

Thank you 221

Chapter 221 If you don't listen, you'll be ruthlessly punished!(3)

She returned to the bedroom. The light was a little dim and Tang Zheng was leaning on the bed, his eyes deep.

pei qiqi's heart skipped a beat!

She adjusted her bathrobe, carefully lifted the blanket, and lay down beside him.

tang mo looked at her sideways. her small body burrowed into the quilt and slowly wriggled like a caterpillar.

He didn't move. He quietly took out a cigarette from the bedside and lit it.

but the next second, he almost burned himself with the cigarette in his hand.

'damn it, that little bastard actually knows how to whine.

he never thought that pei qiqi would take the initiative to do such a thing for him. although he did force her that time, forcing her and loving each other were two different feelings. He couldn't control his movements. He grabbed her long hair and pulled her out of the blanket. He kissed her, "PEI Qiqi, you've become bad!

She lay on her stomach obediently and submissively.

afterwards, she laid in his arms. tang yu put one hand on her back to comfort her. he held a cigarette in his other hand and slowly smoked.

he had recently caught the habit of smoking after sex. after he finished smoking this cigarette, he was ready to take a shower and go to bed.

PEI Qiqi propped up her body and looked at the cigarette in his hand.

Tang Zheng looked at her. you want to smoke? "

she didn't say anything and just looked at him in a daze.

With those eyes, he wished he could kill her again!

tang yu put the cigarette in her mouth, " just once. "

PEI Qiqi couldn't believe that he was so indulgent to her, but she couldn't take it. Seduction.

After hesitating for a while, he still held the cigarette and carefully leaned over. After two puffs, he didn't dare to do it anymore!

Tang Yu took the cigarette and put it out. His movements were skilled and elegant. Then, he carried her to the bathroom ...

she opened her eyes wide and looked at him. " qiqi, you've enjoyed it. it's my turn now! "

So, he didn't let her smoke for nothing. She bit him with a bitter face. He was too bad.

When PEI Qiqi went to work the next day, her whole body was still sore. She was a little sleepy so she asked Xiaowen to make two cups of coffee. Just as she was looking at the accounts that Xiaowen sent over, the door was pushed open with a bang.

Xiaowen followed behind and wanted to come in, but Zhou Meilin had already closed the door and locked it.

pei qiqi raised her eyes and looked at zhou meilin, " what are you doing here? "

zhou meilin looked thinner, and her face was a little yellow. compared to before, she looked a lot worse.

She glared at PEI Qiqi and her eyeballs almost popped out, " PEI Qiqi, what do you want to do? Are you going to Sue me for company matters?"

PEI Qiqi wasn't surprised that she knew that Xiao Wen used the accounts department's accounts. What surprised her was that Zhou Meilin came over so quickly to sort out the accounts.

She was still sitting there with a calm expression. Auntie, it's good that you know it in your heart! you and i both know why the pei family business ended up in this state."

he picked up the account book in his hand. " these are enough to sue you until you die of old age in prison! "

zhou meilin pounced forward, grabbed the paper, and tore it to pieces. " "You're dreaming! the company is your father's. now that your father is dead, it's mine. i used my own money. what can you do to me? pei qiqi, you wild woman. I should have strangled you to death back then, Yingluo."

"shh!" pei qiqi placed a finger on her lips and chuckled, " auntie, don't blame me for not reminding you. there are cameras everywhere. don't say the wrong thing. it wouldn't be good if there was an additional charge of intent to hurt! "

Chapter 222 PEI Qiqi's counterattack (1)

Zhou Meilin glared at her, wanting to tear her apart.

pei qiqi raised her chin slightly, " auntie, do you know what you are the stupidest about? "

zhou meilin still didn't speak.

"when you were with that pretty boy rong lei, did you believe that he would love your aunt wanwan? don't you have a mirror at home? do you think someone would love you even with that face of yours?" pei qiqi sneered at zhou meilin,

"dad is good to you, but you turn a blind eye to it and believe in a woman who lives off a woman!"

