

Thank you 2101

Chapter 2101: She has returned (1)

at this time, he stood in front of the floor-to-ceiling window of the top floor office of bo yi, looking at B city under his feet, his heart empty.

she asked gu ze about the stock market's movements in a calm voice. there was a hint of fatigue in her voice.

After Gu ze finished speaking, he said quietly, " CEO ye, miss song just called to ask you out for dinner.

Ye Muyun didn't reply and instead said indifferently, " still no news? "

Gu ze was stunned for a moment, then he understood who boss ye was asking about.

after a moment of silence, he said, " someone saw it in new York before, but there was no news after looking for it. "

ye mu yun lowered his head, took out a cigarette and lit it. after a long time, he let out a breath."Uncle Tang wanted to help her, how could he find her?"

He finally turned his head. His face was clear and handsome. Compared to eight years ago, he was a little thinner. He looked very indifferent and did not have any human touch.

Gu ze pursed his lips and didn't say anything. He had never been in a good position to interrupt.

Back then, Gu Mei was sentenced to three years in prison. After she was released, she became Zhou chongguang's Secretary. Gu ze did not know if there was anything between them, and Gu Mei had never mentioned it. However, in the past few years, Gu Mei and Zhou chongguang had indeed been very close.

fortunately, zhou chongguang was smart and nothing happened between him and qin mu. they looked like an ordinary couple.

Gu ze would occasionally see them. Zhou chongguang was as gentle and considerate to Qin Mu as before, but Gu ze felt that Qin Mu seemed to have become indifferent, unlike before.

This was only his opinion as an outsider.

Because of Gu Mei, he paid more or less attention to Qin Mu. He paid more attention and paid more attention, and just like that, a few years passed.

time passed very quickly. gu ze had forgotten that he was already 30 and was still alone.

However, boss ye's girlfriend looked a little colder than him, who didn't have a girlfriend.

After waiting for a long time for his reply, ye Muyun said, "i'm meeting her at 8 pm tonight."

as he spoke, he walked to his desk and put out his cigarette. he took his coat and walked out of the office.

his secretary said goodbye to him, and along the way, the employees all respectfully called him boss ye.

however, all of this had nothing to do with her.

his life had nothing to do with her anymore.

when they got off the elevator, ye muyun looked at himself in the mirror and said in a suppressed voice, " why aren't you back yet?!" "

However, no one could answer him.

he laughed at his own stupidity.

it had been eight years. she had left for eight years without a word and had never returned.

what was he still waiting for?

He laughed at himself and walked out of the elevator.

the black sports car sped all the way back to the pei residence.

qin mo moved out of yun nation, qin mu got married, and there were two children studying abroad. only qin anlan and ye liangqiu were living here.

Ye Muyun would go back once every half a month. Sometimes, he would just sit for a while and leave.

back then, no one had forced him or xue 'er, but the knot in his heart was difficult to untie.

In the past eight years, he thought that Qin Mu had probably noticed something as well, but she had never said anything.

perhaps it was because mumu had grown up and no longer needed anyone to protect her.

And the person he wanted to protect had long disappeared.

Ye Muyun got out of the car and walked towards the main house. He didn't expect Qin Mu to be at his parents 'house as well, so he slowed down his pace.

qin mu had already discovered him.

the 22-year-old qin mu was gentler compared to his younger self, and there was peace in his eyes.

Those who had never come into contact with him would never have thought that Qin Mu, who was in his teens, had died a few times.

Ye mu Yun had complicated feelings towards this sister of his.

Chapter 2102: She has returned (2)

Ye Muyun's feelings towards this little sister were complicated. He didn't blame her, but he wasn't too willing to see her all the time because he would feel heartache whenever he saw her.

He indulged in Zhou chongguang's meteoric rise, and that man was also extremely smart to mind his own business. Furthermore, he was indeed very good to Qin Mu before and after their marriage, acting like a model husband. However, in private, it was not that Zhou chongguang did not have any women.

at least, gu mei was.

at the very least, the small star that zhou chongguang was raising looked 50% like xue 'er. when gu ze showed him the photo, he could tell.

he didn't care if wanwan said that zhou chongguang was qin mu's dream. then, she would wake up from this dream by herself.

so, ye muyun didn't ask much about the couple's matters.

