

## Thank you 2261

Chapter 2261: mrs. zhou, let's make a deal (part four)

Zhou chongguang's voice carried a hint of a smile. "I'm afraid I won't do well enough."

for so many years, he didn't even know what she liked to eat, so if he made more, there would always be dishes that she liked.

Qin Mu didn't know what he was thinking, but he was indeed hungry, so he tried a little of everything.

he kept looking at her with a calm gaze.

they ate the meal in silence. after all, they were not as close as ordinary couples. there was always a gap between them.

Zhou chongguang did not force her. Anyway, they had a generation's time and could take it slowly.

after they were done eating, zhou chongguang was the one who cleaned up, and he was also the one who washed the dishes.

After she finished washing up, Qin Mu sat on the sofa and said softly, " " you don't have to do this for me. tell the servants to work tomorrow. "

zhou chongguang smiled slightly. " but i gave them three days off. "

qin mu looked at him for a long time, indicating that he was quite bored.

Zhou chongguang suddenly came over, reached out to carry her, and walked towards the piano by the French windows.

Qin Mu instinctively struggled. Zhou chongguang, what are you trying to do? Let go of Yingluo!"

he placed her by his side. qin mu was really afraid of him. he pursed his little mouth."what do you want to do?"

"play the piano and make love, you first." He laughed, and it was a very detestable laugh.

qin mu glared at him.

"You're not choosing? if not, I'll choose." Zhou chongguang's hand pinched her nose. "you know which one i'll choose."

"I'll play the zither." Qin MU's voice was fast.

Zhou chongguang laughed softly and played a song according to her wishes.

it was something qin mu had never heard before. it was quite beautiful. after he finished playing a song, she turned her face to him and asked, " "How come I've never heard of it?"

Zhou chongguang put his hands down and turned his face to the side, looking at her very seriously. Then, he cupped her face with both hands and kissed her. His voice was especially low as he said, "this is a song I wrote for you. I haven't thought of the name yet. How about baby Annie?"

qin mu's gaze landed on his face, and he only spoke after a while. "You know how to compose a song?"

"Yes, but I don't usually do it." he smiled. "do you want to hear it again?"

Qin Mu leaned his head on his shoulder and said, "You can play."

qin mu didn't start immediately. instead, he chased after her and kissed her lightly on the lips. he muttered, "Mumu, I hope that one day, you will be with me, not because of the sacrifice of your brother.

"If you support him unconditionally now, I'm not sacrificing myself." "zhou chongguang, do you dare to?" she smiled slightly.

her smile was so bright and lively that he had rarely seen it.

why did he find his wife boring in the past? she was clearly very interesting.

Chong Guang didn't reply, but kissed her lips instead. After a long time, he said in a low voice, "mumu, i dare not!"

he didn't want to waste his last chance. if she ran away, he wouldn't be able to do anything to her.

He didn't let go of her. Instead, he pressed against her forehead and kissed her again and again until her toes curled up.

zhou chongguang was indulgent. it was probably because she had given him the cold shoulder for too long that he did not let her off the entire night.

In the past, this kind of thing between them was a tradition. Now, he let go all at once. Qin Mu couldn't take it.

however, her hard work was worth it. the next day, she received bo yi's 8%, but she didn't immediately give it to ye muyun because she wanted to wait and see.

Chapter 2262: He only wanted to protect her (part one)

At this moment, B city was shrouded in a cloud of smoke.

boyi had changed.

the entire B city's upper class knew that ye mu yun was going to force her to abdicate.

boyi was divided into two factions. one faction was that no one supported hanhan. after all, tang yu was having fun overseas and didn't want to go home. and xue 'er was also too hanhan to make any progress. she wasn't cut out for business.

The other faction was ye mu Yun's iron-blooded subordinates, but these people weren't the most important. The most important ones were the shareholders of Bo Yi.

Tang Xue 'er's shares had the upper hand, but she wasn't good at management. Before she could find someone to replace CEO ye, miss Tang had to listen to ye Muyun on many things.

at this time, the stack of photos gave the upper-class society a layer of ambiguity.

