

Thank you 2211

Chapter 2211: A ruse of self-injury (5)

“brother, what’s with the wound on your forehead?” she asked worriedly.

ye mu yun’s tone was very light,”it’s fine, wanwan.”

he paused and looked at his sister. ” you have to pay a price for taking advantage of a woman. ”

qin mu immediately covered his little mouth and lowered his voice. ” “It was Xue ‘er?”

Ye Muyun nodded seriously and patted his sister’s shoulder. “don’t say this out loud, or else your brother will lose all face.”

qin mu’s gaze was a little hard to express in a few words, and his voice was also very slow. ”

brother, what have you done to xue ‘er? She wanted to hit you like this?”

“wanwan.” ye muyun tilted her head and smiled.”i did something quite overboard.”

Thus, Qin Mu instantly understood, because her brother’s gaze was really too lecherous. However, she immediately raised another question.”it shouldn’t be a problem with this little injury, right?”

When she arrived, she happened to run into the hotel doctor Who said that he had a high fever.

was there really no problem?

“I took the cold water and washed it in the middle of the night.” ye muyun’s voice was very low as he quietly gave his sister a lesson on shamelessness.

qin mu was speechless. he stared at him for a long time before he slowly opened his mouth.”Brother, you’re so boring!”

he actually played the trick of injuring himself!

if xue ‘er knew about this, she would definitely ignore him.

“That’s why I can’t let her know.” Ye mu Yun’s face was filled with satisfaction.”Wanwan.”

qin mu swallowed his saliva and then boldly said his thoughts, ” ” but it seems like xue ‘er doesn’t really care about you, yingluo. look, you have to get up and cook some porridge if you want to eat it. ”

chairman ye looked at his sister, his face dark. ” “She won’t.”

“i don’t think i need to learn this!” qin mu said matter-of-factly,”i don’t know how to do it either, but i don’t need to know this at all, ran ran.”

she looked at her brother mockingly and concluded, ” “brother, you’re so bored that your balls are hurting, and you’re a sadist!”

As he said that, Qin Mu walked out and ignored him.

Ye Muyun snorted. Qin Mu, you just said that you don't need to learn this. You can do it too, right?
”

Qin Mu almost bit off a part of his tongue. He turned around and put on a fake smile. “but i can't guarantee that it won't burn.”

“you do it!” the man who had been attacked by his sister retaliated and then pushed the blame to his sister.

Qin Mu didn't know how to do this. He cursed in his heart!

If she had known earlier, she would have said that her brother's self-injury trick was good and brilliant!

Ye Muyun walked back to the living room in a good mood. Zhou chongguang looked at him and didn't see his little wife. He was surprised.”where's mumu?”

“In the kitchen!” “making congee for me.” ye muyun smiled.

Zhou chongguang knew about Qin Mu. He never touched the sun and spring water, so how would she know this?

if he knew, how could ye mu yun not know?

He was doing this on purpose!

He was really being played with!

only qin mu, that idiot, would fall for her black-bellied brother's trap and obediently send one of them to be a cook!

However, no matter how much he thought she was disappointing, his heart still ached. He got up and met ye Muyun's eyes. He lightly said,”Let me do it. Qin Mu has never done such family matters!”

Ye Muyun smiled. then I'll have to trouble general manager Zhou.

You're the one who's willing to do it, I didn't force you!

zhou chongguang, you win! i can't beat you!

He laughed lightly. but Chairman ye, you have to take good care of yourself. It's okay if you're sick, but it wouldn't be good if you don't know what you've done during a night tour.

Chapter 2212: Be good, let me teach you properly (1)

when zhou chongguang walked into the kitchen, qin mu raised his eyes to look at him, looking a little surprised. ” “Why are you here?”

Zhou chongguang looked around and smiled. I'm here to see if I can help.

“Oh,” Qin Mu replied. He lowered his head and stirred the boiling water.

she really had never done any domestic affairs before, so she was flustered and didn't even know how to make porridge.

as she was not paying attention, the boiling water splashed onto the back of her hand.

Qin Mu cried out in a low voice, looking very pitiful.

zhou chongguang immediately grabbed her wrist and frowned. ” “how is it?”

