

## Thank you 2131

Chapter 2131: Xue 'er, do you remember me?(4)

“Actually, Auntie Li, I’m also quite vengeful.” Ye Muyun smiled.

auntie li glared at him. ” don’t give me that. ”

She originally wanted him to stay for dinner, but ye Muyun still left.

he returned to his residence and made a phone call. ” “can you help me find out where she’s staying?”

a short while later, the other party replied, ” miss tang is currently staying in the presidential suite of GM hotel’s headquarters. ”

Ye mu Yun was stunned.

there?

He had stayed there for a while when he had just moved out. After that, he had bought an apartment on his own and had not gone there ever since.

on the other side, it was also the night they had stayed over at hanhan on the night of their engagement. he had her for the entire night.

Those burning memories were still burning his heart and body. It was so tight that he felt uncomfortable.

“i know.” He finally spoke and slowly put down the phone.

He stood in front of the floor-to-ceiling window of his apartment and looked outside. From here, he could see the GM hotel building.

and she was not far from him.

What was she doing? why didn’t she go home? was she hiding from him?

Did she not know that he had moved away?

Or did his presence make her uncomfortable?

ye mu yun closed his eyes. when he opened them again, he was in pain.

he stood there for a while before his phone rang.

he took it out almost immediately, but was disappointed after looking at it.

it was a call from song keren.

He picked it up and heard song keren say, ” “Muyun, annn’s works are not for sale.”

Her voice was a little weak, probably because she was afraid that he would be unhappy.

“i’ll bid until she’s willing to sell,” ye mu yun said after a pause.

Song keren was stunned.

he held his breath after a while and asked, "mu yun, what's wrong?" are you unhappy, yingluo?"

"Do you need me to come and accompany you now?" she asked hesitantly.

she would not let go of any opportunity to get close to him, even if he felt that she was not reserved.

Because she knew that he had always been indifferent to her and did not seem to be very satisfied with her.

Because he was too outstanding and had too many choices, she only had one chance.

"I don't need to!" He spat out a few words and hung up the phone.

He thought that he should have broken up with song keren.

In the past, when he was in despair, he had also thought of finding a woman to marry.

That way, he wouldn't have to wait any longer.

he would marry a woman and have a child with her. even if she came back, he would not divorce her.

Once everything settled down, his life would not change because of her.

song keren had such intentions by his side, but even after being by his side for two to three years, he had not been able to make up his mind. instead, he hated the person who had left more and more.

what right did she have to torture him like this for eight years!

eight years. how many eight years did they have?

she left decisively and came back without caring about the hatred in his heart that he had no way to vent.

he realized that he was even more passive than he was eight years ago.

Eight years ago, she was a little girl who was afraid of him to death. Eight years later, she had long matured enough to fight him.

An enhanced version of an idiot!

He stood there quietly, his head lowered as he scrolled through his phone. Her number was still saved in his address book.

idiot

He pressed the button lightly and dialed the number.

For so many years, he had called her time and time again, but her phone was always off.

And now, he actually called Wufu.

at that moment, he wanted to give up, but she had already picked up the call.

"I'm not selling that painting," she said softly."

“Ten million,” ye Muyun said mockingly.

“You know I don’t lack money.” She said faintly.

Chapter 2132: move in and live together?(1)

Ye Muyun’s voice was very calm. but I really like that painting. The main point is that it’s very likable.

The other side was silent for a while before Xue ‘er said, ” “i’m not selling it to anyone.”

“what if i’m the one renovating the wedding house?” his voice was very, very soft.

Xue ‘er’s breathing was light, and she could not believe what she had just heard.

He said, Wedding House?

he and song keren were getting married?

Xue ‘er’s phone slid down, but she did not hang up.

ye mu yun didn’t hang up the phone.

although he couldn’t hear her voice, he knew it was her on the other end.

It was a very close world.

after a long, long time, the phone was picked up again, and her voice sounded, ” “Congratulations, brother!”

after that, he hung up the phone.

