Chapter 2161: A dazzling combination (1)

regarding qin mu's current expression of anger and hatred, zhou chongguang could not be more clear in his heart.

No matter how much she had changed, when it came to matters between men and women, she was still as clear as a little girl and could see through it at a glance.

qin mu glared at him. " zhou chongguang, you don't have to bring up your despicable past. that will only make me hate you more. "

"Is that so? when I kissed you just now, your reaction was not like that." he chuckled and reached out to touch her small face.

qin mu, on the other hand, turned his head to the side awkwardly.

at this moment, her hair was slightly messy, and a strand of hair was scattered on her shoulder, looking a little mischievous.

zhou chongguang helped her brush it to the side. his gaze fell on her side profile, and his heart actually throbbed.

He had always known that his wife was beautiful, but he had never admired her so much before. Her beauty was tranquil, a kind of beauty that was comfortable.

"Send me back to the hotel!" Qin Mu suddenly turned his head and met his deep eyes.

at that moment, zhou chongguang was even a little embarrassed. however, after being immersed in the business world for so many years, he was used to hiding himself. he just smiled faintly and started the car.

After a short while, they arrived at wen hua hotel. The car stopped, but he didn't let her out immediately. Instead, he grabbed her hand and said, " "what you said, you should consider it carefully."

qin mu's lips moved, but he didn't say anything in the end.

Zhou chongguang let her down to take a walk.

He lit a cigarette and smiled gently when he saw Qin MU's almost escaping appearance.

qin mu ran back to his suite and closed the door. his chest was still rising and falling violently.

Zhou chongguang's conditions were indeed very tempting to her.

Her biggest wish now was for her brother to be together with Xue 'er again. If it wasn't for her back then, Xue' er wouldn't have sacrificed herself.

after that, she secretly went to the United States to look for xue 'er, but she couldn't find her xuxu.

She knew that her brother was looking for her as well, and he was looking for her until he was in despair. She even knew about Song Keren's existence, but her brother was probably just lying to himself.

On one hand, he convinced himself that he had already forgotten about Xue 'er. On the other hand, he felt that Xue 'er would probably dare to come back once he had a girlfriend!

Qin Mu held the phone and only picked it up after a long time. She called Zhou Chongguang, her voice suppressed and restrained. "Zhou Chongguang, I agree! However, I have a condition, Yingluo."

Before she could finish, Zhou Chongguang's words could be heard.

With one hand on the steering wheel and the other on the phone, he chuckled. "I'm not allowed to touch you, right?"

Qin Mu didn't say anything, which proved that he had guessed correctly.

Zhou Chongguang paused for a moment before he spoke very slowly, "Don't worry. Unless you want it, I won't touch you, okay?"

"Zhou Chongguang, you're really shameless," Qin Mu said angrily.

He laughed in a deep voice. Really? You used to say that I'm the sunlight in your life, why have you changed so quickly?"

Qin Mu was silent for a while before he said calmly, "Zhou Chongguang, it's actually not that fast. Eight years is enough to change everything.

This time, Zhou Chongguang could no longer laugh.

After hanging up the phone, Qin Mu looked at his phone quietly in a daze. She didn't know what method Zhou Chongguang would use to invite her brother. From what she knew, her brother still hated Zhou Chongguang to the core.

Also, why would Xue 'er participate in a show that Zhou Chongguang invested in?

However, a few days later, Qin Mu was shocked. That was because apart from her and Zhou Chongguang, there were also two grown men, Ye Muyun, Wanwan, and Gu Ze, who reported on the program 'Search for True Love'. After that, there was a couple formed by Zhao Yan and Xue 'er.

Chapter 2162: a dazzling combination (2)

However, something went wrong. Song Keren and Xue Lin came over too. They each picked up two B-list male celebrities.

Qin Mu didn't mind too much. Anyway, she was disappointed in Zhou Chongguang. He could mess around with Lin Xue however he wanted, and she had no objections.

On the other hand, Lin Xue felt a little guilty when she saw Qin Mu. She did not dare to act rashly when she saw Zhou Chongguang.

"It's time for a change in your team!" Qin Mu's tone had a hint of mockery.

