

## Thank you 2011

### Chapter 2011: Thoroughly infuriating him (3)

The black Porsche slowly stopped. Ye Muyun got out of the car, closed the door, and walked towards the lawn.

He saw a tall and thin figure standing far away, but ye mu Yun acted like she didn't see him and walked straight towards Gu Mei and Xue 'er.

xue 'er was sitting in the wheelchair (with good legs), looking at the little butterflies flying around in the flowers, which was very cute.

ye muyun naturally walked over and leaned over to kiss her little mouth.

although this kiss was sudden and gu mei was still around, she had only resisted for a moment before he deepened the kiss. his palm gently pinched her small chin and forced her to welcome him.

Xue 'er had always been afraid of his kisses, but Yingluo shamelessly liked them. As they kissed, she couldn't help but wrap her little hands around his neck and press her body against him so that he could kiss her deeper.

Gu Mei felt rather helpless at the side, but she felt even more sympathetic. She sympathized with Zhou chongguang for seeing his goddess kiss someone else with his own eyes, and it was such a deep kiss!

she didn't know that her plan had been exposed, and she didn't know that her brother was about to kill the family of the person she liked.

at this moment, gu mei's heart was still filled with happiness. even if she liked him, her heart was also relaxed because she had never thought of obtaining him.

He looked to the side inadvertently and saw Zhou chongguang's face.

gu mei would never forget that face and that expression for the rest of her life. that was because it was so pure and innocent, yet it was tainted with a deep sense of despair.

Even a fool could see that Xue 'er was willing. She liked ye Muyun's kiss and liked ye Muyun kissing her.

that scene was beautiful, so beautiful that it made people feel ashamed.

gu mei's gaze had been on zhou chongguang the entire time, watching as he fell into a deep sense of loss and despair.

Her lips moved, but in the end, she did not say a word.

Ye Muyun carried Xue 'er horizontally and instructed Gu Mei in a low voice, "i'm going to handle the discharge procedures."

gu mei was stunned for a moment. ye muyun was already walking towards the hospital's parking lot.

Wasn't she going to be discharged tomorrow morning? Gu Mei thought in puzzlement.

at this moment, her phone rang. it was gu ze.

She immediately picked it up, and her gaze fell on Zhou chongguang's face. At this moment, he was also looking at her.

gu mei's face was a little hot. however, in a moment, all the blood in her body froze ...

"Gu Mei, Chairman ye's private plane will take off in an hour." gu ze's voice was very serious. " i know that zhou chongguang is in the hospital. when you see him, tell him that ceo ye is going to deal with rongguang. "

This was the only thing he could do for Gu Mei.

With just one photo, he could tell that Gu Mei was looking at Zhou chongguang with a certain intention in her eyes. He thought about it again and again and decided to tell her, even if it would make it difficult for him to destroy the Zhou family.

Gu Mei immediately realized the meaning behind Gu ze's words. She was stunned for a moment before muttering, " "Boss ye wants brother to do this? Is it because of me?"

gu ze did not deny it. he only sighed."gu mei, you're very smart. you should know what to do."

At this time, the most important thing was to protect himself!

President ye's attitude was very obvious. He wanted him to make his stand clear to her, Hanhan.

Gu ze sighed in his heart. This time, it was Gu Mei who was willful and did not care about the big picture.

gu mei was silent for a long time before she softly said, " "brother, can i beg you, qianqian, not to go against the zhou family?"

"if it wasn't me, it would have been someone else!" gu ze's voice had no warmth. " gu mei, you and i have no choice. "

Chapter 2012: Be good, say you like your brother (1)

Gu Mei's lips were tightly pursed and she did not make a sound for a long time.

gu ze was still worried about his sister. his voice was calm. " you know what to do! unless you don't want to live a good life."

gu mei's heart skipped a beat and she could not help but say, " "brother, i don't know."

"but, is it wrong to like someone?" she mumbled to herself.

