

Thank you 2091

Chapter 2091: the engagement of a tycoon (3)

at that time, zhou chongguang was full of himself, and she had always been raised at home by him. To be honest, he had treated her well.

But she looked at him, looked at him, and one day, she suddenly realized that the person she loved had disappeared. To Alice, who she relied on for her survival, had disappeared. He had not played for her for several years! (Later)

at this moment, qin mu looked at the closed door, and his tears fell.

no one could bear to blame her, not even a harsh word.

All of this was just an ill-fated relationship.

that night, ye muyun brought xue 'er to stay at the qin residence. although it was an important day, ye muyun didn't pester his little wife. instead, he patted her hand. "you've suffered today."

"no, i didn't," Xue 'er knelt down in front of him and kissed the corner of his lips. "come to think of it, i was the one who provoked zhou chongguang."

ye muyun sighed,"i was the one who killed him."

if zhou chongguang had never liked xue 'er, it was not that he could not agree to this marriage that harbored ill intentions. he could even persuade his parents to agree. he could offer very favorable conditions for zhou chongguang to treat mumu well, just like buying a high-class male servant.

However, his relationship with Xue 'er would hurt Mumu sooner or later.

in this world, there was no wall that could not be penetrated. in a year, two years, three years, zhou chongguang, xue 'er, and his affairs would be heard by mumu sooner or later. by then, would she be able to take such a blow?

For Mumu, it was a very embarrassing thing for her to become a family. The person her husband liked was her sister-in-law!

ye mu yun was quite troubled. he smoked a cigarette in front of xue 'er and patted her little face. go and see Mumu for me. You're about the same age, so she might be able to tell you the truth more easily.

when xue 'er heard this, she sighed. "she never told me that she listened to zhou chongguang play the zither for two years."

ye muyun let out a long breath. "coax her and agree to let her be with zhou chongguang! but i'll be going to new York next week."

xue 'er nodded.

in her heart, she also had a faint feeling that it was not just mumu who urged zhou chongguang not to let go.

And her!

The current Zhou chongguang was like an angel of revenge. He was capable of doing anything, and he seemed to have no more reservations.

Xue 'er suddenly stopped in her tracks and turned her head. Yingluo should have relatives too, right? ”

Ye Muyun looked at her. He probably knew what she meant and was a little surprised.

Xue 'er was usually not so ruthless, but she was probably desperate now.

he shook his head. ” zhou chongguang is throwing his life away this time. it's useless to threaten him with anything!”

xue 'er didn't say anything and didn't leave immediately. she just quietly looked at ye mu yun.

after a while, she suddenly walked back and reached out to hug his waist.

she hugged him tightly and buried her face in his arms. ” brother, don't worry too much. mumu will be fine. ”

He held her waist in his palm and lowered his head to kiss her for a while before saying in a hoarse voice, ” “xue 'er, i'm very happy to have met you when i was seven.”

Life was so short, and he was lucky to have loved her for so long.

she obediently nestled in his arms. ” me too. ”

The two sides were in conflict, and there was an indescribable beauty to it, but there was also a hint of the calm before the storm.

Xue 'er went to visit Qin Mu and came back after about two hours.

Ye Muyun was leaning on the bed and smoking. It looked like he had already finished half a pack.

Xue 'er crawled over and snuffed out the cigarette for him, then opened the window to let out some air.

Chapter 2092: the surprise on the engagement night (1)

“How is she?” Ye Muyun watched as her small body crawled over and automatically nestled in his arms.

Her little body was a little cold, and when she met him, she sighed comfortably.

Ye mu Yun held her small hands and feet in his arms and kissed her little mouth.

“It's quite calm,” Xue 'er looked up.

He paused for a moment before continuing,”but I'm really worried that the more Yingluo and Mumu are calm, the more worried I'll be.”

“i won't!” “no matter what, we will never hand mumu over to zhou chongguang.” ye muyun's voice was firm.

xue 'er's heart became even more uneasy.

She was not stupid. She could tell that between Mumu and her, he had actually chosen her, not Mumu.

Actually, she knew that there was another way, and that was for her to leave him. Then, Qin Mu and Zhou chongguang would be together without any problems, Yingluo.

however, no one said that.

