

Thank you 2111

Chapter 2111: i like her (2)

no one had ever touched a single hair on qin mu.

Were these considered love? zhao ziyi wanted to hear it.

zhou chongguang very quickly and calmly said, "never liked!"

"Then let's get a divorce!" zhao ziyi's mood was complicated. "let her go."

zhou chongguang looked at zhao ziyi, his gaze much deeper. "i don't have any plans to change wives."

"gu mei is more suitable than her! no matter how much fun you have outside, i think gu mei will be able to endure it and will also manage the company well." zhao ziyi very seriously suggested.

but zhou chongguang immediately denied it. "a wife is not a subordinate."

"Chongguang, think about it carefully. Have you ever liked her? if you have, try to get back at her and don't hurt her heart. If Yingluo isn't here, we'll be safe." zhao ziyi said these words with confidence. all these years, he had been by zhou chongguang's side and felt that he could still say a few words about zhou chongguang's family matters or emotional aspects.

Zhou chongguang's gaze was slightly cold. Ziyi, you seem to be very concerned about Qin Mu.

zhao ziyi's expression did not change. "i just feel that yingluo is a wife worthy of love. she's not someone who's been neglected."

zhou chongguang's expression turned even uglier.

After a moment, he said, "you like her!"

it was not a question, but a statement.

Zhao Ziyi liked Qin Mu, so he had been speaking up for her.

After he finished speaking, Zhao Ziyi didn't deny it.

The atmosphere became tense.

after that, zhou chongguang threw a punch over, and it landed solidly on zhao ziyi's nose, almost breaking his bones.

with a bang, zhao ziyi's body fell to the desk behind him, and he was hit again.

he supported himself up with one hand on the edge of the table. he wiped his hand and found that it was covered in blood.

zhou chongguang stood there, his chest heaving up and down violently. "zhao ziyi, she's my wife."

He had always treated Zhao Ziyi as a brother, but now Zhao Ziyi actually said that he liked his own wife.

this was simply ...

Zhao Ziyi's face was in a sorry state, but he didn't back down. He said very indifferently, "I like her, I've liked her for several years! If you give up on her, I'll pursue her. "

Zhou chongguang laughed coldly and suddenly pulled open his tie, his voice carrying a hint of coldness. "do you think she'll accept you? Ziyi, in her heart, you and I are just like a nest of snakes and rats. Stop dreaming."

"I'm different from you." "i like her, i won't hurt her," zhao ziyi said quietly.

Zhou chongguang was very frustrated. He could feel that Zhao Ziyi was serious.

he reached out for a cigarette, lit it, and finished half of it before he said, " "Give up. I won't divorce you."

Zhao Ziyi looked at him and suddenly said, "Chongguang, she won't like you anymore."

zhou chongguang's hand that was holding the cigarette trembled. zhao ziyi continued, " i think i know why, yingluo. "

He chuckled. her taste hasn't changed. You know Zhao Yan, right? He was Lin Yun's son, the most popular pianist in the past. His existence was like the White moonlight. oh right, he opened a restaurant on the second ring road. he would occasionally go there to play for an hour or two. sister-in-law yueyue would also go there on that day."

the cigarette in zhou chongguang's hand broke into two!

He narrowed his eyes and looked at Zhao Ziyi. why didn't you say so earlier? "

Zhao Ziyi smiled bitterly. I've seen it a few times. I thought sister-in-law was reminiscing about your past, but I didn't expect that Yingluo had a change of heart!

Chapter 2112: I like her (3)

Zhou chongguang's face had already turned completely black.

Zhao Ziyi's words had indeed provoked him. So, this was the truth behind her wanting a divorce!

"give me the address." He looked at Zhao Ziyi. put away your thoughts. I won't get a divorce.

zhao ziyi wiped his wound, and said in a faint and bitter voice, " "Then don't hurt her again."

He lowered his head and wrote down the address."zhao yan will be going to the restaurant tonight. he goes there every friday."

After he finished speaking, Zhao Ziyi left to apply medicine to heal his injuries, as well as the wound in his heart.

He did like Qin Mu. He couldn't tell Qin Mu, but telling chongguang was the only way to help her.

