

Thank you 2321

Chapter 2321: we want a child (part two)

zhou chongguang did not force her anymore. he took off his clothes and hugged her to sleep.

This was what he had insisted on. He had to hug her to sleep every night.

Qin Mu was speechless. However, as long as he did not go overboard, she would let him be.

she opened her eyes and rested her head on his shoulder. his pleasant smell surrounded her.

originally, she should have felt extremely happy, but when she closed her eyes, she would remember how many women had slept with this body and how many women he had said those sweet words to.

if she thought too much, she would naturally not be able to love him anymore.

however, she couldn't deny that his technique was very good. she enjoyed doing it with him.

after a long time, qin mu still fell into a deep sleep. however, zhou chongguang looked at her all night.

he naturally knew that she had something on her mind. zhou chongguang still got up in the middle of the night and went outside to smoke two cigarettes. when he came back, his body was a little cold, and she avoided him when he was near her.

In the end, he pulled her into his arms forcefully. She struggled for a while before she settled down and did not wake up.

"That's a good girl." he looked at her eyes. they were still young and beautiful. he leaned over and kissed her forehead gently. his heart actually started to beat faster.

he held his forehead and laughed. they were obviously an old couple, but at this moment, he was like a young man who had lost control of himself.

if it wasn't for her health, he would probably do it a few more times without a care.

At the age of 28, he was not hot-blooded anymore. Especially in the past few years, he had been a little crazy. He was not that interested in women anymore. But now, in front of his wife, he wanted her every night as if he had been injected with village medicine.

However, he still restrained himself from doing it for four nights because he didn't want to scare her.

He didn't want Qin Mu to think that he was a shy-eyed. He didn't want Qin Mu to think that he had to hug women every night.

He dimmed the bedside lamp and closed his eyes, but because of the excessive suppression, his eye desire became even brighter and couldn't be restrained.

Zhou chongguang turned over, and Qin Mu woke up. He asked in a daze, " "Why aren't you asleep yet?"

he paused and did not dare to move again. he looked at her small black head in the dark and said in a low voice, " she's asleep! "

his large palm pressed on the center of her hair, gently rubbing it to make her sleep more soundly.

when he did this, he didn't do it on purpose. he just did it, and it felt good. he lowered his head and pressed it against her little face. under the impulse, he said, " "i love you!"

he didn't regret saying that, as if he felt that this was the right time to say it.

only after he said it did he know that he had indeed fallen in love with her.

he loved her indifferently, and even did not love her.

qin mu said that he was cheap, and he admitted it now.

He should!

He held her in his arms like he was holding a child, kissing and loving her so much that he could not let go.

After drifting for so many years, his heart finally found its home for the first time.

qin mu woke up in his arms.

how could she not wake up when he made such a big move?

she was especially shocked by the three words he whispered into her ear.

he said he loved her!

and he said it when she was asleep, but when she heard it, she wanted to cry.

Why didn't he tell her that he loved her when she was in love with him?

but now?

she closed her eyes and could only pretend to be asleep.

Early in the morning, when the sky was slightly bright, she was woken up by him. The moment she woke up, he came to her without a care.

Chapter 2322: we want a child (part three)

qin mu dodged his kiss, his voice extremely fragile. ” “zhou chongguang! it’s so early in the morning, what’s with you!”

he didn’t stop, and his breath was chaotic. ” “i’m asking for my birthday present.”

in the end, he still won her over. qin mu closed his eyes and bit his little mouth. ” hurry up. didn’t you say that you were going back at nine? ”

Zhou chongguang paused for a moment. He lifted his hand to take the watch on the bedside table and took a look. it’s only seven.

he lowered his head and kissed her. ” wake up at eight o ‘clock. hmm? ”

This beast!

It meant that he had to prepare for an hour!

qin mu’s fingers grabbed his black hair forcefully, and he said in an angry voice, ” “Zhou chongguang, go and find someone else!”

she had clearly used so much force, but he could continue without a change in expression. even qin mu felt pained for ran ran on his behalf.

however, due to the natural contrast between a man and a woman, she was still well-behaved. she bit her lip and started to scold him.

zhou chongguang immediately covered her small mouth. ” this medicine is not bad. it recuperates quite quickly! ”

qin mu was stunned.

his timing was just right, and it ended at eight o ‘clock. he carried her to wash her and then personally helped her dress.