Zhou Chongguang glared fiercely at the producer. How did he do this!

the producer was also dumbfounded and completely out of it.

However, since everyone was here, and there were many reporters here today, it was impossible to change. No matter what, he still had to care about his face.

Zhao Yan and Xue 'er had been together the whole time. Zhao Yan's eyes fell on ye Muyun and he saw that ye Muyun was staring at Xue 'er like a Little Wolf. These two people clearly had a thing going on, but they were not together!

He had always disdained these hyped shows. This time, he was doing it for Xue 'er's happiness.

he said in a low voice, " song keren came with someone else. it seems like she and ye muyun aren't as close as i thought. "

Xue 'er glared at him and snorted, " "This has nothing to do with me,"

that day, the hickey on song keren's neck was huge. how was it possible that there wasn't an intimate relationship?

From that day on, she hadn't seen ye Muyun. Originally, she wanted to return to United States immediately, but Zhao Yan asked her to participate in a show. She didn't expect to see ye Muyun.

at this moment, she could feel two burning gazes on her, and she could not ignore them.

Hearing her words, Zhao Yan smiled and did not say anything.

when the reporters interviewed him and asked about his relationship with xue 'er, zhao yan hugged xue' er and said to the camera, " "annn is the girl i care about and am closest to."

as he spoke, he leaned over and kissed her forehead. he also felt ye muyun's gaze, which seemed to want to kill him.

After the kiss, the scene of him kissing Xue 'er became a hot topic. Who was she? he was ranked first.

ye muyun's eyes narrowed as he looked at zhao yan with a touch of jealousy!

yes, he was jealous. if he wasn't xue 'er's uncle, he would have rushed up to zhao yan and punched him.

On the other side, Zhou chongguang chuckled and said softly, " "Look, are you jealous that your idol kissed someone else?"

qin mu's gaze was indifferent. " zhou chongguang, you really understand me. "

she smiled. " but i seem to remember that xue 'er is your goddess. you won't feel uncomfortable, right? "

Although Zhou chongguang originally wanted to provoke her, he didn't expect that she would actually mock him in return. For a moment, he felt a little uncomfortable as their eyes met, and they happened to meet Gu ze's Black eyes.

gu ze's arrival was not his idea. it was ye muyun's request.

Zhou chongguang couldn't help but complain. How perverted, two grown men participating in such a reality show!!!

However, this was also a big highlight. The fujoshi in front of the TV should like it!

He looked at Gu ze with a profound gaze because he could tell that Gu ze liked Qin Mu.

He would not have a good impression of a man who liked his wife, but Gu ze was also Gu Mei's brother.

at this scene, even zhou chongguang, who had no moral integrity, was having a headache yingluo. however, his biggest headache was lin xue. this stupid woman was obviously not giving up on him.

Chapter 2163: a dazzling combination (3)

The festival Group had rented a bus and was ready to head to Dali, Yunnan. Before they set off, they collected all the cash and cards on everyone's body. The festival Group would regularly give out a little cash.

Along with the staff, the bus was full of people. For men and women who went in and out of luxury cars all day, it was particularly crowded and uncomfortable.

Gu ze and ye Muyun were inseparable as they sat together. In front of them were Xue 'er and Zhao Yan, while beside them were song keren and a male celebrity.

zhou chongguang and qin mu sat at the back. furthermore, zhou chongguang had sent that stupid woman lin xue to the front. out of sight, out of mind.

he looked at the calm qin mu and smiled. "you don't seem to be nervous. I remember telling you that each team stays in a suite every night.

qin mu remained unmoved. "didn't president zhou find a woman to warm his bed?"

"I don't have the habit of going out at night." "Besides, I want to be a good man now," he said in a calm voice.

qin mu ignored him.

zhou chongguang did not say anything else. the couple was always not very harmonious.

It was a 20-hour drive from B city to Dali, Yunnan. They would not find a place to rest during the drive and would sleep in the car at night. This was a huge torture for everyone.

The festival team explained that this was the first test to see if the male partner could coax and take care of the female partner well!

