

## Thank you 2271

Chapter 2271: Big brother, be my antidote (4)

Her mind was running wild, but she didn't forget that Yi Shu was in the hospital. When she ran away, Lan Yu pushed Yi Shu. She remembered that, but Lan Yu didn't catch up with her. He must have taken Yi Shu to the hospital.

she pursed her lips, lifted the blanket, and got out of bed. when she landed, the corners of her mouth were twisted because of the pain.

in fact, by the end of last night, the effects of the drug on her had long worn off. it was completely a one-sided demand on his part. he did not stop even when she was in pain. it was as if he was punishing her, but more like punishing himself.

xue 'er's heart was a little dark. he was probably very unwilling to sleep with her. after all, she was a married woman.

she didn't know how to tell him what she knew. could she tell him that because a girl jumped off a building for him, lan yu took revenge crazily, which caused them to be separated for all these years?

she wouldn't be so pretentious as to think that this was ye mu yun's fault.

it was her fault. she was not cruel enough. one yi shu was enough to hold her back.

yang yanni wanted her to find the answer herself, but she didn't know how to find qianqian and lan yu. was there any secret she didn't know?

Before yang Yanni left, she said something meaningful, "Annn, the truth is right beside you. When you find it, you will be able to get rid of blue universe. believe me, before that, don't leave him, or you'll lose the most precious thing in your life."

She didn't like yang Yanni, but she was always afraid of what that woman said.

she put on a shirt absent-mindedly and walked straight into the living room without realizing that it was his.

Breakfast had already been delivered. Ye Muyun stood by the window and said indifferently, " go to the hospital to see your son later!

Xue 'er's body shook.

"Are you surprised?" he turned to look at her with a suppressed expression. " mrs. lan, i really want to know if you thought about your husband when you were mocking me in my arms last night. Hmm?"

xue 'er covered her face with her hands and smiled gently. she knew that he had not slept for nothing.

This was the beginning!

"you can call the doctor." she said softly.

He was still suppressing his emotions. yes, I can call the doctor! But what about you, Tang Xue 'er? can you also call the doctor? Instead of waiting for me at the door of the suite where we used to spend our engagement night. Yingluo, you knew that the hotel staff would find you, but you were waiting for me here, waiting for me to f \* ck you, right?"

He even walked closer slowly and pinched her small chin, forcing her to look up at him. His deep eyes searched her small face. does Lan Yu know that you have slept with your ex again? "

As her face turned pale, he smiled again. "He probably doesn't know how many times we did it during the Yunnan trip. When he F \* cked you, didn't he feel that his wife's body was different? Can't you feel that you've done it with someone else?" He leaned close to her ear and spoke almost evilly.

xue 'er's face turned completely white, and she couldn't say a word.

At this point, even if she said that she had never had sex with Lan Yu, he would not believe her!

the photo lan yu posted on the internet made her chuckle. he was really good. he had cut off her path of retreat.

he had taken advantage of a man's psychology and sent such a photo. any man would mind it.

However, she did not understand ...

"Does President ye think I'm dirty?" Xue 'er raised her little face. you think I'm dirty and still want to sleep with me? "

He narrowed his eyes and sneered. I just want you to know who can satisfy you more!

Chapter 2272: you seem to be used to stealing food (part one)

" really? but i think ceo ye is enjoying it! " She was infuriated and argued with him!

Ye Muyun tightened his grip on her chin. When her face turned pale, he suddenly let go of her and smiled with a bit of mockery. "Yes, I do enjoy it. After all, Mrs. Zhou is very beautiful."

Xue 'er was extremely angry and wanted to slap him, but her arm was caught by him in mid-air.

he lowered his head and looked at her with a burning gaze. " what's wrong? you're not going to admit it after you've had your fun, huh? "

he let go of her, and xue 'er took two steps back, still staring at him.

However, she didn't want to argue with him. She was hungry.

She hadn't eaten for a whole day, so she sat at the table and ate slowly.

She was very quiet, unlike her usual self.

