

Thank you 2281

Chapter 2281: be good, i'm your older brother (2)

the timid little girl looked at him and then carefully said, "can i take a look at yishu?"

He heaved a long sigh of relief. Fortunately, she had not forgotten about her son.

he had mixed feelings about yi shu. he knew that he was his son, but he couldn't acknowledge him.

He could only let her think that it was Lan Yu's.

everything would return to how she thought it would be. it would be good for her condition and it would not relapse.

"of course you can." He ruffled her long hair again and said in a low voice, "I can do anything you want."

he didn't tell her that in order to let yi shu live with her, he had used many methods, including forcing the two old things from the lan family.

however, there was no need for her to know all these ugly things.

It didn't matter if she had forgotten everything or if she didn't know anything. She still had him.

He didn't mind being her brother or Yishu's uncle for the rest of his life.

His kindness was exchanged for a small smile from her. She smiled at him timidly, but it was a very strange smile.

But he laughed and spread his arms. His voice was a little low. "xue 'er, big brother will hug you."

She didn't move and pursed her lips, probably struggling with the fact that they were blood-related.

for a long time, when he was disappointed, she still moved over and gently snuggled in his arms, like a little creature seeking protection.

She was still so small and soft. At this time, he really wanted to fold her deeply in his arms and let her go.

But he didn't care.

he, yingying, had to be her brother.

To hell with her brother!

Ye mu Yun hugged her and his gaze fell on Lan Yu's face ...

he thought to himself, don't ever wake up! The best!

lan yu didn't wake up and xue 'er still didn't remember him. she also didn't remember tang yu and pei qiqi.

however, she seemed to have silently acknowledged ye muyun as her brother and was a little dependent on him, but not too much.

After she was discharged from the hospital, ye Muyun arranged for her to stay in the villa he had prepared after the engagement, while he still lived in the apartment.

On the day he was discharged, Yi Shu came over and stood in front of Lan Yu's bed with Xue 'er.

"mommy, will daddy wake up?" yi shu wiped his tears.

"I will." Xue 'er held the little person in her arms, her gaze quietly landing on Lan Yu.

actually, the doctor said that he might never wake up again.

little yi looked at it with comfort, then placed his favorite little bear on lan yu's bed. " little bear will stay with daddy, and yi shu will stay with mommy. "

Ye mu Yun stood at the door and looked at this 'family of three'. His heart felt particularly bad.

His wife was clearly his, and the child was also his. Now that Lan Yu had fallen, everything had become Lan Yu's.

he touched his nose and looked at gu ze opposite him. gu ze's expression was a little teasing and meaningful.

therefore, chairman ye's heart was even more upset, but he still had to wait patiently.

"chairman ye, you can't eat hot tofu in haste." It was rare for Gu ze to joke, so his voice was a little low.

chairman ye was now walking into a dead end. if he didn't become a good brother, he wouldn't be able to get close to her. how could wanwan sleep after becoming a good brother?

Tang Xue 'er, who had lost her memory, only thought that she and Lan Yu were true love. How could she let her brother sleep with her?

gu ze felt that lan yu deserved it, but it was undeniable that he was gloating over the misfortune of a man who had banned jade for a long time.

Chapter 2282: be good, i'm your older brother (3)

ye muyun could more or less guess what he was thinking. he glared at him.

" i'm fine. " gu ze smiled and did not mind. " i'll wait downstairs! "

This time, Tang Yu and PEI Qiqi's attitude was quite interesting. They didn't care too much about Lan Yu's future son-in-law being in a vegetative state. Instead, they handed Xue 'er over to ye Muyun to look after.

She knew that President ye was a Wolf, but she was not afraid that her daughter would be eaten again.

however, with blue universe's current state, there was no big deal in eating it. blue universe could still jump up.

Gu ze left and ye Muyun waited for a while. The two of them didn't seem to have any intention of coming out.

it looked like she was going to cry.

he walked to the end of the corridor, lit a cigarette, and slowly smoked-

He was thinking about what to do in the future, how to treat her?

