

Thank you 2051

Chapter 2051: The lip print on the collar (1)

She was speechless. After a long time, she asked, "what's the limit of your freedom? does it include the ability to have other women?"

when she asked, her breathing was light and a little painful. her heart felt like it was being pressed by something, and it was extremely uncomfortable.

ye mu yun looked at her and said, "If you don't mind."

"i mind." She said softly.

he smiled and did not say anything. he unbuckled his tie and walked towards the bathroom.

Xue 'er turned around and looked at his back, then she boldly followed him.

As soon as she entered, his shirt was thrown at her, covering her small face.

The faint smell of perfume almost drove her crazy. She pulled it off with one hand and was about to throw it into the trash.

but her hand stopped, because she saw a bright red lipstick mark on her collar.

It was a woman's lip print.

Was it left behind by a woman?

Under what circumstances did he leave the lip print?

she was a little dazed, but she didn't dare to question him. she could only hold the shirt and stare at it, sulking.

about a minute later, she threw the shirt into the trash can and walked out by herself. the sound of her door closing was very loud.

He must have heard it.

now, she didn't want to talk to him about anything!

ye muyun was in the bathroom. when he heard the commotion outside, he laughed.

she would probably sign the papers to object to it tomorrow. a single lipstick had strengthened her determination.

the wine in the bar wasn't wasted either. that lipstick mark didn't disappear!

gu ze's lips were quite small, and he did not notice yingluo's before.

She was angry now, but he was quite happy. His anger hadn't subsided yet, so it couldn't be better for her to be angry. They should be angry together. It was rare for Xuxu to have such childish thoughts.

He had made such a decision after careful consideration ...

he knew her very well. if she signed such a contract, she would feel guilty towards him.

yes, he was still scheming against her.

In love, being calculative didn't mean that he didn't love her. It was just that he loved her too much, so he had to scheme again and again to make her stay by his side.

However, even though ye Muyun had predicted himself and Xue 'er, he had not predicted Zhou chongguang.

He was really a good seedling for playing tricks! (Later)

When he walked out, Xue 'er was no longer in his bedroom.

he looked around, smiled, put on his bathrobe, and walked out.

he stood in front of her room and knocked on the door. " xue 'er. "

There was no sound from inside.

after a while, he heard the sound of something breaking. she had probably lost her temper again and smashed something.

What a childish temper!

She had clearly seen it, but she didn't dare to tell him that she was sulking.

ye mu yun smiled and cleared his throat. " "are you angry? Nothing happened."

"Lecherous embryo!" She sobbed. we've already kissed and we haven't done anything yet!

Ye Muyun didn't say anything else. Instead, he went downstairs and called aunt li over to comfort her. On one hand, he wanted to make sure she didn't hurt herself.

Auntie li saw that the young master's expression seemed to have turned a little dark, but she was also quite happy.

she took the key and went in to comfort him for a long time.

However, when she came out and looked at ye mu Yun, her expression was a lot more complicated.

"Young master, we're not even married yet, and you're already drinking! Young miss is very sad. If this happens again in the future, I'm afraid young miss will not forgive you."

Ye mu Yun only smiled and didn't explain. "I won't do it again."

Chapter 2052: the lip print on the collar (2)

Auntie li gave him another reproachful look before slowly walking down the stairs to give the couple some space.

Ye mu Yun stood at the door of her room for a while more and heard the sound of crying from inside.

His heart ached for a moment, but he didn't go in. He just listened, and the corners of his mouth curved up slightly.

it was as if her crying was something that made him happy.

It was late at night when she stopped crying. She had probably fallen asleep.

he stayed by hanhan's side for as long as she cried. he only left hanhan slowly when it was almost dawn.

xue 'er woke up at dawn, her eyes swollen.

when she got up, she threw a tantrum again and wanted to smash the room.

of course, she went to his bedroom and smashed everything he liked.

it was only at 9 am that she changed into a blue and black dress and took old zhao's car to boyi.

she walked along the corridor of the conference room, her heart thumping. she knew what she meant by doing this.