Ye Muyun looked at her like this and thought of how she would look at him at least a dozen times when she ate in the past. She would say to him, " brother, I don't want to eat this, brother doesn't want to eat that!

he still remembered how she had hugged his neck and called him brother when she was at her weakest last night.

he just stood there and looked at her. his gaze was deep. ” tang xue ‘er, do you love him? ”

xue ‘er’s hand that was holding the fork trembled. she looked up at him.

Then, she lowered her eyes and asked softly, ” “Is it important to you?”

Ye mu Yun snorted, ” what do you think? ”

xue ‘er’s heart skipped a beat, but she managed to calm herself down. she smiled and mimicked him, ” what do you think? ”

he glared at her with a dark expression.

Xue ‘er ate very quickly, probably because she was really in a hurry.

after she was done eating, she stood up and looked at him. ” can you take me to the hospital? ”

“Aren’t you afraid that Lan Yu will find out that we’ve slept together?” Ye Muyun indifferently took out a cigarette and put it in his mouth. He lit it and took a puff.

Xue ‘er wiped her lips and walked towards the changing room. it’s already happened. Are you still embarrassed, CEO ye? ”

She stood at the door of the changing room, a small flame burning in her eyes. CEO ye cares. Didn’t you think it through before doing it with me? ”

“i’m just anxious because i see you.” his gaze became deeper as he spoke slowly.

xue ‘er’s face turned red, then white, then red. in the end, she didn’t say anything and went in to change her clothes.

When she came out, she saw that ye Muyun had also put on his coat and was holding his car keys.

When they got into the car, his voice was very calm. you don’t look like a particularly anxious mother.

Xue ‘er fastened her seat belt and looked up at him. ye Muyun, if it were you, do you think you’d immediately go to see your child with a messy appearance after you’ve slept with an extra-marital man? ”

Ye Muyun’s hand on the steering wheel suddenly moved to her lips and sneered. “mrs. lan, you seem to have gotten used to eating secretly.”

Xue ‘er turned her face away. none of your business.

He pinched her small chin, his eyes burning. She couldn’t stand that kind of judging gaze. ye Muyun, if you don’t want to send me, I can go to the hospital myself.

he chuckled, released his hand, and started the car.

Along the way, the two of them did not make a sound, each with their own thoughts. He stopped the car when they reached the hospital.

Xue 'er unbuckled her seat belt and said lightly, "Thank you. Goodbye."

"are you thanking me for sending you here or for satisfying you for one night, Mrs. Lan?" His voice was still mocking.

xue 'er couldn't take it anymore and raised her voice, "ye mu yun, if you're not willing, i can find someone else. "

Chapter 2273: You seem to be used to stealing food (2)

"Is this your moral integrity?" There was a hint of mockery in his voice. or is Lan Yu unable to satisfy you at all? "

Xue 'er glared at him.

who drugged her? did Mrs. LAN do it for fun when Mr. Lan wasn't home? " he said nonchalantly and glanced at her again, his voice even slower. " or did you miss me? "

"If that's what boss ye thinks, I have no objections." Xue 'er said with a fake smile.

as she spoke, she reached out to open the door and was about to get out of the car when he grabbed her thin arm and said, "are you sure you want to return to his side?"

xue 'er's body froze.

at this moment, there was no harm or quarrel between them. there was only a man and a woman who had grown up.

he was the closest person to her in this world.

she thought that he was indeed very good to her yingluo. if a man felt that he had been betrayed, he would still care about her when he was about to force her to abdicate. now, he would still ask her if she wanted to return to his side.

in the eyes of the public, she already had a husband and a child.

he still wanted her like this?

there was a sour and sweet feeling in her heart. then, she pursed her lips and looked at him. " ye mu yun, take a guess. "

As she spoke, she opened the door and got out of the car.

he didn't follow her down, but sat in the car and watched her back in a daze.

he looked at her and thought carefully about the time he had spent with her after their reunion ...

Suddenly, he narrowed his eyes.

Her small waist was so thin, and she clearly didn't look like a woman who had given birth before. She still looked like a young girl. Also, when they had sex again, he felt that she was in a lot of pain.

