

Thank you 2001

Chapter 2001: I really ate too much (1)

But in the end, he still threw the documents into the drawer and ignored it.

when he returned to the hotel, he did not see xue 'er. he gave gu mei a call and gu mei said that she had brought xue' er out to eat ice.

ice?

Isn't it cold?

he slowly pulled off his tie, asked for the address, and drove over.

In the dessert shop, there was a huge banana boat piled in front of Xue 'er. She was digging and eating like a child.

gu mei gasped in amazement. she pinched the flesh on the young girl's arm and drooled. " you're clearly so unpalatable yet you're still so thin. god is unfair! "

not only was she thin, but the parts that she should have were also particularly attractive.| Man and earth Rising, it was really blessed by the heavens.

gu mei could even imagine how a beast like ye muyun would secretly control his beastly nature when he saw such a little sweetheart!

"i was very fat when i was young," xue 'er said slowly as she looked up.

She remembered that when she was young, ye Muyun called her little custard bun, saying that she was fat.

Oh, " Gu Mei replied. Her gaze once again landed on Xue 'er's little Neck. It was so tender that she wanted to take a bite.

xue 'er finally got to eat a meal, so she naturally couldn't bear to let it go, and her little mouth was full of food.

At this moment, the back of her head was rubbed by someone. She instinctively looked back and saw ye mu Yun.

it's only noon. why isn't he in the office?

xue 'er looked at him curiously as she dug into the dessert.

"we have two hours of rest at noon." Ye mu Yun casually said.

gu mei secretly made a face,'no way, BOSS was also very busy in the afternoon before, okay?

however, xue 'er believed that it was fine as long as he was free.

Ye Muyun sat down and called the waiter over. He was prepared to eat something on the spot because looking at her, she didn't seem to be planning on moving. He still indulged in these little hobbies, especially the way she ate. It was very cute.

he looked at the list and frowned. luckily, there were light meals available. he ordered two simple meals and asked gu mei. gu mei shrugged."I'll do the same!"

ye mu yun was about to tell the waiter when xue 'er came over and placed her face on his shoulder."brother, i want to eat some more cream."

Ye Muyun silently looked at the dessert in front of her and frowned. you can eat it? "

Xue 'er didn't say anything, only looking at him pitifully, " He brought her to new York, but she couldn't even have dessert!

he was angry, he was angry!

Ye Muyun tilted his head and looked at the little face on his shoulder. He snorted. did you forget about your stomach hurting last time? "

"It was a cold, it had nothing to do with desserts." xue 'er blinked her big eyes and stared at him.

in the end, the older brother still gave in.

Ye Muyun closed the list in his hand and reached out to pinch her soft little face. He smiled lightly. okay.

With his slender fingers, he reached out to wipe the corner of her mouth. The little girl, who had just received a new dessert, immediately wagged her tail happily.

Gu Mei was stunned. She had seen many lovers before, but this was the first time she had seen one like this.

xue 'er lowered her head and finished her dessert at an unbelievable speed. then, she eagerly waited for new ones.

at this time, ye mu yun and gu mei's simple meal arrived. he didn't eat it immediately but forced xue 'er to eat some.

xue 'er's eyes were brimming with tears, and she rubbed her little stomach, mumbling that she was already full!

Big brother is bad!

when ye muyun was almost done feeding her, she started to eat. her dessert was also served.

Even though she was very full, little Xin still stuffed two snowballs into her mouth. After eating them, she felt like she was going to die from overeating.

Chapter 2002: i really ate too much (2)

Gu Mei looked at her lying on ye Muyun's shoulder like a Little Bear and was a little worried. Chairman ye, is Xue 'er alright? "

" gu mei! " xue 'er raised her little paw. " gu mei, i need to digest this. "

her voice was weak. ye muyun frowned."Are you uncomfortable?"

she was actually upset, but little xin didn't say it. little xin didn't dare to say it. she shook her head randomly. " no. "

He looked at her with a deep gaze, and there were faint sparks.

"Then I'll go take a look around first. Chairman ye, you can send Xue 'er back to the hotel later!" Gu Mei said tactfully.

ye mu yun nodded indifferently. gu mei made a face at xue 'er and left first.

