

## Thank you 2081

Chapter 2081: I'll play with you then (1)

After the meeting, ye mu Yun looked down and saw the expressions of his subordinates.

"for today's meeting," he said, "everyone, write a report. i want to see it on my desk before i get off work."

there was a lot of wailing below, but he didn't seem to see it. he calmly got up and left the meeting room.

gu ze followed closely behind.

Ye Muyun didn't return to the office. Instead, he went to the smoking area, leaned against the aisle, and quietly lit a fire.

Gu ze leaned on the seat opposite him and smiled. are you really going to get someone to write a report? just because i saw the hickey on your neck?"

ye muyun glanced at gu ze. "nonsense."

Gu ze smiled and changed the topic. "i heard from manager lin that you're looking for a young and good-looking pianist?"

ye muyun acknowledged and threw the cigarette butt away. he stomped on it with his calf leather shoes and said in an indifferent tone,"i beat zhou chongguang up and sent him to the hospital,"

"so you're looking for someone to seduce your sister?" gu ze shook his head and laughed. "mumu is only 14 years old!"

ye muyun suddenly narrowed his eyes and looked at gu ze. "how did you know about this?"

gu ze was silent for a while before saying, "it was xue 'er who warned gu mei not to have anything to do with zhou chongguang."

gu ze sighed. "actually, i don't want her to keep thinking about that zhou kid. you should know how she feels."

Ye mu Yun was silent.

Gu ze continued, "Xue 'er, Wanwan, is very concerned about you and Mumu.

with that, gu ze left.

ye muyun stood at the same spot for a while. he smoked a cigarette and carefully savored gu ze's words. after a long time, he finally smiled.

during the lunch break, he asked his secretary to order a bouquet of lilies and took it to the hospital.

ye muyun pushed open the door to sheng yuan hospital's VIP ward. in the large ward, there was only zhou chongguang and a nurse. the nurse was helping to change the drip.

ye muyun looked over and saw that zhou chongguang's face was covered in white gauze, like a mummy. he pulled a chair to sit at the side and placed the bouquet of lilies on the small table beside the bed. "Do you like lilies?"

Zhou chongguang initially thought that the person who came in was a doctor, but now that he heard his voice, he slowly turned his head and looked at the bouquet of flowers with a slightly frightened gaze. He opened his mouth and said with great difficulty, "Take it away, take it away!"

Ye Muyun smiled faintly and shrugged. He took out a cigarette and lit it up. His tone was indifferent. I'll wait here for you to change your mind.

the nurse hung the drip and lowered her head. seeing that it was ye muyun, she nodded."chairman ye."

Immediately after, she realized that Zhou chongguang's expression was off. She looked at the bouquet of flowers again and said hesitantly, "chairman ye, the patient seems to be allergic to lilies. should we put him outside?"

Ye Muyun asked the nurse very seriously, "will an allergy cause death?"

the nurse was stunned for a moment and shook her head. "usually not! however, the patient will be in great pain, especially when mr. zhou's body is full of injuries."

"it's good that you won't die! all the medical expenses will be on my account."

"You can leave now." Ye mu Yun's tone was very light.

the nurse hesitated for a long time before finally giving in.

with ye muyun's status, even the director wouldn't dare to do anything to her, let alone a nurse like her.

The nurse went out and even thoughtfully closed the door behind her.

at this moment, zhou chongguang's face was already blue and purple, if not for that layer of gauze.

Chapter 2082: I'll play with you then (2)

at this moment, zhou chongguang's face was already blue and purple, half from anger, and half from the stimulation of pollen.

His two eyes stared at ye Muyun and his voice was low and hoarse. "what do you want to do?"

Ye Muyun didn't say anything. He just leaned there and smoked, his expression calm.

Finally, Zhou chongguang couldn't take it anymore. He sniffed and wailed.

then, the second one, the third one, and he simply couldn't stop ...

All the wounds on his body were affected, and the shaking was simply inhuman torture.

at this moment, ye muyun's voice slowly sounded. "i've investigated. you're allergic to lilies and mocked zhou chongguang. are you in great pain now?"

zhou chongguang's eyes were very deep. he kept staring at ye muyun and didn't say a word.

