

Thank you 2031

Chapter 2031: tian tian pampers you (1)

Xue 'er looked at him, not understanding the deeper meaning of his words.

Ye mu Yun kissed her little mouth and smiled, not continuing to tease her.

He held her in one hand and used the other to call for breakfast. Then, he hugged her and kissed her.

“big brother.” The young girl’s voice was flirtatious. someone will be coming over in a while.

She was always particularly shy and afraid that people would see through her. Ye Muyun was a man and usually didn’t think so much. If he found out, then he found out. That was probably what she meant.

The more she struggled shyly, the more he wanted to bully her. After kissing her for a while, he still felt that it was not enough, so he held her in his arms again. His warm little body was very close to her, and after teasing her for a while, he also made himself angry.

The waiter who delivered the food came over and knocked on the door. She immediately leaned into his arms and refused to come out.

ye muyun chuckled and removed her from his body. he walked to the door and opened it.

after opening the door, the waiter was stunned for a moment-

ye muyun was wearing a bathrobe and his collar was loose. the waiter could see several obvious scratch marks on his chest, so one could imagine how intense it was.

However, the waiters of the big hotels were also experienced. They pushed the dining car into the living room without blushing.”please enjoy your meal, chairman ye.”

Ye Muyun motioned for him to leave. After the door closed, he walked back to the master bedroom.

his little fool was still curled up on the bed like a small animal, looking a little ridiculous.

he walked over and sat by the bed, his fingers clasping her waist as he said in a low voice, ” “you were waiting for me like this?”

“no way!” she continued to lie on her stomach. ” you’re shameless! ”

The older brother smiled happily and looked at her. it’s better to be shameless than not being able to do it, right? ”

What do you mean no?

He was too shameless!

He hugged her and chuckled as he told her what he meant by ‘no’.

she was so embarrassed that she kept struggling in his arms. after that, he told her what he meant by ” okay “!

Xue 'er's face was red from his teasing, and her little body was trembling slightly. The scariest thing was that she actually felt like she wanted to be with him!

it turned out that she also yearned for her. this was what she was most afraid of and most ashamed of.

After that, no matter how much he teased her, she would always hug his waist and act coquettishly.

“what’s wrong, baby?” He asked her in a low voice.

the small person lay in his arms and said in a small voice, ” brother, i’m afraid of yingluo. ”

What else did he want? she pressed his hand down and didn’t let him move because it was too shameful.

last night, she had been scared by the huge waves. she was at a loss. she didn’t know she could be so scared.

When he touched her, she felt as if she was lying on the ground in front of him. It was extremely embarrassing.

ye muyun lowered his head and kissed her, coaxing her. “Baby, it’s me. Don’t be afraid. I’m the one doing those things to you.”

The little girl was still hiding in his arms, deliberately not letting him touch her again. He was good-tempered and did not force her, but kept hugging and coaxing her.

after she had quieted down, he carried her to have breakfast and fed her while holding her on his lap.

she was obedient while his expression was gentle. the scene was beautiful and quiet.

“We’re not going back today. We’ll stay here for another night, okay?” he fed her the last mouthful, his voice very faint.

the young girl’s eyes widened.

the young girl would never know about boss ye’s dark thoughts.

in the pei garden, he had to be careful. just like last night, she cried so hard. if they were in the pei garden, he really couldn’t do it, but it was different here ...

he could do whatever he wanted!

Chapter 2032: Tian Tian Pampers you (2)

“i don’t want to!” Xue 'er snorted and threw a small tantrum.

as her brother, he naturally coaxed her. ” the company will have a dinner meeting at GM hotel today. are you sure you want me to go back and forth? ”

“then i’ll go back alone.” xue 'er looked at him eagerly.

“But we’re going to sleep together tonight,” His voice was warm and full of temptation. | coaxing.

His little girl ignored him.

“Then should I find someone else?” He asked with a chuckle.

After that, his little fool lay on his shoulder and bit him hard, snorting. “you’re not allowed to.”