Then, she immediately hung up the phone with a stern expression. Then, she set Gu ze as a no contact user and quickly turned on her laptop. She entered an account number and downloaded some information.

her fingers trembled as she did all this because she knew how miserable the consequences of betraying CEO Ye were. However, she did not hesitate and did not have the time to hesitate.

On the other end, Gu Ze looked at his phone and was stunned. Then, he immediately dialed Gu Mei's number. However, Gu Mei's phone was no longer in service.

"Damn it." Gu Ze cursed in a low voice and almost smashed the phone in his hand. He almost immediately set off to find Gu Mei.

However, he could no longer find Gu Mei.

He had sent her countless messages, asking her to pick up the phone, but all of them were like rocks in the sea.

Gu Ze understood Gu Mei. They were siblings after all. He always knew what she had done in Beijing.

He quickly checked the company's information and found traces of theft.

Gu Ze was shocked. He drove the car and searched all over New York, but he still could not find Gu Mei. His heart slowly sank. He had no choice but to follow Ye Muyun back to B City.

However, Gu Mei had disappeared.

Out of selfishness, Gu Ze didn't tell Ye Muyun that Gu Mei had stolen the company's information. He knew that Gu Mei had returned to B City and was probably with Zhou Chongguang. So, before she did anything wrong, he had to stop her.

Before boarding the private plane, Ye Mu Yun asked Gu Mei.

Gu Ze said that Gu Mei would return to B City first. When the private plane landed, Gu Ze immediately went home to look for Gu Mei, but he still could not find her.

He knew that Chairman Ye was already suspicious. Although he didn't say it out loud, with Ye Mu Yun's insight, he already knew.

However, CEO Ye did not know that Gu Mei had taken the document away. In Gu Ze's heart, it was like a time bomb.

Two weeks after returning to B City, Xue 'er had already returned to her normal work and rest schedule. She started attending classes, but Gu Mei did not follow her. Instead, another girl followed her. Xue 'er recognized that it was another female employee in the company.

Although she was dissatisfied, she didn't lose her temper, because she really couldn't find any fault with that girl.

That day, Ye Muyun was the one who picked her up after school. When Xue 'er opened the car door and got in, that girl called Lin Ya had already left by herself.

After Xue 'er got into the car, her little mouth pouted unhappily.

Ye Muyun placed one hand on the steering wheel and looked at her indifferently. "You like Gu Mei a lot?"

"I don't really like her, but she's the one who accompanied me in new York, so I'm quite used to it." Xue 'er said without any backbone.

ye mu yun looked at her with a burning gaze. after a while, he slowly said,"Then I've been with you for so long, shouldn't you be more used to it?"

Xue 'er looked at him eagerly, her voice soft. that's different.

Ye Muyun started the car. What's the Difference? hmm?"

he paused for a moment. " fasten your seat belt. "

" oh, " xue 'er replied and lowered her head to tie it. however, after she was done, she did not raise her head. " she's a woman. "

Chapter 2013: Be good, say you like your brother (2)

Ye mu Yun looked at the road in front of him with concentration. He smiled faintly and suddenly held her small hand.

xue 'er's hands clenched, and her whole body felt like it had been electrocuted, making her feel uncomfortable.

however, she still did not dare to break free and just stared at him.

Ye Muyun kept holding her hand and her heart beat rapidly for a long time. After about a minute, he asked in a clear and cold voice, " "Are you used to it now?"

"ah?" xue 'er's voice was a little shaky. then she turned her head and looked at him with her heart beating fast.

Ye mu Yun's fingers clenched a little and his smile deepened. He asked again, " "Are you used to it?"

with his superior attitude, xue 'er lowered her face and said in a low voice, " "i'm used to it,"

"just a habit?" "nothing else?" he put even more pressure on her.

The little girl's face drooped even lower. After a while, she muttered,"I like big brother."

"I didn't hear you," he snorted evilly.

Xue 'er was extremely angry. Her voice was clearly not soft. He must have said that he could not hear her on purpose!

so he grabbed his hand and bit it hard, but she was so weak that even if she used all her strength, she couldn't move him at all. he just lowered his head, looked at her, and then smiled.

