

Thank you 1991

Chapter 1991: big brother, let me go!(3)

If he wanted to explain, she could explain to him. let's all go for lunch together. I rode on his bicycle. That's all.

However, her explanation was of no use.

Ye mu Yun looked at her. I've already decided. He didn't want to talk about her relationship with Zhou chongguang.

that zhou chongguang liked her, but she didn't know how to avoid him and sat on his bicycle instead.

In her heart, she thought that this was nothing, right?

but for ye mu yun, he couldn't.

it was just that he was not willing to say too many hurtful words to her. he chose not to say it, and instead did it-in the future, she would never have the chance to interact with zhou chongguang again!

"I will arrange for Gu ze's sister, Gu Mei, to be in the same Department and class as you."

after he finished speaking, xue 'er was shocked.

this was blatant surveillance. she was no different from a prisoner.

she gasped as if she had lost her voice. she kept looking at him for a long time before asking softly, "are you sure you want to do this?"

This time, ye Muyun didn't answer her. He got out of the car and went around to her side to open the door.

Xue 'er refused to get off, so he bent down to unbuckle her seat belt.

"I don't want to." she screamed as he lifted her up.

her punches and kicks were of no use, so she could only scream desperately and bite his shoulder.

"brother, i don't want to do this." she started to cry.

she knew that he would be angry after seeing those photos. she could apologize. she really did not like zhou chongguang.

she might have been too happy. she was like a little bird that had been set free.

She was only happy because Zhou chongguang had never expressed anything to her. She thought that there was nothing to be ashamed of, that she did not like anyone else.

but why did her brother treat her like this?

She had never begged him so humbly before.”I’ll get the driver to pick me up every day. I won’t go out anymore. I won’t eat with anyone. I’ll be good, okay?”

She cried like a little kitten and was out of breath in his arms.

Ye Muyun’s face was stiff and his expression was very ugly. After all, he had worked in New York for a day and directly flew back to B city. Now, he was flying back to New York. He hadn’t slept for nearly 30 hours.

Now that she was in such a state, the anger in his heart grew even more. He ignored her small feelings and directly pressed her down and carried her to the private plane.

Gu Ze was waiting on the private plane. Looking at this pair, he sighed in his heart. His BOSS was really deeply in love with them. However, Xue ‘er was protected by him to this extent. Would she understand such deep feelings?

The plane took off immediately. Xue ‘er was a little dazed as she sat on the wide sofa in a daze.

Suddenly, she looked at Ye Muyun, who was already dealing with work, and said in a daze, ” “what am I?”

Was she his prisoner?

Was it his possession?

He could make all the decisions for her, and everything was natural, as if she was born to be his, but Hanhan wouldn’t even listen to a single explanation.

Did he like her, love her, or did he treat her like a little pet?

Xue ‘er started to feel that she was a human, not his pet!

She had seen her parents together, seen Uncle Meng and Aunt Xiao together, and even saw Aunt Pei Huan and Uncle Kan together. Their relationship was not like her and her brother’s.

They wouldn’t control the person they liked like this. There was only her, only her. There was nothing they couldn’t do.

He was the only one in her world.

Chapter 1992: She still cares about him (part one)

“I don’t want to go to New York!” Xue ‘er mumbled.

” I don’t want to go to New York, ” she said hoarsely, looking at him. ” Do you hear me? ”

Ye Muyun was talking business with Gu Ze. He was already a little tired. He rubbed his brows.”Xue ‘er, stop it.”

He raised his hand and called Gu Mei over. ” Bring her to the bedroom to rest. Give her a glass of milk. ”

when he mentioned milk, his tone became more serious. gu mei's heart skipped a beat and she asked hesitantly, "Chairman ye?"

"let her sleep." ye mu yun's tone was indifferent.

From their conversation, Xue 'er guessed that he was going to give her sleeping pills. Her face was pale."ye mu yun, i don't want wanwan."