However, he could hear a nasal tone in her voice.

was she crying?

ye mu yun closed his eyes slightly. she still cared, didn’t she?

he stood there with complicated feelings from dawn to dusk. he looked at his phone and made a call.

when song keren received his call, she was very surprised. ” muyun? ”

“Do you have time?” Ye Muyun’s voice was calm. He felt that it would be better for him to personally go and talk to song keren.

he had been with her for so long because he wanted to forget someone, but he had never succeeded.

But now, he could no longer maintain that kind of relationship with Xue ‘er when she appeared.

“The exhibition has just ended. Muyun, can we go to the restaurant we went to last time?” song keren’s voice was very soft.

He agreed to her last request.

Because of his attitude, song keren boldly requested, ” “Muyun, I’m still in the shop. Can you come and pick me up?”

it was the first time she acted coquettishly to him. ” my legs are so sore. i’ve been wearing high heels the whole day. ”

“Alright,” he said. Ye mu Yun replied quickly.

Song keren could not believe it. She even thought that he might propose to her tonight.

after all, they were both of marriageable age, yingluo.

She smiled and touched up her makeup to cheer herself up.

when ye muyun came over, song keren smiled and got into the black sports car.

She sat beside him with a shy expression, but he did not say anything.

when the black sports car arrived at the restaurant, it was already half past eight.

as night fell, the parking lot was filled with the neon lights of B city.

the night was a little cold. when song keren got out of the car, she rubbed her bare arms. ” a little cold. ”

ye muyun wasn’t so heartless as to take off his jacket and hand it to song keren.

Even though she didn’t put it on herself, she was already satisfied.

she put on his coat and walked to the dining hall. but after taking a few steps, ye mu yun stopped.

zhao yan and xue ‘er were walking towards them.

they walked side by side, xue ‘er placed her hand on zhao yan’s arm and looked up at him.

At this moment, her little face was full of life and not as pale as when she saw him.

Zhao Yan lowered his head and looked at her with a gentle expression.

when ye muyun heard her call zhao yan “uncle,” her tone was the same as when she called him “brother.”

at that moment, his heart was filled with jealousy.

“ANN, what a coincidence!” song keren was already smiling as she greeted him.

“is this your boyfriend?” she asked zhao yan.

at that moment, song keren had a feeling that she was happy. she wanted the whole world to be as happy as her.

xue ‘er stopped in her tracks and looked at them.

Chapter 2133: move in and live together?(2)

Xue ‘er stopped in her tracks and looked at them.

The smile on her face was a little stiff. She looked at ye Muyun’s coat covering song keren.

he, yueyue, was indeed with song keren.

She smiled bitterly in her heart. It had been eight years. It was not strange that he had a girlfriend, let alone Yingluo.

“No, he’s my uncle.” xue ‘er forced a smile.

Song keren’s eyes widened in disbelief.

xue ‘er did not say anything more. she held zhao yan’s arm and said in a low voice, ” “Let’s go in!”

zhao yan looked at ye muyun and then at song keren. he understood something.

In the past few years, he knew that ye Muyun had a stable female friend, but he had never seen her.

He did not expect to meet her after Xue ‘er returned.

“Muyun, let’s eat together!” Zhao Yan and Feng Jiyue said.

ye mu yun’s gaze landed on xue ‘er’s face and paused for a moment before saying, ” okay. ”

he reached out and held song keren’s hand. ” let’s go in! ”

Song keren’s face turned red.

she thought to herself, ” aren’t you his family, and zhao yan is his friend? does this mean that i’ve been acknowledged? ”

her steps were a little light, and she couldn’t help but feel happy.

The group went in together. Since Zhao Yan was the boss, he immediately arranged the best seats for them.

The four of them sat at the same table. The scene was very subtle.

Zhao Yan and Xue ‘er grew up together and were related by blood. They had been in contact for the past few years in the United States, so he knew her diet like the back of his hand. He naturally decided what she wanted to eat.

Ye mu Yun heard Zhao Yan’s voice and squinted his eyes as he looked at Xue ‘er.