As soon as she left, Xue 'er wanted to say something, but her little face was turned to face him, and he sighed. little fool.

as he spoke, he kissed her. he did not go too deep, but it was a lingering kiss.

after all, they were outside and she was a little shy. she shrank into his arms and was forced to raise her little face to be kissed by him.

he kissed her for a while before letting her go, and her eyes were already filled with intoxication.

"good girl." he said in a hoarse voice, his long and beautiful fingers stroking her lips, a little seductive.

Xue 'er's face was a little hot, and she felt that he was caressing her lips with a deeper meaning, so she buried her face in his arms and refused to come out.

ye muyun chuckled. he lowered his head and buried it in her neck. he asked in a low voice,"You're not angry?"

her small hands were wrapped around his waist. in fact, she was already in his arms, and they looked very intimate.

"You're still angry!" "what's the use of being angry?" she pursed her lips and lowered her head.

He was still locked up in new York and couldn't go back.

How could ye Muyun not know what the little girl was thinking? he chuckled softly. didn't I come over to accompany you this afternoon? "

She raised her eyes. She was afraid of him, but she could not help but say, " I have desserts to accompany me, and Gu Mei.

ye muyun's voice was slightly hoarse. " can gu mei kiss you like this? "

Her face was red. She lowered her small face and her small hand hooked his hand. Although she didn't say anything, he knew that she didn't want to talk about this outside. She would be shy.

He didn't force her. He reached out and ruffled her hair. I'll send you back to the hotel.

actually, she had wanted to shop with gu mei today. however, he had come and gu mei had left. she had no choice but to return to the hotel with him.

when they arrived at the hotel, he still had an hour, so ye muyun coaxed her to sleep.

however, xue 'er was being hugged by a mature man, how could she fall asleep?

She also realized that he had no intention of booking another room for her. She wanted to say it, but she didn't dare to, so they had to sleep on the same bed for the whole week.

Her little body moved around and ye Muyun opened his eyes. why aren't you sleeping? "

she lay on top of him, her face pressed against his waist, and whispered, " "you're hugging me a little too tightly."

"if you can't sleep, then don't sleep," he laughed in a deep voice.

she was still in a daze, but he had already carried her over and kissed her.

He had wanted to do this when he was outside.

Recently, he had been kissing her without restraint. He didn't care if he would ignite the fire in his body and just kissed her deeply.

She was forced to cry. She cried softly and said no, because he was holding her hand again and was forcing her to do that kind of thing to him.

She was crying so hard that he couldn't bear to hit her. He coaxed her in a low voice and she fell asleep.

Ye Muyun looked at her sleeping posture and couldn't hold back. He held her small hand and dazed.

When he calmed down, his handsome face was filled with desire as he buried it in her neck.

Chapter 2003: fear of pain (1)

He could naturally feel that he was losing more and more control of himself.

It was probably because her birthday was getting closer and closer, and it was also probably because she was getting better and better.

when he had completely calmed down, he lifted his body slightly and kissed her before walking into the bathroom to take a shower.

He had a meeting to attend in the afternoon and had to return to his office.

He leaned close to her ear and whispered, " baby, I'm leaving first. We'll be back for dinner at six, okay? "

she was in a deep sleep, and she waved her hand, hitting him in the face.

ye mu yun was stunned for a moment, then smiled and didn't take it to heart.

he liked it when she was like this. HE liked it when they got along with each other. he did not like it when she was afraid of him.

at this moment, his heart was burning. he lowered his body to kiss her little face and said some words. although she couldn't hear him, his words still made her heart feel inexplicably warm.

When he left, his heart was still rolling. It's so hot!

however, before the meeting ended, gu mei's call came in. she said that xue 'er had acute gastroenteritis and was currently in the hospital.

Ye Muyun didn't have the heart to continue his work and rushed to a private hospital. Gu ze took over the meeting.

when he arrived at the hospital, the situation was better than he had expected. it was just a little inflammation, but it should be fine after two days of infusion.

When he saw her, the nurse was about to give her an IV drip. The young girl was crying and biting her lip, looking pitiful.

ye muyun walked over and leaned against the head of the bed. xue 'er sobbed and leaned on his shoulder. her voice was weak."Brother, I don't want an injection."

