Chapter 2181: A showdown (1)

because just thinking about it was sinful.

ye muyun held her hand and walked towards the kitchen. when they were about to reach, song keren suddenly stood in front of them and blocked their way. she looked at them indifferently.

tears welled up in song keren's eyes, and her voice trembled slightly."mu yun, is this the reason why you suddenly broke up with me?"

ye mu yun stood still.

Xue 'er's fingers secretly struggled, but then he held it even tighter.

She couldn't break free, so she could only let him hold her.

ye muyun looked at song keren calmly. " yes! "

xue 'er was stunned.

could he not be so honest?

Although she wasn't willing, she didn't explain. After all, Wanwan didn't have a position. Explaining would be hypocritical. Moreover, she did have sex with ye Muyun many times last night!

When song keren heard ye Muyun's words, her face turned even paler and her lips trembled. mu Yun and annn are my business partners.

I thought you knew about our past. Why else would you say that we spent the night together? " ye mu yun said without any mercy.

Song keren was a little embarrassed. After a long time, she said in a low voice, " "That's because I love you."

She looked up. I don't believe that I'm not as good as her!

At this moment, Xue 'er forcefully broke free of ye Muyun's hand and took a deep breath before saying to song keren, " "miss song, we've already terminated our partnership. in fact, i've never signed a contract with you! As for ye mu Yun, I'm more inclined to let the matter go. I don't need him to take responsibility, so I don't want to interfere in the matter between you two and it has nothing to do with me. "

With that, she turned around and left.

She was no longer the little girl she was eight years ago. She had wronged herself once for him, and there would not be a second time.

when she left, her back was straight.

She did not let anyone down. She did not take the initiative last night, so she did not need to feel guilty.

Ye Muyun didn't stop her and just looked at her back for a while before turning to look at song keren.

song keren's body was still trembling, as if she could not take the blow.

"i think i've been very obvious in the past two to three years." I've tried my best to like you, but I didn't, " he explained.

Song keren leaned forward and said in a sharp voice, " but you're hurting me the most by being with her like this.

She burst into tears and her lips trembled uncontrollably. "just when i thought you finally fell in love with me."

She raised her delicate face and tried to stop her tears, but she couldn't.

I was so excited to tell annn that I'm going to get engaged soon, " she said in a stern voice after a long time. my boyfriend is so outstanding, and he loves me very much.

as song keren spoke, her voice became very soft. " at that time, do you think she was laughing at me? because she knew better than anyone who you've always loved. "

Ye mu Yun didn't say anything.

Song keren's voice became more and more mocking. when I told her that you broke up with me, she was so happy, wasn't she? even though she knew that i loved you deeply, she still got together with you."

"is this the hypocritical woman you love?" song keren sneered.

"Have you said enough?" ye muyun finally got angry and said in a cold voice,"if you've said enough, then get lost immediately."

he lit a cigarette and smoked it lightly. he looked at song keren's angry face."You shouldn't be so impatient!"

Chapter 2182: a showdown (2)

He played with the lighter with his slender fingers and said softly, " with just one word from me, you will immediately disappear from the festival Group.

"I don't believe it." Song keren's face was filled with shock.

"Yes, I'm not the one who invested in this program, but isn't this Zhou chongguang's investment? You should be able to tell that he wants to get Qin Mu back. Do you think my words will work?" ye mu yun coldly said.

He then took out his phone and made a call.

Song keren wanted to knock his phone away like a mad woman, but ye Muyun moved aside and looked at her coldly. song keren, you won't joke around with your gallery and your family, right? "

his voice was very cold. " if you want to protect everything you have now, leave immediately. "

Song keren's voice was shrill. you bastard!

however, he was indeed a threat to her, and she had to consider her own situation.

it was no doubt irrational to run into him.

Song keren left in the end. She left with her luggage that day. The production team immediately replaced the A-list celebrity to increase her popularity. As for song keren, she would also be removed from the show and would not appear in any scenes.

What was there to see about an abandoned woman?

Why don't we take a picture of boss ye's heroic posture when he's cooking?

