

Thank you 211

Chapter 211

211 do you love me?(2)

PEI Qiqi was a little shocked. She opened her eyes wide and looked at him in disbelief.

After a long time, she finally found her voice, "you never said anything about Tang Yu!

"I said that Yingluo will get married when she's pregnant!" his tone was very firm. he lifted her up with his large hands and lifted her chin, forcing her to look at him with a burning gaze.

pei qiqi's entire body trembled slightly. she pursed her lips and only spoke after a long time, "but i'm not pregnant, yueyue." she didn't agree to it either.

Tang Yu's fingers tightened. He stared at her little face and didn't miss any of her expressions.

After a long time, he said in a low and hoarse voice, "do you want me to get you pregnant now?"

As he spoke, he couldn't help but feel excited.

pei qiqi shifted uneasily and was held in place by him again, "don't run."

pei qiqi was at a loss. she couldn't look into his burning eyes. she lowered her eyes and said softly, "tang yu, you you you."

"Are you going to get married on the 22nd, or are you going to get married now that you're pregnant?" He was kind enough to give her a choice.

He knew he was being a little rash, but he didn't want to wait any longer. While he waited for her to grow up, there would be too many unpredictable things. So, he decided to make her his and his.

pei qiqi looked at him pitifully. if she didn't choose to get married on the 22nd, would he want yueyue to get her pregnant now?

however, she didn't dare to agree. pei qiqi hugged him shamelessly and didn't say a word.

Tang Yu was disappointed but he still said, "it seems like I have to choose for you!

"don't!" She wrapped her small hands around his neck and said in a low voice, "Tang Yu, I need to think about it!

he had already picked her up and was walking towards the bedroom. when he heard her, he looked down at her and said in a hoarse voice, "then you should miss hanhan."

She cried out in surprise and had already fallen into the bed with him.

at the most crucial moment, her little hands fumbled around. she climbed to the bedside table and took out a small box. her voice was trembling, "tang yu, use this!"

He lowered his head and suddenly felt annoyed. He smacked the box away from her hand.

her small hands were suddenly clasped and firmly nailed to both sides of the bed.

His eyes were fixed on her, and the expression in them scared her. She couldn't help but close her eyes.

Tang mo fiercely bit her neck and angrily came over, as if venting his anger.

Only when he saw her become a completely different person because of him would he feel better.

at the most intense moment, he buried his face in her neck and said in a low voice, "pei qiqi, do you love me?"

when he asked, he had never been so fragile before.

He, Tang Yu, was a high and mighty person. Yet, he was begging for a little girl's love.

After a long time, he didn't receive any response. When he looked up, PEI Qiqi had already fainted. Her face was blushing.

tang yu reached out and took her into his arms. he held her carefully and patted her back gently.

however, she was unaware of how gentle he was.

Tang Yu looked at her cute little face and smiled bitterly, "if it was jinrong, Qiqi, would you agree?"

The next morning, when PEI Qiqi woke up, Tang Yu was no longer in bed.

she sat up and ran her fingers through her messy hair, feeling a little hungry. she didn't seem to have eaten last night and could only remember hanhan.

Her expression changed. Tang Yu walked into the bedroom. He was already dressed neatly. His expression was calm, "do you want to go to the office?"

Chapter 212

212 the one and only love (1)

she was stunned for a moment and realized that he didn't want to talk about that matter again. she couldn't help but sigh in relief and quickly said, "i have to go to school in the morning to settle the suspension procedures. i'll only go to the company in the afternoon!"

Tang Yu looked at her and paused, "okay, I'll go to work first.

He bent down and kissed her on the lips. be careful!

PEI Qiqi looked at him and pursed her lips. She didn't say anything.

Tang Yu smiled and patted her head, "give me a call after work, i'll pick you up!"

PEI Qiqi looked at him and suddenly felt a little upset. No matter what, she couldn't avoid it. She wanted to use Tang Yu.

it was like a dying person grabbing onto the last life-saving grass.

