Chapter 231 his decision (1)

pei qiqi woke up a little. she opened her eyes and stared at tang yu blankly. then, she buried herself in his arms and said in a muffled voice, " tang yu, continue, yingluo. "

He smiled and picked her up. They walked along the dimly-lit corridor. His voice was as gentle as the night. Qiqi, go to sleep first. Everything will be fine when you wake up.

He carried her to the bed in the bedroom, and her body sank into the soft bed.

Tang Yu sat on the side of the bed and watched her sleep. His long fingers gently pinched her ear. Suddenly, he leaned over and kissed her. He kissed her, and they were mostly full of flesh. it was lustful, but this kiss was filled with tenderness.

" qi qi, i'll give you freedom. but when you're tired of flying, come back to me. " He whispered into her little mouth.

he didn't need a strong woman as his wife, but if qiqi wanted to, he wouldn't stop her.

He knew that she wanted to send Zhou Meilin to prison and help the PEI family develop. He could help her.

Not for justice, but for her.

Tang Yu lay beside her and carefully placed her in his arms.

She was in a deep sleep. She leaned on his neck sweetly and indulged in the moment. It was so moving that Tang Yu almost didn't want to sleep.

at 10 am, in the office of sheng yuan's headquarters, shen lian sat across from tang yu.

her expression was ugly, " tang yu, pei qiqi signed a contract. "

Tang Yu gestured for Xiao ran, who brought in the coffee, to leave first. After the door closed, he looked at Shen Lian, " Qiqi's contract is with King Entertainment and I've already paid the penalty. An LAN should have told you.

before shen lian could say anything, tang yu's phone rang. he gestured for her to wait and then picked up the phone.

shen lian looked at his pampering face and knew that it was pei qiqi who called, wanwan.

"what's wrong?" Tang Yu's voice was low and hoarse but the corner of his mouth twitched slightly. It was obvious that he was in a good mood.

pei qiqi's voice was very soft, " tang yu, did you know? i just looked at the stock you recommended me to buy. it's been going up like crazy today. it's already risen by about two million. "

he had enough money, so he chose the right stock. making money was as easy as drinking water.

tang yu smiled, " don't move yet. we'll see in two days. "

pei qiqi nodded obediently. then, she heard him say, " there's a guest here. i'll hang up first. "

he put down the phone and looked up at shen lian.

” tang yu, she’s just a little girl. is she worth your attention? ” Shen Lian’s lips twitched. I don’t think uncle and Auntie will agree to you marrying her, right? ”

Actually, she was just asking casually. She didn’t think that Tang Yan would marry PEI Qiqi.

Many unmarried men would just play with such a beautiful little girl for a while and then send her away.

But obviously, she didn’t know Tang Yu that well.

“i don’t need to report my own matters to anyone.” Tang Yu looked at her, ” also, from now on, don’t ask her to shoot any more commercials. She’s not suitable for the entertainment industry.

as tang yu spoke, he stood up, ” i still have things to do. if there’s nothing else, i’ll stop here! ”

He was obviously sending her off and was very polite to her, without the slightest trace of their past relationship.

Shen Lian suddenly grabbed onto his arm. Tang Yu lowered his head and gently broke free.

However, Shen Lian grabbed his arm again, ” Tang Yu, is it really impossible between us? ”

Chapter 232-his decision!

She looked at him. we’re very compatible in all aspects. Do you still remember how happy we were in the past? ”

tang yu’s expression was calm and his voice was the same, ” shen lian, people will grow up! ”

He was no longer a young man in his twenties. He no longer had that kind of young and inexperienced age and mood. Moreover, it was true that Shen Lian was teasing him. He did not have much nostalgia.

Of course, there was not much resentment, even though she had climbed into Qin Anlan’s bed.

