

Thank you 2331

Chapter 2331: You are my gift (4)

Zhou chongguang had already made it clear to her that she should leave some leeway.

no matter how stupid she was, she knew that she should not anger him again!

xue lin's voice was a little bitter. " sorry to disturb you, president zhou. "

qin mu didn't turn his head and ignored her.

it wasn't that qin mu was snobbish, but she really didn't need to be nice to the third party in her marriage.

zhou chongguang's own romantic debt could be dealt with by himself. she still said the same thing, she did not want to force herself.

Seeing her like this, Zhou chongguang smiled faintly and moved her plate over. He personally cut the steak for her. eat more. You've lost weight recently.

qin mu also allowed him to serve him.

Xue Lin stood at the side and let out a bitter smile after a while.

she suddenly understood. all this while, it wasn't that zhou chongguang didn't like qin mu, but that qin mu didn't demand anything from him.

Once Qin Mu showed that he cared about it, this man would be ecstatic, as if he had obtained some rare treasure.

All these years, the one he had been hiding in his heart was not Tang Xue 'er, but Qin Mu.

It was just that he had never felt it.

This couple liked each other, but they also tortured each other and lived awkwardly for four years. Only then did Qin MU's sudden outburst become the turning point. And from then on, there was no one else in Zhou chongguang's eyes.

Xue Lin left dejectedly.

Zhou chongguang retracted his gaze without a sound and pushed the cut steak to her.

Qin Mu forked a piece of beef and ate it. He raised his gaze slightly and looked at him. "are you very disappointed?"

"Where?" Zhou chongguang smiled and did not mind.

he thought to himself that he would not argue with his jealous wife.

qin mu smiled. "it's your birthday today. i can grant you a wish. "

"find a woman to spend a romantic night with?" Zhou chongguang lifted his wine glass and took a sip.

qin mu smiled and didn't say anything.

Zhou chongguang was a little angry in his heart, but he still had a gentle smile on his face. "Then I choose you."

"childish!" qin mu snorted.

Zhou chongguang stood up slightly. His slender and well-defined fingers gently pinched her little chin, and his gaze was a little deep.

"This is a public place. Director Zhou, please take care of your lower body!" qin mu rolled his eyes at him.

However, he used a little more force, and there was a hint of ambiguity in his strength. Then, he said in a low and hoarse voice, ” “baby, you really know me well, huh?”

“Shameless!” Qin Mu stretched out his hand and gently pushed his hand away. Then, he stood up. “I’m going to the washroom.”

zhou chongguang smiled rather devilishly and patted her little face. ” “Hurry up,”

Qin Mu glared at him. I really feel that you’re becoming more and more like a greasy middle-aged man.

with that, he turned around and left.

Zhou chongguang laughed, picked up his after-meal drink, and finished it in one gulp.

Qin Mu slowly walked to the washroom, only wanting to wash his face.

when he looked up, he saw xue lin’s figure in the mirror.

qin mu was still washing his hands slowly, and his voice was also faint. Lin Xue, are you following me to show off your past with Zhou chongguang? ”

After she cleaned her hands, she gently wiped them dry and turned back.”I’ve seen everything I should’ve seen.”

xue lin pursed her lips. after a while, she said in a dry voice, ” “I don’t believe you don’t care.”

“of course i care!” qin mu looked at her. his voice was very quiet. ” but to me, it’s not that important anymore. ”

her voice was very soft. ” perhaps to you, zhou chongguang is a piece of driftwood that can help you climb up. but to me, he is love. if i don’t love him anymore, he and the power behind him have nothing to do with me. do you understand when i put it this way? “

Chapter 2332: you are my gift (5)

xue lin's expression was a little ugly. of course she understood.

a girl like qin mu didn't need to bow to any man at all. even if it was a man like zhou chongguang, who had a figure, looks, and was rich, it was actually normal for him to have an affair. however, qin mu said that he didn't want her and she didn't want her.

previously, when she said that qin mu was playing hard to get, she was just deceiving herself. she knew it all too well and could see how much effort zhou chongguang had put in to win back this pampered little ex-wife.

qin mu's wanwan was also rich and beautiful. even after leaving zhou chongguang, she was still pursued by a large number of men.

xue lin pursed her lips and didn't say a word.

As Qin Mu turned around, he paused for a moment. even if I divorce Zhou chongguang, Lin Xue, the one he will marry will not be you.

xue lin's face froze.

