

Thank you 2061

Chapter 2061: Surprise, surprise, and shock (1)

ye liangqiu sighed. she picked some for her and put them in a jewelry box.

Xue 'er didn't care about all this. She only cared about getting into the car with Qin Mu happily. The two little girls' heads were close to each other, and they were talking excitedly.

the mother shook her head again. xue 'er was still a little girl, so she really didn't know how her son could bear to do it, even though she clearly looked about the same age as mumu.

Ye Liangqiu drove her own car and took her younger daughter and daughter-in-law to the largest shopping mall in B city. She personally picked out a pair of dragon and phoenix Gold bracelets designed by famous designers for Xue 'er, which were as thick as an arm.

qin mu and xue 'er kept laughing, especially xue' er, who didn't look like she was going to get engaged at all. ye liangqiu shook her head as she picked out the things. but as long as mu yun liked it, it didn't matter.

ye liangqiu had bought some simple and ancient objects, probably because she hoped from the bottom of her heart that these things could help her son's marriage be happy.

She thought to herself in a self-deprecating manner that mu Yun was about to get engaged, and she was now directly an elder.

After choosing the items, the two little ones only wanted to go out for desserts. Ye Liangqiu wasn't like ye Muyun, who was willing to give the children their freedom. After some thought, she agreed. Besides, she still had to ask the driver to carry these things to the car.

After escaping from the adults, the two little ones were quite happy. They went to the dessert shop and ate a week's worth of desserts. Finally, they left with satisfaction while rubbing their little bellies.

It was already lunchtime when they left the dessert shop. Xue 'er followed Mumu. where are we going? ”

Qin Mu turned around and smiled. didn't you want to see it? I'll take you to see the best piano performance.”

xue 'er immediately understood. she smiled and said, ” you're so fast. i'll tell your brother later. ”

“Don't tell brother.” Qin Mu stuck out his tongue.

xue 'er chuckled. ” will your brother think that no man in the world is worthy of you? ”

Mumu threw her a look to tease her, you know!

the two little ones entered the dining room. because of qin mu's tall stature, no one suspected that he was only 14 years old. in addition, he had an outstanding temperament, so it was easy for him to get the best seat.

qin mu ordered the meal very skillfully. his fluent french made xue 'er extremely ashamed.

"I just want these." Qin Mu closed the menu and smiled. Oh right, is your pianist not here yet? "

the waiter raised his hand to look at the time. " ten minutes left. "

many of the female customers in this restaurant came for mr. zhou. mr. zhou had been playing here for three years, but in his eyes, the youngest and most distinguished guest was the little girl in front of him.

Qin Mu nodded. Okay, thank you.

The waiter left, and Xue 'er looked at the empty piano. She leaned over and whispered, " "mumu, you look like a rich woman who's about to adopt a pretty boy."

qin mu's eyes had a hint of dreaminess."you don't know, he looks like the sun in winter."

she paused for a moment. " i want to marry him in the future. "

Xue 'er stuttered, " isn't this too fast? "

Qin Mu looked at the figure that appeared at the entrance of the dining room and smiled faintly. "Xue 'er, do you know that sometimes, with just one look, you can tell that the person you're waiting for is the one you're looking for."

Xue 'er followed her gaze, and the blood in her body almost froze.

The person who entered was Zhou chongguang!

He walked directly to the piano and sat down. He opened the cover and played a pleasant song with his slender fingers.

Chapter 2062: pleasant surprise, unexpected shock (2)

qin mu was mesmerized.

xue 'er's head was a little stiff as she looked at her and asked seriously, " "qin mu, your feelings for him are one-sided, right?"

Qin MU's little face had a dreamy look. "no, we're together!"

the words 'together' rang in xue 'er's ears like thunder.

her hand suddenly held qin mu's hand tightly, and her voice was tight and trembling. " is that what you mean? "

Qin Mu nodded and said,"yes!" And I was the one who took the initiative."

xue 'er's body suddenly fell back on the back of the chair. she could not believe that qin mu would be so bold.

She was only fourteen years old!

And what was Zhou chongguang's motive for accepting this relationship?

Xue 'er pursed her lips and closed her eyes. you can't be with him!

