Chapter 2121: A chance encounter is better than an invitation (4)

but this didn't mean anything. it couldn't prove that he had feelings for her.

If he had feelings for her, he wouldn't have found so many women outside.

Qin Mu closed his eyes and felt much better. He asked the servants at home who had come to take care of him to prepare some food.

she had brought ah xiang over from the qin family. she asked worriedly, "Should I tell Madam?"

qin mu was stunned for a moment. "don't say it," he said. "my mom will be worried again!"

Because of her, her mother and brother had always had a knot in their hearts. Although they didn't say it out loud, the cracks were deep inside.

how could she not know?

Ah Xiang responded with an "Oh."

qin mu propped up his body and glanced at ah xiang. "where's uncle zhao? let him in for a while."

Ah Xiang was stunned for a moment and immediately went to call for help.

after a while, old zhao came in. when he saw qin mu lying weakly on the hospital bed, his heart felt stifled.

Zhou chongguang had gone too far.

Qin MU's voice was gentle. did Zhou chongguang leave his things behind?"

Old Zhao hesitated for a moment before nodding.

Qin Mu thought for a while. then, book a hotel room for me later. I won't be going back first.

If he wanted to stay there, then let him stay!

"Miss, how can we do that?" old Zhao was stunned.

"ah xiang just needs to follow me. zhou chongguang will move out in two days." qin mu's tone was light, but there was also some certainty.

Although Zhou chongguang didn't love her, she understood his personality to some extent.

he also had a bit of arrogance.

Old Zhao understood and let ah Xiang go back to pack her things while he stood guard outside.

when qin mu came out, he still walked unnaturally. old zhao wanted to help him, but she refused."uncle zhao, let me walk on my own!"

In the future, she would have to go abroad alone to many places. There was no one to rely on there.

Old Zhao put down his hand and walked in front of Qin Mu, guarding the elevator.

the elevator waited for about two minutes before it came up. the person who walked out made qin mu stunned.

That was Gu ze, Gu Mei's older brother. He was also the person by her older brother's side.

she used to be a special assistant, but now she was in her brother's former position. she was the vice president of boyi, which was considered a high position.

Qin Mu didn't want to stay with Gu ze for too long because he was Gu Mei's older brother.

qin mu's little face was tense. he didn't say anything and wanted to go in after the people in the elevator came out.

"Qin Mu," Gu ze called out to her.

Qin MU's body froze. He turned back to look at Gu ze and said coldly, "Mr. Gu, what's the matter?"

Gu ze pursed his lips. the director here called Chairman ye. He said that you're here for an IV drip. Chairman ye asked me to come and take a look.

"Go back and tell my brother that I'm fine." Qin Mu didn't give him a good look.

gu ze frowned. "is it because of zhou chongguang?"

Qin MU's expression turned even uglier. He sneered. "i think that there are some things that you can ask gu mei about. it might be faster."

she wanted to ignore him, but gu ze grabbed her arm. "i just want to ask you."

Qin Mu was a little embarrassed and angry at being caught like this. He looked at old Zhao, who was at the side."Uncle Zhao, chase this person away."

Mr. Zhao waved his hand. miss, I'm old and I'm no match for Mr. Gu!

qin mu stomped his feet in anger. however, this stomp caused the heart of his leg to hurt. it hurt so much that she furrowed her eyebrows.

Gu ze was a man, and he had seen the situation last night. It was very likely that Zhou chongguang had been rough with her.

There was a storm in Gu ze's eyes when he mocked the woman for bringing her to the hospital. Without thinking, he carried her in his arms and carried her to the elevator.

Chapter 2122: a chance encounter is better than an invitation (5)

"Gu ze, what are you doing? What right do you have to hug me!" qin mu's voice was reserved.

after all, strictly speaking, she was the master and he was the servant.

gu ze ignored her struggle and carried her into the elevator. he even locked old zhao outside.

not only was old zhao not angry, but he was also very happy.

mr. gu looked so manly, and his eyes clearly showed that he was interested in miss.

There was only one thing that was difficult to handle, and that was Mr. Gu's sister was Zhou chongguang's mistress.