The allergic reaction made him very pained. It was almost worse than death.

He knew that if he spoke, this pain would end, but he couldn't.

after losing qin mu, he would easily become meat on ye muyun's chopping board again. he had chosen this path and had no intention of turning back.

zhou chongguang didn't relent, and ye muyun watched as he groaned in pain. in the end, his body was simply trembling.

on the verge of death, ye muyun reached out and pressed the emergency button.

as the doctor rushed over, zhou chongguang's gaze suddenly turned towards ye muyun. in his eyes, there was actually a hint of a strange smile.

A cold smile appeared on ye mu Yun's face. If he couldn't kill him, it would be really difficult!

zhou chongguang was saved. ye muyun carried the bouquet of lilies and threw it into the rubbish bin at the entrance of the hospital, then turned around and left in the car.

A slender figure emerged from the corner of the wall and quietly watched his car leave, then walked into the hospital.

It was Qin Mu.

she was wearing a gender-neutral sweater and her face was covered with a mask, so her face could not be seen clearly at all.

A few minutes later, she stood at the door of the VIP Ward. She looked at Zhou chongguang lying there, lifeless.

her fair palm was flat on the glass, and her eyes were moist, but she controlled herself not to go in and disturb him.

She watched him for ten minutes to make sure he was still alive, then left quietly.

zhou chongguang, who was lying on the hospital bed, suddenly opened his eyes. there was a fierceness in his eyes that he had never seen before, as well as a hint of a cold smile.

ye muyun returned to the company and was surprised to see xue 'er.

He adjusted his tie, walked to the sofa, and sat down. He smiled."why are you here?"

"i don't have much to do at home." Xue 'er leaned on his shoulder. I'd like to ask you where you went.

He smiled. you're here to check? Hmm?"

"Yup!" she leaned on his shoulder and sniffed around like a puppy, making him not know whether to laugh or cry.

"do you smell anything, mrs. ye?" he asked softly as he grabbed her long hair.

"There's the smell of disinfectant." The young girl wrinkled her nose and acted quite well."Tell me, who did you bring to the hospital to clean up your criminal dramas?"

ye muyun laughed and scolded, " what kind of sinful drama can there be, you tell me? "

she leaned on his shoulder and bit his ear, softly uttering two words.

Ye mu Yun looked at her with a strange gaze. Xue 'er, do you want a child? "

"i'm not!" She blushed and denied it, biting his neck and not letting go. Mr. Ye, you haven't explained clearly!

"explain what? the process of making love with a woman?" He asked shamelessly.

Chapter 2083: I'll play with you, then (3)

but I'm just a woman, " he asked shamelessly. do you think I should tell you in detail, hmm? "

Xue 'er cried out, saying that he was shameless.

however, the more she acted this way, the more he wanted to bully her. he pressed her little face in his arms and leaned close to her ear, telling her how he wanted her in full detail, without leaving out any details.

the little girl couldn't take this. her face was so red that it was almost bleeding. her ears were completely red. she wanted to break free, but he could easily restrain her with a little force.

in the end, she really couldn't take it anymore and called him 'brother' in an especially alluring voice. ye muyun's heart suddenly seemed to be full and unspeakably satisfied.

he pulled her little ear as if he was carrying a small animal. his voice was light and incredibly gentle."baby, you're just trying to make me happy, right?"

she shook her head, then nodded again. her stupid look almost killed him. he kissed her for a while before he let go of her and talked about serious matters.

"After the engagement, you will accompany Mumu to the United States. It would be too obvious if my mother went! i'll be able to focus my work on new York in about a month." he hugged her warmly.

"i'll take good care of mumu," xue 'er nodded.

"I believe you! Xue 'er, I've always thought that you were a child, but now, I only trust you." He kissed her forehead. you can't say this openly, or Mumu won't be able to take it. I think she'll only be more indifferent when we separate. In addition, you have to arrange more parties in United States.

He was thinking in his heart that it didn't matter who was with Mumu, as long as it wasn't Zhou chongguang, who was like a time bomb.

Xue 'er obediently lay in his arms and nodded. "i will, i will raise mumu until she is fair and chubby."