If they were not related by blood, he would have thought that they were together.

xue ‘er had been quiet the whole time, unlike the little girl who used to pester him to talk.

She still changed, becoming a woman of few words.

He controlled himself and did not always look at her.

he acted as if the past was in the past. if she could do this, so could he.

During the meal, only song keren was talking. Xue ‘er would occasionally say a few words.

zhao yan suddenly stood up and said,”excuse me!” i’ll go up and play a song.”

Xue ‘er raised her head and smiled,”alright.”

zhao yan asked with his eyes, "is there really no problem?"

After all, he was the man she had loved for so long and might still be in love with even now. Besides, he had another woman by his side.

xue 'er shook her head.

Zhao Yan was the same age as her, but because he was an elder, he loved her very much. Sometimes, he would come to dote on her when he was younger.

he ruffled her long hair and lowered his head to kiss her forehead. " i'll be back in a while. "

Xue 'er watched him leave.

he lowered his eyes and heard song keren laugh happily. "are you really related to zhao yan? I think you two are a good match."

"is that so?" xue 'er forced a smile.

she didn't look at ye muyun because she knew he was looking at her wanwan.

She raised her eyes and looked at Zhao Yan on the stage. His hands were on the piano keys, his long fingers sliding across ...

The audience was excited because it was the song " für Elise ". A song like this always had a deeper meaning, and Zhao Yan came with a beautiful girl.

when xue 'er heard him play this song, she was also stunned.

when she was engaged to ye muyun, she remembered that she had played this song.

that night in the hotel suite, this song was played for the entire night.

The past was like a surging tide, and she was so sad that her chest felt like it was blocked.

Chapter 2134: Move in and live together?(3)

zhao yan looked over and smiled at her.

there were tears in xue 'er's eyes, but she also smiled ...

Her little uncle was always so good at comforting her and knowing her thoughts!

in fact, the two people sitting opposite her had already made her extremely uncomfortable, but she had no choice but to sit there.

She didn't want to admit defeat. She didn't want to run away every time she saw ye mu Yun.

zhao yan was still playing and song keren was mesmerized. she turned to ye muyun and said, " "muyun, can we use this song for our engagement?"

The atmosphere became even more subtle.

ye mu yun looked at xue 'er and slowly said, "xue 'er, what do you think?"

xue 'er's gaze fell on his face. her eyes were filled with tears.

After a long time, she said softly, "you guys can decide."

Song keren looked at ye Muyun with anticipation.

“We'll talk about it later!” Ye mu Yun didn't answer directly and only said indifferently.

The sparkle in song keren's eyes dimmed, and she felt a little uncomfortable.

After all, what she did just now seemed like a forced marriage.

However, she could tell that mu Yun and annn's relationship was very good. Mu Yun always asked for annn's opinion.

Therefore, she thought that she should meet up with annn in private and convince her to put in a good word for her.

at this moment, zhao yan came back and sat down. he ruffled xue 'er's hair, ” “Do you like it?”

xue 'er smiled weakly. ” i like it! ”

Zhao Yan smiled, like a Prince Charming.

his temperament was quite gentle, unlike ye mu yun's fierceness.

he didn't hide the love and care he had for xue 'er and openly displayed it in front of ye mu yun.

he was xue 'er's little uncle, so it was only natural for him to treat her well.

“In the future, when our Xue 'er gets married, little uncle will also play for you once at the wedding.” His face was full of love.

Song keren was very envious.

Although ye Muyun was very outstanding, he was very cold. Which girl didn't like her boyfriend to dote on her?

“If only I had a little uncle like him,” Song keren's words were not without a hint. There was also a little complaint.

But as she spoke, she smiled at ye mu Yun with a very sweet taste.

“you think you can call xuanji mr. ye 'uncle'?” xue' er smiled.

song keren took a bite of dessert and almost spat it out.

She had never thought that the cold and quiet an would make such a joke.

therefore, she didn't know what to say for a moment.

ye mu yun looked deeply at xue 'er and didn't say anything.