.....

tang yu went to the company. xiao ran reported his schedule for the day and left. meng qingcheng came in, "tang yu, i heard that pei qiqi took over the pei corporation."

tang zheng looked at him. " you're very well-informed! "

meng qingcheng smiled, " of course, i care about pei xiao qi too! "

Tang Yan glared at him and Meng Qingcheng immediately changed his words, " it's PEI Qiqi.

Tang Yu lowered his head and looked at the documents. He mumbled a soft " uh-huh ". Meng Qingcheng didn't want to give up. He leaned over, " are you really willing to let her go to a place like Wanwan? "

The business world was like a battlefield. It wasn't fun. Besides, PEI Qiqi was a young lady. With her looks, it would be strange if she didn't get eaten!

tang yu was silent for a moment. he put down the documents in his hand and looked at meng qingcheng, " go to the media and let them know that yueyue, i have the intention to marry pei qiqi. "

Meng Qingcheng was stunned for a moment. Then, he looked at Tang Yu, " for real? "

tang zheng frowned slightly. " when did i like to joke? "

meng qingcheng quickly said yes, but he still didn't understand. why would tang yu and xuanji like a girl like pei qiqi?

He had the best appearance, but his background was also the most complicated!

"Still not going?" Tang Yan glared at him, and Meng Qingcheng quickly left.

after the door closed, tang yu let out a long sigh. just like qingcheng said, he never wanted to do it, but so what?

that girl was extremely stubborn. if he did not let her do it, their relationship would probably go back to the freezing point.

Tang Yu felt that he was being patient and forgiving towards her, but he didn't know if she would understand!

Xiao ran entered and saw the president looking a little upset. He walked over gently and placed a stack of documents in front of him. President, there will be a meeting later.

Tang Yu raised his head and looked at her, " Xiao ran, go and gather some information on the PEI family for me.

xiao ran had a rough idea of what was going on. he nodded and said, " i'll go and prepare immediately. "

Tang Yu got up and went to a meeting. When he came back, there was a thick stack of documents in front of him. They were all from the PEI family.

he sat down and watched quietly. the more he watched, the tighter his brows furrowed.

He remembered that a month ago, the PEI family was not in such a bad state. However, it was not an exaggeration to describe them as being besieged on all sides.

for such a company to be handed over to pei qiqi ...

this wasn't pampering, this was clearly a burden.

Tang Yu was a little annoyed at PEI Ming and Yingluo.

After a long time, he made a call to the marketing department. manager Liang, if there's any suitable business recently, the amount isn't big, within 100 million, please keep it for me.

tang yu didn't want to throw money at pei qiqi. that wasn't what she wanted. he could only help her in secret.

this was the love he gave her, one of a kind.

Chapter 213

213 the one and only love (2)

pei qiqi went to the school to apply for a leave of absence. principal wang felt it was a pity. a South Africa diamond was going to disappear from the school?

" qiqi, this degree will always be reserved for you. you can come back whenever you want, but you should come back earlier. after all, wanwan. " he said.

PEI Qiqi understood principal Wang's meaning. She pursed her lips and acknowledged him in a low voice.

When she walked out, she saw Lin jinrong standing at the end of the long kapok Avenue.

he looked at her from a distance, but he didn't approach her. he just stared at her.

PEI Qiqi also didn't take a step forward.

Too many things had happened in the past few months. When she saw him again, it felt like a lifetime had passed ...

After a long time, Lin jinrong disappeared from the other end.

PEI Qiqi looked on and her eyes started to water.

there was someone standing beside her. it was chen xinjie.

" pei qiqi, if i were you, i would choose to be attached to a man! " chen xinjie tilted her head and looked at pei qiqi, " "You know, you're stupid. Do you think you can support a company with your abilities? Don't be funny! in the end, she would still throw herself into tang yu's arms and cry. the one cleaning up the mess would still be tang yu."

pei qiqi looked ahead and listened to the words in her ears. after a long time, she turned her head and looked at chen xinjie.

he hadn't seen xuxu for a long time, and chen xinjie was a little different from before.