It could not be said that he did not care, but when Qiqi appeared, he lost his mood. Everything was not important. Not a single trace was left. More or less, it had something to do with his business.

at this moment, shen lian was begging him so weakly that he did not think much about it.

however, he couldn’t just do his own thing. he paused and looked at her. ” shen lian, you just can’t accept the fact that i belong to someone else. ”

her expression was a little dazed. it didn’t match her usual image as a successful career woman. she looked at him in a daze, ” tang yu, are you saying that i don’t love you? ”

Tang Yu smiled and leaned to the side, ” we are no longer the same. Shen Lian, don’t be childish.

she was too proud and could not tolerate her own failure. that was why she had looked for an lan back then. he did not even think about the consequences of sleeping with shen lian. it was only then that he clearly saw it.

he had broken up with her not only because they couldn’t do it, but more or less because he felt that they were no longer suitable for each other.

Tang Yu was an old-school man and Shen Lian wasn't the right woman for him.

In the long years, he almost gave up. He almost thought that he would never find someone who could match his body and heart. But that night, he was drunk and Qiqi bumped into his arms.

At that moment, he instinctively hugged her, as if he was hugging one of his ribs.

it was as if she was born to be in his arms.

She was young, just like Shen Lian.

however, she was so obedient and sensible. no, she was not obedient at all. she only knew how to stay by his side and how to hide her feelings for someone else.

she was so sensible that it made his heart ache. he knew that she liked jinrong, but he still tolerated it time and time again.

it wasn't like he couldn't tell that yingluo had been slowly carving him into her heart.

a couple for a lifetime wasn't something that tang yu believed in. he only knew that the person he was with right now was pei qiqi. now that he had fallen in love with her, he didn't want to let go.

shen lian took a step back, " tang yu, i'm not being childish. i really want to be with you. "

her expression was extremely uncomfortable. " "Which part of me is inferior to her? family background, looks, or figure?"

She looked at him, her heart full of heartache. It was as if she had returned to five years ago, back to the day they broke up.

however, it was different from that day. she was still hysterical, but he was already calm.

the person standing in front of shen lian was no longer the tang yu who liked her so much.

He likes someone else, Yingluo.

"I've never thought that there would be someone else between us," shen lian lifted her eyes and looked at tang yu, " even when i was with an lan, i never liked him at all. "

Tang Yu smiled, " Shen Lian, you can't force a relationship.

he was a realistic person and had no intention to have any more feelings or physical contact with her.

Chapter 233 his decision (3)

Shen Lian looked at him in despair. He supported her firmly. I will get someone to send you down.

he wanted to press the internal line, but the back of his hand was covered by the heavy lotus.

then, she tiptoed and quickly kissed him on the lips.

tang yu was shocked and angry as he pushed her away.

shen lian's back hit the desk and it hurt. but this time, tang yu didn't help her.

His expression was a little cold as he pressed the internal line. Secretary Xiao, please send manager Shen off.

Shen Lian stared into his eyes and a cold smile slowly appeared on her face, "Tang Yu, you will regret this.

She turned to leave and bumped into Xiao ran at the door.

xiao ran was knocked to the side. she was a little stunned. shen lian snorted coldly and left.

at that moment, secretary xiao missed the cute pei qiqi so much. she was so obedient and cute.

she looked at her ceo's darkened face and saw a bit of female lipstick on his lips. she reminded him softly, "wipe it!"

tang yu glanced at her.

xiao ran knew in his heart that she should pretend she didn't see such things.

However, from the current situation, it seemed like the president had been forced to kiss her.

to be honest, manager shen was already a pretty woman and was also his ex-girlfriend. wasn't the president moved?

One had to know that in this world, an ex-girlfriend was even scarier than a mistress.

xiao ran went out to take a walk.

Tang mo washed his face thoroughly.

when shen lian kissed him just now, he did not reject her. he just did not like yingying because she was not qiqi.

he couldn't help but smile at the thought of that vile person. just then, the internal line in the office rang.

He walked out and picked up the call. It was his mother, Lin Yun.

Lin Yun could tell that he was in a good mood so she laughed, "Tang Yu, how long has it been since you last came here?"

Tang Zheng was stunned for a moment, then his handsome face turned red and he coughed lightly. I've been a little busy recently. I'll go tonight.

lin yun smiled gently. "don't forget to bring qiqi over."