Qin Mu frowned and pursed his lips tightly. He didn’t speak for a long time.

Zhou chongguang checked and sighed, ” why are you so stupid! It’s a good thing I’m not seriously injured.”

he turned around to get some medicinal oil and wiped it on her. when he passed by the living room, that evil brother did not even look up.

after zhou chongguang finished applying the ointment for qin mu, he looked at her, his gaze probably filled with disappointment. ” “you don’t know how to cook, and you’re still trying to show off, huh?”

Qin Mu looked at him and was practically glaring at him.

“don’t treat me like xue ‘er, who doesn’t know anything!” she snorted after a while.

“then what do you know?” Zhou chongguang placed his hands in front of him and looked at her coldly. do you know how to play the zither or how to draw? ”

Qin Mu continued to stare at him. that’s right, that’s all I know.

she looked very cute when she was angry, unlike in the past, where she had to endure it no matter how angry she was.

Zhou chongguang laughed. it’s already very good to know these things.

he leaned over and pinched her little face. his voice was very calm. ” i can do this rough work. ”

Qin Mu didn’t know why, but he could sense a hint of shamelessness in his words. He wanted to ask, but he couldn’t bring himself to do so. He could only sulk.

Zhou chongguang washed the rice with great familiarity, put it in the pot, and covered it with a lid.

qin mu sat at the small dining table and supported his chin with his hand as he watched his back view.

he was quite adept at doing these household chores. when she found out that they lived together in the house in qingshui road, he had never cooked. did he learn all these skills from another woman’s room?

qin mu thought so and asked.

Zhou chongguang turned his body to the side and looked at her with a burning gaze. “you want to know?”

Qin Mu pursed his lips. I don’t want to know.

He sighed and walked to her side. He reached out and pulled her little head into his arms. His tone was very light. "i only took care of gu mei for a few days when she was sick."

as he said this, qin mu refused to stay in his arms.

what was he now?

Did he want to reconcile with her, bring Gu Mei back, and resume his previous life?

Qin Mu didn't want to embarrass himself in front of his brother, so he said in a very low voice, " I don't want to talk about this with you.

zhou chongguang's voice was a little gentle, and he kept looking up at her. " mumu, this is a past that i can't deny. instead of letting you know about it in the future, why don't i let it slip away now? "

Qin Mu covered his ears. Zhou chongguang, I don't want to hear this no matter what.

After she finished speaking, she was a little out of breath. She stared into his eyes and her small lips were pursed into a straight line.

but zhou chongguang's heart suddenly became unbelievably gentle. he reached out and ruffled her long hair. " silly girl. "

qin mu looked at him, his eyes welling up. " i'm not. "

"In my eyes, yes." he still had a forgiving look on his face, which made her very angry.

Chapter 2213: Be good, let me teach you properly (2)

zhou chongguang walked over and took a look at the porridge. he continued to speak in a calm voice, " Mumu, Gu Mei and I are not as close as you think.

Actually, he knew that he had had so many women before. However, the only one that Qin Mu cared about was Gu Mei.

Qin Mu snorted. we've already had negative contact, and you're still not intimate? " you've been taking care of me for a few days, yingluo."

"mumu, is this considered jealous?" His voice was low and hoarse, and then he laughed again."But I have never served Gu Mei's brother."

when he said it, zhou chongguang himself was in a daze.

that's right, he and ye muyun were considered enemies. for qin mu, he seemed to have let go of too much.

but now that he had come to a sudden realization, he didn't have any regrets.

Qin Mu snorted coldly,"you can leave!" No one wants you to wait on them here."

With his back to her, he quickly began to cool the porridge, and his voice was clear and light."mumu, i'm willing to do this."

After he was done, he squatted down in front of her, his posture a little humble. He held her small hand and looked up at her. " mumu, forget everything from the past. let's start over again, okay? "

qin mu pursed his lips and looked at him. after a long time, he said in a hoarse voice, ” “Zhou chongguang, I can’t do it now.”

However, he knew that she had already relented. At least she didn’t reject him, right?