The older brother smiled and pinched her little face."It would be better if you could fatten yourself up!"

he paused for a moment, but still couldn't help but say something ambiguous, " "how does mumu feel? that's what her future husband needs to worry about. as for me, yingluo ..."

As he spoke, his palms were already a little unruly.

Xue 'er naturally sensed it and immediately hugged his waist, stopping him somewhat shamelessly, " "Don't waste your time here!"

She was still young and could not accept doing that and that in a place like the office.

Ye Muyun lowered his head and looked at her little face. He knew that she couldn't accept it, so he smiled and didn't force her. He carried her to the lounge, put her on the bed, and bent over."when i get off work, i'll eat outside and go back."

" mm. " xue 'er suddenly wrapped her arms around his neck. " if ran ran and qin mu forget about zhou chongguang, how would you deal with him? "

ye mu yun's eyes were deep but he didn't say anything. he just reached out and rubbed her hair.

Hence, Xue 'er understood that he did not intend to let Zhou chongguang off. He probably wanted Zhou chongguang's life.

She was shocked, but she didn't stop him.

Towards Zhou chongguang and Mumu, Zhou chongguang was indeed inhumane.

his father had passed away, but that was an accident. mumu clearly had that illness, but he still provoked her and did that to her. wanwan really deserved to die!

A smile bloomed on Xue 'er's fair little face as she said softly, " "no matter what you want to do, don't let mumu know."

mumu was sick and could not know about those dark things.

Chapter 2084: a good beating (1)

Ye Muyun stared at her for a long time before reaching out and ruffling her hair. He said hoarsely,"i know,"

This was the first time he felt the joy of Yingluo being connected to her. It was even greater than the first time he had taken her that night!

At the height of their passion, he didn't say anything and just hugged her, letting himself feel her little heart beating.

He had never felt that she was his.

"Baby, thank you, Yingluo, for letting me have it." his voice was low and hoarse. he hugged her and spoke very softly.

she didn't know why he suddenly became so emotional, but no girl would refuse a hug like this without any desire. she obediently lay in his arms until he had to work.

Xue 'er waited for him to leave and rolled around on the bed twice. It was only then that she felt that she needed a best friend to tell her that she liked someone and that she had fallen in love with someone.

That person was her older brother Yingluo, who had grown up.

but after thinking about it, she grabbed a bunch of hair and realized that there was no one else she could talk to other than auntie li.

Xue 'er sat up and crossed her legs. She cleared her throat and said to the air in a serious tone, "Auntie li, let me tell you something. Although Yingluo is a little fantasizing, this is real."

she started to act very seriously. "that's right, i think i'm in love with brother. yingluo, do you think it's especially funny?"

"Sigh, how can I say that to Auntie li?" it's so embarrassing. she'll definitely say that i'm bored."

"i won't! she will be very happy!" A man's voice came from the door. It was very elegant and pleasant.

Xue 'er was shocked. She turned around and was stunned.

ye muyun came in and took something. he leaned over and pinched her little nose. "In the future, just say these words to me. Don't scare the elderly."

With that, she chuckled and walked towards the door.

The door closed, and Xue 'er covered her face, her body falling straight onto the bed, not getting up. It was really embarrassing.

outside the door, ye mu yun's deep laughter could be heard.

all the dissatisfaction and anger that zhou chongguang had brought to him had been soothed by this little fool.

He got off work very late, and Rongguang's incident had still dealt a fatal blow to his career.

It was not until seven o'clock that he closed his notebook and remembered that little fool was still in his lounge.

he didn't care that gu ze was still there. he quickly walked into the resting room and saw that the little person was actually sleeping soundly on the bed like a white little pig.

He laughed and rubbed his forehead. He said to Gu ze behind him, " "You can get off work first!" after a while, he changed his mind."forget it, give me a moment."

Gu ze smiled. He guessed what he meant. He went outside to get CEO ye's coat and keys and stood guard at the door.

Sure enough, after a while, Chairman ye carried his little pig out. Gu ze considerably covered the little pig with his coat. He also had a principle in his heart that Chairman ye could fall sick, but the little pig could not fall sick!

ye muyun glanced at gu ze and entered the elevator.