Tang Yu nodded, "I'll bring her here after work. She'll be here around 7.

After he hung up, he immediately called PEI Qiqi. PEI Qiqi was busy looking at a report so she was a little impatient, "Tang Yu, I'm busy tidying up.

although she was impatient, her voice was soft and tender. his heart was shaken and there was an unspeakable softness.

"Mom wants us to go for dinner. I'll pick you up at six?" he smiled and sat in his office chair, very relaxed.

PEI Qiqi was stunned and immediately understood what he meant.

His heart started to beat wildly. If there were no accidents, this meeting with the parents was probably planned for marriage.

he had talked about marriage a few times. there were times when he joked and forced her to marry him. but this time, it was different.

Qiqi, ” he said in a low voice, ” it’s just a meal. Nothing will change.

(It won’t change anything. We’ll still live together and sleep together, Yingluo)

PEI Qiqi wanted to say something, but she realized that her throat was blocked. She couldn’t say a word.

After a long time, she finally opened her mouth. Her voice was dry and hoarse, ” Tang Yu, Are you sure? ”

tang yu knew what she meant. he smiled, ” qiqi, you knew it. ”

His warm voice almost made her want to cry.

Tang Yu, don’t be so nice to me. It’s not worth it! she suppressed herself and did not cry out loud.

Chapter 234-spreading dog food

she kept telling herself that she was zhao ke’s daughter ...

No, she can’t marry Tang Yu!

However, she had been in the dark and cold for so long, so long that she was already numb from the cold!

Suddenly, Tang Yu appeared like the sun. He was like a piece of driftwood to her.

She was afraid, but she couldn’t control herself and reached out to hug him.

Qiqi, you’re worth it. You deserve the best of everything. his voice was still unbelievably warm.

As long as she wanted it, as long as she wanted it, he could give the whole world to her, Hanhan.

pei qiqi finally cried. she cried quietly like a baby.

She had never felt so delicate before because she had Tang Yu now.

Perhaps she had always been an insecure child, Yingluo.

Tang Yu didn’t comfort her. He just patiently listened to her cry. He had never seen PEI Qiqi like this.

his heart ached a little, softened a little, but also secretly felt a little happy.

She was crying for him.

“Are you touched?” he chuckled and teased her. ” you’re so touched just like that. if we get married one day, will you be so touched that you’ll cry to death at the wedding? ”

she laughed and cried at the same time. ” i won’t. i’ll dirty your dress. i’ll tear it up. ”

she said like a baby spirit.

Then, she realized that he seemed to have taken advantage of her.

Tang Yu's heart was unbelievably soft. He held onto his phone and said in a deep voice, "Qiqi, I don't mind.

pei qiqi bit her lip and her face turned red. after a long time, she scolded, "you scoundrel."

after she hung up, tang yu looked at his phone and laughed for a long time.

This little rascal had no idea how cute he was.

He leaned his body against the back of the chair, sinking into the soft back of the chair in a daze.

A wedding between him and Qiqi, and then they would give birth to a few children to rub Xiao Luo's head!

when meng qingcheng entered, he saw tang yu's lustful expression. he slowly closed the door, "don't tell me that your feelings for shen lian have reignited? "

He heard that Shen Lian was here before, so Tang Yu's current appearance was suspicious.

"You're thinking too much."

"oh, really? do you need a mirror to look at your current appearance?" meng qingcheng chuckled, "pei xiao qi has fallen out of favor? "

Tang Yu had a doting smile on his face, "Nonsense,"

that smile made meng qingcheng panic. he looked at tang yu, "you really don't?"

Tang Yu thought about it, "Qingcheng, I'll take Qiqi to see my mother tonight.

aww, meng qingcheng was stunned. he quickly realized that tang yu was serious, so serious that he was willing to settle down.

"Isn't it too fast?" He began to stammer and gulped.

A cigarette and lighter appeared in Tang Yu's hand. He lit it up and took a long drag. He looked at him, "Why? you want to marry me?"