Zhao Ziyi's smile was a little desolate. He knew that he would never be able to win Qin MU's heart. Ever since he started following Chong Guang, he was no longer a clean Zhenzhen.

In the office, Zhou chongguang clenched the note in his hand.

8 pm.

there was a new western restaurant in the second ring road of B city called 'starlight' in chinese. it was opened by zhao yan, the youngest musician. business was particularly good, especially on friday nights.

At eight o'clock sharp, ye Muyun's car was parked in the open-air parking lot. When he got out of the car, he ordered Gu ze, "wait for me here for an hour.

Gu ze nodded, but he was sighing in his heart. You're having dinner with your girlfriend. Why did you bring your assistant over?

Would an hour, or even an hour, or a week, be enough for miss song to complain about?

however, dating ye muyun was already tough!

Boss ye was very busy. He was so busy that he had no time to accompany his girlfriend. He was so busy that his girlfriend took the initiative every time they went on a date. He was so busy that when song keren was mentioned, boss ye would be slightly stunned as if he had said the wrong name.

the name that was buried deep in ceo ye's memory should not have been completely erased from his mind. otherwise, song keren had occupied the seat for quite some time, and ceo ye was already of marriageable age, but there was still no news from him.

sometimes, gu ze even wondered if boss ye was in love, or was he simply looking for another woman to remind himself that he had already forgotten about a certain someone and no longer cared?

Ye Muyun slowly walked into the restaurant. Song keren had already arrived ten minutes ago. She had booked a table with a good view so she could enjoy the piano performance.

When ye Muyun came in, he accidentally bumped into Qin Mu.

The two of them had just met in the afternoon, and now that they met again, they both felt a little awkward.

"You're here to eat with keren?" Qin Mu asked very indifferently.

Ye mu Yun lightly nodded and looked inside."you're alone?"

Qin Mu nodded.

ye muyun didn't have any intention of introducing his sister to song keren. instead, he chose to stand with her and talk.

"i just realized that it's zhao yan's restaurant." "he's pretty good at playing the piano," ye muyun said, hitting the nail on the head.

qin mu naturally heard the hidden meaning in his words. he pursed his lower lip and then said softly, "i thought you didn't like to listen to piano performances."

ye muyun smiled and changed the topic. "you went to see zhou chongguang in the afternoon?"

qin mu looked at him, his expression a little confused.

"there's a hickey on your neck!" "You changed your mind?" ye mu Yun said lightly.

Qin Mu was a little embarrassed. He reached out and stroked his neck, but he still spoke the truth. I saw him with a small star at his company. He was forced to do it.

her words were enough to show that she still wanted a divorce.

ye mu yun looked at zhao yan who had already come over. she hesitated for a moment before asking, "Qianqian, are you a man who likes to play the piano?"

Chapter 2113: The scene of adultery (1)

Ye mu Yun looked at Zhao Yan who had already come over. She hesitated for a moment before asking, "Qianqian, are you a man who likes to play the piano?"

This question was actually a little subtle.

Qin Mu shook his head, 'no, he played very well! it's very artistic, and it's very enjoyable to listen to. that's all."

Ye mu Yun patted her shoulder and paused. "Actually, it's fine if you like it."

Zhao Yan's wife was a good person, especially with her temperament and personality.

Qin Mu continued to shake his head and suddenly said, "brother, i want to go abroad."

Ye mu Yun was stunned.

"I'm going out for a walk. I'll be back." Qin Mu smiled. brother, you should go over. She's waiting for you.

ye muyun turned his head and saw that song keren was already walking over.

It was obvious that Qin Mu didn't want to have any contact with song keren, which was why he reminded him.

ye muyun thought for a moment and walked over. he stopped song keren halfway. "qin mu has an appointment. "

Song keren wanted to say hello, but seeing that ye Muyun had already sat down and Qin Mu had also walked to the front seat, she could only give up.

she felt a little uneasy.

They had been dating for quite a while now, but they were still at the stage of eating, and at most, they only had light kisses.

sometimes, she had already closed her eyes, but his kiss would suddenly stop. when she opened her eyes, she would see his eyes searching her face, and there was a slight pain in his eyes.

was she the one who made him suffer?

song keren slowly realized that he was looking for another woman's shadow on her face.

He had loved someone else before, deeply, but she couldn't care about it because no one had mentioned it.

no one around him dared to mention that person's name.