After half an hour, the two little ones still didn't show any signs of coming out. Ye Muyun stubbed out the cigarette and strode into the ward, carrying little Yi Shu."Alright, I'll come and see Yingluo's father next time."

he gritted his teeth when he said this.

little yi shu was still in his arms, and she was still sobbing. " i want daddy. "

"Uncle will be here in the future." he said it coldly and pressed his face against little yi shu's.

after that, he smelled a milky fragrance, exactly the same as when xue 'er was young.

He couldn't help but look at Xue 'er. She was still looking at Lan Yu in a daze, which made ye Muyun feel really bad.

however, no matter how bad it was, he had to endure it so that he could still serve this big and small.

Brother, uncle, you have to be good.

he was wearing a thin beige coat with a light brown sweater inside. he looked very handsome, and even with little yi shu in his arms, his handsomeness did not diminish.

when xue 'er left, she turned back to look at lan yu qianqian with a look of nostalgia.

"big brother, can i come and see him every day?" she spoke carefully and tugged at his sleeve.

Ye Muyun took a deep breath and used his best attitude to gently say,"as long as you have the time."

Oh, " Xue 'er replied. She followed the elevator like a little wife until they reached the first floor.

he drove a black maybach, and there was a lot of space in the back seat. little yishu was lying beside xue 'er's legs, still in a bad mood. after a while, he raised his head and asked with tears in his eyes, " "Why didn't daddy come home?"

because Hanhan's father needs to be treated in the hospital. xue 'er touched yi shu's soft hair.

little yi shu wailed and obediently stopped talking.

he lay there, his little eyes staring at the uncle's back in a daze.

uncle ye seemed to like mommy a lot. uncle ye said that he was mommy's older brother, but uncle ye's surname was ye. how could he always hold mommy like this?

even her father didn't have the chance to hug her mother.

ye muyun fastened his seat belt and felt a fervent gaze from behind. he turned around and saw that it was his son.

He smiled and started the car without saying anything.

Half an hour later, the car drove into a quiet villa. It was not very big, but the layout was very exquisite.

Xue 'er looked at the photo on the porch and picked it up. She pursed her lips. "our photo?"

It was probably taken many years ago. They were both quite young and seemed to be very intimate.

She leaned her head on his shoulder, and he didn't show much expression, but the corners of his mouth revealed a faint smile.

Chapter 2283: be good, I'm your older brother (4)

Ye Muyun carried the luggage in one hand and looked at her puzzled eyes. He explained, "our relationship was very good in the past, so it's not strange to have a few photos together. This villa is really awkward."

He smiled. I gave it to you on your 18th birthday.

She was right, but they didn't have time to live here before she went to New York.

Now that he let her and Little Yi Shu live here, it could be considered as fulfilling his wish.

Xue 'er responded with an "Oh" to show that she understood, but she still felt that something was wrong.

This brother, wasn't he a little too good?

She heard that he was in charge of Boyi now. She wasn't surprised because he looked like an elite man from head to toe.

Then, she looked at her face and suddenly her face turned slightly red and hot. She did not dare to look at him again.

"I'll bring Yi Shu upstairs. He probably wants to sleep." She said in a hurry and then held Little Yi Shu's hand.

The little guy shook his head, "mommy, I'm not sleepy yet."

Ye Muyun watched her run upstairs from downstairs and smiled. "The first room on the east side is yours. The one on the left is Yi Shu's."

She paused for a moment, then became a little hurried.

"Come down later, I have something to discuss with you." He said quite seriously, like a good brother.

Oh! Xue 'er's voice came from upstairs, followed by the sound of the door opening and closing. Coward!

Ye Mu Yun thought of her blushing face and smiled. She didn't feel that bad now.

Perhaps if he, as her brother, seduced her, she would take the initiative to pounce on him.

After carrying the luggage in, he changed his shoes and took off his thin woolen coat. The sweater inside was quite slim.

He had found a few reliable servants to take care of her. They knew her personality in the past, but their mouths were also very reliable.