Gu ze looked at ye Muyun and coughed. "Am I the one coaxing you, or are you coaxing me?"

ye muyun pursed her lips and glared at him. gu ze touched his nose. "alright then!"

the car continued to drive, and it gradually became dark outside the window. everyone only ate some bread in the car and went to sleep.

this show is too inhumane. They don't even allow us to use our phones. Zhou chongguang's former petite Lin Xue complained, but after saying one sentence, no one said a word. She was a little bored and did not say anything more.

xue lin wasn't stupid. when she saw tang xue 'er, she knew who she was acting as.

It turned out that CEO Zhou liked annn. So, this reality show was organized for annn?

xue lin thought that she had to beat the annn team.

if you can't compare your face, then compete with your figure!

xue lin thought about it and pulled down her collar. but she immediately felt cold and quickly pulled it up again.

the car became quiet.

the lights outside were bright, but the lights inside the car were dim and flickering. it was especially quiet.

Because she was sleeping while sitting, no one was comfortable. Xue 'er had adjusted her position countless times, but it was always uncomfortable, especially where she placed her small head. In the end, she gave up and just half-leaned, looking out of the window with her eyes open.

ye muyun watched quietly from behind her, his heart softening.

Getting close to her like this had been his dream for the past eight years.

although he was still angry at her, he couldn't bear to think about it now, because she was so close to him at this moment, and she could open her hands like this.

he had been staring at her and could naturally tell that she was uncomfortable. his dark eyes were filled with heartache ...

She had been pampered by him since she was young, how could she suffer like this?

hence, he leaned over and adjusted the back of her chair to a 30-degree angle so that she could sleep on it. however, he would be very uncomfortable this way, yingluo.

at this moment, gu ze suddenly opened his eyes and coughed lightly."mu yun, i think i'm your female companion. you should take care of me. why don't you lend me your shoulder?"

Chapter 2164: A dazzling combination (4)

How could Gu ze not see that ye Muyun did this because on one hand, she felt bad for him, and on the other hand, she was afraid that Zhao Yan would lend his shoulder to Xue 'er. How could the jealous CEO ye accept such intimacy?

His tone was full of pleasure. How could ye mu Yun not hear it?

In the dark car, his voice was very light. "Gu ze, if you're willing, come over here."

gu ze's expression was somewhat thought-provoking. a man who had been forbidden for too long was indeed not normal.

He pulled at his clothes and coughed lightly."we're in the same room, but we're on different beds."

ye mu yun only glanced at him and didn't say anything.

Everyone on the bus heard their heavy conversation and thought that they were a couple if Wanwan didn't understand!

xue 'er was sitting in front of ye mu yun and was probably half lying down. she just had to lift her eyes slightly and she would be able to see him a little.

he was the one who put the seat down for her, so she felt much more comfortable lying down. however, she knew that he wouldn't be too comfortable.

With a height of 1.84 meters, it must have been difficult to bend her long legs in such a narrow space.

She had wanted to shake it back, but Zhao Yan secretly held her hand and smiled.

xue 'er tilted her head and looked at zhao yan in confusion.

after that, zhao yan did something inhumane. he also put down the chair, forcing gu ze to have nowhere to put his legs. after he laid it flat, he and xue 'er half-laid down, and then they held hands and fell asleep.

This simply shocked everyone. Ye Muyun's face turned black.

"You're killing me," Gu ze sighed.

"you're the one who wanted to come," ye muyun said coldly.

he knew very well why gu ze wanted to come. it was for his precious little sister, qin mu.

Qin Mu and Zhou chongguang came together, but it was obvious that they were still distant on the surface. She was probably only willing to come because he and Xue 'er wanted to make up!

zhou chongguang's current thoughts were stirring. ye muyun realized that the way zhou chongguang looked at qin mu had changed.

It wasn't much passion, but that was the way a man looked at a woman. In the past, he looked at Qin Mu like he was looking at a child. After all, when Qin Mu followed him, he was only 14 years old. What kind of love could they have?

Ye Muyun had something on his mind and was really uncomfortable, so he didn't sleep the entire night.

gu ze was the same. the two men each had their own thoughts. there were so many people in the car, but they were the only ones who kept their eyes open.

after a long time, gu ze said, why don't you lean on my shoulder?

ye mu yun,"wanwan."

.....