Actually, it was not embarrassing at all because the male and female protagonists were engaged. To put it bluntly, they were husband and wife. However, she was also the female protagonist and was also the female protagonist in this show. People could not help but think that this time, was it Tang Xue 'er's counterattack?

boss ye loved miss tang to death. this time, miss tang couldn't win against him openly, but it was possible that she would use her feelings as a weapon secretly.

The photos taken by Lan Yu, because he 'accidentally' lost his phone when he was eating in the restaurant and going to the bathroom, and the photos taken with Xue 'er in the phone were on the entertainment headlines, causing a sensation for three consecutive days.

That photo wasn't just of her alone. There was also a photo of her and Lan Yu.

at the top of bo yi's office building, ye muyun was holding a newspaper in his hand and standing in front of the floor-to-ceiling window.

he was wearing a pair of gray trousers and a dark blue shirt. he looked like an elite.

Behind her, Gu ze stood quietly with a serious expression.

After a long time, he couldn't help but quietly say, " " ceo ye, it can't be xue 'er. she has no reason to do this. "

At the press conference that day, Gu ze clearly remembered how careful Xue 'er looked at CEO ye when Lan Yu appeared. She was like a child who had done something wrong.

at that time, he couldn't bear to see it!

the newspaper was torn into pieces by ye mu yun's fingers and fell to the ground piece by piece, shocking everyone who saw it.

Ye Muyun suppressed her voice. Gu ze, she won't.

however, that person called lan yu would.

this was lan yu's provocation to him!

Ye Muyun slowly turned his head. do you think Lan Yu loves her? "

if you loved someone, would you expose that person's body to the world like that?

Although she was wearing a shirt, it was a man's bad habit to not let anyone see his woman's body, let alone such a bed photo!

Gu ze was silent for a while. He looked at ye Muyun indifferently. CEO ye, what about our plan? "

"Continue with the execution." Ye Muyun turned around and looked at the scenery outside. He said very lightly, " "she's so silly, she needs someone to protect her."

Even if it was a little intense, he still wanted to protect her for the rest of her life.

Even if she was by someone else's side!

for the past few days, he had been thinking that if they didn't have a child, would he impulsively tie her up and bring her back to his side? even if he had to become the enemy of the whole world, he would force her to stay.

however, she and lan yu had a child, such an adorable child.

Ye Muyun's voice sounded very tired as he spoke. Gu ze sighed slightly but didn't say anything more!

when he left, he was only thinking that in this life, ceo ye was living for tang xue 'er.

In this life, she would always be.

Chapter 2263: he only wanted to protect her (part two)

The office door closed, and Gu ze bumped into his Secretary, Zheng Xinyi, at the door. She was holding a cup of coffee and looked like she was about to go in.

Gu ze's figure paused and he smiled very lightly. "secretary zheng, the president isn't in a good mood right now. i think it's better if you don't go in. "

zheng xinyi looked up and met gu ze's deep eyes. she smiled. " i think president ye needs a cup of coffee now. "

"It's no use!" Gu ze's tone became even more indifferent. all these years outside, do you know how many women are younger than you, more beautiful than you, and even have a much, much better family background than you? they threw themselves into CEO ye's arms, but CEO ye has never accepted Wanwan.

zheng xinyi's face was filled with embarrassment from being exposed, but she quickly retorted, " "That's because CEO ye hasn't given up yet! Now that Tang Xue 'er has a husband and a child, does CEO ye still need to keep her chastity for her?"

gu ze's gaze became more meaningful when he heard her words. he only said, " you seem to be smarter than song keren! "

in fact, he was even stupider!

the reason why song keren could be ceo ye's temporary girlfriend was because she was the same age as xue 'er and qianqian's face looked a little like xue' er's.

Did Zheng Xinyi not realize this?

Or, he was pretending not to understand!

Gu ze didn't say anything more and left quickly, leaving Secretary Zheng standing outside the office with a cup of coffee in his hand. He was a little hesitant, but she didn't hesitate for too long. She pushed the door open and smiled appropriately. CEO ye, you're a little hesitant.

