

Thank you 2221

Chapter 2221: Let's make up (part four)

he should have been angry. after carrying her for so long, she still had the heart to be angry with him.

But in his heart, other than softness, it was still soft and tender.

even his breathing was light and shallow. he said very gently, " " qin mu, then you shouldn't like anyone else either, okay? even if you hate someone, you should only hate me, okay? "

Qin Mu tilted his little head and thought about it carefully. Then, he nodded vigorously."Alright!"

her little hand reached over and held his hand. " then we have a deal. "

yes, but if that's the case, we'll have to stay together forever. That way, you'll hate me forever. Is that okay? " He bullied her for drinking too much and teased her.

qin mu nodded hard. " we will never be apart! i'll think of ways to torment you every day."

she seemed to have thought of something interesting as she chuckled. she looked really cute.

Zhou chongguang suddenly put her down. On the street in the middle of the night, he couldn't wait to kiss her little mouth.

his arms also hugged her tightly, as if he was hugging his entire life, as if he wanted to merge her into his bones and blood to let him know that she was the one he wanted.

The dream he once had was still a dream, and she was the real person who had accompanied him for eight years.

"mumu." He kissed her until she couldn't breathe. Finally, he loosened his grip a little and looked at her seriously."don't leave me."

she didn't answer and just looked at him with a confused expression.

Only a 14-year-old Qin Mu would have such an expression.

That year, he didn't take her. Sometimes, when he felt guilty, he regretted it.

tonight, however, it seemed that she had returned to the past and was full of hatred for him.

Zhou chongguang carried her up horizontally and walked towards the car park.

Five minutes later, he placed her in the back seat of the car and walked away.

qin mu, however, sobered up a little. " i want to sit in the front. "

"be good!" he coaxed her and sat in the car himself before closing the door.

the dark and narrow space was a little cramped, mixed with the smell of alcohol and the breath of his body.

Although Qin Mu was drunk, he could guess what he wanted to do. She licked her lips nervously and shook her head. I don't want ran ran in the car.

but he had already pressed her down and kissed her, as if he was determined to do it.

qin mu took advantage of the fact that he was drunk and cried desperately. he didn't care if anyone outside could hear him.

He really couldn't do anything to her when she cried and kicked him.

zhou chongguang was also very vexed. he frowned and kissed her to comfort her, "Mumu, I'll be done in a while, Yingluo."

He knew that she was not used to it, but he could not take it anymore.

he kissed her and coaxed her, but she continued to cry. in the end, he could only block her small mouth and not let her make a sound.

Qin Mu couldn't win against him, and the car still caught fire once.

An hour later, Zhou chongguang let go of her and said in a hoarse voice, "mumu, are you alright?"
"get lost!" she kicked him willfully.

"i hate you the most," she said, her voice carrying a hint of crying.

She said that she hated him, but he was not angry. He kissed her neck and coaxed her naughtily.
"But you just said you liked it."

"I'm not!" qin mu's face was a little hot, and he denied it without much confidence.

Zhou chongguang laughed and sat up by himself, pulling her into his arms and teasing her.

after that, he took out his phone and played a recording for her to listen to. qin mu's expression changed immediately!

this pervert, he even recorded it!

Chapter 2222: Let's make up (part five)

Qin Mu glared at him. Zhou chongguang, you're despicable!

He didn't care about her angry glare and continued to play it calmly.

Qin Mu wanted to snatch it away, but he forgot that he was in a mess. Falling into his arms like this was exactly what he wanted.

The phone was thrown aside, and she was caught in his arms and kissed.

qin mu didn't have the strength to struggle. he could only be carried in his arms and whine.

When he was finally done kissing her, his good-looking thin lips pressed against her small mouth and he chuckled. "if you want a divorce with me again, i'll post this recording. let's see who else would want you, okay?"

Qin Mu glared at him, but there was no power at all.

Zhou chongguang laughed. He carried her with one hand and used the other to help her put on her clothes.

“i’ll wear it myself.” Qin Mu opened his mouth. On one hand, he was angry. On the other hand, he was a little uncomfortable.