When he went downstairs, Qin MU's legs were soft. He bit his lip and glared at him.

zhou chongguang, on the other hand, felt refreshed. after going downstairs, he instructed the servants at home to heat up a cup of milk and put it in a thermos. he took it himself and held qin mu's hand as they walked out. "let's go to mom's place to eat noodles. you should drink some milk first. "

Qin Mu ignored him and drank half a cup after he got into the car.

Zhou chongguang had been looking at her quietly the whole time. She glanced at him and finished the milk in the glass, clearly indicating that she would not share it with him.

He just smiled and did not argue with her.

the car started slowly. after about half an hour, they arrived at a quiet old house. it was the zhou family's old house.

Zhou chongguang bought a new villa for the old Madam, but the old Madam in his family was not willing to move. In the end, Zhou chongguang did not force her.

The car stopped. He opened the door and got out. Qin Mu followed him out and saw him take out a rectangular box from the trunk.

He walked towards her and held her hand. let's go!

"Let me go, I'll walk on my own!" Qin Mu struggled.

zhou chongguang, however, held her little hand firmly and walked towards the hall. before they reached the hall, qin mu could hear the laughter of girls coming from inside and was stunned.

This was because there were no girls in the Zhou family, only men.

She raised her head and looked at Zhou chongguang.

His face was calm, and he didn't seem to find it strange.

qin mu pulled his hand and stopped in his tracks. he lowered his voice. "Zhou chongguang, you knew about this all along, didn't you?"

"Know what?" He also stopped and looked down at her. Mumu, I don't know anything! i only know that you are my wife."

qin mu was exasperated. this person ...

However, now that they were already here, there was no way they could go back. Besides, she had come in his car.

when zhou chongguang appeared with qin mu, the old lady of the zhou family was initially very enthusiastic about introducing them. her face was already full of smiles, but then she saw the daughter-in-law beside her son, and her old face couldn't help but turn black-

why did chong guang bring qin mu back? wasn't qin mu in the midst of a divorce?

Old Mrs. Han could still manage a smile. you're back? "

However, the girl beside old lady Zhou couldn't smile. She looked at Zhou chongguang and Qin Mu, who was beside him, in shock. She recognized that this was Zhou chongguang's wife.

Chapter 2323: mom, i really do like her (part one)

Auntie Zhou said that the relationship between Zhou chongguang and his wife was not very good and that they were about to get a divorce. She said that today was his birthday and that her family's relationship with Zhou chongguang's family could be considered very good, so she came.

But now, the couple had returned hand in hand, and her appearance was particularly embarrassing.

the girl was not stupid. she forced a smile and said, " auntie zhou, i'll come again next time. "

Old lady Zhou knew in her heart that it was inappropriate to say anything now. Thus, she personally sent him outside, but turned a blind eye to Qin Mu.

That girl naturally felt it too. When she turned around to say goodbye, she smiled at Zhou chongguang. "brother chongguang, let's set a time again!"

Qin MU's expression stiffened imperceptibly, and he wanted to shake him off with his fingers.

zhou chongguang held her fingers tightly and looked at the girl with a smile on his face. he suddenly remembered something. " xiangqin, next time, your sister-in-law and i will treat you to a meal privately. "

The girl called Xiang Qin understood that she had no hope.

although he was disappointed, he still smiled, opened the car door, and left.

old lady zhou wanted to say something, but in the end, she did not say anything. she watched the white car leave and sighed softly.

As he turned around, his expression had already changed. chongguang, why don't you send xiangqin off? she just came back from studying in United Kingdom and she's 24 years old this year. Do you remember? i used to follow you around when i was young."

I do. Her hair was especially yellow when she was young. I always called her Blondie. zhou chongguang laughed.

His old lady Zhou's face darkened. you only remember these things.

zhou chongguang laughed, then stuffed the box in his hands to qin mu. " mom, this is the gift that Mumu and I picked out together. Mumu has good taste. Take a look at this necklace made of rare Eastern pearls.

qin mu was a little confused. he only knew now that it was the eastern pearl.