“get out!” Ye Muyun wasn’t as gentle to her as he was to Gu ze. His attitude was a rare, rough one.

The smile on Zheng Xinyi’s face froze. She had thought that no matter how indifferent he was to her, he was still an excellent Secretary and would give her the respect she deserved.

however, at this moment, she was stunned by his rudeness.

He was no longer the noble young master, but an ordinary man who was trapped in love.

zheng xinyi’s eyes were brimming with tears that were on the verge of falling, and she revealed the fragility of a woman at the right time.”CEO ye, Wanwan.”

“you’re the secretary! you’re not my personal relationship counselor, so you can either resign or apply for a transfer by today.” Ye mu Yun’s voice was somewhat impatient.

Zheng Xinyi took a deep breath and almost lost her grip on the coffee in her hand. After a long while, she bit her lip and asked softly, ” is it because other than Tang Xue ‘er, no one else has a place in your heart? ”

originally, he didn’t want to answer her, but ye muyun still replied, ” “yes.”

“Why?” Zheng Xinyi looked as if she had been insulted, and she finally could not help but get excited. “she’s already married. didn’t you see those bed photos?”

What she didn’t say was that your woman had slept with someone else. When you were thinking about her, she was lying under someone else’s body and enjoying herself!

Her excitement didn’t bring her any substantial benefits, and she was dismissed.

Ye Muyun finally turned his head slowly and looked at Zheng Xinyi quietly. It seemed to be the first time he looked at her so carefully in all these years.

Without the immaturity of her student days, she was undoubtedly a little more beautiful. It was this beauty that gave her confidence and made her feel that he would fall in love with her over time.

Ye Muyun’s deep gaze made Zheng Xinyi’s heart skip a beat. She was uneasy and nervous.

she didn’t know what he was thinking now, and she didn’t know what he was going to say next.

Chapter 2264: he only wanted to protect her (part three)

She firmly believed that after Tang Xue ‘er got married, had a husband, and had children, any smart man would give up on Tang Xue’ er. After all, with President ye’s status, he would not accept a divorced woman.

But after ye mu Yun looked at it for a few seconds, he slowly walked to the desk and pressed the internal line, ordering in an extremely light tone,”Get the HR department and the security guards to come over.”

Zheng Xinyi was stunned for a moment, then she took a step back. President ye, please tell me that I was wrong.

ye muyun didn't say anything. he just took out a cigarette and lit it with the lighter. in the blue flame, zheng xinyi saw his eyes clearly. they were deep and cold.

this gaze made zheng xinyi understand that he would never be able to accept her.

The security came over very quickly, and the Human Resources Manager quickly understood the situation. When he looked at Zheng Xinyi, his expression was a little contemptuous. Qianqian was another woman who overestimated her own abilities.

Was president ye such a casual man?

What gave her the confidence to think that now that there was going to be a change in Boyi's internal affairs, President ye and the eldest miss would be finished?

No one can say for sure what will happen tomorrow until the story ends.

zheng xinyi left boyi. before she left, ye muyun suddenly said, "Do you know why I've kept you alive until now?"

Zheng Xinyi did not say anything.

what you've done for Zhou chongguang is enough for you to end up in jail for a few years just like Gu Mei. But now, there's no need for that. You'd better take care of yourself!

ye mu yun's tone was very calm and gave her the final answer.

Zheng Xinyi was stunned. She had never thought that he would know.

but, why didn't he expose her all these years?

As if he knew what she was thinking, ye Muyun's voice was faint. because you're her past, and I'm just keeping her past by my side. Besides, she'll be angry.

Zheng Xinyi took a deep breath. It was just like that. So, it was just like that.

in the past, she had worked for zhou chongguang, but later on, her feelings for zhou chongguang had faded.

he was no longer the piano prince that she liked. her gaze started to involuntarily chase after ye muyun. compared to zhou chongguang, ye muyun was more faithful.

She liked this determination, but she also hated it.

Just like now, she lost to his loyalty. She didn't lose to Tang Xue, but to ye mu Yun.