She had always been afraid of pain, just like PEI Qiqi. Of course, he knew that.

he reached out and pressed on her shoulder, trying to comfort her. "it won't hurt anymore. "

"it hurts," She wasn't a little fool. She knew that he loved her, so she could do whatever she wanted, and he could only keep coaxing her.

Gu Mei had heard from her brother before how much President ye doted on his little girlfriend. She thought that he was just like any other ordinary person. However, she had a feeling that although the two people in front of her were only two years apart, it was obvious that President ye doted on Xue 'er like his daughter. That was why he was usually so overbearing.

gu mei could not understand how complicated this feeling of love was!

at this moment, ye muyun was consoling the little girl and gave a look to the nurse. the nurse hurriedly and gently inserted the needle. gu mei then heard a pig-like cry.

what beautiful girl, what little fairy, all of them were gone. there was only the wailing of a pig.

Gu Mei was stunned at first, then she began to laugh sinisterly.

she looked at ye mu yun and coughed lightly. "ceo ye, xue 'er seems to be afraid of pain. "

she cried like this after being pricked by the needle. her tears and snot were flying everywhere. if it was her first time with boss ye!

this was much thicker than a needle, and much more violent. qingqing would cry to death.

as long as gu mei thought of ye muyun being stuck in the middle, unable to move up or down, she would secretly laugh in her heart.

ye muyun glared at her ruthlessly for her bad intentions, but his expression was a little embarrassed ...

That's right, his little Xin Xin was so afraid of pain. Usually, she would cry like that when she bit her neck. If that really happened, how much would she cry? just thinking about it now, he was filled with endless distress.

The little guy in his arms was poked by the needle and wailed for a long time. Finally, he ran out of strength and fell asleep in his arms.

gu mei once again gasped in amazement.

Chapter 2004: fear of pain (2)

it was ye muyun's endless love that gave xue 'er a sense of security, so she could sleep peacefully in his arms.

Gu Mei looked on in this manner and felt a little envious. This was what childhood sweethearts should be like. There should not be anything between them.

xue 'er wanted freedom, but ye mu yun wanted that sense of security.

no matter how strong he appeared, no matter how tough he was, in the depths of his heart, he was still afraid of losing her. he didn't believe that if he let go, his little girl would still be his.

He quietly stood guard until it was dark.

Gu Mei said softly,"Chairman ye, I'll go back to the hotel and get someone to prepare some food!" The doctor said that Xue 'er should eat something light."

xue 'er had been pampered since she was young, so she was really worried about the food outside. however, GM had the best chinese food chefs.

Ye Muyun nodded indifferently and passed the car keys to Gu Mei.

When he and Xue 'er were the only ones left in the ward, he turned to the side and hugged the little girl with one hand. His forehead was also pressed against her, and he muttered in a low voice, " I shouldn't have let you eat two servings.

Sometimes, he just indulged her too much. Even though he knew that she might have stomach inflammation, when she wanted to eat it, he still couldn't bear to force her to eat.

Gu Mei returned to the GM hotel and instructed the five-star chef there to prepare a bowl of hot porridge. While waiting, she wanted to return to her room to take a shower.

The elevator door opened, and she saw a very gentle and handsome young man at the door of the room.

Gu Mei hesitated for a moment before asking, " looking for me? "

Zhou chongguang looked at Gu Mei and smiled very politely. "i'm zhou chongguang."

just as she finished speaking, gu mei's gaze on him became a little complicated.

she had thought that this guy was quite good-looking, but she didn't expect him to be the BOSS's mistress!

She was fine and had a decent appearance, why did she not think of it and become a third party?

In terms of looks, the third party was not much different from the BOSS. However, it was not about looks, but aura.

come to think of it, the BOSS was only 20 years old and he was already the vice president of boyi. he controlled the movement of hundreds of billions of assets and could shake the entire B city with a stomp of his foot, not to mention that he was the inheritor of president tang.

the third party in front of her was as gentle as jade and looked harmless. there was no way he could fight with her BOSS. she had seen her BOSS's ruthlessness before. only a man in his thirties could be so ruthless.

when she thought of this, gu mei almost pitied the male third party. of all people to go against, he had to go against the big BOSS!

“zhou chongguang? is it the zhou chongguang who is pursuing xue 'er?” Gu Mei's voice was light. but you're late. Xue 'er isn't here. She's in the hospital.