However, in order to avoid embarrassment, she still handed the gift to old lady Zhou.

how could the old lady not know that it was her son who bought it? all these years, she had never been nice to qin mu. how could qin mu possibly buy her a gift?

however, the fact that chong guang brought her back was a little intriguing.

The old lady took the box and smiled. "How thoughtful! but today is chongguang's birthday, i wonder what you've prepared for him."

Before Qin Mu could speak, Zhou chongguang laughed. "When I woke up, Qin Mu had already given it to me."

these words were very light, but also quite ambiguous.

The old lady glared at him and passed the box to Qin Mu. "chongguang, go to the kitchen and cook noodles."

Zhou chongguang knew that the old Madam had something to say. He hummed in acknowledgment and put his hands in his pocket as he looked at Qin Mu."Wait in the dining room. I'll bring you the noodles when it's done."

Old lady Zhou was extremely mushy and glared at her son.

Zhou chongguang followed slowly, then turned back to look at Qin Mu. She was gritting her teeth.

He knew that she was angry, but she probably couldn't pull her face down in the old mansion.

In the kitchen, the old lady boiled water and prepared the seasoning.

Every year on this day, he would cook a bowl of noodles for his son himself without the help of any servants. However, this day was also a sad day-in the past, she used to cook noodles for her son with Chong Guang's father.

Zhou chongguang leaned at the side, his eyes warm. mom, why are you unhappy? "

the old lady did not look at him. she turned her back to him and was obviously angry. ” how would i dare to be angry with general manager zhou? you know that i want to have a grandson!”

Chapter 2324: Mom, I really do like her (2)

She turned around and looked at her son. Qin Mu, you’ve married her too. I have nothing to say. However, she wanted a divorce a while ago. Why didn’t you agree to it? ”

Zhou chongguang wanted to smile, but he couldn’t. He reached into his pocket to look for a cigarette, but he couldn’t find a cigarette box.

She pursed her lips and said in a low voice, ” mom, no matter what happens, Qin Mu and I are not divorced. How can you bring xiangqin home? ”

” xiang qin’s parents are old acquaintances of our family. what’s wrong with them coming over to take a look? ” the old lady’s voice sounded very righteous.

however, zhou chongguang did not make a sound. he only looked at his mother faintly.

the old lady sighed and finally said, ” “Yes, I have the intention to make friends with you! you probably got wind of it long ago, so you brought qin mu back to dispel my thoughts, right?”

zhou chongguang laughed lightly. ” i can’t hide anything from mom. ”

“Don’t try to fool me!” The old lady sighed. I know you’re powerful now. You can do whatever you want in the business world. Even if Qin Mu wants a divorce, you can settle it!

the old lady shook her head. ” you can even settle the qin family, not to mention an old lady like me. ”

Zhou chongguang’s throat tightened, and his voice was a little low. “Mom, it wasn’t Qin MU’s fault in the past.”

“it’s not her fault, but her surname is qin! She’s Ye mu Yun’s younger sister!” the old lady’s voice was a little excited.

zhou chongguang was about to say something when qin mu stood at the door and raised the cup in his hand. ” i’ll pour you a glass of water. ”

His expression was rather unsightly.

She should have known!

he only hesitated for a second before he walked over and took the glass from her hand. ” let me pour it! ”

qin mu handed the cup to him, and zhou chongguang poured a cup of hot water for her. it only took ten seconds, and the silence in the air was terrifying.

when he handed it to her, qin mu held it tightly and said in a bitter voice, ” “I’ll go out first.”

He instinctively grabbed her hand, and her body swayed a little. The water in the glass spilled a little.

qin mu lowered his head to look, and his voice was a little tight.”The water is a little hot.”

Zhou chongguang took a tissue and wiped her clean bit by bit. He said in a voice that only she could hear, ” “Let’s talk when we get back, okay?”

he really didn’t expect her to hear this. if she did, he wouldn’t have let her come.

It was fine to let her know that a woman was interested in him, but his mother’s last sentence was a little hurtful.