However, the last row was very empty. Zhou chongguang had selfish motives and took up six seats with Qin Mu.

at first, qin mu was restrained and was only willing to sleep while sitting. however, she had never suffered such a punishment before.

After 12 o'clock, she changed to a light sleep in two seats.

the night was cold. even with a thin blanket over her, she was still shivering from the cold. zhou chongguang sat over and placed half of her body in his arms. qin mu was sleeping groggily and did not refuse.

In the end, she hugged his waist and slept for the whole night.

Zhou chongguang didn't dare to move at all, because the moment he moved, she would be restless and uneasy.

It was true. Ever since he was at his lowest, he had never tolerated a girl like this, nor had he treated anyone so well. He always thought that women could be bought with money.

it was the same for gu mei. he gave gu mei a lot of money to buy her and also to buy his own peace of mind.

Chapter 2165: only one bed (part one)

however, only qin mu could not afford it. he could only put in some thought.

wasn't she just lying in his arms obediently now?

At two O'clock in the morning, the driver drove the car to the rest stop. He needed to go to the toilet and drink some water. He would have a short ten-minute break.

Gu ze and ye Muyun looked at each other and decided to get out of the car to loosen their legs.

just as he was getting up, gu ze's gaze looked towards the last row. he saw qin mu hugging zhou chongguang and sleeping in his arms, looking very peaceful.

Zhou chongguang lowered his eyes and looked at his wife quietly.

If he did not know about their past, Gu ze would have thought that they were a loving couple.

He looked at it and felt bitter, so he didn't look at it anymore and got out of the car with ye mu Yun.

The two of them each had a cigarette and lit it in the late autumn night. The Scarlet red dots rose and fell. Ye Muyun smiled. why did you come over? "

it was not as if they did not know about zhou chongguang's methods as they had been watching coldly from the side these few years!

most of the methods he used were crooked, but it was really effective.

for example, when dealing with women, zhou chongguang was more of a bastard than any of them. however, after he played around outside, he used some small tricks to make qin mu obediently come out with him for a walk. at the same time, zhou chongguang also gave ye muyun, his biggest opposition, a very big sweet date, making him unable to object even if he wanted to.

Gu ze laughed bitterly. I'm the same as you. I can't control myself!

Ye Muyun sighed. Gu ze, if Qin Mu still insists on being with Zhou chongguang, I won't object.

Firstly, it was because of Qin MU's illness. He wanted her to do as she pleased and do whatever she wanted. Secondly, he had indeed seen the change in Zhou chongguang. Wanwan was willing to put in effort for a woman. That was a good start.

of course, he still hated zhou chongguang. if he had the chance, he would still want to kill this guy! gu ze was obviously stunned for a moment. then, he took a long drag on his cigarette. " i just want her to live well. "

"Qin Mu isn't an idiot!" "she should've noticed you being like this long ago," ye muyun said softly.

From the bottom of his heart, ye Muyun also didn't want Gu ze to hang himself on Qin Mu. He didn't think highly of it and didn't agree with Wanwan either.

Gu ze only smoked his cigarette and did not say anything else.

the two men looked at the white horizon in the dark. after smoking two cigarettes, they got into the car with the driver.

Those who should be sleeping were sleeping, and those who couldn't sleep were still unable to sleep.

after they sat down, xue 'er was awake, or rather, she had not slept at all.

she couldn't sleep beside ye mu yun.

That feeling was as if there was a thorn beside him, and at any time, he would feel a sharp pain.

she turned her face to the window and looked at the endless night sky ...

She recalled what song keren had said to her shyly before she got into the car.

" annn, mu yunming will switch with gu ze later. he's in the same room as me. "

xue 'er's eyes brightened. since song keren and she were in love, why did he do such a considerate thing to her?

if not for zhao yan's public image, she would have left long ago.

she especially did not want to see song keren's coy yet timid look. that smile was very piercing.

as she thought about it, she clenched her fists.

Zhao Yan's chuckling voice rang in her ears. don't waste such a good seat. Go to sleep.

xue 'er acknowledged and lay down on her side.

Zhao Yan turned to her and hugged her waist from behind. With the blanket over them, they acted like a normal couple.

