

Thank you 2151

Chapter 2151: the story happens every day (1)

With just one look, Xue 'er felt that Qin Mu knew how to take care of her now. At least, Qin Mu could be considered a woman who was preparing for a divorce. He was much better than her current appearance.

She didn't want others to see her as a joke. Moreover, she thought that Qin Mu had something to say to her. Thus, Xue 'er gave a very faint smile. let's talk in my room.

qin mu nodded. he got up and walked to xue 'er's side.

Before Xue 'er could react, Qin Mu had already reached out and hugged her. He hugged her a little tightly.

In that force, there was a touch of uncontrollability.

"you're back!" qin mu buried his face in xue 'er's neck and muttered, "It's been so many years. How have you been?"

xue 'er's body stiffened and she didn't make a sound.

Just as Qin Mu had said, after so many years, everything had changed. Xue 'er felt a little unfamiliar when she faced Qin Mu.

As if he felt her resistance, Qin Mu closed his eyes slightly, but he still pretended to be relaxed and let go of her. "let's go to the room and talk!"

Xue 'er looked at her silently and walked into the elevator first.

qin mu immediately followed him.

The moment the elevator doors closed, the dignified Qin Mu disappeared. He hugged Xue 'er like a wolfdog and refused to let go.

"qin mu." "you weren't even this clingy when you were 14," xue 'er said in a low voice.

"you didn't treat me so coldly when i was 14." Qin Mu pouted his little mouth. He immediately transformed into a 14-year-old child and pestered Xue 'er.

Xue 'er had no choice. She couldn't push her away, so she could only let her hold on.

however, she kept a straight face. it wasn't that she hated qin mu, but she didn't know how to get close to him.

if she got too close, she would definitely get close to ye muyun. this was something she didn't want, and it was probably qin mu's goal.

qin mu's thoughts were easy to understand. she wanted to divorce zhou chongguang, so she felt that she should be together with ye muyun now, but it was impossible for wanwan to be together.

xue 'er swiped open the door and walked in first. she asked qin mu calmly, "Have you eaten?"

Qin Mu shook his head. not yet.

Xue 'er took off her coat and said,"I'll order a meal first!" i'm also a little hungry now, so i might not be in the mood to talk."

qin mu pursed his lips and did not dare to object.

xue 'er should have known why she was here!

however, xue 'er's expression did not look good. did something happen?

While Qin Mu was in a daze, Xue 'er ordered two Western dishes and went to wash her face.

When she returned to the living room, there was a knock on the door on time. She opened the door, and the waiter pushed the dining cart in. When he saw Qin Mu, he quickly left.

"Let's eat!" Xue 'er said calmly before sitting down.

she was wearing a chanelle dress. it was retro and elegant, but it was a little different from the past.

Qin Mu looked at her fixedly and did not start eating for a long time.

"if you've already eaten, then don't force yourself." Xue 'er said lightly.

qin mu immediately put down his fork. " i've already eaten. "

xue 'er glanced at her and didn't say anything else. she just ate.

She ate very quickly and elegantly, finishing her lunch in ten minutes.

qin mu was a little stunned. xue 'er wasn't like this in the past. she was always quite picky with her food, and she was only willing to eat properly when her brother forced her.

Probably because she felt Qin MU's gaze, Xue 'er wiped her lower lip and smiled. "People change. When there's no reliance, you have to grow up on your own."

She looked at Qin Mu and went straight to the point. Qin Mu, whether you're doing well or not actually doesn't have much to do with your brother and me.

Chapter 2152: The story happens every day (2)

she looked at qin mu and went straight to the point. " qin mu, whether you're doing well or not actually doesn't have much to do with your brother and me. "

"After you and Zhou chongguang got married, I could have come back, but I didn't," she said softly.

qin mu's expression was a little entranced.

xue 'er's lips curled into a bitter smile, " "Sometimes, you can't come back after walking out."

" when i left back then, i also thought that i would be able to come back. but after i left, i realized that i would never be able to come back. it's not because you or zhou chongguang are in a daze, but because there are stories that happen every day. " Xue 'er finished her sentence in one breath.

qin mu was stunned. ” xue ‘er, what happened to you? ”

Xue ‘er lowered her eyes and only spoke in a low voice after a while. I don’t want to say it. ”

In Qin MU’s eyes, there was a hint of confusion and bewilderment.

she had a feeling that this story was related to her brother.

her heart was beating wildly, and she used all her strength to ask softly, ” “do you still like big brother?”

The only response she got was a long silence.

after a long time, xue ‘er finally answered her, ” some things are more important than liking someone. ”

qin mu was stunned.