When Xue 'er heard him laugh, she got even angrier and let go of his hand, not wanting to talk to him.

however, ye muyun was very fast. he put his finger on her small teeth and forced her to bite it, teasing her in an extremely evil way.

xue 'er was on the verge of tears. finally, she bit her lip and said in a weak voice, "I like big brother."

At this moment, his sports car drove into the villa's courtyard and he let go of her small hand.

However, when the car stopped, he unbuckled his seat belt and looked at the young girl beside him. She refused to get out of the car no matter what.

Ye Muyun reached out to unbuckle her seat belt and said with a tender voice, "Why aren't you getting out of the car, baby?"

Xue 'er's little face turned to the side. you're bullying me. her small face was indescribably red, dyed with a moving blush, and she refused to look at him.

He looked at her like this and probably understood her thoughts a little. He asked in a low voice, "are you shy?"

she didn't say anything, so he pulled her little face to his side and forced her to look at him.

Her shy look was really lovely. He gently pinched her chin and leaned over to kiss her.

he kissed her gently and coaxed her to open her mouth. the kiss was very lingering.

after a long while, he ended the kiss and kissed her eyelids. "the baby is fine now. open your eyes."

she refused and shamelessly wrapped her arms around his waist, leaning into his arms.

ye muyun had no choice but to carry her out of the car. he hugged her horizontally and kissed her. "how delicate."

it was just a kiss, and she was so shy. if they had sex in the future, she wouldn't even want to see anyone.

"what do we do in the future?" He pressed his lips against hers and muttered.

Teasing her like this made him extremely happy. He kissed her and called her little fool.

Xue 'er was furious. I'm not a little fool.

He carried her all the way to the main house. He didn't put her down even when Auntie li came over. He only ordered, "we'll start eating at half past six."

after he finished speaking, he carried the little girl up to the study on the second floor.

Auntie li smiled happily as she watched the young master and young miss Go upstairs.

The family was probably going to hold a wedding soon. It was still early for marriage, but the engagement should be about time.

Chapter 2014: Be good, say you like your brother (3)

xue 'er only dared to hit him lightly in his arms, her voice like a mosquito, "put me down."

she wasn't used to him hugging her in front of others because at home, although everyone knew about them, she always called him brother. it was a little strange to hug him like this.

Ye Muyun laughed in a low voice. I won't let go.

not only did he hug her, but he also lowered his head and kissed her. he sucked on her little mouth and gently kissed yingying.

every time he kissed her, her body would go soft and hot, and she would tremble uncontrollably as if an electric current had passed through her.

Xue 'er's small hands were wrapped around his shoulders, and her fingers ran across his expensive shirt before she clutched it tightly.

She was so scared, like a weak little animal buried in his arms, letting him bully her.

In the end, he bullied her too much, probably because he was too brutal. He actually imitated that kind of thing and kissed her back and forth, teasing her.

Xue 'er didn't understand why he was doing this. She only felt that his heart was beating faster and faster, and his body temperature was burning hot. She cried out, but her cry was all swallowed by him.

This kiss was so fierce that he almost drowned her. He had never kissed her like this before.

In the end, she was placed on the desk and kissed.

Her little body also slowly heated up, and what he did was far from just kissing, he also did other things. Xue 'er was so scared that she finally cried out softly, "Lights."

in the evening, the lights in the study were bright and her brother bullied her like this. she cried really miserably. ye muyun was very distressed but at the last moment, he let her go.

he was still standing, and the little person was curled up in his arms. her small hands were hanging around his neck shamelessly, and she snorted softly. "Big brother is bad."

He bullied her almost every day, and she didn't know why he liked to do that.

He clearly didn't look well later on and often went to the bathroom to do that.

why did he have to do uncomfortable things again and again?

Xue 'er couldn't guess, but she didn't dare to ask. She could only let him bully Yingluo.

At this moment, she was crying very hard and her little body was hot. She didn't understand what was going on with herself, but ye Muyun knew. He reached out to help her fix her clothes and laughed in a low voice. I only like to bully my family's little fool.