If she had given birth to the child naturally and had maintained a long-term husband and wife relationship with Lan Yu, there was no reason for her to be in so much pain.

she didn't look like a girl who would mess around after getting married.

And last night, even though she was drugged, she was clearly very active in the last two times, pestering him to call her brother and not stop moaning.

all of this made him feel that her marriage with lan yu was not that simple.

Ye Muyun's eyes narrowed and his slender fingers clenched tightly ...

Xue 'er walked towards the hospital without any hesitation. The fear from last night had disappeared in an instant.

she was no longer afraid of lan yu. no matter how deep lan yu's schemes were, he would still have a weakness.

She suddenly stopped and ran back with all her might. Ye Muyun's car was still there. The window was down and he was sitting in the car smoking.

He wasn't surprised to see her return, but just looked at her indifferently.

Xue 'er's steps slowed down, her heart boiling.

Suddenly, she felt that Lan Yu had become a bad person and her entire body relaxed. It was as if she didn't owe him anything anymore. It was as if she could still turn back resentfully.

however, she didn't know if ye muyun still wanted her.

She felt uneasy and wanted to ask him if he could wait for her, but she was so flustered that when she asked, the tone of her voice changed and she said, "ye mu yun, will you still save me next time?"

his face darkened and he put out the cigarette. "mrs. lan, solve it yourself next time."

she bit her lip and said in a delicate voice, "how do i solve it myself?"

his face turned even darker, as if it was the first time he had seen her. then he sneered, "i can teach you for free, hand in hand."

then, he started the car and drove away.

xue 'er stood there and watched his car leave, then she laughed.

It's not bad to teach him hand in hand, Yingluo.

Chapter 2274: let's start over (1)

ye muyun's car arrived at the entrance of the hospital. he suddenly stopped and let out a long breath.

he was facing a huge temptation.

he didn't know if it was poisonous, but he had already swallowed half of it. if she and lan yu were on the same side and were deliberately lying to him, then he would probably be beyond redemption if he swallowed the other half.

he leaned on the steering wheel and felt a slight headache.

time was running out.

between him, lan yu, and xue 'er, there had to be a conclusion.

if she was happy, he would let her be happy just because she had a son. even if he got bo yi, it was for her safety.

he did not trust anyone. all he wanted was to protect the tang family for her so that she could come back to a place at any time.

Whether he was happy or not was not that important.

One song keren had already made her very angry. One song keren had already made him realize that he could not love anyone else. Even if he forced her, he could not do it.

he dialed gu ze's number. " arrange for some people to monitor lan yu. "

He paused for a moment. also, create some trouble for Boyi. I need to go to New York. Remember, the trouble must be big enough to get the largest shareholder to go with me.

gu ze immediately understood and nodded. " "Alright," he said.

ye muyun slowly drove the car away from the hospital and xue 'er walked into the inpatient department.

little yi shu was still unconscious, lying on the bed, while lan yu was standing by the window.

He probably heard the sound of the door opening, so he said in a very light voice, " "Who did you look for last night?"

He called the hotel but she didn't go back to her room. The people at the hotel were mumbling. He wasn't sure at first but he saw ye Muyun's car just now. What else was there to be uncertain about?

They had slept together last night.

lan yu turned around and looked at xue 'er quietly. he smiled, " "You went to him?"

"Does it make a difference who I sleep with?" Xue 'er walked in and sat by the bed, looking at little Yi Shu. Her voice was very low. Lan Yu, aren't you tired of living in hatred? You clearly know that this isn't his fault, he just rejected your sister!"

Lan Yu's gaze was deep. you want to say, return to his side, huh? "

Xue 'er shook her head.

” i’m very curious. after what happened last night, how did you still dare to return to my side? ” lan yu laughed lightly. ” because i saved you? ”

Xue ‘er lowered her eyes and looked at him again. because I’m your wife outside. What am I to him now? ”

His expression seemed to be a little disgusted. you really don’t hide your true feelings at all.