Her love for him was not worth mentioning in front of him. If she said it now, she would only humiliate herself.

Zheng Xinyi left, bringing with her what was left of her self-esteem. However, when no one was around, it shattered into pieces.

however, no one paid any attention to this.

Standing under Bo Yi's building, Zheng Xinyi understood one thing. She would never become the female lead of those outstanding men, because she had always been ordinary.

In the top floor office of Boyi, ye Muyun was still standing alone.

gu ze knocked on the door and came in. " chairman ye, we've already recycled the physical publications to the greatest extent. in addition, we've also cleared the mainstream media on the internet. however, we can't do anything about those that have been downloaded. "

"Thank you for your hard work." Ye mu Yun nodded.

he slowly turned around and looked at gu ze. " how is she? "

at this moment, he didn't care about the changes in boyi. he only cared about how she was and whether she would be angry when she saw these photos.

Gu ze hesitated for a moment. Xue 'er has been staying in the hotel for the past two days. The incident with the photos must have affected her. However, I found out one thing. It's Yingluo.

Gu ze was obviously hesitating. He didn't know if he should tell ye Muyun, so after a long pause, ye Muyun didn't rush him and waited patiently.

Chapter 2265: lan yu, did you do it?(1)

Finally, Gu ze opened his mouth. Lan Yu has a female assistant. She's been with him for about ten years. I heard that they were University classmates. Once they graduated, that woman followed Lan Yu. in the past two days, that woman had come to B city. she had asked to meet xue 'er in the morning! As for what they're going to talk about, we don't know because it's a private room."

"What about Lan Yu? does he know?" ye mu yun spoke.

I don't think so, " Gu ze said calmly. yang Yanni immediately took the nearest flight back to new York after meeting him. She should be on the plane right now.

Ye Muyun nodded. find someone to follow her and bring her over when necessary. I have something to ask her.

gu ze hummed and left.

.....

Xue 'er walked into the study room of the hotel suite and looked at Lan Yu. She pursed her lips and asked softly, " "Why are you doing this?"

Lan Yu was on the phone, probably with his personal assistant yang Yanni from new York.

After hearing Xue 'er's words, he turned his head and said to yang Yanni, " I'll call back later. with that, he hung up the phone.

Xue 'er looked at her new phone and tilted her head. don't tell me you dropped your phone.

"yes, it fell!" "is it because of those photos?" lan yu asked indifferently.

Xue 'er pursed her lips. I want to ask, why are there those photos? why did they end up in the hands of the reporters? ”

the corners of lan yu's lips curled up into a smile. ” “Xue 'er, do you really not know why?”

he took a step forward, while xue 'er took two steps back. her face was full of distrust.

Lan Yu's gaze was a little deep, and his thin lips slowly spat out a few words, ” “because i care.”

“So you deliberately took those photos to hurt him? Is that so?” “Lan Yu, what are you doing?” Xue 'er's eyes were filled with doubt.

” our marriage is fake. we didn't even register our marriage. we only have a marriage certificate that can be used to trick yishu. yingluo, you don't want to turn this fake marriage into reality, do you? ” Xue 'er pursed her lips. you know, I can leave whenever I want. I don't even need to be restricted!

lan yu's face was filled with anger. ” “i can make that piece of paper real at any time.”

“i've missed a number on the passport.” xue 'er quickly spat out a sentence, which also successfully made lan yu's expression change.

He had never thought that Tang Xue 'er had such deep thoughts.

At that time, she was clearly on the verge of death. She would sign whatever he asked her to sign. She would almost listen to the words of the benefactor who saved her life. She did not expect that she would still have this last trick up her sleeve.

“Do you know why I was able to successfully fool them?” xue 'er's voice was very, very soft.

Lan Yu looked at her with a frown.

“It's because of yang Yanni,” Xue 'er's voice was cold. I didn't know what her relationship with you was at first. I always thought that you were a lustful person, until I saw this!

In Xue 'er's hands, there were phones. “you're too careless.”

Lan Yu's expression changed.