Meng Qingcheng felt a chill down his spine. I've never seen you like this before.

tang yu chuckled and looked out the window.

sheng yuan's building was very tall, and it was almost a landmark in B city.

he had always been high and mighty, but no one had ever known that he was also a lonely man.

"it's just that no one lit me up in the past," he said softly, lowering his eyes.

meng qingcheng stepped forward and patted his shoulder, "i understand now. he's turned his low-profile flirtatious behavior into a brazen one. "

pei qiqi was tang yu's match.

Chapter 235 spreading dog food (2)

Tang Yu laughed.

“congratulations!” Meng Qingcheng looked at him, “ what about Shen Lian? ”

“What should we do? it’s been so many years, so i don’t really take it to heart.” tang yu smiled.

this was what meng qingcheng admired about tang yu the most. his own girl slept with his best friend and he could still remain calm and indifferent.

But now, he was seriously suspecting if Tang Yu ever liked Shen Lian. If she had liked him before, she shouldn’t be like this.

If PEI Qiqi was the female lead, Qianqian would have exploded. How could she still smile and talk about the past!!!

“Qingcheng, I used to think that marriage needs to be suitable, especially the background.” Tang Yu said in a low voice, “ but look, I still can’t really like Shen Lian.

Meng Qingcheng still felt a chill down his spine. He sighed, “ “pei xiao qi gave you too much chicken soup for the soul.”

Tang Yu stubbed out the cigarette and looked at him from the corner of his eyes. He had a faint smile on his face, “ Qingcheng, you don’t have a girlfriend. You don’t understand!

Meng Qingcheng walked out with his broken heart. Men in love were so annoying!

tang yu got off work at 5 pm. when he walked out, he had his jacket on his arm and his other hand was fixing his tie.

Xiao ran and a few secretaries saw ran ran off at the door.

after they entered the elevator, the second secretary said in a low voice, “ ” secretary xiao, don’t you think that the president is a little different today? ”

Xiao ran walked into the office with a smile while tidying up his things. What’s the Difference? ”

“It’s just that Yingluo is especially handsome!” the second secretary thought hard. when he finished, everyone agreed.

“when is the president not handsome?” xiao ran asked.

the president’s looks were more than enough to be a star.

The second Secretary bit her lip. it’s just that today was especially eye-catching and I was in high spirits.

xiao ran smiled. ” probably because he’s in a good mood! ”

she knew in her heart that the president had left so early and had just received a call from the former president’s wife. he was probably going to meet his parents.

.....

tang yu went to pick up pei qiqi. he parked the car outside the pei corporation and called her.

in less than five minutes, she came down. her little face was a little red, and it was obvious that she had run over.

Tang Yu handed her the box of tissues and couldn't help but rub her little head, " why are you running so fast? "

PEI Qiqi held her bag in her hands and turned to look at him, " Tang Yu, do you have time for me to go back and change? "

He looked at what she was wearing today. She was wearing a thin gray wool skirt and a black coat. It was a little too mature.

He tapped his long fingers on the steering wheel. you don't have to go back. Just buy a set outside!

"I don't want to, you'll buy something especially expensive again!" Her little mouth was slightly pouted, and she looked especially cute.

really, she had never been so cute in front of him.

Tang Yu was tempted. He couldn't help but lean over and kiss her on the lips. His voice was hoarse, " "The future Mrs. Tang is learning how to save money for me now, Zhenzhen. Do you want to reward her?"

PEI Qiqi was trapped between the back of the chair and his body. He was so close that she couldn't escape. His hot breath sprayed on her lips and the side of her neck, causing her to tremble slightly.

tang yu looked at her trembling eyelashes and chuckled, " qiqi, seeing you like this makes me feel so accomplished. "

pei qiqi's little fist knocked on his shoulder a few times, " bad guy. "

He pressed his forehead against hers, not caring about her fancy moves. His voice was hoarse and seductive."are you scared? I'm going to see my in-laws in a while!"

Chapter 236-spreading dog food (3)

PEI Qiqi looked up and into his eyes. Her eyes were moist, uneasy, and determined!

"Tang Yu." her voice was soft and pitiful,"i want to be with you, yingluo."

