

Thank you 2141

Chapter 2141: he doesn't want me anymore (2)

song keren had a little too much to drink. she looked up at xue 'er and held her mug. she laughed and cried."Annn, he broke up with me."

Xue 'er's heart trembled, but she still looked very calm.

"Why?" his lips moved.

"He said that he has liked someone for a long time. Ran ran said that he can't like me." Song keren smiled.

as she spoke, song keren started crying. " "annn, did you know that i've been with him for two years? i can't lose him."

she reached out and grabbed xue 'er's arm tightly, her voice a little anxious. " "if i take the initiative and get pregnant with his child, do you think he will not break up with me?"

Xue 'er's arm was a little purple from her grip, and it hurt.

She felt that the pain was a little ridiculous. Tonight, first it was ye Muyun, then it was song keren who took turns to torture her mentally. What right did Wanwan and the others have to treat her like this?

Also, did ye Muyun think that they could be together after he broke up?

Everything had changed.

she couldn't say that she had completely forgotten about him, but she was afraid of yingluo and didn't dare to touch her.

Her voice was low and light."perhaps you can give it a try."

song keren was stunned. " annn, i thought you were telling me not to do this. "

xue 'er suppressed her voice. " if you love someone, you have to do everything you can to keep him, right, hanhan? "

just like back then, she and ye muyun.

He had chosen her back then. In fact, he had always chosen Qin Mu.

They were both his sisters.

he wasn't really cruel, she was just helping him make up his mind.

xue 'er thought to herself in a self-deprecating manner. she was clearly the victim. she had clearly avoided going abroad for eight years. why did she have to suffer all this when she came back?

let them have their own children! i'll have as many as i want!

Her heart ached a little, but she didn't care.

Anyway, it had been painful for so long. It was so painful anyway, so it didn't matter if it hurt a little more!

Song keren was still in shock. Then, she laughed and poured Xue 'er a glass. annn, give me courage!

xue 'er looked at the mug on the bar counter and smiled. she picked it up and drank it in one gulp. Song keren clapped her hands and laughed madly. that's great ~ annn, we have to celebrate today. "Celebrate what?" xue 'er smiled lightly, her face was slightly flushed, but she was not drunk.

She was no longer the little girl who would get drunk with just a little alcohol.

Song keren rested her chin on her elbow and laughed in a daze. to celebrate the successful opening of our gallery and to celebrate me being dumped by a man today.

xue 'er poured herself another cup and said calmly, " "To celebrate your wish being fulfilled."

song keren suddenly moved closer to xue 'er and said in a warm voice, " "Annn, do you have any experience with this?"

Xue 'er looked at her.

"Does it hurt?" song keren was really drunk. she dared to say anything. and is there something wrong with mu Yun? why has he never touched me? "

Xue 'er's body shook.

song keren's smile was intoxicating. " but i'm not afraid of pain. what i'm most afraid of is him leaving me. "

There were already a few bottles of beer in front of him, but song keren was still drinking.

Xue 'er was drunk. She looked at her lying on her stomach and shook her head. I'll send you back! he reached out to help song keren up and called for a taxi outside the bar.

The chauffeur helped her into the car. As the engine started, the chauffeur spoke in B city's dialect, " "Miss, where are you going?"

Chapter 2142: He doesn't want me anymore (3)

Before Xue 'er could say anything, song keren had already given her a series of addresses.

xue 'er didn't think much about it and asked the driver to go there.

"it's not good for two girls to drink like this. it's dangerous." the middle-aged driver said enthusiastically, " "don't use didi express at this time. it's not safe for beautiful girls like you."

"I'm not drunk," Xue 'er replied with a smile.

"drunk, i already said there's no drunk." the driver chuckled.

Xue 'er did not explain further.

she was already numb to alcohol.

No one knew that she used to numb herself with alcohol all day long. Only when she was drunk could she control herself not to return to that person's side and not to look for him.