Did Xue ‘er have someone more important than her brother, or did something happen?

She couldn’t say much. In fact, she shouldn’t have come today.

She had come over with a thick face. She was originally going to be rebuffed in the future, but Xue ‘er didn’t tease her and was so friendly and calm that she wanted to cry!

“i don’t know what to say. i think that those words should be said to you by my brother.” “but i’m sorry,” qin mu said in a low voice.

qin mu didn’t cry. she only smiled bitterly.

Laughing at the young and ignorant, laughing at the dazed

but no matter how sorry she was, she couldn’t bring back her brother’s happiness.

xue ‘er’s expression was very calm. ” qin mu, it’s fine as long as you’re well in the future. ”

there were too many words that stood between them, and they were unable to say them.

in the end, qin mu still left wanwan.

when she left, she was a little dazed.

she had a feeling that xue ‘er had really given up on her brother. it wasn’t because of song keren’s existence, but because yingluo didn’t want to be with her anymore.

when qin mu returned, he sat in the car and listened to the music in the car. he was in a daze.

She recalled many, many things. It was not the past between her and Zhou chongguang, but the past between her brother and Xue ‘er.

those innocent playmates and childhood sweethearts had all disappeared because of her.

when qin mu returned to the wen hua hotel, his face was cold and full of tears.

She had just gotten out of the car when she received a call from Zhou chongguang.

she stood in the middle of the hotel and heard zhou chongguang's voice. " qin mu, do you have time? i want to see you."

"if you're talking about divorce, i'm free anytime," qin mu said after a pause.

There was a moment of silence. I just want to show you something.

Qin Mu didn't say anything.

&Nbsp; Zhou chongguang said, " I promise. I won't do anything. I won't force you.

"Alright, where are you?" Qin Mu opened his mouth, his voice a little hoarse.

zhou chongguang paused. " i'll get someone to pick you up. "

Qin Mu didn't reject her. I'm at wen hua hotel.

less than ten minutes after she hung up the phone, the car arrived. hence, she understood in her heart that zhou chongguang was very clear about her whereabouts. he probably knew about her meeting with xue 'er before.

so the reason why he called her over was most likely related to xue 'er.

qin mu got into the car. in less than half an hour, the car stopped.

she was a little surprised that he had brought her here, her former home!

Chapter 2153: The story happens every day (3)

two days ago, she had hung up the house, but later on, she said that the house had been sold.

now, this house was already someone else's.

The chauffeur was Zhou chongguang's man, and he said congratulatory words, " "Madam, Mr. Zhou is waiting inside."

Qin Mu opened the car door and got out of the car. The moment she got out, the little angel fountain in the villa's garden turned on all the water. The water splashed in the sun with colorful spots. The little angel was even singing, looking especially happy.

At this moment, Qin Mu realized that the sun had come out, and the sky was blue.

in fact, the temperature was a little high and hot.

She slowly walked up the stairs to the place she was most familiar with and the place where her heart ached the most.

This was where her and Zhou chongguang's wedding night was. This was the first time she heard that he had a relationship with Gu Mei. She had stayed here night after night. Later, she saw in the small newspaper that he was loitering in the lady's room of a small star.

The memory of this house was too deep for her, so deep that she didn't want to live here anymore.

he had a vague guess in his heart, but he just needed to confirm it later.

Qin Mu walked in. The huge living room was the same as before. It was even cleaner and brighter than when she was there.

In the tall Hall, there was a painting that she had liked for a long time. The things that she had asked the servants to throw away had all been returned to their original places.

There was even a single photo of her wedding photo on the small table, which was placed in a crystal frame.

It was as if they were still living together.

The man who directed the magic, a young man in casual clothes, sat in front of the piano in front of the floor-to-ceiling window, his slender fingers playing an elegant song.

At this moment, his side profile was gentle, and the sun shone on his face, washing away the profitedness left behind by his many years in the business world. his entire facial features were like flowing water.

he was very focused, his eyes fixed on the music score.

this was a scene that qin mu had been longing to see after his marriage.

However, in the four years of their marriage, he had never touched the piano except for the servants who cleaned it.

As time passed, she more or less understood.

Qin Mu stood still. He didn't run away like last time.

Her voice was hoarse, "Zhou chongguang, what is the meaning of this?."

The sound of the zither suddenly stopped.

he gently closed the piano cover, turned sideways, and looked at her quietly. "I've bought this place,"

qin mu didn't say anything. Buying this place didn't mean anything.