Yes, PEI Minghe might have missed Zhao Ke, but if he didn't care about Zhou Meilin, he wouldn't have endured it for so many years, and he wouldn't have indulged her Yingluo.

however, zhou meilin never took it seriously.

Zhou Meilin was stunned for a moment before she came back to her senses. cut the crap! pei qiqi, don't think that you can do anything just because you have the pei family. don't think that you can marry into the tang family's qianqian."

"i know!" PEI Qiqi laughed coldly and stared into her eyes, " Zhao Ke, right? auntie, do you think i don't know?"

zhou meilin's heart skipped a beat. this girl actually knew!

"Whether she can get married or not is not up to Auntie to decide, but whether she goes to jail or not is up to me!"

"b * tch! I'll strangle you to death!" zhou meilin's sharp voice rang out as she pounced towards pei qiqi.

At this time, Xiaowen had already asked the security guard to come over. They rushed to the door and desperately pulled Zhou Meilin away.

zhou meilin was being held up like a madman. her head was covered in sweat, and her hair was stuck to her forehead. she looked very embarrassed.

a trace of blood appeared on pei qiqi's neck. she stood up straight and looked at zhou meilin. she pursed her lips and sneered. then, she said to the security guard, "cut the video and send it to the police station. let her stay in there for a few days!"

this was also to show the shareholders what the consequences of following a mad dog were!

xiaowen's heart trembled and she looked at pei qiqi in shock.

how was this the little girl she had seen at the beginning? The hatred in her eyes was enough to burn ten Zhou meilins!

zhou meilin was still screaming, but no matter how much she screamed, she couldn't stop her fate!

after everything had calmed down, xiaowen's voice was very soft. "Boss PEI, the meeting is about to start.

pei qiqi nodded and stood up.

Xiaowen followed behind. She felt that boss PEI was no longer the 20-year-old girl she had been.

During the meeting, PEI Qiqi calmly introduced the middle-aged man to the shareholders and the higher-ups, "this is lawyer Deng, the new chief lawyer of the PEI family. He is currently filing a complaint against Zhou Meilin for using the former boss PEI's trust to steal a large amount of cash from the company. He hopes that the accounting department will cooperate. Of course, he can choose not to cooperate with Wanwan.

The people below were whispering.

"zhou meilin is under control." PEI Qiqi's face was expressionless, "Suspected of injury."

Manager li of the accounts department wiped his sweat, but he kept silent.

his heart was as clear as a mirror. pei qiqi's words were clearly directed at him. she wanted him to be her witness.

But how could he trust her?

he had been watching coldly these days. this little girl, in this short half a month, could see that she was cruel and merciless, completely different from pei minghe's style.

He had accused Zhou Meilin today, so he didn't know if he would be killed like Zhou Meilin tomorrow!

hence, manager li was still observing jian jia. he knew very well that without his evidence, this lawsuit wouldn't be able to win!

However, he was also worried that PEI Qiqi would turn around and deal with him. Behind her was Tang Yu. He was scared to death just by thinking about him!

Chapter 223 pei qiqi's counterattack (2)

Before PEI Qiqi got off work, PEI Huan rushed over. Xiao Wen followed behind, stunned.

She didn't need to work as a Secretary anymore. Two people rushed up to her in one day!

pei huan's stomach could be seen. she held her stomach with one hand and walked in front of pei qiqi. she raised her hand and was about to slap her.

A hand caught her hand and turned it back forcefully, lifting it up.

pei huan was stunned. she stared at pei qiqi's face!

PEI Huan, do you think I'm still that wild person who lets you hit me as you please?| Plant it?" pei qiqi sneered and threw her hand away, " or do you want to go to the police station and reunite with auntie? "

pei huan stared into her eyes,"pei qiqi, you are so vicious!"

PEI Qiqi chuckled, " compared to you and your daughter, I don't think I'm one-tenth as good!

PEI Huan pursed her lips and her eyes were filled with fear. After a long while, she finally said, " father passed away on his own. My mother didn't abuse him!

pei qiqi walked back to her desk, " that's right. auntie didn't do anything to dad. she just sold me out and told dad about it! "

she looked at pei huan's angry face and suddenly laughed. " don't you find it strange that i was able to get the pei family business so smoothly? Did Auntie not tell you the reason?"

pei qiqi's expression was a little evil. right now, pei huan was like a little lamb in front of her.

pei huan didn't make a sound, but her breathing was a little messy and her face was a little red!