Mumu was like a patient with a terminal illness. There was a glimmer of hope, but the price was too high. No one raised it, no one asked her to sacrifice Yingluo.

She didn't dare to say it out loud.

If he said it out loud, it would set off a storm of blood that was even greater than the matter of Zhou chongguang and Mumu.

This was destined to be a sleepless night. She was one, and so was he.

She knew that he had gone out to smoke a few cigarettes in the middle of the night. She didn't know if he had considered this method, but after he came back, he didn't say anything and just hugged her tightly.

at that time, xue 'er thought that her brother was also pitiful. on one hand, he had to bear the burden of his sister, and on the other hand, he had to bear the burden of their relationship of more than ten years. he must be feeling terrible!

She obediently stayed by his side and Qin MU's side.

qin mu attended her engagement party with ye muyun. that little pianist also came, but qin mu said he was very ugly.

Then, Zhou chongguang also came.

his injuries had already healed. he was dressed in a black suit, looking handsome and imposing. however, his expression was different from before.

xue 'er saw the light in qin mu's eyes-that was the light of a girl in love.

xue 'er thought that if zhou chongguang did not say anything for the rest of his life and treated mumu well for the rest of his life, and mumu could always be this happy, it would actually be very good.

At her engagement ceremony, she actually thought of Hanhan like this.

"Mrs. Ye, please focus." ye muyun hugged her and lightly kissed her forehead. "you looked at zhou chongguang for more than ten seconds just now. "

Today, she was wearing a white wedding dress, and there was a small diamond Crown on her forehead. It was custom-made by an Italy designer and was worth hundreds of millions. It was his engagement gift to her.

today, she was beautiful beyond comparison.

“he’s not as handsome as big brother!” the young girl’s voice was soft as she leaned on his shoulder and danced with him.

her eyes, however, were still focused on qin mu. she was dazed as she looked at his happy expression.

Would Qin Mu still be this happy after going to new York?

xue ‘er didn’t know, but everyone had already decided to let qin mu take the risk. she was no exception.

it was a grand and lively engagement party, but she was absent-minded the whole time. she thought, brother too, otherwise he wouldn’t have let her be distracted for so long, she thought.

He chose to spend his engagement night in the Presidential Suite.

xue ‘er was carried by him and slowly walked out of the elevator. her small hands were wrapped around his neck and she pouted her little mouth.”is there any surprise?”

“We’ll know when we get there.” He kissed her little mouth and pressed his forehead against hers. His action was very affectionate!

Chapter 2093: the surprise on the engagement night (2)

Xue ‘er looked at him and smiled a little charmingly. what’s this, why are you being so mysterious?”

ye muyun kissed the corner of her mouth. ” you can look forward to it. ”

Xue ‘er hugged his neck tightly. He carried her with one hand and unlocked the door with the other.

The moment the door opened, she let out a small scream.

The lights in the luxurious suite were not turned on. There were only countless little stars on the ceiling, warming the night.

The Starlight cleared the way, and he carried her inside. Black roses were casually placed at his feet, making the night Wilder.

She walked into the bedroom and saw a huge heart-shaped cake on the French bed. The candlelight was already lit, and there were two little people dancing on it.

Xue ‘er just looked at him like that and then looked at ye mu Yun, her little face shy.

He lowered his head and kissed her on the lips, asking hoarsely, ” “Baby, do you like it?”

she grunted and tried her best to hug his neck. she turned her head and looked at the dancing flames with him.

He pressed his forehead against hers, and a ring had unknowingly slipped into her finger.

“happy birthday.” ” the engagement ring was given to xue ‘er by ye muyun, ” he murmured. ” but this one is for little xinxin. ”

“Little custard!” He chuckled.

He threw her aside and danced in the candlelight, nibbling on his custard bun to his heart's content.

xue 'er's little bare feet stepped on the back of his feet, and there was no way to escape ...

she could only hug him tightly, so that he couldn't bite her successfully. the two of them played around and fell onto the soft carpet together.

he pressed down on her small shoulders and kissed her gently.