They had been husband and wife for so many years, but after they had sex, they seemed to wash their own things and didn’t have much intimacy, not to mention that he was taking care of her like she was a little doll.

however, zhou chongguang insisted on doing so. his voice was low and hoarse.”Be good, don’t move.”

He reached out and put on her clothes for her firmly. Qin Mu slithered in his arms like a little shrimp.

Zhou chongguang had never felt that she was so beautiful and cute. How many years had he missed?

although she was feeling uneasy, her tone was still calm. ” are you going home? ”

Qin Mu didn’t make a sound. He hugged his body and rolled to the side to tease her.

he knew that she wasn’t used to this, so he also put on his clothes and climbed into the driver’s seat. as he fastened his seat belt, he slowly said, ” “This kind of thing will happen often in the future. You have to get used to it!”

qin mu was furious. he was really shameless.

she threw a pillow at him, but it didn’t hit him.

Zhou chongguang chuckled softly, as if teasing her was something he was especially happy about.

When he started the car, he suddenly remembered that when she had mentioned divorce, she had said that he was dirty. Thinking of this, his throat felt a little blocked. After a long time, he said in a muffled voice, ” Mumu, forget about the past, okay? ”

qin mu didn’t speak. she only hugged her knees and looked at the pitch-black night outside.

she didn’t reject him, which was already a huge change. he didn’t force her, but his heart was sour, sweet, heavy, and heavy. all kinds of emotions were suppressed. he wanted to vent, but he couldn’t do that.

He was afraid of scaring her.

he wanted to take it slow.

Back in the villa, the warm yellow light illuminated every inch of the living room, and the piano at the floor-to-ceiling window was turned on again.

he sat in front of her and played the song ‘to alice’ for her again and again.

He said he would play until she was willing to return to his side.

Late at night, Qin Mu finally couldn't stand it anymore. He laid on the armrest of the sofa and fell into a light sleep.

the "to Alice" song continued. Zhou Chongguang's eyes were even gentler than the night.

At the end of the song, he closed the piano cover, got up, and walked toward her.

He leaned over and kissed her little face, then quietly gazed at Yingying.

Qin Mu was very good-looking. The older he got, the more mature he became. He looked very much like Ye Liangqiu in the past.

It must be known that back then, Ye Liangqiu had stunned the entire world, but his mumu had only stunned time.

He didn't want his wife to show her face in public, and he didn't want her to go out and be seen by other men.

The reality show had ended without a hitch because of his selfishness.

Zhou Chongguang touched his forehead and laughed helplessly. He had never thought that one day, he would also be so crazy.

Chapter 2223: The truth, slowly emerging (1)

This kind of feeling was different from when he was young and treated Tang Xue'er. At that time, he was young and full of vigor, but now, he had already experienced everything. Logically speaking, he should have passed the age of hot-blooded passion, but he still felt the same way.

He leaned into her ear and said in a low and hoarse voice, "Mumu, let's start over again, okay?"

He had asked her this question many times, but she had never rejected him when she was asleep.

As he spoke, he laughed. His face was close to her little face, and he said in a low and hoarse voice, "How could there be a day when I like you so much? If I had known earlier, I wouldn't have hurt you like that.

He picked her up and walked straight upstairs. In the end, he still carried her to her bedroom.

Zhou Chongguang bent his legs and half-knelt beside her, helping her change into her pajamas.

It wasn't that he didn't touch Yu Nian when he was doing all this, but he was concerned about her mood and that she should be very tired, so he couldn't bear to torment her.

After covering Qin Mu with the blanket, he looked at her for a long time before he dimmed the bedside lamp and left.

When the door was closed, Qin Mu's eyes opened slowly. She looked at the endless night sky and pursed her lips. Her heart was not unshakeable.

After all, for four to five years, she had given Zhou Chongguang her purest youth.

She had loved this man so passionately before, and now that he was coaxing her like this, it would be a lie if she really wasn't moved at all.