However, she was still willing to do so. She was hesitant at first, but what happened last night made her hesitation go to hell!

she knew that she had let her emotions get to her head. she had signed this document more for ye muyun and not for zhou chongguang or gu mei.

this amount of billions was the result of their anger.

gu ze was already waiting at the door. when he saw her coming, he took the initiative to ask again, " "Are you sure? after all, this is related to ceo ye's position in boyi. originally, after taking down rongguang, the president wanted to promote ceo ye to the official ceo, you know."

xue 'er pursed her lips. " there's no need to consider. i've already decided. "

with that, she walked straight into the meeting room.

in the end, such a huge acquisition case ended under her opposition!

Bo Yi's higher-ups were shocked and in an uproar!

however, the majority of them weren't against ye mu yun, but xue 'er.

she was the only descendant of the tang family, and it was obvious that her actions today had angered the shareholders.

She was obviously not a good leader. Such behavior had doomed her to be unable to become the president of Bo Yi.

Although most people knew that the future president would be Chairman ye.

however, xue 'er's actions still deeply hurt the shareholders' hearts ...

In comparison, ye Muyun was much calmer. He looked at her indifferently. Are you sure? ”

“Yes, I’m sure!” Xue ‘er replied.

After she signed it, she was a little unwilling to look at him, so she threw the pen away and left.

Ye Muyun still had things to deal with, so he threw a look at Gu ze, telling him to stop Xue ‘er at the door.

gu ze understood and held her down.

The meeting room’s door closed again. Without Xue ‘er knowing, ye Muyun used his own methods to calm the shareholders and guaranteed that Rongguang would definitely be acquired. Only then did this matter calm down.

However, everyone in Bo Yi’s eyes were biased towards ye Muyun. He pampered her too much, really too much. He treated the company’s matters as a joke and made Bo Xue ‘er happy.

in this regard, president ye would have a headache. they were about to get engaged. if he didn’t pamper her a little, what if she ran away?

After the meeting, it was already past lunch time.

when he returned to the office, xue ‘er was still there. the lunch on the table had not been touched. she lay on the sofa as if she was sulking and did not move at all.

“Are you no longer angry?” He walked over and half-squatted in front of her. “you’re not happy that you managed to keep your glory?”

Xue ‘er glared at him and snorted. you know it in your heart!

Chapter 2053: The lip print on the collar (3)

Xue ‘er glared at him and snorted. you know it in your heart!

he laughed and sat down on the back of the sofa beside her. he reached out and stroked her fluffy little head. ” are you here today to sign the papers or to question me? ”

She turned her head to the other side, obviously not wanting to talk to him.

“shameless!” she even spat out three words from her small mouth.

“you’re just going to let me off last night?” ye muyun laughed.

She turned her head and glared at him angrily, feeling a little ashamed!

” if it were me, i’d definitely break that man’s legs if there’s even the slightest trace of a man on you. i’ll also tie you to my side and forbid you from going anywhere. ” he said with a chuckle.

She didn’t know why, but she could hear a hint of seduction in his tone.

xue 'er was puzzled. he wasn't angry when she signed that kind of document today, but was happy instead?

She looked at him suspiciously. did you do anything to let me down last night? ”

He played with her long hair and hummed nonchalantly. do you want to know how I spent last night? ”

“I don't want to know!” she covered her ears and stood up immediately. ” “I want to go home.”

however, she had only taken two steps before he pulled her back and sat in his arms.

she was embarrassed and angry. she struggled with all her might, but he had no intention of letting her go. he locked her in place and kissed her on the lips.

She was throwing a tantrum in his arms, not letting him kiss her, especially not letting him have his way, but he always had a way to deal with her.

in the end, she was folded in his arms and he kissed huahua deeply. he mumbled her name and her heart was boiling.

Her head was spinning. At this moment, she had forgotten about Zhou chongguang and the fact that he had been drinking.

It was as if they had returned to the past, where there were only the two of them in heaven and earth.

They kissed for a long time before he forced himself to leave her lips. He pressed his forehead against hers. Gu ze drank too much last night. He put a woman's lipstick on my shirt collar.