Sometimes, when she woke up, she almost didn't know where she was. She had also lived an absurd life for more than a year.

without her brother and ye muyun, she didn't know how to live.

at that time, she suspected that her body was full of alcohol.

At that time, she was better off dead.

After that, alcohol didn't work on her anymore. Xuxu could stay sober no matter how much she drank.

after that, she stopped drinking, yingluo.

when she learned to draw, she locked herself up. after two years, she finally calmed down.

It had been eight years. Xuexue 'er leaned her head against the car window and refused to think too much.

The chauffeur drove the car to the apartment that song keren had mentioned and helped her out of the car.

Xue 'er paid the money and said, " master, please wait for ten minutes. I'll be back at the GM hotel in a while.

When the driver heard that, he said, " that's where the rich live.

However, looking at this apartment, only the rich in B city could afford to live in it. The location was definitely first-class.

the starting price for a square meter was more than 200000 yuan, and a hundred square meters was twenty to thirty million yuan.

xue 'er did not say anything and helped the drunk song keren upstairs.

When the elevator reached the top floor, song keren's body leaned against the door. She smiled seductively."Thank you for sending me to Muyun's house, Hanhan."

She hiccuped. goodbye. The rest of the things are not suitable for children.

Xue 'er narrowed her eyes. Only now did she realize that this wasn't song keren's house, but ye Muyun's.

The muscles on her face twitched unnaturally. She forced a smile and went back into the elevator.

The elevator door closed, and song keren's alluring smile was still in front of him.

She thought that no man could refuse a woman's request, let alone a drunk woman.

the elevator went straight down, and she felt that the one minute was especially long.

it was only a minute, but it felt like a century.

when she walked out of the elevator, she felt a chill on her face. she reached out and touched it, only to find cold tears.

Only then did she know that she had cried.

she didn't know why she was crying. it was like a dream that she didn't want to wake up from.

The taxi was still waiting, and there was a small red light on the roof of the car.

These tiny dots of light were simply salvation to her.

xue 'er immediately opened the car door and got in. " drive. "

The driver smiled as he drove and was willing to chat with the pretty girl.

This little girl was much more iconic than the one just now, and she had a faint indescribable temperament.

"Are you a colleague of the young lady just now?" The driver asked nosily.

Xue 'er was looking out the window. When she heard the driver's words, she retracted her gaze. no, she's my boss.

the driver laughed drily. " you must be joking. how is that possible? "

It was obvious that this little girl was born into a rich family, far from the drunk girl just now.

Chapter 2143: Put on your clothes (1)

It was obvious that this little girl was born into a rich family, far from the drunk girl just now.

"or perhaps, they were once love rivals." "the person i used to like is with her now," xue 'er mumbled.

The driver was stunned for a moment, then swallowed his saliva. "You young people are really bold! If it was back in our time, if we met a love rival who got drunk like this, we would throw her on the street and let people destroy her. "

xue 'er was in a bad mood, but she was amused. " is he that good? "

"Of course!" the driver nodded affirmatively. " at that time, two girls in our village fought over me. it was an intense fight. they fought from the beginning of the village to the end of the village, and then from the end to the end of the village. i was in a dilemma. "

they're all pretty, " the driver said with a flirtatious smile. I was in a difficult position for a while.

xue 'er also laughed.

the driver sighed. " young lady, you shouldn't laugh. just cry. no one will laugh at yingluo for looking uglier when she smiles! "

xue 'er reached out and touched her face. there were tears.

“I’ve long forgotten how to cry,” she said softly after a long time.

because when she cried, there was no one else she could rely on, yingluo.

The driver was speechless. He sighed again. men are like clothes. Don’t mind them too much. The next one will be better.

xue ‘er nodded and didn’t say anything else.

On the other side, song keren was desperately banging on the door and calling out ye Muyun’s name.

when ye mu yun opened the door, he was a little surprised.

He was standing at the door in a bathrobe, but he blocked the door and had no intention of letting song keren in.