She was still uneasy because he hadn't brought her home to get in touch with his family, Yingluo.

qianqian was still his girlfriend. they had not made any progress in the two months they had known each other.

"i've already ordered the dishes. they'll be served in a while." song keren's voice was sweet as she said,"this can save time." how much time do you have to eat today?"

"Until nine O'clock!" Ye Muyun said indifferently.

Song keren looked at the time. It was already 8:20 pm. Apart from the half an hour for lunch, she had ten minutes left.

she couldn't help but feel disappointed, but she still tried to find a topic to talk about with him.

Her gaze landed on Qin Mu and realized that he was alone. Hence, she mustered up her courage and said, "Mumu's friend doesn't seem to be here. How about we share a table with her?"

ye mu yun drank a small half cup of pre-meal wine. when he put down the cup, he said,"She's meeting the owner of the restaurant here, who is also playing the song."

song keren was stunned for a moment before she laughed. "i was being nosy! he's very handsome!"

however, she remembered that qin mu was married before. mu yun seemed to be very supportive of him coming out so openly to look for the right person!

Song keren was very troubled, but she did not dare to say anything. After the main course, she finally found an opportunity to place a gold-stamped invitation on the table. my gallery has an art exhibition next week. Muyun, can you come?"

Ye mu Yun casually picked it up and said in an indifferent tone,"i may be scared."

After he flipped it open, he saw the names of a few artists carved on it. The second one was Tang Xue 'er, and her English name was annn.

Qin Mu said she was back, but he didn't expect her to swagger back like this.

Chapter 2114: the scene of adultery (2)

qin mu said she was back, but he didn't expect her to swagger back like this.

did she really think that after a long time, he wouldn't hold it against her anymore and that everything was in the past?

when song keren heard those three words, she was a little disappointed that ran ran wouldn't be free!

But the words in ye mu Yun's mouth took a turn and became: "I think ran ran isn't too busy."

Song keren's eyes brightened up. She was pleasantly surprised and so excited that she did not know what to say.

"I'll be there on time." "I have to keep a low profile. I'll only attend it as a personal guest." He stood up and smiled.

Song keren understood and watched him leave.

Although it was the same as before, he wouldn't send her home, and he wouldn't say any sweet words to her, but this was enough. At least he valued her enough.

Song keren's eyes turned pink. She felt that the song "to Alice" that Zhao Yan played on stage was especially good.

She even wondered if she could ask Zhao Yan to play this song when she married mu Yun. It would be very dreamy.

Outside the restaurant, ye Muyun called Gu ze. I don't need the car anymore. You drive the car back.

Gu ze was stunned. Was it raining?

CEO ye is going to spend the night with miss song and Wanwan today?

Gu ze did not leave immediately and remained in the car.

After a while, he saw ye mu Yun walk out alone and walk towards a dark place.

the darkness lit up with a little bit of red, and from time to time, it would move up and down.

Boss ye is smoking?

was he smoking alone instead of with song keren?

Gu ze narrowed his eyes. His eyes flashed and he saw that in the car opposite, the person sitting was actually Zhou chongguang.

Zhou chongguang had one hand outside the car window, and he was also holding a cigarette in his hand, but his eyes were staring at the restaurant.

His gaze was as if he was catching an adulterer.

gu ze frowned. could it be that qin mu was also inside?

On the other side, Zhou chongguang narrowed his eyes and looked at Qin Mu in the dining room.

What Zhao Ziyi said was true. He saw Qin Mu supporting his chin like a young girl and looking at Zhao Yan who was playing the piano. His whole body was like a fangirl.

This was his wife, but she was looking at another man with such a gaze.

He snorted coldly, just because Zhao Yan could play the piano?

He looked at her smiling at Zhao Yan and the way they were chatting happily.

He was almost certain that she had shifted her love to someone else!

Sure enough, her taste had not changed at all. She liked the Prince of piano.

No wonder she said that he was dirty. In fact, it was not that he was with another woman, but that she had found a new target. Compared to Zhao Yan, Zhou chongguang was indeed full of the stench of money.

After Zhou chongguang had smoked a pack of cigarettes, Qin Mu finally came out.

zhao yan personally sent her to the door. they smiled and said goodbye, and even hugged.