“yes, i love him!” xue ‘er was fearless. ” lan yu, i’ve already called yang yanni just now to announce to the public that our marriage is a misunderstanding. furthermore, it’s not legal. ”

“i think she’d be happy to do something like that,” she said slowly.

she played her cards with him, but lan yu still didn’t move.

he looked at her quietly and pursed his lips. after a long time, he said softly, ” “You came back just for this?”

He probably knew what she was thinking. She wanted to protect that man.

in her own way.

“He’s already making a move on Bo Yi. Soon, the Tang family will no longer be Bo Yi’s master. Are you sure that man loves you the most and not Bo Yi?”

xue ‘er smiled. ” i believe him. even if i die, i will believe him. ”

lan yu closed his eyes. ” what about me? ”

his body trembled when he asked the question. when he opened his eyes again, they were filled with shock because of what he had just said.

Was he trying to ask for something from her just now?

Chapter 2275: let’s start over (2)

xue ‘er didn’t say anything and just looked at him.

“Come back to new York with me. Let’s start over,” Lan Yu said in a hoarse voice.

he walked over and reached out to pull her into his arms. ” “I’m sorry, annn.”

His face was buried in her hair. Her body had the fragrance of her bath, but when he smelled it, it had ye Muyun’s smell.

xue ‘er didn’t move and let him hold her.

His voice was soft as he repeated, ” “i’m sorry, annn! i won’t do it again in the future.”

“Don’t you want to take revenge?” xue ‘er stood up straight. ” or do you think that this is the best revenge you can get? ”

” you ... ” lan yu closed his eyes in pain. ” annn, don’t you have any more trust in me? ”

“No, I didn’t,” xue ‘er pushed him away. ” you could’ve kept it a secret forever. perhaps we could’ve lived in peace forever. ”

“But you’ve returned to B city.” his voice was hoarse as he roared, ” “if you didn’t come back, we would have been very happy.”

“Where’s yang Yanni?” xue ‘er sneered. ” where’s the woman who’s been with you for so many years? what do you think she is? ”

lan yu took two steps back, his eyes deep. ” i can let go of everything, but can you? ”

“For Yishu,” he said, word by word.

Xue ‘er’s heart twitched. It hurt.

if it wasn’t for yi shu, she might have followed ye muyun and wouldn’t have come back.

She pursed her lips and didn’t say anything. It was a silent rejection.

she spoke very slowly,”lan yu, i will hold a press conference.” to announce that our marriage is fake.”

“For ye mu Yun?” Lan Yu’s eyes narrowed.

“No, no,” She forced a smile. I’m not going to live in your hatred, and I think I’m no match for you. I won’t put myself in danger and let you threaten him.

as he stepped forward, she said softly, ” “lan yu, i won’t let you have the chance to hurt me again.”

“This is a hospital. Think about the consequences.” Yishu is your son, ” she said calmly. I don’t think you’ll hurt him for the sake of hatred.

She said it very lightly, but he could roughly understand her thoughts.

She wanted Wanwan to give up on Yishu and break up with him.

lan yu laughed lightly. are you sure?”

Xue ‘er lowered her eyes. Lan Yu, no matter if it’s because of a scheme or something else, I still have to thank you.

she slowly walked to yi shu’s bed and lowered her head to kiss him. ” yi shu, i’m sorry! ”

She would definitely be hurt, but after last night, she thought that an abnormal family was the greatest harm to Yi Shu.

she pursed her lips and took a step back. ” lan yu, it’s time for everything to end! ”

Tears welled up in her eyes. you have hatred in your heart, but you’re still a good person.

Lan Yu’s body trembled. Just as she was about to leave, he suddenly grabbed her hand and hugged her from behind. annn, have you ever thought of another possibility? ”

Xue 'er's body stiffened for a moment, and after a long time, she said softly, "Lan Yu, it's impossible between you and me."

She wasn't a fool. It wasn't that she didn't feel it, but she could even give up on ye Muyun, let alone him.

"For Yishu's sake, don't carry on with the hatred." "I can continue to be Yishu's mother," she said in a low voice. "But our Hanhan can't live together anymore. Do you understand?"