Tang Yu's heart was filled with an indescribable feeling. It was as if all the loneliness and unwillingness he felt because of Tang Zhiyuan all these years were comforted by these few words.

"qiqi, i know." he reached out to hug her, wishing that he could rub this little thing into his bones so that she could not escape.

"It'll be too late if we're any slower," she sniffed in his arms and reminded him in a low voice.

Tang Yu laughed, " Qiqi, are you in a hurry? "

her face turned slightly red. " i'm not! "

"Alright, I was too anxious!" his voice suddenly became unbelievably gentle. then, he gently kissed her little mouth and let go of her.

PEI Qiqi stared at him with her eyes wide open. However, Tang Yu had already started the car.

she waited for a long time but he didn't say anything, so she lowered her head childishly. "forget it if you don't want to say it."

"What did he say?" His voice was especially magnetic at this time, the kind that made one's ears turn red. "qi qi, do you want me to say that i can't wait to marry you? hmm?"

After he finished speaking, the traffic light turned red. He turned his head to look at her with a faint smile on his face.

pei qiqi bit her lips and glared at him, "i'm not!"

"but, i want to marry you!" he said half-jokingly, then he held her little hand and did not let go.

Shameless!

PEI Qiqi turned her head away uncomfortably. She didn't know how shy and fragile she looked right now.

Tang Yu tilted his head and looked at her. He didn't say anything but his expression became gentler.

he drove the car into the shopping mall's parking lot and held pei qiqi's hand. they walked towards a brand that was suitable for pei qiqi's age.

"you're very skilled, mr. tang. oh, oh?" PEI Qiqi's little hand pinched him.

he placed her in front of him, half-hugging her, and chuckled. "miss pei, the same goes for you. you've also become much bolder."

He brought her in and the moment they entered, they saw PEI Huan, jinrong, and jinrong's mother.

lin jinrong's mother wanted her son and daughter-in-law to get along well, so she brought lin jinrong here to pick out clothes for pei huan. although her son's wishes had never been high, he did not object.

But now, Tang Yu actually brought PEI Qiqi here. At that moment, mother Lin felt her son's gaze on PEI Qiqi.

she sighed in her heart. she heard from tang yu's mother that tang yu had the intention to marry pei qiqi. they would be relatives in the future. if jinrong still couldn't let go of her, how would they meet in the future?

besides, qiqi was so pretty. tang yu wouldn't be at ease!

mother lin thought that it would be uncomfortable to stay if she just said hello and left.

However, PEI Huan was unwilling to accept this. Who was she? she was the lin family's young mistress!

Where was PEI Qiqi? She was just a woman by Tang Yu's side that couldn't be seen.

PEI Huan laughed coldly, "PEI Qiqi, when will you be willing to let my mom go and release her from the police station? no matter what, she raised you. Aren't you an ingrate by doing this?"

Mother Lin couldn't stand it anymore. It was inappropriate for her to interfere in the matters of her daughter-in-law's family, so she looked at her son.

Chapter 237 Spreading dog food (4)

Lin jinrong put his hands in his pockets, his expression indifferent.

mother lin sighed in her heart.

pei qiqi laughed, "pei huan, it's not up to me to decide whether you let auntie go or not. auntie raised me and i will always remember it in my heart. i will always want to repay qianqian. "

"is this how you repay me?" pei huan was a little annoyed and shocked that pei qiqi didn't give her any face in front of tang yu.

pei qiqi laughed coldly, "auntie knew the law and broke it. this time, she didn't do anything to her because she bumped into me. if she accidentally did this to someone else next time, what do you think would happen? " wouldn't it be good for her to reflect on herself for a few days? Besides, didn't Auntie teach me this since I was young? I remember that sentence the most. Lock her up for a few days and she'll become obedient, PEI Huan. Do you still remember that?"

PEI Huan was so angry that she trembled, " PEI Qiqi, just you wait. A wild person like you ... | you won't have a good end!"

mother lin was a little surprised. although pei huan was a little willful, she could say these vulgar words so naturally. it seemed that she was like zhou meilin, uneducated.