Qin Mu walked towards his car. Just as he was about to open the door, a pair of strong arms hugged him from behind.

“are dog one man and woman all so open and aboveboard now?” Zhou chongguang’s voice was clear. Zhao Yan is a public figure, after all. Isn’t he afraid of destroying his future by hugging a married woman like this? ”

qin mu was shocked at first, but he knew it was him later.

She paused for a moment, then said mockingly, ” Xue Lin seems to be a public figure too.

“She’s just a third-rate celebrity.” zhou chongguang said nonchalantly, ” i’ve never thought about having a future with her. what about you, mrs. zhou? you want to marry zhao yan? ” don’t forget that your family and the tang family have a feud!”

Chapter 2115: forcing her again (part one)

Qin Mu paused for a moment and lowered his eyes. Zhou chongguang, I’m not as one-sided as you. You want to bring anyone to bed.

After he finished speaking, he bit her neck ruthlessly. As if he was venting his anger, he not only bit her neck, but also bit the thin flesh on her ear.

qin mu couldn’t take it anymore and spoke with hatred,”zhou chongguang, this is a public place!” even if you don’t want your face, i still want it!”

“then we’ll do it at home!” his original gnawing action became slow and somewhat seductive. ” “mumu, huh?”

qin mu’s body stiffened for a moment. after a while, he smiled gently. ” i’m different from you. ”

“what’s the difference? We can get used to each other?” He rubbed his head against her neck.

If coaxing her could dispel her thoughts of divorce, then he was willing to give in for the time being.

“Humans and animals are different.” Qin Mu spat out these few words softly and pushed Zhou chongguang away fiercely.

zhou chongguang took two steps back and stood still. the two of them looked at each other under the neon lights. there were stars in her eyes.

it was like her tears.

“Qin Mu, will you still cry for me?” Zhou chongguang’s voice was slightly hoarse. He raised his hand, wanting to touch her, but she avoided it.

he laughed and said mockingly, ” “With a new person, you’ve forgotten about the old?”

” qin mu, don’t forget that i haven’t signed yet. you are still my wife, zhou chongguang. ” he did mind that she might have already reached that stage with zhao yan.

qin mu didn’t want to talk to him. he pursed his lips. ” if you want to think that way, you can! ”

her gaze fell far away. ” zhou chongguang, i can love anyone in this world but you. ”

as she spoke, she opened the car door and got in. when she closed the door, she swung it very hard, almost clamping zhou chongguang’s hand.

the car drove away slowly. zhou chongguang did not give chase. he just looked on indifferently, feeling inexplicably irritated.

she was serious. she really wanted to divorce him.

she and zhao yan, i’m afraid it’s true!

not bad, she had to find a spare child first before asking for a divorce.

she had grown up!

Zhou chongguang smoked two cigarettes on the spot, then got into his car and left quickly.

all of this fell into gu ze’s eyes.

He sat in the car. It was dark in the car. He could see the outside, but the outside could not see him.

looking at all this, he could guess that qin mu and zhou chongguang seemed to have really fallen out.

It wasn’t strange! if qin mu didn’t have that illness back then and just happened to meet zhou chongguang, he might not have been dead set on zhou chongguang for so many years.

Now that she was awake, it was good.

the reason why gu ze did not go out was because of his identity.

He was Gu Mei’s older brother, and Gu Mei and Zhou chongguang had an improper relationship. If he were to be the hero saving the beauty, Qin Mu Qianqian, stop joking!

Zhou chongguang’s car was driving very fast and returned to the villa on Qingshui Road at almost the same time as Qin Mu.

when he got out of the car, qin mu got out of the car as well. she had always been in good shape. even though so many things had happened today, she still got out of the car leisurely, but her expression was a little lazy.

seeing that he had returned, she didn't say anything and just went upstairs.

zhou chongguang's face was dark as he slowly followed behind.

when they reached the bedroom upstairs, qin mu sat on the sofa and rubbed his forehead. he said lightly, " "your luggage is here."

zhou chongguang looked over and saw two suitcases.

qin mu's voice was faint. " these are the ones you use more often. i've thrown away some that i don't use. "

Chapter 2116: Forcing her again (2)

Zhou chongguang's eyebrows twitched, then he scanned the bedroom-

as expected, there were no traces of him living here. she had cleaned it up completely.