After sending off song keren, ye Muyun walked into the small kitchen that belonged to Xue 'er.

The kitchens here were separated by rooms, each about ten square meters or so. It wasn't big, and when the two of them stood inside, their chests were almost touching their backs, but this made them feel more intimate.

Ye Muyun walked in with a cigarette between his fingers and saw Xue 'er squatting down and peeling potatoes.

She didn't do any of this, so she was naturally clumsy.

he didn't help immediately. instead, he chuckled."idiot."

she ignored him. she was obviously sulking. he wanted to laugh when he saw her little expression.

Ye mu Yun looked at her and saw that she was working hard, but she only managed to do one thing after spending a lot of effort.

With a cigarette in his hand, he slowly smoked and said, " "Are you angry?"

He paused for a moment and then laughed in a low voice."the one who should be angry is song keren. you slept with her boyfriend."

"You're clearly forcing me." Xue 'er looked up at him with anger in her eyes,"and Yingluo."

she poked his heart with her little finger."Do you think I'd still like a man without principles like you?"

He was stunned for a moment, then laughed out loud. you dare to talk back?"

xue 'er's little mouth was pursed into a straight line, and her little face was also dark. after a long time, she sneered, " "ye mu yun, every word you say carries the meaning of the past!"

She paused for a moment before she continued, " "do you think we'll still be the same after eight years?"

"i'm no longer that innocent little girl." She stood up and looked down at him, slowly saying, " "We've already finished! i'll just treat last night as a day."

But just as she stood up, ye Muyun pulled her down again. This time, he quickly threw away the cigarette and hugged her.

It was uncomfortable for both of them to squat and hug each other, but he couldn't care less.

He didn't like the way she spoke to him, as if she had really flown away.

in his heart, she had never left.

“You're blaming me for being with her?” His voice was low and hoarse. Xue 'er, I'm sorry! if it's about this matter.”

Chapter 2183: A showdown (3)

he was still the first to admit defeat. even though he hated her, blamed her, and thought about how to be tsundere, his little girl was really amazing. she was really different from before.

if he did that again, she would really not want him.

I've broken up with her, ” he begged in a low voice. come back to me, okay? ”

xue 'er lowered her eyes. ” ye mu yun, i can't give you anything! Don't start again after you've finished, or else you'll only end up getting hurt.”

He hugged her tightly, his voice a little confusing. “No, it won't happen this time,”

he hugged her very tightly and used all his strength. she felt like she was being crushed into his bones and blood.

It was actually very painful, but she didn't push him away.

She quietly allowed him to hug her, wanting to tell herself that this was the last time.

But he didn't allow her to have such thoughts. He lowered his head and kissed her lips. He kissed her hard in the small space, and he couldn't stop kissing her.

His body was leaning against the cupboard behind him, and she was sitting in his arms.

she still couldn't resist his seduction. her small hands wrapped around his neck and she brought herself to him.

this kiss slowly became painful and dense, mixing with all their thoughts, all their unwillingness, and all their anger.

when he let go of her, she was shocked to realize that she had cried.

hot tears flowed down his neck and stained his cheeks.

Ye Muyun reached out and gently stroked her little face. His voice was low and hoarse. why are you crying? ”

he couldn't bear to treat her like that again, and he kissed the tears away from her little face.

xue 'er's tears could not be stopped, falling again and again. she looked at him with a gaze full of nostalgia and a touch of pain.

Suddenly, she moved her red lips and took the initiative to kiss him.

it had been too long since he had hugged her. how could he resist?

This kiss was very long, and it almost went off the hook in this open kitchen!

In the end, a sound came from the door and they woke up.

zhao yan was standing at the door.

He looked at the two in surprise and chuckled. then, Chairman ye, please continue to make the Taotie rice.

zhao yan left in a good mood. he probably didn't need to work for the next few days. He would just directly hand it over to ye mu Yun.

Xue 'er was still sitting in ye mu Yun's arms while he was sitting on the ground. This really couldn't be seen.