There were only Gu ze and Qin Mu in the elevator.

now that he had calmed down, gu ze regretted urging him to overstep his boundaries.

however, he had already crossed the line. he had no reason to let her go.

He held her in his arms and looked at her angry face in the mirror. He asked softly, " "Did he use force on you?"

"right, are you happy now?" Qin Mu laughed coldly. Gu ze, you should be happy. Your sister has taken another step towards the title of Mrs. Zhou.

Gu ze frowned. I've never thought of it that way!

"what about gu mei? has she thought about it?" Qin Mu laughed coldly. Gu ze, I don't love Zhou chongguang anymore. Just because I'm going to divorce him doesn't mean that I can live in peace with the Gu family. I even have to accept your so-called good intentions.

gu ze looked at her but did not say a word.

Now, there were only two sentences left in his world-

She did not love Zhou chongguang anymore.

she was going to divorce zhou chongguang.

He didn't know why he was so happy. In short, his world was filled with pink bubbles called Qin Mu.

however, this was only for a moment. because his name was gu ze and he was gu mei's older brother, no matter who qin mu was with in this lifetime, he would never be with him.

Gu ze smiled bitterly. where do you plan to go? I'll send you.

Qin Mu was silent for a long time before he said, 'Mr. Gu, you can just leave me in the hall! i really can't accept your good intentions.'

She looked up and met his deep eyes.

Gu ze was 30 years old, two years older than ye Muyun.

He was a very reserved man, and his appearance here today was not just an order from his brother.

Qin Mu was already 22 years old. He understood everything that he should know. He didn't lose out on a woman's keenness.

for a moment, the atmosphere was a little strange and no one noticed it.

At that moment, Gu ze knew in embarrassment that she had found out.

He had discovered his hidden thoughts!

however, in front of the little girl, an experienced man like him would not lose face. he coughed lightly and said, " we're here. "

He walked out. Because of his guilty conscience, he quickly put her down, but he didn't leave her behind directly. Instead, he waited for old Zhao to come over.

"I'll be leaving first." Gu ze laughed lightly and helplessly.

qin mu called out to him.

gu ze turned around and looked at her.

"mr. gu, i'll be going abroad." qin mu only said this indifferently.

Gu ze understood. He looked at her deeply for a long time before saying softly, " "thank you for telling me."

this was qin mu's kindness.

She was telling him that it was impossible between them and that he should not wait.

In fact, she had always been smart and kind.

All these years, she had not had a good time. She felt guilty and did not even blame Zhou chongguang, as long as they broke up peacefully.

As for Gu Mei, she had never really hurt her.

gu ze was a little sad. this kind of girl should be cherished.

However, if she wanted to fly, he would watch her fly instead of breaking her wings.

gu ze smiled and slowly left.

Chapter 2123: I didn't fall in love with her (1)

old zhao looked at him and was stunned for a long time before complaining, " Mr. Gu is such a good person. He's not like Yingluo and Zhou chongguang, who are fickle-minded and cunning. He's so successful, and there's no news about him at all.

Qin Mu looked in the direction of the door and then looked at old Zhao. "uncle zhao, your expectations of men are too low. isn't it normal to not have any scandals? Can you be called a good man if you don't indulge in debauchery?"

"but i can tell that mr. gu likes miss," old zhao said in a muffled voice.

qin mu didn't say anything.

"It's a pity that he's Gu Mei's brother," old Zhao sighed again.

This relationship was too complicated. He could not even think about it.

Old Zhao drove the car and brought Qin Mu to wen hua hotel. They booked a high-class suite, and ah Xiang followed along.

When old Zhao left, a black Audi quietly looked in the direction of old Zhao's departure and then looked up at the hotel.

gu ze was sitting in the car.

his fingertips were burning, and he was a little absent-minded as he twitched.

In fact, she had made it very clear, but he still didn't give up and followed her.

For example, in the past few years, he had been following her, and it seemed to have become a habit.

He had seen her cry, she had seen her smile, and she had seen her extremely satisfied look.

She's fine now, Yingluo.

so good that he didn't dare to disturb her.

