

Thank you 2251

Chapter 2251: she's been set up (2)

lan yu's eyes were unfathomable. after looking at her for a while, he said calmly, " i won't touch you, don't worry! "

He said it so bluntly that Xue 'er's face was a little hot, and she responded with an "Oh."

She couldn't reject him like this. If she insisted, it would seem like she had a guilty conscience.

she watched lan yu enter the bathroom and turned back to look. the bedroom was clean and refreshing, mainly dark gray. it was a typical male bedroom and should be where lan yu used to live.

She wasn't used to it because this place was filled with the aura of the blue universe. She had lived with him for five or six years, but even now, she still felt a little unfamiliar.

she couldn't quite imagine herself sleeping on his bed. she thought she would lose sleep.

lan yu showered for about ten minutes before coming out in a white bathrobe.

she admitted that he was a very good-looking man. sometimes, she was not sure if there was something wrong with his body. that was why he was willing to keep a marriage in name.

perhaps, his heart was broken by a woman?

"What are you thinking about?" Lan Yu looked over indifferently. go and take a shower! It's getting late."

"Oh," Xue 'er replied and immediately ran in, as if she was escaping.

Lan Yu stood behind her. His gaze was a little deep, appearing extremely profound and unfathomable.

xue 'er ran into the bathroom and immediately locked herself in, her heart beating rapidly.

She didn't know why, but she was a little afraid of Lan Yu now. She kept feeling that he was a little different from before.

His eyes often made her feel like he was plundering her, and he was no longer as innocent as before.

When she soaked herself in the warm water, the anxiety in her heart was soothed, but then she was about to go berserk again.

Because she had forgotten to take her clothes!

The clothes she had changed out of were soaked in water and could not be worn.

Xue 'er wanted to cry. She grabbed her half-dry hair. How could she be so stupid!

after she was done, she wrapped herself in a bath towel and carefully opened the door a little. she called out to lan yu, " "Is there any change of clothes here?"

Lan Yu was sitting on the sofa, handling some matters on his laptop. When he heard her voice, he looked up with a deep gaze.

Then, he smiled and walked into the changing room to get a shirt for her. "I'll just put on this for a while!"

Xue 'er took it and swallowed her saliva, "aren't you going to give me a pair of pants?"

Lan Yu's gaze was a little deep. I'll make do with it and wear it as pajamas!

After Xue 'er put it on, the length did indeed reach her knees, and it covered everything that should be covered.

she heaved a sigh of relief, opened the door, and walked out.

lan yu seemed to be done with his work. he walked over and handed her a glass of milk. "drink this milk and go to bed early."

Xue 'er took it and looked at his calm expression, she also relaxed.

lan yu was no different from before. she was just overthinking it!

Hence, she drank the glass of milk and nodded. I'll go to bed first. Don't stay up too late.

Lying in the same bed was a little uncomfortable, so she asked him to go to bed later ...

Half an hour later, Lan Yu looked at the little pig that had already fallen asleep, and his gaze became deep.

she was wearing his white shirt as she lay on his bed. she was stunningly beautiful, like the most beautiful painting.

he knew that she had never fallen in love with him. at most, she had only treated him as family.

recently, she must have been feeling uneasy. she was more sensitive than him.

Lan Yu put on a bathrobe and slowly lay down on the bed. He half-hugged the woman who was sleeping so soundly that she was abnormally deep into his arms. On the bedside table, the milk Cup was shining silver under the light.

Chapter 2252: she's been set up (3)

lan yu's gaze was deep as he looked at xue 'er's calm little face.

He knew that she would not wake up no matter what he did. The two sleeping pills in the glass of milk were enough to keep her awake until tomorrow afternoon.

He held her in one hand and took his phone with the other. He adjusted the angle and took a few photos. Then, he took a few solo photos for her.

those photos were very beautiful. after all, lan yu was an artist and had a certain sense of aesthetics.

in particular, xue 'er was lying on the dark-colored bed sheets with her body turned sideways. she was only wearing a shirt, and her tender appearance made lan yu almost unable to take his eyes off her.

He had always known that she was a beautiful person, but in the past five years, it was not that he did not have any desire for her, but it was very rare. Even if there was a little bit, he had suppressed it.