There was a look of pleading in his eyes. He was begging her not to leave.

how could he not know that qin mu was also a young lady? when his temper came, he didn't need to buy his mother's words. moreover, ran ran didn't love him now!

he was the one who pestered her sisterly, zhou chongguang. only now did he know that whoever loved more would be more worried about gains and losses. was qin mu like this in the past? she was afraid that if she did not do a good job, the other party would be disgusted!

his heart ached, but he couldn't explain it to his mother. he could only smile bitterly and ruffle her hair.

Qin Mu lowered his head and walked out with the cup.

The mother and son were left alone in the kitchen.

Zhou chongguang finally found a cigarette in the pocket of his coat and lit it up. The blue flame made his face look a little gloomy.

After taking a long puff, he said in a low voice, "mom, you saw it. Qin Mu doesn't care anymore.

she was invulnerable.

if it was in the past, she would probably turn around and leave, but she didn't care now, so she could play with him.

according to his request, she would be mrs. zhou who would give him face.

Chapter 2325: mom, i really do like her (part three)

Old Mrs. Zhou cooked the noodles quietly. When the noodles were done, she scooped two bowls of noodles and asked in a depressed voice, "chongguang, when did you start liking her?"

for so many years, chong guang had never paid much attention to qin mu. she thought that when qin mu proposed a divorce this time, no matter how unwilling chong guang was, he would probably go along with qin mu's wishes. however, she didn't expect that her son liked qin mu.

zhou chongguang laughed bitterly. ” i don’t know either! ”

“If I had known that I would like her like today, I wouldn’t have treated her like that in the past,” he said in a low and deep voice.

now, the anger in his heart was much less, especially when he was facing qin mu. all that was left was guilt.

A girl had been with him since she was 14 years old. When she was 22 years old, she finally couldn’t stand it and asked for a divorce. He was also a bastard.

at her most beautiful age, what he gave her was not love or a faithful marriage, but gossip after gossip.

when old lady zhou heard this, she was silent for a long time before she reluctantly said,”Chongguang, I know what you’re thinking!”

she paused for a moment. ” you want to live well with her, but you also want me to accept her, right? ”

zhou chongguang let out a long puff of smoke and sighed, ” “Mom, I’m sorry! I’ve troubled you!”

the old lady raised her head. ” there’s nothing to be troubled about, mom! But you can’t expect me to dote on her like I dote on my daughter. At most, I’ll dote on her like I did in the past.”

To Zhou chongguang, this was already enough. He reached out to snuggle out the cigarette and walked over to hug his old lady.”mom, i know! I really do like her. ”

Old lady Zhou rolled her eyes at him. Alright, alright. Don’t give me that! Who hasn’t been young before?”

As she spoke, the old lady added, ” when you liked that girl from the Tang family, you were like this too, weren’t you? ”

“this is different!” zhou chongguang’s black eyes were filled with a touch of warmth. ” qin mu is my wife. ”

in the past, his love for xue ‘er was like an illusion. as for his love for qin mu, it was real.

When the old lady heard him say this, she sighed. your father passed away early. Otherwise, he would have been very happy!

She punched her son’s shoulder. if you want mom’s approval, then you should have a grandson soon. My grandson’s surname is Zhou, so I will definitely dote on him.

“definitely!” Zhou chongguang smiled. when that time comes, I’ll dote on my grandson’s mother too!

Old lady Zhou rolled her eyes at him.

Then, he turned around and ordered his son, ” “The noodles are almost burnt. Take it out quickly. Your wife is probably famished.”

sigh, qin mu looked like a missy who didn’t do anything. her son was precious to him now. thinking about it in the future, chongguang was just asking for trouble. However, he asked for it.

only then did zhou chongguang bring the noodles to the dining room. qin mu was sitting there and playing with his phone. when he heard footsteps, he looked up. ” are you done playing? ”

“Yes, it’s mom.” Zhou chongguang’s eyes were filled with gentleness. He sat down beside her and personally handed her the chopsticks.

qin mu took a bite and looked at him with his head tilted. ” “You look so guilty, as if you’ve taken in a concubine.”

He laughed and reached out to knock her head. silly girl!

even so, he was still a little absent-minded. she didn’t seem to be angry.

but even if she wasn't angry, Zhou Chongguang was angry instead. His face darkened and he didn't say anything. Even the longevity noodles didn't taste as good anymore.