"i've already found a way to get back everything i had, i'm only missing one thing." his eyes were burning. "mumu, you're the only one missing here. "

Qin Mu laughed lightly. either Gu Mei or Lin Xue. The woman behind general manager Zhou Can choose any one of them to move in.

Gu Mei has been sent to a branch company overseas, " he said calmly as he looked at her. Xue Lin urged me to give her a cheque of ten million Yuan.

Qin Mu laughed lightly. Zhou chongguang, not every prodigal son returns. There's not a woman who's devoted enough to wait for him.

"It's not worth it for you," she said softly.

zhou chongguang supported his chin and looked at her quietly. after a while, he smiled. " qin mu, you're in a hurry to divorce me. don't you have any reason for tang xue 'er? "

Qin MU's expression changed slightly.

because she's back, you can't wait to get a divorce so that you can fulfill your good brother's wish. Zhou chongguang said softly, " let me tell you, it's unlikely that they'll do it.

qin mu looked at his calm and collected appearance and suddenly exploded. he picked up something beside his hand and threw it over, and with a bang, it landed beside zhou chongguang-

Chapter 2154: the story happens every day (4)

qin mu suddenly exploded. he picked up something beside his hand and threw it hard. with a bang, it landed beside zhou chongguang-

"Isn't that great? you can still go after Xue 'er after we get a divorce. after playing with so many body doubles, isn't general manager zhou tired of it?" Qin Mu didn't know where his anger came from. As he spoke, he smashed things at him.

"leave your affectionate face to someone else! i won't fall for this!" in the end, qin mu threw a crystal photo of himself over. this time, zhou chongguang did not dodge and was hit on the corner of his forehead.

there was a blue-and-purple area there.

Qin Mu was also stunned for a moment.

zhou chongguang did not mind. he only reached out to touch it and smiled at her. " "Qin Mu, you're pretty cute when you're jealous."

"who's jealous?" qin mu glared at him angrily, then walked outside. " " you can stay here if you like. you can bring whoever you want. you're buying it anyway. "

but zhou chongguang had already taken her hand quickly. his voice was very low, " we are still husband and wife now. everything i have is the shared property of the husband and wife. Mumu, this is still your home."

He didn't hold her with much strength, as if he was afraid of hurting her.

Qin Mu struggled for a while, but he tightened his grip again to make sure he didn't hurt her.

"mumu, i was the one who used to mess around with yingluo, but you should have told me earlier." Zhou chongguang sighed. forgive me this once. Will you? "

His words were really nice to hear, and Qin Mu was in a daze.

forgive her this once.

then who would forgive her?

Then, what were those difficult nights for her?

Zhou chongguang, your feelings for me are not because of love, but because you're using me! She laughed lightly. or do you want to have a lighter taste after being with so many flowers? "

Zhou chongguang was originally only holding her hand, but now, it slid down her arm to her shoulder, and he pressed it gently. "I'm serious this time."

"alright!" qin mu said calmly,"fire gu mei." I want half of Rongguang's shares."

Zhou chongguang furrowed his brows. you clearly know that Gu Mei has been in prison for a few years because of me. Also, the members of the glorious and Xuanji family would not agree to me doing this.

Qin Mu just smiled indifferently. Zhou chongguang, I was almost touched just now. I thought I was very important in your heart. It turns out that it's just that.

Zhou chongguang squinted his eyes. Mumu, don't mess around.

"I'm not messing around." Qin Mu said very seriously,"Zhou chongguang, I want to be wholehearted and devoted. I want everything." And you can't give me that! Don't pretend that you can give me the whole world, Yingluo. You can't give it to anyone, because your world is not complete."

after qin mu finished speaking, he struggled to break free from him. " that's all. goodbye. "

zhou chongguang pursed his lips and did not say anything. he just watched as she walked out.

After she left, he leaned against the back of the sofa, took out a cigarette, and quietly lit it.

Qin Mu was different from before. She was no longer that shy little wife of his.

she couldn't wait to fly higher, so how could he let her go?

She had already become a habit by his side. Without her, he felt empty.

When he saw Tang Xue 'er, his heart palpitated. He was even tempted.

However, when it came to life, he still felt that it would be more natural to have Qin Mu by his side.

some things, after being used for a long time, would probably develop feelings. if she took it away, she would not be used to it.

Chapter 2155: a man's loyalty (1)

but what could she do? she seemed to be determined to leave him!

Zhou chongguang laughed lightly, but his laugh was a little deep, making it difficult for others to see his true thoughts.

Just then, his phone rang.

he lowered his head and saw that it was a call from gu mei.

After a pause, he still picked it up.