However, Qin Mu knew that she had to hold onto her last bottom line. She could no longer be like before, completely giving herself to a man.

She didn't want to be hurt again, not at all.

qin mu reached out and hugged himself, causing himself to fall into the darkness.

And on this night, ye Muyun stood in Bo Yi's top floor office with Gu ze on the side.

"chairman ye, things have changed a little." Gu ze's voice was serious. I haven't taken any action yet. However, a media outlet exposed on the internet that annn's work called rainy night plagiarized the representative work of the famous Chinese artist, Lan Yu,'cloudy day'.

Ye Muyun's eyes were fixed on Gu ze. After a long time, she said, "show me the online picture of that painting.

gu ze pulled out a picture from his phone. it was obvious that he had prepared it beforehand.

ye mu yun took a look and his brows furrowed deeply.

he knew that with xue 'er's personality, she would not plagiarize. however, it would be too much of a coincidence if he were to say that they had never interacted with each other before with two paintings that were so similar and so compatible.

Ye mu Yun narrowed his eyes, his expression a bit serious.

"Chairman ye, do you want to help Xue 'er get rid of this trouble?" Gu ze asked after some hesitation.

what he meant was to find lan yu and settle it in private. as long as lan yu doesn't sue and can even come out to explain, then no matter how much trouble there is outside, it won't be able to cause any waves."

ye muyun didn't immediately answer his question and quietly walked to the floor-to-ceiling window.

he stood there and looked at the dark night outside. after a long time, he said softly, "Gu ze, look up this Lan Yu again and see his information."

Gu ze was stunned.

He had followed ye mu Yun for many years. He could usually guess what ye mu Yun was thinking.

gu ze took his laptop and quickly searched for lan yu on baidu. a long list of information came out in an instant.

when gu ze saw it, he was stunned for a moment.

it wasn't because of lan yu's genius drawing skills that he won the award, but because of lan yu's appearance.

Chapter 2224: the truth, slowly surfacing (2)

He was very thin and tall. His facial features were different from those of pure Oriental men. They were very three-dimensional, and his eyes were Amber. In short, he was a young and very good-looking man.

“Chairman ye, I found it,” Gu ze said softly.

“Very young, isn’t it?” Ye mu Yun’s voice was very light and he didn’t turn around.

gu ze didn’t know how to answer. after a long time, he softly hummed.

“gu ze, what do you think their relationship is?” ye mu yun closed his eyes and said, “don’t investigate.” let the event develop,”

gu ze’s emotions also fluctuated slightly. he stood behind ye muyun and didn’t say anything. he just accompanied her and watched the dark night outside.

He didn’t know how long he stood there, but after a long time, ye Muyun said, “gu ze, do you feel lonely standing so high up?”

Gu ze could not answer.

once, he had thought that climbing to the highest place was his lifelong dream. but now, he stood here without a trace of excitement.

his heart was lost in that place by the sea.

he didn’t say anything for a long time. ye muyun stood there and held her forehead with her slender hand. her voice was even lower. ” gu ze, even if we know we’re lonely, we can’t turn back. ”

Then, he slowly turned his head and smiled at Gu ze. how about we go for a drink? ”

gu ze closed his eyes and let out a long breath.”Alright!”

the two of them went downstairs together and drove their sports cars to the bar called night!

Because of their own thoughts, they didn’t control themselves. An hour later, they were almost drunk, but only slightly.

because after drinking, some things could be said, especially gu ze.

The words that had been suppressed for so long, the words that could not be said, could all be said now.

at this moment, he took ten cans of beer outside and sat on the rooftop, enjoying the night wind. after finishing a can, he crushed the can and threw it far away.

gu ze turned his face and looked at ye muyun. ” eight years ago, you sacrificed Xue ‘er for Qin Mu. Are you sacrificing Qin Mu for Xue’ er this time? ”

ye mu yun only looked at him quietly.

gu ze laughed mockingly. he leaned back and supported himself with both hands on the concrete floor. he raised his head and casually unbuttoned the top two buttons of his shirt with one hand. ” you clearly know that zhou chongguang is not the right man for qin mu! there will always be problems when they are together. zhou chongguang is only doing it on a whim now, and his entire heart is on qin mu. but what about in the future?”