At this moment, in front of someone, in front of such a seductive photo, if he didn't react, he wouldn't be a man.

His long fingers touched her face, but he quickly retracted them.

lan yu's face was filled with depression. in the end, he fled in a fluster and finished off yingluo in the bathroom.

when xue 'er woke up and opened her eyes, it was almost noon. lan yu was naturally no longer in the room.

She looked around and stretched her arms to block the sunlight.

he was so tired, as if he had worked for several days and nights. even now, his body was very tired.

she sat up and found a paper bag by the bed. it was a brand she often wore.

She reached out to take it and flipped through it. A set of clothes was prepared.

the clothes of this brand were quite expensive. at least, the little artist, ANN, could not afford them. however, lan yu had raised her well these few years and provided for the same life as she used to.

Sometimes, it was really hard for her to understand why he didn't find a woman who was willing to serve him wholeheartedly when he had so much money! it was enough for him to kneel and lick her lips.

She had asked him before, and he said it was because little Yishu liked her!

Hence, when Xue 'er was with Lan Yu, she positioned herself as the best little nanny, and then she could enjoy his top care with a peace of mind.

she flipped through the documents and changed into her clothes. she washed her face and went downstairs. she felt a little guilty because this was the first time she had spent the night at the lan family's house. she had slept until noon. although she was a fake wife, she could not embarrass lan yu.

She tiptoed down the stairs. The villa was very quiet and there was almost no sound.

just as she was relaxing, lan yu's voice suddenly rang out, " "you're awake?"

xue 'er was shocked and acknowledged him. she then looked around, " "Where's Yishu?"

lan yu was sitting on the sofa and seemed to be drawing something in a sketchbook. he looked up. " my mother took him to a social event. "

as a grandmother, she would never complain that her grandson was absent. she had only seen three groups of old sisters yesterday, how could that be enough?

When Xue 'er heard this, she let out a long sigh, " "You've worked hard, Yishu."

lan yu lowered his head and drew a few more strokes before closing the book. he looked at the clothes she had changed into and said lightly, " "all the servants are on holiday, what do you want to eat later?"

“why?” xue ‘er widened her eyes.

She was a little puzzled. Today was not a holiday.

Lan Yu walked closer slowly, looked at her, and smiled. my mother said that she wants to rule the world after she has a grandson.

xue ‘er couldn’t help but laugh. ” i’m dying of laughter, qianqian lan yu. your mother has a much better sense of humor than you. ”

“you think i’m boring?” Lan Yu suddenly asked.

Xue ‘er bit her lip. it’s alright, but it’s not that interesting.

Chapter 2253: She’s been set up (4)

“what about ye mu yun?” he asked in surprise. not only was she surprised, but he was surprised too.

this question was full of jealousy, and it couldn’t be more obvious.

xue ‘er pursed her lips and gave a faint smile. ” it’s been too long. i’ve forgotten. ”

After she finished speaking, she walked towards the door. didn’t you say that we were going out for dinner? I’m a little hungry.

her attitude showed that she didn’t want to talk about ye muyun. often, the more she avoided it, the more she cared.

Lan Yu reached out to stop her.

when she turned around, he could clearly see the anger in her eyes.

She still loved that man in her heart, and he could see it clearly.

And she had hidden these feelings deep in her heart. She had made up her mind to be a fake couple with him for life, right?

lan yu’s eyes were burning with a small flame, but he concealed it in an instant. he lowered his eyes and said in a very calm voice, ” “i’ll go change my clothes.”

xue ‘er heaved a sigh of relief. ” i’ll wait for you here then. ”

She sat on the sofa, picked up his sketchbook, and flipped through it.

lan yu walked up the stairs, his eyes sweeping over her actions. he didn’t say anything and just slowly walked up the stairs.

Xue ‘er sat down and flipped to the page he had drawn. She was a little surprised. She looked up but couldn’t see Lan Yu. He went upstairs to change.

His gaze fell back onto the drawing, and after looking at it for a long time, he finally chose to say nothing and put down the drawing book.

It was just that her heart was a little jittery, as if she had peeked into his heart.

Or did he let her see it on purpose?

She wasn't sure, so when she got into his car, she didn't make a sound. She also didn't realize that they were wearing the same color today, so they could be called a couple's outfit.

Lan Yu held the steering wheel and asked casually, "Where do you want to eat?"