Chapter 2276: let's start over (3)

Lan Yu took a step back and smiled bitterly. "Alright, I'll let you go."

"But I knew you would come back," he said softly.

Xue 'er suddenly remembered Yang Yanni's words. She had said that the truth was right beside her, and that Lan Yu held the most important thing in her life.

She wanted to go to New York and ask Yang Yanni.

However, before Xue 'er could go to New York and before Gu Ze's men could find Yang Yanni, she was already dead.

He died from a gunshot.

The gorgeous woman was killed in her apartment and was only discovered two days later.

The only person who knew Lan Yu's secret was dead.

Xue 'er heard this news from Gu Ze. She sat in the cafe and listened to Gu Ze's words, not coming back to her senses for a long time.

A fatal shot. She couldn't get any evidence, but she knew that it was Lan Yu.

He was warning her that if she acted rashly, he would do anything.

Xue 'er knew about Yang Yanni. She had been with him for many years.

If he said to kill, he would kill.

What was Lan Ting's position in his heart?

Was it the domineering possessiveness of an older brother towards his younger sister?

She shivered.

"Xue 'er, CEO Ye hopes that you can go back," Gu Ze said calmly.

"Gu Ze, I can't go back." Xue 'er said calmly, "Lan Yu has gone crazy. He's capable of doing anything."

As she spoke, her hand trembled a little because her phone rang.

It was a call from Lan Yu.

Since Yi Shu went to the hospital, she had already moved out of that suite to another Wen Hua hotel.

She picked up the phone, her body trembling.

Lan Yu's tone was calm. annn, Yishu missed you very much.

Xue 'er didn't say anything. She held her phone and waited, but he didn't hang up.

after a long time, she said softly, "I'll be back in a while."

After that, she slowly hung up the phone.

gu ze immediately grabbed her arm. " xue 'er! "

"You all know that Qianqian and Lan Yu are crazy!" Xue 'er looked at Gu ze. Lan Ting, you know her, right? you went to study with her. You know that girl, right? "

Gu ze's lips moved slightly, and his face was a little ashen. He said with difficulty, "There's nothing between President ye and her!"

It was just a story of an ignorant little girl who was too willful, and the ending was sad.

"but she's dead, and you don't feel anything, right?" Xue 'er asked softly.

gu ze did not deny it.

yes, other than for xue 'er, ceo ye's heart was made of stone for others.

Xue 'er pursed her lips and didn't say anything. She slowly straightened her body and walked out of the coffee shop, walking faster and faster.

But at the door, she bumped into ye mu Yun.

It was obvious that Gu ze was the one who told him that she was here.

they had not seen each other for a few days, and it felt like a lifetime had passed when they met again.

"I have to go back." "I'm Yishu's mother," she said softly.

yang yanni was only the first one. lan yu could do even crazier things at any time to make her feel scared.

"I can get him out." ye mu yun said indifferently.

xue 'er pursed her lips. " and then? get someone to kill lan yu? "

She looked at him. do you know that Yishu is sick? he can't bleed. Once he starts bleeding, he can't stop. Only Lan Yu's blood can save him.

so, she had never thought of bringing yi shu with her, because that would cause yi shu's death.

moreover, she couldn't let anything happen to lan yu. if anything happened to lan yu, something could happen to yishu at any time.

Chapter 2277: yi shu is his son (1)

After she finished speaking, ye mu Yun's expression became extremely ugly.

He stared into her eyes and slowly asked, "You're saying that LAN Yishu can't stop bleeding?"  
"yes!" xue 'er lowered her eyes.

"Ye mu Yun, I'm sorry!" She looked up at him.

Her arm was caught, and his voice was extremely gloomy. what do you plan to do? sacrifice yourself and be together with lan yu, huh?"