In the past, Chen Xinjie didn't care much about her appearance. Now, she was dressed up exquisitely. PEI Qiqi looked at her and smiled, " what does that have to do with you? "

chen xinjie was stunned. then, she said unhappily, " tang yu will never marry you. just thinking about you and lin jinrong is enough to make him depressed. "

pei qiqi didn't say anything and walked straight ahead.

she didn't care about these people. she only cared about pei ming, yingluo, and that person.

however, that person was someone she could not care about.

With every step PEI Qiqi took, she felt like she was walking on the tip of the knife.

she didn't know if she was a joke like chen xinjie said, but she wasn't going to ask tang yu for help. she would feel guilty!

when she arrived at the pei corporation, she still had a headache looking at the documents that were particularly unfamiliar to her. the company was also a bit messy. zhou meilin didn't give up and incited some of her old subordinates to make things difficult for pei qiqi.

Secretary Xiaowen had actually blocked some of it, but she couldn't block all of it.

During the meeting, PEI Qiqi was teased that she didn't understand.

after she left the meeting room, her back was already covered in cold sweat even though it was late autumn.

Due to the PEI family's financial crisis, several major shareholders have requested to withdraw their shares, and some orders have also been withdrawn by buyers.

pei qiqi couldn't solve any of these.

Xiaowen held onto a thick stack of documents and looked at PEI Qiqi with sympathy in her eyes.

boss pei must have a headache. it's not easy for a young lady!

however, she would rather follow pei qiqi than follow an old witch like zhou meilin. at most, if the company collapsed, she would just have to find a new job. this was what xiaowen secretly thought in her heart.

PEI Qiqi sat in her office with a financial report in her hand. The PEI family's start-up capital was not enough. One million Yuan wasn't even enough. On the day PEI Minghe passed away, Zhou Meilin used all sorts of excuses to empty the company again.

boss PEI, if those shareholders want to withdraw their shares, the company won't be able to fork out that much money. If they make a scene, it'll be a big problem! xiaowen said worriedly.

Chapter 214

214 the one and only love (3)

boss PEI, if those shareholders want to withdraw their shares, the company won't be able to fork out that much money. If they make a scene, it'll be a big problem! xiaowen said worriedly.

PEI Qiqi knew in her heart that this was all Zhou Meilin's trap. She wanted to make things difficult for her and make her give up on the company, Hanhan.

“little wen, let me think about it.” pei qiqi smiled faintly and then looked at the report again.

Xiao Wen pursed her lips. alright, boss PEI. I’ll go out first. Call me if you need me.

xiaowen walked out and pei qiqi stayed there until 10 pm. when she returned, she was still holding a stack of documents.

Tang Yu didn’t go home either. After she opened the door, she heaved a sigh of relief, put down the food, ate something, and started to read the documents again.

other than money, her mind was still filled with qian qianqian.

pei qiqi didn’t think that one day, she would become so unscrupulous and realistic.

Suddenly, she thought of King Entertainment. Perhaps she could tease him a little, but when she thought of Tang Yu, PEI Qiqi hesitated for a moment. However, she made her decision after a moment.

When she went to bed, Tang Yu wasn’t back yet. It was already one in the morning.

At around 2 pm, Tang Yu finally returned. He was a little tipsy but he didn’t go to the shower. Instead, he went to the bed and touched her.

During this period, Qiqi had lost a lot of weight. He really couldn’t bear to part with her, but what could he do?

This little guy is so stubborn.

in his heart, he hoped that she would continue her studies and that they would get married after she graduated.

His fingers gently touched her small face and he smiled helplessly. He walked into the bathroom to take a shower. When he came out, he was refreshed.

looking at the shadow under her eyes, he was reluctant to touch her, but that did not include daybreak.

when pei qiqi woke up, she saw tang yu’s handsome face magnified. he slept late but he didn’t look tired at all. he was still extremely handsome.

she had just opened her eyes when she was kissed. then, her pajamas were lifted up.

her small hand grabbed his big, evil hand. ” tang yu’s voice in the morning was still a little hoarse. ”

Tang Yu didn’t stop. He pressed her down and pressed his thin lips against her neck, ” what time did you come back last night? ”

his voice was warm and he was occupying her like that. pei qiqi couldn’t take it anymore. she raised her neck and stuttered, ” 10. ”

He paused for a moment and then simply stopped. He hovered above her and looked at her intently. After a long time, he said softly, ” Qiqi, I’ll get the chauffeur to pick you up every day, okay? Yueyue, you’re not allowed to reject me!

he domineeringly mumbled into her ear. pei qiqi looked up and saw him in a daze.

