

Thank you 2311

Chapter 2311: little yi shu, it's a girl (6)

She had short hair and was wearing a bumpkin-style dress. No matter how he looked at her, she looked awkward.

But in boss ye's eyes, it didn't look awkward!

He thought that she was extremely adorable. He carried her out of the bathroom and kissed her again and again. Little LAN er was extremely disgusted.

when xue 'er came back, she saw little yi shu struggling with a look of disgust.

She was stunned for a moment, then she looked at the little guy. Yishu? ”

“mother!” the little fellow burst into tears and pointed at ye mu yun. ” “Uncle forced me to wear girls” clothes!”

Xue 'er was still in a daze. She looked at ye mu Yun.”yishu is a boy!”

CEO ye closed his eyes and he knew it. This idiot!

He looked at little Yi Shu, ” tell your mother, are you a boy or a girl? Hmm?”

Little Yi Shu's eyes had a touch of fear, and he didn't say anything for a long time.

xue 'er was a little confused. after all, she had been with little yi shu for five years, but she didn't know that her son was a girl.

She looked at little Yi Shu.

The little guy lowered his head and said pitifully in a small voice, ” “mom, i don’t want to wear a dress.”

Xue ‘er almost fainted. She pursed her lips and looked at her’ beloved son’, finally accepting the fact that this was her daughter.

if she wasn’t afraid of hurting the little guy’s self-esteem, she would probably want to check it out.

xue ‘er was even more shocked than ye mu yun. she stared blankly for a long time, unable to come back to her senses.

Little Yi Shu saw that there was no hope, so he cried out loud!

She didn’t want to be a girl!

She liked short hair, so it was ridiculous to wear a small suit.

wow, she didn’t want to!

The little guy cried sadly and wailed. His allergy was cured, but it was miraculously fast.

As for Xue ‘er, she had also walked out from the sadness of seeing Lan Yu and was speechless for a moment.

However, none of this could stop Chairman ye’s joy!

Chairman ye placed the little princess on the small bed, then paced around. He thought for a moment before slowly saying, ” “No, that kindergarten is too shabby!”

the number one kindergarten in B city. he said that it was shabby and not worthy of his daughter!

xue ‘er felt dizzy. she had not yet accepted this reality, but he seemed to be very happy!

What was he happy about? the child was not his.

at this moment, xue 'er really wanted to shake lan yu awake. he didn't tell her that little yi shu was a girl, and he personally raised little yi shu, but she didn't even know!

Xue 'er was deeply ashamed. She lowered her little face and didn't dare to look at ye mu Yun.

Meanwhile, Chairman ye had already called Gu ze and instructed, "buy a kindergarten immediately and conduct strict quality checks on the teachers and students. oh, only girls are allowed!"

he had decided that he would let his little darling grow up in an absolutely pure environment and get rid of all the negative things that lan yu had brought to her.

Ye Muyun hung up the phone and looked at his little darling lovingly. He couldn't help but kiss him again.

Xue 'er had a feeling that Yingluo had fallen out of favor!

did he like girls that much? He liked her so much that he was almost perverted!

furthermore, he didn't seem to like lan yu. why did he like lan yu's child so much?

Xue 'er looked at him for a long time and felt a little disgusted. She looked at him with a meaningful gaze.

Ye Muyun looked up at her and smiled, but didn't say anything!

Little Yi Shu started to cry. Ye mu Yun hugged and kissed her.

His little custard bun.

Chapter 2312: lan yu loves her (1)

No matter how unhappy little Yi Shu was, he was still pampered by boss ye.

in the evening, the red silk on little yi shu's body also slowly disappeared. under the doctor's repeated assurance, he then brought the two back to the villa.

little yi shu's mood was particularly low. xue 'er kept him company, and he forgot to go back to the hotel to get lan yu's things.

in the study on the second floor, ye muyun sat quietly with a cigarette in one hand and a document bag on the table in the other.

he had found these in the GM's hotel. he flipped through them, and there wasn't anything important inside. there was only a sketchbook, and other than yi shu, xue 'er was drawn on it. sometimes, the two of them drew together.