He ate her little by little. Xue 'er's eyes were like water. She reached out and lifted her body to make it easier for him to kiss her deeper.

the candlelight flickered, and the shadows of a pair of people were cast on the wall.

it was a night of madness.

at dawn, when xue 'er woke up, she was sleeping on the sofa. or rather, she was sleeping in ye mu yun's arms.

he was 184, and she was only 162, so she looked especially petite in his arms.

When she opened her eyes, she saw his handsome sleeping face, which looked especially young and beautiful under the morning light.

She reached out her smooth little arm and gently touched the light blue on his chin, which was a little prickly.

He didn't wake up even when she touched him, laughed, and teased him.

after that, she naughtily leaned over to his ear and screamed, " "brother, time to get up!"

He didn't open his eyes, but he grabbed her arm and pulled her into his arms. His voice had the hoarseness of the morning. "Xue 'er, sleep a little longer! i've overdrawn."

He had played so crazily last night that he was almost out of energy, but this little guy was still so energetic.

ye reflected on himself in his heart. was he too gentle with her?

So he opened his eyes, looked at his little guy, and smiled slightly. you still want to? "

Xue 'er's eyes widened and she shook her head furiously, " "I didn't!"

however, he had already pulled her into his arms and said in a seductive voice, " "i'll feed you a little more."

xue 'er shrieked, but her mouth was covered again. then, she slanted her body in his arms and whined.

When she woke up again, it was already afternoon.

when she opened her eyes, she was lying on the bed. her voice was soft and a little hoarse. " brother. "

ye muyun stood by the bed. the moment she woke up, he bit her little face. " you're awake? "

xue 'er looked around. the place had already been cleaned up, and the place where she was lying was covered with a thick layer of wool blanket.

Chapter 2094: the surprise on the engagement night (3)

She moved her body but felt nothing under the wool blanket.

“Brother.” She looked up at him.

“I’ll help you put on your clothes and take you out to play, okay?” He smiled, took the neatly folded clothes from the side, and began to help her dress.

Xue 'er was curled up like a little shrimp, her entire body was covered in a faint crimson red, and she looked at him pitifully. “brother, don’t you have to work?”

“I still have the time to play with you for a day.” he smiled gently and held her in his arms, kissing her as he put it on. it was so sticky that xue 'er could not stand it.

where was her brother’s cold attitude?

CEO ye,”when have I ever been cold and aloof in front of you?”

“Go brush your teeth. I’ll take you out after dinner.” He patted her.

as xue 'er ran, she looked at his clothes. they were dressed in a similar british style.

He was very, very handsome.

She made a face at him. I’ll be fine in a while.

when they sat down for dinner, she realized that he had not eaten either. his little mouth was full.”Big brother, why don’t you eat first?”

He didn’t answer her, but said indifferently, ” “are you still going to call me brother?”

“i like to call you big brother.” the little girl was not afraid of him at all now. she raised her little head and winked at him.

He smiled and didn’t say anything. He just took care of her needs and served her food from time to time.

“Do you like big brother?” He suddenly said.

“big brother, you’re so annoying,” xue 'er mumbled.

He thought to himself that she was indeed not afraid of him at all. This Yingluo was quite good.

after the meal, xue 'er’s little stomach was rumbling, and she didn’t want to go out.

In the end, he had to drag her out, and both of them were wearing a navy blue windbreaker.

when they walked together, they were obviously a couple.

xue 'er’s little hand was held in his palm, giving off a feeling of careful protection.

Moreover, she was not used to walking aimlessly on the street.

“Brother, where are we going?” she asked softly.

Ye mu Yun turned his face and smiled. “I’m just strolling around. Don’t you like to go out and play?”

he reached out and pinched her small face. ” where do you want to go? ”

“Watch a movie, eat some snacks, and ride the merry-go-round.” She told him about the plot in the novel and smiled sweetly at him.

He agreed and carried her on his back.

he thought, he was such a despicable person, so what if he spoiled her a little?

She followed him at such a young age, so he should treat her better.

from the afternoon until nightfall, they were adapting to their new identities.

In the crowd, he held her hand and said softly, ” “It’s a pleasure to meet you, Mrs. Ye,”

her crescent-like eyes were filled with stars. “You too, Mr. Ye.”