She had said too many times that she didn't want it today, and he seemed to have run out of patience. He raised his hand and had someone bring milk to feed her personally.

she refused and spilled the milk all over his expensive pants. however, he did not even blink and said coldly, "Send another cup over."

xue 'er screamed and struggled, "i don't want to drink. i don't want to sleep. "

She even cursed at him and said things she didn't know.

at this moment, she seemed to have gone crazy and was bent on going against him.

Yes, she didn't want to listen to him. Why did she have to listen to him? he was too despicable.

however, her waist was held by him. he held her tightly, not giving her a chance to struggle.

The second cup of milk was quickly delivered. Ye Muyun held her down with one hand and held the milk in the other. He looked at her indifferently. do you want to drink it yourself or do you want me to do it? "

"i don't want to drink." xue 'er was tired from struggling. her long ponytail was loose, and her forehead was covered in sweat. her eyes were a little unfocused, and she was panting slightly as she nestled in his arms.

he was too strong, and she was too weak.

The glass of milk was slowly being fed by him.

ye muyun's actions were slow, but there was a hint of ruthlessness. gu ze and gu mei felt their hearts turn cold. they wanted to say something but didn't dare to.

xue 'er had already fallen asleep by the time she was done with the milk.

Her eyelids were slightly swollen and pinkish from crying. There were two drops of tears on her long eyelashes, making her look obedient and cute.

It was just that it would be difficult for her to be obedient in the future!

Ye Muyun lowered his head and silently looked at her for a long time. Then, he got up and carried her to the bedroom and gently put her down.

She laid on the bed softly and stayed by his side, but something was different.

“Should I not have agreed to let you go in the first place?” He bent one leg and half-knelt beside her. His long and beautiful fingers gently stroked her small face, and his voice was extremely hoarse.

but she couldn't hear him. she was full of anger now, so how could she understand his pain?

she had never known his pain or his happiness.

she didn't know how important she was to him, and she didn't know how angry he was when he saw those photos.

His face was cold-

She didn't need to know. All she needed to do was to stay in his arms.

outside, gu mei looked at gu ze and said in a soft voice, “brother, don't you think that president ye's love is too stubborn?”

Gu ze smiled and looked at Gu Mei. “maybe! but they will be together.”

Because they liked each other!

Gu Mei was younger than Gu ze by a few years. She was a talented young lady and the same age as ye mu Yun. She was currently the top talent under ye mu Yun. However, no one in Bo Yi knew the meaning of Gu Mei's existence because she didn't do anything and just followed ye mu Yun.

Chapter 1993: she still cares about him all along (2)

she did not agree with gu ze's opinion. ” brother, i can't take it if a man treats me like this. ”

Gu ze bent his well-defined fingers and knocked his sister's head. He smiled. that's why they are suitable.

with ye muyun's personality, he didn't need a capable wife. what he wanted was a gentle and small person who could make him happy. xue 'er was the most suitable for him.

The friction now was only because they were too young, and they had not found a way to get along.

Perhaps Gu Mei was right. Boss ye's love was too stubborn.

As the two siblings were talking, ye Muyun walked out with a faint look of exhaustion on his face. He sat on the small sofa and looked at Gu ze. bring the documents over.

Gu ze hesitated for a moment. Chairman ye, do you want to rest for a while? ”

“I don't need to.” Ye Muyun's face was expressionless as he sat down to discuss business with Gu ze.

Gu Mei thought to herself, 'cold-blooded Demon King! Could it be that Xue 'er was ignoring him and not following him?

she didn't have much contact with xue 'er in the past, but there would be a lot in the future. the genius girl would be a study companion in the future.

She had been poached over by ye Muyun to do high-end technology. Now that she was using her talents, Gu Mei naturally explained that it was because she was young and cute and was suitable to accompany the younger and more beautiful little cutie Xue 'er.

Gu Mei's self-esteem was satisfied with this thought.

ye muyun and gu ze had been working the entire time. occasionally, he would use the satellite phone to talk to the United States. this time, after returning to B city, his work rhythm was completely messed up and his body was at its limit.

when he arrived in new York, he still could not rest. there was an important meeting waiting for him to preside over.

He didn't feel that this was very tiring. The most tiring thing was his little fellow. Now that he was making such a big fuss, just thinking about it gave him a headache.