Ye Muyun gently caressed the lines. He didn't know much about painting but he could feel that the person who drew these paintings was full of feelings for the people in the paintings.

lan yu loved xue 'er, but she didn't know.

she didn't know that perhaps it was his luck.

he didn't even dare to think about it. if lan yu had expressed it earlier, would she be standing in front of him now and calling him brother? or would she really be like before, always by lan yu's side and be a happy little wife?

Lan Yu was such a deep man. As long as he wanted to give it to her, he would definitely make her happy.

ye muyun's slender fingers gently closed the sketchbook and closed his eyes ...

An opponent who had already fallen silent!

But it was everywhere.

he made a call to gu ze. his tone was very light, but it was depressed and heavy. ” go to new York personally and find lan yu’s previous residence. no matter the cost, bring back everything related to lan ting and xue ‘er. ”

gu ze was silent for a moment before nodding.

After hanging up the phone, ye Muyun slowly leaned back in his chair and started smoking.

he would definitely not allow her to live with lan yu for those five years. he would not allow lan yu to affect their future.

He supported his forehead with his fingers. He had a headache. It was easy to arrange Xue ‘er, but what about Yi Shu?

this child had always thought that he was lan yu’s child. he was five years old, but he understood many things.

how could he let yi shu know that he was her father?

Ye Muyun sat in the study room alone for two hours.

when he went out, he saw xue ‘er at the door of the study.

he looked behind her and smiled. ” “where’s little yi shu?”

“he’s asleep!” Xue ‘er pursed her lips and looked at him. she doesn’t want to be a girl. She doesn’t want to wear dresses. She’s making a big fuss.

her eyes were sparkling as she looked at him, as if she had a request.

ye muyun looked at the sky and walked downstairs. she naturally followed behind him.

“You mean you want her to wear boy’s clothes again? raise him like a boy?” Ye Muyun walked to the middle and suddenly stopped, turning to look at her.

xue 'er bit her lip and muttered, " "we need to buffer for a while."

After she finished speaking, she noticed that his eyes were burning.

She didn't have the face to continue begging.

ye muyun smiled. " i don't know what you and lan yu were thinking before. forget about lan yu, but did you, wanwan, just let things be because you didn't give birth to yishu? did you let lan yu decide a lot of things? "

"No!" Xue 'er widened her eyes and bit her lip.

"You're not? but you don't even know if yishu is a boy or a girl. is she your child or your toy?"

xue 'er lowered her head like an elementary school student under his scolding.

Chapter 2313: lan yu loves her (2)

Ye Muyun looked at her. Originally, he wasn't angry, but as he lectured her, he really got angry. Seeing her admitting defeat, he felt both angry and funny.

Xue 'er pursed her lips and lowered her head. He didn't speak for a long time, so she secretly looked at him.

After taking a look, she quickly lowered her small face again.

she thought to herself, "i've fallen out of favor."

he seemed to only like little yi shu!

She didn't know why, but she was sad. Her eyes were wet, and she didn't make a sound for a long time.

ye mu yun's heart softened. how could he not know what she was thinking?

she was a child to begin with, and lan yu came to her with a motive. she didn't give birth to little yishu, so it was possible that they found a surrogate, so it was possible that they didn't want her to know.

He realized that he had already found an excuse for her and felt helpless. He ruffled her hair and said, " eat first!

with tears in her eyes, she unwillingly followed him downstairs, but she ate more than he did.

after they were done eating, he still brought her back to the study room. xue 'er sat on the sofa, feeling a little uncomfortable.

"do you think she'll be able to turn the tables in two years?" ye muyun looked at her seriously. " a five-year-old child is at the age of curiosity. you want him to wear a small suit, a crew cut, and then go to the women's washroom? "

Xue 'er didn't say anything.

"Lan Yu's heart is very big!" Ye mu Yun cursed that man's eighth generation in his heart and then said,"Don't worry, I'm here!"

His last sentence was extremely gentle, even gentle.

xue 'er's expression was a little dazed. after a long time, she suddenly asked, " "Is it because of Yishu or me?"

"it's because of you," he gave her a firm answer.