"You decide." Xue 'er said absent-mindedly.

Lan Yu smiled. I know a good restaurant.

xue 'er made a sound of agreement. at this moment, her mood was that it was the same no matter where she ate.

however, she didn't expect that lan yu would bring her to zhao yan's restaurant. zhao yan was there as well, but he didn't play. instead, he leaned against the bar and chatted with qin mu.

qin mu and zhou chongguang lived together, but he was still very close to zhao yan.

Because of this, Zhou chongguang was quite annoyed. Couldn't he play the piano?

why did she always come out to listen to zhao yan play?

Zhao Ziyi said something that hurt his heart. because Zhao Yan plays better than you!

after that, general manager zhou started to practice the guqin day and night. however, qin mu still ignored him. he continued to run outside all day and hang out with zhao yan.

at this moment, she saw xue 'er walking over with lan yu and couldn't help but be stunned. after a while, she said softly, "Zhao Yan, Qianqian already knew about this, didn't she?"

She had mixed feelings. Xue 'er had come back, stayed with her brother, and even had sex with him. She thought that they had a high chance of being together. After all, her brother had broken up with song keren, hadn't he?

"No," Zhao Yan laughed. i never knew. i only found out about it recently, not earlier than any of you. Even my brother Tang Yu doesn't know about this."

When he said that Tang Yu was his brother, he was still a little embarrassed. The age difference was too big. To Zhao Yan, Tang Yu wasn't just a brother, he was also like a father.

qin mu believed him when he said that because zhao yan's character was just like zhao yi and lin yun, upright.

Chapter 2254: i'm her husband (1)

when xue 'er saw qin mu, she was also a little surprised.

That was because when Qin Mu and Zhao Yan were together, they were not shy.

Did something happen between her and Zhao Yan?

If there was really something going on between them, she would have to call Qin Mu 'little aunt' in the future. What a mess.

However, Xue 'er couldn't care less about this. She just smiled slightly and walked in with Lan Yu, picking a seat and sitting down.

He cupped his chin and looked at the menu as he asked Lan Yu, "How did you know about this restaurant?"

Lan Yu smiled. the new York Times reported about it. Did you forget that your uncle is also a celebrity? "

Xue 'er looked up, acknowledged him, and said nothing more.

After she ordered her meal, Lan Yu went to the washroom. When he came back, Qin Mu was already sitting at their table.

Lan Yu smiled and bent over, planting a kiss on Xue 'er's forehead. how about you introduce us? "

Xue 'er raised her eyes and focused all her attention on her forehead. The warmth made her feel a little uncomfortable.

she didn't know why lan yu would do this!

she stammered, then lan yu reached out and touched her gently. "xue 'er?"

xue 'er came back to her senses and then introduced uncomfortably, "This is Qin Mu, my ran ran's childhood playmate."

Without waiting for her to continue, Lan Yu had already introduced himself. His tone was very calm, "I'm lan Yu, annn's husband. We've been married for five years."

Qin Mu took a deep breath, while Xue 'er was in a rather sorry state.

Lan Yu smiled. since you're Xue 'er's friend, why don't we share a table? we'll call Zhao Yan too. How about that? "

he asked xue 'er very gently, like a gentle husband.

xue 'er wouldn't embarrass him in such a situation. besides, he really didn't do anything out of line, so she couldn't refuse.

However, she also knew that the atmosphere that Lan Yu created was the image of a loving couple.

she didn't know if he did it on purpose, but she felt a little uncomfortable, and her heart felt heavy.

Qin Mu was also a little uncomfortable. It would be a little inappropriate for him to move out of his nest. She could only look at Zhao Yan and smile helplessly.

Zhao Yan and her were on different sides, because he was Xue 'er's uncle.

now, the uncooked rice had long been cooked. the child was already five years old. he had to accept the truth. everyone had to accept it, including ye mu yun.

However, Zhao Yan's inner monologue was like this: he really didn't expect that he had underestimated her. she actually dared to play around outside of marriage, and her opponent was ye mu yun.

She was the high and mighty CEO ye. The moment CEO ye saw her return, he even sent song keren flying. Now that he found out that Xue 'er was married, he probably wanted to strangle her to death.

zhao yan laughed in an enigmatic manner and would occasionally glance at qin mu.