Even the wedding photo was gone. A landscape painting was hung in the original place.

"where's the wedding photo? did you throw it away too?" he seemed to be asking casually.

Qin Mu hummed in agreement. there's no use keeping it.

she slowly opened her eyes and looked at zhou chongguang. " "i'll put the house up at the agent's office next week."

"you're not planning to leave anything behind, are you?" Zhou chongguang laughed coldly. Qin Mu, your infatuation in the past, has it all disappeared? "

she didn't make a sound and only looked at him in a daze.

the warm yellow light shone on her face, making it look especially bright and clean.

as he looked at her, he couldn't help but think that she was blessed by the heavens. it had been so many years, or rather, these two or three years, she had clearly not been doing well, but she still looked the same as before.

Qin Mu was the kind of person who had the innocence of a 22-year-old, but she had the charm and calmness of a 30-year-old.

If she was released like this, she would be swallowed alive immediately. She must not know how tempting she was.| People!

just thinking about it made zhou chongguang's eyes turn red.

He squinted his eyes and looked at her blushing face.

she had drunk! He could almost immediately confirm it.

after a moment, he slowly said,"i will find a house as soon as possible. i will stay in a hotel for the time being." if you change your mind, yingluo can call me or go to the company to find me. "

Qin Mu sighed faintly. Zhou chongguang, if this is your way of salvaging the situation, you don't have to.

she raised her eyes and looked straight into his eyes. " i won't change my mind. "

he believed her words. she had never been a pretentious woman.

she had always been firm and stubborn, determined to take a path until she was at the end of her rope.

was he the one who made her feel like she had no way out?

Zhou chongguang looked at Qin Mu silently for a while before saying, " "i won't agree to the divorce."

" but i, yingluo, will definitely leave you. " Qin Mu rubbed his slightly painful forehead. "Zhou chongguang, can you be more reasonable?"

Reasonable?

His expression was extremely ugly, and without her knowing, he had already pulled her into his arms.

qin mu looked over in shock, then struggled to get up. " zhou chongguang, are you crazy?! "

"what about after the divorce? are you going to be with that pretty boy zhao yan? Hmm?" zhou chongguang's voice was cold,"you can't wait to climb into his bed?."

Qin Mu couldn't take it anymore. With a slap, he slapped him."Enough!"

after a crisp sound, the world became quiet.

this was the first time they had hit each other before and after their marriage, and it was her who had hit him!

zhou chongguang's face was dark as he squinted his eyes."Qin Mu, give up on the idea of getting a divorce!"

as he said this, he forcefully pulled the kasaya with his large palm.

Spring cleansing cried out in shock.

He ignored her struggles and forced her to whine for the second time today.

Qin Mu struggled and screamed, but he couldn't stop him.

The 28-year-old Zhou chongguang was no longer the teenager he was back then. He was now a man with a six-pack.

he fiercely occupied her, and if she didn't listen, he would hold her hand, raise it high, and pin her firmly.

When she didn't respond, he would use all sorts of methods. He forced her to call him Yingluo.

Probably because the commotion was too loud, the servant knocked on the door and asked worriedly, "Sir, Madam?"

Chapter 2117: forcing her again (3)

Probably because the commotion was too loud, the servant knocked on the door and asked worriedly, "sir, madam?"

"Get lost!" Zhou chongguang's voice was filled with anger and desire, followed by a series of ambiguous sounds.

the servants outside blushed and didn't know what to do.

and in the bedroom, zhou chongguang looked down at her from above. he pinched her chin with one hand. "am i more able to satisfy you, or is it him?"

Qin Mu shook his head and couldn't say anything. He was in a daze.

she was bullied by him to the point that tears were flowing down her face. that look of hers was pathetic and pitiful, and it could even arouse the desire of men to conquer her.

"tell me, am i better or is he better!" his eyes were bloodshot as he forced himself on her while saying shameless things.

after they got married, he had always been cold and restrained to her in bed. he had never played any tricks on her.