She ran her fingers through her hair and stood up."zhao yan,"

he didn't stop and waved his hand. " i'm not interested in being an audience. also, be careful. the camera will come over to take pictures at any time. if you don't want to be famous, you have to restrain yourself. "

as if he had thought of something, zhao yan suddenly turned around and grinned. " if you really can't hold it in, you can go back to your room. at most, you can say that it's to practice your lines. this is a good reason. it's the same in the entertainment industry now. "

Xue 'er threw a potato at him, but Zhao Yan dodged it and laughed happily.

Xue 'er stared at his back and suddenly had a feeling-

It was not that she was accompanying Zhao Yan, but that Zhao Yan was accompanying her!

"Little uncle," she called out to Zhao Yan.

She rarely called him that. She must have something important to say.

Zhao Yan turned his head to look at her and smiled. it's exactly what you think!

Xue 'er, you've learned psychology!

and yingluo, don't mess up the love line, okay?!

She opened her mouth but did not say a word for a long time. She could only watch him leave.

"Still angry?" ye mu yun's voice sounded in her ears.

xue 'er took a deep breath and turned around. " ye mu yun, we can only be normal friends. "

"call me big brother, and say that again." His tone was very indifferent.

Chapter 2184: peaceful coexistence (1)

Xue 'er glared at him.

He was too shameless!

Ye Muyun pursed his lips and reached out to pinch her little face. call me brother and repeat what you just said. hmm?”

Xue ‘er continued to stare at him, but her mind was filled with the memories of those nights when she was pressed down by him and called him brother helplessly and weakly.

her little face was slightly red.

ye muyun’s gaze was fixed on her small face. then, he smiled and reached out to caress her soft cheeks. he asked in a low voice, ” “You’re thinking of the past?”

“no, i didn’t!” she answered too quickly, which made it seem like she was trying to hide something.

ye muyun laughed in a low voice, ” no? I’ll check it. ”

As she screamed, he covered her little heart and felt her beating heart.

xue ‘er’s back was pressed against the kitchen counter. she pursed her lips and glared at him. ” ye mu yun, don’t mess around. ”

He laughed in a deep voice. then I’ll do it properly? Hmm?”

He wanted to do something to her again, but Xue ‘er sneaked out from his side.

her little face was a little tense as she looked at him. her heart was also fluctuating violently. ” ye muyun, in your heart, what are women? no matter how bad song keren is, she was once your girlfriend, right?”

There was a hint of coldness in her eyes.

he, on the other hand, had been listening to her all this while, staring at her face in a daze.

After a long time, he smiled. the little girl has grown up. She’s become the same.

xue ‘er was still leaning on the ground, staring at him.

ye mu yun smiled again. ” xue ‘er, being kind to her is being cruel to you. i won’t change this. ”

xue ‘er stared into his eyes, not saying a word.

After that, ye Muyun simply picked her up and carried her to the kitchen counter. She wanted to break free but he didn’t let her. He reached out to support her body and said in a low voice, ” sit here and don’t move.

She felt uneasy and wanted to move again. He chuckled and said, ” move again and I’ll kiss you.

Xue ‘er’s body shook, but she didn’t say anything.

ye muyun slowly let go of her and smiled. then, he picked up the potato she had just peeled and cut it into thin strips. he even added red chili.

xue ‘er looked at him and was a little surprised. since when did he know how to do this?

“After you left, I moved out. Sometimes I don’t want to eat outside, so I made some simple food myself.” As if he had sensed her thoughts, he said in a very calm voice.

xue ‘er pursed her lips and did not say anything.

After that, she was even more surprised to find out that he was not just simple.

he made fish balls.

he picked out the fish meat and beat it into a ball. after walking in the boiling water for a while, it turned into small white balls.

after looking at it for a long time, she couldn’t help but ask, ” what kind of dish are you making with this? ”

ye mu yun smiled. ” just use baby cabbage, add some fungus, and a small spoon of fish balls. ”

“oh,” she said.

Then, she watched as he cut a few more vegetables. This time, before she could speak, he explained calmly, ” make a Sixi soup.

xue ‘er’s eyes widened as she stared at him in a daze.