Although he had been bitten, his heart was filled with warmth. He lowered his head and asked, “Baby, why can’t I?”

she laid in his arms childishly. ” i just won’t allow it. ”

as she said this, she hugged his waist tightly, a little domineering.

ye muyun hugged her and kissed her for a while, then they changed their clothes together. she took out her phone to play games while he continued to deal with work.

she would look at him sometimes, and she knew that he had taken the time to accompany her today.

in the hotel, it wasn’t just about what he wanted to do, but also the fact that they could be together without being disturbed. the young girl felt a little sweet in her heart. she jumped off the bed and poured a glass of water for him. her voice was also soft and delicate.”Brother, drink some water.”

he looked up at her and smiled. he took the glass and took a sip before putting it aside. then, he pulled her into his arms. ” how am i supposed to do anything if you keep looking at me like this, huh? ”

“I’m not!” she denied it and struggled to get down, but he still kissed her for a long time before letting her down.

the whole day was sweet. when it was dinner time, he ordered her favorite meal and went to the clerk next door for a meeting with his laptop.

“so there really is a meeting!” xue ‘er closed the door and muttered a few words. she was about to sit down and eat when she turned around and saw gu mei.

“Gu Mei?” xue ‘er looked at her in surprise. ” why did you come? ”

“brother asked you to come back, didn’t he?” she asked with a dreamy expression.

She walked over affectionately and was about to hold Gu Mei’s hand when Gu Mei’s voice turned slightly cold. “no!”

xue ‘er was stunned for a moment.

Gu Mei paused for a moment before she continued,”i’ve already left boyi,”

“why?” Xue ‘er’s voice sounded hurt. did I not treat you well? ”

gu mei shook her head and looked at xue 'er. her voice was very soft."Xue 'er, I want to ask you for a favor."

Xue 'er's face was filled with confusion. What was wrong with Gu Mei?

Boyi is trying to acquire Rongguang. I'd like to ask you to ask boss ye to stop this plan. Gu Mei bit her lip as she spoke. I'm begging you, okay? " Zhou chongguang is innocent, he did not do anything wrong."

zhou chongguang?

Xue 'er was stunned for a moment and muttered, " "does this have anything to do with zhou chongguang?"

she finally came back to her senses and quickly said, " " i've asked my brother. he said that the acquisition of rongguang has nothing to do with zhou chongguang. he said that he had been planning this for a long time. "

"So, you believe me?" gu mei gave a faint smile. then, she took out her phone and opened a website.

the contents of the letter made xue 'er's face turn pale.

boyi's acquisition of rongguang started when she was hospitalized in new York. the person executing it was gu ze. since gu ze was in new york, this order must have been given by her brother.

"In new York, Zhou chongguang went to the hospital to see you." Gu Mei's voice was very calm as she said,"and the photo was sent to Chairman ye. The next day, Rongguang was targeted!" xue 'er, do you think this is a coincidence?"

Chapter 2033: the truth (1)

Xue 'er was stunned. Her entire being was in a daze. She had difficulty digesting what Gu Mei had said. In reality, she did not want to believe it. However, she knew even more that Gu Mei had no reason to lie to her.

After a while, she shook her head. I don't know! gu mei!"

"You're the only one who can save him now. ceo ye is trying to drive rongguang to its death. the company is going bankrupt, and if the company can't pay off the debt, the person in charge of rongguang will go to jail!" Gu Mei pressed down on Xue 'er's arm. Xue' er, as long as you talk to Chairman ye, he won't disagree.

"not necessarily!" xue 'er's voice was a little weak. she looked at gu mei. " if it's that simple, why did you betray your brother? "

Gu Mei was stunned for a moment.

She didn't say anything, so how did Xue 'er know?

after a while, xue 'er said softly, " " gu mei, actually, you know that if brother agrees, then i have to sacrifice some things. for example, i won't go anywhere in the future and just stay by his side. for example, i have to endure a life of having bodyguards at all times. do you think it's worth it for zhou chongguang? "

gu mei closed her eyes. " but he's doing this for you. xue 'er, he only likes you. he didn't hurt you. it's not fair to him. "

"then is it fair if i give up my freedom?" xue 'er asked softly.

Gu Mei could not answer.