"Because your good mother has a pretty boy!" PEI Qiqi told her with good intentions.

"you're lying!" PEI Huan's voice was stern and her body was trembling.

She didn't believe it. She didn't believe that Yingluo's mother would betray her father.

this was impossible.

"You can ask Auntie yourself! but now, pei huan, if i were you, i would take good care of my stomach. after all, without this child, you'll really have nothing." PEI Qiqi laughed coldly, " as for Auntie, I really want two days of peace and quiet. I'll have to ask her to go in and squat there for a few days!

pei huan glared at her, "pei qiqi, my mom was right. you are an ungrateful wolf! dogs that bite people usually don't bark!"

Xiaowen wanted to say something. How could this person scold people like this?

PEI Qiqi raised her hand to stop Xiaowen. She stood up and was only one table away from PEI Huan.

Her voice was very, very soft. so, I want to thank Auntie for raising this dog. i will repay her for raising yingluo!"

pei huan's heart trembled. pei qiqi's current state was way beyond her expectations.

no, she wasn't pei qiqi. she was a demon, a dark demon.

"Get lost! before i call the security, i can't guarantee that they won't be as tactful as me." pei qiqi slowly sat down.

pei huan was so angry that her lips were trembling, "pei qiqi, you will regret this. one day, i will return everything you have done to me! no, double!"

"encouragement!" PEI Qiqi curled her lips, "Xiao Wen, take Mrs. Lin out. Be careful. The child in her stomach is a Dragon! It won't be good if I rely on you!"

Xiao Wen came over to invite PEI Huan, but PEI Huan's lips trembled for a long time and did not move.

Finally, PEI Huan left, bringing with her immense hatred.

xiaowen looked at pei qiqi. at that moment, she saw an endless loneliness from pei qiqi.

it was the loneliness of carrying too many things.

no matter how much she had, she was still the only one in her world.

Chapter 224 pei qiqi's counterattack (3)

little wen left quietly but pei qiqi stopped her.

Xiaowen, with the evidence we have now, we can't Sue Zhou Meilin at all. I'm just scaring her! pei qiqi gave a shallow smile. "dad's not here anymore. there's no strong witness. even if dad was here, he would probably let her off on account of their relationship. "

Xiaowen didn't say anything. It was better not to say anything at this time.

sort out jiaimei's order. That's our only hope now. pei qiqi stood up, "from tomorrow onwards, i won't be in the office for three days if i have something on. call me if you need anything. "

yes, " Xiaowen said.

.....

Early in the morning, when PEI Qiqi went to the studio, she was surprised to find that the person with makeup was ning Jie-

When PEI Huan got married, he was the one who styled her.

“Miss PEI!” Ning Jie was also surprised to see PEI Qiqi. She looked at her for a while before softly asking, “are you and Mr. Tang doing well?”

PEI Qiqi nodded, “it’s alright!

“Mr. Tang is a sentimental man!” Ning Jie hinted, “Mr. Tang doesn’t know, right?”

PEI Qiqi pursed her lips and didn’t say anything. Now, Sister Ning knew everything.

The little girl had secretly come.

She had been in this industry for a long time and was good at seeing through people’s hearts. She hadn’t seen PEI Qiqi for a few months and she felt like she saw something different about her.

Ning Jie didn’t say much. Try on your makeup!

PEI Qiqi nodded and sat down. Sister Ning started to do her makeup.

An hour later, PEI Qiqi couldn’t help but ask, “isn’t it a little too strong?”

You’ll look good on camera this way. Believe me, this is already considered very light makeup.

Ning Jie smiled. Don’t look at the beauties on TV or in the movies. They’re actually all covered in a thick layer of makeup.

PEI Qiqi’s Foundation was the best she had ever done. Sister Ning helped her apply foundation and color makeup.