He reached out and ruffled her long hair, his voice low and hoarse.”i will wait until you are willing, but you have to be by my side. i’m afraid that once i let you go, you will disappear.”

qin mu tried his best to remain calm, but it was difficult. her lips trembled slightly, and she couldn’t say a word.

she was held in his arms, cherishing it and placing it in his heart.

qin mu felt that it was a little unreal. he teased her and zhou chongguang. how could there be such a day?

he treated her just like how her brother treated xue ‘er. she couldn’t tell if it was real or if he was just acting.

she only knew that she was falling, falling into the abyss, unable to extricate herself.

Qin Mu escaped in a very sorry state, and Zhou chongguang was pushed aside by her.

He didn’t get angry. He just smiled faintly and looked in the direction that Qin Mu had escaped.

After a while, Xue ‘er walked in and asked with a frown, ” what’s going on? ”

“She’s probably a little embarrassed.” zhou chongguang smiled. ” because i don’t even know how to make simple congee. ”

Xue ‘er looked at him in disdain and snorted, ” “Then you probably learned it from other women!”

After she finished speaking, she dusted her small hands and got up, ignoring him.

Zhou chongguang touched his nose, indicating that this group of young ladies had all grown up, and none of them were to be trifled with!

After Xue ‘er left, ye mu Yun came in, already fully dressed.

His black shirt and black Casual pants made him look sexier than usual.

he sat opposite zhou chongguang with an indifferent expression. zhou chongguang served him like a little wife and even made a side dish.

Unexpectedly, ye Muyun lightly praised him with a few words, which made Zhou chongguang’s heart feel like f * cking dogs.

looking at xue ‘er at the door, he coughed again. ” CEO ye, you have to take good care of yourself. You can’t neglect your health anymore. It’s better not to do things like taking a cold shower!

he had said it very bluntly. if xue ‘er still didn’t understand, she would probably have a problem with her intelligence.

she stood at the door and stared at ye muyun with wide eyes.

Did he use the ruse of self-injury?

Did he fall sick on purpose?

Chapter 2214: Be good, let me teach you properly (3)

She stood at the door and stared at ye Muyun with wide eyes.

he had taken a cold shower, so he had a fever and an inflammation?

a trick of injuring oneself!

If looks could use knives, ye Muyun's entire body would have been stabbed.

At this moment, Zhou chongguang got up and left in satisfaction. He patted off the smell of oil and smoke on his body. Chairman ye is quite childish now.

Ye Muyun looked at him. do you believe me? my words are very useful to Qin Mu.

"I believe in my influence on Qin Mu more." Zhou chongguang said with absolute confidence.

"President Zhou, you really can't be compared to the past." Ye Muyun smiled.

Zhou chongguang also smiled. of course. People will change.

Then, he slowly left.

He had just left when Xue 'er exploded. ye mu Yun, you're so shameless.

ye mu yun looked at her. " can you use some new words to scold me? i'm getting tired of these words. "

Xue 'er was so angry that her face turned white, then red, and she could only glare at him.

He was angry and amused at the same time. He reached out his hand to her. "come here, i'll teach you how to curse."

"i don't want to learn." she was angry and wanted to run.

but he was very fast, and she was caught in his arms after running for a while.

His fever had not completely subsided, and his arms were warmer than usual. She buried him like this.

she wanted to break free, but she couldn't.

Ye Muyun firmly pressed her small body down and said in a bewitching voice, " "You're angry already?"

He leaned close to her ear, his voice low and warm. you should be saying Yingluo.

he shamelessly taught her a lot of things, but xue 'er simply couldn't listen anymore, so she covered her ears and refused to listen.

Ye Muyun chuckled and looked at her even more shamelessly. Deep in love, he still kissed her little mouth.

” wu wu wu wu wu wu, ” xue ‘er resisted, somewhat disdainful.”you’re going to infect me.”

“This is not contagious.” he chuckled and pressed her down to kiss her all over.

When he finally licked her little mouth, he even asked in a particularly serious tone, ” “xue ‘er, have you learned everything i’ve taught you?”

She was afraid that he would teach her again, so she blushed and fell softly on his shoulder, her breath in a mess.”Yes, I know how to do it.”

“Then kiss me on your own initiative.” his voice was warm and had a touch of teasing.

Xue ‘er bit her lip.”Waah.”

he laughed even more freely,”what i taught you just now was kissing yingluo.”