“In here, other than the photos you took for me, there's also the love interest between you and yang Yanni.” Xue 'er enunciated each word clearly, ” “you and her have a harpy relationship,”

that was why their marriage certificate went wrong when it was in yang yanni's hands.

Such a low-level mistake would never happen in the hands of a professional secretary.

The only possibility was that it was yang Yanni's selfishness.

Chapter 2266: lan yu, did you do it?(2)

after xue 'er finished speaking, lan yu's expression turned extremely ugly. he still stood there and smiled very indifferently, " " yes, we used to be in a relationship, but after we got married, i never touched her again. "

"We've never been married!" "Lan Yu, don't lie to yourself," Xue 'er laughed coldly.

Xue 'er raised her hand and threw a stack of photos at Lan Yu's face. "This is the answer, and also your scheme to get close to me, isn't it?"

Those photos fell on Lan Yu's face like snowflakes, tearing their faces apart.

Five years of living together couldn't be compared to the one time he hurt ye Muyun.

Lan Yu didn't know why, but he felt sad and sad. However, it wasn't for Lan Ting, but for himself.

he looked down at the photo by his feet and smiled faintly. " all these years, i've been nothing to you, right? "

Xue 'er pursed her lips and said stubbornly, " "yes,"

However, there were tears in her eyes.

For the past five years, she had always treated him like an older brother and a teacher. However, he had a motive for getting close to her.

because of his sister.

ten years ago, when ye Muyun was studying in new York, your younger sister, Lan Ting, was madly in love with him. However, she failed to pursue him and jumped off a building. xue 'er's voice was very light, but she also very cruelly brought out the pain in lan yu's heart, " so, you felt that the best way to get revenge on him was to make it so that we could never be together. You married me, but you couldn't accept being with me for real, so you used many methods.

xue 'er looked at him and asked slowly,"what about yishu?" Is he your and yang Yanni's child? are you being fair to him by doing this?"

a cold smirk appeared on lan yu's face. " there's nothing unfair to him. he's my son. "

Xue 'er closed her eyes. I will take him away.

leave?

lan yu stepped forward and held her shoulders. he narrowed his eyes. " where do you want to go? "

"Take Yishu back to new York." are you crazy? " Xue 'er broke free from him. I can't let Yishu be with you.

yi shu was such an adorable child. she didn't want him to live in a world full of hatred.

However, just as she broke free, Lan Yu grabbed her hand again. His face was full of anger. then what about my sister? did she die in vain? "

“you’re paranoid. you clearly know that she’s the one who can’t think things through! It’s not related to ye mu Yun at all.” Xue ‘er pursed her lips and looked at Lan Yu. you siblings are both sick!

as soon as she finished speaking, her body was pulled into his arms. his arms locked her like steel. he said in a deep voice, ” since you already know everything, i might as well tell you some more things. ”

xue ‘er was stunned.

there was only gloominess and hatred left on lan yu’s face.

All of this had far exceeded Xue ‘er’s imagination.

lan yu had always been a gentle man with a melancholic aura. but now, his face was filled with hostility.

“Do you know Zhou chongguang’s father?” lan yu lowered his head and leaned close to her ear, ” it wasn’t a coincidence. It was a deliberate arrangement.

Xue ‘er’s eyes widened in shock.

She didn’t know that from then on, Lan Yu had already infiltrated her life.

He, Yingying, was too terrifying.

” i calculated everything. i calculated that he would lose you, but i seemed to be wrong. ” Lan Yu’s eyes were deep.”it seems that you still love him.”

Chapter 2267: Lan Yu, did you do it?(3)

“What do you want to do?” Xue ‘er’s body trembled.

“if i destroy you, do you think he’ll still want you?” lan yu whispered in her ear, his voice low and hoarse, ” I heard that he almost went crazy just by looking at those photos.

xue ‘er narrowed her eyes, then raised her hand and gave lan yu a tight slap. ” “You’re crazy.”

He took her slap without retaliating.

He just suddenly pulled her into his arms and kissed Yingluo hard.

xue ‘er was frightened. her little face moved desperately to prevent him from having his way. however, he always had a way to find her. in the end, he bit her neck. his strength was so strong that it was as if he wanted to swallow her alive.