And then, and then she became even more embarrassed.

ye muyun smiled and walked over to stand beside her. he reached out and gently pulled her into his arms.

xue 'er raised her head and looked at him helplessly.

"i will always be here." he pressed her small face into his arms, his voice very soft.

Xue 'er was in his arms. He had hugged her many times, and every time he hugged her, he was full of eyes. But this time, she felt different.

it was a very warm feeling.

He was like an older brother.

he hugged her for a long time. under the dim yellow light, they held each other and felt each other's warmth.

she knew that she shouldn't be doing this, but she didn't want to struggle at all.

Suddenly, she felt like crying. She mumbled in his arms, " I don't know what's going on between Lan Yu and me. I only remember that I was with them when I woke up.

She raised her head, her face streaked with tears. but I can't abandon it.

Ye mu Yun's eyes were deep.

This idiot, was she laying her cards on the table? Was she telling him that even if she didn't love Lan Yu that much, she still wanted to keep her chastity for Lan Yu?

He was sure that she had feelings for him and wanted him.

He knew her body better than anyone.

ye mu yun reached out and ruffled her long hair. he smiled gently. ” i know. ”

He only said these three words and nothing else.

she stared at him in a daze, her lips moving slightly.

Ye mu Yun smiled. what’s wrong? ”

She shook her head in a daze. How could she admit that she was a little disappointed?

the next morning, yi shu’s allergic reaction was completely cured, but the little guy’s temper was not very good. his little face was always sullen, and he was very unhappy with his girl’s dress.

Chapter 2314: I’m sorry, brother (1)

xue ‘er wanted to speak up for her, but she didn’t dare.

Ye Muyun was fine at home, but if he went to work, little Yi Shu would change her clothes.

She hated little skirts!

originally, although little yi shu was raised as a boy, his personality was soft and cute. now that he was raised as a girl, his temper became much worse, and xue ‘er couldn’t do anything about it.

moreover, she didn’t dare to let ye mu yun know and just lived like this day after day.

one afternoon, she and little yi shu finished their lunch and lay comfortably in the sun in the room. the afternoon sun was warm, and the two little ones had their bellies facing the sun, and their foreheads were covered in sweat.

When Qin Mu came over, this was the scene he saw. He sighed.

although xue 'er used to be a good-for-nothing, it was not easy for the mother and daughter to be like this together!

She had already heard from her brother that little Yi Shu was his child, and it was a girl.

After she found out, she looked at little Yi Shu again and realized that he looked very similar to Xue 'er, especially his eyes.

How was he like Lan Yu at all?

Qin Mu just sat at the side and watched quietly for a long time.

Xue 'er was the first to wake up. She looked at Qin Mu. you're Qin Mu? ”

“yes.” Qin Mu sat on the sofa opposite her and smiled.

Xue 'er sat up and wiped her sweat as she said to Auntie li, ” “Bring two cups of fruit tea!”

auntie li nodded, turned around, and went downstairs.

qin mu looked at her. ” your ran ran is doing well! ”

“en!” Xue 'er's face was a little hot,”I'm fine!” Your brother is very good at taking care of people.”

“he's my blood-related brother, but he's your brother more often than not,” qin mu said without even thinking.

xue 'er was stunned.

Although she knew that she grew up with ye Muyun, she never dared to ask in detail. She was afraid that the more she knew, the more she would be doomed.

“My brother went to the Tang family when he was ten years old. He liked you then,” Qin Mu continued.

xue ‘er’s eyes widened slightly, and her face was filled with shock. after a long time, she said with difficulty, ” “did i ever date yingluo?”

“you two have always been together.” qin mu’s eyes had a touch of gentleness. However, you two separated.”

qin mu’s voice lowered and seemed heavy.”It’s because of me.”

xue ‘er couldn’t digest it for a while. besides, she wasn’t familiar with qin mu.

All of a sudden, Qin Mu told her so many things. She was shocked and a little scared.

She was afraid of missing out, but she was even more afraid of being hurt.

Instinctively, she knew that it wouldn’t just be a beautiful story.

A scene flashed through her mind, but in an instant, her head hurt again.