Qin MU's expression, on the other hand, was cheerful. why? "

how could xue 'er tell qin mu all those obscure and dark things?

At this moment, she was experiencing the greatest shock of her life.

perhaps, she was wrong!

She had misjudged Zhou chongguang!

She lifted her gaze slightly and looked at the side of Zhou chongguang's face. At this moment, as if he sensed something, he turned his head and looked at her.

with just one look, she knew that he had all the kasaya in his grasp.

he deliberately approached mumu, and his purpose could be imagined.

xue 'er's heart was complicated. she almost didn't dare to face qin mu, much less ye muyun.

she even thought that if he did things the way he did and quickly acquired rongguang, zhou chongguang might not have the time and energy to seduce qin mu. she was the one who gave zhou chongguang the chance to catch his breath.

During crucial times, she would always stand on the ye family's side. And in the new mourning period, what kind of mood did Zhou chongguang have to seduce Qin Mu?

Her heart was burning with anger, but she could only hold it in. She could only watch as Zhou chongguang walked straight towards her after he finished playing a song.

"Zhou chongguang!" Qin Mu called out his name graciously. He held his arm and introduced him to Xue 'er. "This is my sister-in-law, Tang Xue 'er."

Xue 'er looked at how intimate they were and was angry, but she didn't show it. She only said softly, "Mumu likes to draw, play the piano, and arrange flowers. She doesn't know much about business, so she probably doesn't know that Mr. Zhou is Rongguang's heir, right?"

"xue 'er, you know him?" qin mu was surprised.

"yes, they're schoolmates!" "Zhou chongguang is very famous in school." Xue 'er nodded.

qin mu was slightly surprised. "really?"

Zhou chongguang remained calm and held Qin MU's hand as he slowly sat down. it's just a coincidence.

Qin Mu had always been gentle and quiet, but at this moment, the way she looked at Zhou chongguang was like her eyes were glowing, as if they were filled with a small universe of love.

Xue 'er closed her eyes, her entire body feeling weak.

she stood up and forced a smile. "i'm going to the washroom."

qin mu didn't suspect anything. "then come over quickly. the dishes will be served in a while."

xue 'er forced a smile. as she left her seat and turned around, she let out a deep breath. she felt as if all the blood in her body had been drawn away.

she went to the bathroom and kept washing her face with cold water to calm herself down.

She couldn't panic. She still couldn't be sure of what stage Qin Mu and Zhou chongguang had reached!

In the mirror, there was suddenly an additional tall figure. It was Zhou chongguang.

Xue 'er's eyes met his in the mirror.

"Are you surprised?" zhou chongguang's gaze was indifferent, but there was a hint of mockery hidden in it. "Don't you find it strange when I got together with her?"

Chapter 2063: pleasant surprise, unexpected shock (3)

Xue 'er didn't say anything and only glared at him.

on the day my father passed away, on the day Rongguang was on the verge of bankruptcy! zhou chongguang's clean face did not have the slightest expression. "that day, i had her!"

"zhou chongguang, are you not afraid of retribution? Mumu is innocent!" xue 'er's voice was hoarse.

Zhou chongguang laughed, "what about me?" where's my father and all the employees of glory? what did they do wrong?"

Xue 'er growled angrily, "so you're blaming this on Mumu?" she's only 14 years old!"

"no! i will marry her!" zhou chongguang approached her slowly, almost trapping her in front of the sink and himself. "she is very happy now. as long as this lie will never be exposed, she will feel that being zhou chongguang's wife will be very happy."

His face was as clean as before, but it was as if black wings had grown out of his white shirt. Xue'er still couldn't accept it.

the huge change shook her so much that she was in a mess.

After a long time, she coldly said, "do you think that you can marry mumu just because you want to?"

"Yes!" Zhou chongguang's lips came close to her ear. but you don't know that she had a history of depression at such a young age. She said everything and said that I was a love liar. She said that the person I liked was her sister-in-law! How big of a blow do you think it will be to her?"

He almost muttered the last sentence to her lips. "Do you think her old illness will relapse?"

with a pa sound, xue 'er's palm landed on his handsome face. this slap did not have any hesitation, nor did she save any strength.