Gu Mei's low voice could be heard from the other end. "Chongguang, I want to see you."

zhou chongguang's thin lips pursed slightly. " gu mei. you know the reason why i transferred you away, right? "

gu mei was silent for a moment before she softly said, ” “Wouldn’t it be easier to fire me?”

“if you wish.” his answer was very cold and emotionless.

Gu Mei sobbed softly. After a long time, she said in a soft voice, ” I only want to see her once.

zhou chongguang pondered for a moment, then slowly spat out a few words, ” “Gu Mei, I will not sleep with you.”

gu mei seemed to laugh at herself. ” of course. ”

zhou chongguang kept his phone and walked out of the villa.

He had been very unfair to Gu Mei from the very beginning.

when she was in jail, he was with qin mu and never went to see her.

After she was released from prison and became his Secretary, they did it on the night she took over the job.

it was not gu mei’s first time, and neither was he.

he had long been numb to the affairs between men and women after putting on an act in the business world.

After he had slept with her that day, he had leaned against the headboard and smoked as if he had completed a mission.

it could be considered as repaying her!

a year before he and qin mu got married, he and gu mei had already been together. of course, they didn’t have sex very often.

Because he had too many social events to attend, Gu Mei was often not able to get in the queue.

after that, he got married and took care of some small-time celebrities. his relationship with gu mei became even more shallow. he became more and more like a boss and his female secretary, teasing her until gu mei could no longer bear it.

Zhou chongguang was very clear in his heart that the reason why Qin Mu was so clear about his matters was because of Gu Mei.

however, he could not blame gu mei. in his heart, he felt guilty towards gu mei.

He could not blame a woman who had completely given herself to him.

Sometimes, he also felt strange. Qin Mu was clearly a girl more innocent than Gu Mei, so why could he be so cruel to Qin Mu? it was because she was ye Muyun’s younger sister, so when he faced her, he couldn’t let her go.

especially when they were in bed, his mind would sometimes go out of control when he looked at that beautiful little face. he couldn’t help but become rough, and she was afraid of him after she cried out in pain.

There was a period of time when he and Qin MU's marital affairs were very inharmonious. It was probably due to his psychological effects.

Zhou chongguang got into his own car and drove to the place that Gu Mei had mentioned.

it was a private room in a club.

When he pushed the door open and entered, Gu Mei was already sitting on the sofa and singing karaoke. There were two bottles of wine in front of her.

she lifted her eyes and looked at zhou chongguang, then smiled, " "He went to look for Qin Mu?"

"you know i don't like people asking about my personal life." zhou chongguang's voice was very calm, and then he sat down beside her.

gu mei continued to sing xue zhiqian's ambiguous song. her singing was quite tasteful.

zhou chongguang turned his head to look at her, his gaze a little indifferent and disdainful.

Gu Mei's position in his heart was different from those small celebrities like Lin Xue. She was the one who had accompanied him through the lowest point. She had even sacrificed her body when he was expanding his business territory.

It was not very kind of him to exile her now.

Thus, when Qin Mu mentioned firing Gu Mei, he did not agree immediately.

Chapter 2274: let's start over (1)

ye muyun's car arrived at the entrance of the hospital. he suddenly stopped and let out a long breath.

he was facing a huge temptation.

he didn't know if it was poisonous, but he had already swallowed half of it. if she and lan yu were on the same side and were deliberately lying to him, then he would probably be beyond redemption if he swallowed the other half.

he leaned on the steering wheel and felt a slight headache.

time was running out.

between him, lan yu, and xue 'er, there had to be a conclusion.

if she was happy, he would let her be happy just because she had a son. even if he got bo yi, it was for her safety.

he did not trust anyone. all he wanted was to protect the tang family for her so that she could come back to a place at any time.

Whether he was happy or not was not that important.

One song keren had already made her very angry. One song keren had already made him realize that he could not love anyone else. Even if he forced her, he could not do it.

he dialed gu ze's number. " arrange for some people to monitor lan yu. "

He paused for a moment. also, create some trouble for Boyi. I need to go to New York. Remember, the trouble must be big enough to get the largest shareholder to go with me.

gu ze immediately understood and nodded. ” “Alright,” he said.

ye muyun slowly drove the car away from the hospital and xue ‘er walked into the inpatient department.

little yi shu was still unconscious, lying on the bed, while lan yu was standing by the window.

He probably heard the sound of the door opening, so he said in a very light voice, ” “Who did you look for last night?”

He called the hotel but she didn’t go back to her room. The people at the hotel were mumbling. He wasn’t sure at first but he saw ye Muyun’s car just now. What else was there to be uncertain about?