“don’t say anymore,” she said in a pained voice, holding her head.

Qin Mu was shocked and immediately came over to support her. He then saw that Xue ‘er’s face was pale and there were bean-sized beads of sweat on her forehead.

she was scared out of her wits and immediately called ye muyun. then, she helped xue ‘er lie down.

“brother will be back in a while. is yingluo in pain?” Qin Mu was on the verge of tears. He kept helping her rub her scalp, hoping that she would feel better.

Xue ‘er bit her lip. Her voice was broken. no, it’s not very painful.

She opened her eyes and the two girls 'gazes met.

Those bitter, sweet, innocent feelings overwhelmed Xue 'er and she fell into a coma before she had the chance to remember them.

Fortunately, ye Muyun came back in time and also brought a doctor back.

Chapter 2315: i'm sorry, brother (2)

in the bedroom that was filled with a man's aura, xue 'er was lying quietly. qin mu was guarding at the side, watching blankly. he felt extremely guilty. she had wanted to help her brother, but it seemed to have backfired.

Ye Muyun and the doctor were talking in low voices by the door. The head of the surgery department of Sheng Yuan hospital was full of worry. chief ye, it's better not to stimulate her nerves anymore. If this continues, it will cause damage to her brain nerves. If that happens, her memory might not be complete. Instead, it might become chaotic and eventually lead to confusion.

As for the result of the confusion, he didn't say it. Chairman ye should understand it in his heart.

Ye mu Yun turned around and looked at Xue 'er with a complicated gaze. Then, he smiled."i know."

How could he bear to force her? he knew in his heart that Qin Mu was probably anxious too.

however, he felt that as long as lan yu did not wake up, he had a lifetime to wait.

Whether he was her brother or her husband, what was the difference?

after sending the doctor off, he walked over slowly. qin mu stood up all of a sudden and said guiltily, " "Brother, I didn't expect it to be like this,"

"I know." Ye mu Yun patted her and smiled.

Qin Mu pursed his lower lip and then looked at him. then, are you going to take care of little Yi Shu like Lan Yu's child? ”

Speaking of little Yi Shu, ye Muyun remembered that the child was wearing a boy's clothes just now. Why was Xue 'er still so indulgent towards the child at home?

But now that she was lying here, he naturally couldn't bear to blame her.

“I'll take it slow,” he said.

yi shu's last name would definitely be hui ye or qin. when he found a reasonable and perfect explanation, he would let xue 'er and yi shu know that the little guy was his son.

he bent down and touched xue 'er's forehead to make sure she had settled down. then, he went outside to smoke.

Qin Mu followed her and apologized a few times.

Ye mu Yun looked at her and smiled. silly!

He put his arm around Qin MU's shoulder and said in a very calm tone, ” “mumu, i'm already very satisfied with this.”

Qin Mu froze for a moment.

ye muyun tilted his head and took a long drag of the cigarette. ” if xue 'er was the one who fell into a vegetative state in this car accident, or if lan yu didn't save her, what would have happened to yingluo? ”

He couldn't imagine it, and neither could Qin Mu.

“Brother won't be able to survive then!” She murmured.

“yes.” He only nodded and responded indifferently.

For a moment, Qin Mu wanted to cry because he knew that he was serious.

if she didn't come back and didn't let me see her again, I might have missed her or hated her for the rest of my life. But now that she's back, I can't let anything happen to her. Ye mu Yun's voice was deep. Mumu, do you understand? ”

qin mu forced a smile and rested his head on his shoulder. he didn't say anything.

ye muyun looked at his sister and said in a soft voice, ” i heard that you and zhou chongguang made up? hmm?”

qin mu only answered after a while. ” it's not that we're on good terms. it's just like that! ”

Ye Muyun let out a long breath. the eight percent that Zhou chongguang has is now in your hands, right? ”

qin mu was shocked. he moved away from his shoulder and took a step back. his entire body was a little tense.”brother, how did you know?”

“I'm the CEO of Boyi, how could you hide this from me?” his gaze was deep.

Chapter 2316: i'm sorry, brother (3)

Qin Mu didn't dare to say anything and just looked at him.