"You investigated her?" Xue 'er was so angry that her entire body was shaking.

"Right!" zhou chongguang's voice was very, very soft. "when i was forced into a corner by ye muyun, i was thinking that using unscrupulous means was the only

way to save rongguang and myself. it's a pity that my father won't be able to see it. ”

Xue 'er closed her eyes. I can persuade him to give up Rongguang. Let Mumu go!

no matter what price she had to pay, even if she had to give all her shares to ye muyun, she had to get mumu back. she was even more clear in her heart that what she got back was the relationship between her and ye muyun.

she thought that in the end, she was still selfish in making such a decision, and she had let mumu down.

Zhou chongguang laughed lightly and said mockingly, ” now I feel that there are too many benefits to being the Qin family's son-in-law, Yingluo. For example, we'll be a family in the future.

Xue 'er was disgusted.

He threw out his final trump card. think about it. Every time you see me and Qin Mu, do you feel guilty? do you feel that you've let her down? ” because yingluo ”

“The one I like is you!” He spat out a few words.

Xue 'er gave him another slap. Zhou chongguang, you're crazy.

“yes, i've gone crazy, but ye mu yun forced me to do this!” Zhou chongguang laughed coldly. no, I won't. I will attend your engagement ceremony with ye Muyun on time, sister-in-law!

with that, he retreated and left without looking back.

as for xue 'er, it was as if all the strength in her body had been sucked out. she could not say a single word.

she leaned against the wall and stretched out her hands to support herself so that she would not slip.

She knew that Zhou chongguang was serious.

he was indeed very smart. this choice not only pinched the qin family's weakness, but it also disgusted many people.

Chapter 2064: She has no choice (1)

Such a Zhou chongguang was like an angel that had darkened.

xue 'er gently closed her eyes-as expected, behind every clean person, there would be a dark side.

Zhou chongguang returned to his seat. Qin Mu raised his eyes gently. did you see Xue 'er in the washroom? ”

“no, i didn't,” zhou chongguang served her very considerately, and his light smile that was like a cool breeze made her feel very comfortable.

at least, to qin mu, it was comfortable.

After a while, Xue 'er returned to her seat. Qin Mu looked worried. ” what's wrong with xue 'er? why do you look so pale? ”

“i might not have slept well last night!” xue ‘er’s voice was a little weak. ” i don’t really like the bed. ”

Qin Mu made an “Oh” sound and didn’t say anything else. Under normal circumstances, she was a quiet girl.

on the other hand, zhou chongguang and xue ‘er were conversing very calmly. neither of them revealed any traces of their relationship, all the way until zhou chongguang went up the stage again.

xue ‘er looked at qin mu and asked slowly, ” “do you think it has reached that stage? he’s the only one?”

she knew that qin mu had a history of depression and had even committed suicide before. no one could figure out why a young girl in her teens would have such an illness.

later on, qin mu was pampered and let her do as she liked. if she liked to draw, she would draw. if she liked to arrange flowers, she would arrange flowers. if she liked to learn the guqin, she would learn it. fortunately, she learned all of these pretty well and had extremely high talent. it was just that she was not specialized in any of them.

everyone outside thought that she, tang xue ‘er, was the most pampered person in the tang and qin families. in reality, the one who was really pampered was the quiet qin mu.

she also knew that at that time, she saw a lot of blood and couldn’t sleep for several days after that. the moment she closed her eyes, she felt that mumu was going to leave her.

perhaps from then on, her relationship with qin mu was especially good, and qin mu matured early.

Xue ‘er clearly knew that no one dared to object to Qin MU’s proposal to be together with Zhou chongguang. That was because Zhou chongguang was right about Wanwan, and no one dared to provoke Qin Mu.

now that she asked this, qin mu smiled lightly and acknowledged her. he then focused on looking at zhou chongguang.

xue ‘er looked at her smile, and after a while, she asked softly, ” “Mumu, do you like him a lot?”

Qin Mu acknowledged her again and then turned his head to look at her. His voice was a little sweet.”do you think he’s not bad too?”

Xue ‘er nodded her head in confusion.

after the meal, she pulled qin mu and left first. she told qin mu that girls should be more reserved.

qin mu still left with her. however, on the way, she still sent a few messages to zhou chongguang.