He kissed her in the crowd, kissing the only love of his life.

after a long time, he let go of her, held her little hand, and walked forward.

In contrast to ye mu Yun and Xue ‘er’s sweetness, the air above the PEI residence was filled with low pressure.

Ye Liangqiu’s hand was holding a bottle of medicine, her fingers trembling so much that she almost couldn’t hold it. an LAN, Mumu is taking her medicine.

qin anlan took it and looked at it for a while before opening it and counting the number.

“she’s been eating it for a few days.” “Liangqiu, we can’t send Mumu overseas at this time,” Qin Anlan’s voice was filled with sorrow.

He closed his eyes. she realized that something was wrong with herself.

ye liangqiu was usually the most calm person, but at this moment, she really couldn’t calm down.

Chapter 2095: Don’t wet your pants (1)

she still couldn’t forget the scene from a few years ago, and sometimes she would have nightmares of mumu leaving them.

now, her illness had relapsed. how could she not tremble?

Ye Liangqiu didn’t even have the courage to ask Qin Mu, but she knew that Mumu had to be treated.

not only physically, but also psychologically.

“Liangqiu, I was too impulsive!” Qin Anlan’s voice was a little cold. After a long time, he continued, ” I’m here to talk to Mumu.

Ye Liangqiu's fingers grabbed Qin Anlan's arm tightly, almost sinking into the flesh of his arm. "Don't tell Mumu that Zhou chongguang likes Xue 'er."

her voice was sharp and almost hysterical.

Qin Anlan held her hand and gave her a comforting smile. don't worry, I know what to do.

at this moment, qin mu was like a bird that was startled by the twang of a bow. he could not listen to any provocative words. qin anlan only wanted to convince her to cooperate with the doctor's treatment.

As for the rest, he was willing to fulfill her wish.

it was like if one was seriously ill and knew that it would only stop the pain and not cure the root cause, but they would still use it.

he thought that zhou chongguang was now qin mu's painkiller.

before qin anlan went upstairs, he gave his secretary a call and asked him to help him arrange a date with zhou chongguang.

he did not want mu yun to interfere in this matter. after all, xue 'er was in the middle.

He hung up the phone and headed upstairs. Halfway there, he looked at Liang Qiu, who was sitting on the sofa.

Liangqiu was still sitting, and her fingers were still trembling.

"Liangqiu, you'll be fine!" &Nbsp; Qin Anlan's voice was low and hoarse. as long as I'm here, nothing will happen.

Ye Liangqiu's lips moved, and in the end, she squeezed out a smile, but it was a trembling smile.

Qin Anlan paused for a moment, but he still walked up the stairs with determination.

Before dinner, Qin Mu lay on the bed in the bedroom with a sketchbook in his hand.

When she saw Qin Anlan come in, she naturally put it under the pillow and called out to him, "Daddy."

Qin Anlan sat down slowly and reached out to ruffle her hair. "What are you looking at?"

qin mu shook his head.

"The one drawn is Zhou chongguang?" Qin Anlan asked with a smile. There were some fine lines between his eyebrows.

Qin Mu carefully took it out and said in a low voice, "yes."

Qin Anlan flipped through the pages calmly and asked casually, "you like him a lot?"

"Yes," Qin Mu nodded.

“You’re not going to marry anyone but him?” Qin Anlan touched his younger daughter’s head again. “but you’re still so young. you’re not in a hurry to decide, right?”

qin mu hummed in acknowledgment and leaned on qin anlan’s shoulder. ” i know, dad. ”

she was so well-behaved and obedient, but she didn’t know how worried her mother was.

he, too!

it was not that qin anlan was not afraid, but he had to remain calm. otherwise, liang qiu would be afraid, and qin mu would be even more afraid.

After hesitating for a moment, he still took out the medicine and said softly, ” “mumu, why did you take this medicine again?”

a year ago, she had stopped taking medicine. the doctor said that she was in good condition and did not need to take medicine as her condition was stable.

but now, she was obviously eating it secretly.

qin mu looked at the medicine bottle and took it silently. after a long time, he nodded. “I can’t sleep.”

“When did it start?” qin anlan pulled his younger daughter into his arms and caressed her hair lovingly.

qin mu pursed his lips and lowered his eyes. ” half a month ago. ”

He calculated the time, how could he not be clear?

this was a mental illness!