Half an hour before the plane landed, he finished his work and got up to walk to his bedroom.

Gu ze heaved a sigh of relief. Boss ye didn't want to live, and he was also F * cked. At this time, he could already predict how miserable it would be later.

Gu Mei threw a sympathetic look at him and glared at him like an older brother."pack up, the private plane has started to descend."

Gu Mei nodded.

Ye Muyun opened the door and found that Xue 'er was awake. She was leaning against the bed, her whole person was weak and beautiful because of her daze. Her eyes were looking to the side, and he couldn't tell what she was thinking.

"We're about to land. Are you hungry?" he walked in and sat beside her, sighing."be obedient, okay?"

she didn't make a sound. he slowly turned her small face around and placed it on his shoulder. " i'll get someone to send food over. "

She remained silent and waited for him to call on the internal line to order someone to deliver the simple meal before she said in a low voice, " "Am I going to be like this for the rest of my life?"

he was shocked. xue 'er lifted her little face from his shoulder, her gaze unfamiliar. " is it because i can't even talk to anyone? do i have to be locked up in the place you marked out every day? do i only have you in my world, ye muyun? "

his heart trembled slightly. who said that his xue 'er was stupid? she was very smart!

the little girl had grown up and knew how to resist!

His long and beautiful fingers pinched her chin and smiled. of course not. There are many people in your world. Your parents, uncle Meng, Gu ze and Wanwan, and my siblings. We will have children in the future.

Chapter 1994: she still cares about him all along (3)

In front of him, Xue 'er had always been a silly and innocent girl. She had never experienced anything, but that didn't mean she didn't know anything.

her eyes searched for his gaze, and then she stared into his eyes and asked very slowly, "how many children should we have?"

Ye Muyun's fingers loosened slightly. He lowered his head and pressed his forehead against hers. His voice was a little gentle. give birth to two. It's best if it's a boy and a girl!

after she finished speaking, the little body in her arms stiffened.

xue 'er laughed lightly. "look, you've even thought of this!"

She slowly withdrew from his embrace, her face as pale as snow. ye mu Yun, my life is already yours, right?"

He frowned, and his hand that was hanging in the air fell. He was a little annoyed and wanted to smoke, but he didn't touch it in the end.

Finally, he stood up and stood by the window. He gazed at the clouds outside.

once, she was like the clouds in the sky to him.

She was so young, and so was he.

her family was so well-off, and her parents were loving. at that time, he was only in pieces.

she had no idea how much effort he had put in and how far he had walked to stand by her side so naturally.

He had always looked up to her.

But she didn't know.

He didn't plan to let her know about this in the future.

ye mu yun stood there for a long time before speaking in a hoarse voice, "i thought that our lives belonged to each other."

She said that her world needed more excitement, but in his world, there was no one else but her.

Ever since he came to the Tang family, she was the only one in his world.

After ye mu Yun finished speaking, he didn't say anything else.

he wasn't someone who was good at being subservient, not to mention that in front of her, he had always been the one giving orders.

Xue 'er bit her lip and didn't say anything. She hugged her knees and lowered her eyes.

outside the door, gu mei came in with a simple meal. seeing the situation, she scratched her long, curly hair and said uncomfortably, "I'm here to deliver food. The plane will land in 20 minutes."

she reminded him out of the kindness of her heart. if they wanted to quarrel, they should end it now. it was better to save some face when they were outside.

Xue 'er raised her eyes and looked at Gu Mei. She knew Gu Mei and Gu Mei would follow her in the future.

towards this, she had an indescribable resistance in her heart. it wasn't that she hated gu mei, but that she hated ye muyun's arrangements.

she didn't say anything. ye muyun stood by the window and said faintly, " put the things down! "

gu mei was tactful. she immediately put down her food and ran out.

gu ze looked at her, and she mouthed,"they quarreled."

In the bedroom, ye Muyun suppressed his anger. He walked to the bed and sat down. He picked up the food box with one hand. eat.