"you're back?" he only smiled.

it was an early autumn day. qin mu stood under an orange tree in the courtyard. she was wearing a light purple top with a long beige dress. her slightly curled brown hair reached her waist. she was already extremely beautiful. at least, she was two streets ahead of that small star.

Ye mu Yun thought indifferently.

qin mu saw him coming over and reached out to hold his arm.

ye mu yun was stunned.

these years, although they were not considered distant, they were not too close either.

in the beginning, mumu had also asked where xue 'er was going, but he couldn't answer, so she didn't ask anymore.

after a long time, everyone was used to ye muyun not having tang xue 'er by his side. only he wasn't used to it.

he had spent ten years to reach her side, and xue 'er had spent one night to leave him.

but even after eight years, he still could not forget it.

perhaps, she would be like a thorn in her life, unable to be pulled out. who knew!

"Big brother." qin mu smiled. " i heard from gu ze that you have a date with someone tonight. "

ye muyun's girlfriend was called song keren. she was 24 years old and looked as sweet as her name. she was also very well-behaved.

however, qin mu didn't think that her brother liked her. at least, she didn't see her brother smile sincerely or look at song keren with that kind of pampering gaze.

she thought that her brother still hadn't forgotten about xue 'er.

ye muyun started to feel a little dazed because qin mu called him big brother.

in the past, there was a little girl who also called him 'brother' for ten years. even when they had sex for the first time, she cried and called him 'brother' in pain.

he kissed her to comfort her and told her that the one who wanted her was her brother. only then did she bear with it.

ye mu yun lowered his eyes and said, "qin mu, why don't you put all your energy into your marriage and manage it well?"

Qin Mu raised his head and looked at him. After a while, he said quietly, " " brother, i want to divorce zhou chongguang. "

ye muyun tilted his head and looked at her fixedly.

he looked at it for a long time.

"Brother, don't make things difficult for him after we get divorced!" Qin Mu reached out and hugged his arm, leaning his entire body towards him. I'm not helping him. I just don't want you to worry about me anymore.

ye mu yun's eyes were still fixed.

"I'm fine!" qin mu smiled faintly. " i just woke up from a dream. "

This dream had been going on for eight years. In fact, it had started from the fifth year, the sixth year, or even the wedding night. She had always felt that this was a nightmare.

it should have ended.

ye mu yun looked at her carefully for a while before asking, " "Why?"

"I don't love him anymore!" "if they don't love each other, then they shouldn't be together," qin mu said bluntly.

Chapter 2103: She has returned (3)

ye muyun didn't say anything and just ruffled his sister's hair.

She had grown up and had her own thoughts. He didn't object if she wanted to continue living like this. If she wanted a divorce, he wouldn't object even more.

As for Zhou chongguang resentfully letting him go, perhaps he should thank that bastard Zhou chongguang for allowing Mumu to start a new life.

Qin Mu laid on his shoulder. After a long time, he said softly, " "brother, she's back."

ye muyun's body was obviously stiff. she didn't need to look to know how shocked he was.

All these years, almost no one dared to mention Xue 'er in front of her brother, and neither did she. she vaguely knew that xue 'er's departure had something to do with her, but she didn't dare to ask yingluo. she admitted that she was timid and hid in her own world, unwilling to come out.

However, when she heard that Xue 'er was back, she decided to end all of this.

her brother was not married, and xue 'er was probably single as well!

Qin Mu took a step back and smiled slightly. I'll be leaving first! Brother, let's have a meal together some other day. We haven't had a meal together in a long time."

ye muyun came back to his senses and nodded. " alright. i'll get gu ze to make an appointment. "

there was a hint of a smile in qin mu's eyes. " it's good that i didn't ask your secretary, zheng xinyi, to make an appointment. "

Ye Muyun understood the meaning in her tone and lowered his eyes. Wanwan is just a more capable Secretary!

qin mu sighed to himself. " brother, don't you realize that zheng xinyi is much prettier than before? "

although she wasn't stunning, she had indeed slimmed down her figure. when she wore a secretary's professional suit and her straight black hair was tied up, she looked very uniform-like. The smell of temptation.

ye mu yun looked at his sister and didn't reply.

in his eyes, a secretary was just a secretary, a walking work machine. it didn't matter if she looked good on the outside.

