

Thank you 2171

Chapter 2171: i didn't touch her (1)

"if that can satisfy your vanity." xue 'er mumbled, " ye muyun, if you're with her, then don't be so ambiguous with others. you should have seen zhou chongguang and qin mu's example. "

As she spoke, she raised her eyes and looked at him. " after this reality show ends, i'll return to United States. "

"zhou chongguang told me that you'd be participating in the show, so i came," ye muyun suddenly said.

His words surprised her.

Did he mean that he had reconciled with Zhou chongguang?

"what else? do you think i'd come to participate in such a lousy show?" Ye Muyun's eyes were deep and locked onto her. also, don't mention song keren in the future. I've broken up with her.

Speaking of this, he was reminded of the night she had sent song keren to his apartment. He was a little angry.

And the little girl who made him angry was right in front of him. He only reached out and grabbed her, and she fell into his arms.

"ye mu yun!" She screamed and clenched her small fist to hit him.

Ye Muyun forcefully pressed her against him and let her do whatever she wanted.

after eight years, his body had become much more robust. he was no longer that handsome young man, but a strong man.

the sea breeze was very cold, and his body was too hot. xue 'er was almost caught in the middle of the two heavens of ice and fire.

she kept hitting him and said randomly, "You've broken up with her. Why do you still want to touch her?"

"Touch her?" Ye mu Yun frowned. which eye of yours saw me touch her with which hand? "

Xue 'er was still messing around, and he grabbed her little hand with one hand.

"Tang Xue 'er, speak clearly!" "You were the one who sent her to my apartment that night. Are you jealous now?" his handsome face was gloomy. Hmm?"

Her small hand was held by him, and he held it too tightly. She felt a little pain, but she couldn't break free.

“I didn’t even touch her!” he emphasized and stared into her eyes. ” who told you that i’ve touched her? ”

Xue ‘er was a little pretentious for a moment-there was nothing between them, and she had no right to comment on his private life.

She also admitted that she was jealous and uncomfortable, Yingluo.

but she couldn’t say it.

she didn’t say anything and ye muyun’s expression became even uglier. ” “She told you? hmm?”

“No!” she could only say weakly.

Ye Muyun’s sharp eyes stared at her. He was sure that it was song keren who said it.

he kept looking at her for a long time before he said coldly, ” “idiot!”

after he finished speaking, he pulled her into his arms and kissed her in anger.

he didn’t give her any chance to struggle. he locked her arms with both hands and held her in his arms like he was holding a little doll.

he kissed her deeply, and her little head kept leaning back, almost breaking.

he kept moving forward and held her little head with one hand, not giving her a chance to move.

and this way, the kiss deepened, so deep that it made one’s hair stand on end.

She finally couldn’t take it anymore. She shook her head and hummed softly, but his kiss was so intense and intoxicating. He had missed her for so long in this kiss, so how could he bear to let her go?

when he finally let go of her, she almost couldn’t stand. she collapsed in his arms and panted heavily.

ye mu yun’s fingers gently caressed her small mouth. his entire heart felt like it was going to jump out.

it was so hot, so intense.

Chapter 2172: i didn’t touch her (2)

he would only have such a passionate reaction when he was with her.

he even wanted to hug her and possess her.

Then, he carried her up and walked towards his room.

The program team’s camera was quietly aimed at them.

He returned to the hotel room as fast as he could. The door was closed, and she was pressed behind the door and kissed.

the man, who had endured for eight years, could not be rejected. even when she cried and begged him not to, he did not let her go.

From the beginning to the end, Xue 'er didn't know what happened. She only knew that he kissed her, and her head was dizzy. After that, they had an intimate moment behind the door of the suite.

eight years had passed, and that feeling was even stronger than before.

he did not know if it was because he was getting older or because he had more experience, but he was completely different from eight years ago.

she bloomed in his arms and felt that she had finally become a woman.

He took her into the storm. They were on a small boat that kept drifting, and she could not find the shore. She could only hold on to him tightly, as if she was holding on to the last piece of driftwood.

from six o'clock to ten o'clock, he kept pestering her ...

sweat stained the entire bed sheet. when he finally let go of her, they were like two fish that were entangled together.