" gu mei, let me think about it carefully. also, don't let brother know that you've been looking for me. otherwise, you'll be in a very miserable state. " xue 'er's expression was a little indifferent, which came from her natural blood.

this was because gu mei was already a person who had betrayed bo yi. she did not have much warmth to give gu mei.

Yes, at crucial times, she, Tang Xue 'er, was not a flower in a greenhouse. She was not a little cutie that ye Muyun protected.

She was Tang Xue 'er, Tang Yu's only child.

Gu Mei was also a little stunned for a moment. After a while, she said in a low voice, " "Alright," he said.

she knew that from this moment on, her relationship with xue 'er was no longer simple.

She also knew that her visit today was a little unreasonable. Xue 'er was right. Why did she have to pay such a price to help Zhou chongguang? it was all because of her, Gu Mei's, selfishness.

She left with her fingers on the doorknob. The little girl's voice came from behind, " "Gu Mei, you should turn back! otherwise, big brother won't let you off."

at this moment, gu mei's heart was filled with sourness. no matter how cold xue 'er had been before, she had always been concerned about her. however ...

"i can't turn back anymore," gu mei turned her head and looked at xue 'er. " i like zhou chongguang. "

xue 'er's eyes widened in disbelief. she muttered, " "Gu Mei!"

Gu Mei lowered her eyes. Xue 'er, how ridiculous! I like him, Yingluo, because he likes you!"

Xue 'er still wanted to say something, but her throat seemed to be blocked. She could not say a single word. She could only look at Gu Mei like a moth flying into a flame.

The two of them remained silent for a long time before Gu Mei said in a low voice, " "I'm sorry! Also, thank you."

after she finished speaking, she quickly walked out to take a stroll.

Xue 'er stood there, her entire body cold. She thought of the sweetness of the past two days. Were all these built on Zhou chongguang's pain?

She stood there for a long time and didn't eat much during dinner. She really wanted to ask ye Muyun, but just as she said, he agreed and she had to pay the price.

If Zhou chongguang was fine, then she would not be fine.

Between losing her freedom and her conscience, she would still consider it.

Chapter 2034: The truth (2)

even when ye muyun returned to the suite, she was still in a daze.

"what's wrong?" Ye Muyun reached out and pulled off his tie. He rolled it up and put it aside. He went into the bathroom to wash his face. When he came out, he found that she hadn't touched her dinner. He frowned."Not to your liking? I'll order another one."

As he spoke, he picked up the internal line and was about to make the call. Xue 'er's finger was on the back of his hand, and her voice was very soft, " "I don't want to eat it!"

he looked at her and smiled. " what's wrong? Are you not feeling well?"

He wanted to place his finger on her forehead, but she avoided it and quickly said, " "it's nothing!" ye muyun looked at her and seemed to think for a moment before smiling. " did anyone come? "

"No, I didn't!" her heart was beating fast. " i'm just a little tired. "

She didn't want him to know about Gu Mei. Perhaps Gu ze could persuade her to come back. Before anything big happened, Gu Mei still had a way out.

xue 'er realized that she was more worried about gu mei than zhou chongguang. after all, gu mei was someone who had taken care of her in the past.

"if you're tired, then sleep early." ye muyun didn't force her and went to the bathroom. when he came out, she was already lying down.

He lifted the blanket and lay down beside her. He naturally wouldn't let her off so easily. Unexpectedly, she didn't resist.

This love| the matter burned for an hour. in this hour, he kissed her like fire and tormented her.

after that, he carefully wiped her face. although it didn't really happen, the two of them were in a mess.

she closed her eyes and felt his breath. when he was about to leave, she hugged him.

"big brother." she called out his name weakly and rested her small face on his shoulder. her voice was also low. " older brother, i only have you. there's no one else. "

His body stiffened-she didn't say who ye Muyun was, but from her strange behavior last night, someone should have been here.

"did someone say something?" he asked.

He sat up a little and leaned against the head of the bed. He looked at the head of her little dress in his arms and rubbed it gently. I guess it's Gu Mei, right? "

"No!" She denied it, but she denied it so quickly that she was transparent in front of him.

"What did she say to you?" Ye Muyun smiled,"you talked about Rongguang?" Or Zhou chongguang?"