Xue ‘er looked on and didn’t say anything.

in her heart, she recalled how gu mei had urged gu mei to wait for zhou chongguang inside.

however, zhou chongguang had already chosen qin mu. or rather, he had already betrayed gu mei’s sacrifice in his heart.

After sending Qin Mu back, it was already two in the afternoon. Suddenly, Xue ‘er wanted to go and see Gu Mei.

She didn't wait for ye Muyun. She hailed a taxi and called Gu ze to make arrangements. Of course, she didn't let ye Muyun know.

gu ze could guess that something had happened, but he did not know what it was, so he could only do it for her.

when xue 'er saw gu mei, gu mei seemed to have already known that xue 'er was coming. with a self-deprecating tone, she said, " "are you here to tell me that he has successfully hooked qin mu?"

"you already knew?" xue 'er's breathing was painful as she looked at gu mei in disbelief.

Gu Mei shook her head. no! he came by yesterday and told me. i'm sure you already know about it since you're here today."

Chapter 2065: She had no choice (2)

xue 'er's little face was cold. after a long time, she asked softly, " "are you still going to be loyal to him?"

gu mei smiled and tilted her head to look at xue 'er. " "the one he likes is you. actually, it doesn't matter who he marries. qin mu can't control him."

Xue 'er squinted her eyes. you're saying that you're going to be the third party after you get out?!

gu mei raised her index finger at her and whispered, " don't reveal your trump card too early. you've already revealed too many of your plans! "

" however, i can also understand. zhou chongguang and qin mu are together, and you're marrying into the qin family. this scene is really unsightly. what if zhou chongguang suddenly goes crazy one day and tells qin mu that he likes you? do you think qin mu can still live? "

xue 'er pursed her lips and didn't say anything.

"you must be regretting it now, right?" Gu Mei laughed softly,"it's a pity that there's no medicine for regret in life!" xue 'er, i'm sorry."

"You don't need to be sorry!" xue 'er's expression was cold as she looked at gu mei. " i didn't come here today to hear you apologize. instead, i wanted to tell you that if you want to hurt qin mu, i will make sure that you won't be able to get out of prison for the rest of your life. i can do what i say! "

Gu Mei was stunned.

"zhou chongguang threatened you, didn't he?" she asked softly after a while.

gu mei laughed mockingly. " he's really a warrior who's born to play tricks. he's got all of you in a single move. for qin mu, you don't dare to take the risk, right? "

Xue 'er's breathing stopped, and after a long while, she coldly said, " "it has nothing to do with you!"

she turned around and left without any hesitation.

Behind her, Gu Mei's voice was sharp. Tang Xue 'er, is your choice because of Qin Mu or because of ye Muyun? You love him so much, don't you?"

xue 'er stopped in her tracks.

after a moment, she turned around and looked at gu mei. " you're right! i love him!"

"i can wait!" xue 'er's smile was a little dazed. " i can wait until the time when i can love him. gu mei, i'm waiting because i know that he loves me, yingluo. i won't wait endlessly for a man who doesn't love me. "

She then added, " if you and Zhou chongguang were to go on stage| bed, gu ze, your brother will receive this punishment on your behalf."

gu mei chuckled and said,"you're wrong!" you should let zhou chongguang make a mistake and let qin mu give up on him earlier!"

xue 'er looked at her and lowered her eyes, muttering, " "i can't afford to bet!"

She and ye Muyun would only be fine if Qin Mu was fine. If something happened to Qin Mu one day because of Zhou chongguang, she would really be done for!

she knew that she could always make the right choice at the critical moment, because she had no other choice.

just like that, she walked out in a straight line.

Gu ze was waiting for her at the door.

She was not surprised. She walked to Gu ze's side and said in a low voice, " "Gu ze, from now on, you must cooperate with me."

gu ze narrowed his eyes, and his heart was beating wildly. he heard xue 'er slowly say, " "Zhou chongguang seduced Qin Mu!"

Gu ze was also shocked. As ye Muyun's confidant, he more or less knew a little about the Qin family's matters. Now, Zhou chongguang had really hit CEO ye's weak spot.