"I'm not stupid." she emphasized again.

Ye mu Yun smiled again. you're not stupid!

"How stupid is my little fool?" his voice was extremely seductive.

She was furious. little fool doesn't want to talk to you anymore.

After saying that, she wanted to bite her tongue and complain that it was too embarrassing.

Ye mu Yun kissed her little face. "You little fool."

she cried out in anger, and he couldn't help but kiss and rub her again. after a while, he finally couldn't help himself and went to the bathroom. darling was lying on the small sofa, trembling.

when he came out, she was still curled up in a daze.

ye mu yun sat down and pinched her soft little face. he called her "little fool" with infinite love and picked her up again.

from the way he looked today, it seemed like he was not going to let go of her. he was going to hug her until she fell asleep.

in fact, after that incident, he practically slept with her every night. although she had her opinions, she didn't dare to tell him hanhan, especially since she had a request tonight. she didn't resist whatever he wanted to do.

Chapter 2015: be good, say you like your brother (4)

although xue 'er had an opinion, she didn't dare to tell him yingluo, especially since she had a request tonight. she wouldn't resist whatever he wanted to do.

after eating downstairs, she obediently finished her homework and looked up at ye muyun who was behind the desk.

He was dealing with work and his eyes were focused.

"Big brother." she called out to him timidly, her voice inexplicably alluring.

Ye mu Yun looked up at her and smiled. what's wrong? "

the young girl took the initiative to walk over and sit beside him, looking very obedient.

he waited quietly, knowing what she was thinking.

"Big brother." she called out to him softly. before she said that, her small hands were twisted together. after a long time, she said,"i want gu mei to accompany me."

he reached out and touched her little head, sighing softly. " isn't this good? "

" it's not that i'm not good. but i like gu mei more. " it was rare for xue 'er to beg him, and she even took the initiative to sit on his lap, leaning over her red lips to kiss his chin.

she was very unfamiliar with this kind of thing, but she knew that he liked it this way.

she gnawed at him haphazardly like a puppy, but she successfully made him angry.

However, Ye Muyun still let her kiss him. He quietly looked at her beautiful little face. After a long time, he picked her up and kissed her deeply.

he kissed her deeply. at first, she was very obedient, but towards the end, she was not very cooperative and kept asking him to stop.

” i don’t want it anymore, yingluo. ” her voice was soft. ” older brother, i want gu mei. ”

With that said, her eyes welled up and she looked at him timidly. She was angry that he did not care.

Ye Muyun’s eyes had a strange expression. His fingers gently stroked her red lips. After a while, he said indifferently, ” gu mei is a top-notch talent. what happened before was only temporary. ”

“I’m wasting my talents by accompanying you to study,” he said with a smile, trying to tease her.

as he said this, he ruffled her hair. ” be good and listen to me. i won’t let anyone follow you. ”

Compared to the time she spent with Gu Mei, having no one staring at her was a bigger temptation. Hence, the young girl immediately betrayed her friendship and asked, ” “When will you stop?”

When she asked this, his gaze deepened. After a long time, he said softly, ” “after your birthday.”

Her birthday was only a few days away. Xuanji, Xue ‘er, did this have anything to do with this?

she had no idea that he was going to eat her on her birthday so that he would not have to worry about her running away.

She opened her round eyes and seemed to have some doubts. Ye Muyun was a Black-bellied man and naturally wouldn’t tell her his dark thoughts. In order to divert her attention, he kissed her again until she was so tired that she wanted to sleep.

after she fell asleep, he took a shower and returned to the study. he dialed a number and asked in a gloomy voice, ” “gu ze, have you found gu mei yet?”

gu ze was silent for a moment before saying, ” “She might not be in a good mood.”

Ye Muyun narrowed his eyes. I heard she’s in B city.

gu ze did not say anything else.

from tomorrow onwards, Bo Yi’s database will be locked. Also, Gu ze, other than the acquisition of Rongguang, don’t ask about anything else for now. Ye mu Yun’s voice was cold.

gu ze wanted to say something, but in the end, he didn’t have the chance to say a single word.