Xue 'er's little face was buried even deeper. Her little arms wrapped around his neck, and she said in a low voice, " brother, just treat it as doing it for me, okay? "

"It has nothing to do with you!" Ye Muyun's voice was slightly domineering. Rongguang's acquisition will greatly improve my position in Boyi. If I give up now, Xue 'er, do you know what that means? "

Throwing billions into the water would be a disgrace to his career. He would not be able to take over Boyi in the future.

then, how could he be her husband?

xue 'er actually knew that he was asking her this. after all, she was a child of the tang family, so it was impossible for her not to understand these things.

"but big brother will have a way, right?" She wanted to beg him, so she leaned against him and said in a very soft voice, " "I can give it to you now, and have sex with you, Yingluo."

This was his biggest guarantee. Xuxu was innocent, and she thought so.

However, she didn't expect that this would be an insult to ye Muyun.

"Xue 'er, do you think I would need to use this method to determine my position?" a cold light flashed in his eyes.

Chapter 2035: The truth (3)

Xue 'er continued to hug him. it's not that, Yingluo. I just wanted to tell you that I don't have anyone else. I don't like anyone else. Brother, can you not go against Zhou chongguang? "

She lifted her small face and looked at him with a clear and beautiful expression. I want Gu Mei to be happy too.

"she won't be happy!" He pinched her chin with his fingers. " zhou chongguang likes you. how can he be happy!?" "

xue 'er was stunned.

“don't mention this to me again! i can only guarantee that as long as gu mei does not betray the company, i will not do anything to her. ”

He didn't finish his sentence, but she understood.

She wanted to beg him, but she knew it was useless. A chill ran down her spine.

So it was really because of her that Zhou chongguang's family ended up like this!

“Really? can't we do this?” xue 'er looked at him. ” brother, in your heart, my feelings don't matter, right? as long as i'm by your side, i won't be angry no matter what you do, right?”

“stop it!” He patiently consoled her, then turned her little face over. previously, you deliberately pleased me and didn't resist me, just because you wanted to beg me on behalf of Zhou chongguang? ”

“no!” “you're obviously being unreasonable when you're dealing with him,” she said angrily, biting her lips.

ye muyun smiled coldly. ” then do you think it's worth it to argue with me over another person? ”

xue 'er closed her eyes. ” then i won't go out anymore in the future. i'll follow you when you go on business trips. is that okay? ”

She had already lowered her posture to the lowest level. She was willing to walk into the prison to pamper Yingluo because she remembered Gu Mei's eyes before she left.

So that's what a passionate love is like. She hoped that Gu Mei would be able to get what she wanted.

“i only wanted rongguang to go bankrupt! now, i have more to do.” ye muyun's voice was very cold. ” i don't need to imprison you. i only need to make zhou chongguang disappear from your world. ”

ye mu yun pinched her chin. ” do you understand what i mean? ”

Xue 'er's heart was beating rapidly, she could not believe what she had just heard.

“you want to kill zhou chongguang?” she held her breath.

“there are many ways to destroy a person.” ye mu yun smiled.

Xue 'er looked at him as if he was a stranger. After a long time, she said, ” ” i can't tell if it's because of your ambition, or because you're jealous of yingluo, or because you and i are from two different worlds. ”

this was the first time she had spoken to him like this.

“really nothing?” ye muyun narrowed his eyes.

“what can happen under your watch?” his little girl mimicked him and sneered, “will i sit in the back seat of his car, or will he go to new York to look at me from afar?”

“That’s all, so you want to drive such a person away from me, right?” she felt that even breathing was painful. ” do you not believe me, or do you not believe in yourself, or hanhan? ”

Xue ‘er softly spat out two words,”change.”| State?”

In that instant, time seemed to have stopped.

Ye mu Yun stared at her for a long time before smiling. “You’ve grown up.”

he only said these three words before he picked her up and placed her on his lap. his handsome face was filled with madness. “didn’t you say that you were willing to give yourself to me just now? yingluo, i want to see how much you can sacrifice for zhou chongguang!”