Ye Muyun reached out and pressed on her shoulder. He said very seriously,”mumu, i don't blame you for what happened eight years ago! But if you want to sacrifice your future for me, you don't have to, really!”

Qin Mu was a little moved. His lips trembled for a long time before he said in a low voice, ”
“Brother, it’s not like that. I’m not Yingluo.”

her voice was even lower and trembling. ” i’m yingluo, i really haven’t let go. yes, i haven’t let go of zhou chongguang. ”

ye muyun’s gaze was a little deep as he kept looking at his sister.

In her eyes, he saw a hint of shyness and embarrassment. This embarrassment made him believe that she was telling the truth.

he pursed his lips and finally sighed.”Return the shares to Zhou chongguang! What I want is your freedom.”

However, Qin Mu refused. it’s mine now.

“Mumu, you don’t believe in my ability?”

“no!” Qin Mu was a little nervous. I’m just afraid that this will really happen one day. I’d rather I’m the bad guy.

He didn’t force her to do what she had decided and just smiled.

she had wanted to keep qin mu for dinner, but qin mu had something on his mind and couldn’t eat.

She drove back to Qin garden and told her mother about ye mu Yun and Xue ‘er.

Ye Liangqiu was silent for a long time.

ever since xue ‘er had returned to B city, she had not had a chance to talk to her properly. what was more unexpected was that she had forgotten everything.

What had happened eight years ago was a pain in ye Liangqiu’s heart.

at that time, for the sake of qin mu's life, she had sacrificed mu yun and xue 'er's happiness. if that child remembered this, he would probably hate her!

"Mom! My heart hurts when I see Xue 'er like this." Qin Mu half-knelt and lay in ye Liangqiu's arms. His voice was very low. I feel pain when I look at my brother.

that feeling of not being able to get what she loved, she could only experience it when she completely knew that zhou chongguang did not love her.

And this feeling, when placed on her brother and Xue 'er, would only be magnified countless times.

the saddest thing for qin mu was that she was treated well by everyone, but fate had never spared her brother and xue 'er.

Her sadness was filled with self-blame.

Even being together with Zhou chongguang was a sin.

She could feel that the man was trying to make it up to her, but her feelings for him were different from before.

She became more careful, overthinking, and not caring as much.

She wouldn't ask him if he came back late. It wasn't that she didn't care, but she had subconsciously prepared herself for him to cheat on her again. She even thought about how she would deal with it if it happened again.

Their current marriage was twisted, but she was powerless to change it.

Ye Liangqiu let out a long sigh. She couldn't comfort Qin Mu, much less herself.

luckily, at six o'clock, zhou chongguang came over and stayed for dinner with qin mu.

as for zhou chongguang, qin anlan would try not to see him if she could. whenever she saw him, she would have a headache.

eight years ago, he had beaten this kid to a pulp. eight years later, this kid had let mumu down and done so many bad things, but now he could still be with mumu.

qin anlan was a father. naturally, he would not like to see a bastard like zhou chongguang.

however, since qin mu was willing to give this b * stard another chance, qin anlan was still willing to give him some face. they reluctantly had a meal together.

Chapter 2317: bastard, let me go (1)

zhou chongguang was also someone who knew how to read the situation. he looked at qin mu's eyes, which seemed to have cried. after eating, he did not stay for long and took his leave after sitting down for a while.

qin mu wanted to drive by himself but was stopped by him. his warm hand held her small hand and he said calmly, "I'll send you over tomorrow."

qin mu raised his head to look at him. his little hand instinctively struggled a little, but not only did he not break free, he was held even tighter.

"Zhou chongguang!" Qin Mu called out his name, but there was a little exasperation in his tone.

he had been with her for a long time and understood her personality quite well. he couldn't help but smile. "you're taking your anger out on me, huh?"

qin mu didn't want to argue with him in his parents' house, in case they felt uneasy again.

She still sat in his car, but she ignored him after that.

Zhou chongguang didn't disturb her. He reached out to adjust the rearview mirror and started the car.

the black sports car sped through the night. qin mu's eyes were always looking out of the window. he had no intention of paying attention to him.

when they reached the villa, she opened the car door herself and walked in front.