In the end, his family had defeated his loyalty. He did not betray Gu Mei. There was still a trace of hope in his heart. He hoped that Gu Mei would not be so muddleheaded.

Chapter 2016: Let’s get engaged (1)

Gu ze clearly knew that ye had finally stripped him of his power. If glory enterprise could not be acquired or destroyed, his position as a Special Assistant would probably be over.

However, between power and family, Gu ze still chose family. However, this did not mean that he had betrayed Chairman ye. He was only waiting for Gu Mei to turn back.

For glory enterprises, he had spent a week to complete the preliminary work. In the next half a month, he would be able to destroy this century-old family business ... If Gu Mei did not appear.

On the other side, ye Muyun hung up the phone and walked back to the bedroom. The little girl was still lying there, sweet and carefree.

He sat on the edge of the bed and reached out to gently stroke her cheek. He smiled gently, then lifted the quilt and lay down beside her. He pulled the warm little person into his arms and kissed her.

the milk smelled so good. he sniffed it for a while, then closed his eyes and fell asleep.

in the morning, when xue 'er woke up, she was rolling in his arms.

The moment she opened her eyes, she saw his magnified handsome face. Xue 'er's little face blushed and she looked at him eagerly."Good Morning, big brother."

Early in the morning, ye Muyun had a kind of indolence that was out of place with his usual self. His black hair was slightly messy and the collar of his pajamas was open, revealing his exquisite collarbones.

she looked at his good-looking chin in a daze. looking up, she saw his sexy thin lips staring straight at her. ye muyun carried her to his body and said in a hoarse voice, " "You want to kiss me? Hmm?"

The little girl sat in his arms, extremely shy. She had always been afraid of him, and even more afraid of him on the bed. Now that they were in such a situation, she was naturally unwilling, so she lay in his arms and refused.

He coaxed her for a long time before his young girl moved her trembling lips to him and kissed him lightly.

when she took the initiative to kiss him, he usually wouldn't kiss her. he liked to see her shy look, the expression when she leaned over to kiss him. he had to say that ye muyun was only 20, but other than the cruelty of the business world, he had also learned some of the bad habits of men. he didn't get involved with women outside, but came back to bully young girls.

at this moment, she was kissing him and was almost burned by his gaze. she said in a small voice, " close your eyes. "

not only did he not close her eyes, but he also went overboard and asked her to open her eyes. it was too embarrassing. the little cutie pie couldn't take it and refused to kiss him anymore. he lay down and hugged him shamelessly.

Ye mu Yun smiled and let her go. He got up and went to the bathroom.

Xue 'er heard an embarrassed voice from the other side. She covered her ears and refused to listen.

he was really shameless!

beast!

After a while, the beast slowly walked out and his gaze fell on her face. He smiled faintly and began to take off his pajamas to change.

xue 'er covered her face again and ran to the bathroom with a red face. she even closed the door.

Ye mu Yun's lips curved up slightly.

However, the little girl immediately regretted it after closing the door, because the smell in the bathroom really made her face redder, and her heart beat faster. She went out to change her clothes after washing up.

She didn't expect that ye Muyun hadn't left yet. When she was in the changing room, he suddenly walked in.

"Big brother." She covered her body with her hands and looked at him with eager eyes. "Aren't you going downstairs?"

he smiled, took the clothes from her hands, gently pulled her small hands apart, and personally dressed her.

Chapter 2017: Let's get engaged (2)

his expression was very gentle, as if he was a husband waiting on his wife.

they were so young, standing in the morning light beautifully. it was the most beautiful and pure time of their lives.

Even though they got together later on, they no longer had such simple moments.

xue 'er resisted at first, but after that, probably because his gaze was too gentle, she didn't escape and cooperated with his movements as she put on her clothes.

she could feel that he was treating her differently, but she couldn't tell what was different. he still loved her, but there was something different in his eyes that she didn't understand.

at first, she was also conflicted, but later on, she simply gave up.