There was also a time when she felt joy in her heart because her relationship with Zhou chongguang was gradually falling apart. That kind of joy was also dark and unknown.

gu ze smoked lightly, thinking that he was not an ordinary person.

In his heart, he also had greed. He clearly knew that it was impossible, but it was not as if he had never desired it.

it was just like how yingying was ruthlessly rejected just now!

gu ze smoked a cigarette before starting the car and slowly driving away.

there was a kind of protection that she didn't need to know.

and that night, when zhou chongguang returned to his house on qingshui road, qin mu was not there.

The servants in the house timidly said that the young miss had not returned.

zhou chongguang did not make things difficult for them. he just walked to the bedroom upstairs and looked at the empty room.

This place used to be his home.

His and Qin MU's home.

In the beginning, he came back every day, but later on, he didn't come back often. On those drunk nights, he was often accompanied by soft and warm fragrances of different perfumes.

He didn't think much of it. He found a trace of comfort in the faces that looked similar.

However, he would definitely go back once a week, because he did not want his wife to cheat on him because of physiological reasons.

He would give it to her once a week, and he felt that it was enough for her age.

He was used to seeing things, but she was as clean as a young girl.

Slowly, he started to feel bored. She was too wooden.

He started to deal with her, only venting his anger, but when he touched her beautiful body, he would occasionally go crazy.

Finally, he was tired of it.

Zhou chongguang lay down. He knew in his heart that she did not come back because he was unwilling to leave.

would yingying still refuse to leave after smiling?

Hence, he took out his phone and dialed Qin MU's number.

It was only eight o'clock. She should not be asleep.

When the call went through, Zhou chongguang's voice rang out softly, "Where are you?"

Qin Mu also laid on the bed. His voice was calm. "At the hotel."

After that, Zhou chongguang was silent for a while before he spoke, "You move back tomorrow, I'll leave!"

Qin Mu replied with an 'okay' and hung up the phone.

zhou chongguang looked at his phone, his eyes a little gloomy.

He laid on the bed and couldn't fall asleep again.

Chapter 2124: i didn't fall in love with her (2)

he laid on the bed and couldn't fall asleep again. the moment he closed his eyes, he saw the fourteen-year-old qin mu sitting in the dining room, watching him play the piano.

Qin Mu, how could she lose such deep love just like that?

He still used some schemes. On the night Qin Mu returned, he also returned.

he had told her that he had come to get something, but he had left it behind when he left in the morning.

she didn't say anything and just opened the bedroom door for him to get it.

she stood at the door with a guarded expression.

zhou chongguang only took a leather suitcase. "i've tidied it up again. i don't really need those. you can throw them away if you want!"

qin mu nodded.

There seemed to be no reason for him to stay any longer. Zhou chongguang put down the box and looked at her, "Can I hug you again?"

"if you sign it, you can say goodbye ten times." She leaned against the door, looking very cold.

zhou chongguang suddenly laughed and walked in front of her. he pinched her soft little face lightly. "you look like you have quite the personality now. "

qin mu ignored him and turned his small face away.

He didn't take it to heart. He just smiled, picked up his suitcase, and left.

when he left, no one in the house said a word. zhou chongguang thought to himself in self-mockery that in their hearts, he was probably not a good husband!

two days after he left, qin mu tidied up the things at home and put them up for sale.

while she was looking for a buyer, she also started to apply for a visa.

at the headquarters of rongguang.

zhou chongguang sat behind his office desk and frowned as he looked at gu mei. " " find someone to buy that house. also, put in some effort for qin mu's visa. don't let her settle it so quickly. "

she wanted to leave the country. she could not wait to fly away from him.

Zhou chongguang took a deep puff of his cigarette. after settling these two matters, Gu Mei, pack up and go to the branch office in New York.

"Chongguang, does this represent your choice?" Gu Mei was stunned.

Banish her and return to their family?

Zhou chongguang squinted his eyes slightly, and his voice was a little calm. Gu Mei, you're a smart person. You're by my side only because you've been in prison for three years for me. How could you not know what kind of attitude I have towards you? "

Gu Mei's lips trembled as she asked, "what about Qin Mu?" Are you in love with her?"