In the end, Gu ze was still the one driving the car. Ye Muyun sat in the back seat and kept holding the little guy.

the black supercar drove all the way to pei garden. unexpectedly, the garden was brightly lit.

“Chairman ye, I won’t disturb you any longer.” Gu ze hesitated.

he got out of the car, opened the door for ye muyun, and drove away.

Xue ‘er woke up when she got off the car. She opened her eyes and looked at ye mu Yun.”Big brother.”

Chapter 2085: A good beating (2)

Xue ‘er woke up when she got off the car. She opened her eyes and looked at ye mu Yun.”Big brother.”

Ye Muyun lowered his head and pressed it against her forehead. His voice was very soft. mom and dad are back.

In the beginning, the little girl who had just woken up was still a little confused. Two seconds later, she came to her senses and immediately struggled down, running toward the hall to take a look.

However, she walked too fast and almost bumped into Auntie li.

auntie li patted her chest. ” miss, slow down. what if you fall? ”

Oh! Xue ‘er wanted to run away again but her body was caught by a large palm. Then, ye Muyun’s laughing voice came. Xue’ er, don’t you have something to say to Auntie li? ”

The little girl’s face turned red and she stuttered, ” “No, brother, did you remember wrong?”

the one who answered her was the serious mr. ye. ” “Have you forgotten what you wanted to tell Auntie li in the lounge today? hmm?”

The little girl’s face was red.

auntie li’s appetite was also piqued, and she asked in confusion, ” “if you have anything to say, say it!”

the little girl stammered even more,”i” forgot “”

“You’re so young, how could you forget!” “i’ll give you something to boost your brain later,” auntie li said affectionately.

xue ‘er heaved a sigh of relief, but ye mu yun behind her said very kindly, ” “Do you need me to remind you what you want to say to Auntie li?”

Auntie Li’s eyes lit up.

ye muyun's voice was even lighter. "auntie li, little xin xin treats you as her best friend. she has something to tell you. "

auntie li's eyes were practically glowing as she looked at xue 'er.

xue 'er expressed that she was under a lot of pressure.

He looked at ye mu Yun with resentment!

it was all his fault!

It was all his fault!

Too detestable!

ye muyun chuckled and whispered in her ear, " sleep in my room tonight. "

The little girl didn't dare to agree, because Daddy and Mommy are back. Although Yingluo said that they often slept together when they were young, Yingluo was different now!

While Xue 'er was hesitating, ye mu Yun spoke, " "Aunt li, Xue 'er means Yingluo."

before he could finish, xue 'er's voice rang out, " i agree! "

she was quick and anxious, afraid that he would say it out loud.

Ye Muyun chuckled and held her little hand as they walked into the main house. He turned around and looked at the dazed Auntie li. Xue 'er said your cooking was delicious!

Auntie li was obviously disappointed. That's right, what happened to her bestie?

the moment little xinxin saw tang yu and pei qiqi, she pounced on them and affectionately called them mommy and daddy.

ye muyun also politely greeted uncle tang and auntie pei.

after a round of intimacy, pei qiqi hugged little xin and examined every bone and every piece of skin ...

of course, pei qiqi naturally saw the strange things on her daughter's neck. hickeys!

she didn't make a sound and silently looked at ye muyun with a faint reproachful look in her eyes ...

Can't you wait for a few days?

Ye Muyun received the gaze and coughed silently to show his acknowledgment.

PEI Qiqi gave Tang Yu a look. As a father, he didn't say anything and invited them to eat together.

after dinner, tang yu said, " " xue 'er, you and your mother haven't chatted for a long time. muyun and i haven't sparred for a long time. "

"Aren't you busy tomorrow?" he looked at ye Muyun.

"if uncle tang is interested, i should have accompanied him." ye mu yun smiled bitterly in his heart, but on the surface, he had an appropriate smile.

Chapter 2086: A good beating (3)

“Aren’t you busy tomorrow?” he looked at ye Muyun.

“If uncle Tang is interested, I should have accompanied him.” Ye mu Yun smiled bitterly in his heart, but on the surface, he had an appropriate smile.

