

Thank you 2301

Chapter 2301: your mother likes number 6 and 9 (2)

“of course,” ye mu yun smiled.

little yi shu jumped off the chair and ran over to climb onto his knees. her voice was soft and sweet.
” yi shu really likes uncle too. ”

ye muyun’s heart was just about to soften when the little fellow added, ” “then, from now on, i’ll sleep with uncle, okay?”

ceo ye squinted at little yi shu and rejected him in his heart, ” was this his biological son?

He was very suspicious!

he didn’t say anything for a long time, so little yi shu said, ” “Uncle is lying. Uncle only likes mommy.”

Then, little Yi Shu started to cry, and her voice shook the sky.

That stance was similar to Xue ‘er’s back then.

but little yi shu was a boy!

It didn’t seem out of place when she cried, and she just cried like that ...

the little guy secretly saw that ye sansan didn’t come over to comfort him, so he cried even harder.

Waa, waa, ye Sansan is so bad!

ye muyun watched the little guy cry and his heart softened. it was sour and sweet, an indescribable feeling.

This was his child, a child he had with Xue 'er. He was cute and adorable, and he looked very much like her child.

In his heart, he wished it was a girl. With little Yishu's personality, if she was a girl, she would be so soft and cute.

upon closer inspection, the little fellow was chubby and delicate, very similar to xue 'er when she was young.

ye muyun's heart softened even more. he reached out to touch the little fellow and smiled. " of course i like yishu too. "

But how could this kind of love be the same? Boss ye thought to himself.

Little Yi Shu didn't care and continued to cry. In the end, ye mu Yun still reached out and hugged her, coaxing her for a long time.

water doll!

He thought to himself, boys love to cry so much, what should I do?

She was both distressed and sweet.

the morning passed just like that. little yi shu played for a while and was tired. he fell asleep while playing. then, his chin tilted and he fell asleep while drooling. he laid in ye mu yun's arm.

He looked at the delicate little face in his arms and felt like a loving father. He lowered his head and kissed the little guy. One or two kisses, but it was never enough.

He carried the little guy to his bedroom and looked at him for a long time. The more he looked, the more perverted he felt.

he wanted to have a child like little yi shu, but only a girl.

Raising a child like Xiao Xinxin from a young age should give him a great sense of accomplishment.

Ye mu Yun smiled slightly.

when he returned to his bedroom, he realized that xue 'er was already awake and was lying on the bed in a daze.

he stood by the door and closed it.

That soft sound startled her and she looked up at him.

“it’s almost noon, are you hungry?” his voice was gentle as he said, ” this is my bedroom. it’s easier for me to take care of you when you fainted last night. ”

” mm. ” she scratched her head. ” where’s yishu? ”

ye muyun didn’t change his expression. ” i’m tired from playing, so i’m sleeping in the bedroom. ”

xue 'er grunted again and looked at him, ” “my pajamas yingluo”

“I changed it!” He said simply and roughly.

After that, the two of them fell into a long silence. Xue 'er looked up and bit her lips. “Then you go out first, I want to change my clothes.”

Ye mu Yun smiled. go to the changing room. Your clothes are inside.

she was stunned for a moment, but she still went.

when she opened his locker, she was completely stunned.

Inside, other than his own clothes, half of it was for girls.

moreover, they were all worn, giving off the feeling of a young girl.

Chapter 2302: your mother likes number 6 and 9 (3)

“Your figure hasn’t changed much, so you should still be able to wear your old clothes.” He leaned against the door of the changing room, his voice calm.

Xue ‘er was still in a daze. She didn’t understand. There were clearly her clothes here, but in the bedroom over there, he had prepared a lot of clothes with their tags still on them.

“it’s been eight years. these clothes might not be suitable for you anymore.” he smiled. ” or do you still like these pink clothes? ”

Of course not!

Xue ‘er shook her head unconsciously. Her fingers passed through the clothes and finally picked a slightly more mature one. She turned her head to look at him.

ye mu yun smiled slightly and left.

She closed the door and changed into the clothes as fast as she could. They fit her very well.