Qin Mu only felt that he was reaching menopause. He was clearly the one who wanted to go on a blind date, so why was he giving her the cold shoulder now?

Chapter 2326: are you angry, huh?(1)

When Old Lady Zhou came in and saw them like this, she sighed softly. In her heart, she knew that the fuse was still her arrangement today.

So after eating the noodles, he drove them away and let them go for lunch.

In the past, Zhou Chongguang would stay at the old residence for lunch before leaving, but he was really not in the mood today.

He got into the car silently and lit a cigarette. When Qin Mu got into the car, he only glanced at her indifferently and started the car.

"Where to?" Qin Mu fastened his seat belt and snorted. "I've already given you face, what else do you want?"

He looked even worse. He drove fast, and there were not many cars on the road. He took a taxi to the 120.

Qin Mu's little face was a little pale, and his fingers were clenched tightly. He held back the feeling of wanting to vomit. Zhou Chongguang, slow down.

His mind cleared a little. He turned to look at her and then immediately slowed down the car.

Qin Mu waited for the car to stop and immediately opened the car door to get out. He bent down and vomited by the roadside. He had vomited all the noodles he had just eaten. His stomach was empty and it was extremely uncomfortable.

zhou chongguang was behind her and patted her back, feeling a little guilty.

“are you alright?” His voice trembled slightly as he took a bottle of mineral water for her to take a sip.

Qin Mu waited for him to calm down a little before pushing him away. He walked weakly towards the car.

Zhou chongguang thought that she was going to get in the car, but she only took out her bag from the car, then stood by the side of the road waiting for a taxi.

He sighed, walked over, and said in a low voice, ” Mumu, it’s my fault. Can you stop fooling around? ”

Qin Mu pursed his lips and ignored him.

“i was too excited!” he continued to coax her. ” i don’t know how to express my concern. qin mu, this is the first time i can’t control my emotions. ”

because he could feel that she did not love him!

qin bei finally raised his eyes to look at him and sneered, ” you don’t care about me, but you’re looking for a woman. Is this how you express that you care about me now? ”

zhou chongguang sighed. ” mumu, you clearly know what i care about! ”

“i told you, i can’t force it! Or do you think that I should have a dark face when I’m at your house? that way, everyone will look better, right?” her little mouth was really powerful. he couldn’t say anything for a long time and could only stare at her.

But in the end, she still felt heartache and lowered her posture even more. it’s my fault!

he thought about what happened just now and felt that it was a little ridiculous. he reached out and pulled her into his arms.”Be good, don’t mess around!”

qin mu struggled and scolded, " zhou chongguang, you bastard. it was clearly your mother who arranged the blind date for you. it was clearly you who was lonely and wanted to find a second spring. why are you pestering me? go and find your blonde younger sister. she's waiting for you at home! "

As she said that, she raised her hand and gave him an awkward slap.

zhou chongguang took the hit, but he wasn't angry. instead, he was happy. it was as if she would like him a little more if she hit him.

he hugged her shamelessly and dragged her toward his car. as he did so, he said, " I don't like anyone, Mumu. I only like you!

qin mu bit and kicked him. " bastard! "

at this time, she also revealed her missy temper. to qin mu, today was even more embarrassing than the last time he caught zhou chongguang and lin xue stealing glances.

the elders had arranged a blind date for him before they got divorced. this had now become a problem between the two families and not between them.

Chapter 2327: You're angry, huh?(2)

the elders had arranged a blind date for him before they got divorced. this had now become a problem between the two families and not between them.

in other words, she was extremely disapproved of. old mrs. zhou couldn't wait to kick her out of the house. although qin mu didn't care much, he was still hurt.

Qin Mu was carried by him and dragged into the car in a rough manner. She scolded him quite badly.

Zhou chongguang finally managed to get her into the car. After he sat down, he rubbed his forehead and smiled bitterly. where did you learn to scold people like this? I've never heard you scold me before.

"is that new? then i can scold you every day. " she was being a little childish.

zhou chongguang laughed and put down his hand. " i'll make you cry every day, then you can scold me again. this way, no one will be at a disadvantage! "

"zhou chongguang, you're shameless!" qin mu glared at him.