"no, i didn't!" "but i don't want to divorce her," zhou chongguang said with certainty.

if he had to sacrifice gu mei to maintain his marriage, he would not hesitate.

Gu Mei closed her eyes and thought, 'why don't you expel them completely? Zhou chongguang, that's because you teased her. "

she opened her eyes, which were filled with mockery. "Because you don't want to change completely for her! i'm very curious, how long does general manager zhou want to be a good husband?"

Zhou chongguang's voice was cold and emotionless. one year. Maybe two years. Until she gives birth to the child.

gu mei's face was completely drained of blood.

"You really don't have a heart!" She muttered.

&Nbsp; she looked at him and asked softly, " Zhou chongguang, aren't you afraid that one day you'll really fall in love with her? and she'll never turn back? "

Her instincts told her that as long as Zhou chongguang used a little trick, Qin Mu would still return to his side.

however, what would she do after she found out the truth?

“qin mu won't be able to stand ran ran. have you forgotten about her illness?”
Gu Mei asked in disbelief.

Zhou chongguang's lips curled up slightly. all these years, she knows quite a lot!

“Gu Mei is no longer the little girl she was in the past.” zhou chongguang's eyes had a strange look.

Qin Mu was so strong that she seemed to be his enemy.

Chapter 2125: i didn't fall in love with her (3)

although his wife was qin mu, he was used to that family. since qin mu said that he was leaving, she was like his enemy.

Gu Mei's entire body was ice cold. Zhou chongguang would only reveal his true colors in front of her.

Yet, she had an indescribable heartache for him, urging him to let her know again and again that she liked a demon and not a ray of sunshine.

because of zhou chongguang, the house was sold very quickly, but qin mu's visa to the United States had never been applied.

She didn't want to return to the Qin residence, so she moved into the hotel in the end. As for the servants in the family, they all returned to the Qin residence.

Ye Liang qiuzhao had met her once, and he had neither supported nor opposed her divorce.

He probably guessed that this day would come.

qin mu didn't go to work to begin with, and he had nothing to do every day while staying in the hotel.

that night, she went downstairs and looked at the starry sky in a daze. she suddenly thought of the restaurant she used to go to.

before she left, she wanted to go there again.

it had been eight years. he didn't know if that restaurant was still there. he walked over slowly.

She was surprised to find that the restaurant was still there, and it was still the same.

Even the customers were familiar to her.

There seemed to be the same number of people coming and going.

she stood there, her eyes a little moist. it was as if she was looking at the 14-year-old qin mu sitting there, struggling to maintain her love.

But today, those things that she had insisted on were all Gone with the Wind.

Not a single bit was left.

She cried. That tear fell slowly, as if it was corroding her heart.

the sound of the piano slowly rang out. it was a familiar tune.

her body trembled and she looked over.

that was zhou chongguang!

He was wearing a gray sweater and playing the zither. He no longer looked like a teenager.

compared to before, her zither music had also become rusty.

however, he was still sitting there in a daze, and that ray of sunlight overlapped with his memory.

qin mu's heart seemed to have been hit hard. she stood there without moving, feeling extremely sad.

She did not know how many tears she had shed. She had forgotten how many people were watching her in a daze.

she sat in her previous seat as if she was possessed. she supported her chin and looked at him like a little girl.

this moment was like a nightmare, and she could not resist.

it was as if she had fallen into time and returned to the past.

He was the same.

"Mumu, don't cry!" a gentle voice sounded in her ears.

qin mu raised his head and looked at the person in front of him.

she could not tell if he was the current zhou chongguang or the zhou chongguang of the past.

"i'm sorry, mumu, i'm back!" He held her gently and said in a seductive voice, "

"Don't cry!"

Qin MU's tears fell like rain. She couldn't walk out of it.

She regretted coming here to waste her time.

She didn't know where she found the strength to push him away, but her chest heaved up and down violently as she glared at him."zhou chongguang, we're going to get a divorce."

she was almost screaming out loud, with unwillingness and anger.

She had once loved him so much.

It turned out that at this moment, she realized that she was just deceiving herself.

zhou chongguang furrowed his brows and walked towards her step by step."mumu, it's my fault!