Qin Mu, on the other hand, was not calm. Everyone knew what she was thinking. Otherwise, she would not have stayed by Zhou chongguang's side with a peace of mind.

qin mu's little face was tense the whole time. he looked at xue 'er and lan yu eagerly, trying to find something.

But in the end, they could only come to one conclusion: Lan Yu was the perfect husband.

she was in despair. her brother was probably done for. yingying had no hope.

Think about it, her brother was so fierce to Xue 'er. In comparison, Lan Yu was considerate and respectful a lot, Yingluo.

After the meal, Qin Mu left first, his mood a little chaotic.

Zhao Yan saw that she was a little uneasy, so he decided to send her back.

In the car, Qin Mu held his forehead with his fingers and said in a soft voice, " "zhao yan, can you send me home?"

Zhao Yan nodded.

"I'm talking about my mom's." Qin Mu tilted his head and looked at him.

Chapter 2255: Zhou chongguang, aren't you despicable?(1)

zhao yan smiled and passed her a tissue. " "Qin Mu, look, you're about to cry."

Qin Mu was a little embarrassed. He turned his face away fiercely.

"Actually, everyone's fine. You're the only one who can't let go," Zhao Yan laughed.

His slender fingers were on the steering wheel as he focused on driving, but his voice was unbelievably gentle. so many years have passed. You've punished yourself enough. Don't live for others anymore.

qin mu didn't make a sound. he even held his breath and looked at him.

Zhao Yan reached out and ruffled her hair. silly girl, whether you and Zhou chongguang are together or not has no effect on your brother and Xue 'er. You can choose the path you want to take.

he snorted. " for example, if you go to new York with me, i can play the piano for you for a long time. "

He said it so easily, but Qin Mu was stunned.

She and Zhao Yan had always been friends, and she had never had such thoughts. Now that he had said it, she was only shocked and surprised. She felt sorry for him because she really didn't have any other feelings.

She didn't say anything and Zhao Yan laughed. I'm just joking with you!

As for whether it was a joke or not, she didn't know, but she was relieved to be able to step down.

zhao yan said a few more words to tease her, and the atmosphere finally calmed down.

When the car stopped at the Qin family's house, Zhao Yan stopped the car and turned to look at Qin Mu. it's just a joke and you're already like this. Qin Mu, when Gu ze told you all this, what were your thoughts? ”

Qin Mu looked at him in surprise. He couldn't figure out how he knew.

zhao yan smiled. ” when you were at the beach with him, i was behind a rock. ”

qin mu's face darkened. only now did he know that zhao yan had been making things up today about her reaching out her hand to pinch him. then, she got out of the car. zhao yan also got out of the car with a smile.

However, the two little ones could no longer smile very quickly, because Zhou chongguang was actually at the Qin residence as well. At this moment, he was glaring at them with his eyes burning with fire, as if grass had grown out of his hair.

Zhao Yan smiled, opened the door, got in the car, and drove away.

To be honest, that smile was quite provocative.

at least, in zhou chongguang's eyes, it was.

When the car drove away, his face was on fire as he looked at Qin Mu. “can you explain?”

“Explain what? explain that I cheated on you and played tricks on you?” Qin Mu wasn't in a good mood, and he didn't take him seriously now, so he didn't hold back at all.

She had even hit him with her bag.

zhou chongguang was stunned for a moment. then, he followed behind her and quickly grabbed her small hand. ” qin mu, speak clearly! ”

Qin Mu stopped in his tracks and smiled very calmly. “Alright, make it clear! Let's go to the Civil Affairs Bureau and make it clear, what do you think, general manager Zhou?”

zhou chongguang immediately shrugged, and his attitude was not as arrogant as before. he softened his voice and said, ” i'm just worried that you've been deceived, huh? ”

qin mu sneered. ” even if you're lying, i'm the one who's taking advantage of you. i'm a divorced woman! ”

Zhou chongguang's nose was full of dust, but he still endured it. After all, this was the Qin family.

He coughed lightly. Mumu, mom and I made some dumplings. Do you want to eat some? ”

“I've already eaten with Zhao Yan.” she seemed to be deliberately angering him!

As he spoke, he wanted to break free from him, but Zhou chongguang held on tightly, and his gaze was a little deep. "Then accompany me to eat."