Chapter 2096: Don’t wet your pants (2)

perhaps, qin mu was more sensitive than them. perhaps, he knew something that ran ran just couldn’t say.

and as her father, he had no way of tearing open her wound with his own hands.

he just patted her little head and asked her softly, ” “mumu, would you like to see a psychiatrist? Doctor Zhang Mingyuan, you know him?”

zhang mingyuan was very young, only in his early twenties. he used to be the assistant of mumu’s attending physician, but now he was an authoritative psychiatrist. moreover, that famous clinic was opened by the zhang family. he had some friendship with qin anlan, so mumu did not have to worry about her privacy being exposed when she went there.

Qin Mu raised his eyes and looked at his father.

he was very calm, but she could see his anxiety. qin mu hugged qin anlan and buried himself in his arms. he asked in a low voice, ” “Dad, is mom very worried?”

“Yes, your mother is very worried. She’s about to cry! do you want to go and comfort her?” Qin Anlan’s voice was low and hoarse, and there was a hint of helplessness.

Qin Mu hummed in agreement.

Qin Anlan took her away. Ye Liangqiu's eyes were still wet with tears.

qin mu threw himself into her arms and cried as well. "mom, i'm very scared."

she was also a child, and she knew what this meant in the beginning. if she didn't get better, she would slowly sink into depression and slowly become serious, just like a few years ago.

she didn't want to be like this. she was terrified, but she didn't dare to say it.

she was afraid to see her parents sad. when she opened her eyes a few years ago, she almost didn't recognize her beautiful mother.

"You'll be fine, Mumu." ye liangqiu hugged her slender body and comforted her.

from the beginning to the end, qin mu did not mention a single word about zhou chongguang. however, they all knew that her sore spot was zhou chongguang.

qin anlan had canceled qin mu's plan to go to new York. when gu ze came over to tell ye muyun, he had already guessed something.

that day, he stood in his office for half a day and smoked two packs of cigarettes.

After work, he did not go home or return to the PEI garden. Instead, he called Qin Anlan and arranged to meet him outside.

there were some things that he didn't want to say in front of his mother and mumu.

The venue was a private room in a certain club. When Qin Anlan entered, ye Muyun had already finished half a bottle of wine.

Although he was in a bad mood, Qin Anlan still patted his son's shoulder and teased, "Mu Yun, you didn't know how to drown your sorrows in wine in the past."

Ye Muyun smiled and smoked a cigarette. I'm just a little bored from waiting.

qin anlan sat opposite him, and ye muyun poured him a cup.

qin anlan drank it in one gulp and then said coldly, "Do you know, that brat Zhou chongguang has disappeared!"

ye muyun was silent for a while before softly asking, "dad, did something happen to mumu?"

Qin Anlan shook his head. she's secretly taking medicine again! i'll handle this matter!"

it's not that Zhou chongguang is missing, but he has found a reasonable way for himself to disappear. Don't forget that he's recuperating now. Ye mu Yun's veins were popping.

He knew his Parents 'Choice very well, and he had no reason to blame them.

But Zhou chongguang's heart was truly ruthless.

Qin Mu, to be honest, was also a little beauty. His temperament was pure and light, but to Zhou chongguang, he was just using her?

Zhou chongguang was gambling right now, gambling on ye Muyun's concession.

he was clear that Zhou chongguang wanted his most precious thing to take revenge on him, and Xue 'er was that most precious thing to him.

Chapter 2097: don't wet your pants (3)

He was clear that Zhou chongguang wanted him to lose his most precious thing to take revenge on him, and Xue 'er was that most precious thing to him.

That was why Qin Anlan did not want him to interfere in this matter. Instead, he chose to talk to Zhou chongguang himself.

zhou chongguang's disappearance had already made his attitude clear.

if he didn't want to talk to Xue 'er, then he wanted to talk to ye mu yun.

"I will find him!" ye muyun put out the cigarette in his hand and looked up with a deep gaze. "dad, i was too careless."

Qin Anlan patted his shoulder. no, it's not you! When I was young, I used the same methods. Your uncle Tang wasn't much gentler either. Business is business, and there are a lot of things like this. It's just that we hit a nail."