Xue ‘er looked at herself in the mirror. The sunlight shone on the mirror, creating a layer of light and shadow. She stood in front of the mirror and seemed to see herself in the distance.

Big brother

Be careful, don’t let your heart be eaten.

wow, the way her brother looked at her was so scary.

she seemed to see a small version of herself, but it was only for a moment. with a whoosh, the light brought her back to reality.

standing in front of the mirror was her 26-year-old self.

Tang Xue 'er, 26 years old.

she still couldn't remember the past, but she was sure that ye muyun was indeed her brother in the past. that kind of memory was too deep, so deep that it couldn't be erased.

her head hurt again, and she didn't dare to think about it anymore. she rubbed her forehead and walked out.

Ye mu Yun stood at the door and looked at her indifferently. Then, he smiled. just like before.

xue 'er pursed her lips, feeling a little uncomfortable.

After a while, she bit her lip. I want to see Yishu first.

“you don't need to ask me these questions!” “this is your house, remember?” he said gently.

xue 'er looked at him for a long time before she replied with an “oh.”

ye muyun held her little hand. ” however, let's eat first. it's almost noon now. ”

Xue 'er's little hands were sweaty. She was led downstairs by him, and her heart was beating fast.

she retracted her hand. ” i can walk on my own. ”

as an elder brother, could he hold his sister's hand like this?

ye muyun's hand tightened but he didn't let go of her. he only said indifferently,”her blood sugar is low. what if she faints again?”

she bit her small mouth and did not say a word.

She thought that they had already prepared the food for her, but they did not.

She sat in front of the dining table, her small hand supporting her chin. where's the food? ”

“i’ll do it!” His voice was soft and light. Then, he stood in front of the counter and started to cook skillfully.

xue ‘er’s eyes widened as she looked at him in the apron. she still couldn’t accept it.

this was very out of place.

“have you ever cooked for you before?” she asked softly.

Ye Muyun’s movements slowed down a little and only replied after a long time, ” no! I used to be very busy.”

He was so busy that she didn’t have time to date. He was so busy that she was afraid of him.

“oh,” xue ‘er replied, still looking at his back.

he was very good-looking. even though he was wearing an apron, his figure was still very good.

she pursed her lips and did not say anything. she just looked at him.

He didn’t make another sound. In the open kitchen with plenty of sunlight, only the sound of him cutting vegetables could be heard.

the sunlight shone in and xue ‘er suddenly felt a sense of beauty.

this beauty diluted the sadness of losing lan yu and also soothed the uneasiness in the depths of her heart.

Xue 'er stood up and walked to his side. She placed her small face on his shoulder and said in a weak voice, " "brother, can we be like this forever?"

Chapter 2303: I just want to pamper you (part one)

He held his breath and turned to look at her.

She smiled at him. Her smile was sweet, just like when she was young.

His heart softened, and he freed one hand to ruffle her long hair. okay.

however, a man's words were not to be heard in the kitchen, except in bed.

and xue 'er took it for real.

She really treated him as family because she could feel how well he treated her.

"Big brother." she was probably touched and called out again.

Ye Muyun smiled and pulled her little body in front of him. big brother will teach you how to cook.

Xue 'er was dumbfounded!

She was just touched for a moment. The most important thing was to find someone to feed her. She had no intention of learning how to cook.

What would Yi Shu think if he saw her in his arms?

even though she wasn't little yi shu's mother, yi shu didn't know!

hence, she pulled a long face and looked bitter.

Ye Muyun laughed in a low voice. He deliberately placed his chin on her head and bullied her. "you just called me big brother, now you think i'm a pervert, huh?"

he was sure that she would be afraid of him.

“No, I didn’t!” The little guy in his arms said in an especially aggrieved manner.

she was not interested in these things at all, so she rested her small chin on his arm and looked at him eagerly.

He made her a portion of tom yum and rice noodles. At first, she was reluctant, but after smelling the sweet and sour taste, her appetite naturally opened up. After a while, she asked him, ” “Are you done yet?”