Song keren looked at him and was stunned at first. Then, she looked at him in worship and mumbled drunkenly, ” “mu yun, are you happy to see me?”

She was obviously drunk.

“how did you get here?” He frowned.

Song keren laughed a little foolishly. it was annn who sent me here. I said I was going to get pregnant with your child, so ran ran sent me here.

ye mu yun’s eyes narrowed.

xue ‘er?

song keren hung on him, her face on his shoulder. her voice was very low. Muyun, I don’t want to break up. Wanwan, can we be together? ”

as she spoke, she raised her head and was eager to kiss him.

However, he avoided it.

ye muyun’s voice was very faint. ” you’ve drunk too much. we’ve already broken up.”

“but, annn said that we can be together forever as long as we have a child.”

Song keren looked hurt. Muyun, you said that you liked me, Wanwan.

he closed his eyes. he had never said that!

Song keren’s eyes were dazed. She suddenly took off her skirt and scattered it around her feet like an umbrella.

She didn’t block herself and just looked straight at him. Her voice was soft and dreamy.”Muyun, let’s be together, okay? forget that person. I will be a good wife.”

“put on your clothes.” He pushed her away without the slightest bit of pity.

song keren took two steps back, feeling a little embarrassed. she sobered up a little.

she looked around and saw his ashen face in a daze.

She slowly regained her consciousness and realized that she had provoked him.

but, this was all because she loved him, yingluo.

“mu yun, i’m begging you, take me!” she suddenly knelt at his feet, hugged his leg, and humbly said, ”

ye mu yun coldly said,”put on your clothes, or else wanwan ...”

Chapter 2144: put on your clothes (2)

ye mu yun’s expression wasn’t too good as he looked down at the woman who was begging at his feet.

he was angry, but not at song keren. he was angry at tang xue ‘er, who had sent her here.

However, he had to get rid of song keren now.

song keren lived alone. it was obviously inhumane to kick her out like this.

ye muyun thought for a moment, then bent down and reached out to grab her neck-

Song keren fell limply to the ground.

He picked her up and walked straight in, arranging for her to stay in the guest room.

when she came out, she looked at the bright lights outside through the floor-to-ceiling window, and her heart was as calm as water.

he didn’t sleep and just stood there quietly, as if he could see the person he was thinking of through the dark night.

he stood there the whole night until dawn. song keren woke up.

She opened her eyes and looked at the clothes on her body. She was stunned for a moment and felt a little disappointed.

he sniffed the smell again. oh, it smelled bad.

After thinking for a while, she went to the bathroom to take a shower, dried her hair, and came out with only a bathrobe on.

the sky was already bright.

Ye mu Yun stood in front of the floor-to-ceiling window, wearing the same white bathrobe as her.

Song keren sobered up and returned to normal.

but in her heart, she still couldn’t bear to.

She walked over barefooted and hugged his lean waist from behind, placing her face on his back.

Song keren’s voice was clear and light.”Mu Yun, let’s not break up, okay? i’ll agree to anything you say. i won’t force you to get married. i just want to be by your side.”

He didn't immediately break free from her, as he gave her the last bit of gentleness. He said hoarsely, "I will compensate you."

from the beginning to the end, he knew very well what kind of role Song Keren had played.

Song Keren shook her head furiously behind him. "Muyun, I don't want compensation. I only want you."

her thin arms tightened, and her red lips also let out an alluring murmur, "Let's be together, okay?"

she kissed his back, but he did not move.

Song Keren kissed him. Her red lips seductively kissed his chin, moving up his good-looking jaw.

The moment their lips met, Ye Muyun slowly said, "That's enough,"

Song Keren was unwilling to stop. She stood on her tiptoes and kissed him lovingly. Her eyes were like silk. Muyun, am I not good?"

she even suspected that there was something wrong with him. otherwise, why didn't he have any reaction when she was like this?

Song Keren refused to believe it. Her slender fingers moved down.

Then, she was stunned.