He instructed the servants to prepare dinner and said a few more words. Then, he sat down and used his phone to deal with a few work matters. He saw her come down.

Ye mu Yun put away his phone and said very casually, ” “Yishu is asleep?”

She came down and sat opposite him, slightly restrained. She shook her head.”no, i didn’t,”

Then, her gaze fell on him and she took a few more glances at Yingying.

He also noticed it and smiled slightly, but didn’t express anything. He only said indifferently, ” ” this is your house. you don’t have to be so formal. ”

He paused for a moment. I’ve said it before. We’re very close. Our relationship is deeper than that of ordinary siblings.

Xue ‘er didn’t say anything.

“Alright, I wanted to talk to you about Yishu.” Ye Muyun said as he sat beside her. Although he wasn’t too close, she could still smell the unique masculine aura on him.

Xue ‘er sat up straight, like a primary school student. She didn’t know why, but she was afraid of him!

Even though he treated her very well, and she could feel that he was really good to her, not just her, but also little Yi Shu, he treated him very well, but she was still afraid of him.

she pursed her lips and her voice was low. ” yishu? ”

Ye Muyun didn’t immediately start talking. Instead, he gently said,”you’re afraid of me and don’t dare to look me in the eyes?”

Xue ‘er was stunned for a moment. Then, she looked up at him and said, ” No.

however, she lowered her eyes after that, as if it was a sin to even take a look at it.

Ye Muyun smiled faintly and reached out to lift her little chin. His voice suddenly became hoarse.”What are you afraid of? I won’t eat you.”

even though he really wanted to.

Chapter 2284: we had sex before (part one)

When Lan Yu became like that, she was stupidly sad, but he wasn’t sad. He didn’t have any burden in his heart. As long as she was willing, he could do it with her at any time.

now, he was pretty much certain that they were a fake couple.

if there was something between them, lan yu wouldn't have needed to drug her that night, and she wouldn't have needed to sacrifice what was near and far to find him as the antidote.

his heart softened, but he couldn't get close to her, and he couldn't tell her the truth.

how could he dare to provoke her when she had such an illness?

Qin Mu said that he could only seduce her and that Xue 'er was no match for him!

Ye Muyun didn't know when his sister had become so immoral. She probably learned it from Zhou chongguang.

He didn't know whether to laugh or cry, but he didn't say anything.

at this moment, as he looked at xue 'er, he actually had some thoughts in his heart ...

After all, he was an adult man. After her accident, he had not touched a woman for about a month, and she was in front of him. Naturally, he would think about her.

Xue 'er pursed her lips and replied with an "Oh."

He chuckled and pinched her little face. you still say you're not afraid of me? hmm?"

She bit her lip-

she wasn't afraid of him, but if he wasn't so handsome and didn't treat her so well, she would probably be able to talk to him nicely.

she felt a little embarrassed. he said that they were siblings, but when she looked at him as he spoke, she would look at his adam's apple. she felt that it looked really good there. she actually had the urge to bite it. she wanted to have a taste and see if it tasted good.

she was ashamed in her heart and naturally did not dare to look at him. her words were also unnatural.

She had a husband, Yingluo.

"I've said it before, our relationship was very good." He smiled slightly, looking very gentle.

Xue 'er bit her lip. how good are we? "

Ye Muyun looked at her eyes and sighed in his heart. She seemed to be a little stupider than before. But this was good, she was easy to deceive.

"I was the one who cared about you when you were young! In the past, we always slept together until Yingluo's first period." He spoke half of the truth.

the other half of the truth was that she had grown up and was still sleeping with him.

Because of his words, Xue 'er was stunned.

She really could not understand why they would sleep together.

however, he didn't look like he was lying.

"If you're scared at night, I can accompany you." As the older brother, he said something serious without any pressure.

"I'm not afraid." Xue 'er's face turned red.

He chuckled and didn't say much. He returned to the main topic. Oh right, Yishu is five years old. She should have started school a long time ago. Does Lan Yu have any plans? "

xue 'er pursed her lips. " yes, i originally wanted to do it in new York. "

however, it was impossible for qianqian and lan yu to leave now. it was also unlikely that she and yi shu would return to new York.