Zhou chongguang frowned. why did you go to the hospital? ”

Gu Mei leaned against the wall and laughed. being abused by CEO ye. | Do you believe me?”

Zhou chongguang's expression was not too good. Gu Mei's words were actually a little mocking, and he could more or less tell.

gu mei kept her joking thoughts and kindly reminded, ” “I don't need to tell you, you should be able to guess why Xue 'er was brought to new York! “So, Zhou chongguang, don't get close to her anymore. She doesn't need you to redeem her. Your approach will only make her life difficult.”

Zhou chongguang's fist slowly clenched, and his expression was a little depressed. if they're doing well, why would she be in the hospital? ”

“xue 'er ate too much dessert! And this is the result of CEO ye's indulgence. CEO ye is repenting now. Would such an answer make you feel better?” Gu Mei's tone did not have the slightest bit of warmth. Her words were also very straightforward. It was simply slapping her face left and right.

Chapter 2005: i think she likes him (1)

Zhou chongguang's lips moved slightly, but before he could speak, Gu Mei continued, ” it's just as you've thought. At first, Xue 'er was unhappy and would resist, but their relationship of so many years can't be broken up just like that.

“they've already made up,” she said softly.

Gu Mei had said so much to let Zhou chongguang know that a world between two people could never accommodate a third person.

Zhou chongguang digested Gu Mei's words with some difficulty. After a long time, he finally said softly, "I just want to see her."

gu mei sighed softly in her heart. what an infatuated person. then, she smiled and said, " alright. " but i can't guarantee that the scene will be good."

she said it very bluntly, but zhou chongguang had just run around the ocean and knew that she was sick. he would not be at ease if he did not go to see her.

hence, when gu mei arrived at the hospital, she brought zhou chongguang along. she did not tell ye muyun beforehand. when she arrived at the ward, she looked at zhou chongguang. " wait for me outside! "

Zhou chongguang did not want to make things difficult for her, so he nodded.

gu mei walked into the ward. ye muyun was sitting on the sofa and dealing with work. xue 'er was lying down and seemed to be asleep.

she walked over and said softly,"chairman ye, there's a student zhou who wants to see xue 'er."

the pen in ye muyun's hand paused for a moment. immediately, he roughly knew who it was and his tone was a little indifferent."Go tell him that we won't meet."

"Chairman ye, can you represent Xue 'er?" Gu Mei coughed lightly. what if she woke up and caused trouble again?

Ye mu Yun raised her eyes and looked at Gu Mei. Her tone wasn't very good. you seem to have forgotten who pays your salary.

gu mei immediately touched her nose and went out. she looked at zhou chongguang and smiled cheekily."student zhou, i'm sorry! CEO ye doesn't want to see me. "

zhou chongguang lowered his gaze and said in a low voice, " "Then what about Xue 'er?"

"I suggest you call her Tang Xue 'er. After all, we're not that close, and it's unlikely that we'll be close in the future." Gu Mei's tone was neither light nor heavy as she reminded him, " I've said it before. Your approach will only make her life difficult.

zhou chongguang raised his eyes to look at gu mei and asked very softly, " "You all think that she's doing very well with him, don't you? you think that she's very happy, don't you?"

gu mei smiled. " whether you're happy or not, you have to ask xue 'er yourself. "

after she finished speaking, she spoke softly. " zhou chongguang, xue 'er likes ceo ye. she won't like anyone else. "

she couldn't escape being liked by ye mu yun. she was also willing and not willing to escape.

Zhou chongguang's body slowly took a step back and he leaned against the wall, not saying anything.

After a long time, Gu Mei watched as he walked towards the elevator. She stared at his thin back and suddenly felt a little sympathetic for him.

For such an outstanding boy, this was probably the first time he liked someone. It was a pity that he met a strong opponent like CEO ye the moment he came up, and he shed tears for Zhou chongguang.

Gu Mei watched as he disappeared into the elevator before returning to the ward.

Ye Muyun heard the sound of the door opening but didn't even raise his head. He only said indifferently, "he left?"

gu mei closed the door and made a sound of agreement. she then looked at the young lady lying on the hospital bed.