He did not remember how capable Zheng Xinyi was when she graduated. He only remembered that she was someone who had interacted with Tang Xue 'er, so he used her.

Seeing his attitude, Qin Mu didn't continue. It was obvious that his brother didn't have any intentions and there was no need to say anything.

after a short pause, she left in the chauffeur's car.

In the car, Qin Mu thought that this kind of thing should be more formal. It would be better to talk about it in his office.

"Uncle Zhao, let's go to Rongguang!" He instructed the chauffeur.

Old Zhao was stunned for a moment. Then, he said, " miss, this is your first time going to Sir's company. Let me navigate it first.

When Qin Mu got married, the people around him were all sent by the Qin family. They were more or less afraid that she would feel aggrieved.

And Zhou chongguang had never said anything, probably because he did not take it to heart.

Qin Mu hummed in agreement.

old zhao quickly got the navigation done and changed the route.

when the black audi arrived at the glory building, it did not cause any commotion. the car was too low-key.

"I'll go up for a while. Uncle Zhao, wait for me here." Qin MU's tone was gentle, and he even had a faint smile on his face.

old zhao got out of the car as well. " i'll smoke a few cigarettes then. "

Actually, he was worried. These few years, it wasn't that he didn't see it, but Zhou chongguang had never brought any matters or women to miss. Everyone had silently agreed.

qin mu slowly walked to the front desk. the lady at the front desk did not recognize him. qin mu did not say that he was looking for zhou chongguang directly. instead, he said that he was looking for gu mei. he even called gu mei in front of the front desk.

Chapter 2104: Let's get a divorce (part one)

Gu Mei picked it up as well. She then informed the front desk to let her go up.

the lady at the front desk didn't suspect anything and directly let qin mu go upstairs.

As soon as he left, the two receptionists began to whisper to each other. " i didn't expect secretary gu to have a friend with such a good temperament. one look and i can tell that he's from a good family. there's no trace of smoke or fire on him. "

"Who said it wasn't! General manager Zhou's little eyes are not even half as good as this girl's. The one called Xue Lin is up there now. Secretary Gu is probably feeling uncomfortable and asked a friend to come over and talk to her. " another person laughed. " director zhou seems to have been a little cold to secretary gu recently! "

"You're a man, do you think you won't get tired of playing with him for a few years?"

"that's true!"

their words had more or less reached qin mu's ears.

qin mu only smiled faintly and didn't say anything.

it was good that xue lin was here.

on the top floor, gu mei was holding her phone and her hands were trembling slightly ...

She knew that Qin Mu wasn't looking for her. It was very likely that he was here to check on her.

however, she didn't stop him and let qin mu come up instead. as for zhou chongguang's office, it was very likely that something was going on right now.

Gu Mei looked at the red numbers on the elevator and pursed her lips tightly. In the end, she chose to avoid it.

With a ding, the elevator door opened, and Qin Mu slowly walked out, walking straight to Zhou chongguang's office.

The door was left ajar, probably because he was fearless and did everything without any fear.

Just as she had imagined, the man she had once been deeply infatuated with was currently having an affair with another young woman.

his face was extremely distorted, and he almost staggered in the eye jade.

And that woman was trying her best to please him.

The scene was unbearable.

however, she looked very calm, as if she had been waiting for this day for a long time.

It was as if everything that had happened was normal.

she didn't make any sound, so the man and woman who were in love didn't immediately notice her.

After about five seconds, Zhou chongguang suddenly looked up and saw Qin Mu standing at the door in a daze.

His face instantly became even more twisted, and he almost immediately left the woman's body and pulled up his clothes.

qin mu counted for him. from the beginning to the end, it didn't take more than ten seconds.

She even thought to herself that he only had ten seconds of patience for the woman under him and didn't even comfort Yingluo. What did he want from him? his money or his appearance?

the 28-year-old zhou chongguang, she was naturally clear about her husband's figure. she had married life with him, but it was not frequent, only once a week.