Let's go home, okay?"

he coaxed her as if he was coaxing a 14-year-old girl.

He hugged her tightly, not allowing her to struggle. He whispered in her ear, "I've already exiled Gu Mei to the United States. I've also chased away all those other women. Mumu, let's go home, okay?"

Chapter 2126: There's nothing wrong with liking someone (1)

Qin Mu raised his head to look at him, and he looked at him again and again. The tear in his eyes became a scar that Zhou Chongguang could not erase. She suddenly took a step back and shook her head. "You're not him!"

That teardrop slowly fell. "Perhaps, you were never him."

Qin Mu took a step back. Zhou Chongguang, let's start here and end here.

With that, she turned around and left.

Zhou Chongguang stood behind her and asked softly, "Mumu, what do I have to do for you to be willing to come back?"

Qin Mu paused for a moment. Without turning around, he left quickly.

She cried. Even now, she was still sad because of him.

She would still fantasize about him loving her occasionally.

But everything was just like a dream.

Qin Mu walked faster and faster. When he reached the door, he bumped into a sturdy body.

The taste was a little familiar.

She looked up and saw Gu Ze.

Qin Mu looked at the man in front of her in shock. Hearing footsteps behind her, she couldn't care much and begged him, "Take me away."

Gu Ze looked behind him and guessed something. He looked at her deeply and suddenly turned to the side, holding her in his arms.

He was very tall, and he covered her in front of him, completely blocking her.

Her little head was pressed on his shoulder, and they were very close to each other.

He was so close that she could smell the faint smell of tobacco on him.

He was different from Zhou Chongguang. In the past few years, Zhou Chongguang always had the scent of a woman's perfume on him, while Gu Ze's body had the scent of a man.

Qin Mu closed his eyes, and tears fell.

In the past few years, she had been hurt. After all, she had really loved that person.

Gu Ze hugged Qin Mu and walked quickly to the parking lot.

The light elongated his black figure. For the first time, he had someone to accompany him on such a lonely night.

Walking to a Land Rover, he opened the door for her to get in and went around it.

Gu ze looked at her tilted head and asked softly, "are you alright?"

qin mu turned his head. there was still a hint of brightness in the corners of his eyes.

Gu ze sighed. He suddenly reached out and gently wiped away the tear. "In the future, don't be sad anymore." qin mu pursed his lips. "why are you so good to me?"

He held the steering wheel with both hands and looked at the dark night ahead. He smiled. "qin mu, you don't know?"

After that, there was a moment of silence.

She didn't speak again. He turned his head and asked gently, "where do you live?"

Qin Mu looked at him and pursed his lips. you don't know?"

gu ze laughed.

she was mischievous, quick-witted, and adorable. he knew all about it, but zhou chongguang had never seen it.

He started the car and slowly drove towards wen hua hotel.

he arrived in a few minutes. he sat down and watched as qin mu unbuckled his seat belt and prepared to get out of the car.

he suddenly stretched out his hand in front of her waist and trapped her whole body.

his voice was a little hoarse. "qin mu."

She looked up at him.

Gu ze paused for a long time before slowly opening his mouth. "if there's anything you need, you can find me."

He took out a business card and placed it in her hand.

he had never wooed a girl before, and she was now someone else's wife. in addition to gu mei, what he had done was already too much.

But he couldn't control himself.

Qin Mu lowered his head and looked at the name card for a long time. He clenched his fist. Gu ze, you should know ran ran.

"I know," "so, don't say it," he said in a suppressed voice.

Chapter 2127: there's nothing wrong with liking someone (2)

he only wanted her to be happy. he knew that she didn't like him appearing in front of her, so he wouldn't cause her any trouble.

"just treat it as me compensating gu mei." his smile was a little bitter. suddenly, he reached out and ruffled her long hair. "qin mu, don't worry about others. think more about yourself."

Qin Mu lowered his head and didn't say anything. He just clenched his business card and got out of the car.

she had no feelings for Gu Ze, and she disliked Gu Mei even more. However, Yingluo liking someone was not a crime.

Therefore, she would not embarrass him, much less hurt him.