Chapter 2036: the truth (4)

as he spoke, he pressed her down hard and kissed her small mouth.

it was like a storm, without any scruples, as if he wanted to tear her apart and eat her up, and she endured it tenderly, almost in pain.

Her tears could not stop him.

when he tested her, she finally cried out, ” don’t want hanhan, don’t want hanhan. ”

He suddenly stopped, but he still hugged her, his face buried in her neck, and said in a very low voice, ” “does it hurt?”

He was in pain too, but she could not feel it.

Xue ‘er was still lying on the bed. She stared at the ceiling for a long time before she said, ” Do You Love Me or is it because of your possessiveness? ”

she slowly sat up and curled up her bruised little body, her whole body trembling slightly.

Ye Muyun’s eyes hurt slightly. He looked at her and said hoarsely, ” “Possessiveness? is that what you think? i’ve been possessive of you since you were eight, right?”

Her lips moved, but no words came out.

The sweetness of the past two days had been broken by Gu Mei’s appearance. They were like two porcupines, guarding against each other and not getting close to each other. Once they got close, they would be stabbed by each other.

Ye Muyun looked at her painfully and pursed his lips tightly. He pulled down the blanket and laid down, choosing to use cold violence.

Otherwise, he would definitely want her and hurt her.

he laid down while she sat. although the temperature of the night wasn't low, her body still felt cold after a long time.

She bent her small body and looked at his back, her eyes blurry.

she was angry, but he was even angrier than she was, yingluo.

She was conflicted.

she was sure that she liked him and wanted to spend the rest of her life with him, but could such one-sided obedience support them for the rest of their lives?

she didn't know. she only knew that it was too cold and lonely on such a night.

so this was how it was like to quarrel. it was not a good feeling.

it was late at night. she curled up and bit her little mouth, silently enduring it all.

however, she did not regret it.

"i'm sleeping." Suddenly, his voice rang out. Then, her small body was pulled down by him, and she was lying behind him.

his body was very warm, and it was very tempting. bewitched, xue 'er tried her best to control herself from hugging him.

she wanted him to hug her, but after half an hour without him, she couldn't take it anymore. she reached out and gently hugged him from behind.

This hug was filled with the hurt of the two people. It was not a reconciliation, but a kind of submission.

it was a kind of submission to feelings.

" i'm not agreeing with your way of doing things. i'm just cold. " The little girl sniffled and said.

Ye Muyun didn't say anything. He just turned around and held her in his arms.

He had long arms and legs, and she had small hands and feet. It was perfect to be in his arms on a night like this. They could hug each other and digest their first quarrel and the hurt brought by their first quarrel.

She fell asleep in a daze while he kept his eyes open until dawn.

she said, he changed| Xue 'er, is this how you think of me?

when xuxu woke up, she was already in pei yuan's bedroom, his bedroom.

she had changed into a set of pajamas and was lying comfortably in the blanket. she even had a heating pad by her side.

her eyes were a little bitter. he was very good to her yingluo, so good that she didn't want to escape!

she sat up slowly and looked at the sunlight outside. her eyes felt bitter.

After a long while, she took out her phone and dialed Gu Mei's number. She paused for a moment before saying, "gu mei, i'm sorry! I still choose to be with him."

Chapter 2037: a woman's position is unstable if she's not ruthless (1)

on the other end, gu mei was silent for a long time before she spoke. her voice sounded as if she had lost all hope. "I know. xue 'er, i can understand."

Xue 'er sighed. Gu Mei, can you come back? "I'll try my best to think of a way."

"xue 'er, you don't know how much people who have been in the dark would want to have the light when they see it. " gu mei laughed softly. her laugh was weak. " this matter is not your fault. i'm the one who's making things difficult for you! "

Xue 'er's small lips pursed. She was about to say something, but Gu Mei had already hung up.

a beeping sound came from the phone. she was in a daze and sad. she was sad for gu mei and zhou chongguang.

she dialed tang yu's number and the call was picked up quickly. it was tang yu's voice, " "what's wrong, xinxin?"

daddy, Yueyue. little Xinxin's voice was soft. can you ask brother not to buy Rongguang? "

Tang mo, who was far away in France, frowned and muttered, "the company's matters are almost all handed over to zhao yi and mu yun. however, a case that involves several billion yuan usually requires a vote from the shareholders."