“If he hurts Qin Mu again, have you thought about the consequences?” he said in a powerful voice.

“Zhou chongguang’s sincerity is to transfer 20% of King Entertainment’s shares to Qin MU’s name,” ye Muyun said calmly.

Gu ze was stunned for a moment.

Ye Muyun patted his shoulder. I’m not the kind of brother who doesn’t care about Qin MU’s life or death. I just feel that I should break my heart and leave. Otherwise, with Qin MU’s temper, she probably won’t be satisfied.

he was unwilling to accept this, and it was mostly because of gu mei.

gu ze let out a long breath. ” so you think that zhou chongguang is in love? ”

“i’m willing to give them a chance!” Ye mu Yun said fairly, ” this has nothing to do with me and Xue ‘er.

Gu ze laughed and lay down on the cold cement surface. He looked up at the starry sky. then why don’t you consider me, Yingluo? ”

He muttered, his eyes a little hot.

ye mu yun looked at him and said bluntly,”Zhou chongguang can break off his relationship with Gu Mei, but can you do it, Gu ze?”

Chapter 2225: The truth, slowly emerging (3)

Gu ze raised his head and smiled bitterly. yes, I can’t do it!

perhaps he could do it in the past, but he could not do it now. he had given up on gu mei once and let her go to jail. he really could not do it again.

ye muyun also laid down and looked at the starry sky with gu ze. the two men suddenly looked at each other and smiled.

“Find a woman and get married!” ye mu yun patted his shoulder and stood up shakily.

He walked towards the exit, while Gu ze lay there without moving.

After a long time, he reached out and covered his face, his Adam’s apple moving.

Below the building, ye Muyun walked out of the elevator with his jacket in his hand.

Standing under the building, he suddenly had a feeling of not knowing where to go.

he did not drive and continued to walk. unknowingly, he had arrived at the entrance of the GM hotel.

she had returned to B city and should have returned to the hotel by now.

Ye mu Yun raised his head and looked at the GM's bright sign for a long time before finally walking in.

The front desk naturally recognized him, but she was still very surprised because boss ye had always been noble and elegant. When did he become like this?

the top few buttons of his shirt were unbuttoned, his sleeves were rolled up to his elbows, and they were a little crumpled. his jacket was even a little gray.

The front desk lady quickly glared at him.

"has miss tang returned to the hotel?" ye muyun asked calmly.

"Miss Tang?" the receptionist was stunned for a moment before she understood what he meant. she thought for a moment and quickly said, " she just returned to the hotel. She should be in the room now.

"Don't call him." His voice was low and full of warning.

how could the lady at the front desk offend this man? president ye was in charge of boyi now, and president tang yu almost never asked about anything. but she was curious. president ye and miss tang had broken up for so many years, but president ye was still working at boyi like a son-in-law. it was amazing.

after ye muyun finished speaking, he walked towards the elevator.

When he stood in the elevator, his mind was completely blank. All that was left was Gu ze's words.

Lan Yu, not bad looking, Yingying is very young.

But he didn't want to see it. He instinctively didn't want to see it. He was waiting for the final result. Unless Xue 'er brought that man to him, he didn't want to look at that man.

the elevator went straight down and stopped at the top floor with a ding.

Ye Muyun stepped out of the elevator and walked two steps to the door of her suite.

This was the place where they had spent their time together countless times. The last time, she had taken over this place, but she still lived here.

if she still loved him, then what was that man?

Ye Muyun walked to the door but didn't knock immediately. Instead, he smoked a cigarette. After he finished smoking, he reached out and knocked on the door, avoiding the peephole.

Xue 'er thought it was room service, so she opened the door without suspicion. She was wearing a bathrobe, so she should have just taken a shower.

As soon as she opened the door, her thin arms were pulled into a pair of strong arms. Then, her body was pressed against the hard door, and her head was firmly pressed down. Then, Hot Lips covered her small mouth.

she struggled instinctively, but he didn't let go of her. he pressed her down hard, and one of his long legs caught her. he lifted her up and fixed her body in place.