Ye Muyun passed her some documents and said, " this is the information of a kindergarten. Take a look. If you think it's okay, you can go to this one.

xue 'er was stunned for a moment. " isn't it too fast? "

"Yishu doesn't seem to want to go to school," she said, feeling a little shy.

"I know, you were the same when you were young!" As he spoke, he smiled. I'll convince him. I believe that if he could deal with a little girl in the past, he should be able to deal with a little boy as well.

xue 'er felt that she had been deeply insulted, but she could not find any words to refute.

"i forgot to tell you that you didn't graduate from college." Once again, he presented strong evidence.

Chapter 2285: we had sex before (2)

xue 'er's head hung even lower.

he didn't make things difficult for her anymore, and they both took a step back. " let's go after the new year. just rest well at home for now. there are only two months left until the new year. "

His heart softened as he spoke.

so what if he was an older brother? they were no different from a married couple now. they just didn't sleep together.

Xue 'er heaved a sigh of relief. If there were still two more months, that would be fine.

She pursed her lips and hummed in agreement.

"in that case, i'll take yishu there one day. you can come with me, okay?" Ye Muyun said plainly and then rubbed her hair. I'll help you carry your luggage up. You can rest after packing up. I'll call you for dinner.

he said it so naturally, as if they had lived together for a long time. she was a little embarrassed to keep her distance.

finally, she followed behind him and watched him push open her bedroom door. she said softly, " " my bedroom is on the opposite side. you can share the study with me in my bedroom. "

xue 'er was surprised. " you live here too? "

"I'll be staying here for the next few days." He explained calmly, " I'll leave after you and Yishu get used to it.

Oh, " she said. She had no reason to refute him.

if he wanted to stay, then so be it. their relationship was very good.

she thought about it this way and felt relieved.

ye muyun directly carried her things to the changing room. actually, there were only a few clothes to pack up. on the contrary, the changing room had already prepared a few cabinets of clothes with their tags still on.

She was a little surprised and turned to look at him.

"i prepared it two days ago and bought it according to your size," ye muyun replied indifferently.

Oh, " Xue 'er replied. When she saw that there were still undergarments, her face became a little hot.

Although he was her older brother, wasn't it a little too intimate to prepare all these?

And he wasn't even her biological brother.

she hung up the clothes and walked out. he had already left.

Xue 'er looked at the bedroom. It was a pure female room, like a girl's room. She remembered that he had said that this was his 18th birthday gift to her.

no matter what, she still had to thank him.

hence, she carefully walked to the bedroom opposite. the door was not closed tightly, so he should be there.

xue 'er knocked on the door, and there was a response from inside. she didn't think much about it and pushed the door open.

She didn't see him in the bedroom, but she saw his coat in the living room. She thought he was in the study and tried to find him, but after a few steps, she found herself in the bedroom.

On the bed in the bedroom, there were shirts, belts, and pants scattered messily. It was quite a visual impact.

xue 'er guessed that he was taking a shower. just as she was about to leave, her eyes fell on a set of enlarged photos at the head of the bed.

It was still a photo of them, but the scene seemed a little too intimate.

He was wearing a sweater, and she was wearing a shirt. One look and one could tell that it was a man's shirt. She was nestled in his arms.

yingying didn't look like a brother and sister, but more like a couple.

Xue 'er looked a little straight, her mouth was dry.

at this moment, ye mu yun stood at the bathroom door and said indifferently, " "We were together."

The words 'be together and spend the rest of your life together' struck Xue 'er's head like a bolt of lightning.

Just like how he said that he was her brother, she had no doubt about it because this kind of photo was indeed only taken by people in love.

they had been together before, so why did he still want to be her brother?

Chapter 2286: We had sex before (3)

she couldn't remember, but at this time, she clearly felt a little uneasy because she knew.

She looked up and saw that he was wearing a bathrobe. He looked like he had just taken a shower, and his short black hair was still wet.