Xue 'er gently closed her eyes, still in a daze.

He kissed her forehead and murmured,"that night, I didn't touch her. I never touched her." &Nbsp;

he said a lot. sometimes she was clear-headed, sometimes she was blurry, but it was mostly words of longing.

her body was a little stiff. when her sweat turned cold, she was shocked to realize that they had done it.

her fingers clutched the bedsheets tightly, and her little mouth became a little pale. she trembled helplessly."Ye mu Yun, we shouldn't be doing this."

he continued to kiss her small lips and said in a low voice, " i've said it before. i've never touched her! "

"xue 'er, i promise that every word i say is true." He bit her little mouth. although I was very angry, I didn't sleep that night and let her stay in the guest room.

Xue 'er opened her eyes. the Hickey on her neck. What's going on? " she asked.

Hickey?

ye muyun frowned. " i don't know. maybe i can ask song keren in person! "

xue 'er didn't have the face to ask.

After a long while, she bit her lip. just treat today's incident as an accident.

she wanted to get up, but he hugged her by the waist.

it was probably because his long-lasting desire had been released, his temper was also particularly good. he kissed her small neck. " be good, i'll carry you to wash. "

xue 'er didn't move. after a while, she said in a low voice, " "i will still go back to United States."

ye muyun frowned. " you responded just now. you enjoyed it more. "

her reaction couldn't lie. she liked that he loved her. when they were doing it just now, she had whispered that she missed him.

xue 'er curled up at the head of the bed, using the bedsheet to wrap her body. her voice was soft as she said, " no! "

"i'm used to being alone. i'm used to life in United States," she said seriously.

"i can accompany you to United States." He said without even thinking.

Xue 'er raised her eyes and looked at him.

And he had a serious look on his face.

"let me think about it." she said in a low voice, then ran into the bathroom as if she was escaping.

Ye Muyun didn't immediately chase after her. He just casually lit a cigarette and walked away.

Actually, his body was not satisfied yet. He still wanted her.

However, he could tell that she had something on her mind. After he finished his cigarette, he called Gu ze."help me investigate xue 'er's experiences all these years, no matter how much it costs."

Chapter 2173: i didn't touch her (3)

Gu ze had been standing guard outside the door for a few hours.

from the moment they went in, gu ze had a home he could not return to.

at this moment, he heard ye muyun's words and paused for a moment. " ceo ye, there was a camera that captured you and xue 'er going back to your room together. "

Ye mu Yun narrowed his eyes and said, " "you can find a room outside tonight."

Gu ze was startled-

There's such an operation?

however, thinking about it, boss ye had probably endured it for a long time.

Just as ye mu Yun finished speaking, Xue 'er came out of the bathroom and had already put on her clothes.

"i have to go." If she wanted to leave, how could he let her go so easily?

He reached out to stop her and said in a hoarse voice, " " the new festival group's camera is outside. do you want to go out now and get caught? "

xue 'er glared at him.

"Let's sleep first, I'll sleep on the sofa." His tone was very light, but it was as strong as before. I'll call you tomorrow morning.

they had already done it, so she wouldn't be embarrassed. but she still asked, " "Where's Gu ze?"

“what, you want to be in the same room with two men?” he asked coldly, his tone unfriendly.

xue ‘er picked up a pillow and threw it at him, hitting his face. ” ye mu yun, you’re shameless. ”

he took the pillow away expressionlessly, then walked towards the sofa with it in his hand.

He turned off the light. Xue ‘er was not used to the sudden darkness. She stood in the dark for a long time before she finally shifted her body and lay down on the bed carefully.

but she was always a little scared, so she didn’t dare to fall asleep.

in the darkness, his voice came, ” i won’t touch you again. ”

He probably felt that her words were not convincing enough, so he added, ” I overdrew.

Even in the dark, even if he couldn’t see, Xue ‘er’s face was still red and burning.

She buried her small face in the pillow. There seemed to be a faint male breath on it. It was the smell of his body.

That pure male aura made her blush and her heart beat faster.

As she buried her head, she felt her face getting hotter. How could she fall asleep?