“Is it strange?” Ye Muyun’s smile was a little gentle. It was completely different from the one she saw a while ago.

after he finished processing the ingredients and was about to fry them, his voice was very calm. ” i learned it a long time ago, yingluo. ”

He paused for a moment, and his voice was a little long. I’ve been waiting for someone to eat my food, but I’ve been waiting for a long time, and there’s no one.

xue ‘er listened and felt an inexplicable pain in her heart. she looked at him and bit her lip.”Then you can invite song keren! she’ll definitely be happy to do so.”

Chapter 2185: Peaceful coexistence (2)

ye mu yun looked at her and smiled lightly. “snowbag, your words seem a little sour.”

He didn’t explain further because his relationship with song keren was over.

Xue ‘er was actually right. In this relationship, he was actually a little immoral and even a little unfair to song keren. However, love was selfish to begin with.

He didn’t think he was wrong. If he didn’t break up now, he would regret it in the future.

When he said this, Xue ‘er did not deny it, but she did not say anything either.

She just sat there, gently shaking her little legs, in a daze.

It wasn’t until the pot started to smell that she saw that the shredded potatoes he had stir-fried really looked, smelled, and smelled good. She felt hungry as she smelled it.

xue ‘er pursed her lips and watched him take the dishes to the side.

He didn’t even want her to try it!

she endured it.

however, when he brought out the second dish, she couldn't bear it anymore. fish balls, baby cabbage, and black fungus were stewed by him until they were very fragrant and the color was very bright.

the leaves of the chinese cabbage were golden in color. she didn't even know how he had cooked it. in his memory, auntie li didn't seem to have such good cooking skills.

Xue 'er finally couldn't hold it in anymore and snorted. shouldn't we be working together? "

Ye Muyun was making the last soup. When he heard her words, his voice was very faint."What can you do?"

His tone was mocking, and Xue 'er exploded. I can taste it!

he stopped in his tracks and looked at her with a half-smile."you know how to taste, yingluo, does that mean you know how to eat it?"

Xue 'er's face turned red. it's a taste.

"is there any difference between eating and eating?" His voice was still indifferent.

"aren't you going to eat anything?" xue 'er snorted.

He turned to look at her and suddenly laughed.

he didn't say anything. instead, he held her small waist and carried her to the small dining table at the side with one hand.

He didn't care how much she ate or whether the production crew would come to film later. He only knew that his long-standing wish had been fulfilled. She finally ate the food he made.

xue 'er first took a small bite. the taste was not bad, and her eyes curved as she ate.

especially the fish balls, they were really delicious.

she tried her best to eat, and her little mouth was bulging, looking especially cute.

Ye Muyun finished the last dish of soup and when he brought it over, he saw her like this.

she placed the soup on the table and he stood beside her, staring at her in a daze.

at this moment, her appearance overlapped with that of eight years ago. he seemed to be looking at the little xue 'er from the past.

Everything was like the past.

his eyes were a little hot, and a faint smile appeared at the corner of his mouth.

he scooped a bowl of rice for her and placed it in front of her. he then sat down beside her and asked softly, "Is it good?"

Xue 'er was quite satisfied with the meal she had found to her heart's content. Besides, he wasn't that detestable now, so she nodded vigorously. you don't know, when I was in America, I didn't have much decent Chinese food.

After she finished speaking, she regretted it and looked at ye Muyun. His expression was a little unpredictable.

“Have you been working hard all these years?” he asked softly after a long time.

she was used to being pampered, and it was hard for him to imagine what kind of life she was living abroad alone. her english was so poor, and if no one took good care of her, she probably wouldn't even have enough to eat!

It was no wonder that she was so thin now!

ye muyun's gaze was a little deep as he kept looking at her.

Chapter 2186: peaceful coexistence (3)

xue 'er raised her eyes and looked at him with tears in them.

he was the same.

Time seemed to have stopped.

The separation, the hurt, and song keren's existence had all disappeared.

what was left was the little girl and her brother, the brother who loved her so much.