Xue 'er's eyes widened in disbelief. She couldn't believe that such a thing could happen.

But then, Chairman ye took out a piece of paper with several similar lip prints on it, which looked very similar to the one on his shirt last night.

Xue 'er stared at it for a long time, then softly said, ” “You guys are really perverts!”

Even being with a woman is better than being with Gu ze!

did she think that not only did she have to fight with women for him, she also had to fight with men for him?

He understood the meaning behind her words and didn't know whether to laugh or cry. He reached out and knocked her forehead.”What are you thinking? I did it on purpose, not the pervert you think I am!”

She knew very well that he was straight, but if she didn't believe him, he could make her believe him now.

sensing the green light in his eyes, xue 'er reached out and stopped him. she said in a low voice, ” no! ”

They were in the office, and he had to be careful no matter what he wanted to do. In the end, he stopped and hugged her in his arms. He sighed softly.”You're not angry anymore, can we eat now?”

he rubbed his lower abdomen.”i’m very hungry now.”

“You deserve it!” Xue ‘er pouted.

She didn’t expect him to back down on Rongguang. She thought he would be angry, but he didn’t.

Also, she believed him when he said it was Gu ze.

because she was willing to believe in him, hanhan.

Chapter 2054: an ugly daughter-in-law meeting her in-laws (1)

Ye Muyun was indeed hungry. After feeding her some, he swept the rest into his stomach.

it had been a few days. not only was she tired, but he was also quite tired. at least, he had not had a good sleep for many days.

Hence, he hugged the little girl and went to the lounge. They laid down together and teased each other.

perhaps it was because they had made up, or perhaps it was because she had put everything down, but xue ‘er had become soft. she even took the initiative to lean into his arms and kiss his chin, calling him brother.

“You’re not angry? hmm?” He looked at her deeply, his fingers gently caressing her red lips.

xue ‘er shamelessly wrapped her arms around his waist and only hummed softly.

ye muyun originally only wanted to hug her to sleep for a while, but the little girl was currently groaning and grumbling. his heart gave birth to a touch of evil.

he turned sideways and looked at her. his voice was low and hoarse, with a hint of coaxing. ” i’ll probably be busy for many days later. shouldn’t you make it up to me? ”

his gaze was too passionate, and her heart thumped. she always had a clear idea of what he wanted to do.

she lowered her gaze and didn’t say a word. her small face was completely red.

His thin lips were next to her ear, and he mumbled a few teasing words in a low voice.

The young girl’s face turned even redder. Then, he grabbed her small hand and brought her to him ...

throughout the entire process, she was nervous. he was even more flustered than she was when he raised his eyes. her eyes were covered with a layer of haze. she had never seen him so flustered before.

at the last moment, she was pressed into his arms and heard his heart beating like thunder.

his statement was low and hoarse, and there was a sense of secrecy.

she didn’t dare to look or listen. she could only bury herself in his arms, trembling slightly.

In the heat of the moment, he raised his hand to take a tissue to help her wipe her hands. He said slowly, "let's go to my parents' house tonight."

Xue 'er was a little nervous and didn't care about her shyness. She raised her eyes and looked at him. "are you really going?"

"an ugly daughter-in-law has to see her in-laws." he chuckled and reached out to pinch her little face, causing her to cry out, "You haven't washed your hands."

he was still smiling, and he whispered in her ear, "there are still people who use kasaya."

The last few words were said in a low and hoarse voice, deliberately teasing her. The little girl heard it and raised her fist to greet him. He was so bad!

"maybe you'll like this in the future and then beg me." He smiled and hugged her with one hand while he called Qin Anlan with the other. He spoke for about two minutes before hanging up.

After that, the man indulged himself and would always feel a little tired. In addition, they had a Cold War before, so he wanted to have a good sleep. He held the little girl a little tight in his arms, like he was holding a little toy.

"Be gentler," Xue 'er grumbled, pouting.

he chuckled and patted her little P * ss. he laughed. "With me, there's no such thing as a light one," her voice was as sweet as honey. "it hurts."