Zhou chongguang slowly unbuckled his seat belt and helped her take out the things she had left in the car, then followed behind her.

qin mu might not have realized that after they got together again, she had become a little absent-minded. she wasn't like this in the past. in the past, she was very restrained and wouldn't have the chance to let him do these things.

he actually liked her more now. she was real and had a little temper, but she was cute.

however, she didn't notice this. it was actually because of her dependence on him, or perhaps she wasn't as worried about gains and losses.

he followed her upstairs and into the bedroom.

qin mu went in and threw himself onto the big bed. he closed the door behind him and placed her things gently on the sofa at the side. then, he walked over and knelt on one knee beside her. "you're tired. i'll carry you to the bathroom to take a shower, okay?"

Qin Mu opened his eyes and looked at the magnified handsome face in front of him. She admitted that Zhou chongguang was very good to her now. The men in the Gu family seemed to be particularly gentle. He seemed to have gotten rid of many habits in a short time. He usually did not go out to socialize at night. On the contrary, he liked to demand things from her.

sometimes, when she couldn't take it anymore, she would just let him go out. she didn't care if he went to a bar or a club, as long as he didn't bother her.

That night, Zhou chongguang pressed her down and did not let go of her for the entire night. He only knew that at dawn, he bit her lips and said in a low and hoarse voice, " "mrs. zhou is so generous? hmm?"

After that, she never dared to say such words again, nor did she dare to provoke him easily.

she had never known that a 28-year-old man had freakishly good physical strength.

After that, they became more harmonious. They would do it four nights a week, depending on his mood.

Qin Mu had never rejected her either. She was also a mature woman and had her own needs, so she was not pretentious.

it was just that she had been taking medicine, secretly taking it without him knowing.

At this moment, he was speaking to her, and she could feel his passion. She closed her eyes and said, "Zhou chongguang, you only came twice last night."

he smiled imperceptibly and leaned down to kiss her on the lips. his voice was low and hoarse. "But I banned Jade for four days when you were on your period."

Qin Mu glared at him.

Was that a forbidden Jade?

Even when she was on her period, he had never let her go. He would always use other methods.

for a man who had been married for four to five years, he was a spoiled brat.

Chapter 2318: bastard, let me go (2)

Qin Mu glared at him for a while, then closed his eyes again. hurry up.

it wasn't that she didn't want to reject him, but she knew that it was useless.

She wasn't in the mood, so he let her off after doing it once, Yingluo.

she lay in his arms and panted. no matter how uncooperative she was, he would force her to do that.

however, zhou chongguang was not in a hurry to carry her for a bath. instead, he pulled a wool blanket from the side and covered her body. he pressed her into his arms and asked in a low voice, "not in a good mood, huh?"

qin mu only hummed after a while. he didn't have the intention to talk to him.

this was the biggest problem between the couple. qin mu refused to communicate with him.

She wouldn't say anything good or bad.

of course, when he wanted to exchange their bodies, she would usually not reject him. it was just that zhou chongguang's heart was empty, and he had an indescribable feeling.

He had her, but he felt like he was losing her.

he knew that if he didn't open up her heart, she would fly away, and once she flew away, she might never come back!

Mumu, if you're in a bad mood, you can tell me. For example, if you don't want to do it, you can also tell me. He had only made the promise on impulse.

qin mu tilted his head and looked at him. "zhou chongguang, i don't believe that you don't know that i don't want it!"

he chuckled softly and reached out to pinch her little face. "after that, you also enjoyed it, didn't you?"

he leaned into her ear and said shamelessly, "you're screaming so happily!"

"low-level!" Qin Mu broke free from him and lay on the side. With his back facing him, he said faintly, "it's just a physiological reaction."

Zhou chongguang felt a little defeated. He wanted to hug her, but Qin Mu had already stood up. I'm going to take a shower.

he knew that she wanted to take a hot bath to kill his gold. in addition to taking medicine, she had also prepared double insurance.

he didn't know why, but he felt a little angry, probably because he had been suppressing it for a long time.

his fingers suddenly clasped her waist, not giving her a chance to leave. he stared at her with a burning gaze and said word by word, "you're pregnant these few days."