Tonight, he had been provoked and used all of them.

the more silent she was, the more he wanted to force her to break down.

in the end, the man's deep-rooted bad nature prevailed. he was probably too angry, and he actually did something that crossed the line.

qin mu's eyes widened. he looked at him in disbelief.

since he had already done it, he had no reason not to enjoy it to the end, so he narrowed his eyes ...

when he was done, qin mu couldn't hold it in anymore. he rushed to the bathroom and vomited on the toilet bowl.

She vomited so much that her bile was almost gone before she collapsed to the side.

Zhou chongguang stood quietly at the door of the washroom, looking like an evil god.

he went forward, grabbed qin mu, and kissed her on the lips.

he carried her under the shower in the bathroom, but he still didn't let her go.

he seemed to have gone crazy tonight.

qin mu was still in a daze. when he woke up, he was still continuing. when he fainted, he was still continuing to whine.

he only let her go when it was almost dawn.

The two of them were lying on the bed, and the air was filled with the smell of intimacy left behind by a man and a woman.

However, they were so close, but their hearts were so far apart.

qin mu closed his eyes and said weakly, "zhou chongguang, it's no use!"

"do you dare to say that you're not comfortable and that you didn't enjoy it?" he opened his sharp eyes and reached out to pinch her little chin. "i can move out for a while, but that doesn't mean i'm willing to give up on the marriage! qin mu, we'll talk after you've thought it through."

with that, he got up and put on his clothes, his movements elegant.

qin mu didn't move until he put on his clothes. only then did a word burst out of her throat. "get lost!"

Zhou chongguang's expression was ugly, but in the end, he still endured it.

When he left, the sky had already turned white. They had indulged in the night. For a man, he naturally needed to rest. However, he knew that with him here, she would not be able to rest well.

as he had said, he was willing to give her time.

however, a large part of the reason was because of yingying's rudeness last night.

he had never been so rough to a woman before, including the women he had paid to beat up.

qin mu had always been soft-skinned and should have been injured last night.

Zhou chongguang's car turned around again and went to a pharmacy to buy some external medicine, then returned to the house on Qingshui Road.

when he passed through the hall, the servants in the house looked at him with a complicated expression.

Zhou chongguang went upstairs, but he didn't see Qin Mu.

he then came down and caught a maid. "Where's Madam?"

Madam is having a fever. Old Zhao has sent her to the hospital. The maidservant said in a trembling voice, not daring to look him in the eye.

Chapter 2118: A chance encounter is better than a chance encounter (1)

zhou chongguang frowned. "which hospital?"

The servant shook his head. I don't know. But Sir, you can call old Zhao.

zhou chongguang's expression was a little dark as he looked at old zhao's phone number. he didn't even have the contact information of the people around her.

usually, she would stay at home obediently, and nothing would happen. she would only ask him if he was coming home for dinner. there had never been a situation where he couldn't find her when he came home.

therefore, he didn't need to know any of this.

at the same time, zhou chongguang recalled that in the past two to three years, she had almost never called him. she did not care if he had returned home or if he had eaten.

The more he thought about it, the more flustered he felt.

after getting into the car, he smoked a cigarette and made a call to zhao ziyi, " "Check old Zhao's phone number."

"What's wrong with this?" Zhao Ziyi frowned.

he didn't know why, but zhou chongguang was especially willing to tell zhao ziyi about how he had hurt qin mu-probably to make him give up!

"I didn't control myself well last night! Qin Mu is injured, so old Zhao is sending her to the hospital." Zhou chongguang took a puff of his cigarette and blew out a smoke ring. His gaze seemed unfathomable in the smoke.

Zhao Ziyi's voice was a little tense. what's wrong with her? "

"Ziyi, she's still my wife." Zhou chongguang lowered his voice.

Zhao Ziyi's voice was also a little cold,"she has proposed a divorce!" &Nbsp;

"But I was exercising my husband's right last night." Zhou chongguang's voice was very low. Ziyi, you'd better get rid of that thought. I won't let go.

On the other side, after a while, Zhao Ziyi said with some ridicule, " then i'll have to trouble you to find the number yourself, director zhou. from today onwards, i'll be on leave for a month! "

After that, he hung up the phone.

zhou chongguang wished he could smash his phone.

He was extremely depressed. His woman wanted a divorce, and his brother had betrayed him!

In the end, he still dialed Gu Mei's number. Gu Mei quickly gave him old Zhao's number.