Xue ‘er,”hehe.”

Could he be any more shameless?

however, his heart ached for her, so he still let her eat some porridge first and specifically said, ” “Zhou chongguang’s cooking skills are not bad!”

xue ‘er looked at him and finally understood what zhou chongguang meant.

Her gaze was also a little deep. She didn’t say anything and lowered her head to eat the porridge.

“What’s wrong? You look like you’re afraid of me?” He smiled faintly and reached out to stroke her long hair.

xue ‘er pursed her lips and slowly said, ” “I’m just feeling a little awkward.”

she looked at him. ” you didn’t use such methods on me in the past. ”

Ye mu Yun also looked at her and smiled. people change. Besides, this kind of small trick is nothing!

“it’s not a big deal?” Xue ‘er murmured,”then, if I also lie to you one day, will you forgive me?” will you still think it’s a joke?”

“Of course, I can forgive you for everything,” he looked at her and smiled.

xue ‘er looked at him. ” all? ”

He didn’t make a sound and only looked at her quietly. “have you done something that i can’t forgive?”

Chapter 2215: Her little secret (1)

Xue ‘er shook her head and said lightly, ” “no, i didn’t,”

Because they were no longer together eight years ago, no matter what she did, she couldn’t say sorry.

Ye mu Yun's thin lips pursed and his gaze was deep.

They were strangely silent, and in this silence, they each had their own thoughts.

he was thinking about what had happened to her in the past eight years that even gu ze could not find out.

He wanted to ask, but he knew she wouldn't tell him.

Between them, it was even more difficult than between Qin Mu and Zhou chongguang.

Zhou chongguang and Qin Mu only needed Qin Mu to think it through and turn back.

as for his xue 'er, he could feel that she didn't want to look back. it was also an emergency for her to be with him.

Her concern was also out of guilt.

as long as he let go, she would be able to turn around and leave.

And how could he possibly let her go?

He wouldn't. He wouldn't even if he died.

After a long time, he smiled faintly and pinched her little face. I believe you wouldn't dare!

She understood his compromise or change of topic. She forced a smile and finished the porridge.

"zhou chongguang's side dishes are not bad. if he is serious about qin mu, he will be a good husband in the future." Xue 'er said in a low voice.

Ye mu Yun looked at her. what about me? can't I? "

"You'll have to ask your fiancée," Xue 'er said awkwardly.

"not yet, so i wanted to ask you if i'm doing well in all aspects." he had enunciated each of these aspects very clearly, and the meaning behind it was very deep!

Xue 'er snorted. I don't know. I don't understand. There's no comparison.

The words 'no comparison' still pleased him. He didn't make things difficult for her anymore and pulled her to rest together. Before they went to bed, they called the hotel's food and beverage department and ordered a little lunch.

xue 'er heard that he had ordered a rather luxurious one and looked at him. " "you can still eat so sumptuously when you're sick?"

"i've reserved it for you," He said softly, lying down and pulling her into his arms. His large palm wiped her small body. I can't let you eat porridge with me, can I? otherwise, people will say that i didn't take good care of you."

at this moment, the two of them were lying together and were actually quite close.

Xue 'er also knew that she couldn't break free. Plus, he was sick, so she went along with him. she rested her small face on his shoulder and said clearly, "ye mu yun, i'll go back to United States. everything we have now is wanwan."

her little mouth was kissed.

He didn't kiss her for long. He only pecked her lightly, not letting her say anything that would make him unhappy.

After a long time, when both of their breaths were a little chaotic, he said hoarsely, "I know!"

Xue 'er rested her face on his shoulder and said in a low voice, "Do you want me to apologize?"

"I don't need to!" "Don't mention it again when we're together, or I'll get angry," he said in a deep voice.

Xue 'er didn't say anything and buried her face in his neck.

After a long time, ye Muyun felt a warm and wet feeling on his neck ...

He suddenly opened his eyes and turned to look at her. "Xue 'er, are you crying?"

There were tears on her face. She didn't want him to see them, so she just buried her head and cried.

at this moment, she wasn't saying that they were a young lady with one-leaf love, but that they were like an 18-year-old girl who had no experience in human affairs, helpless and weak, and needed his coaxing.