After seeing how cruel he was to this woman, she thought to herself that once a week between them could be considered a way to deal with her.

her husband was on another woman, and she was so passionate!

Just as Qin Mu and Zhou chongguang were looking at each other, the woman lying on the bed was like spring water, asking softly, "Chongguang, what's wrong?"

Zhou chongguang threw her clothes to her. put on your clothes and leave now.

xue lin's face was filled with shock, but she quickly noticed that his eyes were not on her face.

she was stunned for a moment and followed his gaze to the door.

A very beautiful girl was standing there.

She knew that she was Zhou chongguang's wife.

xue lin felt a little guilty. after all, she was trapped on the sofa by her husband.

she knew that general manager zhou had no intention of getting a divorce, so she did not dare to provoke the legal wife now. hence, she obediently put on her clothes. when she left, she looked at zhou chongguang affectionately for a long time.

when she passed by qin mu, she coughed lightly. "don't worry. i don't have any intention of destroying your family."

Chapter 2105: Let's get a divorce (part two)

qin mu smiled and suddenly reached out to stop lin xue.

Zhou chongguang frowned. let her go! talk to me if you have anything to say."

"you think i'm going to make things difficult for her?" qin mu smiled plainly. "

zhou chongguang, don't worry. i just wanted to tell her that it's okay to be a little ambitious because i'm going to divorce you, yingluo. "

Lin Xue's mouth was wide open as she looked at Zhou chongguang uneasily.

“you go first!” Zhou chongguang's voice was almost stern.

Xue Lin was a B-list celebrity. She knew that it was not easy to get a divorce in a rich family.

at this time, her best attitude was to avoid this storm. only then would she benefit in the future.

Lin Xue left quickly, but Zhou chongguang's brows were still furrowed.

He looked at Qin Mu, who was at the door. why didn't you come in? did you find it dirty? ”

qin mu didn't say anything. instead, he walked in directly and sat opposite the sofa where they were having fun.

in the air, there was still the smell of intimacy left behind by the contact between a man and a woman. it was a little disgusting.

“Open the window!” qin mu said calmly.

Zhou chongguang didn't move, but only used his deep eyes to lock her in-

Eight years had passed, and he had long since changed from a sunny youth to a cruel businessman. His face was still handsome, but his temperament was completely different.

qin mu wasn't afraid of him. if he didn't move, she could only move by herself.

she didn't care about the image of her husband having sex with another woman, but it didn't mean that she was willing to stay in such a space.

She got up and was about to open the blinds, but she had only taken two steps when he grabbed her wrist and she fell into a strong embrace.

Zhou chongguang's eyes carried a hint of anger. Qin Mu understood that he was angry out of embarrassment.

“Just for an insignificant woman?” he stared at her.

it doesn't matter if she is or isn't. Zhou chongguang, don't you know that in your heart? ” Qin MU's voice was soft, just like her brown curly hair. Lin Xue, 26 years old. That pair of eyes looked down on Zhou chongguang. It's not easy to find so many similarities.

She spoke calmly, but his expression became a little dark. you investigated me? ”

“i don't need it! Everyone knew that Rongguang's CEO Zhou had a sugar daddy for a small star! Also, I'm probably the only fool in the world who doesn't know that director Zhou and his Secretary are having an affair.” qin mu smiled faintly. ” or do you think that i'll never know if you don't bring an outsider home? ”

zhou chongguang's expression did not look good. he scratched his head, but did not let go of her. ” when did you find out? ”

“It's been two or three years!” qin mu said faintly, ” i've forgotten myself. sorry. ”

Ever since the first time she saw him, she had no feelings for him, for his body, and for his weekly duty as a married couple.

And he had never realized that she had not called out to him again when they were making love.

Not a single sound.

it was probably because the woman outside had completely satisfied him, so when he was with her, he could completely deal with it. he only needed to vent once, and he would be satisfied. just like he had always thought, giving her a little bit would make her happy and satisfied.

in zhou chongguang's eyes and heart, she, qin mu, would never be able to leave him.

therefore, he never needed to be sincere. in fact, he had already given his heart to someone else.

hearing her say this, zhou chongguang was also stunned. he unconsciously let go of her and frowned as he teased, " "Then, where has Mrs. Zhou been for the past two to three years? You don't care?"