Xue ‘er kicked and hit him, but he didn’t let go.

bright red blood flowed down her small neck, drop by drop. she was like a small animal on the verge of death, wailing.

she knew that if lan yu did not let her go, she would not be able to escape.

She dug her hand into his arm and said in a hoarse voice, "Lan Yu, is it worth it to sacrifice your entire life for someone who has already left?"

Lan Yu finally let go. He looked at the dark red blood on her fair skin and his eyes darkened. Is it worth it? She's my sister too.

Xue 'er touched her neck and looked at Lan Yu. She hit the nail on the head, "The person you like is your sister."

Lan Yu's expression changed.

All these years, the shame and anger of having her forbidden thoughts exposed.

His eyes became terrifying.

Xue 'er wanted to escape, but he pulled her into his arms from behind.

"I want you now. I should have done this long ago." he murmured in her ear, "this way, you won't be able to escape."

Xue 'er was stunned for a moment. She screamed, "No! Let go of me, Lan Yu! You're a pervert!"

She had a deep fear. If Yang Yanni didn't deliberately reveal a flaw to her, she didn't know how long she would've hurt Ye Muyun. Their separation was all because of Lan Yu.

She had even lived by Lan Yu's side for such a long time.

Xue 'er bit her lip and refused to let him have his way. However, Lan Yu's well-defined fingers pinched her little chin. She was in pain and was forced to open her mouth.

At that moment, Xue 'er was extremely embarrassed and angry. Her eyes were fixed on Lan Yu, as if he was a stranger.

Furthermore ... It was filled with disgust.

Lan Yu suddenly couldn't stand such a gaze. He squinted his eyes. I will make you do it willingly.

With that, he dragged her into the study with one hand and took out a pill with the other, stuffing it into her mouth.

Xue 'er turned her face away and didn't want to eat, but he pressed her down and fed her.

It melted in the mouth and was very sweet.

However, Xue 'er immediately guessed what it was!

There was fear in her eyes. She probably knew what he was trying to do.

Lan Yu's face was no longer gentle. All that was left was a twisted expression of revenge.

He dragged her into his bedroom, turned on the infrared camera, and turned on the lights in the bedroom.

He threw her onto the bed and stood at the end of the bed. He looked down at her with a faint light in his eyes. "Since you already know! You don't need to hide it, Yingluo."

He lowered his body and bit her lip. Now, let's start a new relationship, okay?"

xue 'er looked at him in horror and bit her little mouth so hard that it was almost bleeding ...

She firmly believed that Lan Yu had already gone crazy.

Chapter 2268: Big brother, be my antidote (1)

She widened her eyes and watched as he moved towards her step by step. Just as he was about to kiss her on the lips, a timid voice came from the door."Daddy, Yingluo"

There was a hint of timidity and fear in her soft voice.

lan yu's originally wild body suddenly turned cold as he turned his head to look at the door.

Little Yi Shu was standing by the door, wearing a pajama set, looking especially cute.

his little face was filled with confusion. he was young and didn't understand why his father was pressing down on his mother. why was his mother crying? although there were scenes of adults kissing on tv, it was obvious that his father and mother were different now.

the little guy stood at the door with tears in his big eyes. but the little lamb was a little man, so he did not cry. if he did, his mother would cry even more sadly.

no matter how angry lan yu was, when he looked at little yi shu, his heart softened a little.

Dejected, he turned to the side and calmed himself down. He then turned to look at Xue 'er and said in a hoarse voice, " "I'll ask the doctor to come over."

The medicine was strong. If there were no men around, she could only give him an injection.

Xue 'er closed her eyes and tried her best not to hug him. She didn't want to lose her composure in front of Yi Shu.

lan yu sat up and smiled at little yi shu. " mommy is sick. daddy will call the doctor over. "

"really?" the little guy ran over and half-knelt beside xue 'er. he reached out to touch her forehead and said in a baby voice, " mommy, don't cry. you'll be fine after the doctor gave you an injection. "

then, she felt a soft little guy in her arms. there was the smell of milk on his body. it was a smell she was familiar with. it was her salvation.