"i don't know, but i can't let yishu be alone with him." xue 'er's voice was a little choked.

ye mu yun's eyes were burning. at this moment, his heart was boiling. he was sure that the little fool in front of him didn't know anything!

he had an illness before he was ten years old, and he was bleeding non-stop. she was still a little custard, and she had long forgotten about it when he didn't mention it when they grew up. now that little yi shu had the same illness as him, she naturally didn't suspect anything.

but,

he frowned and pulled her in, looking down at her. "Have you ever thought about why you care so much about Lan Yu's son?"

her lips moved slightly. "you know that yingluo isn't my child?"

Idiot!

he closed his eyes. did she not know if she had given birth before?

however, he immediately recalled that there were no marks on her body at that time. she had never given birth to a child. then, how did he give birth to this five-year-old child?

Ye mu Yun looked at her for a long time before saying, "alright, i'll let you go."

he slowly let go of her arm and let her disappear from his sight.

however, no one would have thought that this short separation in his heart would become a long-lasting separation.

after xue 'er left, ye muyun turned around. gu ze was right behind him.

"chairman ye." gu ze's tone was indifferent.

"block all the airports and don't let lan yu leave the country," ye muyun said softly.

He guessed that Lan Yu was using Yi Shu to force Xue 'er to go back to new York with him. Xue' er was right, this man had gone crazy.

"what about this side?" gu ze hesitated.

“I’ll go with you immediately. Send dozens of people with me.” As ye Muyun spoke, he had already walked to the car and opened the door.

when he got into the car, his eyebrows twitched as if it was a sign that something bad was about to happen.

he started to regret letting xue ‘er leave.

He should have gone there himself. He probably went there for Yishu, the little guy who was probably his son.

ye mu yun frowned and started the car.

The high-performance sports car instantly picked up speed and drove toward the GM hotel. In less than ten minutes, his car had arrived at the hotel’s entrance. An accident had occurred there, and one of the cars was Xue ‘er’s white Porsche.

when ye mu yun’s car stopped, his entire head was almost filled with blood!

he couldn’t believe that something had happened to xue ‘er in just a short while.

his throat felt like it was stuck. all the guilt could not buy time, not for one wrong decision.

two sports cars, one red and one white, collided head to head. the red sports car, in particular, had half of its head knocked off.

the police suddenly started to evacuate the crowd. the smoke coming from the front of the car was very thick. the car was about to explode.

Ye Muyun rushed over, but he was bounced back by the heat wave and fell heavily back into his car.

all the bones in his body were about to break, but he still struggled to get up, ready to rush toward the heat waves.

He wanted to be with her, Dead or Alive.

other things, other people, and other things were not important.

Without her brother around, would she be afraid that Yueyue would find out that she would?

Chapter 2278: Yi Shu is his son (2)

Another huge wave came crashing towards him, and he was washed back in an instant.

He was pulled back and knocked unconscious ...

when ye mu yun woke up, the sky was already dark. his throat felt like it was on fire and his whole body was in pain as if it was pierced by shards.

when he suddenly opened his eyes, his mind was a little unclear, but it took only a second for him to be completely awake. then, he robotically lifted the quilt and walked towards the door of the ward.

gu ze, who was in the ward, didn’t have time to stop her before ye muyun spat out a mouthful of blood.

it wasn’t a mouthful, but a pool of blood.

black blood.

he leaned his head against the door weakly and panted.”gu ze, take me to see her.”

he didn't ask if she was dead, because deep in his heart, he couldn't accept the possibility.

gu ze's heart trembled, but he still quickly went forward to support her. he said in a low voice, ” Qianqian was saved by Lan Yu. She's only slightly injured, but she has a concussion.

ye mu yun's body went soft and he seemed to be relieved.

gu ze's gaze was a little complicated as he continued, ” “But blue universe Kasaya”

ye mu yun narrowed his eyes. ” what happened to lan yu? ”

“Lan Yu might become a vegetable.” ” i've also found out the identity of the person who hit xue 'er, ” gu ze said in a low voice. ” it's lan ting. ”

Lan Ting should have been dead, but she didn't die. She just became a lunatic.

this time, lan ting was completely dead.

“Between Xue 'er and Lan Ting, Lan Yu saved Xue' er.” gu ze spoke softly. the weight of his words was neither light nor heavy, but chairman ye should understand the reason behind this.