“See, it’s good to be young!” Ning Jie took a look at the information at the side and said, “as for hair, the product’s requirement is straight black hair, so there’s no need to touch it. It’s fine now.

She picked out a white dress for PEI Qiqi. It looked very pure but it was a strappy style so there was a touch of sexiness in the purity. Sense.

The studio’s interior was a bathroom, and the theme of the advertisement was ‘lover’-

to put it bluntly, the female lead would apply the skin care products on her body, then the male lead would kiss them off bit by bit, and finally, the kiss would be simple and rough!

PEI Qiqi’s gaze fell on the male lead’s name. Wu Hao was the most popular man in the country. Many female stars wanted to work with him. It wasn’t because he was famous, but because he was super handsome.

Was he handsome?

PEI Qiqi looked at the photo and thought to herself that Tang Yu was much more handsome than he was.

The thought of Wu Hao kissing her starting from her feet and all the way to her knees made her hair stand on end. If it was time for the live broadcast, would Tang Yu kill her?

They would!

PEI Qiqi waited for about three hours. When it was noon, he still didn’t come.

Wu Haozhi was a big Shot celebrity and he wasn’t under King, so he was especially late.

“let’s do an audition first!” ning jie was already used to this kind of situation, so she beckoned to the photographer beside her.

She looked at PEI Qiqi, ” don’t take it to heart. Big stars are all like this. If they aren’t late, they won’t be able to show off their big name!

Chapter 225 a kiss without any blind spots (1)

PEI Qiqi smiled,”I know. It’s as long as his name!” &Nbsp;

As she said that, a voice came from behind her. It was very light, slow, and very confusing. really? including some other places, it’s equally long!”

The voice was right beside her ear, and his hot breath was on the back of her ear, one of the most sensitive places for women.

PEI Qiqi didn’t move. Her instincts told her that this was the very long curly beard, Wu haozhi.

he turned around slowly and saw a very handsome man. he looked to be about 23 or 24 years old. he was a young man with great achievements. he was so red that his face was almost written with the words ” little heavenly king. ”

PEI Qiqi didn’t say anything. On the other hand, Wu haozhi was a little surprised.

the reason why he was so late today was to express his dissatisfaction. this advertisement was an international brand, but he had to be paired with a newcomer with his status!

he had protested before, but the higher-ups completely ignored his opinion.

Fine, if she didn’t care, then he would just slack off. However, he didn’t expect the newcomer to be so beautiful.

it was true. what kind of woman had he not seen in the entertainment industry? half of the a-list and b-list female stars were willing to strip for him.| yi| Meat| There were many beautiful women, but not many of them could be called beautiful.

And the girl in front of him was really the kind that only appeared once in a hundred years.

wu haozhi was a little stunned. his eyes stared into pei qiqi’s eyes.

After a long time, she asked softly, ” do you want to measure it? ”

He held her finger and hinted.

PEI Qiqi had been following Tang Yu for a long time and actually understood what he meant.

she didn’t retract her hand, but looked back at him and smiled faintly. ” i prefer official data. ”

Wu haozhi stared at her for a long time, then lazily let go of her. He didn’t force her. you’ll regret it!

So many women wanted to sleep with him, but this woman rejected him directly!

she must not have realized how handsome he was!

At this moment, Shen Lian walked in with two secretaries behind her. She looked very imposing.

shen lian’s eyes fell on pei qiqi. at that moment, she was stunned.

Pure temptation| Confusion!

zhi yi's eyes were already glued to pei qiqi.

shen lian patted wu hao on the head with the document in her hand. " zhiyi, have you never seen a woman before? "

Her tone revealed her intimacy with Wu Hao and her contempt for PEI Qiqi.

PEI Qiqi thought to herself that in Shen Lian's heart, other than her circle, everyone else was lowly. she also had no interest in talking to shen lian.| PEI Qiqi wasn't used to doing things like shares.

After Shen Lian finished talking to the male lead, she seemed to have noticed PEI Qiqi and coughed, " who is this? how can you be so rude?"

her assistant was in a difficult position. she looked at pei qiqi and hinted with her eyes to say something soft.

pei qiqi lowered her head and tidied up her dress. she didn't say anything, as though she didn't hear shen lian's words.