This posture was really a little embarrassing. Xue 'er's little face shook desperately, and she had just twisted a little away when he kissed her again. He kissed her for a long, long time.

Chapter 2226: Are you done?(1)

just like that, after kissing him for a long time, she was finally exhausted and gave up struggling. her body was soft and at his mercy.

ye muyun nibbled on her neck and buried his hot face in her neck. he said in a low voice, " "Tell me, what happened to you in the past eight years?"

Her body trembled, and her legs went soft. If it wasn't for him supporting her, she would have slid down.

"What's wrong? are you afraid?" he looked up slightly, his slender fingers cupped her small face, but his eyes were cold. " you don't dare to say? "

Xue 'er pursed her lips and only spoke after a long time, " "it has nothing to do with you! Ye mu Yun, we broke up a long time ago, just eight years ago, have you forgotten?"

he took a step back, and her legs finally went soft. her body slid down, and her fingers quickly pulled on the door behind her, not letting herself fall.

Now, she would not allow herself to collapse in front of him.

"yeah, you broke up?" He suddenly stepped forward and pinched her delicate little chin with a strong hand. His voice was as cold as ice."tang xue 'er, who told you that we broke up, huh?"

his strength seemed to want to crush her bones. xue 'er's hand held the door behind her, desperately resisting the pain. she looked disheveled, and tears were rolling in her eyes.

if it was in the past, he wouldn't have been willing to treat her like this, but now, anger and uneasiness had made him lose his mind.

in his mind, there was only one crazy idea, which was to lock her up and not let her go anywhere, and not let anyone find her.

Xue 'er looked at his expression and was a little shocked that he had gone crazy!

she swallowed her saliva with difficulty and said stubbornly, " " we broke up. have you forgotten about song keren's existence? "

"she's never a problem." "I've never touched her!" He growled at her.

As he spoke, he bit the soft flesh behind her ear as if he was venting his anger. She cried out in pain, but he did not let her go. His voice became even colder."tell me, have any men treated you like this all these years?"

Xue 'er finally couldn't take it anymore and bit her lip. ye mu Yun, you bastard!

his expression was extremely ugly. he kept looking at her and sneered, ” “I’m a bastard, right?”

“Then I’ll let you see my more brutal side.” As he spoke, he kissed her on the lips again, and at the same time, he did a lot of things to her.

she struggled with all her might, but she couldn’t break free. instead, the bathrobe on her body slipped to her shoulder.

soon, there were a few teeth marks on her round shoulder, all of which were stained with blood.

He had never treated her like this before. She was in so much pain that she almost fainted, and he even wanted to have her right in front of the door.

At this critical moment, the elevator dinged.

the room attendant held the tray and looked at the erotic scene in front of her in a daze, not knowing what to do.

One was CEO ye and the other was the eldest daughter of Boyi!

It was obvious that the young miss was still being forced, because she was bleeding from biting it!

the waiter pursed his lips and didn’t dare to make a sound. he just stood there in a daze.

ye mu yun finally discovered the existence of a third party. he hugged xue ‘er and growled, ” “get lost!”

the waiter’s heart trembled, and he immediately took the elevator and left.

As soon as he left, Xue ‘er started to cry. She leaned against the door and cried softly. She didn’t struggle anymore and just turned her face to the side. After a long time, she sobbed and asked, ” “Ye mu Yun, are you done?”

Chapter 2227: Are you done?(2)

with tears in her eyes, she said, ” i don’t owe you anything! ”

All his movements came to a sudden stop. His face was buried in her neck, and his breath was hot and messy.

He just buried it like this. After a long time, he said in a low and bitter voice, ” “Yes, you don’t owe me anything.”

slowly, he let go of her and took two steps back.

However, his eyes did not let her go. He looked at her with a deep and unfathomable gaze.

xue ‘er’s body held on desperately, her eyes filled with tears as she looked up at him.