PEI Qiqi smiled faintly, " no matter how bad he is, he's only so-so.

she held onto tang yu's hand and walked in. pei huan stomped her feet and screamed, " "pei qiqi, what do you want?"

"I don't want anything." pei qiqi lowered her head and picked out her clothes. then, she looked up at pei huan, " i just want to seek justice for my father. "

PEI Huan was stunned. After a long time, she muttered, " "Dad is already dead. What else do you want?"

What entered her eyes was PEI Qiqi's smile that wasn't a smile. From this day on, PEI Qiqi had become PEI Huan's nightmare.

Mr. Tang was very calm about his own child's dark side.

He had long known that his little fellow was a little fierce and not such a weak little girl.

Mother Lin finally pulled PEI Huan away. Lin jinrong glanced at PEI Qiqi before leaving and quickly followed.

the moment they left, pei qiqi put down the clothes rack and looked at tang yu, " i'm not in the mood. "

no matter how powerful she was, she was still a little girl!

Tang Yu smiled and walked over to pick out a set of clothes for her, " you can't keep your cool anymore? "

PEI Qiqi looked at him. no. I just don't want to see her. Because when he saw her and Zhou Meilin, he would think of his father, Yingluo.

Tang Yu saw a touch of sadness and anger in her eyes. He knew how much hatred she had.

“bring back the information on zhou meilin’s embezzlement. i’ll let my lawyer take a look.” He patted her. Qiqi, there are some things that you can’t be too eager for quick success. You’ll only hurt yourself.

“You knew?” she asked him, a little dejected.

because of pei minghe’s death, the evidence became somewhat irrelevant, and the only witness, manager li, insisted that he didn’t want to admit that he colluded with zhou meilin.

It wasn’t easy to Sue Zhou Meilin. There was almost no hope.

tang yu acknowledged her and led her to the changing room, ” the most important thing right now is to manage pei group well. as for other things, we have plenty of time. ”

pei qiqi raised her head and looked at him. she pursed her lips, ” “you’ve comforted me, mr. tang.”

He chuckled and reached out his large, good-looking hand to pinch her small face. you’re clearly a young lady, but you have to be so fierce.

“you actually admire it, don’t you?” she was in a much better mood and was actually a little mischievous.

mr. tang mumbled something and then laughed.

Chapter 238-meeting parents

PEI Qiqi walked out of the changing room. Her clothes were surprisingly good looking. She was wearing a white dress with a beige jacket. Her long hair was tied into a ponytail, making her look young and pure.

tang mo shook his head as he swiped the card. ” qiqi, you make me feel like an uncle. ”

“You’re an uncle.” Her hand naturally held his, and she turned her head to smile at him.

The cashier was conquered by the smile on Tang Yu’s face and almost made the wrong amount.

tang yu patted pei qiqi and walked out with her for a walk.

Outside, he saw Lin jinrong leaning against his sports car, smoking.

tang zheng frowned. ” jinrong! ”

lin jinrong sneered, ” i should say congratulations! ”

He looked at PEI Qiqi, ” is this the life you want? ”

“jinrong, that’s enough!” Tang Yu’s expression was dark, ” don’t forget. You’re married.

Lin jinrong chuckled. brother Tang Zheng, aren’t you going to marry her soon? Can’t you let me confess to her before you marry her?”

His eyes looked straight at PEI Qiqi and he smiled, ” PEI Qiqi, do you still like me? ”

PEI Qiqi felt that her eyes were dry and bitter. She even felt a little pain.

She couldn't say it out loud. At this moment, she was also embarrassed.

she shook her head and turned her face to the side.

Lin jinrong smiled, " I know!

He lowered his head and stomped out the cigarette on the ground. He was silent for a long time. brother Tang Zheng, treat her well!

With that said, he opened the door and got into the car. The car sped up almost instantly. At that moment, the White moonlight in his heart died.

He really didn't like Wanwan in PEI Qiqi's eyes.

Why did he ask her again and again? it was probably because he was unwilling to accept it!

Just like what PEI Huan said, their two years were less than Tang Yu's two months ...