Shen Lian's expression changed and her voice became stern, " PEI Qiqi, did you hear me talking to you?!

the moment she said that, the surroundings fell silent.

PEI Qiqi raised her eyes and looked at her. She said slowly, " don't you know who I am? "

shen lian's expression turned even uglier as if she had been slapped in the face. she was about to flare up when wu haozhi reached out and held her shoulder. " alright, sis. you'll age faster if you get angry. "

PEI Qiqi was a little surprised. They were siblings?

Chapter 226 A kiss without any blind spots (part two)

however, wu haozhi and shen lian's surnames were different, so they were relatives.

PEI Qiqi lowered her eyes and smiled. She didn't really care.

the shoot was supposed to start in the morning, but the male lead was absent, so it was delayed until the afternoon.

The director was very satisfied when he saw PEI Qiqi. He patiently guided her on how to present her beautiful face.

Wu haozhi lazily leaned to one side and watched as PEI Qiqi slowly pulled up her white dress. Her white fingers gently caressed the white dress.| her eyes were focused on his soft skin.

At this moment, she was quiet and beautiful like a moving painting.

wu haozhi squinted his eyes and looked at her long hair that was scattered on her shoulders and back.

he had been in the industry for a few years and had become famous. in fact, he was quite impatient with women. most of the female stars who worked with him wanted to hype up the news with him. even a small promotion would make it seem as if they had slept together.

As time passed, he became a little annoyed.

but now, he really wanted to take the initiative and kiss pei qiqi.

He hoped that the director would fail those scenes dozens of times so that he could keep kissing her.

The director was very satisfied with PEI Qiqi's performance just now.

beautiful! It was really beautiful!

This girl's beauty was not delicate, simple, or cold. It was the kind that had a variety of temperaments mixed together to form a unique one.

When PEI Qiqi was touching up her makeup, Wu haozhi walked over. He tilted his head and looked at her delicate little face. He smiled, "how do you want me to kiss you later?"

"Position borrowing!" PEI Qiqi said simply and didn't want to bother with him.

Wu haozhi licked his lips and smiled evilly, "I guarantee it will be

wu haozhi also knew ning jie. in the entertainment industry, ning jie still had some face.

But she said, Mr. Tang?

"Tang Yu?" wu haozhi was shocked. his cousin had actually gotten her love rival to shoot an advertisement with him?

How strong was his heart!

Ning Jie didn't say anything and just sighed. It seemed that she had to tell Mr. Tang. Otherwise, she wouldn't be able to bear the consequences if something happened.

while they were out, sister ning went outside to make a phone call.

the director was explaining the scene to the male and female leads when wu haozhi suddenly said, "in order to make it more realistic, i suggest a real kiss. of course, i won't stretch out my tongue!"

the director thought about it and actually agreed. pei qiqi and zhi yi were really good looking. if they were just borrowing the stage, the effect would be affected and it would be unnatural.

if they formed a couple, they would definitely be very, very attractive.| Pink

This commercial would also be a great success. This was all for the sake of profit. How would the director know that this was all Wu Hao's selfish intentions? just because he wanted to kiss PEI Qiqi 365 degrees, he said he wouldn't do it and he didn't?

pei qiqi pursed her lips, "i don't want to."

Shen Lian reminded her coldly, "miss PEI, you signed the contract!

I'm sorry, I only signed a contract with King, not your company. PEI Qiqi didn't give in.

a real kiss with someone else? did she not want to live anymore?

Shen Lian was rather domineering. I'll call Qin Anlan then!

He laughed coldly,"an LAN will definitely give me some face."

Chapter 227 A kiss without any blind spots (3)

Just as he said that, a very faint voice came from the door, "No need to fight! I'm here."

Shen Lian was stunned for a moment. She saw Qin Anlan standing at the door with one hand in his pocket and a cigarette in the other, but it was unlit.

He looked at PEI Qiqi deeply, "miss pei, from now on, you don't need to film this commercial. " pei qiqi was stunned.