Chapter 2106: Let's get! divorce (part three)

Qin Mu didn't reply to him immediately. She paused for a moment, then said in a low voice, " "Maybe it's because I don't love her anymore, so it's not so unbearable!"

" so, this is the reason why you only brought up the divorce two to three years later? " zhou chongguang said sarcastically.

Qin Mu shook his head. i just feel that there's no meaning for two people who don't love each other to be tied together."

Zhou chongguang squinted his eyes and sized her up with a sharp gaze.

After a long time, he stepped forward and pinched her sharp chin. He asked in a light and dangerous tone, " "are you in love with someone else? Eh? just like how you loved me so passionately back then, and now you're like a moth flying into the fire again?"

When he said this, he realized that he was not completely unmoved. He even felt a little jealous.

A man who attracted all her attention, would she give herself to him without any scruples?

She was like a block of wood under him, but in that man's arms, she was as passionate as fire?

Qin Mu looked at him, his eyes clear. Zhou chongguang, whether there is or not, I don't need to explain to you!

she didn't want to talk to him about this because he didn't deserve it!

What she wanted was a peaceful divorce.

But her words caused the suppressed anger in Zhou chongguang's heart to explode in the man's heart. Her words were equivalent to admitting that she had someone else outside.

zhou chongguang's adam's apple could not help but move as he stared at her gentle face.

all these years, she had been living like a prince. all his darkness had not allowed her to see hanhan being well protected.

Now, she said she had fallen in love with someone else.

Did she feel that he, whose hands were stained with blood, was no longer worthy of her love?

zhou chongguang didn't know what he was thinking. he wouldn't allow her to love someone else, yingluo.

So he said,| He pressed down on her head and kissed her forcefully ...

without giving her any chance to resist, he pressed her down on the sofa and exercised his right as a husband.

he remembered that the last time they had made love was half a month ago. when he carried her last saturday, she said that her period was here.

There shouldn't be any now!

just when he was having sex with another woman, he had taken her by force.

qin mu screamed and struggled, but he couldn't escape from xuxu.

Finally, his passion was used on her, and he finally treated her like a beast for once.

However, she didn't feel anything at all. In fact, she was disgusted and disgusted!

she couldn't push him away or resist him. she could only endure hanhan without giving him any reaction.

in the end, zhou chongguang let her off, feeling rather bored.

he didn't tidy up his clothes. he just casually sat down and lit a cigarette.

he took a puff and looked at qin mu, who was still lying down. " you won't even let me touch you? "

"is that man that good? much better than me?" zhou chongguang could not help but ask.

It would have been better if she didn't say it, but once she did, she was furious and wanted to kill her.

In fact, Qin Mu was very beautiful, but on the bed, he was indifferent to her. He knew that he was a little deliberate.

He did like her body, but he didn't want to be addicted to it.

eight years. eight years had not changed much, probably only her.

She didn't love him anymore and ran ran fell for someone else.

"tell me the name of your adulterer." He smoked slowly, still looking at her messy appearance. I want to see who the man you fell in love with is.

"No one!" qin mu sat up and frowned slightly because he was in a mess.

This feeling was terrible to the core.

Chapter 2107: Let's get! divorce (part four)

she didn't want to take a shower at his place, so she directly pulled out a tissue to clean herself up. her actions were very calm and composed, as if she had just had sex outside. it was very normal.

zhou chongguang more or less understood women. after today's incident, any woman would go crazy and argue with him, not to mention that he had forced her to make love on the same sofa. furthermore, his wife was the proud and arrogant young miss of the qin family.

but she endured it and didn't look too angry.

zhou chongguang's throat felt a little blocked. he was convinced that she really, really didn't care about him!

Qin Mu continued, his tone flat. "no one! but zhou chongguang, i think you're dirty."

Zhou chongguang's heart felt as if it had been punched. It was muffled and did not make a sound for a long time.

"i've already signed the agreement. i won't touch rongguang at all. that house was given to me by my mother, so i'll have to trouble you to move out." qin mu talked about the divorce in an orderly manner. he was extremely calm.

Zhou chongguang laughed coldly. what's the point of keeping that house? reminiscing? "

"i will sell it." qin mu told him honestly.