Gu Ze quietly looked in the direction she left. His hands landed on the steering wheel and his body leaned back slightly.

His fingers touched his eyes, and he felt a sharp pain.

When he found out that she was going to United States, he didn't even have the chance to protect her like this anymore.

Gu Ze kept looking at it in a daze. He was still in a daze until the next day's meeting at Boyi.

Ye Mu Yun asked him to stay.

"I heard that you met Qin Mu last night?" Ye Mu Yun said quietly.

Gu Ze didn't say anything. He just lit a cigarette and smoked quietly.

If it wasn't for Gu Mei, I'd rather you be the one accompanying Qin Mu. Ye Mu Yun said indifferently. Then he said, Gu Ze, if I were to give you another choice right now, one is to be with Qin Mu, and the other is to be promoted to the CEO of Boyi. Which one would you choose? "

Gu Ze looked at Ye Mu Yun. His lips moved, but he didn't say anything.

"Think about your answer and you'll know what to do." Ye Mu Yun smiled and got up to walk outside.

Outside, Zheng Xinyi was guarding. When she saw Ye Mu Yun come out, she reminded him softly, "CEO Ye, Miss Song called just now. She said that there's an art exhibition tomorrow. Please don't forget.

Ye Mu Yun originally wanted to unbutton his shirt, but he buttoned it up again.

He frowned slightly and glanced at Zheng Xinyi before he said quietly, " "I know. If she calls again, tell her that I'll be there tomorrow. "

Zheng Xinyi hesitated for a moment before she asked, " "Chairman Ye, aren't you going to pick up Miss Song? Tomorrow is very important to Miss Song."

Ye Mu Yun's gaze was very light and disdainful.

Zheng Xinyi's heart trembled. She lowered her head. "I'm sorry, President Ye. I overstepped my boundaries. "

"Don't do it again." Ye Mu Yun walked past her, his voice a little fainter.

Zheng Xinyi lowered her gaze and followed him.

She pushed open ye Muyun's office door and was about to say something when she was reprimanded."get out."

She was a little embarrassed, but she still left obediently ...

there was a hint of mockery in her eyes.

Song keren was never a big deal to CEO ye.

even her appearance was a deliberate attempt to mislead boss ye into finding a girlfriend because that person had not returned. she wanted that person to think that everything was over.

That person had indeed returned.

Song keren was already destined to be abandoned before she even went on stage.

Zheng Xinyi laughed softly. Today, a tantrum had finally come.

Inside, ye mu Yun stood in front of the floor-to-ceiling window and looked at the scenery of B city.

He stood at the highest point, and everything he wanted was within his reach, except for her!

She's back, Yingluo.

A pained expression appeared on his handsome face.

Xue 'er, what is your current state?

do you still remember me?

Ye mu Yun pursed his lips and looked at the sunset and Chao Xi.

He had been standing alone like this for eight years.

Yet, she knew nothing and just left.

tang xue 'er, have you ever regretted it? do you feel a little guilty?

Chapter 2128: Do you remember me, Xue 'er?(1)

Silver corridor, which was quite famous in B city, was showing off some of the works of some new artistes. Almost everyone from the entertainment industry was there to support them. Song keren had also invited some young artists to come and help.

the 2,000 square meter exhibition hall was opened in the busy district of B city where every inch of land was worth its weight in gold. some people said that it was all because of ye muyun that song ke could get such a place.

However, ye Muyun had never expressed his relationship with song keren. The most the reporters had taken were photos of them appearing together. There wasn't a single intimate action.

Song keren was wearing a white strapless dress. Her hair was slightly curled, and her makeup was bright. She looked a little like the famous model, Miranda keer.

She smiled as she answered the reporters 'questions. She was in an extremely good mood.

The works on display in her gallery today were very popular, especially annn's works. Famous people in the art world said that they were very deep and shocking.

Actually, there was a 'rain curtain' that song keren liked very much. In the rainy night, a young girl stood and looked up at the sky. In the distance, a young man with an umbrella was walking towards her.