In her heart, she had already accepted being with him. Although she was afraid of him, she had never thought that another man would appear in her life to replace him.

she did not resist, not because she was following him, but because she was following her heart.

The 18-year-old girl had finally opened her mind. When she looked at him, she slowly felt a little moved.

"big brother." The young girl called out softly, her voice filled with an inexplicable alluring sense of love.

Ye Muyun reached out and ruffled her hair. He bent down and met her eyes. Xue 'er's little face blushed as she looked at his noble face.

"After your birthday, call me mu Yun, okay?" he curled his lips into a smile and kissed her on the lips.

Xue 'er was still in a daze. After a long time, she asked in confusion, "why?"

He sighed in his heart and ruffled her hair again. because we'll be engaged. Our relationship will be different in the future.

this was the first time he had said this to her. xue 'er was a little surprised and let out an "ah". after that, her little mouth was slightly open, and she couldn't say anything for a long time. her expression was especially cute.

"You're not willing?" his voice was soft and he didn't have the appearance of a superior like before. perhaps he had entered a new mode of interaction and already regarded her as his little wife in his heart.

xue 'er covered her face with her hands. she just realized that his attitude had changed because of this.

She slowly lowered her hand and looked up at him.

he was so good-looking, so she was afraid of him, but she really liked yingluo.

She bit her small mouth, and after a long time, she lowered her eyes and spat out a few soft words, "i'm not unwilling."

in this short minute, ye muyun experienced the greatest joy in the world. his body almost stiffened as he kept looking at her. after a long time, he slowly pulled her into his arms.

His actions were unbelievably gentle, as if he was holding a fragile treasure.

xue 'er buried her head in his arms for a long time before she called out softly, "mu yun."

But after she called out, she felt awkward and asked in a low voice, "Can I still call you big brother?"

He lowered his head to look at her, and she was looking up at him with her bright eyes.

he sighed and reached out to stroke her little head. "we'll talk about it in the future!"

she was only two years younger than him, but his excessive protection made her look like a child. he really shouldn't expect too much from her. he pressed his forehead against her and stayed like this quietly for a while before carrying her downstairs for breakfast.

auntie li looked at the young master and young miss. they were completely different from before. she was very happy and kept urging them to eat more. xue 'er's face was red.

"I'll pick you up after class." Ye mu Yun reached out and pinched her soft little face.

Chapter 2018: Let's get engaged (3)

Ye Muyun reached out and pinched her soft little face. let's go and pick out the dress and engagement ring.

An engagement ring?

xue 'er's heart started beating again. was he really going to get engaged?

Why did she feel that this was not real?

she was only 18 years old, and she was already getting engaged?

as she mumbled, auntie li chuckled and said, " " that's great. i'll get someone to decorate young master's bedroom in two days. it'll be more heartwarming. "

the layout of pei garden was very simple. it was a four-story villa. tang yu and pei qiqi lived on the third floor, while ye muyun and xue 'er lived on the second floor. however, ye muyun lived in the master bedroom. the meaning was clear. in the future, young master ye would inherit the tang family, including the miss.

Auntie li was elated. She was already thinking that perhaps in a year or two, there would be a young lady or young master who would hug Yingluo and look at young master ye's hot-blooded appearance. She was afraid that she would not be able to hold it in sooner or later.

auntie li was an experienced person. how could she not know that the young master was in a hurry to get engaged? it was probably because he couldn't hold it in anymore.

without a title, the young master would not do anything, but with a title, everything would be taken for granted.

she said it so blatantly that even the little fool in ceo ye's family understood and said anxiously, " "no need, no need to whine."

before she could finish her sentence, her small hand was held by him.

ye mu yun looked up at aunt li and smiled. " "i'll have to trouble you then, auntie li."

He was going to get someone to design and redecorate it, especially their photos.