Why did she hear a hint of bitterness in Qin MU's tone? shouldn't Qin Mu be smug at this moment?

the wife won, and the man went home.

Qin Mu glanced at her and smiled very indifferently. In the end, he still passed her and returned to the dining room.

When she returned, she saw that Zhou chongguang had already put on his coat and was holding hers in his hand.

She walked over, and he naturally put it on for her. His tone was very calm. "it's late, let's go back!"

After Qin Mu put on his coat, he helped her carry her bag. Qin Mu took two steps and suddenly stopped. He said calmly, ” “I’ll talk to Zhao Yan.”

zhou chongguang did not object, and even said with great grace, ” “I’ll be waiting for you outside.”

Qin Mu took another look at him and smiled. “I’m willing to give you enough space.”

“Do you want an Equal Exchange?” after qin mu finished speaking, he ignored him and walked straight to zhao yan.

zhao yan was smoking a cigarette and chatting with a friend. when he saw qin mu coming over, he smiled. ” you’re going back? ”

qin mu nodded. after thinking for a while, he still asked, ” “When are you leaving?”

“Tomorrow,” Zhao Yan’s gaze was deep.

Qin Mu was stunned. He stared at him for a long time and didn’t say anything.

“Then I’ll send you off.” qin mu said softly, then looked at him.

He was a very important friend of hers. The day before yesterday, he had made a joke with her and she had ignored it. However, she was a mature woman. How could she not feel his feelings?

But she couldn’t bear all this.

Qin Mu pursed his lips and raised his head to look at him.

meanwhile, general manager zhou had not left yet. he kept looking at her, feeling a little pained.

his wife was just looking at another man like this!

In the end, he chose to go out and wait, so as not to be upset and sad.

About ten minutes later, Qin Mu walked out of the dining room. Zhou chongguang grabbed her small hand and brought her into his arms. His voice was a little low. "It's cold."

Qin Mu raised his head. I don't feel cold!

zhou chongguang looked at her, then silently held her hand and walked towards his car.

After Qin Mu got into the car, he kept silent. However, after about five minutes, she realized that this was not the way back to the villa. She turned her head and looked at him. "Zhou chongguang, where do you want to go?"

"We'll spend the night at the hotel." His eyes were focused on the front, and he glanced at her and smiled. "didn't you say you wanted to make me a wish?"

qin mu bit his lip. " can you be any more shameless? "

" how is it shameless for a man to want to make love with his wife? besides, it's my birthday today. isn't it a wife's duty to fulfill my wish? " He laughed a little too much, and even pulled out his hand to touch her long hair.

qin mu was almost going crazy. he glared at him and couldn't say anything for a long time.

Chapter 2333: Mumu, you've been corrupted (1)

Zhou chongguang drove the car into the parking lot of a six-star hotel. He didn't get out of the car immediately, but locked the door, then slowly unbuckled his seat belt and turned his head to look at her. "what did you talk about with zhao yan?"

" open the car door! " qin mu patted the car door. " open the door! "

"I'll let you out after a few words." His tone was indifferent.

qin mu was a little angry. he leaned against the back of the chair and said in a very soft voice, "tomorrow!"

"alright, i'll drive you there tomorrow. yingluo, you have to send him there." zhou chongguang's words were rather meaningful.

after that, qin mu was a little furious!

"I'll send it myself, I don't need you."

zhou chongguang's expression was still indifferent, then he laughed softly, "Alright!"

this time, he opened the door and let her get out, not afraid that she would run away.

qin mu tilted his head and looked at him. he scratched his head and followed him out of the car.

she was no longer a little girl, so she naturally knew what it meant to get out of the car with him. it meant that he would not let her off tonight.

Normally, the desire that Zhou chongguang had been planning for a long time would be very strong, the kind that would accumulate until it exploded.

qin mu walked in front, and zhou chongguang took out the things from the trunk. he also took two bottles of red wine.

When they arrived at the hotel lobby, he shamelessly asked for a Presidential Suite. Qin Mu stood beside him and played with his hair.

The receptionist looked at the two of them, quickly registered, took the room card, and led the way.

"no need, i'll go upstairs myself." zhou chongguang said calmly.

the lady at the front desk was stunned for a moment. then, she thought of the special hobbies of some customers and smiled without saying anything.