After all, they were in the same space and they were once very close. Moreover, they had just had sex.

xue ‘er buried her face and closed her eyes. all she could see was the scene of them hugging each other.

she bit her lip and buried her face deeper. she was embarrassed.

she was no longer a little girl, but she was actually swayed by a single sexual relationship.

Tang Xue ‘er, have you forgotten that you still have to return to United States?

The night grew deeper.

in the dark bedroom, her breathing finally calmed down.

but ye muyun didn’t sleep the entire night.

on yingying’s side, gu ze hung up the phone and looked at the moon. then, he saw a beautiful figure by the sea.

that was qin mu.

it was already so late, what was she doing by the beach?

moreover, the sea breeze was very strong, and she was still wearing thin clothes.

gu ze pursed his lips and slowly walked over.

he sat down beside her and threw a small stone into the sea like she did.

The surface of the sea was so deep that one could not see the bottom.

“Gu ze, you also think that a stone can’t change anything, right?” qin mu’s voice was very low. ” do you think i’m stupid? ”

For the sake of her brother and Xue ‘er, she was willing to spend time alone with Zhou chongguang.

But on a night like this, she did not want to be with Zhou chongguang.

she would rather go out to see the sea, even though it was cold.

qin mu thought about it and sniffed.

Chapter 2175: a thorough examination of her (2)

gu ze immediately grabbed her thin arm. ” qin mu. ”

His voice was a little anxious. Qin Mu turned his head to look at him and said very slowly, ” ” mr. gu, even if i’m going to divorce zhou chongguang, i can’t possibly stay in the same room with a man who’s almost a stranger. ”

She was no longer the easily moved 14-year-old girl. She thought that with Gu ze’s looks and personality, if there was no Zhou chongguang and the 22-year-old Qin Mu was clean, she might have fallen for him.

however, there were no ifs in life.

Impossible, it was impossible.

gu ze’s dark eyes were as dark as the night. he looked at her quietly for a while before saying, ” “You’re living alone!”

his voice was especially calm and decisive.

Qin MU’s heart was stirred, but he still shook his head. “gu ze, you can stay! I can go back to my room.”

She knew that he was worried that she would catch a cold, so in order to comfort him, she was willing to share a room with Zhou chongguang.

Gu ze’s fingers tightened slightly, and his gaze became a little unpredictable.

qin mu knew that wanwan liked her, but only now did he deeply understand how intense his feelings were.

she didn’t want to be with him, and she didn’t want to owe anyone anything. so after staring at him for a long time, she suddenly pushed him away and ran towards her room.

Gu ze clenched his fingers and looked at the figure that disappeared into the dark night.

How could he not know what she was thinking?

Qin Mu only wanted to avoid him. Why was she so silly?

he took his door card and walked in her direction.

He saw Zhou chongguang open the door and saw her being pulled in for a walk by Zhou chongguang.

Gu ze stood at the door of their bedroom, almost as if he was torturing himself. He looked at the door and thought about all the awkwardness that had happened behind it.

He liked a girl, and before he even realized it, he had liked her for a very, very long time.

by the time he realized it, it was too late to stop, and he didn't want to stop.

Because watching her from afar had become his little happiness, how could he bear to stop?

only the heavens knew how happy he was when he heard that she and zhou chongguang were going to divorce.

That was because there was now a one-in-a-million chance of them being together.

inside the door, zhou chongguang was dressed in a white bathrobe, and he pulled qin mu into his arms.

“zhou chongguang, are you crazy?” qin mu struggled.

he didn't make a sound and just pressed her between the door and his body, staring at her with a judgmental gaze.

qin mu's back slammed into the door, and he felt a little pain.

” after a night of reflection, you came back at 1 am in a man's clothes, huh? ”
Zhou chongguang's expression was very ugly. He held her down with one hand and used the other to peel off the men's shirts.

Qin MU's body trembled, and he only remembered that he was wearing Gu ze's clothes when he returned.

she lifted her eyes and pursed her small lips to look at zhou chongguang's handsome and twisted face. ” someone else saw that i was cold and lent it to me. ”

“Does he have any other thoughts about you, hmm?” zhou chongguang leaned forward. his large palm had already started to check his territory to see if it had been occupied by other men.