For a moment, his throat seemed to be blocked.

At this moment, the office door opened. Gu Mei stood at the door and was about to speak when Zhou chongguang said angrily, " "Get lost!"

Gu Mei was stunned because he had never been so rough before.

qin mu gave a faint smile. " there's no need to avoid me, right? zhou chongguang, it's not rare for gu mei to see you naked! "

she was gentle, but she hit the nail on the head.

Zhou chongguang's expression was ugly, and Gu Mei was even more embarrassed.

after a while, gu mei still closed the door.

She could roughly guess what had happened in the office. Zhou chongguang had sex with Qin Mu after he had slept with Lin Xue.

what did this mean?

gu mei couldn't be more clear about wanwan's change over the years. it wasn't just qin mu who had changed, but zhou chongguang too.

her body was pressed against the door, and she thought to herself that this move of hers might win in one move, but it might also be a complete defeat.

She could tell that Qin Mu no longer loved Zhou chongguang.

If she loved him, she wouldn't have ignored him, and she wouldn't have said such sarcastic words so calmly.

a woman he didn't love meant that he couldn't have her. the one he couldn't have was the best yingluo.

In the office, Zhou chongguang still tidied up his clothes.

He looked at Qin Mu, and his lips moved. Gu Mei and I are not what you think!

"You and her, you've never slept together, have you?" Qin Mu looked at him and chuckled.

Zhou chongguang was a little embarrassed. Qin Mu, don't be so overbearing. You weren't like this in the past.

"There was no meaning in the past." Qin Mu lowered his eyes,"Zhou chongguang, let's part on good terms!" it's been eight years. the anger in your heart has disappeared."

his face instantly turned pale, and his voice was so cold that ice beads could be shaken out. "you knew?"

you know that you're using me for this marriage, right? " Qin Mu stood up and took out a document from his bag. He pressed it on the table in front of him. "Zhou chongguang, I've already signed it. If you sign it, you can make Gu Mei or even that small star your wife. Why make things difficult for each other?"

zhou chongguang's expression turned even uglier. after a long time, he said in a cold voice, " what if i want to make things difficult for you? "

"i'll sue you for separation." "By the way, I'm also telling you that your things have already been packed," Qin Mu said very calmly.

Chapter 2108: Let's get! divorce (part five)

The veins on Zhou chongguang's forehead were popping out!

When he went out this morning, the servants at home all said goodbye to him respectfully. The cook even asked him what he wanted to eat for dinner, saying that it was Madam's question.

To hell with it!

When did Qin Mu learn these little tricks?!

without his knowledge, they had slept in the same bed for two years!

he had always thought that he was the one dealing with her, but it turned out that she was the one who was perfunctory.

she lay on the bed like a block of wood. she never took the initiative to kiss him. it was not that she was shy, it was not that she did not know how to be romantic, but she had no desire for him.| wang!

zhou chongguang felt like he had been splashed with a bucket of cold water from head to toe.

“i won’t get a divorce,” he said through gritted teeth.

He picked up the agreement on the table, tore it in half, and threw it into the trash without even looking at it.

qin mu didn’t say anything. he still said gently, ” you’re probably too angry. If your body isn’t satisfied, you can carry your luggage and find a Presidential Suite. Then, you can find a woman that suits your taste. Yingluo doesn’t have to force herself to go home every day, and I don’t have to pretend to be waiting for you.

zhou chongguang’s face was completely black.

“qin mu!” “Is this your true face?” his voice was cold.

” using the word ‘face’ to describe me shows how much hatred i have in my heart. so, divorce is the right thing to do. ” Qin Mu suggested to him kindly.

Zhou chongguang glared at her. I’ll go and get it later. But I don’t have the women you’re thinking of.

He was a proud man. If she chased him away, he would not stay.

However, he had never thought of getting a divorce.

How could Qin Mu not have guessed it? she sighed softly. Zhou chongguang, I’m no longer of any value to you, Yingluo.

zhou chongguang suddenly said, ” so, you’ve never been pregnant? ”

he had not noticed it before, since his heart was not with her. but now that he thought about it, they had been married for four years.