At this moment, her CEO ye's voice rang out again. I don't want her to know that Zhou chongguang has been to New York. Gu Mei, you know what to do.

gu mei's heart was slightly f * cked. she thought to herself, how could a pure and kind little lamb like zhou chongguang fight against such a black-bellied big boss?

gu mei's mind wandered off and ye muyun's tone was slightly unhappy. " alright, you can go back first! "

Chapter 2006: She seems to like him (2)

"Then what about Xue 'er?" Gu Mei returned to her senses.

Someone had to take care of her, especially when she needed to change her clothes or wipe her body. Gu Mei felt that she had the attributes of an old mother.

However, her boss ye paused and said very naturally, " "I will take care of her."

Gu Mei initially felt that it was inappropriate. However, after thinking about it, Xue 'er and CEO ye seemed to have slept together since a long time ago. Changing clothes or something was probably just child's play!

When she thought of this, she looked at ye Muyun as if she was looking at a beast. Ye Muyun glanced at her.

Gu Mei pointed at the lunchbox. other than Xue 'er's porridge, I've also brought CEO ye's dinner. There are also two bags of clothes.

the more she said, the more she felt that she had the potential to be a mother. however, ceo ye seemed to want to be this mother more.

gu mei left. on the first floor of the hospital, she saw zhou chongguang.

the young and outstanding man was actually leaning against the wall and smoking.

she had noticed that the brand of the cigarette was from the United States, and zhou chongguang had coughed violently for a long time after taking a puff. as she looked at it, gu mei could not bear it anymore.

“You don’t know how to smoke, but you’re pretending to be deep.” gu mei leaned on his side like a ruffian and tilted her head to look at zhou chongguang. ” “Do you have any more cigarettes?”

Zhou chongguang glanced at her. Before he could say anything, Gu Mei had already taken out a cigarette from his pocket. She lit it up with practiced ease and blew smoke at his handsome face.

zhou chongguang looked at her and pursed his lips. ” it’s not good for a girl to smoke. ”

“who set the rules?” gu mei’s beautiful fingers held the cigarette. her eyes were a little dazed. ” when i was smoking, you were still peeing in your pants! ”

She patted his shoulder to comfort him.

Gu Mei was actually the same age as Zhou chongguang, but she had been sent abroad since she was young. Those papers had driven her crazy. She had started smoking when she was 12 or 13 years old, but she had not been smoking as much in the past two years.

zhou chongguang looked at gu mei. gu mei blew out a beautiful ring of smoke. “A good student should go back and study hard! this place doesn’t suit you, and xue ‘er is even more unsuitable for you.”

she took the cigarette from his fingers and narrowed her eyes. ” leave new york! ”

zhou chongguang didn’t say anything and just walked out of the corridor.

“this child is really stubborn.” Gu Mei placed the cigarette that he had smoked by her lips and took a puff. She squinted her eyes and looked at Zhou chongguang’s back.

in the ward, ye muyun walked over and sat at the head of the bed. she looked at xue ‘er. her little face was still a little pale as she lay there quietly.

His large palm caressed her slightly cold face and patted it twice. baby.

Xue ‘er slowly woke up. She opened her eyes to look at him and called out to him softly.

“get up and have some porridge.” He gently ruffled her fluffy hair and helped her up.

Xue ‘er looked out the window and asked quietly, ” “brother, what time is it?”

ye mu yun smiled and kissed her little ear. ” “It’s almost eight o ‘clock, are you hungry?”

xue ‘er looked around at the two food boxes and knew that he hadn’t eaten yet. she pulled on his sleeve and said softly, ” “brother, did you eat?”

Ye Muyun’s heart was filled with an indescribable warmth. He ruffled her long hair. I’ll feed you first, then you can feed me later, okay? ”

she stared at him carefully and took a deep breath. ” i’m a patient. ”

Oh, now you know that you're a patient. Why didn't you know when you were eating ice? " He pinched her face in a bad mood, sat down on the bed, and placed her on one of his legs.

Chapter 2007: currying favor (1)

she obediently lay in his arms and said in a particularly flattering manner, " " baby, hurry up and eat. big brother will be able to eat soon. "

After she finished speaking, his gaze fell on her face. After a long while, he ruffled her hair. idiot.

"I'm not an idiot," she said childishly and then leaned into his arms to eat.