“i’m worried!” his fingers touched her little face gently, but he didn’t let her go. however, he was worried that they both had to go to work soon, so he decided to end it quickly, even if he wasn’t satisfied.

after breakfast, tang yu took her to the office.

When they got out of the car, Tang Yu suddenly held her hand and took out a check from the central control. The amount wasn’t too big, just 20 million Yuan. It was just enough to solve the PEI family’s urgent need.

he placed the check in her hand. ” qiqi, this is not a deal. ”

pei qiqi looked at him and pursed her lips into a straight line. she pinched the check and placed it back into the cabinet, ” i don’t need it now. i’ll get it from you when i need it. ”

his gaze was deep, but he did not say anything in the end.

Chapter 215

215 you’ve underestimated me!(1)

PEI Qiqi opened the car door and got out. Just as she entered the company, Xiaowen told her a piece of good news, ” this morning, the business department received an order worth about 80 million Yuan. According to the contract, we can earn a net profit of more than 10 million Yuan. Although it’s not a big order, it’s already very good for the current situation.

“Let me see!” pei qiqi immediately reached out.

xiaowen handed the document to her and showed her her finger. ” ” it’s a new product from jiamei, and we can buy it twice. this product is very popular now, and we don’t have to worry about sales at all. many mobile phone and electronic manufacturers are fighting to buy it. ”

Xiaowen thought for a while and said, ” the delivery will be quick! Boss PEI, this is a great opportunity to build a good relationship with jiamei. It will bring us many opportunities in the future.”

she actually wanted to say something, but she swallowed her words.

It was obvious that boss PEI did not know that jiamei was a subsidiary company of Sheng Yuan. Xiaowen had made the smart decision not to tell her.

PEI Qiqi looked at her for a long time before looking up at Xiaowen, ” “Is this reliable?”

xiaowen blinked. ” i think jiamei has a good reputation. however, if boss pei is still worried, you can go back and get someone to help you take a look. ”

she did not say who this person was. even if she did not say it, boss pei would know.

pei qiqi understood. she closed the document, ” then, i will think of a way to get the starting capital. ”

xiao wen muttered in her heart. what else could she do? she could just tell tang mo.

PEI Qiqi looked at her, ” what do I have to do in the afternoon? ”

” there’s only one meeting this afternoon, but it’s not too important. ” xiaowen immediately said.

pei qiqi thought for a moment, ” i’m going out in the afternoon. i won’t be returning to the company. ”

.....

KING entertainment.

Qin Anlan was sitting in his office with a glass of red wine in his hand.

The entire office was decorated in an artistic style with rich colors, but it was more of a dark style.

There was a knock on the door, and then his Secretary came in. President Qin, a lady wants to see you.

every day, there were many women who wanted to see president qin, but she had never informed them. today, the girl who came was simply too good-looking and didn’t seem like those pestering women.

qin anlan put down the cup in his hand, his expression unfathomable.

that little rat had finally arrived.

the secretary was a little surprised. he let her in without even asking?

However, she still left the room and brought PEI Qiqi in, ” “president qin, i’ll go get a cup of coffee.”

Qin Anlan nodded. After the door closed, his gaze fell on PEI Qiqi’s face, ” you’ve thought about it? ”

As he spoke, he picked up a box of cigarettes on the table and lit one up. He slowly took a puff and looked at her.

pei qiqi stood there, ” i want to know what kind of advertisement it is and how much is it? ”

qin anlan smiled and the corners of his lips curled up. ” for a newbie, a kasaya is usually only worth around 500000 yuan. however, if there’s a guolu scene, it’ll be a million yuan! ”

“i want 20 million!” PEI Qiqi was expressionless.