There was no need to think about it. Boss ye would give in. No matter how harsh the conditions were, boss ye would agree!

What Gu ze was even more shocked about was, what about Xue 'er and CEO ye?

If Zhou chongguang was a time bomb, then Xue 'er would be a detonator. Thinking about it, this was Zhou chongguang's plan!

Chapter 2066: i finally have her (1)

Gu ze looked at Xue 'er and did not say anything for a long time.

xue 'er smiled lightly, her voice a little quiet. " that's it! Don't let big brother know about what happened today."

Gu ze was a little shocked. He wanted to say something but stopped.

"I'll find a chance to tell him." Xue 'er pursed her lips.

Gu ze did not say anything else. He walked downstairs with her in silence.

when they got into the car, gu ze said, ” “what are they bewitched by?”

Xue ‘er turned her head to look at Gu ze and smiled. maybe they’ve experienced the darkness, so they’re desperately trying to grab onto that ray of sunlight. But they never thought that Zhou chongguang is the biggest darkness.

She leaned her head against the window and said tiredly, ” we’re the ones who crossed the line first, Yingluo.

as soon as gu ze heard this, he understood that she was completely on chairman ye’s side. but the more she stood on chairman ye’s side, the more he was being held at his weak spot.

on the way, the two didn’t speak. he sent her all the way to pei garden. ye muyun hadn’t returned yet. this was also because gu ze had calculated the time.

gu ze left very quickly. xue ‘er slowly walked upstairs and directly fell onto the bed, not wanting to get up.

She needed to think about it.

downstairs, auntie li was worried. she thought that the young couple had quarreled again, and the young miss looked unhappy.

So, when ye Muyun returned, Auntie li nagged again, ” “Let’s go upstairs!”

Ye mu Yun looked upstairs. what’s wrong? ”

“I look a little dazed.” auntie li sighed softly. ” hurry up and take a look. don’t throw a tantrum again. ”

Auntie li thought to herself, young master will have a hard time in the future after marrying a baby like miss.

just as she was thinking about this, ye muyun had already gone upstairs to his bedroom. she didn’t see him.

after some thought, he went to xue ‘er’s bedroom. she was lying down with a pillow covering her face.

Ye Muyun smiled helplessly. He sat down and pulled the pillow away from her face. aren’t you afraid it’ll get stuffy? ”

Xue ‘er looked at him pitifully, and then threw her little body into his arms.

“Big brother.” she called his name softly and snuggled in his arms like a small animal.

He couldn’t refuse that kind of warmth. His heart was full, and his voice was a little hoarse.”What’s wrong? Hmm?”

“no, i didn’t! I just want to hug you.” she lifted her small face and kissed his chin randomly, then slowly moved to his lips.

She had never taken the initiative before, and she was so attached to him that he felt like his soul had left him.

auntie li was wrong. she wasn't throwing a tantrum, she was just missing him!

this kiss was getting hotter and hotter. ye muyun almost couldn't resist it. the young man's forehead was soon covered in sweat. he removed the little body from his arms and said in a warm voice, "xue 'er! "

he forced himself to calm down because he wanted to stay until the engagement night. he was not a saint and could not wait until the wedding night. however, there were still a few days left before the engagement, and he wanted to wait.

however, there was a ball of fire in his arms, and it was trying to get closer to him!

Slowly, his breathing became chaotic. He pressed his hands on her shoulders and said in a warm voice, " Xue 'er, Are you sure? "

his little fellow was hot-blooded as she nodded her head vigorously and buried herself in his arms.

Ye Muyun let out a deep breath and looked around. In the end, he still carried her and walked towards his bedroom.

xue 'er grabbed his shoulder, extremely nervous. she pursed her lips and said, " brother, i'm scared. "

Chapter 2067: I finally have her (2)

xue 'er grabbed his shoulder, extremely nervous. she pursed her lips and said, " brother, i'm scared. "

he lowered his head and kissed her small lips. " xue 'er, it's me. i'm the one who wants you. "

He rudely kicked the bedroom door open, and then kicked it again. The sound was so loud that it shook the room.

auntie li, who was downstairs, was shocked. she wondered if something had happened and hesitated whether she should go up to take a look.