Every time she was so well-behaved, he would have the illusion that he was a father. Just thinking about it made his heart warm up again. As he rubbed and fed her, he couldn't help but reprimand, " "you're not allowed to eat random things in the future."

xue 'er obediently replied, " "Then I'll only eat one in the future."

as she said this, she looked at him eagerly, her eyes moist.

ye muyun reached out and covered her eyes. because she was also looking at him, he couldn't do anything to her.

The little girl lifted her small body and held his arm with some effort. Her voice was extremely soft, "big brother."

there was a hint of tantalizing crying in her pleading voice. she did not know how tantalizing she was.

Ye Muyun let go of her hand and looked at her cute little face. He knocked her little head. "I'm still in the hospital, and I'm already thinking about eating."

he suddenly lifted her chin and asked her in a serious tone, " "baby, do you like to eat salty food?"

She didn't know why, but Xue 'er felt that his gaze was a little overbearing, as if it was dyed with a layer of Jade.

she couldn't understand what he was saying, but she was a little scared at the moment, so her voice trembled. " "i don't like it."

Since she was young, she had loved to eat sweet things and didn't like salty ones.

She thought that he wouldn't force her, but his fingers touched her red lips and he said in a very light voice, " "you must like it in the future."

"Why?" the young girl asked boldly, but she was actually afraid.

Ye Muyun's finger was still slowly stroking her red lips and his tone was light. "because i want you to eat it."

The young girl lowered her small face. After a long while, she said in a soft voice, " I'll eat it.

big brother was bad. big brother forced her to eat something she didn't like!

but when she grew up, she would think that he was even worse, yingluo.

the young man looked at the little girl crying. even the way she cried was extremely touching. he couldn't help but laugh and reach out to stroke her hair. " little fool. "

After Xue 'er finished eating, she tugged at his clothes. brother, eat.

when her brother lowered his gaze and stared at her for a long time, she did not know that as a brother, he only wanted to eat her!

In the end, ye Muyun hastily ate some. After cleaning up, he took a hot towel and helped her wipe her body.

When he was wiping her, both of them didn't feel good. After all, they were both young men and women, and he was full of energy.

Looking at the tender little girl, his whole body felt hot. The wiping of his hands became more and more neither light nor heavy. Xue 'er called him " brother " in an extremely seductive voice.

ye muyun looked at her and suddenly threw away the towel in his hand, using his big palm to replace the towel.

The little girl's soft voice could be heard from time to time as the blanket rose and fell,""Big brother ~"

"Be good, don't move." He coaxed her, but she really didn't listen. In the end, he could only hold her small hand and nail it to the side of his body.

He was too vexed. How should he treat her?

He had only kissed her once and she was already so scared.

Xue 'er's eyes were completely dark, so she could not see his face clearly. She had no idea that his face was slightly twisted at this moment because of Yu Wang.

Chapter 2008: Currying favor (2)

She couldn't move and couldn't see, but she could feel the hidden warmth from his body.

she burst into tears. biting her lip, she cried again and again, until his heart was in a mess.

"If you continue to cry, I'll eat you up under the blanket." He felt that it was sweet for her to cry like this and wanted to scare her.

He was so childish, but he would only be like this in front of her. His Jade eyes were completely scattered, and only the little girl's cries were real. His heart was extremely soft, and he hugged her and coaxed her for a long time.

when he was out of breath, he pulled down the blanket and the light in front of him brightened up. the little girl was lying in his arms obediently.

ye muyun lowered his head and kissed her eyes away. he smiled. " you're still crying? you're already so big. "

As she said that, her hands also fumbled around, rubbing a few times without any strength.

Xue 'er raised her head. Her little nose was red, and two tears hung on her long eyelashes. She only realized that he had bullied her, but it was very comfortable, so she snorted softly like a cat.

he had only wanted to tease her a little, but now he couldn't let go. he leaned close to her ear and said in a low voice, "Baby, can you help me?"

Xue 'er's breathing was messed up, and she looked at him with a gaze that made one's hair stand on end. After a while, she said in a low voice, "Brother, I'm sick."

"brother is sick too. if you don't believe me, you can see if he's different from usual." The evil tyrant brother shamelessly forced her to do what she had done for him the other day. Xue 'er had no choice but to cry and whine.

In the end, she lost her temper and hurt him.

Even if he was angry, he couldn't vent it out because she was really crying. And he did bully her. When she was sick, he whined.