Xue Er placed all her hopes on him. Tang Yu smiled, " "But I've already signed the documents."

Then, he reminded her, " but you have 20% of Boyi's shares. I don't think Muyun asked you to sign it.

as a father, he doted on his daughter the most. at this moment, he was willing to give up billions of dollars for his daughter.

xue 'er was surprised by his words. her father, yingluo, also doted on her brother a lot. it was not his usual style to make such a decision.

However, her father had said that it meant that he would support her. At least, he would not stop her from using her power. So, she could not digest it for a long time. She was still in a daze even after she hung up the phone.

on the France side, tang yu put down his phone and his gaze fell on pei qiqi.

She looked at him.

tang yu chuckled, " the two kids are having a fight. "

pei qiqi lay on the sofa and looked at him, ” “Then why did you encourage Xue ‘Er and Mu Yun to go against each other?”

Tang Yu walked in front of her and placed his hands on the sides of her chair. He leaned over and looked at her, ” “Don’t you think there’s something going on between them? mu yun cared too much. this love did not destroy our xue ‘er in the end, but he himself.”

When PEI Qiqi heard him say this, she sighed and wrapped her arms around his neck. She exhaled, ” “then aren’t you afraid that they’ll fall out?”

“If they fall out, it means that their love has not matured yet!” tang mo smiled and picked up his wife.

PEI Qiqi bit her lip and dodged his kiss, ” it’s still early. I don’t want to sleep.

“But I want to sleep.” Tang Yu chuckled and kissed her on the lips. At the same time, he put her down.

pei qiqi tried to avoid his kiss, but how could she?

in the end, she wrapped her arms around his neck and said shamelessly, ” you’re already so old. you should be more restrained. ”

the four words-old-completely made the man in his prime become beastly ...

Tang Yu’s beautiful lips touched her ear, ” “you think i can’t make it? Hmm?”

“No, I didn’t!” pei qiqi hugged his waist and flattered, ” “Hubby is the best.”

perhaps it was because he pleased mr. tang, he didn’t come at her fiercely. instead, he treated her gently. he was so gentle that pei qiqi was about to cry.

in the dead of the night, she lay in his arms, drenched in sweat. she asked in a soft voice, ” “Will Xue ‘Er and Mu Yun separate?”

Tang Yu chuckled, ” I won’t.

Chapter 2038: a woman’s position is unstable if she’s not ruthless (2)

while the person in his arms was asleep, he said in a low voice, ” “Mu Yun ‘AI, be careful, just like how I love you. How can you let go of Hanhan?”

B city, PEI garden.

xue ‘er didn’t go to school. instead, she chose to stay in the pei garden and eat and sleep for the whole day.

In the evening, ye Muyun called and knew that she was at home. He smiled and said that he would be back soon.

after xue ‘er hung up the phone, she walked to the living room barefooted and curled up on the sofa to watch the financial news. she didn’t know if she watched it on purpose, but her eyes were glued to the tv and she couldn’t bear to leave.

about ten minutes later, it played the situation of boyi's acquisition of rongguang. in the video, she saw her brother, zhou chongguang, and the darling gu mei.

zhou chongguang returned to rongguang and became a department manager. gu mei was his secretary and had been accompanying zhou chongguang.

compared to gu mei's experience, zhou chongguang was undoubtedly young and tender. in front of the camera, he still had a trace of helplessness that was hard to detect. however, gu mei was like a tough woman guarding him.

Xue 'er's eyes were a little hot as she looked on ...

was this the thing that gu mei wanted to protect?

why didn't gu mei find someone stronger and chose zhou chongguang instead?

Was Zhou chongguang the light in Gu Mei's darkness?

xue 'er hugged her body and looked at yingying with hot eyes.

on the top floor of bo yi, gu ze saw gu mei walk out of the elevator and reached out to stop her.

his gaze was dark. " gu mei, you can't go in! "

"Brother, I want to see CEO ye." gu mei's voice was calm.