Qin Anlan’s fingers, which were holding the cigarette, trembled. Then, he paused and looked up at her. His expression seemed to suggest that she had gone crazy.

even an a-list international movie queen might not have this price.

PEI Qiqi walked closer to him until she was in front of his desk, ” Qin Anlan, just because you took the initiative to bid with me, you’re worth this price, right? ”

Chapter 216

216 You’ve underestimated me (2)

Qin Anlan leaned back against the back of the leather chair and reexamined the young lady in front of him.

in her eyes, there was a rare hint of perseverance.

“It seems that you really need the money.” he put out his cigarette, “ why didn’t you ask tang yu for it? you’re actually spending tang yu’s money by using this method.”

PEI Qiqi lowered her eyes and her long eyelashes trembled. After a long time, she chuckled, “ it’s probably to put my heart at ease!

qin anlan’s expression changed slightly. he stared at that small face that was enough to topple a city before he spat out a sentence word by word, “ “you’re in love with him, aren’t you?”

pei qiqi looked up and stared at him. he thought he would see her in a sorry state or panic, but he didn’t.

She just smiled. President Qin, if you sign a contract with me, I can tell you the answer.

“what if i don’t really want to know?” Qin Anlan sneered and reached out to pinch her little chin.

This was probably a habit because he had always treated the women around him this way. Of course, other than Shen Lian.

pei qiqi dodged.

qin anlan retracted his hand and quietly looked at the girl in front of him. he roughly understood why tang yu was interested in her.

She was indeed a little girl who was not easy to deal with.

After a long time, he smiled. alright!

he pulled open the drawer and took out a contract, handing it to her. ” “take a look. if there’s no problem, then sign it. the advance payment is 50%.”

pei qiqi took a look. it was an international brand of skin care products. it was a very big brand. the agent in the asia-pacific region was the shen family’s ‘jin taihe’.

she raised her eyes and looked at qin anlan. ” i want to ask if you need any fruit dew? ”

Qin Anlan’s lips twitched. this is an international brand. It’s for the sake of its image. It won’t reveal too much.

pei qiqi knew in her heart that she wouldn’t reveal too much, but she would still have a certain amount.

pei qiqi knew the purpose of this. if she were to appear naked in the commercial, tang yu would skin her alive!

At this moment, she was a little hesitant, but it only lasted for a few seconds.

she read the contract carefully and made sure that there were no problems before signing her name. “the penalty is 200 million!” Qin Anlan pressed down on the papers, giving her one last chance.

PEI Qiqi lowered her head, ” I know, but I have a condition.

He slowly raised his eyes. I need to agree to Yingluo’s condition. Otherwise, I’ll tear it up right now.”

qin anlan smiled slowly. ” of course you can. KING is a legitimate company. you won’t do anything that goes against the contract for personal reasons. ”

pei qiqi let go. qin anlan took out his checkbook and wrote a check for ten million yuan. he said calmly, ” the shoot will be next week and will take about two days. there’s no need for outdoor shoots. everything will be done in the studio. of course, jin tai and the person-in-charge will also come over to take a look. ”

He paused for a moment. it’s someone you know, Shen Lian. Is that a problem? ”

pei qiqi just pursed her lips and didn’t say anything.

Qin Anlan’s gaze turned deeper. were you like this when you were with Tang Yu? ” you, don’t you want to please him?”

Tang Yu was a person that was hard to please. Qin Anlan knew this better than anyone else.

He originally thought PEI Qiqi was an innocent girl. But now, it seemed like she was full of thorns and wasn’t very likable. Qianqian really didn’t know how Tang Yu fell for her!

Chapter 217

217 You’ve underestimated me (3)

PEI Qiqi was stunned, ” he doesn’t like people to please his Yueyue.

Usually, he was the one who made her happy, and it seemed to be so.

although pei qiqi only said one short sentence, it contained too much information. even qin anlan choked on his cigarette and choked for a long time.

He looked up at PEI Qiqi. PEI Qiqi had already patted her P * s and left with the check.

he didn’t know why, but he thought that maybe one day, the girl tang yu doted on so much would also bid her P * s and leave tang yu.

the door closed and shen lian walked out of his lounge. she looked at qin anlan and asked, ” have you signed it? ”

Qin Anlan did not say anything. He just threw the contract over.