Qin MU's temper flared up. Zhou chongguang, let go of me. You pester me all day. Aren't you cheap? "

Chapter 2256: Zhou chongguang, aren't you despicable?(2)

After she finished speaking, Zhou chongguang's steps stopped. Qin Mu, you also know that I've been pestering you all day? Hmm?"

She wanted to take a step back, but he pulled her forward again, almost pressing her body against his. do you think that I have nothing to do all day, so I'm always in front of you, right? "

"You were the one who was willing to do it!" qin mu wasn't an innocent little girl. he was easily fooled by him and spoke unhappily.

zhou chongguang reached out and pulled her into his arms. she raised her head and rested it on his chin.

"yes, i'm willing! However, Mrs. Zhou was constantly spinning Zhao Yan around. isn't that right?" his eyes were quite stern.

Qin Mu bit his lip.

"He confessed to you and is taking you to new York, right?" he glared at her fiercely.

Qin Mu didn't say anything and looked at Zhou chongguang in a daze-he was crazy, how did he guess?

if she didn't say anything, he would take it as her tacit agreement. he couldn't help but fly into a rage, but he suppressed his temper. "We're not divorced yet."

qin mu glanced at him. she was happy when she realized that he was angry.

"We'll get a divorce soon." She was deliberately angering him.

Zhou chongguang squinted his eyes and looked at the ridiculous little apron on his body. For her, he had never appeared in any entertainment venues again. Those small-time celebrities and models had all been thrown to the back of his mind. He followed her around every day and even flattered his mother-in-law. Why was that?

qin mu could probably tell that he was indignant, so his tone was very calm. " "Zhou chongguang, in the past, what I did far surpassed you, but you still didn't look at me more than once. You've played all the things that you should and shouldn't have played. As for me, I'm just having a meal and chatting with a friend. I'm not a hindrance to you!"

after she finished speaking, she pushed him away and walked towards the main house.

Zhou chongguang was originally extremely angry, but after carefully analyzing her words, it seemed like she was clarifying that there was nothing going on between her and Zhao Yan. He could not help but smile.

Zhou chongguang didn't know what was going on with him either. In short, ever since Qin Mu wanted to divorce him, there were many peach blossoms around her. Forget about Gu ze, even Zhao Ziyi, who was beside her, said that he liked Qin Mu. There was also Zhao Yan. He always felt that this kid was so free with Qin Mu!!

who knew who zhao yan went to the last reality show for?

General manager Zhou thought about it and became angry again. He pulled off his apron and followed Qin Mu in.

Qin Mu was sitting next to ye Liangqiu on the sofa. Zhou chongguang could be impudent in front of anyone because they had fallen out in the past. Only ye Liangqiu was someone he still respected.

Seeing that the mother and daughter were silent, he pursed his thin lips. "Then I'll go to the restaurant first."

he took a look at qin mu, hinting to him that they would go home after they finished eating.

qin mu ignored him. he only talked to his mother about what happened between his brother and xue 'er.

she could tell that all these years, if there was anyone who had not lived well, it would be her brother and her mother.

her mother had always felt guilty. even if she didn't say it, qin mu knew it. she longed for xue 'er to come back.

She yearned for salvation, but this time, her mother was probably going to be disappointed.

qin mu couldn't bear it and still told the truth. " " mom, i saw xue 'er and that lan yu in the restaurant. "

"what kind of person is he?" ye liangqiu sighed.

qin mu hesitated for a moment. " she's quite good-looking. i heard from zhou chongguang that she's from the lan family of the grand hyatt hotel. "

Chapter 2257: zhou chongguang, aren't you despicable?(3)

"Your background is not bad!" Ye Liangqiu forced a smile."Where's your brother? you're not going to fight with anyone, are you?"

Everyone was shocked by Lan Yu's sudden turn of events. After all, ye Liangqiu had heard Qin Mu talk about Xue 'er and ye Muyun's relationship.

ye liangqiu didn't understand. qin mu didn't either.

The mother and daughter sat quietly for a long time before ye Liangqiu patted the back of Qin MU's hand. go eat some dumplings! zhou chongguang had been busy the entire morning."

qin mu didn't say anything.

"If it's about the past, there's no need for that," ye Liangqiu said calmly."The important thing is whether you want to divorce him or live with him."