Xue 'er pursed her lips and said in a low voice, " why didn't you say so earlier? "

ye muyun slowly walked over and casually took out a bottle of red wine from a cabinet. he poured himself a glass and took a sip before slowly saying,"it was a long time ago! It's not important right now. What's important is that I'm your brother."

Which part of it wasn't important?

Xue 'er bit her lip, she wanted to cry but had no tears.

he only told her that they had been together when she moved in.

She bit her lips and did not dare to ask him about the important things.

She bit her lip so hard that it was almost bleeding. He could tell what she was thinking and smiled. are you going to ask me if we've slept together, hmm? "

Xue 'er's face was burning hot, and she stuttered, " "That shouldn't be important!"

she looked up again and licked her lower lip. her gaze fell on the collar of his bathrobe.

Ye Muyun leaned back and had a lazy smile on his face. you think it's not important? "

xue 'er acknowledged him and lowered her head, not daring to look at him anymore.

She was afraid that if she looked again, she would pounce on him.

ye muyun put down the cup in his hand and slowly walked in front of her. he was wearing indoor slippers and didn't make a sound as he stepped on the carpet. she only noticed him when he was in front of her.

she looked up at him, and her body unconsciously moved back a little, but she just happened to fall on the soft bed.

Ye Muyun took a step forward and slightly bent over ...

She opened her eyes wide and felt his handsome face very close to her. It was so close that she could feel his breathing-it was a little hurried and hot.

however, he clearly looked very calm.

she was the one who was not calm.

Xue 'er bit her lip and didn't even dare to breathe.

He was still looking at her with a deep gaze.

She couldn't take it anymore. She pushed him with her little hand, but her fingers felt a burning heat. She quickly retracted her little hand and didn't dare to move anymore. She turned her face to the side. I don't want to know.

Then, she buried her face in the bed sheet. I'm married.

obviously, it wasn't appropriate to talk about this anymore.

she was scared to death, and her voice was fragile. she wanted to push him away, but she didn't dare. at this time, she really felt that he was a man, and a mature and aggressive man.

ye mu yun stuck close to her but didn't go any further. he only looked down at her and said in a hoarse voice, " "You really don't want to know?"

xue 'er's eyes were tightly shut as she said randomly, " "i don't want to."

"But I want to!" his voice was hoarse.

Xue 'er was stunned for a moment before opening her eyes to look at him.

He chuckled and then whispered in her ear, " we did it on your 18th birthday!

she was completely shocked. she lay down and looked up at him, not knowing what to do.

ye muyun laughed in a low voice. looking at her scared and despairing expression, he didn't do anything to her in the end. instead, he quickly got up and let her get up.

xue 'er felt extremely uncomfortable. she jumped up immediately. " i'm going back to my room. "

her arm was caught, and the next second, she fell into his arms.

She smelled it. It smelled good. It was a very good man's scent. It was refreshing and so good that she wanted to go up and smell it again.

"let me go." her small hands were thumping his shoulders, but her voice was very weak.

Chapter 2287: We had sex before (4)

ye muyun chuckled and hugged her. " are you scared? "

"i was lying to you, you little fool!" he bit her ear.

He was lying to her!

Xue 'er was shocked again!

“how can i lie about such things?” she stammered.

Ye Muyun’s smile became even more unbridled. His thin lips moved close to her ear and whispered, ” are you disappointed? ”

disappointed?

Xue ‘er raised her eyes and looked at him, not quite understanding what he meant.

Although she had lost her memory, she was still an adult woman, so she quickly understood his meaning.

her little face was very red, and her eyes were watery as she glared at him.

However, such a stare also seemed so powerless. In front of him, she was extremely weak.

ye mu yun looked at him and felt an indescribable feeling of gratitude.

At this moment, she was afraid of him, just like how she was afraid of him when she was young. Although she was afraid, she still wanted to get close to him.

He reached out and hugged her. He buried his face in her hair and said in a gentle voice, ” Xue ‘er, you still have brother.