Shen Lian held the contract and sneered, ” I’ve overestimated her. She’s no different from those gold-digging women. She’s willing to take off her Kasaya for 20 million.

Qin Anlan leaned back on the chair. Long she placed her legs on the edge of the desk and took a deep puff of her cigarette. then, she looked at shen lian, ” if she took off her clothes in front of tang yu, i think tang yu would be willing to give hanhan a billion dollars in one night. ”

Shen Lian was a little annoyed.

He was unmoved. He held the contract and said, "Shen Lian, this is King Entertainment. The artistes that I sign will be under my control. Ran ran will not cross the line!

Because PEI Qiqi was the person he had his eyes on. She was the Pearl he had his eyes on.

In time, she would definitely shine.

He would not allow her to have any scandals.

Shen Lian was stunned. She originally thought that Qin falan wanted to sign PEI Qiqi because of her.

But now, it was obviously not the case.

an LAN, give her to me. Shen Lian's hands were placed on the office table opposite him. At this time, she was wearing a suit. With her waist bent like this, the spring scenery could be seen at a glance.

Qin Anlan looked at her quietly. He knew that she was seducing him.| Lure him!

She had used this trick a few years ago.

Qin Anlan sat there without a sound and let her unbutton his buttons ...

when she sat in his arms and tried to kiss his chin, qin anlan grabbed her sharp chin and said with an icy expression, "I'm not drunk right now and I'm not Tang Yu!

After he finished speaking, he ignored her and pushed her away. He tidied his clothes and turned around to look at the embarrassed Shen Lian. do you know? "there are several types of women. one is what i want, one is what i hate, and the last is a commodity!"

right now, pei qiqi was just a product to him, and a top-tier product at that.

Shen Lian was the type of woman that he wanted but also hated.

his body wanted her, but in his heart, he was repulsed and even disgusted by her.

A woman who had someone else in her heart was offering her flesh for that man.| Body, to him, was an insult.

an LAN, you don't want me? "Shen Lian's arm was wrapped around his neck and her body was pressed against his. Her voice was soft and charming.

She was really beautiful, the kind of cold and elegant beauty that made people feel cold.

Qin Anlan looked at her and wrapped one hand around her waist. He pressed the internal line with the other and said in a cold and emotionless voice, "Jessica, bring the new artiste this month to my office for an audition!

shen lian was stunned.

"qin anlan, you'd rather have them than me? "Shen Lian gritted her teeth.

He grunted and still hugged her kindly. do you want to put on your clothes first? the air conditioning here is very strong.

before shen lian could say anything, the door opened. jessica had already brought the newcomers in.

Chapter 218

218 You've underestimated me (4)

The newbie was very young, beautiful, and obedient.

she knew that she was here for an 'audition', so she walked over obediently, raised her little face, and began to kiss qin anlan.

jessica went out tactfully. she was the agent with a group of newcomers.

Qin Anlan carried the girl named Xiao Yan and placed her on his desk. As he kissed her, he unzipped her back. He did not care that Shen Lian was present.

shen lian just stood there with an indescribable embarrassment. at this moment, she felt as if she had returned to the past.

she wanted tang yu, but tang yu couldn't touch her.

now, qin anlan was touching someone else's kiss in front of her.

"Qin Anlan, are you crazy?" shen lian had always been a proud person. she never thought that one day, qin anlan would treat her like this.

Didn't Yueyue love her a lot?

he loved her so much that he was willing to do anything for her!

qin anlan looked up from the woman's arms. his eyes were a little cold. "do you think that i have to listen to you obediently just because i slept with you once?" shen lian, you may not have underestimated me, but you have also overestimated yourself."

He had taken that girl called Xiaoyan right in front of her.

that girl was very sensible. at first, he was the one who came, but later, he took the initiative to serve qin anlan.

The scene was explosive!

shen lian just stood there and wrapped herself tightly with her coat. she did not want to look or listen ...

but those voices kept drilling into her ears, and she couldn't hide even if she wanted to.