Qin Mu looked at Zhou chongguang and unhappily took the room card from his hand. His voice was like a little lamb.”Zhou chongguang, aren’t you a pervert!”

he carried the things in one hand and held her shoulder with the other. he kissed her on the lips. ” “I’ll let you know if I’m a pervert or not later!”

qin mu played with his long hair and was a little absent-minded.

she used to have straight black hair, but it was only recently dyed a tea color and permed a little, making her look more mature.

Zhou chongguang looked at her dazed little face and guessed that she was probably a little sad because of Zhao Yan.

feeling a little annoyed, he pressed her against the door and kissed her when he reached the door. he took the room card from her hand and quickly swiped the door open.

As she kissed and rubbed him, she somehow ended up on the carpet.

zhou chongguang used his teeth to bite open the cork of the bottle of red wine. he raised his head and took a sip. he pinched her small chin with one hand and kissed her lips. he slowly fed her the dark red wine and pestered her to drink it.

this happened a few times. qin mu was slightly drunk, and he was not much better. his white shirt was dyed deep red and looked a little decadent. he could not help but call her name and mumble deep kisses again and again.

he felt that his feelings for her were so hot that they filled his entire heart, but he didn’t dare to confess easily for fear that she would mock him.

he actually felt fear in his heart.

zhou chongguang was still in a daze when qin mu suddenly pressed against his shoulder and pushed him away.

her eyes were filled with charm. she was the qin mu that zhou chongguang had never seen before.

“Didn’t you want to see me in my pajamas?” Qin Mu lifted his body and whispered into his ear.

the beast blood in zhou chongguang’s body was boiling. although he had such intentions before, he really did not expect his little wife to be willing to put on such pajamas for him.

While his heart was rippling, Qin Mu had already gone to the bathroom to take a nap.

Chapter 2334: Mumu, you’ve been corrupted (2)

when she came out, zhou chongguang felt that the beast in his body had awakened. he almost couldn’t control himself as he walked towards her and pressed her against the wall. he lowered his head and kissed yingluo.

that night, qin mu changed into five sets of pajamas, while general manager zhou was exhausted!

When the sky was slightly bright, Zhou chongguang hugged her and gave her a kiss. His voice was low and hoarse. Mumu, you’ve become bad!

It was simply taking his life.

qin mu was so tired that he wanted to sleep. he hugged him and said in a daze, ” “I want to take a bath. It’s not comfortable.”

His eyes were full of gentleness. At this moment, even if she wanted the moon in the sky, he would probably be willing to pluck it for her.

Although he was very tired, he still carried her to the bathroom and carefully helped her wash up. Then, he wrapped her in a bathrobe and returned to the big bed in the bedroom. He was also tired, but he was so excited that he couldn't sleep. He went to the balcony to smoke two cigarettes.

He looked at the horizon and carefully felt the satisfaction in his heart. Only then did he know that it was such a feeling to like someone.

He wanted to give her everything he had. He wanted to keep her by his side at all costs.

when he returned to the bedroom again, he kissed her on the lips. although qin mu was asleep, he could still smell the cigarette in his mouth. he moved uncomfortably to express his dissatisfaction.

He smiled and finally lay down beside her. He held her in his arms and kissed her, pressing his lips against her little face. Mumu, don't leave me, okay? we're not getting a divorce."

Qin Mu was asleep, so of course he wouldn't answer. Even if he was awake, he probably wouldn't say anything good.

Sometimes, Zhou chongguang himself did not understand why he would like her.

they had known each other for so many years, and there was not much of a stir. however, when she said that she wanted a divorce, she said that she was disappointed in him, and she said that they would be fine in the future, he was extremely unwilling.

It wasn't until later that he realized that this kind of unwillingness and habit was called love.

because he was extremely tired, qin mu slept all the way until 10 in the morning.

When she opened her eyes, she was hit by the piercing sunlight outside. Her eyes widened and she suddenly jumped up. Her legs were extremely sore.

"zhou chongguang, get up." shen yin covered his eyes as he lay down.