Zhou chongguang, a natural conspirator, gave people a headache.

The two of them only sat for a short while before they left.

ye muyun sat in the car and called Xue 'er, saying that he was going back to the Pei residence tonight. Xue 'er responded with an "oh" and didn't ask much.

after he hung up, he called Gu Ze again to find out Zhou chongguang's whereabouts.

he sat in the car with the window down and the cigarette in his hand for a long time until Gu Ze called.

"Chairman Ye, Zhou chongguang is currently in a nursing home in a small southern city. "do you need a private plane?" Gu Ze asked softly.

"We'll take off in half an hour." Ye Muyun threw away the cigarette in his hand.

With that, he stepped on the gas and turned the steering wheel in the direction of the airport.

That night, Ye Muyun appeared in the nursing home. Zhou chongguang was still awake and was sitting by the well smoking. When he saw Ye Muyun and the four bodyguards beside him, his expression didn't change at all. He just smiled. you've found them? "

ye muyun stood there, looking at Zhou chongguang in the dark.

it was a very cold night, and Zhou chongguang was only wearing a black shirt, but his face was handsome and handsome. it was no wonder that Mumu was so devoted to him.

Chairman ye, I've changed my conditions. I don't want King Entertainment's shares. Marrying Qin Mu is like having a gold medal that can save me from death. Zhou chongguang laughed lightly. however, CEO ye might lose out a little. They've just gotten engaged, and they'll probably have to break up soon.

"Who gave you the confidence?" Ye Muyun's tone was especially cold. He raised his hand and a few people immediately came up from behind and held Zhou chongguang down.

zhou chongguang's expression was a little nonchalant. " "You're personally taking action this time?"

in the end, you killed me. But I think that after I die, your baby sister will probably take things too hard and follow me. It's worth it. zhou chongguang's head was pressed against the green stone slab. it was slightly twisted and deformed, but it did not affect his performance in the slightest.

ye mu yun stepped on his head and said,"let's see if it's qin mu who can't wait, or your life."

he took out a gun, took out the magazine, put a bullet in, and quickly spun a few rounds.

Zhou chongguang's face was a little pale, and he could guess what he wanted to do.

"Let's play a game! If you can't survive these five shots, then my sister will be buried with you!" Ye Muyun's voice didn't have a trace of warmth. Then, he pointed the gun at Zhou chongguang's temple."we can start counting from now, one by one."

the gun in his hand made a " bang " sound. it was empty.

"I'm very lucky!" "don't pee your pants." ye muyun sneered.

Chapter 2098: She can't take it if he gives it to her (part one)

Zhou chongguang's gaze, under the moonlight, seemed especially clear.

ye mu yun was familiar with the ambition of being able to see the bottom at a glance.

Ye Muyun looked at his eyes and pursed his lips. Then, he fired a second shot.

another empty bullet.

zhou chongguang's forehead was covered in sweat, but he did not beg for mercy. if he did, he would have lost.

what he wanted was to gamble with his life.

ye mu yun's mouth held a cruel sneer. one shot after another, all five shots were empty.

the sixth time, he did not continue.

when he left zhou chongguang behind, zhou chongguang's shirt was covered in cold sweat.

He sat on the large bluestone behind him and sneered at ye mu Yun."chairman ye, are you in pain right now?"

He laughed mockingly. unfortunately, I was in pain before too.

ye mu yun looked down at him from above.”i’ll give you two choices. marry her or stay away from her!”

” you want me to find a perfect reason to leave your sister? are you afraid that she’ll get hurt? ” zhou chongguang laughed lightly. no matter how embarrassed he was, he was still laughing. ” ye muyun, i’ve said it before. you only have two choices. one is your precious sister, and the other is tang xue ‘er. ”

He suddenly pushed away the person holding him down and stood up shakily. He looked at ye mu Yun with a cold expression. ” i won’t change my mind. either you kill me or you die. ”

“you think i don’t dare to?” ye muyun raised his gun and pointed it at zhou chongguang. ” “i said, i want you to be buried with mumu!”