He smiled and held her in his arms. He called her name softly and said, "good girl."

Xue 'er lay in his arms, but she felt uneasy. if I'm not obedient, will you not like me anymore? will you go out and look for other women? "

He glanced at her and said, "Probably, so, there will only be one time!"

Oh, "she replied and buried herself in his arms. She was also a little tired.

slowly, slowly, she fell asleep in his arms.

When she was asleep, her small hands were still holding his waist, and her small mouth was saying something.

Chapter 2055: an ugly daughter-in-law meeting her in-laws (2)

When he heard that, he laughed. He was originally very sleepy, but now he couldn't fall asleep. Instead, he hugged her and coaxed her to sleep.

After she fell asleep, ye Muyun looked at her for a while before gently pulling her hands and feet away and quietly walking out of the lounge.

gu ze was waiting for him in the office. seeing ye muyun come out, gu ze said, "we've already stopped the acquisition of Rongguang. Although some people in the company were a little unhappy, they've already settled it."

Ye Muyun nodded. put pressure on Rongguang, both openly and secretly. I don't want to see them last until the end of the year. Also, put Rongguang under my private company!

Gu ze nodded, but he still hesitated. what if Xue 'er knows about CEO ye's plans? "

she won't find out. I'll send her to New York to study after the engagement. My next step will be to focus on New York. ye mu yun said very lightly.

Of course, by the time she finished her studies and returned to the country, B city would no longer have someone like Zhou chongguang. He would have fallen to the dust long ago and would not pose any threat.

Gu ze nodded. Chairman ye's arrangement is perfect. Some things are not suitable for young ladies.

Ye Muyun looked at him and said indifferently, " what about Gu Mei? do you really plan to let her follow Zhou chongguang in the future? "

Gu ze narrowed his eyes. when she comes out, I'll send her overseas.

He would not allow his sister to waste her time with someone who did not love her.

Ye Muyun didn't say anything more and opened the document ...

He and Gu ze did not notice that the door of the resting room was slightly ajar, and a small person was standing behind the door, listening to their shocking words.

xue 'er was stunned.

it turned out that he had no intention of letting zhou chongguang off, but was just dealing with her.

in private, he still suppressed rongguang and soon, rongguang would still be acquired by wanwan. however, it wouldn't be boyi, but ye muyun's own company.

All the blood in her body froze as she looked at the handsome figure in disbelief.

Only now did she realize how naive she had been, and how terrifyingly Black-bellied he was.

yes, he was extremely scary. she could not touch his deep soul at all. the brother who hugged her all day and called her baby was just an illusion in her imagination.

Because of her tantrum, he could not go home for a few days. He deliberately left lipstick marks on his white shirt. In order to comfort her, he gave up Rongguang, but the truth was so unbearable.

Xue 'er stood there for a long time, so long that she was dazed.

Was he the brother she liked?

At five in the afternoon, ye Muyun finished his work and opened the door to the lounge.

xue 'er was still lying on the bed, her face covered by the blanket.

"Little pig!" he sat by the bed and reached out to pinch her little nose.

Xue 'er made a sound of acknowledgment and opened her eyes. Her small face had a natural blush from her sleep as she called out " brother.

“Wake up, I’ll take you home.” ye muyun pinched her little nose and pulled her up from the floor. he held her in his arms and tidied her hair bit by bit. then, he kissed her little nose. ” our little custard bun smells so good. ”

“i’m not a little custard.” She snorted. if you want custard buns, I’ll buy you two.

“They’re called soup dumplings.” He chuckled and his eyes fell on a certain spot. She was a little embarrassed.”Shameless!”

Ye Muyun chuckled and didn’t say anything. He directly carried her to the private elevator.

Chapter 2056: An ugly daughter-in-law meeting her in-laws (3)

the mirror in the elevator made him have a bad taste. he pressed her to the side and kissed her hard. as long as she opened her eyes, she could see how he shamelessly kissed her. the elevator opened and closed, and she could not get out for a long time.