Ye mu Yun lowered his head and looked at her with a smile in his eyes. it should be almost done!

xue ‘er made an “oh” sound and did not say anything else. she stared at the pot of soup, drooling.

after he had filled the bowl with food, she asked him, ” “when did you learn that?”

“The eight years you weren’t around.” his voice was faint.

After that, Xue ‘er had an indescribable feeling for another eight years.

what had happened between them eight years ago?

she wanted to know, but she didn’t dare to.

She could only purse her lips and look at him timidly.

Ye mu Yun smiled and took the bowl for her. He then held her hand and said gently, ” eat quickly.

The food he made was quite authentic. It was sour and sweet, very appetizing.

ye muyun looked at her eating with her head buried and reached out to stroke her long hair. ” in the past, you loved to eat old chen’s steamed buns the most. ”

“Old Chen?” Xue ‘er looked up at him.

“in the kitchen of pei garden.” “two years after you left, old chen went back to his hometown,” ye muyun replied.

“oh, so that’s why you learned this, brother? did you learn it from him?” she carefully talked to him about a safe topic.

Ye mu Yun’s expression froze, then he slowly said,”No, he’s gone!”

xue ‘er was stunned. she looked at his handsome face and muttered, ” “Why is he not here?”

“I’m sick,” he sighed softly. ” xue ‘er, you’ve forgotten about me. if i’ve also fallen sick in these eight years ... ”

before he could finish, she covered his lips. ” i won’t. ”

She spoke quickly and anxiously, and there were tears in her eyes. Her pitiful look made people laugh and angry, but more so, they felt heartache.

ye mu yun’s eyes darkened and he cursed in his heart. This idiot.

he reached out his fingers and gently touched her long hair. in a low voice, he said, ” people will get sick eventually. ”

“i won’t allow you to get sick!” She blurted out naturally.

He was stunned for a moment, and so was she.

Chapter 2304: i just want to pamper you (2)

For a long time, she was still in a daze as she looked at him.

It turned out that he did exist in her memory.

she instinctively refused to let anything happen to him, or rather, she had always loved him.

it had never changed, whether she could remember him or not.

“alright!” He said in a low voice, and then smiled slightly.”xue ‘er, i will always be by your side.”

There were still tears in her eyes. She looked at this man, who was actually a stranger, and her heart palpitated.

She could guess that he was once an important man in her life. Perhaps what he said was true, that they had been together and even had sex.

“how did we break up?” “Why did I leave eight years ago?” she asked softly.

ye mu yun ruffled her long hair. ” xue ‘er, we didn’t break up. ”

You didn’t break up?

she looked at him and wanted to ask, but she didn’t have the courage to ask more.

and he just smiled gently.

after a long while, she took a sip of soup and lowered her eyes. ” i want to go to the hospital to visit lan yu in the afternoon. ”

In her memory, the man was very vague, but she remembered that she had lived with him for several years, and he had become like that because he had saved her.

At this moment, Lan Yu was more important than ye mu Yun in Xue ‘er’s heart.

one was like the clouds in the sky, and the other was like the looming fog. she couldn't figure it out, and she didn't dare to.

after she finished speaking, ye muyun pursed his lips and said in a low voice, " okay, i'll send you guys there. "

her eyes widened slightly, as if she was surprised.

"What's wrong?" "Stunned?" ye Muyun laughed indifferently.

"no, i didn't!" she shook her head."i'm just yingluo."

He smiled warmly. Oh right, after we're done visiting Lan Yu, let's bring little Yi Shu to the kindergarten to have a look. If Yi Shu likes it, he can study in the small class there next year.

"So fast?" xue 'er looked at him and then hesitated. " "if lan yu wakes up, yingluo"

there was a deep glint in his eyes, but his expression remained unchanged. " " there's no 'if'. if there's a 'if', you can transfer to another school. i know you want to go back to new York. "

xue 'er was sorry, but that was the truth.

she sensed danger.

she was so afraid of him, but she couldn't resist his approach.

His straightforwardness made her feel a faint sense of loss. This kind of loss was quite embarrassing.

She lowered her head and was a little depressed."No matter what, thank you."

actually, she knew that it was unfair to him that she still clung to him even though they had a past.