He was clearly just doing it, Yingluo.

she looked up and muttered softly, "Why should I endure it? Why should I suppress it?"

Ye Muyun gently pushed her away, his face cold. "It's just a man's reaction in the morning. If there's no reaction, it means there's something wrong with me."

after being kissed by a woman to this extent, he would not be a man if he did not have any reaction.

Song Keren's eyes dimmed and her lips trembled slightly.

this was a form of humiliation to her.

His body clearly wanted her, but he didn't touch her.

"I'll get someone to send some clothes over. Ye Muyun said calmly. He took out his phone and called Zheng Xinyi.

he had only said one sentence when Song Keren smacked his phone to the ground.

she had never been so bold before. she panted as she looked at him and pursed her lips. "I don't want to."

Ye Muyun looked at her quietly and said in an indifferent voice, "There's a limit to my patience,"

Song Keren took a step back. "Your patience and gentleness were all given to that person, right?"

Chapter 2145: put on your clothes (3)

ye muyun didn't say anything. he just picked up the phone and calmly said to zheng xinyi, "send a set of clothes over."

Zheng Xinyi was stunned for a moment,"Chairman ye, where is it?" And the size?"

Ye Muyun glanced at song keren and said, "It's miss song,"

Zheng Xinyi was stunned again.

had ceo ye really decided to be with song keren?

He was clearly at Tang Xue 'er's place yesterday. Did he change to another person last night?

Zheng Xinyi was happy to see such a change.

she immediately prepared clothes and sent them to ye muyun's apartment.

when he arrived, he rang the doorbell. the one who opened the door was ye muyun, still wearing a bathrobe.

Zheng Xinyi pursed her lips and handed the bag over. Ye Muyun said indifferently, "i'll send miss song back later."

zheng xinyi guessed that last night was probably song keren's one-sided love.

She pursed her lips and stood guard outside.

ye muyun closed the door and placed the paper bag on the table. "change into it!"

song keren looked at him. when he spoke, his gaze did not fall on her.

They had been together for two years, but even now, they were still like strangers.

song keren's throat was choked with sobs. "muyun, is it really impossible between us?"

he did not make a sound.

Song keren bit her lip. In the end, she changed her clothes and left.

when she reached the door, she saw zheng xinyi in a daze.

song keren was not very familiar with this female secretary.

And instinctively, she did not like Zheng Xinyi. She always felt that there was too much ambition in her eyes.

No woman would like her boyfriend to have an extremely capable Secretary by his side.

It was the same for song keren.

so, after she went out, she did not talk to zheng xinyi. she just sat in the car and looked out the window.

Zheng Xinyi held the steering wheel and smiled indifferently. miss song, do you know CEO ye's past?"

song keren tilted her head and looked at zheng xinyi.

Zheng Xinyi smiled faintly. it's very unfortunate, I know.

Song keren's gaze was burning. you know? ”

Her voice was a little arrogant. From the bottom of her heart, she looked down on Zheng Xinyi because she was only a Secretary.

” yes, ” zheng xinyi said indifferently. ” president ye loved a girl once, and he loved her for many years. ”

Song keren started to believe her. She bit her lower lip. how did they break up? ”

Zheng Xinyi laughed drily. it's hard to imagine that President ye would be dumped.

“that's not what i want to hear!” Song keren sounded a little angry.

at that moment, they had just reached a red light. zheng xinyi stopped the car, turned her head, and curved her red lips. ” i'm afraid that if i say it out loud, miss song won't be able to take it. After all, this news is even more shocking to you than CEO ye's breakup!”

“who is she?” Song keren narrowed her eyes, her voice resolute.

zheng xinyi looked at the red light in front of her, which was flashing, but a cold smile appeared on the corner of her mouth. ” “That person has returned.”

song keren was stunned. she said slowly, ” “So, he wants to break up with me?”

it turned out that after so long, she was just a spare tire.

The person in his heart had returned, and she immediately lost her value.

was it because he was afraid of a misunderstanding that he couldn't wait to break up with her?