Lan Yu leaned against the head of the bed, his gaze landing gently on the mother and son. His tone was very calm as he called the LAN family's family doctor over.

Xue 'er suppressed her voice. just get the hotel's doctor.

He pressed a hand on her shoulder and smiled. do you think I'll let ye Muyun have the chance to know what happened between us? "

"Do you think we can still live in peace like before?" Xue 'er gritted her teeth, closed her eyes, and held little Yi Shu in her arms.

No matter how clueless Yi Shu was, she knew that her parents were fighting, and it was a serious problem.

the little guy bit his lip and hugged lan yu. he started crying, " daddy, don't bully mommy. "

Lan Yu had a little thing in his arms. After all, he had brought her up, so his heart softened a little. He was about to say something, but Xue 'er had already rolled off the bed from the side and escaped towards the door.

Lan Yu's heart was in shock. She had been fed that medicine and it was very dangerous for her to go out now. There was an 80 – 90% chance that she had found a man to f \* ck herself.

He couldn't care much, he pushed little Yi Shu to the side and chased after him, but this push caused little Yi Shu's forehead to hit the corner of the bed, and a trace of blood flowed out.

it was clearly a small wound, but the blood couldn't be stopped, like a thin line of water!

lan yu cursed under his breath. at this moment, little yi shu's life and xue 'er's chastity were placed together. he had chosen his son's life. he knew that she would come back. for yi shu, she would come back.

Moreover, those photos had already cut off her escape route.

In ye Muyun's heart, Tang Xue 'er was already his wife. Those photos were enough for that man to torture her all night. He would spend the rest of his life in torture.

Chapter 2269: Big brother, be my antidote (2)

Little Yi Shu was still crying in a low voice. Lan Yu gently coaxed him and carried him out, driving directly to the hospital.

little yi shu's body was special. once he touched the blood, it would be difficult to stop it. moreover, he had h-negative blood, and lan yu happened to have h-negative blood. it seemed like god had arranged it this way. little yi shu should be his son.

At this moment, Lan Yu had no other choice.

when something happened to yi shu, everything he had disappeared.

as lan yu was driving, he had this thought. he asked himself in his heart, "

what did he have all these years?

Had he already started to miss her?

he was reluctant to part with this seemingly warm family. did he take it seriously?

Was it because she had been acting for too long and was too immersed in the act?

He was in a complicated mood, and he was still thinking about Xue 'er's medicine. He wanted to call her, but she must have left her phone behind.

In the end, he called the hotel's manager on duty and told her that his wife had drunk a little and asked them to help look for her. He was going to take his son to the hospital at this time ...

mrs. lan was the big miss. no one dared to neglect her. if they couldn't find her, they would turn on the surveillance camera.

In the end, he confirmed that Xue 'er was sitting at the door of the suite on the top floor. She was very thin.

The manager on duty heaved a sigh of relief. Just as he was about to call Lan Yu, the girl beside him bit her finger and said, "miss Tang doesn't look right. Are you sure you want to call Lan Yu and not CEO ye?"

the manager on duty pursed his lips and changed his mind at the last minute. he called ye muyun and said the same thing as lan yu, saying that he had drunk too much and was now at the door of the presidential suite on the top floor.

ye muyun arrived in five minutes. he just happened to pass by and gu ze came with him.

The elevator on the top floor opened. Ye Muyun looked at Xue 'er and raised his hand, indicating for Gu ze to not follow.

Because just by looking at her eyes, he could tell that there was something wrong with Xue 'er.

"Should I call the doctor?" gu ze asked softly. he could see it too. it wasn't just her eyes. even her skin was red. he could tell that she had taken some medicine.

The manager on duty came over from the other side and whispered, "chairman ye, mr. lan said he's taking our son to the hospital."

Ye Muyun narrowed his eyes and said to Gu ze, "Go and check it out."

Gu ze nodded and then motioned for the manager to leave with him.

The manager didn't know what to do and asked, "don't you want to call the doctor?"