She said that she was with Lan Yu but was greedy for ye Muyun's care, Wanwan.

her little face was a little hot, and she felt that she was a bad person.

Ye Muyun looked at her quietly for a long time before smiling. "you called me brother, so it's only right for me to take care of you."

"I'll move out when you're used to it," he said after a pause.

xue 'er looked up in surprise.

I should have my own life. For example, I should find a girlfriend. He said it very indifferently.

And her heart ached faintly. He was looking for a girlfriend?

then why did he hug her before? kiss her?

she was completely stunned and did not come back to her senses for a long time.

the disappointment on her little face was undisguisable. it was pure and clean, like a piece of white paper.

He suddenly couldn't bear to see her like this. Was he bullying her? her little thoughts were clearly displayed on her little face, but he was using this to provoke her.

Chapter 2305: I just want to pamper you (3)

She had forgotten the past and only remembered that Lan Yu was not a choice she could make. It was already his good fortune that she was able to keep her little life. How much more could she ask for?

suddenly, he reached out to hug her and pressed her against his chest. he said in a low voice, " or, let's just live like this forever, okay? "

Xue 'er looked at him, as if she had forgotten to speak, and just looked at him like that.

after a long time, she shook her head. ” i don’t think so. what if lan yu wakes up? ” she said.

these words sounded a little sinful.

Ye mu Yun narrowed his eyes and didn’t say anything. He just smiled.

no matter what, lan yu was not that important to her. at least, she did not want lan yu to wake up that much.

their eyes met, and the atmosphere was a little strange.

at this moment, little yi shu woke up. probably because it was too quiet, he ran down by himself and called out for his mother in a daze.

xue ‘er looked over and extended her hand to little yi shu.

little yi shu cried out and ran into his mother’s arms. he hugged her tightly and acted like a spoiled child.

“mom.” The little fellow’s face was tilted as he looked at ye Muyun with a guarded look in his eyes.

ye mu yun didn’t know whether to laugh or cry. he really wanted to do something, but what could he do in broad daylight?

He walked over and reached out to stroke the little guy’s short hair. He said with a smile, ” uncle will cook for you, okay? ”

The little fellow’s eyes were still guarded as she looked at him.

ye muyun smiled again and didn’t argue with him. he walked to the counter.”How about a Seafood Mushroom rice?”

Little Yi Shu was a foodie. He almost drooled when he heard that, but he still pretended to be calm. uncle ye, how's your cooking? ”

Ye mu Yun turned around and leaned on the counter. His gaze fell on Xue 'er's face and he chuckled. “you can ask your mother if i did well.”

How could little Yi Shu understand the conversation between adults?

“Mommy, did uncle do well?” he asked Xue 'er.

xue 'er looked at ye mu yun and he smiled lightly. ” i'm talking about the meal. ”

Her face turned red and she said, ” “it's alright!”

little yi shu was satisfied. she climbed onto the chair and waited for her meal.

xue 'er's face turned red and she said, ” “i'll go upstairs and rest for a while.”

she ran away as if she was escaping. ye muyun looked at her back and smiled faintly-

this coward!

Xue 'er ran all the way upstairs, her heart still thumping. She felt that she must have gone crazy, to actually think about whether Yingluo had really done a good job.

she ran into the bathroom and splashed her face with cold water to calm herself down.

She looked up at her own face in the mirror. It was so red that she quickly splashed her face with water.

She must be crazy!

downstairs, ye mu yun was making mushroom rice for the little guy and would occasionally glance at the lobby stairs.

that little person didn't come down for a long time, probably because yingying was shy?

He smiled and continued to cut the small mushrooms. As he cut, he couldn't help but take a few more glances.

A little guy ran over and stood at the side. uncle, do you think little mushroom has caught something? ”

“What can you think of?” Ye Muyun laughed in his heart. What did such a small child know?

little yi shu swallowed his saliva and then looked at ye mu yun. he boldly reminded, ” “Uncle, Yingluo has it too.”