“Mom,” she said. “I haven’t thought about it yet.” Qin Mu couldn’t help but call out softly.

ye liangqiu smiled faintly and patted her hand.”Then take your time to think about it. There’s no rush to make a decision.”

she got up to eat the dumplings, and qin mu accompanied her. zhou chongguang got down from the bed and attentively brought the dumplings to ye liangqiu. he even specially used a small bowl to fill four dumplings for qin mu.

Qin Mu didn’t eat his fill for lunch and forced himself to eat a few.

after eating, ye liangqiu sent the couple away, saying that he couldn’t accompany them even if he wanted to take a nap.

Zhou chongguang naturally could not ask for more. Qin Mu did not want to disturb his mother, so he left with Zhou chongguang.

in the car, he tilted his head and asked her,”what are you thinking?” about your brother?”

Qin Mu was originally supporting his chin, but when he heard what he said, he quickly glanced at him. Zhou chongguang saw that her eyes were a little red.

he didn’t say anything else and just ruffled her hair.

qin mu turned his face away again and looked out of the car window.

it was only when the car drove back to the house on qingshui road that qin mu asked him in a low voice, ” “zhou chongguang, if my brother and the tang family really come to that point, are you going to help him or step on him and gain benefits from it?”

zhou chongguang looked at her in surprise, as if he had not expected her to ask this. he laughed and slowly unbuckled his seat belt as he said slowly, ” ” my greatest benefit now is you. qin mu, what do you want me to do? ”

qin mu pursed his little mouth and didn’t say anything.

Zhou chongguang’s smile deepened. you don’t dare to say? are you afraid that i’ll make some improper requests? hmm?”

“zhou chongguang, that’s enough.” Qin Mu bit his lip and glared at him with hatred.

He pinched her small chin. you’re my wife. I won’t go overboard in whatever I do.

his voice was soft and hoarse. ” “You know very well that as long as you stay by my side, I will stand by your brother’s side unconditionally.”

With that, he opened the car door and got out.

Qin Mu followed behind him all the way upstairs.

she was a little absent-minded, and when she came back to her senses, she had already followed him to the study upstairs.

This was Qin MU's first time here. For a moment, he was a little stunned.

His study room was decorated in a very high-class way. It was full of furniture made of pine wood and had a faint smell of wood.

qin mu wanted to leave, but he stopped her. "I'll decide after I see this."

qin mu frowned.

zhou chongguang walked to the office desk, reached out, and took out a document from the drawer, then gently placed it on the table. "Mumu. If you're willing to stay, this is yours."

qin mu had a suspicious look on his face, but he still took a step forward and gently picked up the document. she only took two glances and was stunned.

Eight percent of Boyi's shares!

boyi's market value was in the hundreds of billions, and 8% of it was still in the tens of billions. how did zhou chongguang get his hands on it?

Chapter 2258: mrs. zhou, let's make a deal (part one)

Qin Mu knew that Rongguang's market value was only seventy to eighty billion.

looking at her surprised expression, zhou chongguang smiled faintly. "eight years is enough for one to do a lot of things."

qin mu's expression suddenly changed. she stared at zhou chongguang. "you once had thoughts about boyi?"

"yes." Zhou chongguang admitted it right away. but now I think that your brother and I are very close relatives. It seems that supporting him is not a bad idea. Mumu, what do you think?"

Qin MU's voice was tense. my brother might not reach that stage.

"he has already stepped out." zhou chongguang's voice seemed a little cold. "you probably don't know this, but he already has 30% of the shares, Tang Xue has 20%, and Zhao Yi has 15%. In other words, Tang Xue 'er will still be the biggest shareholder, but if I help him, the owner of Xuanji Boyi will change!

to qin mu, this was a huge temptation.

She wasn't saying that she wanted her brother to get Boyi. She just felt that if getting Boyi could make Xuanji change Xue 'er's mind, then she was willing to do anything.

Of course, she knew that this 8% was not easy to get.

She wanted Yingluo right now.

zhou chongguang looked at qin mu. how could he not know what she was thinking?

He had a faint smile on his face. ” qin mu, think carefully. is it worth it for ye muyun’s unknown future? ”

Qin MU’s gaze was still on the document. Her voice was very, very soft. brother has given up for me once. I can do the same.