When they finally arrived at the outdoor parking lot, the sky was already dark. She got into the car and hesitated for a moment before asking, ” “do you want to bring a gift?”

Ye Muyun got into the car, fastened his seat belt, and placed his hands on the steering wheel. Then, he looked at her and smiled. this is something only men would do.

” oh, ” xue ‘er said softly. ” it’s my first time. ”

“little girl, i want more of your first time!” He suddenly leaned over and said in a low and hoarse voice in her ear.

Her small face was slightly red, and he couldn’t help but scrape her small face twice, then said, ” “I’m going to take it away on the night of our engagement!”

Her small face turned even redder and she turned to the side. However, when he couldn’t see it, her small face quietly turned pale again.

the car quickly slithered into the road and arrived at the qin residence after about an hour.

there were many children in the qin family. the two younger ones were sent to boarding school at the inhumane request of qin anlan, the wife-doting maniac. however, qin mo and qin mu still lived together.

when ye muyun arrived home, the twins were still in school and hadn’t returned yet, wanwan.

it wasn’t the first time he had brought xue ‘er back, but he had never treated her so seriously. he said that he didn’t need a gift, but he did-he bought it himself.

she gave qin anlan a piece of suet jade, which was of good quality and could be played with in her hand. ye liangqiu had a freshwater black pearl the size of a man’s thumb. xue ‘er felt that she could play with it like a small ball.

the qin family was naturally very welcoming of this petite little guest. the servants had prepared a table full of dishes and were just waiting for the banquet to start. ye liangqiu held xue ‘er’s hand and went upstairs. from her collection, she picked out a few pieces of jewelry that were suitable for a young girl. when xue’ er came down, she felt that her hand and neck were about to break.

She stood there, fair and clean, with all kinds of treasures hanging from her body. They looked colorful, but they were indescribably cute.

ye muyun looked at her with a faint smile and then shifted his gaze to his mother.

he sighed in his heart. his mother also doted on xue 'er like a little daughter. how was she like a daughter-in-law?

however, it was a good thing for men that they could get along so well.

xue 'er was still young. ye liangqiu felt really guilty towards tang yu and pei qiqi. xue' er would be 18 in a few days and her son was already acting like a beast. yingluo felt that she shouldn't think too deeply about this. the more she thought about it, the more ashamed she felt.

however, her son was as calm as if nothing had happened. he married his wife as usual and did not blush or feel any excitement.

after sitting for about half an hour, the two little ones, qin mo and qin mu, returned. they were both very good-looking at the age of 14.

qin mo had always been a smiling tiger since he was young. the adults in his family said that he could deceive people with a smile and even help him count money. mumu was relatively quiet and had a cold temperament, somewhat like ye liangqiu.

when the two little ones saw ye mu yun return, they rushed over and affectionately called him "brother."

Xue 'er was used to calling him 'big brother', but she was still not used to it.

Ye mu Yun suddenly came over and said in a low voice, "After we get married, you're the only one who can call me that, huh?"

She glared at him. She didn't want to. She could tell what dark thoughts he had in his heart.

Chapter 2057: An ugly daughter-in-law meeting her in-laws (4)

she didn't say anything, so he laughed in a low voice and held her little hand as he got up. "alright, let's eat!"

He was like the head of a family. After he finished speaking, the two little ones followed behind in unison, making Xue 'er a little speechless.

she turned around and saw qin mu's slender and elegant appearance.

Qin Mu wasn't like her. At fourteen years old, he was still a little bean sprout. Because he had ye Liangqiu's genes, Qin Mu was very tall. At fourteen years old, he had grown to nearly 170. He looked like a big girl.

Xue 'er herself was only a little over 160, and when she looked at little Mumu, she could not help but stick out her tongue and make a face.

Qin Mu smiled faintly. His demure appearance was very much like ye Liangqiu's. Among all the children, Qin Anlan doted on Mumu the most. Ye Muyun could roughly guess the dark thoughts in his mind.

He also felt a little emotional in his heart. All these years, he had lived apart from his parents, and his father had also been indifferent to him. It was not because they were estranged, but because he was becoming more and more similar to his father ...