As she sobbed, he thought to himself sweetly that it would be good to be like this for the rest of her life.

There was no one else in their world.

after coaxing and coaxing, xue 'er fell asleep. ye muyun held her in his arms and took out his laptop to deal with work. it wasn't until late at night that he hugged her to sleep.

The next morning, he had to go to the office and get Gu Mei to accompany him.

However, before he left, he still fed her and helped her change into her pajamas.

Gu Mei personally witnessed such meticulous service. She did not know if she should sympathize with Xue 'er or be happy for her.

It should be every girl's dream to be loved by such a good-looking and capable man!

after ye mu yun left, gu mei poured a cup of warm water for xue 'er. however, before she could hand it over, she noticed that there were suspicious hickeys on xue' er's neck.

A few of them kissed until they were bruised.

She was a little stunned. CEO ye was really a beast!

as gu mei looked at it, her eyes became a little hot. " does it hurt? "

Her fingers touched it lightly, and Xue 'er covered it with the blanket, her face red.

Gu Mei smiled slightly. does it hurt? "

"it's alright." Xue 'er bit her lip. have you not been bitten before? "

Gu Mei was older than her by two years. She should have had a boyfriend before, right?

as she asked this, gu mei's expression was a little dazed. then, she gave a light smile and replied, "no."

"oh," xue 'er replied. then, she said slowly, "i wanted to ask you how it feels to be in love."

gu mei mimicked her and hugged her knees. after a while, she said, "i think i like someone."

It wasn't that she hadn't had a man before. In the past two years, she had even been fooling around. Often, when she woke up in the morning, she would be with different men.

Chapter 2009: thoroughly infuriating him (1)

Often, when she woke up in the morning, she would be surrounded by different men. She would have sex with those men without feeling anything, and she would get tired of them after a while.

She started to be alone. She could not fall in love with anyone. She thought that she did not have the ability to love anyone.

until she saw that ray of white moonlight. unfortunately, that ray of white moonlight also belonged to someone else. the white moonlight crazily fell in love with the innocent girl.

gu mei laughed softly. she laughed so hard that tears were about to fall. that's right. anyone would like to be pure. she liked being pure too.

however, she knew that she was not worthy. she had long been stained black!

when gu mei regained her senses, she saw xue 'er staring at her. she could not help but laugh. "why? is it strange for me to like someone?"

"i thought you only like those profound numbers," xue 'er stuck out her tongue.

gu mei blinked her eyes. "i still like those deep and profound positions."

Xue 'er's face turned red and she called out softly, "gu mei."

gu mei looked at her blushing face and thought that ceo ye probably did not go to the last step. otherwise, xue 'er would not be so shy.

she was a little impressed by ceo ye. such a young girl was lying together every day, but he didn't eat her up. his self-control was really good.

after gu mei was done teasing the young girl, she allowed her to get up. in a while, the nurses and doctors would come over. after checking and confirming that there were no major problems, they would put her on an iv drip for two more days.

Xue 'er lay on the bed and looked out of the window in boredom. She then looked at Gu Mei and said in a soft voice, "gu mei, how about we go out for a walk after i'm done with the iv drip?"

gu mei lay on the sofa and looked at her. "i wouldn't dare! you're ceo ye's precious baby. you're sick now, so be good and lie down."

xue 'er was a little disappointed. she pouted and didn't say anything.

gu mei was still looking at her. she looked at her delicate little face and thought to herself, 'such a beautiful girl. no wonder ceo ye treasures her so much. that white moonlight can't help but be so beautiful. even i feel that it's so beautiful.'

She looked at him silently for a long time before looking away, but she couldn't quite calm down.

in the afternoon, the manager of the gm hotel personally delivered her meal. when she went down to get it, she saw zhou chongguang on the first floor.

he was sitting quietly on the bench on the first floor of the hospital. he didn't sit on anything. he just sat there as if he was waiting for someone.

gu mei sat beside him. " who are you waiting for? "

Zhou chongguang looked at her silently. No.

Gu Mei patted his arm. do you have a cigarette? "

zhou chongguang's gaze was a little deep. " no smoking is allowed here. "

Gu Mei slowly replied with an "Oh." Then, she picked up the lunchbox in her hands. "i'm going up, you're going up."

zhou chongguang looked at her and said with some difficulty, " "can i see her?"