He pointed at the door, "Tang Yu is outside. You can explain to him!

as she said this, she smiled faintly. "i still have to thank miss pei. in less than a day, you've generated 180 million for KING. even an a-list female star can't do that! "

It was really a giant South Africa diamond.

you called tang yu? " PEI Qiqi's voice was a little bitter.

qin anlan laughed. " i had such a plan, but someone brought it forward. "

At first, he wanted to see her potential after the film was done. But now, it's only been half a day and Tang Yu already knew.

Two hundred million to redeem PEI Qiqi's contract.

qin anlan walked over and took the camera from the photographer. then, he placed it in pei qiqi's hand, " this is yours. explain it properly. "

qin anlan even patted her shoulder and whispered in her ear, " when tang yu is angry, he won't be too soft-hearted. have you tried it? "

How could PEI Qiqi not have tried it before?

She looked at the camera in her hand and swallowed hard.

"hurry up and go!" qin anlan said sympathetically. he then looked up at shen lian."I'm sorry, the female lead might have to be replaced!"

"qin anlan! Are you playing with me?" shen lian gritted her teeth.

Qin Anlan lowered his gaze and smiled gently. He looked up. Shen Lian, why would I trick you?! You've been playing with me, haven't you?"

That included the day she seduced him in his office. For Tang Yu, she was willing to f * ck him, Qin Anlan, again and again. | didn't she find the bed dirty?

Qin Anlan turned around and walked past PEI Qiqi. When he walked past her, PEI Qiqi called out to him.

he paused and pei qiqi threw the camera at him. it went straight across his forehead and finally fell to the ground, breaking into pieces.

initially, wu haozhi was a little disappointed. at this moment, he mumbled a few words of " oh ".

No one had ever dared to treat Qin Anlan like that. Who would dare to do that to the CEO of King Entertainment?

However, if she was Tang Yu's little pet, then she really did dare!

Blood seeped out of Qin Anlan's forehead. He wiped it away and frowned at PEI Qiqi, "you have such a bad temper!

"right!" pei qiqi looked at him. she was sure that he had set a trap from the start.

qin anlan's voice was low. "it's not a good habit to fly into a rage out of humiliation!"

he walked out for a stroll.

He had told himself that all women were either a channel for him to vent his anger or goods.

He didn't want to fall in love with anyone ever again, including PEI Qiqi.

PEI Qiqi stood there for a long time before she walked towards the door.

qin anlan's car drove away when they reached the entrance. there was a white bugatti veyron parked at the entrance.

It was Tang Yu's car.

the car window was open. tang yu was smoking in the car with one arm on the door. when he saw her come out, he looked at her deeply, at the makeup on her face, and at her clothes.

"get in the car!" his voice was calm and emotionless when she came closer.

However, PEI Qiqi knew that he was angry. So, when she sat beside him, she placed her small hands on her knees and sat upright like a primary school student.

Chapter 228 tang yu was just jealous (1)

Tang Yu just glanced at her and started the car.

he didn't say anything for a long time, and his face was tense.

PEI Qiqi's hair stood on end. She bit her lip and looked at him carefully, "It's just an advertisement."

tang yu didn't bother with her. she gathered her courage and said, "just three days."

This time, he finally spoke! The car stopped at a red light. Tang Yu's fingers were on the steering wheel as he looked ahead. His voice was a little hoarse, "are you planning to kiss that pretty boy for three days?"

PEI Qiqi almost jumped up, "it's not real!

"Is that so?" he snorted coldly and did not speak.

In the entertainment industry, you can't just say you don't want to kiss me!

However, he didn't say anything to PEI Qiqi. He just sped up and drove all the way to Xia city.

As soon as he entered, Tang Yu took off his jacket, "go wash your face before you talk to me.

PEI Qiqi glared at him and turned to the bathroom.

tang yu touched his forehead with his fingers and mocked her for glaring at him!!!

did he pamper her too much?

he had spoiled her so much that she dared to be so fierce when she had done something wrong!

he felt a little hot, so he unbuttoned another two buttons, but he still felt a little awkward. | it hurt.

when pei qiqi came out, her face was already clean.