Gu ze wanted to scold someone. Didn't he see that what Xue 'er needed now was not a doctor, but the man he had his eyes on!

CEO ye was his f \* cking man!

the manager was frightened by the sharp look in vice president gu's eyes. he shrank back a little and immediately followed him with small steps. he shrank back into the elevator and stammered.

gu ze looked at her and said in a cold voice, "do you know the consequences if you say a single word about what happened today?"

After all, Tang Xue 'er was married now. If anything happened between her and President ye, it would be very disadvantageous.

the manager gulped and immediately nodded to show that he understood ...

what else was there that he didn't understand? what he was interested in was that ceo ye wanted to sleep with the eldest miss. the eldest miss was already married, but ceo ye still had to personally give the antidote?

She had a husband, and she could even find a doctor.

This kind of thing didn't need boss ye to personally do it, right?

If he did, it could only mean one thing-it was boss ye's own idea!

Gu ze's voice was cold again. "speak less and do more!"

Chapter 2270: Big brother, be my antidote (3)

at the door of the presidential suite, ye muyun reached out and touched xue 'er. he was stunned for a moment,

She was very hot, and her whole body was burning hot.

he narrowed his eyes. what did she eat?

who fed her the medicine? blue universe?

Ye Muyun picked her up and kicked open the door of the suite. She was in a daze the entire time and didn't struggle in his arms.

Her body was very hot, but her mind was wandering. She could only clench her teeth and endure it.

She was hot and cold. She only knew that she was in ye Muyun's arms and felt very safe.

At this moment, she didn't want to think about anything. She just wanted to be with him quietly for a while.

The past, the separation, Lan Yu, Zhou chongguang, and Qin Mu, all of them no longer existed. In this suite, there were only the two of them.

she and brother yingluo.

xue 'er suddenly opened her eyes and looked at him with watery eyes. her voice carried a hint of impatience, like a little kitten from a village, alluring but unconsciously, " "big brother."

Ye Muyun's voice was as deep as water. He hummed and placed her on the wide sofa.

She laid on his knees and began to kiss his chin and cheeks like a little baby Beast.

There was a ball of fire in his arms. He wanted her, but he still cared about her.

it would be a lie to say that he didn't care. he cared that she once belonged to someone else, and he cared that she still belonged to someone else.

"Tell me, who fed you the medicine?" He pressed his forehead against hers and asked her in a low voice.

her eyes were blurred and wide open. she shook her head. " there's no qianqian, no qianqian. "

she was in pain all over, but her mind was clear.

She knew what it meant when she said it. It meant that she would lose Yishu and that there would be a storm of blood in B city!

she had fallen out with lan yu, but for yishu, she knew that it wasn't over yet.

However, her heart was also filled with sorrow. Between her and Yi Shu, or between revenge and Yi Shu, Lan Yu chose Yi Shu, and she also chose Yi Shu between all the hatred.

after so many ugly things, she was not willing to give up on that little person, even if he was lan yishu's son, in xue 'er's heart, he was her own child.

Her body was very hot, but she was in tears.

she didn't know how many times she had begged him, and she didn't know how cold his eyes were when he looked at her.

However, as he kissed her, his clothes fell one by one. The man's trousers, shirt, and her only clothes were thrown on the ground and piled together, looking extremely intimate.

The effects of the drug took a long time, and he used the entire night to calm down the restlessness of her body.

When she woke up, he was still there. He had already put on his clothes and was standing at the head of the bed, looking at her with deep eyes.

Xue 'er's body stiffened for a moment. She instinctively pulled the blanket up and pursed her lips.

"isn't it too late to block me now? Mrs. LAN!" His tone was somewhat mocking, and then he walked towards the living room, saying as he walked, " "We can talk."

Talk?

she did not understand. what could they talk about?

boyi?

or was it because of their relationship?

She felt a little guilty. No matter what, she had used him last night.

She knew the limits of a man's physical strength. Last night, they did it no less than five times, and each time, it was about an hour.

He woke up so early in the morning. Was there any problem with his body?

would he be squeezed dry?