He held her little face and wanted to comfort her, but she refused.

She wrapped her arms around his neck and hugged him tightly. don't ask. Can you hug me? "

Chapter 2216: Her little secret (2)

She wrapped her arms around his neck and hugged him tightly. don't ask. Can you hug me? "

In United States, on the streets, in the dark alleys, he urged her to think of him like that, but he never appeared.

she had imagined so many scenes, to be able to cry in his arms like this.

And now, it had finally come true.

perhaps she came back not because she was safe, but because she wanted to see him.

He had a girlfriend, but that was just an excuse.

She just wanted to come back to see him.

Xue 'er raised her eyes and looked at him. Her small and full lips trembled slightly. Slowly, she moved forward and kissed him gently.

Ye Muyun didn't move. She was the one who took the initiative, from the kiss to the teasing.

this was the first time she had taken the initiative since they had sex.

He felt that the person in his arms was no longer that young and inexperienced girl, but a mature woman.

she was so familiar with his body and knew how to make him happy. she pleased him without any reservation.

At the peak of his passion, his throat rolled and he made a shameful sound ...

A soothing, lingering love

when everything ended, everything was so beautiful.

“Are you alright?” Her little face was placed on his chest, listening to the intense heartbeat. The sound was also lingering.

Ye Muyun smiled faintly and lowered his head to look at her. this should be a question a man would ask.

her small arms hugged his waist tightly, and she buried her face in longing. ” “but i also did something that only men would do.”

He reached out and touched her black hair, which was stained with her sweat. It was cold.

xue ‘er lay in his arms and closed her eyes.

Ye mu Yun’s gaze was unfathomable. He could feel her feelings, but he could also feel that her actions had a sense of determination.

“Xue ‘er, let’s get married, okay?” He suddenly said.

The person in his arms suddenly opened her eyes. She didn’t look up, but looked straight at the nearest place.

After a long while, she said softly, ” “aren’t we fine like this?”

“why not?” ” we’ve done it many times, ” he said in a hoarse voice. ” sometimes, we didn’t use any protection. maybe we already have a child. ”

xue ‘er’s gaze became straighter.

She pulled the bed sheet and sat up, looking at him.”There won’t be any children.”

Ye Muyun’s eyes were a little cold. you took your medicine? ”

“No! it’s not easy for me to get pregnant with my body.” xue ‘er smiled. ” you fell into the ice lake once. cold womb. do you know what that means? ”

Ye mu Yun naturally knew.

He was startled for a moment and said almost immediately, ” “We can adopt one even if we don’t have one.”

xue ‘er looked at him. ” ye muyun, i like the life in new York. i’m sorry, but i can’t marry you and i definitely won’t adopt a child with you. ”

she had a feeling that she couldn't stay any longer. he had already noticed something and didn't want to let her go.

Hence, she couldn't care much and was prepared to leave him in Qin MU's care. She had to leave.

She got out of bed and went straight to the changing room. After a while, she changed into a new set of clothes and came out.

Ye mu Yun didn't stop her.

because he knew that she would definitely return to B city, and her things were all in B city.

His gaze was a little far-reaching as he casually picked up his phone and made a call."Find me a lawyer, Yingluo."

gu ze was a little surprised,' chairman ye, have you thought about it? If we do that, perhaps Xuanji Xue 'er will no longer be able to stand in the arts world!"

Chapter 2217: Her little secret (3)

"Just do as I say." Ye Muyun's voice was very calm.

gu ze was silent for a while and did not say anything in the end.

Ye Muyun hung up the phone and took out a cigarette from his pocket. He lit it and slowly smoked.

He stood by the window and looked out at the sea in the distance. After a long time, he walked into the locker room and changed his clothes.

At the entrance of the hotel, a black RV was already parked. After ye Muyun got in, he asked in a light tone, " "Has everything been arranged for miss Tang?"

The driver nodded. Mr. Ye, don't worry. I have arranged for someone to send miss Tang to the nearest airport.

ye mu yun closed his eyes and leaned against the back seat to sleep.

His body had not fully recovered and he still had a fever. However, since she had left, there was no point for him to stay. He might as well return to B city.

Of course, ye mu Yun took a private plane back to B city, two hours earlier than Xue 'er.