Xue 'er did not move, so he dug up some food and brought it to her lips. His tone was calm as he said, " if you don't eat, the next time we eat will be in 24 hours. Are you sure you can wait? "

Xue 'er really wanted to have a backbone and not eat, but thinking about how she would starve to death if she didn't eat for 24 hours, in the end, she still ate without a backbone.

ye mu yun looked at her with a burning gaze and continued to feed her.

Before the plane landed, she ate Yingying.

after she finished eating, she calmed down a little. she knelt on the bed and looked up at him. her voice was soft again."brother, i'll take the chauffeur's car from now on. i'll come home on time from school, okay?"

She even took the initiative to hug his waist and put her little face on his chest, begging him softly.

it wasn't just because that method was too humiliating, but also because yingluo couldn't bear to leave him.

Chapter 1995: She still cares about him all along (4)

she knew that she didn't want to lose him.

that was why she was willing to explain and admit her mistakes.

Ye mu Yun lowered his head and looked at the soft little guy. This was the first time she showed that she cared about him.

although she didn't say it directly, she meant it.

his heart softened, and he ruffled her hair. " let's do this for a while. "

xue 'er pursed her lips and did not continue begging.

There were only two paths in front of her now. One was to continue quarreling with him, and in the end, she would lose even more freedom. The other was to break up with him.

The word 'breakup' was a foreign word to her.

Her heart was complicated. Ye Muyun was naturally in her world. She had never thought of letting him leave.

so, she begged.

he seemed to have taken a step back.

so, she did not resist anymore. after everything calmed down, she seemed to have become that obedient baby again.

Ye mu Yun ruffled her hair and carried her out.

“i’ll walk on my own.” Xue ‘er struggled but ye Muyun didn’t let go. He patted her. be good, i’m a little tired now.

He was still hugging her when he was tired! she complained in a small voice.

ye mu yun looked at her and only gave a shallow smile.

this smile was as warm as the spring breeze, and it was so bright that it almost blinded gu mei’s eyes.

She looked at him and then looked at Gu ze. She swallowed her saliva.”It’s done?”

Could this speed of reconciliation catch up to the speed of light?

just by quarreling like this and sleeping and eating, everything would be fine?

“It’s a matter of love. It’s different from your experiments,” Gu ze smiled.

He stretched out his finger and shook it twice. it’s full of the unknown and diversity.

gu mei followed beside him. ” xue ‘er gave in just like that? ”

Gu ze paused and looked at his sister. He was in deep thought. both sides should have taken a step back!

a group of people alighted from the private plane. gu mei brought xue ‘er back to the hotel, while ye mu yun and gu ze went straight to the company.

by the time he was done with his work and came back, it had already been eight hours.

his darling was lying on the big bed in his hotel room, sleeping soundly like a child.

In fact, she was still a child, so small and so soft.

ye muyun looked at her. the fatigue in his body seemed to have been soothed. he reached out to untie his tie and unbutton his shirt. just like that, he removed everything about himself bit by bit. his handsome face was a little depressed.

He did not kiss her, but went to the bathroom to take a shower.

After all, he was a 20-year-old young man. When he was at his peak, he only had to take a shower to recover most of his energy. When he came out, he was already refreshed.

he poured himself a glass of red wine and drank it. standing in front of the french window at the highest point of the GM hotel, he looked down at the entire land as he slowly drank the wine in the glass. then, he moved to the side of the bed, lifted the blanket, and lay down beside the little girl.

Her body was soft and fragrant, exuding the unique fragrance of a young girl, making people restless.

he was still in the heat of youth, so even though he had not slept for nearly 40 hours, he was still tempted.

he closed his eyes and turned to look at his little girl. finally, he swept her into his arms and closed his eyes to sleep.

after a while, he fell asleep with a faint smile on his face as he smelled the faint milky fragrance on her body.

she was 18 years old, and she still had the smell of milk. there was no one else other than custard buns.

Ye Muyun was a person with great self-control. He only slept for six hours and woke up the next morning.

Chapter 1996: scared, huh?(1)

ye muyun was a person with great self-control. he only slept for six hours and woke up the next morning.

he didn't get out of bed immediately, but just looked at the piglet sleeping soundly in his arms ...