Her expression was thick but not glamorous, beautiful and moving.

But he didn’t know if this didn’t belong to him alone.

at this moment, he really wanted to ask her who lan yu was and what their relationship was.

however, his pride as a man and the fact that he had loved her for so many years made him unable to ask.

“I’m sorry, I drank too much.” He touched his forehead with his slender fingers and smiled softly. “Sorry for offending you.”

xue ‘er’s eyes were wide open, like a frightened rabbit. her little face was pale and she was so weak that she could fall down at any time.

ye muyun smiled again, but it was a very shallow smile. he stepped back and entered the elevator. the elevator door closed, blocking their line of sight.

at that moment, his face sank, and her small face became even more sad and fragile.

when ye muyun arrived downstairs, he didn’t leave immediately. instead, he sat on the sofa in the living room.

Because of the presence of this Big Buddha, the manager on duty trotted over. CEO ye, do you have any orders? ”

Ye Muyun held the cigarette between his fingers and lightly smoked. After smoking half a stick, he said, ” “Get someone to send the food up.”

The manager knew a thing or two about where this was to be sent to. With a solemn expression, he said, ” “We’ll do it even if boss ye didn’t say it.”

The soul-stirring scene just now had already spread throughout the GM. President ye’s love affair with his young miss had not been settled yet.

Wasn’t there a girl called song keren before? in the end, when eldest miss returned, she didn’t even count as cannon fodder and just flew away.

thinking about it, there was still only eldest miss in boss ye’s heart.

this was also true. back then, that golden couple had made countless people envious.

after the manager finished speaking, he personally went to make arrangements. ye muyun sat there alone and didn’t leave.

he felt a little tired, and all the muscles in his body were sore.

He wanted to rest.

It was only when she laid down that she realized how comfortable it was to lie down. It was only then that she realized that he had not had a good rest all these years. He had been waiting for her all these years, to the point where he could not sleep at night.

he lay there without taking off his shoes and his coat was casually thrown aside. he was also drunk, looking really down and out.

the front desk ladies whispered to each other. ” is ceo ye having a fight with that little devil upstairs again? ”

“Who said it wasn’t?” “if you ask me, boss ye will give in in the end,” another person said quietly.

“why?” The previous one was confused. I remember that scary CEO ye from upstairs. When she saw him, she was like a mouse seeing a cat. CEO ye is still very authoritative.

The other one snorted. if he had the authority, why would he drink so much and fall here? you see, although CEO ye doesn't look happy for the past eight years, when has he ever been in such a sorry state? ”

That person was immediately convinced. that's true-”

After saying that, she hesitated for a moment, 'should we find a blanket for CEO ye to cover himself with? It's not good to catch a cold.”

Chapter 2228: are you done?(3)

” don't. it's better if you catch a cold. the one upstairs will be worried when he comes down tomorrow. ”

it had to be said that the GM's front desk was full of drama.

Just like that, ye Muyun laid in the hotel lobby for the entire night.

In the morning, Xue 'er got up and went for a run out of habit. when she passed by the main hall, she paused for a moment because she saw ye muyun. she slowed down her pace and stood a few meters away. she quietly looked at him for a while before walking to the front desk.”Why is boss ye lying here?”

did he not go home?

the front desk was still the same as last night. she was about to get off work soon, so she replied, ” “It's because CEO ye insisted on sleeping here and refused to go back!”

xue 'er glanced at them and said as she walked out, ” “Call Vice President Gu and ask him to come and pick her up.”

the receptionist smiled perfectly. ” vice president gu probably drank too much last night. ran ran is probably sleeping on the road now. ”

Xue 'er turned around and looked at the lady at the front desk. She shook her head but did not say anything in the end.

Xuxu could sleep wherever she liked!

She was dressed in a white tracksuit and was walking out of the hotel, ready to run for half an hour.