The atmosphere was still awkward. Only song keren felt that a family gathering was not bad.

She even suggested that the two groups go to the movies together, but it was rejected by Zhao Yan. He smiled and said, ” “xue 'er needs to sleep early. i'll send her back to the hotel later.”

song keren looked regretful and sighed, ” “Alright then, I'll go with mu Yun!”

perhaps it was because of tonight that she felt that she could finally become a full-time employee, instead of a girlfriend who only had one meal a week.

Ye Muyun didn't say anything and his expression was a bit unpredictable.

Zhao Yan had already finished his last sip of after-meal wine. He stood up and pulled out a chair for Xue 'er. it's getting late. I'll send you home.

he paused and suddenly said, " it's not convenient to stay in a hotel. do you want to move in with me? "

In fact, his decision was sudden.

Chapter 2135: Let's break up (part one)

After Zhao Yan finished speaking, there was silence.

xue 'er was a little surprised, while ye mu yun's expression was very ugly.

"You two have such a good relationship!" Song keren said enviously.

even with her relationship with ye mu yun, they didn't live together.

from the bottom of her heart, she hoped that zhao yan's words would remind ye muyun.

it was common for fiancées to live together now. besides, they had been together for two to three years. didn't he, yueyue, need it?

If he didn't look for his girlfriend for help when he needed it, could it be that he had other channels?

song keren was thinking a little too much. she looked at ye muyun timidly, hoping that he would be touched.

"I'll send you home." Ye Muyun looked at her.

When the two groups of people parted, they seemed a little absent-minded.

ye muyun sat in the car and watched zhao yan's car leave from the rearview mirror. only then did she start the car.

Perhaps song keren was too high-spirited, she turned her face sideways and joked, " "Muyun, you grew up with annn, but Zhao Yan is related to her by blood. You're different from him. You seem to be jealous."

Ye Muyun's grip on the steering wheel tightened and he said, " "is that so?"

Song keren hummed in acknowledgment and turned her head to the side. She said excitedly, " "She's pretty cute. She's the same age as me, but she looks like a little girl. She looks like she's in her 20s."

she paused for a moment and carefully said, " "Will she call me big sister in the future?"

these words were equivalent to forcing a marriage.

She knew that he would be unhappy if she said it, but she couldn't help it.

“Mu Yun, I’m a little tired! All these years, I’ve been waiting for someone I like.” song keren tilted her head and confessed.

this was not reserved, but she could not care much about it.

ye muyun’s car stopped below her apartment. he didn’t say anything and just looked at her.

“Muyun, I want to have a family.” song keren’s voice was a little choked. ” “Are you willing to do so?”

he sat there for a long time before he said indifferently, ” “I can’t do it! Let’s stop here.”

song keren’s eyes widened. she could not believe what she had just heard.

Ye Muyun’s voice was calm. I also thought about marrying you, but I couldn’t make the final decision.

song keren’s lips were trembling, and so was her voice. ” so, you’ve never put yourself into this relationship. ”

he sighed,”i’m sorry!” i’ve liked a person for many years.”

“i don’t want to hear that!” song keren shook her head. mu yun, i can wait. i won’t force you to wait.”

She had put herself in an extremely humble position and begged him to give her a chance.

But he firmly refused. don’t be so sweet. Marriage needs love.

“You don’t love me Now, but that doesn’t mean you won’t love me in the future.” she was like a trapped beast, her fingers holding his arm as tears fell.

as a man who had wasted two years of her time, he could not be completely heartless to her.

ye muyun gave her a tissue and said in a low voice, ” “in this life, i will probably only love that one person.”

” why did you choose me? since you love her so much. ” Song keren mumbled, still unable to accept the truth.

for ye mu yun, this was a difficult experience.

A woman who was infatuated with him. He had brought this upon himself, but he had to break up with her now.

Chapter 2136: let’s break up (2)

If Xue ‘er never came back, maybe, maybe one day, he would marry her.