Just as she said that, her body was pulled into his arms. Zhou chongguang kissed her little face and said with a smile, " "Didn't you say you were going to the airport by yourself?"

qin mu hugged his neck and took a fierce bite. he gritted his teeth. ” “what do you think?”

her leg was in so much pain that she couldn't even walk, yet she could still drive?

zhou chongguang laughed softly, and he laughed delightedly. he actually pressed her down again, and his black eyes were filled with a smile. ” be good, beg me. ”

“Shameless!” qin mu turned his little face to the side. ” zhou chongguang, if you're not willing, i'll find someone else. or, i'll ask zhao yan not to leave! ”

how could she not know about his dark thoughts? he had made her go crazy for the whole night because he didn't want her to send zhao yan off.

Zhou chongguang's gaze turned deeper, and he bent down to kiss her small lips. you didn't seem to have said 'Happy Birthday' to me last night!

qin mu stretched out his leg and kicked him. he was a little annoyed.”Zhou chongguang, aren't you annoying?”

he reached out to hold her down, not letting her move. there was a hint of a smile in his tone. ” are you finding me annoying? ”

“zhao yan, don't you find him annoying?” there was already a hint of danger in his eyes.

qin mu bit his lip. he knew that if he didn't tell her, he probably wouldn't let her go.

So, she reached out and wrapped her arms around his neck, whispering softly into his ear, ” “happy birthday.”

Chapter 2335: Mumu, you've been corrupted (3)

zhou chongguang's body paused for a moment, then he hugged her tightly and buried his face in her little neck, saying in a low voice, " "don't go see zhao yan, okay? Stay here and accompany me!"

qin mu was a little surprised. was jue acting coquettishly?

After a long while, she blinked and leaned back. "I agreed to his request!"

Zhou chongguang's eyes flashed with a deep glint. you won't change what you've promised, huh? "

qin mu didn't suspect anything and nodded his head lightly."Yes!"

however, she was kissed by him and then tortured by all kinds of means. he didn't want to use them in the past, but he couldn't bear to use them on her later on.

Qin Mu was better off dead.

"promise me that you'll stay in the hotel and make love with me today, okay?" He bit her little ear and said passionately.

Qin MU's small hand clutched his shoulder and he wailed, " "zhou chongguang, what are you doing?!"

zhou chongguang laughed softly and grabbed her small hands, pressing them on both sides of his body. just like that, he bullied her to his heart's content.

qin mu bit his lip and closed his eyes. not only did he have to bear with wanwan, but he also bullied her and coaxed her at the same time."Stay with me, okay?"

qin mu was so angry that he bit her hard on his neck. his little violence had successfully ignited a man's beast nature.

with his rhythm messed up, he almost violently tossed and turned.

But in the end, he still brought her to the airport. Qin Mu used his high-collared shirt to cover his neck. Because it was full of hickeys, Qin Mu glared at him as he walked.

then, to her horror, she realized that this shameless man was only wearing a low-collared sweater with a cotton shirt on the outside. there was a very heavy hickey on his neck, and it was bright and piercing.

qin mu stopped in his tracks. ” zhou chongguang, you did it on purpose! ”

her eyes were filled with accusation. ” i’ve said it before. zhao yan is just an ordinary friend. you won’t have any friends if you continue to act like this. ”

he put his hand in his pocket and said indifferently, ” “i only need you as a friend. yingluo can play a special game with me in bed.”

qin mu’s face was completely red, and she glared at him. zhou chongguang pulled her closer and muttered, ” mumu, i’m jealous. don’t you feel it? ”

qin mu kicked his leg directly and ran forward. after running a few steps, his leg was really in pain. he stopped again, put his hand by his leg, and breathed in.

“what’s wrong?” Zhou chongguang walked over and asked her gently as he supported her with his hand.

qin mu bit his lip and raised his eyes to glare at him. however, his eyes were filled with tears. ” my leg hurts. ”

he smiled, reached out, and carried her in his arms, walking forward.

qin mu tugged at the clothes on his shoulder. he felt extremely embarrassed and said in a very low voice, ” ” that’s enough, zhou chongguang. even if you don’t want your face, i still want it! ”

Too many people were looking at her, so she buried her face in his arms and pretended not to see him.

Zhou chongguang just smiled. didn't you say that your legs hurt? ”

Qin Mu didn't say anything. Just like that, he was carried in his arms and walked straight for a few hundred meters.

When he put her down, she turned around and saw Zhao Yan.

zhao yan was alone. he had probably just finished checking in and was holding onto his plane ticket. he seemed a little lonely.

“Zhao Yan,” qin mu called his name softly.