Chapter 2306: little yi shu, it's a girl (1)

Ye mu Yun lowered his head and looked at himself. Little mushroom?

Did he look like one?

he glanced at little yi shu. ” you look like one, don't you? ”

Little Yi Shu's face turned red and ran back.

Ye mu Yun smiled. we're both boys, shy? ”

little yi shu's little face tensed up and didn't make a sound. ye mu yun didn't think about it in any other way and thought that the little guy was embarrassed. he smiled and quickly prepared the mushroom rice for him.

while the little guy was eating, he secretly said, ” “i don't have a little mushroom!”

Ye mu Yun didn't take it to heart and patted his little head to comfort him."When Yishu grows up, she'll be like uncle."

Little Yi Shu looked at him again, his expression was a little embarrassed and angry, but he still didn't say anything and buried his head in eating.

ye muyun's cooking was pretty good. little yi shu ate very happily and accepted ye sansan's temporary care for him and his mother. in view of ye sansan's cooking skills, he allowed him to take care of them.

However, he did not expect the little guy to be allergic to seafood. He had never been allergic to seafood before. He had just finished eating and there were large warts on his neck. He looked very scary.

"uncle, it's so itchy." little yi shu bit his lips and looked pitiful.

Ye Muyun was shocked. He reached out to stop the little guy from scratching himself and immediately carried him towards the living room. He changed his shoes and took his coat. He walked to the parking lot, opened the door and sat down. Then, he took out his phone and called Xue 'er."come down immediately, yishu is allergic."

He spoke very quickly without any nonsense, but he was calm and steady.

little yi shu felt extremely uncomfortable. his little hands kept wanting to grab it, but ye mu yun carried him over and rubbed his hair. " if you scratch it, it won't look good. "

Little Yi Shu's little face was wrinkled, as if she was very uncomfortable. After a while, she finally cried, " uncle, will I die? "

"It will sh * t!" He looked at him and pinched his nose. what are you thinking about? you'll be fine after taking some medicine.

At this moment, Xue 'er had already run down. She was even wearing slippers. She quickly opened the door and got into the car.

Ye Muyun turned his head and glanced at her little feet. He silently handed the little guy over, buckled his seat belt, and started the car.

He did not say a word, but the car drove very fast and they arrived at Sheng Yuan hospital in about 20 minutes.

Just as Xue 'er opened the car door, ye Muyun had already come over. He carried the little guy with one hand and walked towards the hospital lobby. As he walked, he called the director. tell the internal Medicine director to prepare immediately.

the director was surprised. why did president ye bring miss tang to internal medicine today?

however, he didn't dare to say this. he personally picked a person and made a trip to the department of internal medicine.

it was only after he went over that he realized it was a misunderstanding. it turned out that miss tang's son had an allergic reaction to seafood. the director was relieved, but he also felt that president ye was making a big fuss about it. it was just an allergic reaction. besides, he was someone else's son. why was he so nervous as if he was his own?

after yi shu's check-up, she had to get an allergy shot. the usually cheerful and lively child was actually so afraid of injections. he hid in xue 'er's arms and meowed like a kitten, looking pitiful.

ye muyun's heart instantly softened and his voice also became soft. " "Why are you so timid? you're still a boy!"

xue 'er's expression was a little strange, and so was little yi shu's. he was so eager that he even forgot that his body was itchy.

Chapter 2307: little yi shu, it's a girl (2)

however, after a while, when the nurse came over with a syringe, he suddenly started wailing again. he buried his little face in xue 'er's arms and said, " mommy, i don't want an injection. "

Xue 'er tried to coax him for a long time, but he was too stubborn.

in the end, it was ye muyun who hugged him. she reached out with one hand and stroked his short hair, then kissed his forehead. ” just a little, like a mosquito bite. ”

Little Yi Shu laid in his arms and looked up with tears in her eyes, ” “Really?”

Ye mu Yun smiled, ” of course it’s true.

as he spoke, he looked up at the nurse and gestured for her to insert the needle.

the nurse smiled and carefully pricked the needle on her soft skin.

Although it was soft, the little person howled like a pig being slaughtered.