Qin MU's heart clenched, but he remained calm on the surface. so? "

Zhou chongguang was a little hurt by her coldness, but he still held back his temper. Qin Mu, let's have a child!

Qin Mu rejected him without thinking. Zhou chongguang, I'll sell myself to you. There's no buy-one-free-one service.

Zhou chongguang pulled her into his arms and lowered his head to kiss her lips for a while, then said in a low voice, "Mumu, our child will be the fruit of love.

qin mu was a little dazed-the fruit of love?

She mumbled to herself many times before her mind cleared up. no, I don't want a child.

With that, she struggled violently. let me go, I want to take the medicine!

Zhou chongguang's gaze became dangerous, and the strength in his hands increased a lot. He stared at her and squinted his eyes slightly. What if I don't let you eat it? "

"zhou chongguang, you bastard!" she reached out and slapped him. he didn't dodge and took the hit.

qin mu was stunned. he hugged him tightly and kissed him.

He kissed her intensely and brought her to the bathroom as he kissed her. Qin Mu screamed, "zhou chongguang, what are you trying to do?"

"didn't you want to take a bath? i'll take you to take a bath!" his voice was low and hoarse, and it was extremely ambiguous.

Five minutes later, he pushed Qin Mu against the wall of the bathroom and tormented him again and again until she was obedient and stopped making a fuss.

Chapter 2319: bastard, let me go (3)

Of course, she was also angry. After being washed clean in his arms, she lay on the bed and ignored him.

after zhou chongguang was fierce, he also felt some regret in his heart. after they made up, he had never been so rough to her.

but now that he thought about what had happened just now, he was excited from head to toe. however, when he thought about her health, he suppressed it and coaxed her in a low voice, "does it still hurt?"

During the last time, she kept crying out in pain. He was too forgetful and didn't let her go. Instead, he tortured her for a long time.

qin mu ignored him. he kept turning his small face away, not looking at him. however, his small face was a little pale.

zhou chongguang couldn't help but start to worry. he whispered into her ear, " "Let me check, okay?"

"You're not allowed to!" Qin Mu stared at him.

he laughed. " we've done it so many times. what's the use of taking a look? "

in the end, he still gave her a thorough check, but she naturally refused to cooperate. in the end, he pressed her waist down to stop her from moving, and he checked her thoroughly with determination ...

there were indeed some bruises. he looked at them and felt a little guilty and sorry.

"I'll go get the medicine. Be good and lie down." He reached out to stroke her long hair and said in a low voice.

Qin Mu pursed his little mouth and didn't say anything.

The first aid kit was downstairs. Zhou chongguang put on his black pajamas and went downstairs. When he came up, he saw Qin Mu swallowing small medicine pills and looking at the medicine bottle beside her hand. He was a little annoyed.

He held the medicine tube with his slender fingers, and there was some restraint in his eyes. He stood by the door and said calmly, " "Qin Mu, what can I do to make you forgive me?"

Qin MU's body stiffened for a moment. Then, he turned around and looked at him. He looked at him quietly for a while before saying, " " zhou chongguang, between us, it's not about forgiveness, but trust. obviously, i still don't think you can be a qualified father. "

" you're not even a good husband, " she said in a soft voice. " at least i haven't made up my mind. "

after hearing this, he calmed down a little, as if he had accepted her explanation. he didn't say anything and just lifted the blanket. " i'll help you apply some medicine. "

qin mu was holding a cup of water in his hand and almost spilled it. she looked at him for a long time before saying in a hoarse voice, " "No need,"

this method of applying medicine was too embarrassing.

However, she still couldn't win against him. When it came to sex, he would normally do whatever he wanted.