Xue ‘er bit her lip and obediently stayed in his arms, her chin resting on his shoulder. After a while, she asked softly, ” “Brother, do you have a girlfriend?”

ye mu yun smiled and reached out to stroke her long hair. ” no! ”

“Have you?” She asked in secret. She didn’t know why, but she just wanted to know.

ye muyun’s eyes were burning. he stared at her for a long time before smiling. ” i did. ”

Oh, ” she said. She didn’t say anything else, but she felt a little uncomfortable.

However, she was knocking on herself in her heart. Why did she care about this? he was just her older brother. She should be concerned about Lan Yu, who was in the hospital.

That’s right, blue universe!

she and lan yu should be in love, right?

xue ‘er’s head hurt a little as she looked up at the man in front of her.

At this moment, the one who gave her the greatest sense of security wasn’t lan Yu, but ye mu Yun, a man who could be considered her brother.

She lowered her eyes and did not dare to look at his handsome face. She said in a low voice, ” “Then, I’ll go back and rest.”

She carefully moved away, moving towards the door bit by bit, like a little kitten afraid of trouble.

That appearance made ye mu Yun both angry and amused. After forgetting things, he returned to his previous self.

As her little hand held the doorknob, his voice rang out. have you forgotten what you came to say?
”

the kitten’s fur instantly stood up again, and she turned back to look at him. she also remembered her purpose, and she bit her small mouth. it was so red that it looked like blood was about to drip out. ” thank you, yingluo. ”

“What are you thanking me for?” he leaned against the bar counter again and sipped his red wine. his voice was very light.

he was only wearing a white bathrobe. it was simple, but he looked too good.

in particular, her neckline was slightly loose, revealing her delicate collarbones and the flesh below. xue ‘er looked at it and had a desire to go up and take a look.

she looked at him and licked her lips subconsciously. ” thank you for taking me in, ” she said in a low voice.

Ye Muyun smiled and put down the cup in his hand. it’s my responsibility to take care of you and Yishu. You’re welcome.”

he said two things at the same time, but she was so stupid that she didn’t catch it. her face was hot, and after a while, she said in a low voice, ” i’ll go out first. ”

Then, he fled.

Ye mu Yun reached out and gently touched the transparent wine glass. His expression was a bit unfathomable.

at this moment, his body was also slightly warm. he wanted her, but it seemed that he couldn’t get her at the moment.

Chapter 2288: as stupid as you (1)

If he forced himself on her, he would probably scare her.

Even though she also looked like she was drooling over his body.

ye mu yun smiled slightly-

lan yu had turned into a vegetable. this time, lan ting had died completely. he and xue ‘er could take their time.

Perhaps after a year or so, when her feelings of guilt towards Lan Yu had cooled down, he could tell her that their marriage did not exist.

he had thought a lot, but it was just a thought.

Now, as long as they could be together and he could take care of her, it was already very good.

He picked up the glass of red wine and finished it in one gulp, then slowly walked into the study to deal with Boyi’s Affairs.

meanwhile, xue ‘er was in her own bedroom, tossing and turning, but she couldn’t fall asleep. halfway through, she went to little yi shu’s room and found the little guy sleeping soundly with a pink little pig in his arms.

She was stunned.

This little pig was prepared by ye mu Yun?

yi shu had been very delicate since he was young, but now, was he going to raise little yi shu like a girl? xue 'er didn't agree with this. lan yu wasn't around, so she was yi shu's mother.

as for her past with lan yu, she could only vaguely remember it. the most clear memory was that lan yu had saved her.

She remembered that when he put her down, he was covered in wounds and blood.

Xue 'er buried her face into the pillow at the side, feeling a little guilty ...

he was lying in the hospital, and she actually had evil thoughts about her brother.

this can't be, definitely not.

from tomorrow onwards, she had to keep her distance from him.

Right, keep your distance.

With this thought in mind, she slowly fell asleep.

When she woke up, a nice smell floated past her nose. Her long eyelashes trembled, and her eyes were a little sore, so she didn't open them. Instead, her small hands hugged the pillow like little Yi Shu, and she even used her small face to rub it.