However, as soon as she walked out, a large group of reporters surrounded the door, holding up their interview boards and rushing to ask questions-

” miss tang, your work, rainy night, has been reported to have plagiarized the famous artist, lan yu's painting, yin tian. how do you explain this? ”

” miss tang, the rumors outside are not good for you. will this ruin the name of the new rising star, annn? ”

miss Tang, you're the only heir of Boyi. Why did you do such a shameless thing like plagiarism? "

.....

those reporters surrounded her like crazy, wishing they could turn every inch of her flesh into gossip for their own benefits.

if it was the xue 'er from eight years ago, she would have probably retreated, but she was different today.

her petite body was submerged in the crowd, but she did not panic at all. instead, she said very calmly, " what evidence do you have to prove that i plagiarized? "

There was silence at the scene, because they didn't expect her to ask back so confidently.

in the midst of the silence, a female reporter showed her extraordinary fearlessness. she said very frankly, " just based on the scene and artistic conception of these two paintings, miss Tang, Ann, do you think you can deny it? "

not many people know that I'm Ms. Tang and also an 'N. Who ordered you to do this? " Xue 'er chuckled. no matter who reported me, did Mr. Lan Yu step forward to testify against me? "

The scene was silent again.

What kind of status did Lan Yu have? he was an internationally famous great artist. How could he come to B city so easily?

" miss tang, you probably think that everything doesn't matter because of your family background. but what i want to tell you is that art is sacred and can not be invaded. " The female reporter didn't give up.

xue 'er knew very well that she was probably one of song keren's people and was directing the direction of the discussion.

She only smiled faintly. is that so? then what do you think I should do? apologize to mr. lan yu and prove my plagiarism?"

The female reporter's face turned red. shouldn't it be like this? "

I won't apologize because there is no plagiarism. If necessary, I will ask Mr. Lan Yu to clarify for me. Xue 'er's eyes swept across the room. before this, if any media company dares to write a word, I guarantee that whoever writes it will not be able to survive in B city.

Chapter 2229: He can't let her go (1)

As she spoke, she looked straight at the female reporter."And tell that master of yours, I'm an, and I'm tang Xue 'er! If she wants to touch me, she'll have to weigh her own weight."

the female reporter's face turned white and red, and the other reporters were also shocked.

When they came, they swarmed like sharks that had smelled blood. When they left, they were a little dejected.

xue 'er looked in the direction they left and knew that things would not end like this.

because some people wouldn't give up. if she couldn't do it openly, she would do it secretly.

she pursed her lips and dialed a number. when yingying picked up, her eyes became gentle."lan yu, is shu here?"

"He has fallen asleep," the voice on the other end was very clear and elegant.

"When are you coming back?" he asked after a pause.

Xue 'er bit her lip and only spoke after a long time, "I've encountered some trouble, so it might be delayed for a few days!"

"Is it that rainy night?" "Do you need me to step in?" his voice was very calm.

xue 'er was stunned for a moment and immediately shook her head, "no need,"

She was just bluffing just now and didn't really want him to show up.

there was a moment of silence on the other end of the line before she said, "come back soon. yishu misses you."

Xue 'er nodded and slowly put down the phone.

A few meters behind her, ye Muyun quietly watched. His face was pale, almost without a trace of blood.

He couldn't hear her clearly, but he could hear that her voice was very gentle. She would only be like this when talking to people she was familiar with.

he was certain that the person was lan yu.

What kind of relationship did they have to be able to draw the same painting and have the same soul?

xue 'er turned around and saw him.

she also saw his pale face, as if a storm was coming.

Did he hear that?

she bit her lips and did not make a sound.

He didn't either.

the two of them looked at each other in silence, each with their own pride.

She thought that he would get angry eventually, but he didn't. He just looked at her for a long, long time before he turned around and left.

Two hours later, ye Muyun entered the VIP Ward of Shengyuan hospital.

gu ze dragged his hungover body as he was summoned over. he was also slightly shocked when he entered.

Boss ye didn't drink much last night, so how did he get a gastric perforation and almost lost his life?

After the operation, she was as weak as a sheet of paper, but she was still awake.

gu ze sat beside him and sighed. ” “Chairman ye, what do you want me to do?”