"how can you say that?" after auntie li left, the young girl bit her lip. " people will misunderstand if you do this. "

he looked at her small face and smiled slightly before slowly saying, " it's not a misunderstanding. "

at this moment, he was holding her and feeding her milk. he said slowly, " because I'm preparing to live with you after the engagement.

the young girl was a little dazed. " we're living together now. "

"We'll have sex!" He said it simply and clearly, without a trace of hesitation.

xue 'er was stunned and looked at him.

He sighed and scolded little fool. Then, he pulled her into his arms and whispered into her little ear, "I want you! the kind that is completely and thoroughly."

xue 'er blinked her eyes and unconsciously called him' brother'.

He bit her little ear and chuckled as he said a few words. Her little face turned red and she buried herself in his arms, not willing to come out.

As for him, he was smiling very happily, as if he had never been so happy before.

After breakfast, he sent her to school. When they got off the car, ye Muyun rarely got off with her and called out to her, "wait a moment."

xue 'er stopped and looked into his eyes with bright eyes.

He walked around the front of the car and kissed her face at the crowded school gate. His voice was a little hoarse. "wait for the engagement and take half a year off from school, huh?"

Xue 'er's voice sounded a little dazed. ah? "

he chuckled. "i'm going to the France branch for half a year. "

he continued to hold her little face. "you don't want to go? "

Xue 'er didn't know where her courage came from, but she resisted in a low voice, "I don't want to be your luggage."

He laughed and pinched her soft cheeks. you're the accompanying family. How can you be the luggage? "

The words "accompanying family" successfully made her blush again. She didn't know how many times she had blushed today.

she pursed her lips and only nodded.

This request of his was different from his previous strong stance, so she was willing to accept it.

Chapter 2019: this is your brother's doing (1)

Ye mu Yun smiled and kissed her forehead again before letting her in.

He opened the car door and got in, leaving B University slowly.

Xue 'er walked through the school gate. Because there were no followers, she was in a particularly good mood, even a little jumping.

she felt that everything was beautiful, and she was especially light-hearted.

now, she had almost forgotten about the unhappiness between them.

When she arrived at the classroom, she walked over and sat down. Zheng Xinyi, who was beside her, forced a smile."they're here."

Xue 'er hummed in agreement. Seeing that Zheng Xinyi's gaze was still on her face, she hesitated for a moment before saying, "i'm getting engaged in a few days."

zheng xinyi was shocked and just looked at her.

Xue 'er smiled. it's true. so you don't have to worry about me and zhou chongguang!"

"It's not about whether there's anything going on between you and him now, it's about ran ran," Zheng Xinyi said quickly and anxiously."That's because of Yingluo."

before she could finish, a slender figure stood at the door of the classroom. " "Student Zheng, come over for a moment."

zheng xinyi was stunned for a moment, and then she looked at zhou chongguang, who was standing by the door, in a daze.

it's only been a few days, but he's lost a lot of weight.

The school already knew about Zhou chongguang's family matters. As for the person who bought Rongguang, there were rumors that it was Boyi.

the only person who had a grudge against the zhou family in boyi was the high and mighty president ye. so, when zheng xinyi heard this news, she couldn't help but ask tang xue 'er.

she was the one who started all this, so she should be responsible.

At this moment, she had been interrupted by Zhou chongguang and was unhappy. She felt even more unworthy of Zhou chongguang, but she was in no position to say anything.

xue 'er looked suspiciously at the people inside and outside the door. when she realized that everyone was looking at her strangely, her good mood was instantly gone.

he didn't say anything, but took out a book to write and draw.

Zheng Xinyi seemed to have reached the end of her patience. She looked at Zhou chongguang and said in a sharp voice, " Zhou chongguang, take a good look at what kind of girl you like. Your family is in such a state, yet she can still draw her paintings peacefully. She has no heart.

These sharp words seemed to have broken a curse, and everyone stopped moving.