Chapter 2166: only one bed (2)

xue 'er acknowledged and lay down on her side.

zhao yan turned to her and hugged her waist from behind. with the blanket over them, they acted like a normal couple.

late at night, the eyes of the festival team staff suddenly opened like copper bells. they quietly set up their cameras and took pictures of the couples sleeping.

zhou chongguang and qin mu's group was quite beautiful, but zhao yan and xue 'er's group was more romantic. the others were alright, but only gu ze and ye muyun, the two big men, stared at the camera in the dark with an unfriendly expression.

these videos would be released in real time on the official weibo. zhao yan and annn were once again in second place on the hot search. the first place was gu ze and ye muyun, who were in a daze because of their embarrassing expressions!

There were actually 2.74 million likes under that Weibo post. Of the 230 thousand comments, half of them were requesting that Gu ze and ye Muyun really be together.

Previously, it was widely rumored that President ye's girlfriend, song keren, had been turned into slag. The public didn't seem to think highly of them. Although they were in the same industry and didn't feel like a couple at all, they felt that Gu ze and ye Muyun were both very good-looking and had a kind of vivacious feeling. Also, the image of them standing together and smoking in the middle of the night was comparable to the International blockbuster of Hu and Huo back then.

ye mu yun and gu ze, these two business elites, became famous just like that. there was no reason for them to be famous.

the bus arrived in dali, yunnan, and they checked into the shangri-la hotel. the festival team also arranged a suite for each CP group according to the original plan.

however, when everyone went in, they found that there was only one bed!

Gu ze: "Chairman ye, you're in a higher position. You can sleep on the bed. I'll sleep on the sofa.

"My dear baby Xue 'er, why don't you and uncle love each other and sleep together?" Zhao Yan asked.

"i don't sleep on the sofa," song keren replied.

"One million and I'll sleep with you tonight."

Qin Mu, 'Zhou chongguang, what kind of lousy show is this? can't you afford two beds?"

Zhou chongguang was packing his things because Qin Mu wasn't good at this kind of thing. She was very gentle, but she was truly a young lady. After she came out, she only cared about leaning by the window and looking at the scenery. He was the one who packed her luggage.

after hearing her words, he narrowed his eyes and smiled. "i've said it before. unless you want it, i won't force you. "

"you'll sleep on the sofa." qin mu decided.

zhou chongguang had no objections. "but if you sleep beside me, don't say that i'm shameless. "

qin mu snorted and ignored him.

there was a deeper meaning in his gaze. qin mu didn't know that she actually had a kasaya for night-traveling. sometimes, she would run around at night. she would find the hottest thing and hug it to sleep.

They had been married for a few years, so he knew this little problem very well.

He had no intention of telling her because she would not leave the room.

He paused for a moment. I'll tell you an inside story. Wanwan, every night at 12 o'clock, the production crew will carry a machine into the room to film!

qin mu exploded. " isn't she a pervert? what if someone is doing something like yingluo? "

His gaze suddenly became profound."Qin Mu, other than us, which other group do you think has the possibility of doing this?"

qin mu was even more furious. he took something and threw it at her.

at that moment, the door of the room opened and the camera pointed at them.

qin mu was dumbfounded, while zhou chongguang directly hugged her and kissed yingying for the first time.

Chapter 2167: only one bed (3)

Qin Mu struggled with all his might. She resisted with all her might and whispered, " don't be silly. but zhou chongguang hugged her tightly, and his thin lips pressed against hers, again and again.

Qin Mu pursed his lips and didn't allow him to succeed. He opened his eyes wide and glared at him.

But Zhou chongguang's expression was rather intoxicated. He rubbed against her lips and said in a seductive voice, " close your eyes. I'm taking photos!

qin mu's eyes widened even more, and his voice was muffled. " "Zhou chongguang, I've said it before, I will not comply with your shameless request."

She wanted to push him away as she spoke.

Zhou chongguang hugged her forcefully and held her small waist. He laughed softly and said, " "you said you wouldn't sleep with me, but you didn't say you wouldn't kiss."

qin mu glared at him. he reached out his hand and wanted to slap huahua.

Zhou chongguang raised his hand, indicating that he should turn off the camera.

He was the boss behind the scenes, so the staff naturally listened to him, so he quickly turned off the camera and left.