Lan Yu had fallen in love with Xue 'er.

Only when he fell in love would he make such an impulsive choice. In these eight years, Lan Yu had lived for Lan Ting. But this time, he had given his life to Xue 'er.

Ye Muyun kept herself from falling down and kept looking at Gu ze. take me to see her.

gu ze nodded and helped ye muyun out of the ward. they turned a corner and arrived at xue 'er's ward.

The moment the door was pushed open, the room was filled with dazzling white. Xue 'er was sitting on the bed with a dazed expression.

when she heard his voice, she raised her head and looked at him. however, there was only unfamiliarity in her eyes.

Gu ze finally revealed the truth. “She forgot. She only remembers Lan Yu and LAN Yishu. You, me, the Tang family, the Qin family, and Boyi. She has forgotten them all.”

Ye mu Yun felt a sweet taste in his heart and almost spat out another mouthful of blood, but he held it in.

he pursed his lips and slowly walked forward. when he was only one step away, he reached out and took xue 'er into his arms.

At this moment, his body was trembling. He buried his face in her neck and said over and over again, ” “I'm sorry. I won't let you leave me again.”

he said it over and over again, but she didn't notice.

After a long time, she raised her eyes and looked at him."Blue universe."

Ye mu Yun was stunned.

His face was filled with shock. He finally remembered what Gu ze said. She had forgotten everything and only remembered Lan Yu.

in her memory, lan yu was her husband, and she and lan yu were a family.

when ye mu yun walked out of the ward, he spat out another mouthful of blood.

as time passed, things slowly came to light.

back then, lan ting, who jumped off a building for him, did not die. she was only mentally ill. lan yu had been coaxing her and using revenge to exchange for her inner peace.

When Lan Ting realized that her brother had fallen for Tang Xue 'er, she followed him back to B city and wanted to kill Xue' er.

Chapter 2279: Yi Shu is his son (3)

At that time, Lan Yu was in the same car as Lan Ting.

At that time, he could have saved his sister. After all, that was a love that he had forbidden for so many years.

But when he pushed open the car door with his bloodied hands, all he wanted was for Xue 'er to live.

his mind was filled with what he had done to xue 'er that night.

She was lying on the bed, fed medicine by him, and he was like crazy, forcing her to do that kind of thing.

the shock in her eyes hurt his heart.

he didn't want to admit that he let her go not because of yi shu, but because he didn't want to hurt her.

So, even though Lan Yu knew that she was drugged and would look for ye Muyun, he still let her go.

He had already surrendered to her.

he didn't want to admit that he loved her. up until now, he had never said it. but if he was awake, if he could do it again, he probably wouldn't have done it. he wouldn't have let her return to B city. he would have thought of ways to trick her into sleeping with him in new York. he would have made the mistake and lived a dull life.

even if ye muyun had always been in her heart, even if she would never love him.

with her by his side, watching her and yi shu together, watching the adult and child lying there together, he felt that life was a faint happiness.

" ceo ye, before lan yu fell into a coma, he asked someone to pass this to you orally. however, he probably didn't expect xue 'er to lose her memory. " Gu ze

closed his notebook and said hesitantly, " " in addition, a document from new York has been sent over. it says that mr. lan yu requested to be transferred to you before he fell unconscious. "

ye muyun sat in the ward and said, " "Bring it over."

gu ze handed over the tightly sealed document and left first.

Ye Muyun looked at the tightly shut door and reached out to open the document bag. Inside was a thick medical record and a DNA test.

That appraisal was no longer important to him, because he had already confirmed it.

However, the medical record made him frown and he even closed his eyes.

His expression was pained, almost unable to believe what was written on it.

However, the power of the pen, the wear and tear on the pages, and the English words had shocked his soul.

Depression!

She had such an illness before, the same illness as Qin Mu.

It was very serious, even more serious than Qin MU's. How did she survive in new York alone?

In that case, her relationship with Lan Yu's Qianqian might not be Lan Yu's one-sided love.