Gu Mei sighed. why?! she won't belong to you."

"Don't make things difficult for me," she said after a pause.

Zhou chongguang did not speak again. Gu Mei could not help but ask, " "are you still going to wait here?"

he grunted and then smiled."I won't make things difficult for you."

Gu Mei paused and lowered her eyes. I'll let you meet her. However, you must not let her find out.

"I've said it before, your love for her is her burden." She looked up again, her gaze calm.

she had seen how xue 'er and ye muyun interacted. if there was no one else, xue' er would be able to live her life happily. who said that girls should have their own opinions?

That was because they had never met a man that they could completely rely on. If it was a man like ye mu Yun, Gu Mei felt that it didn't matter if Xue 'er had a brain or not.

Chapter 2010: Thoroughly infuriating him (2)

the reason why gu mei agreed was because she wanted zhou chongguang to give up.

after she finished speaking, zhou chongguang's eyes seemed to have some spirit. gu mei's heart cried out that this was not good.

Sigh, don't try to seduce me| he had lured her, even though he had done it subconsciously.

Zhou chongguang's eyes were filled with longing. His voice was very soft as he said, "I won't make things difficult for you. I'll just take one look.

after reading it, he would return to B city and stop thinking about it.

Gu Mei stood up. let's go.

zhou chongguang first walked beside her, then followed behind her after a while. gu mei smiled and did not say anything.

when they arrived at the VIP ward on the top floor, gu mei stood at the door. "i'll go in later. i won't close the door first. you can take a look before you leave. "

This was all she could do.

She knew a thing or two about Chairman ye's methods. If Chairman ye found out about today's matter, she would be skinned even if she didn't die.

Zhou chongguang nodded his head.

he had listened to the words that gu mei had said to him. he knew that gu mei was ye mu yun's subordinate and he didn't want to implicate her.

gu mei nodded and pushed open the door of the ward. the door was not closed.

zhou chongguang stood by the door and saw xue 'er from afar. she was lying on the hospital bed, and her little face was a little pale, but she was not in bad spirits.

His eyes were a little hot as he looked at it.

It had only been a few days since they last met, and he realized that he wanted more than just to see her. He really wanted to tell her that he liked her.

even if she didn't respond, he wanted her to know.

However, his rationality still triumphed over his emotions. In the end, he held back his desire to look at her for a long time before turning around and leaving quietly. However, he did not leave new York. He was still near the hospital. Occasionally, he would have the chance to look at her again. At that time, Gu Mei had pushed her out to get some sun.

he did not know if gu mei had noticed his existence, but he had indeed seen her for two consecutive days. he had seen her smile, seen her in a daze, and saw that he did not exist in her world.

At the top floor office of Bo Yi's new York company, ye Muyun stood in front of the floor-to-ceiling window. There were some photos scattered on the floor. All of them were taken in the hospital. Without Xue 'er knowing, she and Zhou chongguang were in the same frame.

ye mu yun stood there for a long time before slowly walking back to his desk. he pulled out a drawer and opened a document.

it was the information on glory enterprises.

his slender fingers clenched and he made an internal call."Come over for a moment."

in less than two minutes, gu ze walked in. he first stepped on a photo. he picked it up and was shocked.

in the photo, not only were zhou chongguang and xue 'er there, but there was also jian jia and gu mei.

it was easy to understand the cause and effect.

Gu ze's fingers trembled slightly. He clenched them so tightly that his knuckles almost turned white.

He raised his eyes. Chairman ye, Gu Mei is young and insensible. Please forgive her this once.

ye muyun sat behind the office desk and looked at gu ze quietly. " gu mei is insensible. as her brother, you should know how to make up for her mistake. "

he looked down at the document on his desk. " take a look at this. "

he paused for a moment and said in a light tone, " i want glory enterprises to disappear within a month. "

gu ze's back was drenched in cold sweat. if it wasn't for gu mei's matter, he could more or less persuade ye muyun to take back her order. but now, he didn't have a position. other than obeying, he had no other choice.

"Yes, boss ye." Gu ze sighed in his heart. He didn't say anything else and took the documents away.

a storm of blood was about to break out in B city, but new York was calm at the moment.

ye muyun went to the hospital in the afternoon. xue 'er's illness had fully recovered and she should be discharged.