However, when he saw Xue ‘er for the first time, all the blood in his body came back to life. He knew that he had no feelings for song keren at all.

He had been lying to himself for the past two years.

“i can only apologize!” “i’ll make it up to you in my own way,” he said in a low voice.

Song keren looked at his face and knew that he had made up his mind.

“I don’t want anything.” She shook her head in a daze. I only want you.”

She wanted to get close to him, but she did not dare to.

She could only look at him and cry.

“i’m sorry.” He said again, then got out of the car and personally opened the door for her. “I’ll send you to the elevator.”

his words seemed to be considerate, but in fact, they were strong.

song keren’s entire body was weak. she supported herself as she got out of the car.

She had never thought that her happiest day would end up in a heart-breaking event.

when they were in the elevator, she looked at him with tears in her eyes. ” muyun, did you really not love me? ”

She didn’t believe it. If there was no love, how could she be with someone for two years?

Ye Muyun acknowledged her, but song keren’s tears fell like rain.

However, the elevator door had already closed.

ye muyun stood outside the elevator and quietly stood there for a while until song keren’s elevator reached her floor.

He had done his homework for tonight. He had asked his Secretary where song keren lived and which floor she was on.

he acted as the perfect boyfriend who had broken up with her, and when they were together, he had never been good to her, yingluo.

as for the compensation, he had already prepared it. it was enough to let her work ten years less.

if song keren was smart, she would not announce their breakup to the media. that was exactly what he wanted.

he turned around, walked outside, and got into the car. he smoked another cigarette, but he still couldn’t help but drive to the GM hotel’s headquarters.

The car stopped and they walked into the lobby.

The front desk lady was stunned and stood up.”chairman ye, why are you here?”

“give me the key card to room 2608,” ye muyun said indifferently.

“mr. ye, miss tang is living inside now. it might not be convenient for her.” the front desk lady refused in her heart.

one was the crown prince and the other was the princess. he couldn't offend either of them.

ye muyun didn't say anything and only glanced at her indifferently.

The front desk lady couldn't stand it anymore. She obediently handed the door card over and whispered, "Boss ye, it's against the rules."

everyone in the GM knew that these two had broken down, and that they had broken down for many years.

mr. ye has a girlfriend now and he's using miss tang's room card. what's the point of this?

No one dared to ask and could only watch ye mu Yun go upstairs.

when he stood at the door of the suite, ye mu yun's facial muscles were somewhat distorted.

he had seen her twice, but they were both in public. he couldn't do anything, nor could he say anything.

And now that he was here, truly alone, he really didn't know what he would do.

He felt that there was a beast living in his heart, and it could pounce on her at any time.

He swiped open the door and entered.

The room was dimly lit, and classical United Kingdom country music was playing. The air was filled with the faint scent of roses.

there was also the sound of water.

Ye mu Yun stood at the bathroom door and confirmed his thoughts.

she had fallen asleep.

Just like that, she lay in the bathtub, her small face set aside, and her long wet hair scattered on her shoulders. She looked like an elf, but more like a Banshee.

Chapter 2137: A forced kiss (1)

pink flower petals floated in the bathtub, and the faint fragrance was coming from there.

He squatted down and reached out to scoop some water. He wasn't sure if the fragrance came from the flower petals or her body.

at that moment, his body woke up. he felt that he could drink her bathwater.

his palm uncontrollably touched her, waking her up bit by bit.

When Xue 'er woke up, she was sitting in his arms. She almost immediately felt the burning heat of the man behind her.

her little face was turned back and he kissed her forcefully.

it was hot and scalding.

Intense and lingering.

she made a sound of acknowledgment and her eyes widened as she looked at the handsome face before her.

When she realized it was him, she still struggled violently, but her strength was nothing compared to his.

Very quickly, she was pulled out of the water and laid in his arms in an unsightly position.

He held her little face and kissed her again and again, so deeply that he almost kissed her soul out.

“ye mu yun, you bastard!” she had no choice but to bite him hard when his large palm was doing evil.