"let's go!" Tang Yu hugged PEI Qiqi, " I will talk to him.

PEI Qiqi didn't say a word. It was obvious that her mood was affected too.

"When we were dealing with PEI Huan just now, wasn't my little friend very fierce? how did it drop now?" He lifted her chin and looked into her eyes, " PEI Qiqi, you better not let me see you cry.

He paused for a moment. Mr. Tang, you're very jealous!

she couldn't help but smile as she looked at his beautiful side profile.

it wasn't until his car stopped in shui yun's courtyard that tang yu unbuckled his seat belt and coughed, " "Qiqi, are you going to keep looking at me like this?"

she blushed and unbuckled her seat belt to pick up the gift box in the back seat.

actually, tang yu had someone prepare it. it was a piece of art. pei qiqi's face turned red as she held it.

Lin Yun was especially gentle. Because they had met a few times before, she wasn't unfamiliar with PEI Qiqi. However, this made PEI Qiqi even more helpless.

Tang Yu, don't bully her. She's seven years old! lin yun personally cooked and brought it up with aunt blessing. pei qiqi quickly went up to help tidy it up.

Lin Yun was quite comforted. He was so good-looking and young, and she heard that he knew how to do family affairs.

tang yu didn't like to live in groups of servants so a capable wife was perfect for him.

tang yu didn't bully me! " Under Tang Yu's threat, PEI Qiqi spoke softly. Then, she sneaked a glance at Tang Yu.

The two little ones 'eyes couldn't escape Lin Yun's eyes. She smiled. you're bullying her now!

Chapter 239-meeting parents

lin yun patted the back of pei qiqi's hand, " don't be afraid of him! tang yu isn't that strong."

Hearing this, Wen Yu raised his eyebrows and actually asked PEI Qiqi, " am I not good? "

pei qiqi's face blushed.

Tang Yu's heart softened and the way he looked at her was unbelievably gentle.

Lin Yun saw her son's affectionate eyes and sighed in her heart. He had fallen deeply.

she was also a little surprised. tang yu wasn't an emotional person, so why was he suddenly so concerned?

and from the looks of it, he's already reserved it, yingluo.

Lin Yun gave PEI Qiqi a jade-green bracelet. PEI Qiqi looked at the Jade bracelet and didn't dare to accept it.

"Take it, mom is giving it to you." Tang Yu smiled and accepted it for her. He didn't ask her to wear it because it wasn't convenient.

he saw that his mother had something to say, so after dinner, he sent pei qiqi away and patted her little butt. " go upstairs to my room and tidy it up. we'll sleep here tonight. "

although she had been living with him for a long time, pei qiqi still felt a little uncomfortable.

"Hurry up and go!" he handed her the box with the jade inside. " i'll check it later. "

pei qiqi responded with an "oh" and obediently walked upstairs.

Tang Yu waited until she couldn't be seen before he turned around to look at his mother. He smiled helplessly, " still too young! You're disobedient!"

lin yun didn't know whether to laugh or cry. " tang yu, do you treat qiqi as your girlfriend or your daughter? "

Tang Yu actually replied seriously, " sometimes it's a girlfriend, sometimes it's like a daughter.

He remembered the last time she had sneaked a smoke and he had hit her, and his heart couldn't help but flutter.

Seeing him like that, Lin Yun couldn't help but guess that he was thinking about something indecent, Yingluo.

" it seems like you still inherited some of tang zhiyuan's genes. " lin yun looked at him.

tang yu chuckled, " mom, why did you mention him?! " Weren't all men like this?

however, for now and in the future, he would only be willing to do these indecent things to pei qiqi.

Speaking up to this point, Lin Yun sighed softly, " I called you here today because I have something to say! if you're sure it's qiqi, bring her to your father's birthday party in a few days!" it could be considered as having a share!

Lin Yun was very open-minded. She hated Tang Zhiyuan but she didn't say much in front of Tang Yu.

Sheng Yuan, if you want to go further, you can't have any scandals.

Plus, no matter how much she hated Tang Zhiyuan, she always cared about Tang Yu.