She was afraid of the cold, so she curled up in his arms and curled up into a small ball.

ye muyun half-leaned against the head of the bed and didn't do anything. he just looked at her beautiful face. it wasn't that he didn't want to, but he just wanted her to sleep a little longer. he always felt that children should sleep more when they were growing up.

He looked at her like this until 7:30 in the morning when Xue 'er woke up. When she opened her eyes, she saw the man's naked body in a bathrobe.

xue 'er was a little dazed and buried herself in his arms again. she took in a deep breath of yang qi before asking softly, " "you're not getting up?"

Although she was afraid of him, she was usually a little confused and clingy when she woke up. She liked to hug him and liked it when he switched places with her.

Just like now, her small limbs were wrapped around him, and her small face was placed on his chest. She seemed to have forgotten how overbearing he was before and just wanted to sleep on him for a while longer.

Ye Muyun reached out a hand and gently rubbed her long hair. She squinted her eyes in comfort and snorted softly like a kitten. Then, she laid in his arms.

Suddenly, her body froze.

it was impossible for a 20-year-old man to not have any reaction when the girl he liked was lying in his arms in the morning. at this time, she could clearly feel the changes in his body.

She was a little flustered, and her hands went up to support herself. However, by supporting herself like this, she pressed herself closer to him and pressed her body closer.

“Big brother.” her voice was helpless as she cried and begged him.

His eyes darkened and he looked at her silently for a long time.

suddenly, he held the back of her head and kissed her lips hard.

the kiss was passionate and forceful, breaking through the limits of the past. at this time, he was not kissing a girl, but a woman, a woman he had loved for many years.

all the passion in his heart was released in this kiss. the hot air he spewed out made her tremble in fear. the temperature of his body was so hot that she almost jumped up, but she did not. she could only soften her body and accept the kiss obediently.

The way he treated her seemed to be different. It was as if he had no scruples.

her pajamas were open and tender. she wanted to cover herself, but he didn't allow it. he admired her inch by inch in the morning light and worshipped her.

in the end, she cried until her eyelids were pink. he then seemed to wake up from a dream and leaned against her neck to calm himself down.

After a while, his voice was very soft. “afraid?”

Just now, he had almost taken her and truly possessed her.

she, on the other hand, had not matured to such an extent.

He leaned against her neck to calm himself down for a while, but his blood was still boiling. He hesitated for a moment and propped himself up. I'm going to the bathroom.

his voice was particularly hoarse, but she turned her little face away with a blush, not daring to look at him.

Her cheeks were blushing, causing him to reach out and pinch her cheeks. Then, he lifted the blanket and went straight to the bathroom.

She thought he was going to wash his face and brush his teeth since it was time for him to wake up, but she had something to say to him. After some thought, she walked to the bathroom door and opened it. “i have something to do, yingluo.”

she couldn't finish her sentence because she was completely stunned by what he was doing.

Just because she had never seen him before, it didn't mean that she didn't know, not to mention that he was doing it so straightforwardly.

Chapter 1997: Scared, huh?(part two)

ye muyun lazily leaned against the wall. he was originally enjoying it with his eyes closed. when she came in, he was confused for a moment but quickly pulled her over and held her tightly in his arms.

“Let me go.” xue ‘er was in his arms, not daring to look at him.

His body, his expression, and his eyes ... She didn’t dare to look at them at all. Everything was so embarrassing.

ye muyun looked at her tightly closed eyes and laughed deeply. ” baby, open your eyes and look. ”

“I don’t want to.” her voice was trembling, and she closed her eyes even more tightly.

he laughed even more freely and teased her with all his heart. ” baby, just take a look. ”

His thin lips were close to her ear, and his voice was extremely hoarse. baby, do you know what older brother is doing? ”

As he said that, he even grabbed her little hand and let her experience it herself.

Xue ‘er shrieked!

This was the first time he had ever treated her like this.

she was so scared and panicked that she retracted her little hand and refused to ...

but this time, he refused to let her go. he bit his little ear and coaxed her, ” “help big brother, huh?”