He wanted to have fun. When he did it with her, he never used a condom, but his young body never got pregnant.

He had never thought about it before, but now he understood.

from the moment they got married and had their first time together, she had wanted hanhan to leave him.

her first time was after she became an adult. those things that she had thought before didn’t exist.

She didn’t understand and was tricked by him to go for a walk.

Qin Mu didn’t deny it. He nodded. yes. We really don’t need a child!

She suddenly lowered her eyes, her long eyelashes trembling slightly.”i’ve never thought of being a mother.”

When they got married, she was still a child and he didn’t really take care of her. He only left her to the servants and would sleep with her at night.

They had been married for four years, and they had been so unfamiliar with each other that it was laughable. Yet, he still thought that she still loved him!

After Qin Mu finished speaking, Zhou chongguang seemed to be deep in thought. "Perhaps your heart will be at ease when you have a child."

"I didn't use a condom today. Don't take your medicine. From today onwards, we'll have a child." he said decisively.

qin mu laughed again. this time, it wasn't her usual gentle smile. instead, she laughed so hard that she almost cried.

"Zhou chongguang, I want to divorce you! yingluo, let gu mei or those small celebrities give birth to your child. from B city all the way to France, i think there will be women willing to do so." qin mu was so angry that he laughed."also, don't touch me in the future."

"disgusting!" "Because you're dirty!" She spat out.

Chapter 2109: let's get! divorce (6)

As she said that, she walked outside and said indifferently, " " my lawyer will come over tomorrow. i hope you won't tear it up again, because it's not environmentally friendly! "

zhou chongguang was stunned at first, then he pulled her sleeve and said in a bad tone, " "what are you up to?"

qin mu looked at him pulling his arm and only said after a long time, " "Zhou chongguang, I'm not causing a scene."

if you care about those women, I can just transfer Gu Mei away. I can also give Xue Lin a sum of money and let her leave. He thought for a moment before saying this.

Qin Mu raised his eyes and looked at him calmly. Zhou chongguang, I don't care anymore.

he was instantly enraged. " have you ever cared? why didn't you say it back then? when you can't take it anymore, divorce me. qin mu, is this what you think is the most suitable method, huh?"

Qin Mu was still expressionless. if you feel uncomfortable when I ask for a divorce, you can also Sue me. I don't really mind.

zhou chongguang looked at her for a long time before saying, " "i didn't know you were so eloquent in the past. it's such a pity to lock you up at home every day."

"People will grow up. dreams will always wake up! zhou chongguang, i've woken up from my dream." She said it very softly, so softly that it didn't seem like she was talking to him, but rather, she was talking to herself.

zhou chongguang closed his eyes. " i will never agree to the divorce. "

if it's for the sake of reputation, there's no need to. It's very common to get divorced now. Qin Mu smiled faintly. Zhou chongguang, my love has hurt many people. I don't want to deceive myself and others anymore.

"is it because she's back that you decided to let your brother and her be together?" zhou chongguang's voice suddenly sounded a little vicious. " don't forget, your brother has a girlfriend. "

qin mu's lips curved up slightly. " even if we're married, we can still get a divorce. moreover, we're just a couple. "

"What about you?" Zhou chongguang squinted at her. you're helping others? you're letting me off so easily? "

as he said this, he could not help but hold her hand again, as if she would not be able to escape this way.

qin mu shook his head. " there's no such thing as letting you off, zhou chongguang. if i still love you, i don't think i'll let you off. i'll chase every woman who has had sex with you far away. i'll either send them away with money or disfigure their little faces so that they won't dare to provoke you again, yingluo. "

but I don't care anymore, " she mumbled. there's no point in doing all this.

Zhou chongguang looked at her in a daze

"let's get a divorce!" Qin Mu said calmly.

She wanted to let go of his hand, but Zhou chongguang did not let go.

he pursed his lips and said coldly, " very good. you'll use two to three years to heal yourself. you'll divorce me when you're done. "

qin mu did not deny it.

"Very good," he said. Zhou chongguang pursed his lips tightly, but still let go of her.