Half an hour later, Qin Anlan zipped up his clothes and was already dressed neatly.

he patted xiaoyan and wrote a check for her. xiaoyan was a sensible girl and left with the check. serving boss qin once was 500000 yuan. this was KING's public secret.

however, only the small circle of people in KING entertainment knew about this. no one outside would know about it and they didn't dare to say a word.

furthermore, qin anlan had a habit. when a small star became a hot star, he would not touch them anymore.

The people he touched were all newbies, so in King, they all said that it was an audition, but it was only an audition for the bed scene!

after the girl left, qin anlan looked at shen lian and fixed his tie with a calm expression. " did you see that? to me, women are just a passageway. you, on the other hand, are just a little more expensive. "

he had directly exposed her beautiful dream and made her stop thinking that qin anlan was still the man who would let her do whatever she wanted and silently guard her from behind.

he took out a cigarette and lit it, his voice a little hoarse. " "Shen Lian, actually, after we did it that time, we could have been very happy. However, you and I, we are not each other's salvation! never, not in the past, and not in the future."

"What about PEI Qiqi? Will you touch her?" ever since she was young, shen lian had only cried for tang yu. she was as proud as a little princess but today, qin anlan did it. he threw her pride and self-esteem to the ground and stepped on it.

Qin Anlan chuckled. He looked at her with a cold gaze, " I told you, she's an expensive product. Also, I'll never touch Tang Yu's woman again.

However, Qin Anlan had never thought that one day, he would fall in love with his merchandise. He loved her so much that he was willing to give up everything for her.

"bastard!" shen lian glared at him and finally walked out.

Qin Anlan just sat there, smoking his cigarette indifferently. There was not much expression on his face, and no one knew what he was thinking.

Chapter 219-disobedient, ruthlessly fix!

After a long time, he picked up PEI Qiqi's contract and called Jessica, " spread the news that King has found the most suitable person for this season's advertisement. It's a newbie. I want to be on the headlines for three days straight.

jessica was a little worried,"president qin, won't this be too much exposure?" It's not good for an artiste's development."

"Let's do this." Qin Anlan had already decided to hang up, ran ran.

when pei qiqi walked out of KING's building, it was already evening. she went to the bank and transferred the money to the pei family's account.

because of jiaimei's order and the transfer of funds, the shareholders who were about to withdraw their shares had renewed hope and began to question zhou meilin's words.

After all, Tang Yu, the president of Sheng Yuan, was standing behind boss PEI. He could save the PEI family with just a scratch. Should they not wait and see?

PEI Qiqi called for a meeting to temporarily appease them.

As they walked out of the meeting room, Xiaowen said, "boss PEI is getting more and more into the situation. The two people today have been working in the company for many years. They're not good people. They must have seen that boss PEI has the ability to bring the company back to life and only relented now.

pei qiqi walked into her office and slumped into her chair. she shook her chair a few times and laughed bitterly, "it's not that easy! Little Wen, it's only been a few days. I'm feeling very tired."

Xiaowen's voice became gentler. pay attention to your rest. Don't push yourself too hard.

I don't want to, but Zhou Meilin has been forcing me. As long as I make a mistake, she will instigate the shareholders to sell their shares.

She took a pen and drew on a piece of paper. Xiaowen, sort out the company's accounts for the past year and give it to me.

The moment Xiaowen heard this, she understood what she meant. She couldn't help but be stunned. She looked at PEI Qiqi with some hesitation. after all, it's still Qianqian. she didn't finish her sentence but PEI Qiqi understood.

"just do as i say!" The pen in PEI Qiqi's hand paused and she drew a line on the paper.

zhou meilin sold her and angered her father to death. she transferred a large amount of money from the company behind her father's back. wasn't it right for her to go to jail?

Xiaowen's gaze became a little far-reaching. Perhaps she had underestimated boss PEI before.

Boss PEI was far from being a 20-year-old girl. When necessary, she would be more ruthless than anyone else.

after she left, pei qiqi sat in her office for a long time before she prepared to go back.

when she got downstairs, the driver was already waiting for her. it was a black audi, which was considered low-key.

when they arrived at xia city, tang yu still didn't go home.