Qin Mu almost cried out in shock and looked at Zhou chongguang in disbelief. Then, he started to struggle violently. Zhou chongguang, you bastard, let me go!

zhou chongguang examined her thoroughly and firmly. there was not a trace of mercy on his handsome face. he just rudely tormented her. ” i have to ensure that my wife's body and mind belong to me! ”

qin mu resisted with all his might, his voice hoarse. ” “i'm no longer your wife.”

Chapter 2176: A thorough examination of her (3)

zhou chongguang's gaze became even deeper. he stared at her small face and sneered, ” really? Legally, you're still my wife.”

he paused for a moment, then said without mercy, ” “in other words, whatever i want to do to you, it's legal,”

qin mu's expression changed. she looked at him and almost screamed, "zhou chongguang, you can't!"

his voice was firm. "you know, i can."

He pressed her down and leaned over, whispering into her ear. Qin Mu, do you think ran ran and Gu ze are outside right now?"

His fingers pinched her little face a little shamelessly. if I want you now, will he give up?"

Qin MU's body trembled slightly, and he raised his little face to look at him. Zhou chongguang, you bastard.

He pinched her little face and said in a deeper voice, "Then if I don't do something like a bastard, wouldn't I be letting you down? Hmm?"

he lowered his head and kissed her little mouth, swallowing all her resistance.

Qin Mu struggled, but he held her wrist firmly and nailed her body to the door. He sealed her small mouth while he took her forcefully.

qin mu's tears fell. she looked at him with teary eyes and accused him, but this could not stop him.

Zhou chongguang was extremely strong. He rarely treated her so strongly, especially when it came to the matters in bed.

But now, he was pressing down on her and crushing her broken voice without a care.

Gu ze was standing outside the door. He naturally heard the noise behind the door.

Zhou chongguang probably knew about it, so he deliberately did it for him to see.

His fingers slowly clenched. At that moment, he almost wanted to rush in and stop Zhou chongguang.

but what was he, gu ze?

He didn't have any position, and he was even Zhou chongguang's brother who had an affair. If he rushed in, how ironic would that be?

Gu ze stood there for a very long time. He didn't know if it was half an hour or an hour. He only knew that the lovemaking in the room had not stopped.

Zhou chongguang was very good in this aspect. As a man, Gu ze could feel it even with a door between them.

Was she the one who endured it for four years?

when gu ze left, his heart was as wet as water.

he didn't return to his room. instead, he went to the beach where he and qin mu had sat before.

he sat there alone, looking at the sea, throwing stones, and imagining a little girl sitting next to him.

.....

In the suite, after a long time, Zhou chongguang finally let go of Qin Mu.

The moment he let go of her, her body slid down slowly. Hence, Zhou chongguang hugged her body again and said in a low voice, ” “Are you sad?”

qin mu didn't want to bother with him. he turned his face to the side, and there were tear stains on his little face.

Zhou chongguang didn't feel too good in his heart. Did she really dislike him that much?

however, looking at her weak appearance, his heart softened a little. no matter what, he was the one who bullied her.

he reached out and carried her back to the bed. he knelt beside her and lifted her long hair with his large palm, revealing her small face.

qin mu was naturally still angry. he ignored him and turned his little face to the side. however, it was probably really painful. tears rolled down again and could not be stopped.

“why are you crying again? does it hurt?” He asked in a low voice, his heart filled with tenderness.

Qin Mu bit his lip and stretched out his leg to willfully kick his shoulder. Zhou chongguang, get lost.

Chapter 2177: a thorough examination of her (4)

Qin Mu bit his lip and stretched out his leg to willfully kick his shoulder. Zhou chongguang, get lost.

However, her small foot was grabbed by him in an instant. His eyes were burning. if you didn't deliberately anger me, would I treat you like this? ”

Qin Mu opened his teary eyes and glared at him. stop finding excuses!

compared to her body, she felt more aggrieved.

How could Zhou chongguang be like this? he wanted her whenever he wanted and did not allow her to resist at all. What happened to the agreement between them?

“i want to leave the festival group.” qin mu's lips trembled.

These words were a little childish.

Zhou chongguang laughed and rubbed her little feet twice. Mumu, be a little more obedient.