“No, Yingluo, I don’t want it.” she was as fragile as a little kitten. she shook her head and even cried.

However, his bad habits had been completely stirred up, and coupled with her disobedience, he grabbed her little hand without a care and forced her to do embarrassing things. She cried and begged him gently, but he did not let her go.

He only hugged her when he was satisfied.

After he calmed down, he began to coax her, but the little girl was angry. How could she forgive him so easily? she leaned on his shoulder and bit him hard.

ye muyun chuckled. he knew that the little girl was angry. he grabbed a tissue and wiped her hand. then, he took her to the shower and it was their first time again!

she refused and cried her heart out because she didn’t want to stand naked with him. she would be seen naked.

Even if they would do embarrassing things in the future, that would be in the future. She really couldn’t accept it now.

She kept throwing a tantrum and cried very hard. In the end, he had no choice but to turn on the water in the bathtub and soak her in it. She shyly took off her pajamas and let in a lot of bubbles until she couldn’t be seen.

she didn’t dare to look at him, and her little face was lowered.

she only glanced at him once and didn't dare to look at him again. she only knew that his body was very strong and also very terrifying.

yes, it was too terrifying.

Xue 'er bit her lip and her eyes were watery as she sneaked another glance.

he was clearly very skinny, but why did she feel a little scared in some aspects?

the books said that it had to be this and that, and then this and that. she felt that if that was really the case, she would die from the pain!

Even now, her small palm was still hot, as if a layer of skin had been worn out.

ye mu yun quickly rushed over and walked over without any fear.

In his heart, he already had a plan ...

On her birthday, he proposed to her and took her!

He wouldn't wait any longer because he couldn't stand the fact that she wasn't his. Now, he hoped that she could adapt to him and not be afraid.

He squatted by the edge of the bathtub and stared at her little face with a burning gaze. you have to get used to it in the future.

he would not let it go just because he had taken her once. they would do it more often in the future, and he did not want to scare her.

He knew how energetic the young man was. She was still young, and he didn't have a channel to relieve himself.

Chapter 1998: Scared, huh?(3)

although the excessive work had broken down a part of his energy, he still had to go to the gym a few times a week to expend the excessive energy.

ye muyun's slender fingers gently caressed her red lips. he thought to himself, once a man has had his first time, he probably can't control himself!

Moreover, he did not want to restrain himself anymore.

He wanted her so much that his body was in pain.

She didn't know how many thoughts he had in his mind, even though she was in the bathtub and only her small shoulders were exposed.

Ye Muyun gently touched her lips. As she trembled, he said in a hoarse voice, " "carry you up?"

"I don't want to." she immediately hugged her body, lowered her little face, and said in a soft voice, " you go out first. "

He didn't move and stayed dangerously beside the bathtub, his fingers moving down from her small mouth.

she trembled even more. she looked up at him and called him " brother " again.

He reached out and lifted her up forcefully, walking straight to the bedroom.

He had changed. He helped her put on her clothes as if he was taking care of a baby. His actions were very slow and slow.

And throughout the entire process, his eyes were fixed on her.

she couldn't take it anymore and closed her eyes, not daring to look at him.

he leaned close to her ear playfully. "afraid of me, huh?"

Xue'er trembled even more. She buried her face in the pillow and didn't make a sound.

He helped her change into a thin wool dress, patted her, and turned around to change his clothes.

He didn't avoid her and took his clothes from the changing room and placed them by the bed. He untied his bath towel and changed into his Kasaya.

Xue'er was curled up at the head of the bed, hugging her knees.

She bit her lip. She could feel the change between them. He didn't seem to want to wait for her to grow up.

The fact that she had this understanding meant that she had actually grown up.

"You're not afraid?" Ye mu Yun's tone was indifferent as he looked at her.

Xue'er bit her lip and turned her face away. Her little face was full of the eyes of an 18-year-old.

She didn't say anything, so he just smiled and didn't force her.

After all, there was still a month before her birthday. He had already started preparing for her birthday, and when that time came, he would truly have her.