Zhou chongguang clutched his aching heart and slowly stood up straight. He smiled very lightly.”Shoot!”

ye mu yun’s fingers slightly lowered and a mournful voice came from the other side,”mu yun, don’t be silly.”

ye liangqiu stumbled over with xue ‘er and gu ze behind her.

Ye Muyun had never seen his mother in such a sorry state. He was a little embarrassed but he didn’t put down the gun in his hand.

“mu yun, you can’t kill him!” Ye Liangqiu desperately hugged ye Muyun’s arm and said in a trembling voice, ” mom is begging you, don’t kill him!

ye mu yun’s voice was cold. after a while, he slowly said,”what happened?”

Ye Liangqiu closed her eyes. Mumu committed suicide.

Ye mu Yun’s body froze and all the blood in his body seemed to have frozen.

how long has it been, and mumu’s illness has already become so serious?

He didn’t dare to believe it, and he didn’t want to believe it.

And if he was ruthless now, he could just shoot Zhou chongguang to death and bury him with Mumu!

he couldn’t do it, at least not in front of his mother.

“mu yun! i’m begging you!” ye liangqiu sobbed. she had never been so weak before.”Mumu can’t be in trouble.”

Ye Muyun’s eyes quietly looked at his mother for a long time.

his voice was even a little cold.”Do you know Zhou chongguang’s request?”

ye liangqiu looked at her son. she knew that mu yun had always been calm, or else she wouldn’t be so angry.

Ye mu Yun looked at Xue 'er and pursed his lips, " "mom, why did you bring xue 'er here? have you already made a decision in your heart? have you already decided to sacrifice her?"

Ye Liangqiu shook his head."It's not Yingluo, it's not Yingluo."

However, this 'no' was also said so weakly and guiltily.

ye mu yun's eyes were as calm as water. he looked at xue 'er."How about you?"

Xue 'er's face was pale, and she couldn't say a word.

She couldn't say it. In this place, she was in the least position to speak.

Chapter 2099: she can't take it if he gives it (2)

ye muyun looked at his mother. " mom, i'm engaged to her and i've slept with her. "

how to split it?

furthermore, he had never felt any sense of responsibility towards xue 'er. instead, it was a love that went deep into his bones.

Between Mumu and Xue 'er, he was more willing to choose Xue' er.

Because she was innocent, he would not ask Xue 'er to sacrifice her happiness for his sister.

He didn't consider himself, but stood in Xue 'er's position and thought about it.

to him, no matter what the outcome was, it would be a lifetime of sin that could not be redeemed.

however, he could choose to give his happiness to xue 'er. it would be fine as long as she was still happy by his side.

The night wind blew, messing up everyone's hearts.

ye muyun's voice was hoarse,"zhou chongguang would rather die than force me!" mom, are you forcing me to make a decision too?"

Ye Liangqiu almost lost her balance. Gu ze, who was beside her, held her.

after a long time, ye liangqiu finally stood up straight. she looked at zhou chongguang, pursed her lips, and said softly, " "zhou chongguang, i can give all of KING entertainment to you. i think that way, the anger in your heart should also be appeased! please let my child go, okay?"

Zhou chongguang's gaze was cold. Mrs. Qin, do you think that everything can be compensated with money? "

"don't worry," he spat out coldly,"if qin mu dies, your son will kill me to be buried with him."

In the night wind, ye Liangqiu's 'no' was extremely mournful.

xue 'er had been standing and watching all of this.

she was not a fool. mumu was aunt ye's daughter.

between parting and life and death, life and death were naturally more important.

If she was aunt ye, she would also choose to let Mumu live.

Under the moonlight, her tears flowed down, but she didn't feel it.

She laughed softly, a little absent-minded.

she looked at ye mu yun and called out "brother." that sound was like a dream.

ye muyun also watched her dazedly look at each other for a long time.

it was so long that his eyes were sore, and she said softly, " "I'm going to United States next week."

Ye mu Yun's body trembled and his voice was hoarse, " "Xue 'er, what did you say?"

"Zhou chongguang, I hope that you will fulfill your promise," Xue 'er said softly as she lowered her eyes.

She paused for a moment. you're taking revenge on others. One day, you'll be taken revenge on too, Yingluo.