The door closed, and Zhou chongguang's handsome face was immediately slapped.

qin mu's breathing was slightly chaotic. he raised his head and glared at him."there's a next time, yingluo"

her small hand was caught, and zhou chongguang laughed lightly."You still want to slap me?"

He held her small hand and gently rubbed it. Her small hand was especially soft, and her ten fingers were slender. She had never done any domestic affairs before, so they were delicate and smooth.

qin mu tried to break free but failed.

Mumu, if I kiss you again right now, Yingluo, ” he lowered his head and slowly approached her.

Qin Mu used his free hand to slap him, but he was cut off in the middle.

Both of her hands were being held.

“Zhou chongguang, what do you want to do?” Qin Mu struggled with all his might, but he couldn’t break free.

She could only glare at him.

Zhou chongguang’s lips were on hers, and he muttered softly, ” “qin mu, i just don’t want outsiders to see yingluo when i force you.”

As she said that, she laughed in a low voice,”as for what I want to do, Yingying ...”

“I want to make love!” He said in a softer voice.

as he spoke, he carried her up and threw her onto the white bed.

Qin Mu struggled to get up, but he covered her all of a sudden and pressed tightly against her.

“Zhou chongguang!” qin mu bit his lip and turned his face to the side. ” get up! ”

His eyes were dark as he stared at her little face. After a long time, he said in a hoarse voice, ” “kiss me and i’ll let you go.”

she turned around and glared at him.

“Or I’ll kiss you.” zhou chongguang lowered his head and kissed her on the lips.

His movements were very soothing, but with a bit of force, he pried open her Kasaya.

She struggled, but he pinned her down and kissed her hard.

It was as if a gust of wind had passed. When he let go of her, she was already on her last breath.

Qin Mu laid down and didn’t move at all.

he did not want her, but the way he kissed her made her feel ashamed.

zhou chongguang stood up slowly and knelt on both sides of her body, watching her intently-

Her long hair was spread on the side of the pillow, and her black hair wrapped around the White pillow. Her eyes were clean and bright.

Zhou chongguang looked on, and his heart felt warm. He lowered his head to kiss her face and said in a low voice without any emotion, ” Mumu, can we reconcile? ”

As he spoke, he propped himself up slightly and looked at his little wife.

Qin Mu was very young and married him at the age of 18. She had been Mrs. Zhou for four years and was only 22 years old now.

At her age, many young girls had yet to start dating, but she had already experienced a lot.

zhou chongguang's heart actually gave birth to a touch of heartache.

Chapter 2168: Only one bed (4)

he couldn't help but kiss her again. as he kissed her, he whispered, "mumu, i won't bully you anymore in the future. you should be good and not mention divorce, okay?"

qin mu allowed him to kiss him because he knew he could not avoid it.

if she were to resist, he would probably lose his last bit of rationality.

Zhou chongguang kissed her for a long time. Mumu, huh?"

Qin Mu closed his eyes and gave a faint smile. Zhou chongguang, I'm not some random person. I won't leave with you just because you give me a bone.

she opened her eyes. "i know your purpose. you want me to be the quiet mrs. zhou, and you can be loyal to me for a few days."

she chuckled again. "actually, you're wrong. between us, it's not about whether you're loyal or not. it's just that i don't love you anymore, yingluo."

therefore, he did not need to show his loyalty to her.

zhou chongguang's expression was a little ugly. he kept looking at qin mu, and his voice was also deep and slow. "qin mu, i can have you now."

"Right! but what about after that? Tie me to the bed?" Qin Mu laughed coldly. Zhou chongguang, don't do such a tasteless thing. I will look down on you.

the veins on his forehead were popping.

They had been together for eight years, and she had never spoken to him like that. To be honest, he felt terrible.

she used to be such a gentle little girl. no matter what he said, she would hold her chin and look at him with adoration in her eyes, as if her eyes were filled with little stars.

Zhou chongguang's thin lips were tightly pursed, and he laughed coldly as well. I only need you!

her eyes narrowed and she stared at him, afraid that he would do something.

however, zhou chongguang still did not do anything. after a moment, he left the bed, slipped away, and even left the room.

in the evening, the sky outside was filled with colorful clouds.