He felt the pain and let go of her.

xue ‘er swam to the other side and started to curse at the size of the bathtub!

She didn’t swim for long before he caught her again. This time, he didn’t kiss her again. He just moved her to the edge of the bathtub and asked in a cold voice, ” “Why do you want to live here?”

xue ‘er’s breathing was erratic as she stared into his eyes. ” didn’t song keren satisfy you? why did you go around provoking her like a wild beast? ”

“wild beast?” He pinched her small chin with one hand, and with just two fingers, she was in so much pain that tears kept falling.

“Who was the one who begged the beast to keep her and not stop?” He said without mercy.

Xue ‘er’s face was pale and she was embarrassed.

He didn’t struggle anymore. Anyway, he had already seen what he should have seen before.

She was silent for a while and then actually smiled. ye mu Yun, what do you miss about the past? ”

“tang xue ‘er?” his face was ashen.

She laughed so hard that tears flowed out of her eyes. it’s been eight years and you have a girlfriend now. Your possessiveness is even funnier than before.

“you’re blaming me for leaving, right?” xue ‘er lowered her head,”what can i do?” ye muyun, you’re telling me that i can watch qin mu die and then sweetly call aunt ye ‘mom’? ”

she looked at him. ” it’s because of your extreme love. if it wasn’t for that, we wouldn’t be where we are today. ”

his expression turned even uglier.

So, this was what she was really thinking.

It turned out that he hated her, and she also hated him.

“you hate me?” He asked her softly.

Xue 'er's eyes drooped, and after a while, she said in a low voice, "maybe! After all, we were truly in love at that time."

his mouth was filled with bitterness.

he had so many things to say, but in front of her few words, he was so pale and weak.

"Mumu and Zhou chongguang are getting a divorce." In the end, he squeezed out these words.

xue 'er pursed her lips and used her hand to push the water in the bathtub away. she said lightly, "So what? That won't change anything."

she smiled. "i'm no longer an 18-year-old girl. i like my current life. "

His face turned pale.

she said that she liked her current life. did that mean that she was suffocated by the past?

"i can't deny that it's uncomfortable to look at song keren because she's standing in my previous position. however, someone else will take my place. " she looked at him. "i'll be returning to United States next month. ye muyun, my return this time won't change anything. let's just treat our matter as a memory! "

Chapter 2138: A forced kiss (2)

he looked at her, his face twitching slightly.

he had seen xue 'er like this before, but at that time, she had used all her rationality on others.

And not him.

she had always been clumsy and flustered when she faced him.

But now, she was telling him all this in a calm and composed manner.

He frowned, but Xue 'er smiled. "Ye mu Yun, what do you want me to do? to be your mistress? or will you break up with song keren?"

"What if I break up?" he asked in a hoarse voice.

She lowered her eyes. but I'm not willing to.

he just looked at her quietly, at her calm expression.

at this moment, she didn't even have a decent piece of clothing on her.

She was so calm.

Ye Muyun propped himself up and leaned against the edge of the bathtub. He even wanted to smoke a cigarette.

he stared at her for a long time before he got up.

His body was covered in water, and his face was so dark that water could drip from it.

Xue 'er kept supporting herself and didn't slip.

After a long time, she finally cleaned herself up and walked out in a bathrobe.

he hadn't left yet. she didn't know where he found a bath towel to wrap around it, but his clothes were piled up at the bathroom door.

Ye Muyun was reclining on the sofa in the living room, holding her phone in her hand, her eyes deep.

she walked over and sat down opposite him. she looked up and said, "it's getting late."

"chase me away?" His voice was hoarse.

Xue 'er laughed. ye mu Yun, when you're with a girl, shouldn't you avoid idle time and stay away from other people? "

"have you also become that other person?" he asked softly.

"yes." xue 'er sighed and walked to the floor-to-ceiling window in the living room.

She stretched out her snow-white arms to pull open the curtains and took in the night view of B city.

She stood there, her slender back straight and relaxed.

he looked at her and knew that she was different from the past.