One must know that it wasn’t easy to gain Tang Yu’s complete trust. He did it, but after a few days, he was forced back to his original state.

He looked at Xue ‘er, his meaning was more or less threatening, ” wait for him in his bedroom tonight, or i’ll tell auntie li!

With tears in her eyes, she looked at him pitifully. He was so evil!

PEI Qiqi looked at them strangely. She couldn’t understand what the two little ones were doing!

As for Tang Yu, he couldn’t wait to beat ye Muyun up so badly that his face was swollen. Wanwan quickly arrived at the room.

Ye Muyun also changed his clothes and went over. As soon as he entered, a bamboo stick was thrown at him. Following that, a fierce attack was already coming at him.

ye mu yun could only defend. he couldn’t avoid this beating today, so he just hoped it wouldn’t be too ugly.

so, after waiting for half an hour to give face to his future father-in-law, he was hit three times on the back by yingying. although his skin didn’t split open, his skin swelled up immediately.

he didn’t dare to look back, so he only said softly, ” again! ”

in the end, he had taken about seven or eight hits. his back was almost not his back anymore, and it was burning in pain.

tang zheng didn’t say anything after beating him up. he just smiled. ” you’re so useless! ”

“Yes! i’ll practice more in the future!” he would definitely act more meticulously so that his future father-in-law would feel good and satisfied.

when ye mu yun left, he went upstairs with his back bent. he felt like he was going to cough his lungs out with every step.

he felt that he had to be hospitalized, but it was too embarrassing. how could he be so weak?

also, he still had to consummate his marriage tonight!

He was really bold!

to him and to zhou chongguang, he was simply a double standard!

when he pushed open the bedroom door, there was no one there. he did not have the strength to look for her. he lay on the bed, panting heavily!

He lay there alone for more than an hour before the door finally opened.

The door closed, and a young girl’s soft voice sounded, ” “big brother, you fell asleep?”

This was what the little girl was thinking. If he fell asleep, she would leave again!

Because she knew that he would definitely want her. The sound he made would wake up her Daddy and Mommy, and then he would probably be beaten by his daddy!

However, when the little girl got closer, she realized that Yingying's omnipotent brother had already been beaten up!

and he was beaten up so badly!

“big brother!” She snorted softly and pulled him.

Ye Muyun originally thought that he was going to die, but now that he woke up, he opened his eyes and looked at his little girl. He forced a smile.”Xue ‘er, please help me apply some medicine!”

He struggled to move, and his kimono fell off. His back was covered in wounds.

the little girl covered her mouth and cried out.

He consoled her in his heart. She finally knew how to feel sorry for him!

But the little girl spoke up after a while, ” “do we need to change the person for this engagement? Big brother, will you die?”

What happened to telepathy?

He felt his vision go black!

the young girl wiped her tears. ” if it doesn't work out, brother, tell me. you must find a substitute, just like zhou chongguang. i'll get manager lin to pick someone similar to you.“

He gritted his teeth and said,”Tang Xue ‘er, are you taking revenge now?”“

“Ah, you can tell? The little girl covered her face. brother is so good!”

her heart didn't ache when his eyes turned dark again?

Chapter 2087: how are you going to compensate me?(1)

But when she applied the medicine, the little girl still felt sad.

She wiped it and asked, ” brother, does it hurt? ”

Ye Muyun gritted his teeth and laughed softly. why would it hurt? big brother doesn't love yingluo at all, hehehe, it really doesn't hurt!”

xue ‘er reached out her white and tender little finger and poked him gently. ” it doesn't even hurt like this. brother, have you been beaten silly by daddy? ”

This little fool!

ye muyun gritted his teeth and didn't know what to say!

“of course i'm not stupid!” After he finished speaking, he felt that his words were quite silly.

Xue ‘er took a deep breath. I was right. It obviously hurts.

He had felt much better at first, but after she said that, he seemed to be in pain again.

His body hurt, but his head hurt even more.

but his heart was full. so what if it was painful? wasn't she by his side?

ye muyun stretched out his fingers and grabbed the little fellow, pulling her away.