Those five years of feelings, those five years, they even had a child together. He, ye Muyun, couldn't replace them.

was lan yu the only thing she could remember now?

what about him? had she forgotten about their ten years together?

After reading those documents, he finally understood why Yi Shu was only five years old and not eight.

it was true that xue 'er didn't give birth to yi shu. when lan yu found her, she was pregnant, and her body couldn't give birth to a child safely.

the embryo was taken out and placed in the most advanced method for two years. during these two years, little yi shu was still fine, just that she didn't grow up. in the end, lan yu chose a woman and implanted yi shu. eight months later, yi shu was born and was carried to xue 'er, saving her life.

Ye Muyun's face was filled with tears as she read those cold words.

the eight years that he and xue 'er had missed, the eight years that lan yu had been plotting, it wasn't that they had treated xue 'er badly. on the contrary, he had saved xue 'er, no matter what his purpose was.

Chapter 2280: Be good, I'm your older brother (1)

this time, it was no longer a goal, but lan yu falling in love with xue 'er.

She knew it in her consciousness. That was why she remembered Lan Yu and forgot about him.

Ye Muyun sat alone in the ward for a long time. It wasn't until night fell that he slowly walked out of the ward.

he wanted to see her.

He wanted to hug her.

however, he couldn't find her in her ward. he stood there for a while before he quietly walked towards lan yu's intensive care unit.

Just yesterday, Lan Yu was announced to be in a vegetative state and might never wake up again.

he stood outside the glass and looked at her lying on the side of lan yu's bed. her small body was leaning on the side, and her small hand was holding lan yu's hand.

She was so thin and small, and her side profile looked sharp.

He thought to himself, did she not eat anything for the past two days?

at this moment, his heart was filled with sorrow. there was a feeling that could not be fought for, and that was that person had died.

there was no way to argue with a dead person, and lan yu was no different from dead now.

all the crazy things that lan yu had done and all those conspiracies had disappeared with his sacrifice for xue 'er. in the end, lan yu had given all these to him. undoubtedly, it was to tell him not to force xue' er because she was sick.

That's great. Are they going to love each other like this?

what about him, ye mu yun?

Until this moment, ye mu Yun could feel a deep sorrow, the deep pain of being abandoned.

However, his little fool couldn't feel it anymore. She could feel her own pain, Lan Yu's pain, but she couldn't feel ye Muyun's pain.

would she never call him brother again? would she never remember him?

Ye Muyun stood there quietly and looked at her lifeless appearance. He accompanied her in pain.

He also watched as she suffered for someone else.

xue 'er raised her eyes slightly and looked at the man outside the glass in a daze.

he was very thin and tall, and very good-looking.

there was a hint of pain in his eyes.

He had been looking at her like this.

she moved her sharp chin and her eyes were wide open, staring at him like an injured little animal.

her small body was moving up and down due to her shallow breathing, making her look weak.

ye muyun pushed the door open and walked in. she seemed to be shocked by wanwan. then, he noticed that she moved a little in lan yu's direction.

in her heart, was lan yu someone who could give her a sense of security?

“Who are you?” Xue 'er bit her lip, her voice a little timid.

ye muyun's heart felt like it was being cut by a knife. he squeezed out a smile. ” i'm wanwan's older brother. ”

He added, ”we grew up together, so we're family!” The kind that has no blood relations.”

xue 'er looked at him timidly, while he waited patiently.

After a long while, she pursed her lips. did you find a good doctor to save Lan Yu? ”

She had forgotten about him, but she remembered the last moment when Lan Yu carried her out. She remembered that she was so sick that she was about to die, and Lan Yu was so touched when he stuffed little Yi Shu into her arms.

he wasn't angry when she asked him this, only a faint sadness was left in his chest.

He just reached out and gently stroked her soft long hair. She shivered a little but did not avoid him.

That was because she saw that many people here were very respectful to him. He should be a very powerful person, and she hoped that he could help her.

it was an animal-like instinct to seek help from others.

Ye Muyun gently rubbed it twice and said, ” “I will try my best.”