"is qianqian starting to care about her?" gu mei asked softly.

Zhou chongguang sneered. Gu Mei, she's my wife. Shouldn't I care about her? "

Gu Mei chuckled. but when have you ever treated her as your wife? "

after that, she hung up the phone.

zhou chongguang narrowed his eyes. this time, he really smashed his phone.

When he arrived at Sheng Yuan hospital, she was already in the VIP Ward.

old zhao scratched his hair at the door. ” it’s not a big deal. it’s just a little torn. ”

zhou chongguang’s expression did not look too good. old zhao’s gaze was subtle. ” then i’ll go back and get something first. mr. zhou, you can take care of it here. ”

Zhou chongguang nodded his head. bring someone who’s efficient in his work. Come over and take care of her.

old zhao understood. it was more convenient to have a woman take care of him!

however, he had been living in this small family for several years. this was the first time that the two of them had said something like this. he did not expect to be hospitalized all of a sudden.

how could they be so rough about the matter between husband and wife?

Old Zhao was only a driver and a rough man, so it was not appropriate for him to say these words out loud, so he kept it to himself.

After old Zhao left, Zhou chongguang strolled into the ward.

Qin Mu fell asleep, probably because he was too tired.

he walked over and quietly looked at yingying’s pale face next to the pillow. her long black hair covered half of her face and was wrapped around the snow-white pillow.

that look was clearly fragile and made people pity her, but zhou chongguang’s mind was filled with the image of her enjoying herself in his arms last night, and his body was actually a little tense.

Chapter 2119: A chance encounter is better than an invitation (2)

Zhou chongguang held it in and reached out to touch her forehead. It was very hot.

At this moment, the nurse came in for an IV drip. She looked at Zhou chongguang and asked unhappily, ” “Are you the patient’s family?”

In fact, they all knew each other. Which one of boss ye’s sister and brother-in-law didn’t know?

Zhou chongguang nodded.

the nurse sneered. ” you’re quite ruthless. don’t tell me that it was just pure pleasure. this is clearly domestic violence! ”

zhou chongguang was about to flare up when the nurse’s voice became more restrained. ” do you know what kind of harm your actions will cause to women? if it’s light, it’ll be an external injury, and if it’s serious, it can even lead to eternal infertility.”

Infertility?

zhou chongguang was originally about to flare up, but suddenly, his breathing became lighter.

“if you don’t cherish a wife like miss qin, you’ll regret it if you lose her.” the nurse started to lecture him. ” how good are women outside? ”

Zhou chongguang’s eyebrows twitched. The nurse’s words revealed a message-

it was about zhou chongguang’s romantic past. probably everyone in b city knew about yingluo.

” there are many rich people who play with women, but yingluo doesn’t have a wife as young and beautiful as her. ” the nurse’s voice was a little soft. ” if you don’t love her, then let her go. ”

after he finished speaking, everything was done. he took a look at zhou chongguang, signed the papers, and left.

Zhou chongguang’s gaze landed on Qin Mu, who was lying down. His gaze was a little complicated. “Did you also hear about me from them?”

Other than that time in the office, had she ever seen Yueyue with another woman outside?

All of a sudden, Zhou chongguang felt that it was perfectly reasonable for her to not love him anymore.

that’s right, what’s there for her to miss about a man who messed around outside?

zhou chongguang laughed, and it was a bitter laugh.

since when did he become too lazy to even deal with her? that was why he didn’t care so much about her finding out about those things. was he certain that she wouldn’t kick up a fuss once she found out, or did he want her to kick up a fuss?

In the end, she neither cried nor threw a tantrum. She tolerated him for two to three years before Hanhan told him that she didn’t love him anymore.

In the end, it seemed that he was the one who felt uncomfortable.

Even now, when he felt guilty, he still could not let go of her.

He thought that perhaps he could restrain himself for her. If she did not like Gu Mei’s existence, he would transfer Gu Mei to a branch company overseas. If she did not like Xue Lin, he would dump Xue Lin. Anyway, there was still Zhao Xue and Li Xue. He did not care that much.

what he wanted to do now was not to take back her heart and make her fall in love with him again. then, she would wait for him at home as usual.

He would probably come home often. He could change from once a week to three times a week. This was enough for a woman.