“i'm not that familiar with you.” Qin Mu kicked him again.

surprisingly, he did not stop her and let her kick him. he looked like he was very indulgent of her.

however, even though he indulged her, he still controlled her and did not let her move. he said in a low and hoarse voice, ” “You clearly felt it just now.”

Although they had not been getting along well for the past four years, he was still her husband. They had done a lot of things together, and her body's reaction could not lie to him.

just now, other than the pain, she had also enjoyed it. as her husband, he could naturally feel it.

qin mu's little face was burning, and his entire face was bright and beautiful. he bit his lips and didn't make a sound for a long time.

zhou chongguang leaned over and kissed her small lips. his voice was low as he said, "mumu, let's make up. there won't be anyone else in the future, okay?"

He was sincere when he said those words.

When he was hugging her just now, he really, really felt that she could live the rest of her life alone. at least, he liked her and was willing to make promises to her.

Qin Mu pursed his lips and didn't say anything.

he knew that she was not willing.

It didn't matter. He could wait for a day if she was unwilling. He could wait for a year if she was unwilling.

However, he would not lose any of his husband's power in the middle.

Zhou chongguang smiled faintly and turned to the side. I'll go get a towel to help you wipe yourself.

He was about to leave when Qin MU's small hand pulled his arm.

zhou chongguang turned around in surprise. "qin mu?"

"There's nothing going on between me and Gu ze!" Qin Mu closed his eyes. don't take revenge on him.

zhou chongguang laughed lightly. "it sounds like you're speaking up for him. then, should i still believe you?"

Qin Mu suddenly opened his eyes, and his gaze was a little cold. "zhou chongguang, if you don't mind, i'll make you a cuckold. in the future, when we get divorced, you'll be with gu mei, and i'll be with gu ze. we'll still be a family. it's fate!"

In the beginning, Zhou chongguang was furious, but after a while, he laughed in a low voice.

He directly went to get a towel to help her wipe her body, and his technique was quite outrageous.

Qin Mu closed his eyes and ignored him.

After he finished wiping, his breath was also messy. He threw the towel aside and chuckled. Mumu, I promise that this situation will never happen again.

Qin Mu didn't say anything.

In reality, she was only talking about Yingluo, but neither she nor Zhou chongguang expected that her words would come true.

zhou chongguang had also exhausted a large amount of physical strength and was a little tired. he looked at qin mu."go to sleep!"

qin mu didn't object to him sleeping beside him. they had already done it just now, and it would be a little unreasonable to let him sleep on the sofa now.

However, she did not let him hug her. She curled up on one side and hugged her body.

Chapter 2178: The photos are exposed (1)

In the dead of the night, Zhou chongguang was almost asleep. However, over the years, he had developed a habit of being vigilant. As long as there was a slight movement, he would wake up.

hence, when qin mu got up at night, zhou chongguang woke up almost immediately.

He opened his eyes and didn't say anything. He just watched as the slender figure in the dark walked towards the sofa.

he remembered that her small bag was there.

under the faint moonlight, he saw qin mu unzip his bag and take out a white medicine bottle. he opened it and took out a pill, swallowing it in one gulp.

zhou chongguang's heart skipped a beat.

He knew what she was taking. It was a birth control pill!

he already knew that she didn't want their child, but he still felt bad that she was eating it so secretly.

she knew that he wanted a child, but she still secretly took the medicine.

Then, when they had sex just now, did she think that she had been bitten by a dog?

Zhou chongguang's expression was extremely ugly. He restrained himself from getting up and throwing her medicine away.

Because if that happened, they would probably be finished.

After Qin Mu finished taking his medicine, he climbed onto the bed lightly and lay down beside him.

He knew that she had her eyes open, that she was not asleep, and that she hated and despised him.

She would treat his essence as trash!

He was originally very tired, but Zhou chongguang couldn't fall asleep now. The moment he closed his eyes, he would see her carefully taking birth control pills.

qin mu, on the other hand, fell asleep after five minutes.

It was a peaceful night, but once the sun rose, the entire social network crashed.

a few big pieces of news broke out on the 'find true love' reality show. it was simply explosive.

there were two sets of photos taken last night, and both were considered cheating, right?

besides, they were a couple in real life. it was only the first night and they were already so eager?