"Where's your wife to hug you if you want to be shameless!" He pinched her little face and sighed. Mumu, don't mess around. Let's live a good life, alright? "

Qin Mu looked at him silently for a long time before saying, " "drive!"

he knew that she still cared about it. his mother's words had pierced her heart and she couldn't pull them out in a short time, so he smiled and said, " "watch a movie with me, huh?"

I remember that Xue Lin has a movie that made her look pretty. Shall we go and watch it? " Qin Mu said on purpose.

Zhou chongguang sighed. Qin Mu. I'd rather spend the entire day in bed with you.

"Let's go watch a movie! After watching the newly released "fanghua," you can dispel your shameless and excessive Jade desire." qin mu sat up straight and said without any expression.

Zhou chongguang laughed. Qin Mu, don't tell me that you don't like to make love with me!

"I don't like it." She snorted.

zhou chongguang had already started the car. after a long time, he said faintly, " "You don't mean it! i'll make you tell the truth tonight."

qin mu glared at him, but it was no use. his thick skin seemed to have won her over.

Qin Mu didn't know what to do with him. He accompanied her to watch a movie and then went shopping together, saying that he wanted her to buy a gift.

in the end, he came to the men's clothing store. he picked a thin coat and a cashmere sweater. they were frighteningly expensive, but he swiped his own card. qin mu was the one who accompanied him.

after choosing, he brought her to the women's clothing floor and chose a set of clothes that was similar to his style for her. qin mu felt that he had ulterior motives, but she still endured it since he swiped his card.

But why did he want to shop for pajamas brands with her later?

qin mu looked at those sexy and flamboyant pajamas. the thin fabric could not cover anything at all. she rejected them in her heart and wanted to drag him away.

Zhou chongguang reached out and pulled her into his arms. He placed his lips on her ear and said, "aren't you going to give me a gift? hmm?"

Qin Mu bit his lip. you're wearing it? "

"No, you wear it!" his voice was unbelievably hot, and her soft neck trembled as he spoke.

when they got married, she was only 18 years old. how could she know so much? and these few years, his mind and body were not on her, so her pajamas were all conservative and girly-style, not these.

On his birthday, he had wanted to see her change.

Qin Mu glared at him, but this glare also made him feel a little weak. I'm not wearing it!

"Then you buy it and I'll wear it, okay?" he took a step back. for the sake of boudoir pleasure, it was also quite perverted!

Qin Mu wanted to leave, so he pulled her back. In the end, she pitifully said that she had no money.

general manager zhou rummaged through her wallet and took out her black gold card. he had applied for this card for her, but she had never used it.

She was shy and stood outside the store while he went in by himself. He picked out a few sets, swiped his card, and finally took the spoils in his hand, ignoring the surprised gazes around him.

qin mu's skin was very thin. he covered his face and felt that he simply had no way of being human.

He put these things in the car and took her to walk around for a long time. He was going to go home after dinner.

the restaurant was chosen to be at zhao yan's restaurant. qin mu felt that he had deliberately teased them.

When they reached the restaurant, Zhao Yan was there too. He saw Zhou chongguang and Qin Mu walking over, and President Zhou was holding a bouquet of roses in his hands.

zhao yan came over personally to receive them. " qin mu's birthday? "

Qin Mu narrowed his eyes. it's director Zhou's birthday.

"so, you gave him flowers?" Zhao Yan laughed.

qin mu flipped through the menu and said calmly, " "How is that possible?"

"That's a gift from director Zhou himself?" the smile in zhao yan's eyes deepened, but in his eyes, there was a sense of embarrassment that only he knew.

His love for Qin Mu was so shallow that he didn't even know it himself. After he had casually spoken to him that day, he had realized with a shock that he actually liked her.

just like gu ze, he fell in love with it unintentionally, and it might take a long time to pull it out.

if she and zhou chongguang were to get a divorce, he thought that he would still fight for it. but it was obvious that the couple had reconciled.

There was a faint sadness in Zhao Yan's eyes. It was something that Qin Mu would never be able to see through in his life.

But Zhou chongguang could see Zhao Yan's desire for his wife.

Zhou chongguang did not say anything. He was still smiling and waiting for Qin Mu to finish ordering. Then, he added some more and invited Zhao Yan to have a meal together.