The artistic conception was especially beautiful. Song keren didn't want to sell this painting and wanted to buy it for ye Muyun. She felt that he would like the work of annn.

she held a glass of wine and answered the reporters 'questions from time to time as she looked out the door in a daze.

At around 10 O 'clock, ye mu Yun came over.

he had come alone without any followers, but it still caused a commotion.

His appearance also confirmed the rumors between him and song keren.

song keren looked at him and was excited, but she tried her best to hold back and went forward to welcome him.

When she stood with him and was being photographed by the reporters, she really wanted to hold his arm.

However, she didn't dare to.

ye muyun had always been calm. he didn't deny or admit to his relationship with song keren.

after taking the photos, ye muyun went to see the exhibition. then, everyone realized that song keren's mind wasn't on the interview anymore. she was completely focused on chairman ye.

However, no one dared to expose him, so the interview became of little value.

until the appearance of the annn.

Annn was the most highly regarded artist this time. Her paintings were very heavy. When she appeared, the camera lights kept flashing.

However, the entertainment reporters were also surprised to find out that annn was the daughter of Boyi, Tang Xue 'er, who had been missing for eight years.

and now, boss ye was also here. was it a coincidence?

after eight years of separation, with president ye's beauty by his side, the drama of the era was nothing more than this.

The reporters were all excited and wanted to capture the classic reunion scene that they wanted to capture the most.

However, almost immediately, they received insider information that today's draft was only allowed to write about the paintings of annn, and not reveal her identity and love life.

It was obvious who had incited this and who had the ability to make the media lose their voices.

when xue 'er walked into the exhibition hall, for some reason, the entire place was cleared out.

only ye mu yun stood quietly in front of her “curtain of rain.” hearing the sound of footsteps, he gently turned around.

He looked at her with an especially calm gaze.

she also stood there and looked at him in a daze.

There was a slight shock in his eyes.

“Do you still remember me?” ye mu yun’s voice was very soft and his gaze never left her little face.

Her Kasaya had grown, and the baby she used to be had completely faded. Her small chin was very sharp, small, and delicate, and she looked even more beautiful.

she was 26 years old, so she couldn’t be considered a young girl, but it didn’t seem out of place on her.

She was still clean, without a trace of dust.

Chapter 2129: xue ‘er, do you remember me?(2)

ye mu yun’s eyes were fixed on her face and didn’t move away.

As for her, she just stood there, her body frozen.

She had never thought that he would appear here.

Ye Muyun smiled and looked past her. He said softly, ” this is my girlfriend’s gallery. you should know her. ”

Xue ‘er’s eyes were still looking at him, as if she hadn’t heard him.

In her world, there was only one person called ye mu Yun.

However, a moment later, song keren was standing beside him.

he put his arm around song keren’s shoulder and introduced her very gently.”xue ‘er, this is my girlfriend.”

Song keren was both surprised and delighted. She turned her head to look at him.”You know each other?”

“very familiar.”

“he’s my brother.”

Ye mu Yun and Xue ‘er spoke at almost the same time.

Song keren was pleasantly surprised. really? That’s such a coincidence.”

“It’s a coincidence!” Ye mu Yun’s gaze was still on Xue ‘er’s face as he said indifferently, ” “We haven’t seen each other for eight years.”

Song keren did not suspect him. She smiled and held his hand. then you two have a good chat. I’ll go entertain the guests.

ye muyun glanced at her and suddenly pulled her closer. he put his arm around her shoulder affectionately. " let's have lunch together. "

song keren's face was slightly red. she hummed and left.

After she left, ye mu Yun looked at Xue 'er. Her face wasn't very good and was pale without any blood.

In fact, she was wearing a black one-piece dress today, which made her waist and hands look thin and white. She was very eye-catching, except for her pale face.

"Are you surprised that I have a girlfriend?" Ye mu Yun had unknowingly walked closer to her and whispered in her ear.

His voice was soft, but it was filled with a dangerous tension.

Xue 'er looked up and saw the familiar moisture in Yingying's eyes.

he thought that she would cry.

But she didn't. She forced back the tears in her eyes.

"congratulations!" she said indifferently.