The sunlight outside shone in through the window and landed on them, forming a faint golden glow.

Ye Muyun also turned his head and looked at her. After a long time, he smiled and rubbed her long hair. eat.

She still didn't move, and his voice became low and hoarse. you're so skinny that you can make sweet and sour ribs.

xue 'er pursed her lips. ” i don't want to. ”

ye muyun looked at her small appearance and smiled gently. he rubbed her again. ” silly girl. ”

He had thought of throwing her on the bed and making her into a pork rib himself.

he smiled when he thought of her tender little appearance.

ye mu yun felt that he was quite perverted. just as he thought of this, he suddenly met her eyes.

Xue 'er looked at him and spat out a few words, ” “You must be thinking of some perverted things.”

he smiled and didn't say anything. he just rubbed her long hair.

Xue 'er pursed her lips. She knew it!

She buried her face in her food and decided to ignore him.

He didn't force her to speak, and just watched her eat quietly.

when she finished eating, there was only a small half of the food left. ye muyun looked at her in surprise. it was hard to imagine that her little stomach could hold so much food.

a small bowl of rice and almost half of the dishes!

Xue 'er also felt that her little stomach was round and full.

Looking at his gaze, she felt a little embarrassed. How could she let her guard down in front of her enemy? she would definitely not eat his cooking next time.

“Why aren’t you eating?” Xue 'er bit her finger and leaned back. Her stomach was really a little bloated.

ye muyun looked at her quietly and then laughed.”concerned about me?”

“it’s up to you!” She snorted and was about to stand up, ready to go back to sleep.

As for what the festival Group wanted to shoot, it had nothing to do with her. She even wanted to go back early.

In the depths of her heart, she knew that she didn’t leave immediately because she wanted to tease ye Muyun.

As soon as she stood up, he grabbed her hand and refused to let her get up.

His slender fingers clasped hers, and then their fingers intertwined.

“let me go.” she said angrily.

ye mu yun’s voice was a little hoarse. “Help me get the rice.”

xue 'er glared at him.

He laughed. what? you’re not going to admit it? ”

his words more or less had a double meaning. her small face was red with embarrassment. she was extremely annoyed that she could not break free from his grip.

in the end, she gave in and said in a sorry state, ” “let me go, i’ll fill it up.”

Only then did his long and strong palm let go of her. Looking at her blushing face, he smiled. that’s good.

“i’m not a child anymore, you don’t have to coax me like this! i don’t buy it. ” as she spoke, she stood up angrily and went to get him a bowl of rice. then, she sat opposite him and watched him eat.

he didn’t eat much, only tasting each dish, but he ate two bowls of rice.

Xue 'er pursed her lips. can I go back to my room now? ”

“it’s our room.” ye mu yun smiled.

she was stunned and stared at him.

Oh, I've already told the festival team. You're related to Zhao Yan by blood, while Gu ze and I are both straight, so we're in the same group. He said very calmly, his face not red nor his heart beating fast.

Chapter 2187: A new CP (part one)

Oh, I've already told the festival team. You're related to Zhao Yan by blood, while Gu ze and I are both straight, so we're in the same group. he said very calmly, his face not red nor his heart beating fast.

Xue 'er was stunned. How could there be such an operation? didn't they come to form a couple? how could it change halfway?

after a long time, she came back to her senses and snorted. " aren't zhao yan and gu ze straight? "

the older brother who had bullied her since they were young was even calmer. " just now, zhao yan expressed his feelings for gu ze to me! "

Xue 'er was about to vomit blood. She glared at him. I don't believe you.

"believe it or not, i've already moved your things to my room." He smiled slightly. Seeing her flustered and exasperated look, his mood actually became better.

xue 'er was about to explode.

what kind of lousy show was this?

this was simply a show of pulling one post at a time!