Upstairs, in the bedroom full of masculinity, ye Muyun was experiencing the biggest surprise of her life.

Even though he had some understanding of this kind of thing, even though he had watched the film countless times, only now did he understand the essence of this kind of thing.

the little thing in his arms was an innocent little vixen who had seduced him.

he indulged himself in it and tried his best to give her the best, but it was the first time for both of them and the scene was really not good.

the young girl pounded on his shoulder, tears bursting out of her eyes. " do you know how to? "

He kissed her and coaxed her. bear with it a little longer.

Fortunately, he was a smart person and quickly learned how to draw inferences about other cases from one case. Soon, the sounds in the bedroom became ambiguous for a long time.

auntie li waited downstairs for a long time, but there was no one. she felt very strange and thought that she should go upstairs to take a look first. in the end, she had just reached the door of the young master's bedroom when she heard strange sounds.

Auntie li had been through this before, so how could she not know what those sounds were?

Her face turned red and she didn't know what to say. She paused for a moment and went downstairs first. She stared at the table of food in a daze and then thought to herself that it was time to prepare supper. The two little ones probably wouldn't be coming down for a while.

The young man, who had just had sex for the first time, could not stop for a while. Moreover, the little thing in his arms was begging him again and again. How could he stop?

From 6 p.m. To 10:30 p.m., He did not let go of her and kept coming.

Finally, when he was exhausted, he held her in his arms and kissed the fine sweat on her forehead. He asked affectionately, "are you alright?"

the little person was still trembling in his arms, unable to say a word. he was somewhat satisfied and kissed her again. "does it still hurt?"

xue 'er lay in his arms, a little shy. she didn't make a sound and only bit his shoulder. "i'm alright."

he squinted his eyes and smiled after a long time. "it doesn't hurt. let's do it again?"

She was so flustered that she immediately hugged his body and softly said, "don't tease me."

In fact, he was also a little exhausted. It was his first time, so he didn't know how to do it. He only felt it later.

just like that, he held her in his arms and was alone for a while until the hot sweat cooled down. then, he carried her to the bathroom for a hot bath. when he was helping her wipe, xue 'er turned her little face to the side. "be gentle."

His eyes were deep, and his movements were hasty.

It was their first time together, and they were a little awkward. They didn't even dare to look at each other, for fear that they would recall the passionate scene just now.

after settling her down, he wrapped her up in his bathrobe and pinched her little face. he smiled and said, "i'll go downstairs to get some food."

Xue 'er grunted in agreement and watched him go downstairs.

at this moment, the entire villa was quiet. ye muyun walked up the stairs in a relaxed mood. although it wasn't part of his plan, tonight was undoubtedly a wonderful night.

he was very satisfied!

Chapter 2068: He finally has her (3)

When he walked into the kitchen, the supper that Auntie li had prepared was still hot. In addition to the usual supper, there were two servings of tonic soup.

ye mu yun shook his head and smiled, but he still brought it upstairs.

he pushed open the door to the bedroom. xue 'er was half-lying on the bed with her eyes closed. she seemed to be asleep.

her entire face was blushing, and her long eyelashes were curled up with two drops of tears. she had a kind of weak beauty.

the young man, who had just tasted her sweetness, was naturally full of tenderness. he put the supper aside, supported his soft little body in his arms, and kissed her lips lightly.

xue 'er woke up very quickly. she blinked and looked at him. then, her face turned redder and she called out to him softly.

“eat something.” he said hoarsely, feeling that she was already his little wife. it was a very subtle feeling ...

having it before was different!

Xue 'er obediently nestled in his arms. She looked at the soup in front of her and frowned. “what is this?”

ye mu yun's voice had a hint of a smile.”This is the soup that Auntie li made for us.”

As soon as he said that, the little girl buried herself in his arms and shyly cried out. Did Auntie li know?

As if he knew what she was thinking, he leaned close to her ear and teased, ” baby, if you keep your voice down, no one will know.

Xue 'er was unconvinced and glared at him, but her voice was entangled,”it's obviously your voice Yingluo.”

When she thought of the sound he made when he was aroused, she immediately covered her face- she never knew that a man's voice was better than a woman's!