He thought to himself, 'at least my father isn't that narcissistic. If he really admires me, that would be a little awkward.'

As his heart churned, he had already brought the little girl to the dining room. He solemnly pressed her down on the seat on his right, the seat of the Qin family's eldest daughter-in-law.

Xue 'er was also born in a big family, how could she not see it?

He only hesitated for a moment before sitting down.

The two little ones were secretly smiling as they sat opposite them. Qin Anlan and Ye Liangqiu sat on opposite ends.

The sumptuous dishes were served one after another. Xue 'er realized that they were all dishes that she liked to eat, but her brother usually controlled them. She turned her small face to look at Ye Liangqiu and smiled sweetly. "Thank you, Aunt Liang."

"I have to thank your brother for this! Every time he came back for a meal, he would say what you like and what you don't like, and what Yingluo likes to eat but can't eat often. So I want to be so happy today, so I might as well let you be happy."

When she said this, Chairman Ye's face couldn't help but turn red. He looked at his mother. Mom, you can't spoil her like this.

As he said this, he reached out and pinched Xue 'er's little face. His voice was full of threat. "You know how much you should eat, right? Otherwise, I'll have to call the doctor again if my stomach hurts."

Before Xue 'er could say anything, Ye Liangqiu began to reprimand her son. "Mu Yun, you're too strict. Xue 'er is already an adult, she knows her limits."

She smiled and gave Xue 'er some seafood with her chopsticks. "Our Xue 'er won't randomly eat."

Xue 'er looked at the respectful Aunt Liang and knew that her brother's attitude was rough. That Aunt Liang was a smart person. Although she had made a table full of dishes for her to eat, her attitude was still there. How much she ate was up to her!

Thus, the little girl leaned towards Ye Mu Yun and leaned against him. From time to time, she would look at this and that.

Ye Mu Yun would frown and then glare at her, but in the end, he would still threaten her.

Ye Liangqiu looked at her son with a smile-in fact, the one who spoiled her was always you!

Facing his mother's gaze, Ye Muyun seemed to be in a sorry state. He avoided her, but the two little ones were smiling the whole time. He simply couldn't do anything to them.

They were a family, so Xue 'er didn't have to hold herself back very quickly. After dinner, she went upstairs with Qin Mu to her room. Ran ran, the two little girls always had endless secrets to talk about!

Chapter 2058: i have someone i like (1)

Watching the two girls go upstairs one after another, ye Liangqiu smiled. "if xue 'er doesn't grow up, she might look like my granddaughter in the future."

"You're underestimating Mrs. Qin." Qin Anlan flipped through the newspaper and smiled faintly. Mrs. Qin looks very young. She's in her early thirties at most. How can she be a grandmother? "

ye liangqiu glanced at him and pulled ye muyun to the tea room to talk. the servant brought two cups of fragrant tea and closed the door.

In the small room, there was only the mother and son, so there was nothing they couldn't say.

"i heard that you've been at odds with rongguang recently, but it seems that you canceled your acquisition of rongguang today. what's going on? " Ye Liangqiu was still the host of King Entertainment and had a wide network of connections. Nothing in the business world could be hidden from her.

Ye mu Yun sipped his tea and smiled. " mom, didn't you hear that xue 'er signed an objection agreement today? that's why the acquisition plan was aborted. "

ye liangqiu naturally knew this, but she was even more worried. she knew her son's temper too well. no one could stop him from doing what he wanted.

furthermore, she had asked gu ze last time and he said that the young man called zhou chongguang liked xue 'er. this was probably the reason why her son was unhappy, right?

otherwise, why would he fight a battle that he had no confidence in from the start?

ye liangqiu was both angry and amused. if it wasn't rongguang, but another powerful company, mu yun wouldn't be able to put down her pride if she couldn't take over!

but now, what she was most worried about was that xue 'er's opposition would be useless. mu yun was still doing things his own way!