Song keren closed her eyes, unwilling to believe in such cruelty.

however, there was something even crueler waiting for her. zheng xinyi laughed lightly. ” don't you find it strange who this person is? ”

Chapter 2146: an actor (1)

She laughed coldly and said, ” ” who just returned to the country? who's so beautiful? who's the one who can't control his emotions the moment he appears? everything's wrong? ”

zheng xinyi said a few words, and song keren was completely dumbfounded.

is it annn? ” she mumbled.

Annn and mu Yun know each other. She's beautiful enough to be called her!

it was actually her!

song keren laughed. she laughed and cried at the same time.

God, how stupid was she? she actually said she wanted to seduce ye Muyun in front of annn and in the end, it was annn who sent her to ye Muyun's apartment.

why didn't annn tell her about their past? why did they just watch her make a fool of herself?

She clearly knew that ye Muyun still had feelings for her, so why did he humiliate her like this?

song keren clenched her fists and did not say another word.

zheng xinyi smiled and did not admit or deny it.

The car drove all the way back to song keren's apartment. When song keren got out of the car, her legs were weak.

the car window rolled down, and zheng xinyi said calmly, " "Miss song, I just don't want to see you acting like a fool trying to get back Yingluo and the others who grew up together, got engaged, and CEO ye has loved Tang Xue 'er for almost twenty years. they only separated temporarily, but ceo ye can't forget about it. "

After that, Zheng Xinyi rolled up the window slowly and drove away.

song keren stood there and chuckled. " that's right. twenty years. what can i use to compare to her? "

If they were to break up, was she destined to be cannon fodder?

why did annn come back?

Why did a man and a woman who had broken up still want to meet?

"so, i'm a fool." song keren laughed lightly,"i actually personally invited her back, yingluo."

Did annn come back because they knew she was ye Muyun's girlfriend?

"what are you planning, ANN?" song keren's eyes were filled with hatred.

She returned to her apartment and looked at her face in the mirror.

She was so beautiful, but she couldn't attract ye mu Yun.

Song keren smiled. She took out a small pipette from her first aid kit and used it to do something to her neck in the mirror!

i won't allow myself to lose so badly!

after doing all this, she looked at the red marks on her neck, which looked like hickeys.

her smile deepened, her fingers gently stroking the red marks, and her tone was particularly light. " "if annn sees this, she'll definitely feel terrible!"

as she spoke, her smile was a little strange.

While staring at his neck, he called Xue 'er.

in the GM hotel, xue 'er only fell asleep at daybreak. when her phone rang, she instinctively wanted to stuff it under her pillow. however, her phone kept ringing, and she had no choice but to pick it up.

It was song keren's call, and it was the last call she wanted to answer.

she was quiet and did not make a sound.

song keren's excited voice could be heard from the other end. " annn, did ran ran get me pregnant last night? "

xue 'er rubbed her aching head, her face expressionless. after a while, she said, " "Maybe!"

song keren instantly transformed from a smart and capable woman to a little girl. " "Yingluo wanted me five times last night."

after teasing xue 'er five times, she was a little dazed. she also laughed in a daze, and after a long time, she slowly said, " "congratulations."

"i want to thank you!" Song keren's voice was sweeter than ever."annn, let's talk when we meet, okay? I'm so excited and happy now, I've finally become his woman!"

Chapter 2147: An actor (2)

xue 'er lay flat and placed her fingers on her eyes. after a while, she said softly, " "I also have something to discuss with you."

Song keren smiled. shall we have lunch together? "

in the end, they decided on the time and place.

Xue 'er threw her phone away and covered her face with the blanket. She couldn't fall asleep even after lying there for a long time.

She simply sat up and leaned against the bed in a daze.

They had already done it.

Five times!

she touched her eyes with her fingers, which were trembling.

At this moment, she felt that her memories of the past with him had completely disappeared.

her palm-sized face was placed on her knees, and her eyes were cautious. at this moment, she seemed to have returned to the 18-year-old girl.