Zhou chongguang still managed to get his way. As he helped her apply the medicine, his voice was also a little indifferent. " this afternoon, my mom called and asked us to come home for dinner tomorrow. "

After he finished speaking, Qin Mu suddenly raised his eyes to look at him. His expression was a little dazed, and then he said in a self-deprecating manner, " "she probably just asked you to go back for dinner alone!"

it was probably these words that touched him. he didn't know how to control the strength of his hands. qin mu panted lightly. " zhou chongguang. "

his hand paused. after he had hastily finished his work, he tidied up her clothes and slowly twisted the medicine tube. he then said firmly, " "You'll go back with me tomorrow!"

His words further strengthened Qin MU's thoughts.

she said faintly, " zhou chongguang, why do you have to do this! "

She bent her body and leaned against the head of the bed. She placed her face on her knees and said with a gentle expression, " you know that your mother doesn't like me.

due to this dislike, she only visited the old lady once during the new year in the four years of their marriage.

the disgust on the old lady's face was never hidden. in the past, zhou chongguang did not care, probably because he did not care about her.

now, was he still going to take her to suffer?

Chapter 2320: Let's have a child I

after qin mu finished speaking, zhou chongguang's good-looking lips were pursed into a straight line as he looked at his wife.

Her face was full of rejection.

It wasn't as if he didn't know the reason why his mother didn't like her. Other than his father's accidental death, it was also because of the child.

He was already 28 years old, and the old lady had always hoped that he could have a child. When Qin Mu was making a fuss about getting a divorce, the old lady had agreed. She even told him that his next wife should have a child before getting married. That way, it would be safer.

He didn't know whether to laugh or cry, but he also wanted a child in his heart.

With a child, those dark past seemed to really end.

he looked at his wife and said slowly, " it's my birthday tomorrow. My mom is making longevity noodles.

Qin Mu didn't find it appropriate to reject her. He said in a muffled voice, " "Then I wish you a Happy Birthday."

zhou chongguang's slender fingers caressed her red lips and he smiled faintly. " "If you can kiss me, I'll probably be happy."

qin mu was a little stunned.

However, she quickly regained her senses. director Zhou doesn't lack kisses from beautiful women.

" but now, i only hope that you can kiss me. " His voice was extremely hoarse.

qin mu had yet to come back to his senses when he was hugged by him.

zhou chongguang hugged her a little tightly and used all his strength to hug her. his face was buried in her neck, and his hot breath sprayed on her skin. his voice was actually a little pained as he said, " "qin mu, do you love me?"

qin mu's body froze.

she did not expect zhou chongguang to say this. she knew that he was not asking her, but asking himself.

He was lost.

Just like how she was confused.

They were now living together. They did not lack sex life, but he was still lonely.

Qin Mu struggled for a while, but he couldn't break free. He hugged her very tightly.

After a long time, she stopped struggling and let him hold her. She said softly, " "zhou chongguang, if you can go out and find someone to drink with, you probably won't be bored."

his body stiffened for a moment, and his hands seemed to loosen up a little, but the next second, he hugged her even tighter. "qin mu, i really want to strangle you to death." He knew exactly what she meant.

qin mu laughed very lightly. " zhou chongguang, really. i don't want you to force me. there's no point in forcing me. "

she pushed him away gently, and this time he did not stop her.

“I’d rather you go out now than come back later.” she looked at him and said softly.

his eyes were fixed on her and he squinted. ” “you’re just afraid of falling in love with me again, aren’t you?”

“Right!” qin mu didn’t deny it. he sighed softly. ” see, you’re already finding it boring now. how are you going to spend the next few years? ”

“I don’t feel bored or lonely.” his fingers fell on her shoulder, and after a moment of silence, he said, ” ” no, i’m lonely because i can’t feel your love, mumu. ”

Qin Mu gave a very shallow smile. Zhou chongguang, I’m sorry. I can’t force you to do this.

sometimes, giving also required courage.

he understood what she meant.

Once again, he pulled her into his arms and pressed her hard against his chest. He pressed his face against hers and said in a low voice, ” ” mumu, don’t say such things again. i won’t go out either! ”

Qin Mu didn’t speak.

If he was unhappy, she wouldn’t say it in the future. But just as she said, she couldn’t force her to love him, and she didn’t want to force her to.

She had promised not to get a divorce and that they would live together. She didn’t want to suffer too much.