Xue 'er accidentally fell on his back and pressed onto his injured area.

ye mu yun snorted, feeling extremely embarrassed.

the young girl was frightened and moved her small body. for a long time, she didn't know what to do. however, every time she moved, it was like dismembering a thousand pieces of flesh to him.

In extreme pain, ye mu Yun sighed in his heart. She was sent by the heavens to take him away!

xue 'er finally managed to flip over and lay down beside him. her small face was scrunched up as if she was about to cry. " brother. "

the wise and brilliant ceo ye lay on his stomach and looked at his little girl. after a while, he coughed lightly. " do you know why your daddy hit me? "

the little girl buried her face in the bed sheet. after a long while, she said in a muffled voice, "B- because of Yingluo, we're living together."

the injured chairman ye sneered and pinched her soft little face. " you're not stupid. "

The little girl looked at him pitifully.

after a long time, she pulled his arm and apologized in a low voice, " "big brother, it's my fault, i'm the one who lured you. i'm trying to seduce you."

Chairman ye sighed in his heart. This little fool ...

How could it be your fault? if I didn't have such thoughts, I wouldn't have had those thoughts no matter what you did.

however, his face was still serious as he coughed lightly. " "then how are you going to compensate me?"

Xiao Xinxin was still pouting. She bit her little finger and looked at him.

He looked at her small appearance and couldn't help but move his finger closer to her so that she could bite the Yingluo.

The little girl whimpered pitifully, but she didn't dare to vomit.

He pulled her closer with one hand and half-pressed her into his arms. His voice was low as he said, " you promised to sleep in my room. Now that I can't move, what should I do? "

The little girl's eyes welled up with tears as she was being bullied. After a long time, she finally spat out a few words, " "i'll move."

after that, she said very solicitously, " "big brother, lie down properly."

Ye mu Yun gritted his teeth. do you think I can lie down now? ”

The little girl wanted to cry again. She sniffled, but in fact, she was acting a little, probably because she knew he liked it this way.

in the end, she still wanted to make him happy, so she thought of a way to get in.

ye muyun was also shocked. he never thought that she would do this for him one day.

God, she was still so young!

His body was extremely happy, but his heart was angry. He gritted his teeth and asked, ” “where did you learn this from?”

Chapter 2088: How are you going to compensate me?(2)

The little girl sniffled and replied to him,”From the manga.”

After that, all his self-control crumbled.

in the end, he was so embarrassed that he lay on his side powerlessly. he looked at the girl and said in a soft voice,”xinxin, you’ve been corrupted.”

He was injured, so she had to clean up.

after doing all this, she lay down and pretended to be dead.

ye muyun was such a clean person, and she had cleaned up a mess. in the end, he endured the pain and went to wash himself.

looking at himself in the mirror, ye muyun chuckled. he was in such a sorry state but he was so happy.

When he dragged his body back to the bedroom, the little girl was already fast asleep. She was lying there, drooling.

Ye Muyun shook his head and smiled. He reached out to cover her with the blanket and lay down beside her.

In fact, how was his body satisfied? he was very uncomfortable when she was so reckless just now.

but now, looking at her like this, his heart calmed down. lying beside her and looking at her small face, he felt as if he was holding his son’s hand and growing old with him.

all her troubles seemed to have been blown away.

chairman ye was indeed chairman ye. after a beating, he was full of energy the next day.

when he went downstairs for breakfast, tang yu glanced at him and expressed his satisfaction.

this body is awesome!

Ye Muyun nodded very politely. uncle Tang, Auntie PEI.

Tang Yu nodded his head lightly. PEI Qiqi smiled, ” “Let’s change the way we address each other after the engagement! In the future, you can just call them mom and dad.”

she looked at tang yu, ” is it tang yu? ”

Tang Yu reached out his hand,"come here." &Nbsp;

He reached out and pulled PEI Qiqi onto his lap and fed her breakfast.

Ye Muyun looked at them and thought that the reason he was able to successfully enter the Tang family was because Tang Yu doted on his wife Qianqian. Thinking about the reason why Tang Yu gave him power so early on, he sighed in his heart.

what's more, he wanted to have a child with xue 'er now. then, 18 years later, when he and xue' er were still young, they could travel around the world and throw the company to their son to destroy!