Xue ‘er felt embarrassed.

ye muyun was stunned for a moment. then, he held the little person down and comforted her gently,
” “It doesn’t hurt anymore. I’ll be fine after a while.”

Little Yi Shu’s eyes were filled with tears. really? ”

“so now, does it still hurt?” Ye mu Yun’s voice was extremely gentle.

The nurse had finished the injection and stood up. However, she still rubbed the little guy. He was too cute.

Little Yi Shu was still lying on her stomach. She bit her red lips and tears fell. it still hurts!

then, the little fellow looked at ye mu yun. ” “In the past, when I had an injection, daddy would always give me a kiss.”

kiss? kiss where?

Kiss his little P * s?

ye muyun was a little troubled by wanwan, but in his heart, he had the intention to compete with lan yu.

in the end, she endured it, lowered her head, and kissed him.

“In the past, daddy used to kiss you heavily.” little yi shu laid down and said.

boss ye’s heart rejected qianqian lan yu’s perverted hobby.

However, since it was already like this, he had to kiss her even if he didn’t want to.

thus, he endured it and forcefully kissed her twice. after kissing her, he felt that he was not feeling well.

xue ‘er looked on from the side and swallowed her saliva. he really could kiss her!

ye muyun raised his eyes and looked at her. ” why don’t you kiss me too? ”

Xue ‘er rejected him without thinking, ” I don’t have such a hobby.

As soon as she finished speaking, she regretted saying what she had been thinking.

Ye mu Yun glared at her.

She stuck out her tongue and lowered her head.

he looked at her, then at the little one on his knee. his head was hurting badly.

uncle, do you not like me? ” Yi Shu’s voice was weak. you didn’t even kiss me sincerely!

One had to look at one's sincerity when it came to gnawing at a P?

Chairman ye endured it and quickly pressed it, one on the left and one on the right, two separate, making a slapping sound.

Was this considered sincere?

little yi shu was finally satisfied. he believed in his subjects 'love for him. his little face shyly lay on the ground. " yes, i usually only give yingluo kisses! "

Ye Muyun was really suspicious. How could he give birth to such a perverted child? sure enough, he followed Lan Yu. It was like Lan Yu's CEO ye's fault. He threw it beautifully.

A kiss, right?

chairman ye held the little guy and kissed him fiercely. little yi shu cried out, " "Uncle, you're a pervert!"

Mr. Ye was stunned. How did he become the pervert? it was LAN er 'er who wanted him to kiss her!

this was definitely not his biological child!

He must be a little spy sent by blue universe!

chairman ye was in a terrible mood. he carried the little guy and tidied his little clothes.

LAN er 'er probably knew that he was angry. There were still tears on his little face and he was busy comforting him.

Chapter 2308: little yi shu, it's a girl (3)

lan er 'er's little hand tugged on his sleeve and he asked softly, " ye sansan? "

“if you call me three three again, i’ll make this three real.” ye mu yun said unhappily.

Little Yi Shu didn’t understand, but Xue ‘er did. She blushed, ” “Yishu!”

lan er ‘er shut up.

Ye Muyun reached out and carried him up. He asked for a VIP Ward and had to be observed until night time.

lan yu was also in the hospital, so xue ‘er didn’t need to run around. after little yi shu settled down, she lowered her head and said, ” i’ll go and see lan yu. ”

Ye Muyun lifted his body, turned around, and looked at her.

his gaze was silent and deep. xue ‘er felt a little uneasy, as she felt that he would be unhappy.

she pursed her lips and said with difficulty, ” he saved me. i can’t leave him alone! ”

Ye Muyun’s thin lips moved, but with Yi Shu around, he didn’t ask anything in the end.

actually, he wanted to ask her if she couldn’t leave him alone or if she couldn’t stop loving him, yingluo.

he smiled. ” go! ”

xue ‘er was a little embarrassed. ” thank you. ”

“I don’t need to!” don’t ever say that to me, ” he said calmly. I’m your brother.

She looked up at him, her eyes welling up.

Ever since she woke up and he said he was her older brother, he had never looked like her older brother. She felt that he was more like her lover.

