed when she was with ye Muyun. She was like a puppet being controlled. He didn't think she would be very happy.

Xue 'er didn't raise her eyes and only acknowledged him.

zhou chongguang's face was a little hot. after all, he was a traditional man, and what he was doing now was poaching.

However, he was still disappointed when she nodded to admit it.

it turned out that she really liked ye muyun. she didn't force him, but she was innocent.

At this moment, Xue 'er's phone rang. She reached out to pick it up without any intention of avoiding Zhou chongguang.

Chapter 1980: An ambitious little girl (3)

the call was from ye mu yun. his voice was a little hoarse. "xue 'er, where are you?"

Obviously, he had called this number when he woke up early in the morning in the United States.

Xue 'er bit the tip of her pen and said softly after a while, "are you in school?"

On the other side, ye mu Yun raised his hand and looked at his watch. He narrowed his eyes. "Who else is there?"

Xue 'er looked around. there are a lot of people, about seven or eight!

ye muyun's voice became even more hoarse. "male or female?"

Xue 'er's voice was soft like cotton candy. I'm not as handsome as you.

Her words pleased Mr. Ye Muyun. He smiled and got out of bed with his phone in hand. His slender body went straight to the bathroom. He used one hand to relieve himself and the other hand held the phone to talk to her.

the voice from the other side made xue 'er frown. after a while, she asked softly, "Brother, what are you doing?"

Ye mu Yun said these two words indifferently and immediately said, "Don't hang up."

the little girl responded with an "oh." hearing him brush his teeth, she couldn't help but ask, "Did you wash your hands?"

He directly said no.

Xue 'er didn't say anything.

"Baby, I'm just an ordinary person." "Did you miss me?" ye Muyun's voice was very low.

xue 'er's face was a little hot because of his sudden gentleness. after a long while, she softly said, "yes."

Ye Muyun was still satisfied. I'll be back in a week.

perhaps because he was in a hurry, the call ended very quickly.

Xue 'er put down her phone, her face slightly red as she looked at Zhou chongguang. She smiled, "It's his call."

"yes." Xue 'er looked up and smiled.

Zhou chongguang was smart enough not to continue asking. It wasn't that he wasn't touched.

it was impossible to say that she didn't like ye muyun at all. when she was talking to ye muyun, the bright and beautiful expression in her eyes was something he had never seen before.

He felt bitter in his heart. It wasn't that he didn't have confidence in himself, but that his opponent was too strong.

Xue 'er hung up the phone and saw that it was getting late. Zhou chongguang, I'd like to leave first. she had nothing to do with it anyway.

The reason why she came to the Student Union was not only because she was provoked, but also because she wanted to test the feeling of freedom.

Zhou chongguang looked at her for a while before he slowly said, ” “there’s a welcome party for the new students tonight, are you coming?”

He was very young, and when he looked at her, his eyes were a little burning.

when zhao ziyi heard this, he secretly laughed in his heart. it’s already been a month since school started, and you still want to hold a new student welcome party!

He clearly just wanted to get closer to the young lady, but he still did not tear down Zhou chongguang’s stage.

Xue ‘er hesitated for a moment before asking softly, ” “can i have some skewers?”

She had an inexplicable obsession with eating skewers. It was probably because she didn’t go when Zheng Xinyi and the others asked her to go in the past, so she had been holding a grudge!

at this moment, her eyes were bright and sparkly, like the brightest star in the sky.

Zhou chongguang looked at her for a long time before he laughed softly, ” “Of course you can.”

“Then I’ll go.” she said childishly and continued to draw.

It was still ye mu Yun.

Zhou chongguang felt as if he had gone crazy. It was obvious that in her heart, in her world, there was only the existence of that man, but he still wanted to interfere crazily.

Even if she was just looking at him, even if she was by his side thinking of someone else, she would be willing.

it was as if getting her was only secondary. he wanted her to be happy.