Her fingers trembled as she picked up the document and held it in her arms. At this moment, her heart and her entire body were trembling.

she looked at him and finally said slowly, ” i want it now. ”

zhou chongguang looked into her eyes and smiled slightly. he took out another document from the drawer.”i think if you sign this, our cooperation will be more pleasant.”

it was a marriage agreement.

Qin Mu looked at it for a long time before reaching out to take it. He read it page by page and was a little surprised when he reached the end.

The agreement was very simple and very formulaic, but in the end, it was a letter of guarantee written by Zhou chongguang.

he promised to play für elise for qin mu once a day, and it would be a fresh experience.

he promised to wake her up with a kiss every day, and he promised to have sex more than four times a week!

qin mu glared at him and continued to look down.

He promised to cook for Mumu every day.

It was guaranteed that no other woman would appear in the future. In Zhou chongguang and Qin MU’s marriage, there would only be the two of them. There would not be a third party. Of course, if Qin Mu was the one who cheated on him, he would destroy the adulterer.

qin mu was a little touched at the beginning, but towards the end, he shouted, ” what do you mean by Qin Mu cheating?!

she looked at him. ” zhou chongguang, do you mean that i’m going to cheat on you? ”

“i’m saying if.” zhou chongguang held back his laughter.

He paused for a moment, and his gaze was somewhat meaningful. Gu ze, don’t tell me that no one knows about you two sitting at the beach the whole night? ”

Qin Mu snorted and ignored him.

zhou chongguang walked over, walked around the desk, and hugged her from behind.

He tightened his arms around her and buried his burning face in her neck. His voice was low and hoarse.”mumu, are you going to sign or not?”

Qin Mu lowered his eyes and looked at the big palm on his waist. He didn’t say anything for a while.

Chapter 2259: Mrs. Zhou, Let’s Make a Deal (2)

He sighed. I want you to sign it, but Qianqian doesn't want you to.

"mumu, i hope that you'll change your mind because you still love me and have confidence in me. i don't want to rely on this eight percent, and i don't want you to think that it's a sacrifice. "

qin mu's voice was a little shaky. "if you give it to me for free, won't you get the truth better? "

Zhou chongguang let out a low laugh and opened his mouth to bite her Little Neck to vent his anger. you're getting worse! but yingluo, it's impossible. sign it now, okay?"

Qin Mu bit his lip. I need to think about it.

but the arm around her waist tightened, and his voice had a touch of meaning. "mumu, i want it now. "

qin mu turned his face away. he wanted to talk to him, but before he could speak, his little mouth was blocked.

then, her body was carried to the desk, and he stood in the middle of her body and leaned over to kiss her.

the agreement in her hand fell to the ground with a thud, and she came back to her senses.

"Focus," He bit her lips and said unhappily, "mrs. zhou."

qin mu struggled slightly. "zhou chongguang, this is the study. "

she wasn't used to this, and she wasn't used to doing such things in a place like this.

zhou chongguang lowered his voice. "let's do it here once. "

his tone was a little overbearing, not allowing for any rejection.

Qin Mu resisted a little, but he couldn't resist. He was still pressed down on the desk once.

when they were done, she lay in his arms and buried her face in his waist.

she cried softly because she had been bullied by him just now.

Zhou chongguang knew that he was a little rough. The way he wanted her just now was almost barbaric. He patted her shoulder and comforted her gently, "Alright, stop crying."

However, the more he comforted him, the more Qin Mu cried.

she was like a little girl, shrinking in his arms and crying miserably.

zhou chongguang had no choice but to hug her and coax her.

qin mu hugged him with one hand and stretched out his small, smooth hand. "you signed that agreement. "

Zhou chongguang didn't know whether to laugh or cry. He kissed her forehead in a low voice. if I do it with you once, I'll lose tens of billions? if you still divorce me, what should i do? hmm?"

because he hadn't left her yet, he deliberately tormented her again.

qin mu cried out in grief. she was so tortured by him that her heart was trembling. she lay in his arms and hugged him tightly. her voice was also soft."zhou chongguang!"

"what do you think i'll do if you leave?" As he spoke, he started again.