Ye Muyun had an important meeting in the morning and could only have breakfast with her before going to the company.

Breakfast was relatively pleasant. When she asked him when she was going back to B city, he didn't get angry and only said that his work would end in five days.

Xue'er heaved a sigh of relief. She planned to slowly fight for it when she returned to B city. Even if it was like before, where the chauffeur and he picked her up, she could just go home obediently without participating in any activities.

there was only one condition. she could not stand gu mei following her to school. it was not that she hated gu mei but this was equivalent to monitoring her.

She was smart enough not to mention it immediately, but obediently looked up and let him kiss her on the lips.

"If I wasn't afraid that you would be bored, I would have taken you to the office."
he pressed his lips against hers and said softly.

then, he stared at her.

Little Xin felt a lot of pressure and coughed lightly. “actually, i prefer to watch movies in the hotel.” He didn’t force her to go to the office with him because she would only be able to sleep if she went. He wanted her to be happy.

However, he did leave Gu Mei to accompany her. He and Gu ze did not leave.

After they had left, Gu Mei lay on the other side of the sofa and waved at her. Xue ‘er, why do you like such a boring man? there’s nothing but work all day.”

her brother was nothing special. he could be considered a graduate of a proper university. he was not young anymore. being a special assistant at the age of 26 was already considered an elite. However, ye Muyun was only 20 years old. Wasn’t it a little too exaggerated to become the Vice President of a multinational company?

Chapter 1999: a warning between men (1)

gu mei thought, but ye muyun was only 20 years old. wasn’t it a little too much to become the vice president of a multinational company?

What fun was there to work all day at such a young age? however, thinking about it, ye mu Yun’s only fun was probably Xue ‘er.

Look at Xue ‘er, who looked like this. If she was a man, she would not want to go out either. They could stick together all day long.

When Gu Mei asked this, Xue ‘er laid down and thought for a moment before saying softly, ” I don’t know either. It seems to have happened a long, long time ago.

“i used to hate him,” she stuck out her tongue.

she was more afraid because her brother always looked like he wanted to eat her up. she was so young at that time, so how could she not be afraid?

Gu Mei laughed non-stop. that’s the right thing to do.

It was hard for women to like a man like ye Muyun. It wasn’t because he wasn’t outstanding, but because he was too outstanding. There would be a sense of oppression. Women who liked him would examine themselves every day to see if they did anything wrong and if they weren’t worthy of him. They were afraid that they would go crazy before they could get a positive outcome.

However, Xue ‘er didn’t have that kind of pressure. Because between her and Big Boss, the one who would drive her crazy was probably Big Boss.

Ye Muyun’s love was a little stubborn, and he was trapped in it without knowing it.

However, Xue ‘er was silent. She laid there for a long time without making a sound.

At the same time, in the meeting room of the new York branch of Boyi, ye Muyun was having a meeting when his phone suddenly rang.

This phone was Xue ‘er’s, and the number was unfamiliar.

He remembered that there was no one else on her phone other than her family members and him.

He pursed his thin lips and made a hand gesture for Gu ze to continue with the meeting. He took her phone and walked out of the meeting room.

the remaining senior executives looked at each other. boss ye had never been like this before.

gu ze was clear in his heart. he didn't say anything and continued to preside over the meeting.

when ye muyun opened the door, he picked up the phone at the same time. his tone was quite calm.
" i'm ye muyun. "

after saying that, he opened the door and leaned against the wall outside the door. he casually took out a cigarette and lit it.

The person on the other end paused for a moment. Although he didn't say anything immediately, he could tell from his breathing that it was a man.

As for who it was, there was no need to ask.

ye muyun's long eyelashes drooped. his eyes, which were like flowing water, seemed to have an infinite gaze. especially the light-colored red mole at the corner of his eye, it made his sharp aura seem a little gentler.

After a moment of silence, he said, " "zhou chongguang?"