As she spoke, she raised her small face and broke into a bright smile.

she walked towards ye muyun and hugged him tightly, as if this was the last time.

in fact, it was also the last time!

"What is this?" "tang xue 'er, did you ask me for my choice?" ye muyun's voice was cold.

She hugged him tightly in his arms, her voice muffled in his chest and heart. I know you will choose to let me be happy, but I don't want you to live in guilt for the rest of your life. I'd rather you hate me!

She couldn't and didn't dare to want that kind of happiness!

it's too sinful, wuwu.

with that, she slowly withdrew from his embrace, wanting to leave.

However, her small body was immediately caught by him. His palm was like a pair of iron pincers holding her thin arm, and his strength was so strong that it seemed like it was going to break.

xue 'er lowered her eyes. ye mu yun, i can't like you anymore."

she began to struggle desperately, crying and screaming at him, " "mumu is your sister!"

he was still holding onto her little arm, unwilling to let go of yingying.

how could he give up on her?

he had already liked her even before mumu was born.

"It's no use!" she looked at him, her tears falling drop by drop, eating into his heart.

"mumu's not fine. i won't be happy, yingluo. i'll live in the shadows for the rest of my life." she closed her eyes and threw herself into his arms again, hugging him tightly.

however, she only hugged him for a while before pushing him away resolutely.

ye mu yun reached out to grab her but didn't manage to grab her. instead, she snatched the gun from his hand.

xue 'er walked towards zhou chongguang, step by step, until she was right in front of him.

she raised the gun at him, and with a bang, the only bullet pierced through zhou chongguang's leg. blood burst out in a dense mist.

It splattered all over Xue 'er, and her small face was stained with some hot blood, making her small face as white as paper.

"you owe me this! we'll pay with blood!" Her voice was very calm. Zhou chongguang, you win.

And Zhou chongguang bent over, not falling down, and just looked at her in a daze.

Xue 'er didn't look at him again. She turned her head and looked at ye mu Yun in the night.

His eyes were filled with shock.

he was too surprised that he did not manage to catch her in time.

Xue 'er looked at him carefully, as if she wanted to carve him into her heart.

Then, she turned around and left without looking back.

ye muyun quickly stepped forward, but he felt a pain in the back of his head. his eyes were a little straight and he stood unwillingly for a while before finally falling down.

Xue 'er suddenly turned her head and stammered,

Under the moonlight, her tears were still wet.

ye liangqiu closed her eyes and slowly knelt down.

at this moment, she admitted that she was selfish.

Perhaps mu Yun was right. She had brought Xue 'er here as a final preparation.

As for Xue 'er, she knew that she was just helping him.

"i'm sorry!" ye liangqiu murmured, but no one knew who she was talking to.

was it xue 'er or mu yun?

she was actually shocked because of mu yun's choice.

Zhou chongguang stood up slowly. His leg was bleeding, but he didn't care.

He looked at ye mu Yun and smiled faintly. Finally, just like him, he had also lost the most important thing to him.

Xue 'er disappeared. She disappeared on this night.

Ye Muyun searched the entire world but couldn't find Wanwan.

one year, two years, three years were so long that he felt like he had given up.

It was so long that Qin Mu became an adult, Qin Mu married Zhou chongguang, and Zhou chongguang became one of the most powerful people in B city.

Tang Xue 'er still had not appeared.

after that, he thought that she would never appear again.

Later, he had a girlfriend. She was very beautiful, gentle, and cute. He vaguely thought that since he had a girlfriend, she probably wouldn't have to avoid her anymore.

He thought, from the moment he woke up that day, he must have hated her.

He hated her choice and hated her for leaving without saying goodbye.

This kind of hatred faded away day by day, fading into the trivial life and the busy work.

however, it was carved into his bones and no one could see it.

The eighth year she disappeared.

ye muyun became the CEO of bo yi and held 20% of bo yi's shares. he was the most distinguished man in B city.

all the rich and powerful people in B city were trying to curry favor with him, but he still felt lonely.

he spent most of his time in the suite of the GM hotel and rarely returned home, much less pei garden.

even if he did go back occasionally, he would only visit tang yu and pei qiqi and leave after a simple meal.

Because there was no one there that he wanted to protect.