At the airport, when ye Muyun's private plane took off, Xue 'er was sitting in the waiting room with her phone in her hand. She hesitated for a long time before calling Qin Mu.

after four or five rings, qin mu picked up. " "xue 'er?"

"i'm at the airport," xue 'er said softly.

Qin Mu was stunned for a moment. He asked instinctively, " "where's my brother?"

"i'm still in the hotel." xue 'er pursed her lips. " you can go and take a look. "

Qin Mu hung up the phone and looked at Zhou chongguang, who was at the side. He kicked him. what kind of lousy show is this? a reality show. You're showing off so much that there's no one else!

after he finished speaking, qin mu walked towards the door of the room, and zhou chongguang immediately followed.

However, when they arrived at ye mu Yun's bedroom, only the waiter was cleaning the room and said that he had checked out.

qin mu was stunned for a moment before he turned to leave.

“Where to?” Zhou chongguang grabbed her arm and asked in a low voice.

Qin Mu looked at him. I want to go back to B city.

However, Zhou chongguang grabbed her hand and did not let go. He said in a low voice, ” Mumu, they can solve their own problems. You're not living for them.

qin mu struggled hard, but he couldn't break free. she looked at him and said word by word, ” ” but because of me, they gave up once! ”

She struggled desperately, and this time, he let go of her.

He realized that he could not find a reason.

Qin Mu quickly returned to his room and packed his things in a flurry.

Zhou chongguang pressed his hand on the back of her hand and said in a very low voice, ” “i'll clean it up!”

“What about your show?” she asked.

“It's ruined!” He said very casually, ” just take it as a vacation!

Qin Mu pursed his lips and asked him to prepare a private plane.

In the end, both Qin Mu and Zhou chongguang had returned to B city, but Xue 'er had not arrived yet.

initially, qin mu wanted to wait for someone at the airport, but zhou chongguang took her away.

” qin mu, the more you behave like this, the more tang xue 'er will want to escape. your brother has already made her breathless. now, with you, think about it! ”

In the end, Qin Mu still listened to his opinion and got into the car that came to pick him up.

After half a day of running around, she was so tired that she fell asleep very quickly.

Zhou chongguang looked at her twisting her neck and laughed. Wasn't she uncomfortable like this?

He reached out and pulled her small head onto his shoulder, his gaze becoming gentle.

He looked at her until they reached the house in Qingshui Road.

qin mu was probably too tired. when the driver opened the door for them, she didn't wake up.

“Mr. Zhou?” “Should we wake him up?” the driver, Xiao Zhang, hesitated.

Chapter 2218: let's make up! part one)

“mr. zhou?” “Should we wake him up?” the driver, Xiao Zhang, hesitated.

“No, you should rest first!” zhou chongguang said calmly. then, he carried qin mu and walked towards the main hall.

Qin Mu woke up and looked at the lights in the hall. He probably recognized where it was and struggled slightly.”why are you here?”

“Let’s sleep a little longer and stay here first!” Zhou chongguang’s voice was especially soft, with a sense of comfort.

qin mu pursed his lower lips. he couldn’t resist his sleepiness and fell asleep.

She felt very tired. She had been particularly tired recently.

He had a vague feeling in his heart, but he didn’t know if it was true. Yingluo shouldn’t be like this. She had always been taking medicine.

Zhou chongguang placed her on the big, soft bed, and sat by the bed to look at her quietly.

her small face was slightly pale from the long journey, and her eyes were closed quietly.

he looked at her like this, without any emotion, and his heart was satisfied.

he thought that he had probably fallen in love with his little wife after she had finally learned to play with him and use force on him.

he laid down himself, and kazufuru lay down with her. it was a wonderful feeling.

qin mu only woke up at ten o ‘clock at night.

when she opened her eyes, a handsome face was right in front of her. it was only then that she remembered that he had brought her here.

qin mu pursed his lower lip. after a long time, his voice was a little hoarse.”Why are you here?”

“You asked me this before you came.” he smiled. ” mumu, move back! ”

qin mu lowered his eyes and said indifferently, ” i don’t want to be like this. ”

“what’s there to worry about?” He leaned against the head of the bed and reached out to caress her long hair. if you have any qualms, we can sleep in separate rooms.