"is that so?" His voice turned a few degrees colder as he locked his eyes with hers, suppressing his emotions."Yes, why would you care? you don't have a heart."

There had been no news of him for eight years!

she's so cruel!

she must have known that he had a girlfriend, which was why she had come back. however, she had never thought that this person would be the song keren she knew.

Xue 'er lowered her eyes and laughed, " "It might be!"

"I'm sorry!" She said in a low voice, " I'll leave first.

she turned around, but her hand was held by him.

Ye mu Yun said sternly,"you want to leave again?"

she looked at him holding her hand and was silent for a while. " ye mu yun, i don't really remember the past. "

she finally raised her eyes and looked at him bravely. " eight years can change many things. for example, you have a girlfriend now. "

There was a warm smile on her face. I wish you happiness.

Her tone was very light, as if she was exchanging pleasantries with an acquaintance she had not seen for a long time. On the contrary, it made him seem flustered and exasperated.

he should be angry. all these years, he had been angry with her, but now when he told her that he had a girlfriend, she was so calm.

had eight years really changed?

his handsome face was slightly twisted as he looked at the face that had disappeared for eight years.

xue 'er had already broken free from him. her voice was very soft. "tell her."

Chapter 2130: xue 'er, do you remember me?(3)

With that, she walked out.

And he had no reason to keep her. Besides, his pride wouldn't allow her to do that.

He looked at her back. Eight years of closed eyes was indeed enough to change many things.

for example, changing a person.

In the past, she had been so transparent in front of him, but now, he could hardly tell if she was telling the truth or not.

He stood there for half an hour before song keren appeared. She said gently, "Annn left first! i asked her to join us for lunch, but she said she had something to do."

"i might have something to deal with at noon," ye muyun said calmly.

Song keren was stunned for a moment. She looked a little disappointed, but she quickly adjusted her expression and said generously, "i'm fine with it. let's meet another day."

She was already very satisfied that he could come here today.

When ye mu Yun left, the media reporters were clear in their hearts.

Today, it was clear who was the female lead and who was the Supporting Actress.

ceo ye didn't appear here for song keren, right?

Ye Muyun's car left. As he drove, he called song keren. send me the information on all of annn's paintings. I want to buy them all.

song keren smiled. "muyun, are you doing this because of a favor or because you admire her painting?"

ye mu yun softly spat out two words,"a favor,"

song keren pretended to be angry. "you're so nice to your sister, annn. i'm getting jealous. "

"i grew up with her." ye muyun's voice was a bit faint.

even though his words were plain, it sounded like an explanation to song keren.

Her voice softened. Muyun, I believe you.

ye muyun slowly put down the phone in his hand and believed him?

It was really ironic!

He gripped the steering wheel tightly and drove in the direction of PEI garden. He guessed that she would be staying in PEI garden when she returned to B city.

However, when he returned to the PEI garden, he only saw aunt li and the servants. Xue 'er did not come back to stay.

auntie li didn't even know that she was back. she asked ye muyun,"miss, you're back. why don't you go home? this child has been gone for so many years. i don't know if he's used to eating fast food outside. without auntie li's soup, he's lost so much weight."

In ye mu Yun's mind, Xue 'er's thin appearance appeared. She did lose weight.

he didn't say anything and just smoked his cigarette.

Auntie li snatched the cigarette away from him and stomped on it twice."Look at you two little ones, when have you ever not made me worry! One of them is overseas, while the other is living like a monk in this place."

"i didn't!" ye muyun reached out and pressed on aunt li's shoulder. he smiled helplessly."I have a girlfriend."

"you're lying to a ghost!" " she's your real girlfriend, " auntie li said rudely. " why didn't you bring her home to let your family see her? "

All these years, although young master didn't live in PEI garden, he was still a part of the Tang family. She could tell that Mr. Tang was at home and young master often came to visit Yingluo. He even hoped to see miss come back.

He had been waiting for eight years.

auntie li didn't know what to say. she could only sigh."Miss is very vengeful."

the young miss would not be able to get over the fact that the young master had a girlfriend.

"Actually, Auntie Li, I'm also quite vengeful." Ye Muyun smiled.

Auntie li glared at him. don't give me that.