They had slept together last night.

lan yu turned around and looked at xue ‘er quietly. he smiled, ” “You went to him?”

“Does it make a difference who I sleep with?” Xue ‘er walked in and sat by the bed, looking at little Yi Shu. Her voice was very low. Lan Yu, aren’t you tired of living in hatred? You clearly know that this isn’t his fault, he just rejected your sister!”

Lan Yu’s gaze was deep. you want to say, return to his side, huh? ”

Xue ‘er shook her head.

” i’m very curious. after what happened last night, how did you still dare to return to my side? ” lan yu laughed lightly. ” because i saved you? ”

Xue ‘er lowered her eyes and looked at him again. because I’m your wife outside. What am I to him now? ”

His expression seemed to be a little disgusted. you really don’t hide your true feelings at all.

“yes, i love him!” xue ‘er was fearless. ” lan yu, i’ve already called yang yanni just now to announce to the public that our marriage is a misunderstanding. furthermore, it’s not legal. ”

“i think she’d be happy to do something like that,” she said slowly.

she played her cards with him, but lan yu still didn’t move.

he looked at her quietly and pursed his lips. after a long time, he said softly, ” “You came back just for this?”

He probably knew what she was thinking. She wanted to protect that man.

in her own way.

“He’s already making a move on Bo Yi. Soon, the Tang family will no longer be Bo Yi’s master. Are you sure that man loves you the most and not Bo Yi?”

xue 'er smiled. " i believe him. even if i die, i will believe him. "

lan yu closed his eyes. " what about me? "

his body trembled when he asked the question. when he opened his eyes again, they were filled with shock because of what he had just said.

Was he trying to ask for something from her just now?

Chapter 2156: A man's loyalty (2)

when qin mu mentioned firing gu mei, he didn't agree immediately.

he did not have any romantic feelings for gu mei, but he owed her.

After Gu Mei finished singing, her eyes brightened. She leaned her head on Zhou chongguang's shoulder and said in a low voice, " "Chongguang, I don't want to leave."

zhou chongguang sat there and did not move, his gaze fixed on the big screen in a daze.

after a long time, he finally lowered his head and looked at the woman on his shoulder. " gu mei, find a good man and marry him! i'm not the right person for you, i can't marry you."

He and Gu Mei would never be able to be together.

Even without Qin Mu, she was still Gu ze's sister. Today, Zhou chongguang no longer trusted anyone. Back then, she could betray ye Muyun for him. In the future, she might wake up and betray herself.

gu mei was his business partner and had never been a candidate for his wife.

The women outside were alluring, but they were just toys.

qin mu's appearance was perfect for home.

After Zhou chongguang finished speaking, Gu Mei was a little dazed. She asked softly, " "was it qin mu who suggested it?"

For some reason, Zhou chongguang spoke up for Qin Mu. "No! she doesn't have that kind of intention. she just wants to leave me to tease gu mei. now, it's my fault. i can make it up to you."

Gu Mei was still in a daze and did not speak for a long time.

ten percent of glory's Army, let's completely separate! zhou chongguang laughed bitterly.

To Gu Mei, he could promise these things. But to Qin Mu, he never talked about money.

Because that was his wife, Yingluo, he actually didn't want to use money to get back their marriage. In fact, he also knew that as long as Qin Mu was unwilling, he wouldn't be able to get Qin Mu back even if he used everything he had.

Gu Mei blinked her eyes. Her makeup was a little smudged and her voice was trembling."chong guang?"

Gu Mei, if I had fallen in love with you all these years, I think I would have done everything I could. Zhou Chongguang forced a smile and reached out to caress her long hair. "I still can't make up my mind."

It would be unfair to her if this continued.

The only person he wanted to be unfair to was Qin Mu.

Be it sorry or being a jerk, she was his wife, so she should accept it.

Gu Mei's lips trembled as she stared at him for a long time. She then chuckled. "So you're willing to come because you want to break off our relationship completely."

She held the glass with her fingers and drank the whole glass of wine. After drinking, she looked at him. "Can you accompany me to get drunk once?"

Zhou Chongguang looked at her quietly and did not make a sound. He only reached out to hold the other cup on the table.

After two bottles of hard liquor, he vaguely felt that something was wrong.

Her body was very hot, and something was breaking out of her cocoon ...

It was a desire that urgently needed to be vented!

Entangled, eager hugs, messy and messy

Their breathing was messed up, and the room was filled with decadence. It was the most primitive impulse between men and women.

Two hours later, Zhou Chongguang slowly woke up.

He was lying on the sofa while Gu Mei was lying on his chest. Her slender arms were hugging him.