However, it didn't seem like she was hugging a pillow, but Yingying.

When she opened her eyes, she saw a magnified handsome face ...

His beautiful dark eyes were looking at her, and Xue 'er suddenly became aggressive, her small hand suddenly releasing, " "what are you doing here?"

"You?" ye muyun smiled and sat up straight. he then reached out and helped her push a strand of her long hair to the side. his actions were very intimate.

Xue 'er thought in her heart, even if it was a kiss, it wouldn't be so intimate!

shouldn't she make things clear to him?

after struggling for a while, she finally sat up and wrapped her small body in the quilt. her eyes did not fall on him, and she said in a low voice, " "Let's keep our distance. yingying!"

"keep your distance?" Ye mu Yun's gaze landed on her with a smile. "what does our yingluo have to maintain? Or is this kind of contact making you think too much, hmm?"

As he spoke, he reached out to roll up a strand of her long hair and played with it slowly.

He was so powerful, and she was so weak and small.

in the end, she bit her small mouth and snorted softly. it could be considered that her small temper had come up.

He sighed in his heart. He was still the same as when he was young. When his temper came up, he would ignore others.

he knew when to stop and smiled lightly. ” alright, i’ll carry yishu downstairs. you, yueyue, also pack up and go downstairs to eat. ”

Xue ‘er stopped him. wait a minute.

“what?” He was about to leave, but he turned his head again.

in that instant, xue ‘er was dodged.

Because Yingying was too good-looking.

She was wearing a light gray shirt and black Casual pants. The shirt was tucked into the waist of the pants, making her waist look very well-defined. Those kinds of fingers that touched her would be especially tempting.

Chapter 2289: as stupid as you (2)

xue ‘er looked on and forgot to speak.

“what do you want to say, huh?” his tone was very gentle, and he just stood there indifferently.

xue ‘er bit her lip, and after her mind went blank, she said in a low voice, ” “i want to talk to you about yishu.”

he gave a soft ” hmm ” and leaned against the door, looking like he was going to listen.

he even took out a cigarette and played with it in his hand.

However, he always remembered that this was her bedroom, so he didn’t smoke.

xue ‘er pursed her lips, her voice clear and light. ” i mean, yishu is a boy. ”

“i know,” ye mu yun replied indifferently as his gaze fell on her face.

He was looking at her like this, and she felt that it was difficult to talk to him. She lowered her eyes.”I mean, Yishu is a boy. He can walk on his own.”

Ye Muyun’s eyes grew fainter, but there was a smile on them that she couldn’t see. what about you? aren’t you a boy? do you want me to carry you? ”

“i don’t want to.” She answered very quickly and very stupidly!

It’s over. I realized that I’ve been tricked by him again!

in her heart, she firmly believed that there was nothing between them in the past. because he was so detestable, he must have bullied her often in the past.

Xue ‘er leaned against the bed and stared at him. She didn’t look like a little mother at all.

Ye Muyun's heart softened. He couldn't bear to tease her anymore, so he walked over and kissed her forehead. His voice was very soft and gentle. I used to take care of you like this. Of course, I have to take care of Yishu like this now.

He paused for a moment before saying, "Yi Shu is only five years old, it's fine to hug her." I carried you until you were 12 years old, and you were only willing to walk when you were in junior high school."

His words made Xue 'er deeply ashamed!

He only walked when he was in middle school!

although it was embarrassing, she still said what she should fight for, but she was not very confident. " "um, yishu is a boy. don't spoil her too much. "

his gaze became a little deep as he looked at her.

her heart trembled slightly, but she didn't dare to say anything.

After a long time, he took a step forward and slowly said, " "if that's what you're thinking, i'll cooperate."

Xue 'er felt that there was something wrong with their conversation.

She had never thought that this was a conversation that only husband and wife would have, such as talking about their child's education.

she scratched her head and looked up at him. " okay. "

However, he slowly said, " but I still think that it's better to let him be independent in a year.

he was just a father, so he naturally doted on her a little, but she didn't understand.

She didn't need to understand, she just needed to be loved by him.