The hotel was built by the sea, and the entire sea could be seen as soon as they walked out of the hotel.

zhou chongguang was dressed in a white t-shirt and black beach pants as he stood there.

at the side, lin xue smiled and walked over. she placed her slender arm on zhou chongguang's shoulder and said in a soft voice, " "President Zhou, why did Mrs. Zhou chase you out?"

Zhou chongguang turned his head and looked at the woman who was looking at him seductively. He didn't say anything and continued to blow out a ring of smoke.

Lin Xue saw that he did not push her away and felt that there was hope again. She hugged Zhou chongguang from behind and buried her face in his back. chongguang, actually, I have always liked you. It has nothing to do with your power and money.

she raised her head and tiptoed to kiss his neck. her voice was particularly seductive. " i can ignore my status and continue to be the woman behind you. "

"but i don't want to." Zhou chongguang narrowed his eyes, and his voice was very low.

lin xue was stunned for a moment. she wanted to let go instinctively, but she saw qin mu opposite her.

Zhou chongguang was also stunned.

qin mu had already changed his clothes. he was wearing a small white floral dress. he probably came out to get some fresh air. in any case, he wasn't here to look for him.

but unfortunately, he saw such a scene.

even when he was caught red-handed in the office the last time, zhou chongguang had never been so flustered. he immediately pushed xue lin away and coughed lightly, " "Mumu, it's not what you see."

"It doesn't matter which one it is!" " miss lin, " qin mu looked at lin xue. " if miss lin needs it, i can make room for you tonight. "

Lin Xue wanted to say that Mrs. Zhou was sensible, but Zhou chongguang's gaze made her shut up. She didn't dare to say anything more and left quickly.

Chapter 2169: a ruse of self-injury (1)

zhou chongguang held the cigarette in his mouth again and took a puff. he frowned and looked at qin mu."The wind is strong here, don't stay here for too long."

"did i interrupt you guys?" Qin Mu said coldly. Then, he walked towards Zhao Yan and Xue 'er's room.

"Qin Mu," Zhou chongguang called out to her.

she paused.

"Remember, you're a married woman. Isn't it inappropriate for you to run into a single man's bedroom like this?" He slowly walked in front of her and pinched her cheek with one hand. or is it because of what happened just now that Mrs. Zhou wants to give an eye for an eye? "

“I’m not as bored as you!” qin mu pushed his hand away. ” zhou chongguang, don’t think that everyone is as shameless as you. ”

After she finished speaking, she wanted to leave but was still caught by him.

zhou chongguang’s brows were furrowed as he stared into her eyes, but he did not say a single word.

After a long time, he let go of her and smiled. remember to come back early.

“It’s six O’clock now. We’ll have dinner at seven o’ clock.”

Qin Mu broke free from him and ignored his words.

zhou chongguang looked at the way she left and laughed-

she had really grown up and had a personality now. she did not listen to him anymore.

he smoked his cigarette quietly and thought to himself that he probably couldn’t let her go, yingluo.

It wasn’t because she was the best candidate for Mrs. Zhou, nor was it because he couldn’t be bothered to get a divorce. It was because Qin Mu was quite cute when she threw a tantrum.

Married life seemed to have become a lot more interesting.

qin mu went to zhao yan and xue ‘er’s room just to have a look and talk to xue’ er.

Along the way, her brother didn’t seem to take the initiative, and neither of them spoke.

Furthermore, that bastard Zhou chongguang arranged for song keren’s room to be next to her brother’s, and the celebrity that song keren followed actually went missing, Yingluo.

zhou chongguang, that bastard!

She knocked on the door and went in. The one who opened the door was Xue ‘er. She was a little surprised to see Qin Mu.

Meanwhile, Zhao Yan was tuning a piano. He was crouching, with only his back exposed.

Qin Mu looked at Xue ‘er. can we talk? ”

Xue ‘er smiled and turned to look at Zhao Yan. I’m going out with Mumu for a while.

“There are many wolves outside, be careful.” zhao yan raised his head and said.

Xue ‘er paused, then said softly, ” “I’ll be back before dinner.”

“Don’t be someone else’s dinner,” Zhao Yan said in a muffled voice.