Qin Mu was a little surprised. He raised his eyes and looked at him.

Zhou chongguang continued to smile. if you don’t want it.

Qin MU’s face was a little red. He snorted softly.”I’ve never thought of it!”

“then we’ll sleep in separate rooms,” He pressed his forehead against hers. you have to give me a chance to stay on probation, right? ”

Qin Mu didn’t say anything, but he knew that she was shaking.

“Alright, let’s go down and eat something,” she chuckled.

“I want to see my brother.” Qin Mu raised his eyes, and then his slender fingers grabbed his sleeve.

zhou chongguang’s gaze was burning as he looked at her small hand. qin mu immediately moved his fingers away.

He smiled and did not expose her. Then, he got up and carried her in his arms.

“put me down.” qin mu immediately hugged his neck and said anxiously, ” “You said we slept in separate rooms.”

His eyes were clear and bright as he looked at her beautiful little face. He said slowly, ” “but i didn’t say i won’t hug you!”

“Shameless!” qin mu stretched out his hand to punch him, but those fancy fists and rusty legs really didn’t hurt him at all. instead, he smiled and went downstairs.

When they reached downstairs, Qin Mu realized that all the servants in the house had returned. They were the ones she was used to using in the past.

“Are you touched?” He placed her on the dining chair and sat opposite her. He smiled. it wasn’t easy to invite them back. They’re just short of apologizing.

How could she not know the meaning behind his words? she snorted softly.”it’s not my fault! you’re willing.”

zhou chongguang gestured for the servants to serve the dishes, then slowly said, ” “yes, i volunteered.”

Qin Mu didn’t want to bother with him because doing so would mean that he was retreating step by step. She didn’t want that.

she still hadn’t thought it through!

this was already the biggest concession she could make!

Chapter 2219: let’s make up (part two)

zhou chongguang pursed his lips and did not force her. he only served her food from time to time.

all the servants in the house were watching. qin mu was a little embarrassed, and his voice was like a kitten meowing.”that’s enough,”

“Eat more, you’re too thin.” He smiled and supported his chin with his hand. it won’t feel good.

“zhou chongguang!” qin mu couldn’t take it anymore and growled.

there were other people here, yet he still spoke without any restraint!

He didn’t take it seriously and lowered his voice.”It’s normal for a couple to say some sweet words.”

However, Qin Mu was a conservative child, and his face was still red after a while.

after she finished eating, she asked him to take her to ye muyun's apartment.

when zhou chongguang got up, he grumbled, " you only have your brother in your heart. don't you have a husband? "

qin mu opened the car door and got in. after he sat down, he snorted."we're in the midst of a divorce."

"There's no mistake! But we've only made love three times this morning, right?"
He turned his face to the side and kindly reminded Mrs. Zhou.

Mrs. Zhou's face was completely red. This time, she couldn't say a word. She regretted returning to Qingshui Road with him.

When Zhou chongguang started the car, he pinched her little face lightly. are you regretting it? "

"Yes," She didn't stand on ceremony and directly admitted it.

He chuckled and drove out of the villa.

The black sports car was driving at 60 km/H. As it was late at night, there were not many cars on the road.

qin mu turned his head after a while and looked at him. " "You can drive faster."

"mumu, be careful." he glanced at her, then took out a cigarette, lit it, and took a light puff. " "The driver now is a man who indulges in women too much."

Qin Mu was stunned.

"Zhou chongguang, can you not mention this?" Qin MU's voice was a little annoyed.

zhou chongguang rolled down the car window and placed his elbow on the car window. his tone was very calm."You don't want me to do it, so I can't talk about it?"

"Mrs. Zhou, you're overstepping your boundaries."

qin mu turned his little face away and stopped talking.

She looked at the dark night outside and suddenly remembered that this was the first time she had sat in his car.

they had been together for so many years, but they had rarely been together except at home and during necessary occasions.

qin mu felt a little emotional. he didn't like to talk and just played with his fingers.

After Zhou chongguang smoked a cigarette, he didn't smoke anymore. He held the steering wheel with both hands and drove towards ye Muyun's apartment.