He could slowly deal with all these things with her.

the gentleness in zhou chongguang’s eyes was quietly replaced by a scheming look.

However, this time, he had miscalculated. He had lost her, and he had lost himself!

when qin mu woke up, zhou chongguang was still in the ward. when he saw that she had woken up, he smiled lightly.”Are you feeling better?”

Qin Mu looked at him and didn’t say anything. He turned his face to the other side.

He knew that she was angry because of his rudeness last night, so he said in a low voice, ” “you have to tell me next time it hurts.”

“There won’t be a next time!” qin mu’s voice sounded unfamiliar,”if there’s a next time, i’ll sue you for marital rape!” You don’t care, but you can’t have such a scandal in your company!”

zhou chongguang did not say anything else.

he stayed by her side and watched her close her eyes in pain.

after a while, he still didn’t stop. he said softly, ” “does it hurt a lot?”

qin mu opened his eyes and looked at him without any expression.”why didn’t you ask me if it hurt when you were having fun?”

Zhou chongguang was stunned for a moment, then sighed softly, ” “Have a good rest,”

Qin Mu closed his eyes and ignored his sobbing.

when old zhao came over, zhou chongguang had not left yet.

old zhao was stunned for a moment. he stepped forward and said softly, ” “Sir, why don’t you go back to the Qingqing hotel to rest first?”

zhou chongguang looked at old zhao. old zhao said in a trembling voice, ” “Well, I’ve brought Mr. Zhou’s luggage.”

Zhou chongguang laughed coldly. you’re really loyal.

Old Zhao was silent for a while before he slowly said, ” “These past few years, miss has not been happy.”

“is she happy now?” Zhou chongguang’s voice sounded a little dazed,”did Zhao Yan bring her happiness?”

Old Zhao couldn’t say it, so he just said frankly, ” there’s no meaning in being tied together without feelings. Fortunately, there are no children.

Zhou chongguang’s gaze landed on Qin MU’s lower abdomen. After a while, he said in a low voice, ” “maybe she’s already pregnant.”

at this moment, he was actually looking forward to the appearance of a child. at least, he could stop her from getting a divorce.

He knew Qin Mu. If she had a child, she would most likely give up and accept her fate.

moreover, with a child, she wouldn’t be so bored. her heart would be at home and she wouldn’t have to worry about her personal gains and losses.

in the current situation, zhou chongguang was trying to keep this marriage, but he still kept it. he was only used to qin mu.

“She won’t abandon the child,” he said in a low voice.

Old Zhao didn't know what to say for a moment.

"You guys go back first and come back in the afternoon." Zhou Chongguang's voice was slightly deep.

He had a meeting to attend in the afternoon, so he could accompany her in the morning.

Old Zhao froze for a moment, but finally gave in.

No matter what, Zhou Chongguang was still the Miss's legal husband, so he had to respect him.

Old Zhao still left first, bringing Zhou Chongguang's luggage back.

Zhou Chongguang had originally planned to move out with a backbone, but now he changed his mind. At least for the time being, he didn't want to leave.

He hadn't slept the whole night, so he leaned against the bed for a while. After a while, he heard her weak voice. "Don't let me go, Qianqian! Zhou Chongguang said that I don't love you anymore and that I want to divorce you."

He opened his tired eyes and heard her say such heartless words. He found that his heart was a little numb.

He wiped the sweat off her forehead with a towel. After a long time, he said in a low voice, "You don't love me anymore because of the woman outside? If I cut off all ties with the women outside, will you change your mind?"

She was still unconscious and could not answer his question.

Zhou Chongguang waited until noon, but she still did not wake up, or she did not want to see him after she woke up.

Zhou Chongguang leaned close to her ear and said in a low voice, "Mumu, I'm going to the company first. We'll talk later tonight."

She only needed to stay in the hospital for two days, and the doctor said she could go back at night.

Qin Mu ignored him and continued to pretend to be asleep.

Zhou Chongguang felt a little helpless and went back first.

After he left, Qin Mu turned around again and stared at the closed door in a daze.

She lay down and thought about what had happened in the past two days.

She could guess that Zhou Chongguang did not want a divorce. No man liked a divorce, especially with a wife who did not make a fuss.