Xue 'er let out an "ah" and was stunned.

"Ye mu Yun!" She angrily called his name.

This was also the first time she was angry at him after she lost her memory.

"you're not going to call me brother anymore, huh?" ye muyun laughed in a low voice.

He was really too despicable. Xue 'er didn't want to pay attention to him. you're not a brother to begin with.

she regretted it the moment she finished speaking. after all, he was very good to her.

other than guilt, she was also uneasy.

it was because after her accident, her parents didn't seem to like her very much. they left after seeing her, and the only one who cared about her was this brother.

If this brother didn't care about her, it would be hard for her to support herself and little Yi Shu with her current condition.

it wasn't money, but her understanding of society was similar to yi shu's.

In fact, she was thick-skinned enough to stick to him and wanted him to take care of her. Otherwise, she would have run away in fear after hearing what he said.

Chapter 2290: as stupid as you (3)

of course, she could also choose the lan family, but the frustrating thing was that the two elders of the lan family looked at her with a complicated expression. they had no intention of asking her to bring little yi shu back to the lan family.

in the end, other than feeling sad for lan yu, she realized that no one wanted her yingluo!

Fortunately, she still had an older brother.

xue 'er had her own plans. after thinking for a long time, she took a step back and nodded. " brother is right. "

His gaze on her was deep under the warm yellow light.

She called him big brother, and little Yi Shu was their child. This was a bit taboo.

All men had bad habits, especially a man like ye mu Yun, who hid it even deeper.

He only looked at her for a while, then walked out with a smile.

After a while, she heard the sound of him coming downstairs.

Xue 'er sat for a while before getting up to change her clothes. She washed her face and went downstairs.

In the dining room downstairs, the aroma of food wafted in the air, making one's appetite rise.

Little Yi Shu was already sitting at the table. There was a white napkin wrapped around her small body. It was the kind of cotton towel with a little pig pattern on it.

xue 'er bet that this definitely wasn't what yi shu used to have, because yi shu was already five years old. she could eat well and didn't need these at all.

And this ... After thinking about it, she knew that ye Muyun had prepared it for her. She didn't know whether to laugh or cry, so after she sat down, she reminded him in a low voice, " Yishu doesn't know how to get food on his body anymore. He's five years old.

"I have to learn how to take care of a child from the beginning." Ye Muyun smiled faintly. Xue 'er, you can hand Yishu over to me.

"but you have to go to work." She bit her lip and said.

Ye Muyun laughed in a low voice. I can take him to the company. Why don't you come along? " hmm?"

This didn't seem to be a problem.

Just as Cher was about to agree, little Yi Shu was trying his best to eat the food with his fork, and he said pitifully, " "what about dad? can you go to uncle's company?"

All of ye mu Yun's fantasies flew away in an instant.

the image in his mind was like this. he was working, and lan yu was lying on the side, half-dead.

Instantly, he lost his appetite. He looked at little Yi Shu and said gently, " "Maybe not, but uncle can take Yishu to see dad often."

"Daddy will wake up, right?" little yi shu's eyes were filled with tears. he missed lan yu very much now.

After all, he was raised by Lan Yu. How could he not have feelings for him?

ye muyun sighed and reached out to touch his son's hair. it was soft and his heart softened.

although he was not ashamed of lan yu, he would not say such dark things in front of the child.

he chose to nod and say, " of course. "

however, in his heart, he really wanted to tell the doctor to secretly pull out lan yu's oxygen machine and let him kick his legs. this would save him from jumping out to snatch his wife and child one day.

The doctor said that it wasn't impossible for Lan Yu to wake up. As long as he had strong willpower and couldn't let go, he would wake up.

Before that, he wanted to make Xue 'er his, from body to heart.

Of course, the one who was in a more difficult position than Xue 'er was Yi Shu. After all, in Yi Shu's heart, Lan Yu was his father.

Little Yi Shu probably felt a little better, and then he put down a meat roll and said gloomily, " "I'm leaving this for daddy. Daddy hasn't eaten for many days."