The light was dim, and such a scene would make people confused. They were in love.

Zhou Chongguang slowly moved his body and lowered his head to look at the woman in his arms.

The last time he did it with Gu Mei was about half a year ago.

He had never been impulsive with her body.

She must have put something in the wine, Yingluo

"Why do you have to do this!" he sighed softly, sat up, and gently pushed her to the side.

Gu Mei flicked her long hair in embarrassment and covered her body with a coat. She smiled bitterly. "I just wanted to hug your warmth for the last time."

Chapter 2157: A man's loyalty (3)

Zhou Chongguang had already started to put on his clothes. He was neither fast nor slow, and his voice rang out very calmly. "I didn't use protection just now. Remember to take your medicine later."

Gu Mei was still sitting on the sofa. Her eyes were hurt in the dark, but he could not see it.

In fact, he had never seen the injuries she had suffered.

from the first time he saw her climb into a client's bed and use underhanded means to get a large order, she knew that he would never fall in love with her in this life.

However, she still could not bear to leave him.

just like just now, rongguang's ten percent was such a tempting condition. if she was a little smarter, she would have agreed to it and not done something to make him angry.

they did it, but she could tell that he did not enjoy it.

instead, he was a little resentful and wanted her to take medicine.

Every time she did it with him, she would take the medicine obediently. She didn't dare to have a child.

That was because he would be angry.

she had always foolishly thought that he didn't love qin mu and that they would divorce one day.

she guarded him in a daze, not daring to do anything that would make him unhappy.

They snuggled up to each other and became demons together. Qin Mu, on the other hand, still looked clean.

now that qin mu thought he was dirty, he wanted to be clean, yingluo.

however, did he wash himself clean?

Also, chongguang, is it really as you said? do you not love Qin Mu at all?

if she didn't love qin mu, why would she spend so much effort to buy the villa and personally pick up the things that qin mu had thrown away one by one from the garbage dump?

Gu Mei laughed softly. She laughed so hard that tears fell.

so it wasn't that she didn't love him enough or that she didn't work hard enough. it was just that no matter how dirty a man's actions were, the white moonlight in his heart would always be clean.

In the club's parking lot, Zhou chongguang sat in the car and smoked.

Having sex with Gu Mei was not his original intention, but he did not feel too guilty about it.

after all, he had cheated on so many people after marriage, so he really didn't need this.

Moreover, he and Qin Mu were in conflict now, so it wasn't strange for him to have a woman.

Before he started the car, he made another call to Gu Mei. He only left her with one sentence, "Don't delay tomorrow's flight."

On the other end, Gu Mei did not say anything. She was only in a daze.

After a long time, he hung up the phone and started the car. He drove back to the villa to take a shower and lay on the bed that he had slept with Qin Mu countless times.

when she closed her eyes, qin mu's clear and beautiful face would appear in her mind. he looked so shy and envious.

he had clearly done it with gu mei three times, but at this moment, he was still interested in his own wife. zhou chongguang felt that he was going crazy.

he lay there, thinking about how to win her heart again.

it seemed difficult, but it was not impossible.

He knew that the only person she met often was Zhao Yan. She liked to eat at that restaurant and listen to Zhao Yan's music.

zhou chongguang laughed coldly and mocked.

Later on, Qin Mu realized that whenever he appeared at Zhao Yan's restaurant, Zhou chongguang would always appear.

this made qin mu very frustrated, and zhao yan naturally could tell that zhou chongguang had the intention to get his wife back.

As an outsider, he could not say too much.

Sometimes, Zhou chongguang would also go up and play a few songs. After a long time, his skills would return.

As Zhao Yan listened, his expression became somewhat thought-provoking.

From Zhou chongguang's song, he could hear feelings.

zhou chongguang had become famous early on and had left a tape behind. zhao yan had heard of it before, but he did not really appreciate it and thought that he had no feelings for it.

Chapter 2158: His seduction was useless (1)

And now, Zhou chongguang, who had been abandoned for so many years, had become much more stunning than before. How could Zhao Yan not be surprised?

when qin mu went to the washroom, zhao yan asked softly, " "Don't you plan to return to this industry? your talent should not be buried."

zhou chongguang smiled, his slender fingers holding the wine glass. he smiled faintly. " to me now, it's just a pastime. "

"Picking up girls?" Zhao Yan asked, deep in thought.

"It seems that only a young lady like Qin Mu would like this. Other women would prefer money." zhou chongguang said very naturally.

"What about now?" Zhao Yan asked softly.