At this moment, she felt that she had finally lost him.

She had lost it completely. In fact, she had lost it long ago, hadn't she?

Xue 'er smiled, but a tear rolled down her long and curled eyelashes.

When she went out in the afternoon, her face was very pale because she didn't sleep well. She had to put on some honey powder, but she still didn't get angry.

"why should i care? this might be the last time we'll see each other." Looking into the mirror, Xue 'er smiled. perhaps I won't return to B city in the future!

Perhaps, he should not have come back.

Xue 'er picked out a white Lamborghini from the GM's underground parking lot and drove it to the restaurant she had agreed to meet Song keren at.

The car stopped and she got out of the car.

song keren was already there. she sat there and gently ordered her meal.

When Xue 'er sat down, she heard her very gently tell the waiter that another man would be late and that his dishes would be served in half an hour. When she said that, song keren's eyes seemed to be shining with countless little stars, full of love.

Also, the Hickey on her neck was so large that it was entrenched on her white skin. One could imagine how crazy it was last night.

Xue 'er lowered her head and laughed at herself. She laughed at herself five times!

She pursed her lips and quietly waited for song keren to order.

"ANN. What do you want to order?" Song keren suddenly turned around and asked.

"i'll have a sturgeon set meal," xue 'er said indifferently.

"you and mu yun have the same taste!" song keren exclaimed.

On the other side, the waiter looked at the ordering machine in his hand and expressed his confusion. Yingying was clearly different, okay?

however, the customer was god, so he naturally would not say it out loud.

"Is that so?" Xue 'er smiled.

MMH, " song keren replied with a sweet smile. She gave the waiter a few more instructions before turning around. annn, did you drink too much last night? did you sleep well when you got home? "

Xue 'er shook her head. I only drank a little. I'm fine.

"but i think ...

You don't look well." song keren's face was full of concern. " thank you for your hard work, annn. "

she placed her palm on the back of xue 'er's hand, " "i really don't know what to do without you."

Xue 'er did not say anything.

Song keren continued to speak, looking a little shy. although mu Yun has someone else in his heart, he accepted me last night. I think we will be together.

she placed her fingers on her lower abdomen."if we had a child, would he propose to me?"

"i guess so!" xue 'er's expression was indifferent.

"i think so too!" Song keren immediately turned into a sweet and innocent girl. annn, you don't know how mesmerizing his expression was when he was in love with me. Although it was a little rough, it was still sweet.

she lowered her voice and said, " it hurt the first time, but it felt very comfortable. "

Chapter 2148: An actor (3)

She lowered her voice and said, "it hurt the first time, but it felt very comfortable.

"don't you think he's very experienced?" she frowned.

xue 'er didn't want to talk about this with her because every word stabbed her heart. however, song keren, who was immersed in her own happiness, didn't seem to notice her strange behavior. she continued to speak sweetly, "i believe that he will fall in love with me in the future."

Xue 'er's smile became even fainter. She held the water in her hands and took a sip.

the plain water had a bitter taste.

ANN, you don't mind being Muyun's and my bridesmaid, do you? you're so beautiful. You'll definitely attract a lot of people," song keren said as she lifted her curly hair.

"maybe yingluo can't." "i'll be going back to United States in two days," xue 'er said. "i've thought about the art gallery, and i don't like to be tied down. so, after this exhibition, our cooperation will end. "

song keren's eyes widened in shock. "why, annn? do you think the conditions are not good enough, or my company is not big enough? "

she said anxiously, "mu yun said that she would invest and that we would only get better and better."

Xue 'er lowered her eyes. my focus is still on United States.

she raised her little face and broke into a very light smile. "that's it! i won't be eating, i have an appointment later."

With that, she stood up and prepared to leave.

Song keren stood up almost immediately and reached out to hold Xue 'er's hand. annn, do you have something against me? "

"No." "i'm not used to life in B city," xue 'er said lightly.