Gu ze narrowed his eyes and stared at her, 'Gu Mei, are you crazy? do you think i don't know that you took the documents? that's the company's secret and ceo ye's blood, sweat, and tears. would he let you go if you stole it?"

Gu Mei lowered her gaze and smiled lightly, but her voice was a little choked up. brother, your faith in CEO ye is the same as my faith in Zhou chongguang.

"The same?" Gu ze sneered at his sister. "When I was in University, I was already convinced by ye Muyun's high IQ. He was younger than me but far above me! but zhou chongguang, he's not someone in the business world, he should be playing the piano. are you sure you want to support such a person?"

Gu Mei bit her lip and did not make a sound.

"Alright, let's take a step back! If he succeeds, do you think he will repay you by marrying you, or will he marry someone of equal social status to strengthen his business Kingdom? Gu Mei, you and I both know that wolves can't be tamed." gu ze continued. " also, the result of ceo ye letting rongguang go, or if someone has to bear the anger, is that you will go to jail for stealing confidential information. do you understand? "

Gu Mei's eyes were filled with a sense of helplessness. She did not say anything for a long time.

“You can help Zhou chongguang, but don’t do anything stupid!” gu ze’s voice was a little stern. ” think about who you’re letting down by doing this. are you letting down your parents or letting down my yingluo? ”

he was a little mocking. ” no, you’ve let zhou chongguang down. but when you were in prison, zhou chongguang might have already been engaged or married. have you thought about all these? ”

gu mei shook her head. ” brother, don’t say anymore. really. don’t say anymore. ”

“i can’t watch you continue to make mistakes.” gu ze’s voice was firm, and he looked at her with a stern expression.

Chapter 2039: A woman’s position is unstable if she’s not ruthless (3)

Gu ze’s voice was firm. Gu Mei, come back with me. It’s not too late for everything now. Big brother will send you back to America. You can start over there. Listen to big brother and destroy the documents. Pretend that this never happened.

Gu Mei gently shook her head. it’s too late, brother.

gu ze’s brows furrowed. he was also shocked. after a while, he turned his head slightly and saw ye muyun standing there quietly. he didn’t know how long she had been listening.

Gu ze, you go back to the office first. I have something to discuss with Gu Mei. Ye mu Yun’s voice was very soft.

Gu ze stood there for a long time without moving.

“Just based on your previous conversation, I think it won’t be difficult for me to send you and your sister in together.” ye mu yun’s voice was calm, but there was no warmth in it.

In the end, Gu ze still left first.

“chairman ye?” Gu Mei looked at ye Muyun and her voice was a little soft.

Ye Muyun looked at her deeply before turning around and entering his office. Gu Mei hesitated for a moment but still followed.

As soon as she walked in, she saw ye Muyun standing by the floor-to-ceiling window. His body was turned sideways and the setting sun left a faint golden light on his side through the window.

“Are you done thinking?” Ye Muyun asked indifferently. He reached out and lit a cigarette for himself and took a long drag.

In the smoke, she couldn’t see his expression clearly, and she didn’t dare to see it too clearly. After all, she was indebted to him, but she had betrayed him.

Gu Mei slowly nodded. yes.

“very good!” Ye mu Yun looked at her and quietly asked, ” “Where’s the information? Are you planning to use it to threaten me? Or to my opponent?”

Gu Mei took a step back and looked at him warily.

” i won’t lock you up, and i won’t cause any harm to your safety. i won’t do this even for gu ze’s sake. i just want to give you one last chance. ” “gu ze’s suggestion is not bad.” ye muyun paused.

at that moment, gu mei was on the verge of tears.

She had followed ye Muyun for a long time, so how could she not know his style of doing things? when did he become so benevolent and give people a chance to turn back?

But he had given it to her!

” ceo ye, i can’t turn back anymore. i’ve fallen in love with someone. ” ” i’m not willing to see him fall, ” gu mei said, choking with sobs. ” i’m not willing to see that ray of sunshine turn dark. ”

“Then you’d rather destroy yourself, right?” Ye Muyun’s expression was cold. There was something hidden in his black eyes that Gu Mei could not understand.