Xue 'er fled, she fled in panic.

She didn't even dare to look him in the eye. She admitted that she had no backbone. She was afraid of him while enjoying his care.

She had forgotten a lot of things. She only remembered what happened in new York, and it was a blur.

at this moment, she was not much better than little yi shu. she relied on him, but she did not want to give or change anything.

Because she didn't want to let Lan Yu down.

She quietly pushed open the door to Lan Yu's ward. He was still lying there quietly.

xue 'er's throat was a little tight. she slowly walked over and half-knelt in front of his bed, carefully looking at his face.

He was a little pale, almost the same as she remembered, but she could clearly feel that he had lost weight.

She stretched out her hand and gently caressed his facial features. Lan Yu, can you wake up? ”

he naturally did not respond.

“I'm scared!” she rested her face on his waist and rubbed it gently. ” “I don't know who I am! perhaps you're the only one who can tell me. i hope that you can tell me everything. tell me why your sister wanted to kill me!”

The LAN family had lost their daughter and son. She had no place in the LAN family.

She could only rely on ye Muyun, but it was so dangerous, Yingying.

“blue universe.” she murmured softly, ” will you wake up? If you never will, will you regret it?”

.....

” those who will never wake up will never regret it, because there is no chance. ” ye muyun’s voice was soft and slow. he was standing at the door of the ward.

initially, he had wanted to give her some personal space, but in the end, he couldn’t help but come over.

Xue ‘er turned her little face to the side and looked at him.

after a long time, her lips moved slightly, and she said very softly, ” “do you know lan ting?”

Ye mu Yun’s heart trembled. lan ting was already dead and lan yu was in a vegetative state. he didn’t want her to think about those dark things.

He slowly shook his head. I don’t know him.

“I don’t think you know him either.” xue ‘er’s voice became even softer. ” ye muyun, can you take me to lan yu’s place? ”

Ye mu Yun’s eyes narrowed.

Chapter 2309: little yi shu, it’s a girl (4)

“If you don’t want to, then I’ll go by myself.” “i know that we were staying at the GM hotel before,” she said in a soft voice.

Ye Muyun’s throat tightened. After a long time, he said in a low voice, ” “Okay, let’s wait until Yishu is fine.”

she nodded and went to the bathroom. she wrung a hot towel and carefully wiped lan yu’s face.

after wiping her face, she moved on to her neck. then, she gently undid a few buttons and began to wipe her body.

Her movements were very gentle, afraid that she would make Lan Yu uncomfortable.

Ye Muyun was leaning on the side. He watched for a long time, watching her treat another man as gently as water.

He remembered that she had never served anyone in her life, but now, she was taking care of a man in front of him.

ye mu yun closed his eyes and couldn't bear to look anymore.

This was because he had no right to interfere. In her heart, whatever she did for Lan Yu was what she should do.

he stepped out first and smoked quietly in the smoking area at the end of the corridor. when the cigarette was finished, he smiled bitterly and looked out at the sunset.

He went back to the ward on the top floor first. Little Yi Shu was scratching his neck, and his little face was anxious.

"Didn't you say we can't catch them?" Ye Muyun quickly walked over and stopped him. be good, you can't scratch it.

in addition to disfigurement, little yi shu would also bleed. it would be no fun if he kept bleeding.

he reached out and held little yi shu in his arms, gently rubbing the place where he had grabbed, and asked softly, "Is it still itchy?"

The little guy lay in his arms with tears in his eyes. I'm a little better, but I'm still very oxygen.

"then uncle, can you kiss my little butt again?" ye mu yun kissed his forehead.

“uncle is so perverted!” Little Yi Shu’s face was full of disdain.

the young nurse pursed her lips and smiled. after taking his temperature, she said, ” Chairman ye, you can give the child a warm bath. It might make him feel more comfortable.

She rubbed Yi Shu’s hair again. just bear with it for a little longer.

Ye Muyun nodded and accepted the nurse’s suggestion. However, the little guy covered his small body and said arrogantly, ” I don’t want to take a bath!