However, he could only think about it. Xue 'er was so young, and he couldn't bear for her to have a child so early.

tang yu looked at ye muyun and asked, " "Where's Xue 'er?"

"Still sleeping!" when ye mu yun said this, there was a hint of gentleness in his tone.

tang yu didn't ask any more questions. after breakfast, pei qiqi and ye muyun discussed the engagement. pei qiqi was a woman, after all. she had her own thoughts. ye muyun sighed in his heart. his little girl wasn't even as concerned as his mother-in-law. she was really still a child.

after pei qiqi finished her discussion with him, she smiled, " "Let's treat an LAN and Liangqiu to dinner tonight! I haven't seen you in a long time."

although it was an acquaintance meeting, ye mu yun was clear that this meeting could be considered a formal marriage proposal.

This matter, of course, should be handled by the man.

"I'll make the arrangements!" Ye Muyun thought for a moment. let's book it at wen hua hotel. I'll get the driver to pick up uncle and aunty at 6 pm tonight.

Tang Yu and PEI Qiqi were very satisfied with him. This child grew up in the Tang family but was basically raised on his own. He took care of himself, Qianqian, and even Xue 'er!

As parents, they reflected on themselves. Actually, they were the ones who took advantage of the Qin family, ran ran.

this family dinner was very appropriate under ye muyun's arrangements. the parents of both sides also attached great importance to it, especially the two madams, who were dressed quite grandly.

ye mu yun was the same.

Chapter 2089: The engagement of a tycoon (1)

On the other hand, Xue 'er was the only one wearing a sweater with a pullover, a pair of tight jeans, and her hair was tied up in a bun. She walked over simply.

the adults shook their heads. they didn't agree with wanwan's decision to stand up straight because of mu yun!

Even the two little ones, Qin mo and Qin Mu, were wearing formal dresses. Wasn't this little bride-to-be a little too casual?

When Xue 'er came in, she also realized that the scene seemed to be a little bigger!

didn't you say you were having a meal with your family? why is everyone so grand?

Ye Muyun smiled. she probably doesn't know.

No matter how stupid Xue 'er was, she also understood what was going on. She looked at him reproachfully and said in a low voice, " "why didn't you say so earlier?"

"It's my fault!" He held her little hand and rubbed it gently, pulling her to sit down with him.

the seats were all for the adults. ye liangqiu and pei qiqi were the only ones talking. ye muyun would occasionally reply with a smile and politeness.

After a while, Xue 'er, who didn't feel much at first, became a little shy. It was just a meal, but it felt like a marriage proposal.

Alright, the young girl finally understood.

ye liangqiu took out a gold-stamped booklet with a long list of gifts.

the qin family's daughter-in-law naturally couldn't be shabby. the manor-style villa at the top was named qin yuan, which was for the young couple to live in after their engagement. there was a string of movable and real estate properties behind it, which was dazzling to see.

pei qiqi thought for a moment. she took out a small portion and kept it. she returned the other portion and took out another booklet. it was also a long one. it listed the dowry for the daughter of the tang family. it couldn't be sloppy.

both sides were very happy and just like that, they settled on a contract.

The atmosphere was still a little subtle. After all, it was a big matter, and both sides had to give each other face.

Only little Xin could keep eating until her stomach was full.

pei qiqi looked at her daughter a few times, but she still continued eating.

ye muyun gave his future mother-in-law a comforting look, expressing his indulgence.

thus, everyone was at ease. they didn't ask for chu muyun to like them.

just as the atmosphere was warming up, the door of the private room was opened with a swish.

The person who came in was not a waiter, but an unexpected person ...

Zhou chongguang!

His body and face were still covered in bandages. He struggled to enter the room, and behind him was the manager, who was flustered and exasperated. "You can't go in!"

But the door was already open.

The atmosphere suddenly changed.

“Mr. Qin, Mr. Tang, I’m sorry. We’ll call the security over.” The manager’s voice was trembling.

“hurry up and go!” ye mu yun’s voice was very soft.