Zhou chongguang had invested in it, right?

she stood up furiously. " i'll go look for zhou chongguang. "

Ye Muyun smiled indifferently. of course you can. But Xue 'er, if you go now, you might disturb him and Qin Mu.

zhou chongguang and qin mu?

xue 'er was stunned again.

after a moment, she mumbled, " you clearly know that qin mu doesn't love zhou chongguang anymore. she wants a divorce. why do you still agree with zhou chongguang pestering qin mu? "

As she spoke, her expression became clear, I believe that with your ability, it's not impossible to help Qin Mu go abroad. And you've always indulged Zhou chongguang.

these two men would actually work together one day for their own interests. yes, it was a cooperation, xue 'er could already feel it.

Ye Muyun didn't deny it. His voice was a little hoarse. how come you didn't know that I sacrificed Qin Mu for you this time? "

she was right.

Xue 'er's expression turned a little ugly. She thought of how Qin Mu had told her so firmly that she wanted to leave Zhou chongguang.

but they must have slept together again last night!

was all of this for her?

She didn't want to be like this. She wasn't that little girl who couldn't survive after leaving ye Muyun. She didn't want to suffer that heart-wrenching pain again.

xue 'er pursed her lips and said word by word, "ye mu yun, i've never needed anyone's help,"

No need?

He looked at her without saying a word.

"right, no need!" Her voice was a little suppressed as she said, 'if Qin Mu sacrifices himself, what's the difference between him and eight years ago? Is there any difference between living like that and being dead?"

She clenched her little fist and turned to walk out.

"Then why aren't you with me?" his voice came from behind.

qin mu had already walked out. if xue 'er returned to his side, qin mu wouldn't have to suffer anymore.

perhaps qin mu knew about this now, which was why he did this.

She took advantage of Xue 'er's weakness. She felt wronged because this would speed up Xue 'er's return to his side.

However, Xue 'er did not really have a cold and said that she did not need it.

he quietly watched her walk out, deeply feeling that she had changed.

Change, I can live on well even if I leave him.

The fear from eight years ago had struck him again. Was he the only one who had to endure the storm this time?

Had she already recovered from the wound on her heart?

ye muyun stood there for two minutes before following him out for a walk.

Chapter 2188: A new CP (2)

when xue 'er stood at the entrance of zhou chongguang and qin mu's small kitchen, she was stunned for a moment.

Zhou chongguang was cooking, and Qin Mu was sitting at the small dining table at the side, eating fruits. Those fruits were supposed to be used as a platter, but Zhou chongguang let Qin Mu eat them?

xue 'er looked at the expression on qin mu's face. it was so natural and happy, and he did not seem to be forcing himself at all.

She was stunned.

At this moment, Qin Mu raised his eyes and saw Xue 'er. He put down the fruit in his hand.

but very quickly, she said very happily, " xue 'er, do you want to eat together? "

xue 'er slowly walked over and sat down beside qin mu.

Zhou chongguang did not turn around and only instructed Qin Mu calmly, " "You have to find a way to make up for the fruit you ate later. Hmm?"

It seemed to be a reprimand, but there was a faint affection in his tone.

Xue 'er looked at Qin Mu-

did they make up?

She thought that with Qin MU's personality, he wouldn't really bother with Zhou chongguang.

however, qin mu replied,"you think of a way yourself."

this was a way that only married couples or lovers would do, and it was a little coquettish.

xue 'er made another noise.

Qin Mu stuffed a cherry fruit into Xue 'er's mouth and smiled. why are you in a daze? "

Xue 'er was speechless for a moment, and she ate the cherry fruit in silence.

qin mu took a look at zhou chongguang and lowered his head again, but he didn't eat any more fruits.

Xue 'er pursed her lips and didn't say anything. Because in this situation, anything she said would be useless.

Behind her, a shadow blocked the sun. She turned her head and saw ye mu Yun standing at the door.

His expression was very calm as he walked over indifferently and sat beside her. His slender fingers reached out and wiped her lips. you just ate your fill. Why did you eat again? be careful not to stuff yourself.

xue 'er looked at him, and then at qin mu and zhou chongguang.

everything was calm, and time seemed to have stopped.

she thought that if zhou chongguang had not made such a request back then, and if qin mu did not have such an illness, how good would it be for them to be together like that? at least, it would not be like this today.