He was generous, like a warm husband, but only he knew the obscurity in his bones.

of course, as a man, zhao yan could also feel a meter.

The smart men all had a tacit understanding.

Zhao Yan declined. I still have two songs to play later.

After he finished speaking, he got up and prepared to leave.

qin mu reached out and grabbed his wrist. ” “Zhao Yan,”

Zhao Yan lowered his head and looked at her hand that was holding his.

Zhou chongguang narrowed his eyes and looked at his wife.

she was holding another man's hand right in front of her, as if he didn't exist.

however, he could not say anything at this moment.

zhao yan lowered his voice, "huh?" mumu?"

qin mu raised his head. the expression on his face was a little sad, and his voice was hoarse. "Zhao Yan, when are you leaving?"

She and Zhao Yan weren't friends, but acquaintances!

However, Qin Mu never knew that if a man was willing to be a close friend with a woman, he was probably interested in her.

Zhao Yan patted her hand with his other hand. I'll tell you when the time comes.

qin mu nodded lightly, tears welling up in his eyes. " i'll send you off. "

zhao yan's eyes were filled with a smile. he ruffled her long hair and said, " silly girl. "

from the corner of his eyes, he could see that zhou chongguang's gaze was already very unfriendly. he laughed in his heart.

qin mu would probably be happy!

look, this man already cared about her a lot.

Zhao Yan left, but Qin Mu was still looking at him blankly.

General manager Zhou finally couldn't hold it in any longer. His voice was a little mocking. "qin mu, those who don't know better might think that i'm a three!"

Chapter 2329: You are my gift (2)

“If you want to think that way, I can’t do anything about it!” Qin Mu finally turned his gaze over and looked at him quietly.

zhou chongguang pulled her small hand over and rubbed it hard twice. he said in an unhappy tone, ” “in the future, don’t casually hold a man’s hand. it’s not what a good woman does.”

“Is it a good husband’s job to bring a woman to the office to make love?” Qin MU’s words shut him up.

Zhou chongguang couldn’t do anything to her. For a long time, he could only stare at her, unable to say a word.

“alright, the waiter is here! I don’t want to argue with you.” qin mu’s voice was a little low.

zhou chongguang looked at her, and his voice also lowered, ” “Mumu, this isn’t a fight! I’m the one who’s jealous.”

He said it so straightforwardly that Qin Mu took a few more glances at him. He pursed his lower lips and didn’t say anything more.

Zhou chongguang laughed, because he saw that her cheeks were blushing.

qin mu naturally felt his gaze too. he raised his eyes and glared at him fiercely. then, he clenched his chest and took a small sip of the appetizer before he choked.

Her little face was very red, but she suppressed it because she could not lose face in a high-class restaurant.

her sorry state was both funny and cute.

zhou chongguang smiled, got up, and walked to her side. he pressed her little head into his arms, lowered his head, and kissed her hair. ” have something sweet to suppress it. ”

as he said that, he reached out and fed her the head.

Qin Mu didn't have the face to be so intimate in the dining room. He struggled. I want to drink water.

he smiled and changed the glass of water. he insisted on feeding her a few sips personally, and qin mu finally felt much better.

however, he still did not let go of her. instead, he lowered his head and kissed her. he touched her soft lips bit by bit and kissed her carefully.

Qin Mu was a little shocked, so he forgot to push him away for a moment.

Her eyes widened slightly as she looked at the magnified handsome face.

they'd had many physical fights, but they'd never been this intimate outside.

By the time she reacted, he had already kissed her a little too hard. As soon as she opened her mouth, he took the opportunity to enter.

he kissed her so deeply and so seriously.

Qin MU's fingers tugged at his sweater hard, leaving a long trace behind.

she wanted to say something, but every word was crushed and swallowed by him.

This kiss was originally just a spur of the moment, but as the kiss deepened, he was also a little moved.

after the kiss, he leaned into her ear and said in a low and hoarse voice, "I really want to take you away right now."

qin mu's face was buried in his waist. he felt that he could no longer be human.

Zhou chongguang looked at the thin cloud behind her ear and touched it fondly for a while. He said in an alluring voice, ” “Kissing in a high-class restaurant isn’t a big deal. Besides, we’re husband and wife, okay?”