Xue 'er was buried in his arms and refused to get up. He pulled her out with a smile. what's there to be embarrassed about? it's only natural for men and women to have fun.

“But we're not married yet.” She bit her lip and rested her sharp chin on his shoulder, her eyes empty and dazed.

tonight, she didn't know why she wanted him so much. she wanted him to hug her.

they had sex naturally, and she didn't regret it. she didn't know when it started, but her heart was certain that she would only have him in this life.

After having each other, she felt that it was good.

he hugged her quietly and said in a muffled voice, ” “Be good, get up and eat something.”

She didn't make a sound. He smiled bitterly and pinched her little ear. baby, I've overused.

xue 'er's face was red as she got up. she wrapped one of her small hands around his neck. ” then you can eat! ”

finally, they shared a bowl of seafood porridge-nothing was better than a young couple.

He hugged her, but neither of them felt sleepy. They hugged each other and only fell asleep at one in the morning.

he woke up early at about six in the morning. after that, he pressed her down again without restraint. at the end, xue 'er closed her eyes and bit her lip. " you're shameless. "

ye muyun didn't care about his face anymore and forced her to come. it was already 9 am, long past the time he had to go to the office. this was the first time for chairman ye.

gu ze's calls came one after another, and he did not stop teasing her.

When he was satisfied, he finally let go of her, but he didn't know how to control himself, and Xue 'er was a little hurt.

The young man, who was having a taste of meat for the first time, went to the pharmacy again and bought an ointment. When he came back, he personally applied the cream on her and did not leave. He accompanied her the whole morning.

After that, when she fell asleep, he called Gu ze and said that he would not be going to the office in the morning.

Chapter 2069: He finally has her (4)

On the other end, Gu ze held his phone and was extremely surprised. Did CEO ye always come regardless of rain or shine?

however, he was still a man. he quickly thought of the reason behind this. he shook his head and sighed.

He had a feeling that this was just the calm before the storm.

Or rather, Xue 'er was afraid of losing her so she gave herself to ye mu Yun.

On the other side, ye mu Yun hung up the phone and kissed the little girl again in satisfaction before going downstairs.

Aunt Li's face was full of joy, and the other servants were also smiling as they talked about last night's incident. It was already a tacit understanding in the PEI garden, and now there was a sense of celebration.

ye muyun went downstairs to get the newspaper and went back upstairs.

Xue 'er was still sleeping, sleeping soundly, looking extremely beautiful.

His fingers gently caressed her small face, and he couldn't bear to let go. She seemed to be conscious and rubbed her small face against his palm.

ye mu yun's heart moved slightly. he leaned close to her ear and asked in a low voice, " "xue 'er, let's be together forever, okay?"

The next life was too far away, and no one knew if there would be one. So he only wanted her in this life, in this life, as long as she was safe by his side.

The sleeping girl nudged him again. She didn't answer, but her actions were very heartwarming.

he chuckled and read the newspaper out of habit. then, he leaned against the headboard and used his phone to deal with work. he had never been so lazy, but when he was with her, he always felt quiet and beautiful.

Xue 'er slept until four in the afternoon before she woke up. The moment she opened her eyes, she felt a light bite on her cheek, followed by a man's hoarse voice. you're awake? "

ye mu yun pressed his forehead against hers and said affectionately, " "You sleepy little pig."

Xue 'er looked at him for a long time before she said, " "How long have I been sleeping?"

She sat up and looked at the sky outside. The sun was shining brightly.

"It's four o'clock," He said softly and reached out to stroke her long hair. do you want to take a walk in the garden? "

xue 'er's face was a little pale. she slowly sat up straight and looked up at him. " i want to go out and eat. "

after what had happened last night, he would probably agree even if she asked him for the moon in the sky, let alone a meal!

Xue 'er lowered her eyes. the one Mumu took me to yesterday is quite good.

"she's so young, and you're still following behind her? You're so promising." his words were full of resentment for not living up to expectations.

xue 'er glared at him, then got out of bed and jumped towards the bathroom. however, she had been injured before, so she pulled her muscles whenever she jumped, and her little face was bitter.

he smiled and carried her into the bathroom. he patted her little head to comfort her. " call me when you're done. i won't let you walk today. "

she blushed and quickly brushed her teeth to hide it.

he smiled and leaned on the side, waiting for her to tease him.