The first photo could not be denied, and there was even a video ...

boyi's executive president, ye muyun, carried ANN back to his and gu ze's room. everything that happened after that, i'll omit ten thousand words!

the second photo was even more explosive. after all, ye muyun was single and it didn't matter who he was with, even though he was publicly acknowledged as a couple with song keren.

qin mu was different. as chairman ye's sister, she had long been married to zhou chongguang and was a married woman.

But last night, Qin Mu was with Gu ze the whole time. In fact, he was wearing Gu ze's shirt and sitting by the beach. There was also the scene of him hugging Gu ze. The tear at the corner of Qin MU's eye was especially moving in the night.

no one could deny that zhou chongguang had been made a cuckold, and it was on a show that he had invested in.

The program team's official Weibo exploded, and the entire Weibo was paralyzed.

Zhou chongguang pulled out the producer of the festival team to fire him, but that producer was also very impressive, and said very indifferently, " this show is called 'finding true love'. Only those who can walk to the end of the show together will be considered. Director Zhou, when you invested in the show, you said that you wouldn't interfere with the progress of our show and that what we're filming is the truth.

Zhou chongguang was so angry that he wanted to beat someone up!

A moment later, he paced back and forth with his hands on his hips. delete the photos immediately.

" i can't do it. besides, the photos have been sent out. if i delete them now, it'll undoubtedly confirm director zhou's position. " The producer didn't hide anything at all, and Zhou chongguang's face turned green.

we can remedy this by taking some more photos and letting the audience guess. This way, we can divert their attention and see if it's real or fake. The producer was an experienced man and chuckled.

Chapter 2179: The photo is exposed (2)

zhou chongguang looked at the producer quietly. after a long time, he said softly, " then go and do it now. put up two photos of me and your wife being in love. "

The producer nodded. don't worry, director Zhou. This show will definitely not fail.

"we can't have any scandals." zhou chongguang said with a cold face.

the producer nodded and immediately got to work.

Zhou chongguang watched him leave, then slowly lit a cigarette and took a puff.

last night, he had forced himself on qin mu. after she woke up today, she ignored him.

he was a little angry. he pressed her down and teased her again. in the end, she cried and said all kinds of nasty things.

However, the fiercer she scolded him, the more excited he seemed to be.

They had been husband and wife for so long, and only now did he finally taste her, so he was a little reluctant to let go.

later, when he met the producer, she ran away.

Zhou chongguang finished smoking a cigarette, and the festival Group also happened to gather.

everyone was gathered in the hall. after zhou chongguang went, he naturally saw qin mu.

She was right next to Tang Xue 'er, and when she saw him, her eyes were guarded.

zhou chongguang chuckled. did she think that she would be safe just by sticking close to tang xue 'er?

So stupid!

Later, when they were on their own, she still had to be in the same group as him.

But what Zhou chongguang didn't expect was that this time, the production team would actually let the members form a team voluntarily and split them up to sort them out.

Qin Mu immediately stuck to Xue 'er. Xue 'er looked at him and felt a little helpless.

she could probably guess what had happened between qin mu and zhou chongguang last night-

Qin MU's neck had a large Hickey, while Zhou chongguang's face was full of hunger.

Xue 'er didn't say anything, probably because she also had sex with ye mu Yun last night.

Gu ze looked at ye Muyun and smiled.

Then, Zhao Yan smiled and said, "director zhou, then let's force ourselves to cooperate!"

Zhou chongguang looked at his wife with a burning gaze.

The producer coughed lightly. today is the first test. It's very simple. Each group will make lunch and a professional judge will taste it. We'll see which group did the best.

Xue 'er and Qin Mu looked at each other and silently returned to their original positions.

It was because they didn't know how to cook.

Zhou chongguang gave the producer an appreciative look. Well done!

the producer raised his hand. "we've arranged six kitchens in front. we're inviting the guests over to show off their skills. "

Zhou chongguang looked at Qin Mu.

"do you know how to do it?" Qin Mu snorted softly.