I think Xue 'er is quite happy today, " she said with concern. Rongguang's incident shouldn't have affected your relationship, Xuanji Muyun. Stop while you're ahead! Nothing is more important than your relationship."

ye liangqiu understood ye muyun's true thoughts and worriedly said, " does your uncle Tang know that you've been working in your own company for the past few years? "

Ye mu Yun nodded.

Ye Liangqiu thought for a moment, then said, " you want to eat Rongguang, don't you? "

” yes, at this point, if we don’t get rongguang, all our initial investments will be in vain. ” ye mu yun also spoke very frankly.

This time, ye Liangqiu was silent for a long time before softly asking,”mu yun, was this part of your plan? you calculated that xue ‘er would object, so you just sat back and reaped the benefits, right?”

Ye mu Yun thought for a moment before saying, ” let’s put it this way. uncle tang has always been aware of boyi’s movements. he’s very supportive of rongguang’s acquisition. he has the same opinion as me on how to deal with rongguang. of course, after acquiring rongguang, i’ll transfer 20% of the company’s shares to xue ‘er. ”

After he finished speaking, ye Liangqiu was stunned. After a while, she said softly, Xue ‘er isn’t a child anymore. Isn’t this too cruel for her? ”

She had thought that the people around her would care about her feelings, but in the end, it was just a lie to make her happy.

ye mu yun finished the last sip of tea in his cup and said in an indifferent tone, the business world has always been cruel. She shouldn’t have been involved in it. I was just looking for a reason to get her out.

ye liangqiu still wanted to say something, but ye muyun had already stood up and patted his pants,”mom, we’ll be staying here for the night and leaving tomorrow morning.”

Chapter 2059: I have someone I like (2)

Ye Liangqiu wanted to say something, but he didn’t have the chance.

she sat where she was and did not move. she was thinking about whether it was right or wrong to agree to mu yun going to the tang family.

all these years, mu yun’s life had been more difficult than any other child’s. he had simply brought forward his life plan by ten years. ten years, he had to pay a huge price. now, other than the little bit of mosquito blood in his heart that xue ‘er had, he had become a completely cold-blooded businessman.

Ye Liangqiu vaguely remembered that her son was only 20 years old. He should have been at the age where he could have fallen in love, but he had completed his career early and was preparing for marriage.

And in little Mumu’s room, the two girls, who were four years apart, were like the same age, lying on the bed together and talking about their little worries.

Mumu and Xue ‘er didn’t hang out often, but they hit it off. Perhaps it was because Xue’ er was a tight-lipped person, so Qin Mu would usually tell her about his little troubles. In Qin MU’s heart, Xue ‘er had already become his little sister-in-law.

the 14-year-old qin mu tilted his little head and looked at the 18-year-old xue ‘er. there was a hint of joy in his cold eyes. ” xue’ er, i have someone i like. ”

Xue ‘er held the comic in her hands and laughed. you’re so young and you already have someone you like? ”

qin mu glanced at her. ” let me tell you, you were kissed by my brother when you were four years old. he even did a kabedon to you. ”

at such a young age, qin mu already knew everything. only in front of xue ‘er would she dare to say it.

“I’ve met a bad person!” Xue ‘er softly spat out these four words and lightly blocked it.

“I can tell that you like older brother.”

“Pei Pei Pei! I don’t like him!” Xue ‘er stuck out her tongue and made a face at Qin Mu.

qin mu still looked gentle and soft. he asked in return, ” “don’t you think i’m pretty?”

It wasn’t that she was confident, but her brother’s looks were unrivaled among the younger generation in B city. However, he was usually too cold, so girls didn’t like him. No, no girls dared to approach him.

No one wanted to be frozen, right?

Xue ‘er’s mind went wild for a moment, and then she smiled in satisfaction.

“but the person i saw was also good-looking.” Qin MU’s face revealed a faint smile. ” he can play the piano. he can sit in the sun, quiet and beautiful. ”

As Qin Mu spoke, his little face also had a faint glow, and his entire body brightened up.

“Where did you see it?” Xue ‘er frowned.

qin mu blinked. ” it’s a secret! but i can take you to see him.”