"Yes! I'm looking for Tang Xue 'er." In the face of such a powerful aura, Zhou chongguang did not have stage fright and directly stated his intention.

ye muyun smiled faintly, slightly raised his neck, and took a long and shallow drag of his cigarette. he was young after all, and his skin was as white as jade. this kind of posture was actually very provocative, but fortunately, no subordinates saw it.

she's in new York, so there's no need for her to pick up your call. Also, she won't be attending any events in the future. Ye Muyun was very direct. In the future, Zhou chongguang would have no reason to look for Xue 'er again.

After Zhou chongguang was stunned for a moment, he felt a little uneasy and a little angry. "you call this house arrest? do you think you truly love her?"

"There's no need to explain to outsiders." ye mu yun's voice revealed a hint of unhappiness. " stay away from her. Otherwise, I can't guarantee that glory will be safe and sound.

This was his warning to Zhou chongguang.

Chapter 2000: A warning between men (2)

Zhou chongguang was young, after all. He didn't know anything about ye Muyun's ruthless thoughts. He was slightly angry in his heart. you have no right to treat her like this. She deserves the respect she deserves.

However, ye mu Yun had already hung up.

zhou chongguang looked at his phone and was in a daze.

He could feel that ye Muyun's attitude towards Tang Xue 'er had changed. | however, were these things that a girl should bear?

he didn't think so!

zhao ziyi patted his shoulder and shook his head. " forget it. there are plenty of other fish in the sea. "

zhou chongguang looked at zhao ziyi, his expression still somewhat dazed. " "She's in new York! She was taken away because of a meal."

ye mu yun's feelings were so strong that it was frightening.

chongguang, you won't be able to get in. They've been together for ten years. Zhao Ziyi stopped joking. even if Tang Xue 'er cried and begged to be with you, ye Muyun wouldn't let her go.

The two of them would definitely be together. The only one who would be hurt was chongguang, and he could see it clearly. He didn't want chongguang to be hurt because of this. He had a bright future ahead of him.

zhou chongguang pursed his lips, raised his head and sighed, " "Ziyi, this is the first time I've liked a girl so much."

"no, it's not just like!" "And I can't bear to," he mumbled.

zhao ziyi patted him, "it's their own wishful thinking. besides, let's talk about zhenzhen."

He paused for a moment before continuing. even if you want to be with her, you should wait for Wanwan to say that they've broken up. Otherwise, you'll be the third party.

it was hard to imagine a proud person like zhou chongguang being associated with a third party.

After Zhao Ziyi finished speaking, he looked at Zhou chongguang. Zhou chongguang's voice was a little low. I want to make a trip to New York.

zhao ziyi's mouth was wide open, somewhat unable to believe it. after a long time, he finally found his voice, "chongguang, did yingluo go berserk? you've only known her for a few days."

zhou chongguang's voice was faint. " ziyi, i know what you're thinking. but to me, i won't be satisfied if i don't make a trip there. "

In a daze, ye Muyun looked at the phone in his hand. After a while, he deleted the call record.

Just like Zhou chongguang, he was not that important between him and Xue 'er, but he was very annoying.

When they stepped into the meeting room again, the subordinates clearly felt that boss ye's style of presiding over the meeting was much sharper.

gu ze glanced at him indifferently and guessed that yingying was probably still thinking about the little girl.

after the meeting ended, gu ze followed ye muyun back to the office.

“Bring me the information on B city’s glory enterprise,” ye Muyun said indifferently.

Gu ze’s heart skipped a beat. He could not help but say, ” Chairman ye!

Of course, he knew ye mu Yun’s intention for using Rongguang. It was probably to take revenge.

“what’s wrong?” ye muyun held a cigarette in one hand, turned on the laptop, and looked at gu ze indifferently.

Gu ze shrugged and immediately went to get the information. In less than ten minutes, he got it and handed it over with both hands.

he originally thought that president ye would discuss it with him, but ye muyun only indifferently ordered, ” “Just put it on the table.”

Gu ze was puzzled. Was CEO ye going to do it personally?

but he still didn’t ask and quickly left.

After he left, ye Muyun reached out and picked up the document. His eyes swept over it and he quietly read it. After a long time, a faint sneer appeared on the corner of his mouth ...

to him, killing rongguang was as easy as stepping on an ant.