If Gu Mei could understand, she would know that this was ye Muyun’s last act of kindness towards her. He had once treated her as a younger sister. Otherwise, he would not have allowed her to accompany Xue ‘er.

But her heart was filled with her sunshine.

In the end, ye Muyun spoke softly. delete the information and I won’t pursue the matter. In the future, your life and death will only be related to Rongguang? ”

gu mei raised her eyes. there was a hurt look in her eyes. she knew that this was laughable. she was clearly the one who wanted to use a weapon to hurt him, but she still felt hurt.

Because from now on, she was truly abandoned, abandoned by ye mu Yun.

however, she still had to fight to the end. just as he had said, her life and death were related to rongguang, and rongguang’s life and death were also related to her.

hence, she used that document to propose a condition. as she spoke, she knew in her heart that she would go to jail.

She had been so calm, but in the end, she was still not calm.

ye muyun told her very indifferently that the information was already useless and that the plan wasn’t perfect and had been aborted.

Chapter 2040: a woman’s position is unstable if she’s not ruthless (4)

he told gu mei that she was holding onto something useless. however, all of bo yi's database showed that it was an important and confidential document.

All the blood in Gu Mei's body seemed to have frozen. She looked at ye mu Yun in disbelief. Chairman ye, how is that possible? I've wasted so much effort.

that's right. However, you didn't participate in the experiments that followed. Everything that happened after that showed that this was a failed product. Gu Mei sincerely apologizes. He had to get rid of her now because she was a stone in the way of Boyi's acquisition of Rongguang.

he had given her a chance, but she still had no intention of turning back.

Ye Muyun walked to the desk and pressed the internal line. His voice was faint. call the security over. Also, call the police.

When Gu Mei was taken away, she did not resist at all. Her expression was also a little dazed.

She didn't help Zhou chongguang, but the only use she had was to let Zhou chongguang know how strong ye Muyun was.

gu ze still managed to see gu mei. he couldn't bear it and couldn't blame ye muyun.

Gu Mei lowered her head and spoke in a low voice. brother, I know what you're trying to say. Yingluo is my own fault. I'm too naive.

She looked up at Gu ze, her lips trembling slightly.

gu ze forced himself to be cruel. " gu mei, i'll agree to any condition. i won't interfere in rongguang's matters. i won't betray ceo ye. "

Family was family, but faith was another matter.

gu ze was gu mei's older brother. he had done enough for her. at the same time, he was also a man. he had his own ambitions.

Gu Mei paused for a moment. She roughly understood Gu ze's thoughts. I understand, brother.

gu ze watched as she was taken away. he clenched his fist and punched the wall hard.

Ye mu Yun stood behind him and said in a soft voice, " if you leave boyi, i can let gu mei out. she won't have to go to jail. "

gu ze's body stiffened. he slowly turned around and looked at ye muyun. " president ye, you don't trust me? "

"no, i trusted you too much! So i'll give you a chance to make a choice." ye muyun smiled. " gu ze, there's nothing wrong with being emotional. really. "

Everyone could act on their emotions, but he couldn't.

no one else could understand his feelings, but he desperately climbed up and used two years to achieve what others had achieved in twenty years. behind all this was because he loved someone.

Gu Mei was going to jail, but that was also because she liked Zhou chongguang. She was willing, so he gave Gu ze a choice. This choice was too generous for Gu ze.

from the bottom of his heart, he would rather gu ze choose to let gu mei go. the reason why gu ze could not stay was probably because he did not want to see his own mercy!

Gu ze did not hesitate at all. I won't leave CEO ye.

Ye Muyun's expression was a little dazed. After a moment, he chuckled."perhaps one day, you will regret it!"

With that, he turned around and went back to his office, then came out with his car keys.

gu ze was no longer around.

ye mu yun thought for a moment and decided to go down to the first floor.

he stood outside the blinds and saw gu ze sitting in the office smoking. his expression would not be very good.

He suddenly felt that Gu ze's dilemma was very similar to his own.

however, he could not let gu mei off, whether it was in terms of principles or the company's interests.

He had lied to Gu Mei. That information was actually useful. However, after she had stolen it, he had decided to void it.