Some things were usually very ugly when they were said out loud, just like now ...

zhou chongguang's face was pale. he squinted his eyes and grabbed zheng xinyi's arm, dragging her outside. as he dragged her, he said, " "Don't say anymore. It's not her fault."

after zheng xinyi had said it before, she had no intention of taking it back. she was dragged away by zhou chongguang, but she still said angrily, " " why don't you let me say it? it's because of her that your family is facing bankruptcy. look at her, she's like an idiot who doesn't know anything. in fact, she's the most ruthless because she only loves herself and no one else. "

Zheng Xinyi said that she felt great, but then she was slapped in the face. Zhou chongguang's expression was extremely ugly, and his voice was extremely hoarse. "i told you to stop."

Zheng Xinyi covered her face and only asked softly after a while, " "You hit me? zhou chongguang, you know that i like you."

“if you like someone, they have no obligation to like you.” Zhou chongguang’s tone was very calm. just like how I treat Tang Xue ‘er, she has no obligation to like me.

Zheng Xinyi was stunned for a long time before she laughed softly. Zhou chongguang, you’re so silly. You can only save your family’s business if you tell her the truth.

Chapter 2020: This is your brother’s doing (2)

xue ‘er finally understood. zhou chongguang’s family’s business was having problems?

And Yingluo is related to brother?

she looked at zhou chongguang, and only asked softly after a while, ” is that true? ”

zhou chongguang looked straight into her eyes, his voice calm. ” i’ve said before, this has nothing to do with you. ”

xue ‘er pursed her lips and did not say anything more. she packed her bag and walked out quickly.

zhou chongguang let go of zheng xinyi’s hand without a second thought and went forward to grab xue ‘er. ” “where to?”

“It’s not related to you.” Xue ‘er’s voice was slightly cold. move aside.

She had never been so cold to anyone before and was impolite to anyone. But from now on, she couldn’t get close to Zhou chongguang again, Yingluo.

Her heart was beating wildly, but she still pretended to be calm.

just then, zheng xinyi stepped forward again and looked at zhou chongguang. ” don’t stop her. I think she will pay for her mistake. You are innocent.

Zhou chongguang turned his head back abruptly, his gentle face full of indignation. “What did she do wrong again? Do you need to target her like this?”

Zheng Xinyi looked a little embarrassed, and only laughed softly after a while. ” yeah, she didn’t do anything. it’s because she has a good brother that she can still be the top student in school even if she failed. ”

Zheng Xinyi’s expression was a little crazy, as if she did not care about anything. but no matter what, the school still took away your first place. A fake is a fake.

when she said all this, she thought that xue ‘er would be embarrassed, but xue’ er laughed instead. she looked at zheng xinyi’s confident and self-abased face, laughed softly, and said in a very soft voice, ” “Do you know why you were first again?”

“Do you think it’s because you’re outstanding?” xue ‘er laughed lightly. ” or did the school leaders find their conscience? ”

she had never been so mean before, but when she saw zheng xinyi’s stunned expression, she felt very happy.”That’s because I begged my good brother to give you the first place.”

zheng xinyi's face suddenly turned pale, and she was extremely embarrassed.

However, Xue 'er was not done yet. She continued, " Zheng Xinyi, do you believe that if I don't want you to have a good life, your grades will not be in the top ten in the level in the future? "

and this meant that her excellence would not be recognized. zheng xinyi was well aware of the blow to her.

she also needed the scholarship.

The two of them stood face to face, no longer deliberately close to each other like before.

"You're despicable and shameless." zheng xinyi took a long time to squeeze out this sentence.

Xue 'er's lips curled into a beautiful smile. compared to how you've turned yourself into such a loathsome face for a man, I'm nothing.

Then, she turned around and walked out. As she walked, she said in a calm and crisp voice, " " from now on, zheng xinyi, if you interfere with zhou chongguang's matters again, i can guarantee that you will disappear from B city. "

The surrounding students were all stunned.

In the past, although Tang Xue 'er was born into a noble family, she had always been a silly and sweet girl. She didn't speak and was quiet. He didn't expect that this wasn't the case at all.

someone had already whispered,"how could a child from that kind of family be silly and sweet?"

That's right, the reason why she was silly and sweet was because she always had ye Muyun by her side. She didn't need to be sharp at all, and now, she was enough to compete with a character like Zheng Xinyi.