She walked in front of him and stood up straight. Her little hand was caught and pulled hard. She was almost kneeling in front of him.

She didn't dare to move Yingying (she was clearly earning money by herself, so why should she be afraid of him?) Did he really discipline her like she was Tang Xin just because she called him brother a few times?)

however, pei qiqi didn't dare to say all this.

tang yu looked down at her, "do you know where you went wrong?"

"I shouldn't be shooting an advertisement." she told him the truth and then said pitifully, " i'd better go and finish the shoot. there's a 200 million penalty. "

"I've already paid." tang yu's eyes fell on her clothes. no matter how he looked at it, it was an eyesore. he reached out and tore the kasaya.

After that, his gaze became even more dangerous.

" pei qiqi, you actually dare to put on a thong for me!! Z " he wanted to strangle her to death.

How old was she? He was only 20 years old! he had been raising her like a child (only during the day).

PEI Qiqi lay on his lap just like that. Her dress slipped off and her long black hair fell on her thin, snow-white shoulders. She looked so tender and attractive. | Confusion.

however, his anger only grew.

He carried her and laid her down on the ground, and his big palm fell on her ruthlessly.

PEI Qiqi cried out and landed a second time.

Tang Yu, you can't hit me! She was already twenty years old, and he still hit her P * s. It was too embarrassing and it would hurt a lot.

However, no matter how much she cried, he did not let her go. Instead, he hit her again and again, each hit with great force.

pei qiqi's throat was hoarse from crying but he didn't let her off.

in the end, she lay down and shouted at him, 'bad guy'.

Tang Yu's eyes were a little red as he looked at the red marks on her soft skin.

his adam's apple bobbed, and his voice was hoarse like sand. " do you know your mistake? "

PEI Qiqi had lost all her strength. She laid there and kept calling him a bad guy.

He hit her a few more times, and she cried out in pain. She wiped the tears and snot on her face on him secretly!

Chapter 229 Tang Yu was just jealous (2)

How could Tang Yu not know? She was angry and amused at the same time!

he grabbed her long hair and forced her to look up. her beautiful little face was covered in tears.

Her eyes and little nose were red, and she looked pitiful.

his heart of stone finally softened a little, and the big palm that was about to hit him turned into a light pat.

however, pei qiqi seemed to have a conditioned reflex as she wailed again.

tang yu chuckled. he lowered his head and placed it behind her ear, " qiqi, does it still hurt? "

she was scared of him, so she closed her eyes and nodded randomly.

Tang Yu's hand didn't leave. He patted her again and gently asked, " how about this? "

She had been following him for a long time and knew that he was probably not angry anymore. She gathered her courage and hugged his waist. it still hurts.

he looked at her and cursed her in his heart.

She really had him under her thumb, and his happiness, anger, sorrow, and joy could not escape her.

However, he preferred to do something else than punish her.

reaching out, he picked her up and placed her in his arms. he coaxed her gently, " then, shall i help you rub it? "

however, he was too bad. pei qiqi cried out, " not that yingluo. "

Tang Yu chuckled, " then this is the place? "

her voice became deep and long, and her small hands hugged his neck tightly, refusing to let him touch her.

" tang yu, i'm scared of hanhan. " he had never been like this before. she was in his arms and her face was hot. she didn't know what to do!

Tang Yu got up and carried her into the bedroom. PEI Qiqi was wrapped in a blanket and she lay in his arms like a little beast.

he patted her still trembling body and lowered his head to kiss her. " does it still hurt? "

She seemed to be shocked and immediately shook her head. it doesn't hurt anymore.

He laughed. if it doesn't hurt, then let's do it again, Qingqing? "

She shamelessly wrapped her arms around his neck, " Tang Yu, it's been so many times!

He sighed in his heart. She was still a child, after all. She couldn't stand what happened in the living room just now, Xuxu.

in this aspect, although he was indulgent, he had always doted on her. he had never let her try those things. as long as she felt uncomfortable, he would stop.

At this moment, he still hugged her and said softly, " don't do this again in the future.

She propped herself up in his arms. "But I owe you another 200 million!"