These days, she was late, but he was even later than her. PEI Qiqi could vaguely feel his emotions but she didn't probe further. She walked into the bathroom and took a shower. When she came out, she was a little upset.

Even though the company's matters made her confused, Hanhan's death was far from as sad as PEI Minghe's death.

that kind of hatred seeped into her bones. every moment, she wanted to send zhou meilin to prison until she died of old age.

pei qiqi's eyes landed on the cigarette box tang yu placed on the table. she looked at it for a long time before she walked over and picked up the cigarette box and lighter.

she sat on the toilet bowl and mimicked him, holding a cigarette between her fingers and lighting it up with a lighter. she looked at it, then carefully moved her small mouth closer to her mouth. she took a puff and immediately choked, coughing so much that tears almost fell.

just then, the door opened. tang yu looked at his little pet in shock.

Chapter 220

220 if you don't listen, you'll be ruthlessly punished!(2)

Tang Yu looked at his little pet in shock.

She was smoking in Xuxu?

and it was his cigarette!

as she coughed, she brought the cigarette closer to her mouth. that intoxicated expression made him want to hit her kasaya hard.

thinking this way, he did it.

pei qiqi was shocked. she looked up and her eyes were still wet as she stared at him in a daze.

"You've grown? Did you smoke? Hmm?" tang yu pulled open his tie, walked into the bathroom and closed the door.

pei qiqi sat there and didn't dare to move an inch. she still had that pitiful cigarette in her hand!

(yan expresses that he is very innocent!!!)

tang yu sat on the edge of the bathtub opposite her. his legs stretched out comfortably and were almost touching her feet.

his dark eyes were locked on her eyes, not letting go of any of her expressions.

She was stunned for a long time before she suddenly stubbed the cigarette butt into the ashtray.

She looked at him pitifully-there was no more!

Tang Yu smiled and reached out to take the box of cigarettes. He lit one and took a puff, "do you want to smoke?"

PEI Qiqi didn't say anything and just stared at the red cigarette butt.

her eyes were pure and sexy, innocent and seductive.

he held the cigarette in his hand and looked at her with a hint of encouragement in his dark eyes (so sinister!!!).

she mustered her courage and got up, half-kneeling in front of him as she moved closer to him.

her long black hair was scattered behind her, and she was only wearing a white silk nightgown with a loose belt.

His eyes were dark as he watched her intently.

The PEI Qiqi at this moment was the ultimate killer of men. No man could remain unmoved when he saw her like this unless he was a eunuch.

her little mouth finally moved closer and took a puff of the cigarette. this time, she didn't choke.

tang yu looked at her and squinted his eyes.

"it's easy to draw, isn't it?" Tang mo sneered.

When PEI Qiqi was alerted, it was already too late. He quickly put the cigarette between his lips and grabbed her thin wrist.

he looked down at her. "you should reflect on yourself here. "

as he said this, he went to take a shower and threw pei qiqi by the toilet.

"tang yu!" It was uncomfortable for her to be tied up, and what was even more detestable was that he made her kneel there.

this was too embarrassing, and her knees would hurt.

she called him for a long time, but he ignored her and continued to take his bath.

when tang yu came out, pei qiqi stopped screaming. she half knelt on the ground and her forehead was covered in a thin layer of sweat.

He actually dared to smoke!

this punishment was still light.

She watched him come out and mewled like a kitten, " Tang Yu.

It was pitiable.

tang yu just looked at her and sneered, " do you know you're wrong? "

she nodded hard, her voice still like a kitten, " "will you let me go?"

Tang Yu walked over, picked her up, and untied her, " go and wash up. It's so stinky!

It was rare for him to speak in such a disdainful tone. PEI Qiqi immediately went to take a shower.

She returned to the bedroom. The light was a little dim and Tang Zheng was leaning on the bed, his eyes deep.

PEI Qiqi's heart skipped a beat!

She adjusted her bathrobe, carefully lifted the blanket, and lay down beside him.

Tang mo looked at her sideways. He didn't move and quietly took out a cigarette from the bed and lit it.