That shy little thing had disappeared.

There was a lump in his throat, and he felt an unspeakable pain, but he still held it in and did not speak.

"i know you hate me, yingluo, but what do you hate me for?" "Qin Mu is alive and well, and you're also well and have a pretty good girlfriend," she said faintly.

"You think I'm doing well?" his voice was extremely hoarse.

Xue 'er was silent for a while before she spoke, "alright, i've made it through."

She turned around and looked at him quietly. Her small body was wrapped in the bathrobe. She was very petite, but there was a faint energy in her.

Ye mu Yun squinted his eyes in a daze.

He wasn't good, he wasn't good at all!

why did she think that he would be fine after she left?

He reached out, but he could not touch her.

she had always been so far away from him, as if they had been eight years apart.

Ye mu Yun smiled faintly. you're successful now.

he was simply asking to be humiliated by coming over tonight.

However, he did not forgive her for being Yingluo.

at this moment, there was a knock on the door. xue 'er looked over.

“My Secretary,” ye Muyun replied.

he went to open the door and let the person outside in.

however, when that person came in, xue ‘er was stunned.

“Zheng Xinyi?” She mumbled.

Zheng Xinyi had changed a lot. She had become much more beautiful, but Xue ‘er could still recognize her.

She actually became ye Muyun’s Secretary Wanwan. This was simply ridiculous.

She remembered that ye mu Yun didn’t like Zheng Xin, especially not her, but now ... He accepted her as his Secretary!

Chapter 2139: A forced kiss (3)

Facing Xue ‘er’s shock, Zheng Xinyi was much calmer. She only smiled slightly. Tang Xue’ er, long time no see.

Xue ‘er stood there and did not immediately respond. She looked at Zheng Xinyi in deep thought, her eyes even a little cold.

“Is there a problem?” Zheng Xinyi was still smiling. don’t you think it’s a little unbelievable that I became the Secretary of Boyi’s CEO after being held back for a year? ”

Xue ‘er recovered and looked at the ambitious woman in front of her. She chuckled, ” “it’s quite unbelievable.”

she didn’t say much, but zheng xinyi couldn’t figure out what she was really thinking, and her face turned a little ugly.

Ye Muyun took the bag from Zheng Xinyi’s hand and said calmly, ” “secretary zheng, wait for me outside the door!”

Zheng Xinyi pursed her lips and left.

After she left, ye mu Yun looked at Xue ‘er. don’t you want to ask me why I want to use her? ”

Xue ‘er turned around and looked at the night view outside for a long time before she said, ” “Why should I ask? you’ve already decided on this.”

he looked at her back and suddenly suppressed his voice. ” “Does everything in B city have nothing to do with you anymore?”

“It’s your private matter, it has nothing to do with me.” her voice was very soft. ” ye muyun, take your secretary and get out of here right now. ”

“Did I make you feel disgusted?” he stared at her back, probably because he didn’t want her to feel comfortable.

xue ‘er suppressed her emotions. ” yes, it’s disgusting! ”

“But I think song keren would be even more disgusted if she knew.” She opened the window.

as it was the top floor, the wind gushed in and could blow them down.

Ye Muyun had just finished changing his clothes. He stepped forward and closed the window. He looked at her coldly.”Are you crazy?”

“it’s none of your business.” “Get lost,” she said almost willfully.

Ye Muyun suddenly grabbed her shoulder and pushed her towards the floor-to-ceiling window.

Her slender back hit the cold and hard glass just like that, and it hurt.

His back was bone-piercingly cold, and in front of him was a bone-corroding heat.

Ye Muyun’s palm was enough to hold her down. His eyes were dark. has it nothing to do with you?  
”

he lowered his head and whispered in her ear, ” then why do you have to look so angry? ”

His thin lips fell and he bit her lightly, causing her to cry out in pain.

” i’m not zhou chongguang. i won’t get together with a female secretary. ” there was a hidden meaning in his voice.

Xue ‘er was pressed against the glass, her body trembling slightly.