“It’ll be more comfortable to take a bath!” Ye mu Yun picked up the little fellow with one hand and walked towards the bathroom.

the VIP ward was so good. the bathroom came with a super luxurious bathtub.

However, even so, LAN er was still wailing,”i don’t want to take a bath!”

“i have to wash even if i don’t want to!” Ye Muyun patted his little butt. don’t tell me you’re afraid of taking a bath! is he still a boy?”

Little LAN er

Ye mu Yun was afraid that he would run away, so he let go while still holding the little guy.

A fatherly feeling rose in his heart. This was his child, and he had never been able to personally bathe him. He could take this opportunity to see his flesh and blood clearly.

Chairman ye’s mood brightened up. When the water was almost done, it was time to peel the little guy.

little yi shu shrieked. it was a sharp shriek.

“why are you acting like a girl!” Ye mu Yun chuckled.

But in the next second, he couldn't laugh anymore, because an accident had happened!

Who told him that Yishu was a boy?

at this moment, he could clearly see that little yi shu was a girl!

ye muyun was dumbfounded!

Ye Sansan was stunned!

“no! yishu, do you know that you're a girl?” ye mu yun opened his mouth with difficulty. his throat was tight and his fingers were trembling.

Little Yi Shu cried, ” of course I know!

“does your mother know?” Ye mu Yun asked.

little yi shu's eyes were filled with tears. ” i don't know if mommy knows or not. ”

ye mu yun let out a long breath. he even wanted to kill someone.

At this moment, he could be sure that Xue 'er really didn't know that little Yi Shu was a girl. Otherwise, she wouldn't have told him that little Yi Shu was a boy and that he couldn't spoil him too much!

she was afraid that she would go back to new York by herself! he didn't even dare to think about it!

Idiot!

He's so stupid!

ye muyun suppressed the complicated emotions in his heart with great difficulty. he took out his phone and made a call, then gave a few simple instructions.

Little Yi Shu struggled for a while, but he couldn't break free. He cried out again, "uncle is a pervert!"

"If you say perverted again, I'll beat you up by a small amount!" ye muyun threatened her and couldn't help but kiss her again and again ...

It had to be said that in boss ye's heart, the status of boys and girls was far too different.

before this, he was still disdainful of lan er 'er. now, he simply could not bear to part with him.

after kissing her again and again, she felt that the little fellow in her arms was fragrant and soft.

girls were different!

soon, there was a knock on the door. ye muyun wrapped the little guy in a bath towel and carried him to the door. when the door opened, the nurse handed in a few bags.

ye mu yun took it and closed the door.

back in the bathroom, he put the clothes aside, then poured the rose petals from another bag into the bathtub. he put the little person in and let her soak. he squatted by the side, carefully poured the honeysuckle water, and gently washed her.

He held his small arms and legs. No matter how she looked at him, she liked him. He looked exactly like Xue 'er when she was young.

They were both chubby, like custard buns, and fragrant.

ye mu yun was almost fascinated by the smell and felt that he was so happy that he was about to die.

A custard bun!

he hugged her and scrubbed her carefully. he felt that he was a little perverted.

Little Yi Shu couldn't stand his enthusiasm, and his eyes were filled with tears, "I don't want to soak roses. Only girls do that!

"Good girl, you're a girl." Ye Muyun's heart was boiling. He reached out and ruffled the little fellow's hair and kissed her again. our little Yi Shu isn't a boy.

little yi shu's voice sounded aggrieved. "but i like to be a boy!"

Ye Muyun looked at the little guy's short hair and remembered Lan Yu's family tree. However, when he looked at the little girl, he was still gentle. but Yishu is a girl.

"I don't want to!" LAN er screamed.

However, the newly appointed ye Sansan was determined to let her wear a little dress and a little flower underwear.

all these made lan er feel ashamed!

her small body was wrapped in lace, and it looked awkward no matter how you looked at it.

“i don’t want to wear this!” the little guy’s emotional reaction was particularly strong, and he cried out loudly.

but how could the little guy’s strength win against his father’s?

So no matter how unwilling he was, she still ended up wearing that little dress.