Xue ‘er was a little shocked. you’re in a relationship at such a young age? ”

qin mu reached out and pinched xue ‘er’s face. ” “You got engaged when you were 18 years old, and you’re telling me you’re in a relationship?”

she looked at xue ‘er with the same expression as ye mu yun. xue’ er was in a daze for a moment.

After a long time, she shook her head. okay, I’ll go with you to take a look.

qin mu was always a little girl. he had to share everything with someone. however, this time, she found the wrong person!

xue ‘er chatted with her until 11 pm before returning to her room.

Because they were about to get engaged, the entire Qin family was clear about ye Muyun’s thoughts and didn’t deliberately sleep in separate rooms. If the two little ones liked to sleep together, then so be it. In any case, they had slept together since they were young.

moreover, ye liangqiu really wasn’t sure if xue ‘er still had her virginity!

When she returned to the bedroom, ye Muyun had already taken a bath and was lying on the bed waiting for her in a bathrobe!

Chapter 2060: i have someone i like (3)

seeing her come in, ye mu yun reached out his hand. " why did you chat for so long? "

Xue 'er rolled into his arms and hugged his waist. She buried her little face in his chest and took in the pleasant scent on his body. I chatted with Mumu for a while longer.

She buried her face and suddenly asked softly, " older brother, are you against puppy love? "

Ye Muyun wasn't on guard at all. He reached out and stroked her long hair, smiling faintly. you've been with me since you were ten!

She pushed herself up in his arms and bit her lip. I mean, what if it's Momo and Mumu? "

Ye mu Yun laughed, " them? it's impossible for them, they're just little brats."

"didn't you just say that i've been with you since i was ten?" Xue 'er gave him a small bite on the waist.

Such an intimate action must have pleased him. He smiled and patted her little head. how can we be the same? "

Even he himself felt that his words were extremely gentle as he said them. He leaned over to kiss her again and said in a low and flirtatious voice, " baby, do you want Yueyue to wait until the engagement? Hmm?"

She understood what he meant in a moment. She buried her face in his arms and bit him. "You scoundrel!"

Then, she hugged his waist and stopped him from doing anything rash.

He was an adult man and often slept with her. Naturally, he had needs in that area. Now that their relationship was intimate, and the little girl was so soft in his arms, he actually wanted to make an exception.

Furthermore, he was a man and this was his bedroom when he was young. Possessing her here would satisfy his male possessiveness even more.

But what could he do? his little girl was unwilling. No matter how much he wanted to, he had to endure it. The main reason was that she was too young. He had some obstacles in his heart, but he did not let her off, Hanhan.

five minutes later, the little girl was lying on the bed and he had taken advantage of her. in the end, she cried and called him " brother ". his heart went numb and he felt that the most beautiful thing in the world was nothing more than this.

xue 'er was very tired from his torture. before she went to sleep, the words she wanted to say were on her lips, but she hesitated. in the end, she couldn't say them.

when she woke up in the morning, ye muyun had already gotten up. she lay on the bed alone and looked around at the empty surroundings.

at this moment, qin mu came out of nowhere and sat by xue 'er's bed. "mommy will bring you out to pick out the engagement items later. brother will come and pick you up tonight. "

Xue 'er propped herself up, her eyes sparkling. what about you? "

"Today is Saturday!" qin mu blinked, and his expression was rare to see. "We can play for a day."

xue 'er didn't usually have any friends, so she had a good relationship with mumu, who was four years younger than her, and readily agreed.

Suddenly, Qin Mu bit his little ear and said in a soft voice, "I'll take you somewhere in the afternoon, but you have to get rid of my mom.

Xue 'er immediately understood and made an OK gesture. The two little girls looked at each other and smiled.

at this moment, xue 'er was still looking forward to it. after all, having a little secret was an especially exciting thing for a girl.

After breakfast, ye Liangqiu took Xue 'er to pick out some of the Qin family's heirloom treasures. Those were passed down to her by Madam Qin, and Xue' er was the Qin family's eldest daughter-in-law, so it was only right for her to get them.

However, Xue 'er was still a child, so she only picked colorful things. She didn't like any of the truly good things