Zhou chongguang paused for a moment, then said rather seriously, " "there's no one else."

gu mei was just an accident.

Zhao Yan smiled and did not say anything. After all, it was a matter between husband and wife, and it was not his place to interfere.

“where’s xue ‘er?” he asked.

as xue ‘er’s uncle, zhao yan had the right to make things difficult for zhou chongguang.

zhao yan, ye muyun, and xue ‘er grew up together. he had personally seen them break up because of zhou chongguang, so zhao yan didn’t have a good impression of zhou chongguang, not to mention that director zhou had a lot of romantic affairs in the past few years.

It was not strange at all for Qin Mu to propose a divorce.

Zhao Yan’s sharp eyes saw Qin Mu coming back from the washroom. He didn’t say anything and naturally got up to leave.

Qin Mu looked at Zhou chongguang, and her expression was one of forbearance. “Zhou chongguang, what do you want?”

“I have something to discuss with you.” Zhou chongguang smiled faintly.

qin mu looked at him steadily.

“it’s related to your brother and tang xue ‘er.” Zhou chongguang’s expression was a little hard to read. I think you’ll be interested.

he knew the little girl’s thoughts, so he was very good at controlling her.

As expected, Qin Mu didn’t reject her immediately. She stared into his eyes.

” these days, your brother hasn’t let rongguang go because you asked for a divorce! ” Zhou chongguang laughed lightly. so do you think I can bear to divorce you? ”

qin mu’s expression turned extremely ugly. he rebuked in a low voice, ” “you’re despicable.”

“Let’s find a quiet place to talk.” he had suggested that this was an elegant restaurant, and the things he wanted to do to her were not too elegant. this was not a good place.

Qin Mu stared at him for a long time.

“you don’t want your brother and sister-in-law to get back together?” Zhou chongguang’s smile was deep, and he even reached out to pinch her little face. “think about it, this should be what you wish for the most, right?”

Qin Mu said a few words softly, ” Zhou chongguang, you’ve overestimated me. I’m the most selfish person. How could I sacrifice myself for the sake of others? ”

“Is that so?” Zhou chongguang laughed lightly. then you’re giving up on your only chance? ” ”

Qin Mu pursed his lower lip and didn’t say anything.

He had already stood up. let's talk in my car.

Qin Mu was an innocent girl after all. After being seduced by him, he thought about it and agreed.

She stood up and walked to the parking lot outside with him.

zhou chongguang was driving a land rover aurora today. he stood beside the car, making him look more energetic and young.

qin mu slowly walked over. " let's talk here. "

Just as she finished speaking, Zhou chongguang had already opened the car door and pushed her in.

"zhou chongguang, what do you want to do?" Her little hand was against his, but he had already locked the car door.

He went around to the driver's seat on the other side and sat down. The door closed.

Chapter 2159: His seduction was of no use (2)

It was dark inside the car.

the sound of any breathing was amplified countless times, making it seem a little ambiguous.

In the darkness, Qin MU's eyes were especially clear and clean.

"mumu, i want to kiss you." zhou chongguang's voice was a little hoarse.

as he said that, his long fingers had already pinched her sharp chin and held her in place.

Qin MU's body moved, but her little head couldn't move at all.

She could only look at him in anger. Zhou chongguang, " she said. you are shameless.

it's not against the law to kiss your own wife, " his voice was sexy and hoarse."maybe you can scream or sue me. let's see if the police will care about the sex between a couple."

If it wasn't for the darkness, he could see that her little face was so red that it was almost bleeding.

However, he could still feel her face burning. He knew her well. She must be embarrassed and angry at this moment.

Qin Mu was the most Orthodox kind of girl, the very serious kind. She rarely took the initiative when it came to husband and wife matters.

Sometimes, he wondered if she had a cold heart. If it wasn't for the fact that she would cry softly every time he went too far, he would have thought that she didn't feel anything at all.

At this moment, he was secretly teasing her. He actually couldn't hold it in anymore. He put down his own schemes and tricks and tasted her first.

So he leaned forward, took her little mouth in his mouth, and kissed her thoroughly.

His technique was very good, and he knew what kind of style a shy girl liked. In the beginning, he deliberately seduced her, but later, he was too immersed in the kiss, thinking about how to please her and make her happy.

qin mu started to struggle, but he slowly lowered his little head. his hands were entangled with his, and his little mouth naturally welcomed his existence.

she snorted softly, and her soft voice stimulated him like a village medicine.