Qin MU’s legs were still a little weak. He fell into his arms and didn’t get up for a long time.

in zhou chongguang’s heart, a special feeling of satisfaction arose. it was similar to having a small and delicate wife, and he felt satisfied for the rest of his life.

He knew that she was shy, so he reached out and pulled her into his arms, but his eyes were fixed on Zhao Yan.

zhao yan had made six mistakes in the song he had just played.

The reason was in his arms.

Friend?

zhou chongguang laughed coldly.

just as he was hugging qin mu, two women were sitting not far away. they were both pretty, but one of them had an especially sour face.

another woman asked carefully, ” xue lin, did ceo zhou not look for you recently? ”

Chapter 2330: you are my gift (3)

Xue Lin lazily retracted her gaze and glanced at the young model opposite her. She said indifferently, ” “i didn’t look for it anymore! look at the couple now, they’re singing along with the husband, and their relationship is so good!”

The young model’s voice became even softer. didn’t you say that you and President Zhou were caught alive in his wife’s office? his wife asked for a divorce? ”

xue lin bit her delicate fingernails and said impatiently, ” “who knows if this woman is just playing hard to get!”

the young model’s eyes were still fixed on that spot. she seemed to be talking to herself. ” but it doesn’t look like it. no matter how i look at it, ceo zhou seems to care more about it. it’s as if he’s clinging to his wife. ”

as soon as he finished speaking, he probably felt that he had said something wrong and immediately stopped talking.

Lin Xue shook her head. why didn’t you say so?!

There was still some unwillingness in her tone. After all, in the past, she had been quite interested in this handsome, rich, and strong man with ability X. Of course, she knew that he had always held a dispensable attitude towards her. Otherwise, he would not have kicked her away after the fire in the backyard.

Xue Lin suddenly got up and her friend reached out to hold her back. Her voice was a little nervous, ” “xue lin, what are you doing? Don’t do anything stupid.”

because a character like zhou chongguang wasn’t someone small-time artistes like them could afford to offend.

Xue Lin took her glass and smiled, ” don’t worry, I won’t. I just want to disgust him.

the young model watched as xue lin walked towards zhou chongguang’s table. she immediately packed her bag and decided to go to the bathroom.

Xue Lin was silly, but she didn’t want to be silly with her. She still wanted to survive in the future!

Moreover, she had just signed a contract with King Entertainment, and Qin Mu was the young miss of King Entertainment. With such a status, she really couldn’t afford to offend him.

on the other side, xue lin had already walked over with a glass of wine. her voice was sweet and moving, ” ceo zhou, what a coincidence! ”

Zhou chongguang had already returned to his original seat. He looked up, and his gaze paused.

after that, his gaze landed on qin mu's face. qin mu pursed his small lips, and there was no expression on his face.

However, he could feel that her hand that was holding the knife and fork was slightly trembling.

it wasn't that she didn't care!

With such a discovery, his heart ached a little, but there was also a faint joy.

but now, he had to deal with xue lin first.

zhou chongguang nodded his head very reservedly. " miss lin. "

Lin Xue was stunned. She thought that Zhou chongguang would ignore her. That way, she would have achieved her goal, which was to disgust him.

it disgusted qin mu even more.

however, she didn't know what to do. after a long time, she finally squeezed out a sentence, " i hope director zhou will show me mercy in the future."

She held that glass of wine to toast Zhou chongguang. If Zhou chongguang were to drink this wine, he would have to go back and do his calculations. Furthermore, his sex life tonight was probably over.

Zhou chongguang's gaze swept past Qin Mu, his eyes filled with comfort.

that was the warmth of a husband to his wife. when he looked up at xue lin, it was very cold, " ms. lin, you are too serious. i am not ms. lin's boss. i can't talk about promoting you or showing mercy. "

he paused for a moment before continuing. " miss lin, you always leave some leeway for yourself. i don't think you'll be driven into a corner one day. "

He was being so magnanimous because he didn't want to be entangled with Xue Lin anymore. If they continued to be entangled, it would only make his marriage with Qin Mu worse.

he was so gentlemanly in front of qin mu that he finally didn't make the scene too embarrassing.

xue lin held the glass of wine in her hand. she had hit a soft nail.