"I'm feeling a little dizzy. I want to go back and rest."

She said in a low voice.

Ye mu Yun looked at her quietly with a gentle expression.

After a long time, he nodded. I'll go back with you.

xue 'er didn't say anything and walked to the door.

Suddenly, she turned around and looked at Qin Mu. I just want to ask you one thing.

qin mu raised his head.

“What you said last time, does it still count?” Xue ‘er’s voice was slow.

Qin MU’s expression was a little strange. After a long time, she said softly, ” some things will change.

Xue ‘er didn’t say anything else. She was a little dazed.

if that was the case, what was the point of her sacrifice back then?

When she left, she was in a daze and ye mu Yun followed behind her.

She turned around and looked at him, her voice soft. “I want to be alone for a while.”

he furrowed his brows, but in the end, he acquiesced.

She returned to her room, the room she and ye Muyun were staying in now. She closed the door and sat on the sofa by the window alone, watching the tide rise and fall outside, her heart flying.

The sun shone on her body, and it was warm. She thought of many things, from her childhood to the eight years she had spent in the United States.

Ye Muyun stood outside and didn’t leave. His mood was also very complicated. He casually took a cigarette and stood there.

gu ze came over when it was almost noon.

Ye Muyun let out a long breath of smoke and said in a very calm tone, ”Have you found out?”

Chapter 2189: A new CP (3)

gu ze shook his head, and his expression was a little serious. ” “i’ve tried everything, but i can’t find anything.”

ye muyun’s gaze was a little far-reaching. after a long while, he said in a low voice, ”It’s not strange! Uncle Tang must’ve erased all the traces.”

All these years, Tang Yu’s attitude towards his relationship with Xue Er was no longer the same as before.

Now, uncle Tang probably didn’t approve of it, so he couldn’t find anything.

this was a tacit understanding between men and did not need to be said.

After he said that, Gu ze didn’t say anything else. The two men smoked together and looked at the horizon in the distance.

And Xue ‘er was sitting just a wall away from him.

He knew that she was there, but he couldn’t see or touch her.

Ye Muyun pursed his lips, his handsome brows slowly furrowed.

on the other side, qin mu saw that xue ‘er and the rest had left and immediately prepared to return to his room.

“Where to?” zhou chongguang’s voice was a little hoarse.

qin mu’s voice was slightly cold. ” i’m done acting. i want to go back to my room to rest. ”

“You want to throw it away after you’re done using it, huh?” There was a hint of warmth in his voice. She didn’t know when he got close to her, but his thin lips pressed against the back of her ear, causing Qin MU’s heart to throb.

“Zhou chongguang, what do you want to do?” Qin Mu was a little annoyed. He turned around and glared at him.

He pressed his hands on her shoulders and looked at her with a burning gaze. After a while, he said in a low voice, ” ” qin mu, regardless of whether what you said to tang xue ‘er before was true or not, i hope it’s true. ”

Her expression changed.

“Isn’t it good for us to be like this?” he continued.

“there’s no one else. it’s not that i can’t do it.” he frowned.

qin mu gently let go of his hand and looked at him. he could not help but laugh. ” zhou chongguang, do you believe your own words? ”

Zhou chongguang pursed his lips. I want you to believe me.

“I don’t believe it!” qin mu’s reaction was a little intense. ” i don’t believe a single word. i don’t want to wait for you at home anymore. i don’t want to be full of expectations or guessing whether you really like me. ”

zhou chongguang’s heart skipped a beat, and he looked at her deeply.

qin mu probably also felt that he was too agitated. he took a step back and softened his tone. ” zhou chongguang, i don’t want to be like this anymore. do you know how i would feel if i heard what your gu mei said one day? ”

that night, ” she said calmly, ” after we did it, you fell asleep beside me. At that time, I wanted to stab you to death.

zhou chongguang’s eyebrows jumped.

you’re not only destroying my dream, you’re also destroying Xue ‘er and my brother’s happiness. qin mu laughed and cried. ” if they’re not happy, can i still love you? ”

however, she immediately denied it and smiled sadly. ” no, zhou chongguang, i don’t know how to love you anymore. those women aren’t the most important. they’re just egging on our marriage. it has always been a lie. there’s no love at all. ”

he had never loved her, not even a little bit, and she had no reason to forgive him.

she had said so much, and zhou chongguang had listened carefully.