Zhou chongguang smiled, held her hand, and took the lead to walk over there. As he walked, he said shamelessly, "Don't you know if I know how to or not?"

qin mu pursed his lips and didn't say anything.

After that, a few groups of people went over. Even ye Muyun and Gu ze went over, leaving only Tang Xue 'er and Zhao Yan.

Zhao Yan placed his hands in front of him and said, "I don't know how to cook."

xue 'er copied him and snorted coldly. "i don't know how to either! "

One was a young master who only knew how to play the piano, the other was a young lady who only knew how to draw. Neither of them gave in to the other.

In front of the smoke and oil, the small boat of friendship had capsized!

Xue 'er snorted. I'm here to accompany you. Besides, you're my little uncle. It's only right for you to cook for me.

Zhao Yan chuckled. you're a woman and I'm a man. It's only right for a woman to cook.

"Who set the rules?" Xue 'er stuck out her tongue and said,"did you watch my mommy cook?" It's always my dad who takes care of her. "

Chapter 2180: The photo is exposed (3)

zhao yan pinched her little nose and snorted,"i'm your little uncle, so i don't need to serve you."

she looked around and saw the man standing in the distance. then, she smiled.

he looked meaningfully at his little niece. " xue 'er, how about this? gu ze and ye muyun both seem to know how to cook. why don't you seduce ye muyun and i seduce gu ze and his wife to see if we can get someone to cook for us? "

Xue 'er glared at him. Zhao Yan, I'll record your words and let your fans hear it.

zhao yan laughed. " so? "

"so, you went to seduce gu ze." Xue 'er covered her mouth and laughed happily.

Zhao Yan looked at her and chuckled. Then, his gaze became a little unpredictable. you didn't go back to your room to sleep last night. Where did you sleep? "

xue 'er immediately exploded. how would he know that she had sneaked back tomorrow morning?

"so, you went to seduce ye muyun, huh?" zhao yan said in a low voice.

Xue 'er glared at him.

what kind of inhumane program was this? what kind of inhumane little uncle was this!

Was there an uncle who would ask his niece to seduce a man like this?

she snorted and looked at ye muyun, who was not far away. his eyes were a little deep.

She quickly turned her face away as she felt a burning sensation.

How was she supposed to seduce him?

they even rolled together at night!

xue 'er pursed her lips, lowered her head, and said in a low voice, " go! "

zhao yan did not answer for a long time. she looked up and was stunned, because he had already left.

Xue 'er was furious, but Zhao Yan waved at her from afar.

A clear and elegant voice rang in his ears. "after so many years, you still don't know how to cook?"

Xue 'er twisted her slender fingers and snorted, admitting it.

"idiot!" There was a strange emotion in his voice. Then, he patted her little head. let's go!

leave?

she looked up at him, her eyes full of surprise.

ye mu yun smiled and his eyes were indifferent. "go and cook."

"Do you want to make love more?" he paused and chuckled.

Xue 'er pursed her lips and looked at him in a daze. After a long time, she slowly said, "Where's song keren?"

He was already walking beside her. He lowered his head slightly and placed his thin lips on her ear. why didn't you think of her when you hugged me and asked me to continue last night? "

xue 'er was extremely angry and wanted to slap him, but he easily caught her.

She glared at him.

ye muyun smiled. "i told you, i've broken up with her and i've never touched her. "

He paused. I'll only say it once. I won't explain it again.

she was a little absent-minded again and did not come back to her senses for a long time.

He took the opportunity to grab her little hand and walked towards the kitchen where she and Zhao Yan were assigned.

xue 'er suddenly came back to her senses and suddenly said, "well, is it too good for us to be like this? "

"Is it song keren?" Ye mu Yun asked indifferently.

Xue 'er could not answer his question.

Ye mu Yun smiled. when did you become so kind? "

There was always a hint of mockery in his tone. For some reason, Xue 'er was reminded of last night.

they had been rolling around last night. to be honest, it was ironic for her to mention song keren now.

hence, she did not say a word. he could do whatever he wanted. it would be best if song keren's love turned into hate and she gave him two slaps.

even though she thought this way, her heart still started to beat faster.

why had he never touched song keren?

in fact, she knew the answer in her heart, but she didn't dare to think too deeply about it.