She would also be afraid, afraid of falling.

However, as she struggled, she seemed to get closer to him and forced herself into his arms.

she didn’t move, and her body was almost frozen. she narrowed her eyes and glared at him.”I’ve said it before, it has nothing to do with me!”

he stared at her for a long time before she gasped. ye mu Yun, the person I once liked wasn’t a despicable man. Let’s maintain the good times we had in the past.

“I’m glad that you still have some praise for me in your little mouth.” he said mockingly, then let go of her.

The moment he let go, Xue ‘er ran to the sofa and hugged a wool blanket.

Her little face was buried in the wool blanket, only revealing her eyes. ye mu Yun, you go.

he glanced at her and walked out without saying anything.

When the door was closed, Xue ‘er threw a pillow at him and almost cried. “bastard!”

Chapter 2140: he doesn’t want me anymore (1)

However, no matter how much she scolded him, he couldn’t hear her.

when ye muyun walked out, zheng xinyi was still guarding the door. when she saw him coming out, she immediately stood up straight and maintained her best posture.”Chairman ye.”

“You can go back first.” Ye mu Yun’s voice was very calm.

Zheng Xinyi pursed her lips. Chairman ye, I think I'd better send you back. I'm worried about you.

Ye Muyun quietly looked at her for two seconds before saying, "do you know why I asked you to come?"

there were so many people who could give him clothes, so why did he look for her?

zheng xinyi's expression turned ugly when he asked this, and the smile on her face froze.

She was well aware of his intentions. He was just using her to make Tang Xue 'er uncomfortable. However, she still had a Cinderella dream.

she still felt that she could show off in front of tang xue 'er, but she was wrong. at most, she was just a chess piece.

Moreover, her boss didn't mind letting her know her uses, so she dispelled that idea early on.

Zheng Xinyi was unwilling, but she had no other choice.

Ye Muyun was invulnerable. She even suspected that song keren used despicable means to stay by ye Muyun's side. But later on, she understood that song keren was just a substitute.

or rather, it was not a substitute at all, but just a decoration.

ye mu yun had a girlfriend, but he was still living like a monk. one could imagine how embarrassing this girlfriend was.

However, song keren was enjoying it, so she did not want to expose her dream.

look, when tang xue 'er returned, song keren immediately stood beside her!

Zheng Xinyi laughed softly, but her laugh was bitter.

she didn't even know when yingying had changed the direction of her life.

By the time she realized it, there was already no way to escape.

when she came back to her senses, ye mu yun had already walked far away.

Zheng Xinyi stood there quietly for a while before she left Xuxu in her high heels.

upstairs, xue 'er stood on the top floor alone. her small body exuded a touch of loneliness.

After a long time, her phone rang. She walked over to take a look and saw that it was song keren.

it's so late, why is she calling?

Xue 'er's intuition told her that this was not about the art exhibition, but a private matter.

if it was a private matter, then it would be related to ye mu yun.

She pursed her lips and picked up the call. "Miss song."

Song keren was stunned for a moment. Then, she said with reddened eyes, "Annn, don't keep your distance from me like this."

Xue 'er's voice was very calm. we were originally in a cooperative relationship. This is called no problem.

song keren took a deep breath. " but i'm feeling really bad right now. annn, shall we go out and have some drinks? "

"Is there something?" xue 'er was calm the whole time. after she found out about song keren and ye muyun's relationship, she decided to end her cooperation with song keren. however, she wouldn't talk about business at night.

song keren felt a little cold, but she felt that annn was the most suitable candidate, so she had to find her.

in the end, xue 'er still agreed to meet up with a family!

after hanging up the phone, she changed her clothes and went out. the bar wasn't far from here, only a ten-minute walk, so xue 'er didn't drive.

when he arrived, he was surprised to find song keren already there. she was half drunk.

The white chiffon dress was gently pulled open, revealing a little spring.

Xue 'er sat down opposite her. what's wrong? "

She did not want to deal with song keren, but she had no choice tonight.

perhaps she should return to United States earlier.