"you have to pay with your body!" he smiled and pulled her down. " qiqi, if you think it's not enough, you can cook for me every day, wash my clothes, or have another child or something. "

when he said these words, there was no trace of emotion, but warmth.

it was like a husband saying this to his little wife.

PEI Qiqi's heart felt warm, but she was also a little afraid and afraid of losing him.

Her little hands hugged him tightly, " Tang Yu, you'll spoil me!

Her heart was filled with hatred. Her vision was dark, but behind her, Tang Yu had a ray of light. His entire body was warm and fuzzy.

She couldn't help but get closer. Even though she knew that she was full of sin, she couldn't help it.

at this moment, pei qiqi seemed to have understood something.

she had once thought that a person could only love one person in their entire life.

Now, she knew that it was not like that.

When a person was good enough to offset everything in your heart, that person would be engraved in your heart.

The person in her heart was Tang Yu.

he had never felt so clear before.

Chapter 230 tang yu was just jealous (3)

pei qiqi felt that she had never felt so clear before, so clear, xuxu.

tang yu laughed, " if i'm spoiled, then so be it! "

He looked at her. Qiqi, no one will be able to stand you like this.

"How about you?" she was lying in his arms. at this moment, it was indescribably wonderful.

she had always felt that the heavens were unfair to her. after pei minghe passed away, the hatred in her heart had reached an extreme.

but tang yu was god's way of compensating her, yingluo. he was her salvation.

Her small hand hung around her neck and was placed on his heart, listening to his heartbeat.

to her, tang yu was like a god. why would he like her ...

” tang yu, why do you like me? ” She raised her head to look at him, at his handsome face.

the corner of his mouth twitched. pei qiqi punched him with her little fist, ” don’t say something like perky P * ss or something like that. ”

tang mo grabbed her little hand, looked down at her, and then smiled gently. ” that’s the truth. it’s one of the main reasons, ran ran. ”

he paused for a moment and suddenly coughed lightly. he put on the air of a superior, ” pei qiqi, did i say that i like you? ”

she pressed her little face against his neck and said in a baby-like voice, ” is this how you express your feelings? ”

Tang Yu felt helpless and patted her little butt. | I know, but you’re still shooting an advertisement? ”

PEI Qiqi sat up. She pulled the blanket over her and leaned against the headboard. She said honestly, ” I need money.

Tang Zheng glanced at her and sat up. He reached out to the side, lit a cigarette, and slowly took a few puffs.

pei qiqi looked at him pitifully-she owed him another 200 million!

Although it was meat | But how could her flesh be so valuable!

after tang yu finished smoking a cigarette, he reached out his long arm and took a small laptop from the bedside. he turned on the kasaya and said, ”

pei qiqi looked over and saw him pulling her into his embrace with one hand. he held her in his arms and only his head was exposed.

His fingers skillfully typed a string of characters on the laptop, and a stock market website appeared on the page.

PEI Qiqi looked at the balance in his account and gulped.

there were actually billions of yuan.

“I played with this more than ten years ago. I haven’t touched it for many years. You can play with it!” tang yu threw the laptop to her and went to the bathroom.

pei qiqi grabbed onto his arm, ” i don’t know how to tease tang yu. ”

her eyes were wet and she looked especially cute.

“you won’t?” Tang Yu only had a towel wrapped around him. He looked at her and said in a serious tone, ” I’ll teach you.

PEI Qiqi let out an ” ah ” and he looked at her, ” let’s shower together.

was he going to teach her in the bathroom?

pei qiqi didn’t learn anything about the stock market, but she was unlocked with a few new positions.

tang yu was especially beastly. in the past, she didn't like to be in the bathroom. but now, she was calling him " brother ". she hugged him and kissed him for a long time, but he didn't let go of her either.

two hours later, pei qiqi came out. tang yu carried her out of the noodles. after they finished eating, he took her into the study room and taught her ...

This time, she was really serious about teaching her to teach Mr. Tang!

PEI Qiqi was a little tired from the torture so in less than an hour, her head was like a chicken pecking at rice as she nodded non-stop.

tang yu looked at her and couldn't help but smile. he reached out and gently pulled her into his arms.