After dawdling for two hours, ye Muyun finally brought his little cutie pie out. The family treated Auntie li as their capital and smiled, saying that it was just the two of them and that it didn't matter if they didn't come back.

"The elders in the family are so open-minded now." Xue 'er said in a low voice as she fastened her seat belt.

Ye Muyun laughed in a low voice,"they're not as open as the custard buns at home."

xue 'er's eyes widened. was he talking about her?

she snorted. " no, you're the one who can't control yourself. "

He smiled and did not take it to heart. He reached out to stroke her hair and started the car.

Chapter 2070: mu yun, don't be rash (1)

when they arrived at the restaurant that qin mu had gone to, the lights had just turned on, and the streets were filled with neon lights.

xue 'er got out of the car and looked at them greedily. she hugged ye muyun's arm and leaned her face on his shoulder. "the moon is very beautiful tonight."

He lowered his head to look at her. it seems like there's no moon tonight.

the little girl stomped her feet and glared at him.

ye muyun smiled and held her hand as they slowly walked into the dining room. she followed behind him, her heart beating faster.

yes, she wanted him to see everything.

she would not hide it from him. she hoped that he would handle the things that she could not handle.

xue 'er really didn't know what to do, but she knew that he wouldn't hurt mumu.

If she told aunt ye and uncle Qin about this, she would be too sad. She still had this bit of perception.

as expected, qin mu was inside. he supported his small chin and watched zhou chongguang's performance with a faint smile on his face.

"Mumu is also here today? you guys have an appointment?" ye mu yun raised his eyebrows and asked his little girl in a low voice.

xue 'er shook her head,"no!" It should be Mumu who comes every day!"

As she spoke, she sighed and closed her eyes again.

Qin Mu didn't notice their existence. Ye Muyun wanted to go over, but Xue 'er pulled him back. Her voice was very soft."she's meeting a friend."

Ye mu Yun's eyes narrowed as he looked at her. His expression was a little off.

The waiter arranged for them to sit down, but no one was in the mood to order. Their eyes were fixed on Qin MU's table.

after a while, ye muyun's gaze stopped because he saw zhou chongguang.

Zhou chongguang walked to Qin MU's side and naturally lowered his head to kiss her. He urged Qin Mu to look up and smile.

Her eyes were bright, as if there were countless little stars hidden in them ...

ye mu yun recognized that look. his little xue 'er sometimes looked at him like that.

did that mean that qin mu was with zhou chongguang now?

It was rare for him to be so impulsive. Just as he was about to stand up, Xue 'er held his hand. Muyun, don't go!

he calmed down and looked at her. she had just called him mu yun.

she must have known about qin mu's matter long ago!

"when did you find out?" He asked in a low and hoarse voice.

xue 'er pursed her lips, "yesterday."

afraid that he would be impulsive, she held him down with her little hand. ” let’s talk somewhere else. ”

Ye mu Yun naturally wasn’t willing and his voice was even more hoarse,”You’ve spent so much effort just to bring me to see this scene?”

He was a little embarrassed, because Mumu was only 14 years old.

Xue ‘er’s eyes drooped, but her voice was a little choked, ” “I’m sorry! i don’t know what to do anymore. mumu told me that night that she had someone she liked, yingluo. i didn’t expect that person to be zhou chongguang.”

She raised her eyes, which were filled with tears. I’m begging you not to be impulsive. Mumu can’t stand stimulation.

regarding qin mu’s illness, zhou chongguang knew it better than xue ‘er. hearing her words now, he slowly calmed down and said in a clear and cold voice, ” “leave this matter to me, okay?”

xue ‘er looked at him, unwilling to let go of his hand. ” don’t you blame me? ”

Ye Muyun thought of her abnormal behavior last night and her current fear. He closed his eyes. no!

he got up and half-carried her out of the dining room. neither of them was in the mood to eat, so they went to a teahouse to look for health care.

He sat facing her, waiting for her to speak.

“they’re already together, just like us!” xue ‘er finally spoke.