Qin Mu immediately walked out without a trace of reluctance.

zhou chongguang looked at her back view, and his eyes narrowed slightly.

at the door, zhao ziyi happened to bump into qin mu. he laughed drily. " sister-in-law, are you here to check on us? "

In fact, he more or less knew about the matter. The news had spread in the company that President Zhou and Xue Lin had been caught red-handed by Mrs. Zhou.

Zhao Ziyi thought that he would see Qin MU's face covered in tears, or at least his heart would be in pain. However, Qin Mu was very calm, no different from before.

At one point, Zhao Ziyi thought that he might have made a mistake. In fact, Zhou chongguang had not been caught in the act of adultery.

Chapter 2110: I like her (1)

Qin Mu ignored him and took the elevator down.

Zhao Ziyi pushed the door open, and the aura of a man and a woman's eyes after their sex rushed out.

"Did sister-in-law leave this behind? or did Xue Lin leave it behind?" he asked after a short pause.

Zhou Chongguang stood in front of the floor-to-ceiling windows and smoked. He reached out and pulled open the blinds, and the night view of B City appeared in front of him.

Thousands of neon lights could not shine into his heart.

"Both." Zhou Chongguang's voice was a little dry as he turned around to look at Zhao Ziyi.

Zhao Ziyi was dumbfounded. What was this about Yingluo?

"That's not right. With how much sister-in-law loves you, why didn't she kick up a fuss? Don't tell me you conquered her with your body?" Zhao Ziyi's face was filled with disbelief.

He was Rongguang's vice president. Ever since Zhou Chongguang took over Rongguang, he had followed him. He could be considered to have watched Zhou Chongguang transform from a young and inexperienced teenager into a wealthy and astute businessman.

To be honest, Chongguang had gone a little overboard these few years. He was quite sympathetic to Qin Mu's teasing.

Zhou Chongguang held the cigarette between his fingers and smiled. "Ziyi, she doesn't love me anymore. She didn't come here today to catch you in the act of adultery, but to ask for a divorce."

It was just a coincidence that she was caught in the act of adultery, and it made her reason for the divorce more justified.

Zhao Ziyi was stunned.

The world was changing every day, but he had always believed that Qin Mu's love for Chongguang would never change.

Really, he had never seen such pure and passionate love. Qin Mu Qianqian could be considered to have abandoned everything to follow Chongguang. Although no one had mentioned it to her, she had no reason not to suspect Tang Xue'er's disappearance.

Now you're saying you don't love him anymore, Yingluo.

"It's been two or three years! She said that Yingluo had long found out about me and Gu Mei, as well as the other women." Zhou Chongguang's expression was dark, and he left a long shadow under the neon lights.

Zhao Ziyi was silent for a moment before he spoke, "You want a divorce?"

Zhou chongguang did not reply.

Zhao Ziyi let out a soft sigh. chongguang, if you cared about her even a little, you wouldn't have kept Gu Mei by your side.

No woman could tolerate her husband and Secretary having an affair for a long time. Even if Zhou chongguang did not have that kind of feelings for Gu Mei, they had definitely slept together.

zhou chongguang's face was facing outwards as he said faintly, "she doesn't want anything anymore. she doesn't care about anything."

Zhao Ziyi looked at his side profile and only felt that he seemed to be a little lonely.

He did not make a sound.

After a long time, Zhou chongguang finally spoke, "get a detective to monitor her 24 hours a day. i want to see what she's been busy with recently."

or, did she, wanwan, like someone else?

Zhou chongguang had always felt that only by falling in love with another person would he have the courage to leave his current life.

"If sister-in-law finds out, she might not be happy." Zhao Ziyi frowned.

"she's going to divorce me, why should i care if she's happy?" Zhou chongguang let out a cold Humph.

At this time, Zhao Ziyi could feel that Chong Guang was currently very unhappy.

then all these years, yingluo

Although he had a lot to say, Zhao Ziyi still asked, "chongguang, it's been so many years. Have you fallen for Qin Mu?"

He had a reason for asking this. Qin Mu was very beautiful and could be considered to be on par with Tang Xue 'er. Furthermore, she had a quiet personality and was the kind that was very attractive to men.

All these years, chongguang had left her at home and she had almost no contact with the outside world.

when chong guang first developed, there were many dark things that involved women, and almost all of them were gu mei or other women.