Qin Mu was afraid of him. Furthermore, he had just had it. How could his physical strength be so good?

qin mu really couldn't stand it anymore. he bit his small mouth and said with a trembling voice, "i'll sign it, i'll sign it!"

Even though she said so, he still didn't let her go. He still burned her.

when zhou chongguang let go of her, qin mu felt that he was already on his last breath.

She didn't know how she signed it, but she just wanted to sleep.

&Nbsp; Zhou chongguang hugged her and said in a low voice, " go and take a shower. Then sleep.

qin mu tried his best to open one eye. his voice was weak. " no. "

She was afraid that he would come again.

However, Zhou chongguang smiled slightly. Mumu, I don't think we've taken a bath together before.

she actually felt that he was trying to say something else.

she wanted to resist, but she couldn't. she let him carry her into the bathroom.

it was as if zhou chongguang wanted to make up for the emptiness he had these days. he tormented her four to five times in one afternoon, and when he really let her go, it was already night.

Chapter 2260: mrs. zhou, let's make a deal (part three)

he leaned on the bed, exhausted, but not in the mood to sleep.

he lowered his head and looked at the little girl in his arms. she was indeed still a little girl. she was only 22 years old. after being married for four years, she wanted a divorce. now, they could be considered to have made up, right?

Even though he had used some underhanded means.

but zhou chongguang had nothing to regret. after all, to him, fame and fortune had already arrived.

If she wanted to win Qin MU's heart, she had to let go of her hatred.

He chose to let it go because he didn't want to lose Qin Mu. In the past, he wasn't too insistent on taking revenge. However, he never thought that what he did for the past eight years was to win her back today.

It was a little expensive, but it was worth it.

zhou chongguang's eyes darkened, and his large palm gently stroked her waist-

there should be a child in this place.

he had noticed that qin mu's schedule was scheduled for the next few days. since he was working so hard, there was no reason why he couldn't get pregnant.

Although she had signed the agreement, she might not argue with him in the future. There was no essential difference between living separately and getting a divorce ...

If his wife was not in his bed, was he still his wife?

Hence, to Zhou chongguang, a child was much safer than that agreement. It was because Qin Mu was such a kind young lady, and she would not let the child be fatherless.

he lay down for a while, then got up and went downstairs to prepare dinner for her. the servants were not around, so he was the only labor force.

when qin mu woke up, it was already ten o'clock.

A bedside lamp was lit in the bedroom, and the light was warm and yellow.

she sat up and looked at herself under the blanket. there was only a bathrobe, which zhou chongguang had probably changed into.

Footsteps could be heard from the stairs.

Qin Mu snuggled into the blanket and buried his face in it. After a while, Zhou chongguang appeared at the door.

she rested her small face on her knees and looked at him carefully. she was a little stubborn and did not say anything.

"are you angry?" Zhou chongguang gave a rare warm smile and walked over to sit by the bed. He reached out and ruffled her hair. I've made dinner. Shall I carry you downstairs to eat? "

qin mu didn't speak and just looked at him.

" i promise that the 8% will be under your name tomorrow, okay? " his palm fell and finally pinched her chin gently. " be good, eat! "

qin mu looked at him and felt that he was a stranger. after all, he had been cold to her for eight years.

Now, she was a little dazed. So, this was how it felt to be loved.

However, she wasn't sure if she liked him or not. At least, she couldn't let go.

Those hurt, those women, did not just disappear from his memory.

qin mu bit his small mouth and kept looking at him.

she didn't even know how cute she was.

Zhou chongguang reached out and ruffled her hair, smiling slightly. "alright, i'll carry you downstairs."

As he said this, he pulled her out of the blanket. Qin Mu cried out, "it hurts."

He was stunned for a moment before he saw the marks on her body. His eyes darkened and he asked softly, "Does it still hurt?"

qin mu was afraid that he would fall, so he put his arms around his neck and refused to look at him. he only nodded his head lightly.

Zhou chongguang smiled and kissed her. "i won't be so rough in the future."

qin mu bit his small mouth and glanced at him. however, in the end, he still didn't say anything.

although it was only the two of them, zhou chongguang still made a table full of dishes. qin mu could guess that he was not asleep just by looking at the time.

"i've done too much," he said in a low voice after sitting down.

Zhou chongguang's voice carried a hint of a smile. "I'm afraid I won't do well enough."