But when she arrived, ye Muyun wasn't in the apartment.

Qin Mu dialed his number, but it was always busy. After hanging up, she looked up at Zhou chongguang. "I can't find my brother."

Zhou chongguang pursed his lips and took her phone. "let's ask gu ze."

As he spoke, he found Gu ze's number.

when he flipped it out, he looked at his wife with a profound gaze.

qin mu almost exploded under that gaze. "zhou chongguang, you and gu mei have an ambiguous relationship. don't simply suspect others."

"i didn't say that!" he laughed with a deeper meaning, and then called.

"I'll explain." Qin Mu wanted to snatch the phone from him, but Zhou chongguang grabbed her forcefully with one hand and pulled her into his embrace. He then said to Gu ze, "i'm zhou chongguang! mumu wants to know ye mu yun's whereabouts."

It was unknown what the other party said, but Zhou chongguang hung up very quickly.

Chapter 2220: Let's make up (part three)

It was unknown what the other party said, but Zhou chongguang hung up very quickly. He looked at Qin Mu and said lightly, "your brother is at the company. he's fine. the company's doctor is waiting for him. don't worry!"

Qin Mu pursed his little lips. He had wanted to go over, but after thinking about Zhou chongguang, he decided not to.

she snatched her phone and snorted. "don't touch my phone in the future."

"what's the matter? is there a secret?" His smile was unpredictable.

"If you wish for me to have it, I can have it too." Qin Mu rolled his eyes at him.

as soon as she finished speaking, she was pulled back and fell into his arms.

"Angry?" "as a husband, i'm just declaring my sovereignty," he said in a hoarse voice.

she wanted to mock him, but he interrupted her. "Do you dare to say that Gu ze doesn't have any feelings for you?"

qin mu glared at him for a long time before turning around. "you're boring."

Zhou chongguang followed behind her and grabbed her hand, their fingers intertwined.

she couldn't get rid of him, so she could only let him be.

Qin Mu had never known that Zhou chongguang was such a thick-skinned man. She had been blind in the past.

“mumu, i’ll take you out to play!” he suggested.

qin mu looked a little disinterested. ” “It’s late, I want to sleep.”

you’ve only slept for three hours and just woke up. Mrs. Zhou, do you want to be a pig? ” ” i insist on my right, ” he said with a smile. ” i have the best feel. ”

qin mu could no longer communicate with him.

“Zhou chongguang, why didn’t I realize that your mouth is so cheap!” her tone was not very good.

however, zhou chongguang’s temper was extremely good. he laughed lightly and said, ” “my body’s even slimmer. qingqing, do you want to try?”

When a man shamelessly touched you, you couldn’t refuse.

Qin Mu pushed him to the side of the road, went to eat skewers, and even went to the bar to have some fun.

In the end, Qin Mu drank a little too much and got drunk. Zhou chongguang carried her to the parking lot, which was quite a long way.

in the late autumn night, her small body was behind him, and her arms were around his neck. he felt as warm as a scarf.

His heart had never felt so warm before, as if he had returned to the past.

a young wife who wanted to divorce him gave him a feeling of home.

He had not had a home for a long time, but now, everything seemed to be perfect.

he carried her on his back and coaxed her in a low voice,”Mumu, who is the man you like now?” at this moment?

Qin Mu lay lazily on his shoulder, his eyes narrowed into a line. She had really drunk too much.

” now, yingluo. ” her voice was soft, and then she reached out and pinched his face hard.

that hit was really painful!

however, zhou chongguang felt a little shamefully happy in his heart. he asked in a low voice, ” “Is it me?”

qin mu was probably addicted to playing. he sat up a little straighter and pinched his face with his small hands. he twisted it around as if he was playing with a rubber ball.

this was the first time that zhou chongguang had been in such a sorry state.

he endured it for the answer he wanted to hear.

after qin mu had enough fun, he leaned over to his ear and laughed in an especially low voice. when yingying’s shallow laughter entered his ear, it was indescribably alluring.

Just as he was feeling restless, Qin Mu bit him and said naughtily, ” “it won’t be you, anyway.”

She felt that she had successfully angered him. She wrapped her arms around his neck and was as happy as a child.”Zhou chongguang, are you especially angry?”