“there’s no need for security!” Zhou chongguang’s voice was very calm as he said, ” “I think it’ll be the same if you do it yourself, boss ye.”

everyone looked at ye mu yun when he said this.

qin anlan’s old face darkened and he coughed lightly. ” “i was the one who hit him! It has nothing to do with mu Yun.”

his son was just getting engaged. he couldn’t let the other party think that his son was violent and that he was the one who hit him.

qin mu couldn’t help but stand up. his voice trembled. “Dad?”

Qin Anlan’s expression turned serious. ” mumu, you should know why dad hit him! ”

Qin Mu pursed his lips. i’m the one who likes him.”

qin anlan was angry, but in the end, he could not bear to expose zhou chongguang’s plot. if he did, mumu would not be able to take it.

“then you should learn not to like him now!” he said in a calm voice.

“Why?” “I can convince him to wait for me to grow up.” Qin MU’s voice was a little choked.

since qin anlan was here, he had to give his daughter some face. his expression was gloomy, but he still restrained himself.”If you have something to say, we can talk about it tomorrow. Today is your brother’s wedding day.”

Zhou chongguang suddenly opened his mouth. today, I also want to propose marriage to Mumu. I hope that uncle Qin will agree.

Qin Anlan narrowed his eyes.’Is this kid deliberately going against me?

Ye Muyun looked at Zhou chongguang. if you want to marry Qin Mu, we will respect her choice in four years.

Zhou chongguang looked straight at Qin Mu. what about you? ”

Qin Mu was already standing. After that, she slowly walked towards Zhou chongguang.

“Qin Mu!” Xue ‘er called out.

Qin Mu turned around and looked at her. She smiled weakly. Xue ‘er, I tried, but I couldn’t convince myself to give up.

“i’ve watched him play the zither for two years,” she said softly.

No one knew that the reason she could recover was because of Zhou chongguang’s zither music.

it wasn’t a young girl’s infatuation, but a strong reliance.

She had long been reluctant to part with the things that she had relied on to survive.

qin mu’s words were a huge blow to xue ‘er. she had always thought that qin mu and zhou chongguang had only known each other for a month or two. she did not expect that it had been two years.

Two years, perhaps nothing had happened to Zhou chongguang, but all of this had been deliberately planned by Mumu.

the passive had become the active one. everything was very difficult to do.

Both the Qin and Tang families were shocked by Qin MU’s words. Only Zhou chongguang smiled faintly. “mumu, are you willing to be with me?”

qin mu smiled slightly, and there was a hint of determination in his eyes.

something that one had to rely on for a long time was like a certain medicine or poison. They had the same quality and couldn’t quit.

ye liangqiu’s voice was very calm. ” mr. zhou, i believe in your feelings for mumu, and i believe even more in my silly daughter’s stubbornness. however, yingluo hasn’t reached the legal age yet, so it’s reasonable for her father to beat you up. ”

Zhou chongguang did not refute.

ye liangqiu continued, ” mu yun is right. we will definitely not stop you in four years! ” Also, don’t use mu Yun and Xue ‘er as an example. You two are not the same, and you should be very clear about how Yingluo is different!”

“Yes!” Zhou chongguang looked down.

he raised his eyes. ” i know. ”

He only glanced at Qin Mu and smiled faintly. Then, he turned around and walked out.

He didn’t kick up a fuss again, but the shadow he left behind remained in everyone’s hearts, especially Qin Anlan and ye Liangqiu. They understood their daughter’s thoughts so well!

She also knew how terrifying it would be if the illness acted up again.

qin mu stood there. after a long time, she said, ” “i know my brother wants me to go to United States. i’ll go, but don’t make things difficult for him.”

she was young, but she matured earlier than xue ‘er. she turned around and looked at her parents, bitterly saying sorry.

And who could blame a little girl who had fallen sick?

at that time, she was so sick that only a handful of bones were left. everyone had seen her. she was so fragile and could leave them at any time. no one dared to take the risk.

qin mu's life could only be twisted again and again until she woke up.

when she woke up, she felt that she had missed out on so much for zhou chongguang.

And at that time, Zhou chongguang was already a man with power in his hands. He was no longer the young man who could not fight back in front of his brother.