Xue ‘er didn’t hear him clearly, and Zhao Yan didn’t say anything more.

the two young ladies were walking on the beach when they met zhou chongguang.

the scene was a little subtle. it was the first time in eight years that the three of them were in the same frame.

Qin Mu tilted his head and whispered, 'I still want a divorce with him! Xue 'er, think about big brother Yingluo. I know that you did it for me eight years ago, but big brother has waited for you for so long.'

xue 'er was silent for a moment before she sighed, 'mumu, your brother already has song keren! as for me, it's impossible for us to be together.'

as she spoke, she smiled bitterly and met ye muyun's eyes.

He stood by the sea for a long time, and he suddenly saw her.

qin mu's voice became even lower. " i only know that you have always been in his heart, and you have always been the only one. "

"these few years, my brother has lost a lot of weight. he always forgets to eat and has stomach problems."

Xue 'er's eyes widened.

you know, brother is very career-minded, and he rarely comes home after you left. Sometimes, he can be in the company for a whole week, and once he even had a stomach hemorrhage. Qin MU's expression was somewhat sad.

after qin mu finished speaking, xue 'er's gaze landed on ye muyun.

After a long time, she finally said in a hoarse voice, " in the future, song keren will take care of him.

qin mu paused for a moment, then immediately said, " " brother and song keren have not reached that stage yet. he has never brought song keren home. "

"he's waited for eight years. i guess he hasn't given up yet!" she continued.

They spoke so frankly that Xue 'er's heart also became a little gloomy.

eight years was not a pleasant topic.

She didn't hate Qin Mu, neither did she hate ran ran. How could she blame a little girl who didn't know anything?

besides, no matter how precious love was, it was not as precious as life.

That was ye Muyun's younger sister. Back then, she was just like her younger sister. She wouldn't just watch her get hurt.

Even if she was the one who was hurt in the end.

She didn't blame anyone for urging her to just live a simple life. She just wanted to one day set foot on B city's land and see an old friend, to be able to calmly say, " long time no see.

Xue 'er recalled the Hickey on song keren's neck the other day and smiled bitterly. Mumu, sometimes, people can be lonely too.

Ye mu Yun too!

he already had song keren, and it was only natural for him to have something happen between them.

Qin Mu frowned. She always felt that she and Xue 'er were not on the same page. It was as if Xue 'er would not be moved no matter what she said.

Didn't the books say that self-torture was the best way to move a woman's heart?

Xue 'er must still have feelings for her brother. Why was Xue 'er still so determined to go back to United States even though she had said so much?

Qin Mu didn't have any other ideas for the time being. He pursed his small lips and didn't say anything.

in the distance, zhou chongguang looked at qin mu and xue 'er. he looked at his little wife talking about something. he naturally knew what she was thinking. she wanted ye muyun and tang xue 'er to make up.

In fact, he was no longer an obstacle between them. Ye mu Yun was also clear about this.

People would change. In Zhou chongguang's world, there was no such thing as pure hatred.

He began to live in the secular world, but it did not mean that he had let go of everything, but that he had learned to compromise and learn the most beneficial way for himself.

just like between him and qin mu, qin mu would only let go of his hatred for him if ye muyun and tang xue 'er made up.

that's right, she hated him. although she didn't show it, he could feel it.

at this moment, he looked at his little wife's helpless look and felt that she was very cute like this.

zhou chongguang smiled and went forward to grab qin mu's hand. he greeted xue 'er. " i'll bring mumu back to her room first. she'll get a headache from the sea breeze. "

Qin Mu struggled a little and looked at Xue 'er for help.

"Didn't you want them to make up? you're standing here like a third wheel, do you think they'll have a chance to reconcile?" Zhou chongguang chuckled and pulled her away while she was still in a daze.

xue 'er was about to leave when ye mu yun walked over. " what, you don't even want to say a word to me? "

She stopped in her tracks and turned to look at him. I'm afraid that miss song will misunderstand.

"she won't misunderstand!" "we were originally brother and sister," ye muyun replied indifferently.

these words were practically shameless.

xue 'er glared at him. " you can do it, but i can't! "

Ye Muyun's eyes were deep and he squinted at her. After a while, he laughed in a low voice. are you feeling uncomfortable? "