If it wasn't the parking lot on the road, but underground, he would have taken her long ago.

zhou chongguang kissed for a long time. he kissed his little mouth and neck, kissing everything he could.

after the kiss, it was already ten minutes later. the moment she regained her freedom, she gave him a slap.

with a snap, it resounded in the darkness.

not only was zhou chongguang not angry, but he also laughed softly, "Mumu, you were clearly enjoying it just now."

She slapped him again, so hard that her palm hurt.

"Despicable and shameless." when she said that, her breath was chaotic and her legs were soft.

She reached out to open the car door, but he had locked it.

Qin Mu was almost going crazy. Zhou chongguang, you bastard. Open the door.

"do you know what you look like now?" his voice was hoarse as he turned on the lights in the car with one hand. the car was instantly filled with a warm yellow light.

his fingers gently caressed her red lips. "mumu, look at yourself."

Qin Mu pursed his little mouth and glared at him.

However, she still looked at herself through the rearview mirror. Her lips were red and even slightly swollen.

Her eyes were glistening with tears, as if she had been loved.

She knew that she would be like this after they did it. No matter how unwilling she was sometimes, she would always be tortured by him in the end.

"what would a man think when he sees you like this, huh?" he kissed the skin behind her ear and murmured, "mumu, you never know how attractive you are."

qin mu leaned back and looked at him. "Zhou chongguang, do you also say sweet nothings like this to your female secretary and those small-time celebrities?"

Chapter 2160: His seduction was of no use (3)

He paused for a moment. there won't be any more in the future. Gu Mei has gone abroad. There's no point in having those small celebrities. so, i have no problem with that."

qin mu closed his eyes. "i don't think you mean anything either."

“tell me, who’s interesting? Hmm?” He kissed the corner of her lips and couldn’t help but press in again to entangle with her.

qin mu didn’t resist. she allowed him to kiss her, knowing that she couldn’t escape.

After a long time, when he was satisfied and left, she chuckled. will you kill him? ”

“you can try!” zhou chongguang bit her lips and said,”mumu, be good!” i like it when you’re obedient.”

Qin Mu lowered his eyes. didn’t you say you wanted to discuss something? Speak!”

zhou chongguang’s eyes flickered, and his seduction failed!

She was no longer the little girl who blushed with a kiss and couldn’t help but fall for him.

During their first time, she had taken the initiative to kiss him on their wedding night. He was drunk, but he knew that she was wearing pajamas.

that night, he had possessed her with a touch of resentment and not gentleness.

On their wedding night, she had cried so hard, and only he knew how hypocritical his comfort was.

now, he had spent so much effort to seduce her, but she was unmoved.

those reactions of hers were just a normal woman’s physiology. as a man, he knew it all too well.

zhou chongguang was a little disappointed, but he quickly adjusted himself and smiled. ” “i’ve invested in a reality show. the theme is to invite some business giants to attend with their wives. i think the ratings will be very high.”

qin mu’s eyes widened. ” zhou chongguang, you’re not thinking of letting me participate with you, are you? ”

I’ll invite ye Muyun too. He might bring song keren, but Zhao Yan doesn’t have a girlfriend. Tang Xue ‘er will be his best choice. There won’t be any scandals and she’s pretty enough. zhou chongguang looked at her. ” of course, you can disagree. then, i won’t invite the people in front of me. ” In the end, they’ll probably invite some popular young people!” qin mu looked at him warily. ” what are you up to this time? ”

“you think of me as such a bad person?” he smiled faintly. ” i’m just a man who wants to repair the relationship with his wife. ”

“Or do you think that your smart brother will fall for my trick?”

Zhou chongguang said rather frankly, ” although Rongguang is doing well now, compared to Boyi, it’s not even one-third. I can’t even sleep well when your brother stomps his foot. Why would I ask for trouble? ”

qin mu still pursed his little mouth and didn’t make a sound.

“Take your time to think about it. I’ll wait for your reply.” he smiled and pinched her little face. ” are you still staying at the wen hua hotel? Mumu, you can actually move back to Yingluo and I’ll stay in the hotel.”

Qin MU’s small face was tense, and he didn’t really appreciate it. “i don’t need to!”

“How is it convenient to stay in a hotel?” He looked at her with a deep gaze. besides, ” he said, ” my heart will ache.

Qin MU’s voice became colder,”Zhou chongguang, stop being so hypocritical!” i’m not a little girl anymore.”

yes, you’ve been Mrs. Zhou for a long time. You’re no longer a little girl. I was clear about this on our wedding night. He provoked her on purpose.

Qin Mu was naturally resentful because he had lied to her before.

when she was 14 years old, he said that they had slept together, which meant that they had done it ...

But on their wedding night, she was in so much pain. What did that mean?