At this moment, she was like a deserter, eager to escape back to the United States and heal her wounds like eight years ago.

she was the one who had sent song keren to his apartment. song keren had gotten her way, but her heart still ached.

the wound that she thought had healed had never been better than the one huahua was suffering now. she could feel blood flowing down there.

song keren's face was full of pity. she stared into her eyes and said very slowly, "If that's the case, I'll lose the best artist."

"I'm not the best," Xue 'er forced a smile.

Song keren continued to look into her eyes, her face sincere."annn, you're the best in my heart. your painting of a rainy night is the most profound i've ever seen."

Xue 'er shook her head lightly, already planning to burn it later.

that kind of rainy night would never happen again. what was the point of keeping it?

She took two steps back and pursed her lips. goodbye, miss song.

“I’ll miss you,” song keren said as she hugged her.

however, xue 'er could vaguely smell ye mu yun’s scent on her. it was the smell of his usual cologne.

After getting dressed at dawn, how long had they been together?

Those crazy thoughts flashed through her mind again and again.

When she left, her heart was filled with sorrow.

Behind him, song keren’s gaze turned cold.

Zheng Xinyi was wrong. Not only was ye Muyun still in love with annn, but annn had never forgotten ye Muyun either ...

she was the only one who was a fool.

Now, annn thought that she had sex with ye Muyun and fled back to United States.

she had thought that it would be a powerful opponent, but it was actually just a little girl.

however, no matter how much song keren calculated and how much she schemed, she didn’t expect that ye muyun wouldn’t let go again.

Chapter 2149: A vicious slap (1)

Forget it, ye Muyun’s eight years of lovesickness and hatred, how could it be swept away with one kiss?

She sat at the dining table and ate. Lunch for three people was placed on the table, and song keren ate alone.

she ate very elegantly, just like how in love, she wanted to gracefully defeat her opponent.

Not only did she want her to go back to America, but she also wanted her to lose her foothold in the art world.

song keren thought of that rainy night and smiled softly. she swallowed a small spoon of salad with her red lips.

copying an international master’s painting was a sensational scandal!

Xue 'er walked out of the restaurant without driving.

because she knew that she would get into an accident when she drove, yingluo.

she walked slowly on the streets, unaware of the gloomy sky and the rain.

The rain drenched her small face, and a row of water droplets formed on her eyelashes.

She looked up and saw that the sky was gray and it was raining.

it was just like that rainy night.

was the sky also crying?

she laughed. she laughed at herself for being silly for so many years. she clearly said that she didn't care. why did she cry after he slept with someone else?

tang xue 'er, he doesn't belong to you anymore!

why did she still care so much?

At this moment, she was the 18-year-old girl, the girl who had been abandoned.

she suddenly wanted to cry out loud on the streets of b city.

He slowly squatted down and hugged his knees tightly with his hands.

It turned out that she thought she was strong enough, but she couldn't even withstand a single blow.

Tang Xue 'er had promised to make him happy and not disturb him!

she cried, ignoring the strange gazes of the passersby.

A black limousine stopped beside her, and a pair of slender legs stepped out.

zhou chongguang was dressed fashionably. he was supposed to be attending an important meal, but he saw her.

He had thought that it was only her back view and her hair, but when she looked up, he was stunned.

tang xue 'er urged him to call her name unconsciously.

Shi Guang froze.

he looked at the young lady who was doted on by time. she was still the same as when she was 18 years old. she had not changed at all.

his heart was hit hard. the place that he thought was hard became soft and weak.

for so many years, he had seen all kinds of women who looked like her. some had similar eyebrows, some had similar eyes, and some had similar lips. he had enjoyed them one by one, but now he realized that those were not even a fraction of her.

she was still her. those women, yingluo, did not look like her at all.

he slowly walked closer and squatted down. his fingers gently touched her small face. it was cold.

"are you lost?" he asked, as if he had been possessed.

He remembered that she didn't know the way and was always confused. Could she not find her way home now?