The truth was already somewhat clear. Xue ‘er and Lan Yu’s relationship was not an ordinary one.

President ye was such a proud man, would he be unable to take it?

“or did you settle it for her and let her go?” Gu ze asked softly.

because at this moment, he really couldn’t tell what ye mu yun was thinking and what decision he would make.

After he finished speaking, ye Muyun’s voice was a little light. Gu ze, in your heart, you always feel that I’ve let her down, right? ”

Gu ze could not bring himself to say that the biggest victim of the incident eight years ago was Tang Xue ‘er.

everyone knew that chairman ye was unwilling to admit it because he didn’t want to let go.

if he said he hated her, he would have more reason to pester her. if he said he was the one who let her down, would he still pester her?

but now that she had a man, it wouldn’t be right to continue pestering her.

Chapter 2230: He can’t let her go (2)

That was what Gu ze thought in his heart.

ye mu yun narrowed his eyes and continued, ” “If she had really fallen in love with someone else, why would she be willing to sleep with me?”

Gu ze had yet to speak. Furthermore, it was such a private matter, so he could not speak.

However, wasn’t boss ye too thick-skinned? how could he say this?

ye muyun’s eyes were burning. ” she wasn’t forced. she enjoyed it and took the initiative. ”

gu ze sighed in his heart, ceo ye, you look like this and you have a past. if you do what you want, which woman can refuse? That’s a normal physiological reaction of a woman, okay?

However, Xue ‘er still had feelings for CEO ye. This could be explained. But, but, but, men could eat what was in the pot and look at what was in the bowl. Could women not?

besides, she would make a trip to B city, buy some P shares, and then return to the United States. there was also a handsome husband waiting for her. she didn’t lose anything! gu ze thought in his heart, but he only dared to think and did not dare to say it out loud.

“What do you mean, Chairman ye?” he had to ask how exactly he was going to do it. he couldn’t just pretend that nothing had happened, could he?

Ye Muyun looked at Gu ze and said in a soft voice, ” lead the major media and prove her plagiarism.

Gu ze was slightly shocked. He really didn't dare to think about this! he hesitated for a moment. "chairman ye, if xue 'er finds out, she probably won't forgive you! "

ye muyun quietly laid there, staring at the white ceiling of the ward.

on his face, there was nothing but weakness. then, he said something that made gu ze's heart jump, "if she doesn't want to be with me, then what do I need her forgiveness for? "

gu ze was speechless for a moment. he was silent for a long time before he spoke, "i know."

ye muyun nodded and casually took a cigarette from the bedside. he was about to smoke but was stopped by gu ze. he stubbed the cigarette in half and threw it away. he then confiscated the entire box of cigarettes. "you're so reckless. you're smoking right after the surgery. "

"They spoil you too much," she continued after a pause.

Ye Muyun didn't resist and continued to look up at the ceiling. After a long time, he let out a long breath. Gu ze, I'm so cruel to you. Why do you still want to follow me? "

He tilted his head. I know that with your current ability, it's easy for you to become a CEO. Why do you have to bow down to others? "

"it's not ceo ye's fault," gu ze said calmly. Gu Mei was wrong."

And he was Gu Mei's older brother, and it was just a coincidence that he fell in love with Qin Mu.

He had not reached the point where he could not live without Qin Mu. Although President ye could not live without Tang Xue 'er, at least his soul was not there. What was alive was just an empty shell.

"Don't tell anyone about my hospitalization." Ye Muyun gently closed his eyes.

gu ze understood what he meant.

he quickly went out to do it and arranged for people to take care of it.

Gu ze's heart trembled a little as he did this because he was lacking too much.

however, because of his manipulation, xue 'er's matter had been quickly reported. the mainstream media no longer had any scruples and reported on it desperately.

behind the scenes, some people were already guessing that this was all boss ye's idea and that bo yi was forcing him to abdicate.

Because of a painting, it had caused an uproar.

However, the president of Boyi, Mr. Tang Yu, was overseas. He didn't come back and didn't clarify anything. He just let the small things happen. This was really confusing.