Tang Yu smiled but didn't say yes or no.

He just stood behind Lin Yun and put his hands on her shoulders. He bent down slightly and whispered in his mother's ear, "mom, uncle Zhao has actually waited for you for many years, ran ran."

Zhao Yi was an elder of Shengyuan. He was in his 50s and had maintained himself well. His moderate life made him look very good, and he had treated Lin Yun as usual for many years.

she had been single all these years, but Lin Yun had been single for more than ten years, and she had never said anything about it.

Tang Zhiyuan didn't know about this. If he had known, Sheng Yuan probably wouldn't have been so calm. Men were like this. If his ex-wife was with another man, he would always feel uncomfortable.

Lin Yun patted the back of Tang Yu's hand, "I'm already so old!

she turned her head and smiled. "Mom is very satisfied with her current life."

Tang Yu only mentioned it and didn't force it.

Chapter 240 meeting the parents (3)

Lin Yun held his hand and looked at the dark night outside. She sighed, "so many years have passed in a flash!"

All the hate and love had left her. She only wanted Tang Yu to live a good life.

Tang Yu pressed down on his mother from behind. Although his mother was almost 50 years old, she was still very beautiful.

Time had treated her well. Over the years, her peaceful life had allowed her to settle down with an aura that Zhao Ke could not compare to.

Tang Yu could also tell that Tang Zhiyuan still felt a little reluctant to part with his mother. But this reluctance was very limited. It wasn't something his mother needed.

"Alright, let's go upstairs and see Qiqi!" Lin Yun patted him and said gently, "be good to me in the future."

Tang Yu laughed in a deep voice.

Lin Yun suddenly thought of something, "however, her background is a little complicated! Tang Yu, you're scared!"

Now, her mother's family, the Lin family, had become the talk of the upper-class society. The main topic was Jinrong's mother-in-law, who had been rumored to have found a gigolo and had personally angered her husband to death.

That was why Jinrong's mother didn't go out much recently, and she would often sigh whenever she met her.

Tang Yu smiled, "I know! Mom, I'll take care of it."

Zhou Meilin was still in the detention center and would probably be released in a few days, Yingluo.

Lin Yun sighed. She knew that this matter was difficult to handle. If Jinrong wasn't involved, it would be easier, ran ran.

Tang Yu patted her shoulder and accompanied her to watch the moon for a while.

He only went upstairs when the night was cold.

he pushed the door open and saw his child sitting on the floor, leaning against the bed and reading a photo album.

her long hair was let down, and her coat was thrown on the bed. she looked very calm with her small face down.

tang yu looked at it for a while and then snatched the photo album from her hand, "what are you looking at?"

PEI Qiqi raised her head, still smiling, "I'm looking at you.

he flicked her little head lightly and then sat face to face with her. "what's so good about photo albums? just look at me!"

he let her look at him in a serious manner, and he was very close to her.

pei qiqi's face turned red, "i didn't say i wanted to see you."

he immediately pulled her into his arms. "do you want to kiss me?"

he hugged her with one arm and placed the other on the back of her head. he kissed her on the lips with a smile and then teased her.

PEI Qiqi bit her lip and refused to let him kiss Yueyue.

tang yu laughed and carried her up. then, he threw her onto the bed-

She fell down along with the force and her body sank into the soft bed, her black hair covering the pillow.

His large palms pressed down on both sides of her body, and also pressed down on her hair.

"Tang Yu!" the little pitiful girl's eyes were misty and she looked pitiful. she placed her little hand on his chest and said, "your mother will hear you, yingluo."

Because he was using all his strength to support himself, the muscles in his body were all tensed up, especially the few buttons on his shirt that were unbuttoned. She could see some of the Kasaya.

Tang mo bent down slightly and whispered in her ear, "hear what?"

pei qiqi's face turned even redder. she hugged him with her small hands and shamelessly refused to let him move.

Tang Yu admired her blushing face for a while and decided not to tease her anymore. He turned to the side and let out a long breath to calm himself down. Then, he turned to look at her, "Qiqi, let's have a few more children in the future.