Xue 'er raised her eyes and saw Zhou chongguang.

he's changed, he's not like before.

She felt that he had become a complete businessman.

“I can’t find ye Muyun,” she said softly.

she was still lying on her stomach, her little face tilted as she looked at him. ” you’re the one who made me unable to find him. ”

as xue ‘er spoke, she stood up slowly, raised her hand, and slapped zhou chongguang’s handsome face.

He received the slap.

“I’ve said it before. If you mess around with Gu Mei, I won’t let you off. I won’t let Gu Mei off either.” xue ‘er pursed her lips and sneered. ” but you have ruined qin mu for so many years. ”

zhou chongguang wiped his lips lightly and laughed lightly. ” “do you still understand her?”

qin mu didn’t care about it anymore!

Chapter 2150: a vicious slap (2)

xue ‘er stared into zhou chongguang’s eyes for a long time, then suddenly laughed softly, ” “zhou chongguang, i don’t need to know.”

just as they said, qin mu was going to divorce him.

in the end, she still had nothing.

xue ‘er held on and slowly stood up, confronting zhou chongguang on the cold street.

it was as if time had returned to eight years ago, when she had no choice but to protect him.

and eight years later, all that was left was loathing.

Zhou chongguang, you once had everything, but you didn’t cherish it, or you thought that it wasn’t worth it. Xue ‘er’s voice was cold. some people spend their entire lives only wanting to get someone who loves them.

And Zhou chongguang had easily destroyed all of this, making her sacrifice a joke.

Zhou chongguang looked at her in a daze, his voice hoarse. “tang xue ‘er, can we be friends again?”

xue ‘er laughed softly, ” zhou chongguang, what did you think? ”

Zhou chongguang’s face was ashen. After a long while, he smiled. you’re right. Someone like me doesn’t deserve to have friends.

How could she still be friends with him after he had taken away her happiness?

He had been too naive.

zhou chongguang smiled and looked around. ” i’ll send you back! you don’t look well.”

“whether it’s okay or not, i’ll walk alone.” xue ‘er said softly. then, she turned around and walked in the opposite direction.

she left resolutely, leaving no room for negotiation.

As for Zhou chongguang, he was still standing at his original spot, looking at her the entire time.

he seemed to have returned to the past, back to the days when he was still in school.

it started drizzling, but zhou chongguang felt that he could not wash away the sins on his body.

All these years, it wasn't that he didn't regret it, especially when she didn't return for eight years. He wondered if he had made a mistake.

was he being too cruel to her?

at that time, she was only an 18-year-old girl, but her life changed because of his anger.

When they saw each other again, she was just like before, just a little calmer.

He thought of Qin Mu, his own wife.

the biggest change was probably qin mu. ran ran went from loving him to not loving him.

zhou chongguang suddenly raised his voice and stared at the distant figure. "Tang Xue 'er, do you still love him?"

the first response he got was her stiff back.

xue 'er stood still, but she didn't turn around.

She stood there for so long that he thought she wouldn't say anything. Then, she said, "zhou chongguang, if love can be so easily obliterated, then it wouldn't be love."

Zhou chongguang's body trembled.

Is that so? if it's easy to obliterate, then it's not love. What about Qin Mu?

was she the same, unable to be erased?

but what he cared more about was that he had erased it. was it because she had not loved him so much before?

Zhou chongguang was a little confused. He stood there in a daze as he watched the slender figure leave.

xue 'er walked quickly, walking faster and faster.

after that, she started crying.

that damned zhou chongguang, that hateful zhou chongguang!

When they returned to the hotel, the front desk lady said gently, "miss tang, miss qin has been waiting for you for more than an hour."

Xue 'er looked a little disheveled at the moment. Her eyes were a little swollen, and her nose was also red. After hearing the front desk lady's words, she raised her eyes in confusion and saw Qin Mu at the side.

Qin Mu was wearing a wool dress and a coat. He was sitting on the sofa.