When he looked up again, he saw that her face was covered in tears.

“Mumu.” He called her name in a low voice.

“don’t call me zhou chongguang like that!” Qin Mu gently covered his face. really, don’t call me that. Tell me. Do You Love Me Now? ” Or is it just because you don’t want a divorce?”

Zhou chongguang was unable to answer such a question.

Chapter 2190: i want to pursue you again (1)

zhou chongguang was unable to answer such a question.

At this moment, it was not wise to lie to her. Being silent was the most rational choice for a man.

after a long time, he said, ” but i care about you. ”

Qin Mu laughed and cried. I can find a dozen men who care about me. Even if they care about my money, they will treat me the same way.

Qin MU’s voice was slow and deep. on one hand, you’re enjoying your family. On the other hand, you have countless women outside. Zhou chongguang, what makes you think that such a dirty person like you is still worthy of my love? ”

zhou chongguang looked at her, his gaze a little dazed.

After a while, he said in a low voice, ” “at least, give me a chance to pursue you.”

Qin Mu shook his head lightly. no, Zhou chongguang, I don’t want to go down the cloud with you like this.

he was stunned and looked at her.

qin mu walked past him and wanted to leave, but he grabbed her arm again and said in a deep voice, ” “qin mu.”

qin mu didn’t make a sound, but she was immediately pulled into his arms and kissed hard.

“zhou chongguang!” All her screams were swallowed by him, and then she struggled helplessly.

Her hands clenched into small fists and she pounded on his shoulders with all her might. He immediately grabbed her and pushed her behind him.

This posture was very embarrassing. She seemed to be folded in his arms for him to enjoy.

he kissed so deeply that qin mu couldn’t take it. in the end, he had no choice but to bite him hard.

That bite was so hard that Zhou chongguang was in pain and had no choice but to let go of her.

qin mu took a step back, turned around, and wanted to escape, but his body was tightly hugged from behind.

" why are you running? are you afraid that i'll eat you up? " he asked with a hint of warmth.

His arms hugged her so strongly that she was folded in his arms. His voice was also warm as he said, " Mumu, I won't touch you. Don't go, okay? "

his tone was full of pleading.

qin mu was unable to move and was extremely furious.

He said it was a request, but he was so overbearing.

She couldn't break free, but she didn't want to pay attention to him, so she just stood there in a daze. However, she didn't expect that the production crew would come over to film at this time!

the way zhou chongguang hugged her was really captured. she was unwilling to be on camera and turned her face to the side.

however, zhou chongguang chuckled and pressed her little head on his shoulder. he said to the cameraman calmly, " alright, my wife is afraid of strangers. That's enough.

since the big BOSS had spoken, there was no way the people below would disobey, so they quickly left.

Once he left, Qin Mu pushed Zhou chongguang away and stomped on his foot fiercely. He snorted coldly. what an evil show.

"There's nothing wrong with the program. It's my fault!" He actually admitted to it with a good temper. Mumu, don't you feel that this show is tailor-made for us? "

Qin Mu sneered. Lin Xue is still in the festival Group. Zhou chongguang, don't you feel embarrassed saying this? "

zhou chongguang didn't take it to heart and laughed lightly. " if you're thin-skinned, how can you coax your little wife who's throwing a tantrum back? "

She was small, really small.

He was six years older than her, so it wasn't really a big difference. However, when they got married, she was only 18 years old.

qin mu glared at him and walked out on his own. this time, zhou chongguang did not stop her.

He just looked at her quietly, watching her walk out.

if she didn't want to turn back, he could wait and not force her.

when qin mu walked to the door, he suddenly turned around and looked at zhou chongguang.

Zhou chongguang smiled slightly, and there was actually some warmth on his face.