Zhao Yan turned around and looked at her. His thin lips were slightly pursed, and his eyes were deep.

His gaze was on Zhou chongguang, who was at the side. Naturally, he also saw the Hickey on his neck.

“You're here?” Zhao Yan smiled.

Chapter 2336: Small schemes and tricks (1)

qin mu slowly grabbed his hair and said in a small voice, ” “you're a little late. if you didn't come, we could have sat down and chatted for a while.”

Zhao Yan raised his hand to check the time. I still have 40 minutes to board the plane. I can have 30 minutes.

“Mumu, do you have time?” he asked with a burning gaze.

In front of Zhou chongguang, he didn't hold back from calling her by her nickname. Zhou chongguang was listening by the side, and he felt very uncomfortable.

Qin Mu was a little dazed. After a long time, he finally said in a low voice, ” okay!

she turned back to look at zhou chongguang, and her voice was a little hesitant. ” then wait for me in the car. i’ll go to the café in front with zhao yan for a while. ”

Zhou chongguang smiled. I’ll just wait here.

But in his heart, he thought, his wife is openly chatting with a wild man in front of me. Did I not satisfy her last night? Or was she not satisfied with this morning?

zhao yan smiled and put his arm around qin mu’s shoulder, bringing him away.

of course, he also saw that director zhou’s face had darkened. it was really rare. he smiled in his heart.

when they entered the cafe, qin mu could see his husband standing outside the moment he raised his eyes. his posture was suave and cool.

when he saw qin mu looking at him, he even smiled generously.

qin mu only felt a little embarrassed.

when he lowered his eyes, zhao yan’s voice was a little low.”you guys seem to be getting along very well!”

“just like that!” Qin Mu took a sip of coffee. it’s not that easy between me and him. It doesn’t mean that my forgiveness is in the past. there are too many factors.”

“For example?” zhao yan looked up, his eyes deep.

Qin Mu also looked at him. He wanted to smile, but he couldn’t. After a long time, he said in a bitter voice, ” my brother was always the indirect reason for his father’s death. His mother didn’t like me very much, and Zhou chongguang and I never had any children.

“Won’t you consider having one?” zhao yan also took a sip of his glass, and his eyes became deeper. ” i can see that he cares a lot about you now. ”

qin mu sipped his coffee quietly. it was a little bitter because she did not add sugar.

zhao yan gently put two sugar cubes in and stirred them for her. " sometimes, people really don't force themselves. "

Qin Mu lowered his head and took a sip. It wasn't as bitter as before.

she smiled. " maybe i haven't thought about it yet! "

"Yes, I'll follow my heart." he kept looking at her with a smile.

qin mu finally realized, to his surprise, that when she came to send zhao yan off, the content of their conversation seemed to be that he was concerned about her.

She couldn't accept his kindness because she only saw him as a friend. Even if she got a divorce, Zhao Yan was not someone she would dare to consider.

He was so good. In Qin MU's heart, he was just like Zhou chongguang back then. His existence was like the White moonlight.

It was good to appreciate it. She had already lost too much in one moth to a flame.

qin mu didn't drink any more coffee. he put down the cup very quickly and looked up at zhao yan."You should board the plane."

Zhao Yan was still sitting there, quietly looking at her. Suddenly, he said, " "Qin Mu, can you hug me?"

Qin Mu was stunned for a moment. Then, he got up, walked behind Zhao Yan, and gently hugged him.

Zhao Yan was sitting in front of him, so he could see Zhou chongguang's darkened face.

it was really wonderful!

he laughed and reached out to grab qin mu's arm. then, he turned around and hugged her. he made zhou chongguang, who was outside, think that he had kissed qin mu.

Chapter 2337: small schemes and tricks (2)

Zhou chongguang was almost going crazy. The cigarette in his hand had been crumpled into a mess by him, and he was staring fixedly at the man and woman who were entangled!

he was the one who had his eyes on his wife!

However, although his eyes were burning with anger, Zhou chongguang did not dare to come in and separate them.

he could only look on, his eyes filled with jealousy.

zhao yan let go of qin mu and patted her, his voice a little hoarse. ” “alright, mumu, i'll be leaving first.”

qin mu raised his head and looked at him.

Zhao Yan's gaze deepened and he smiled. stand here and don't move. Be good.

This was the first time he spoke like this, and Qin Mu felt like crying.

“Don't be like this, I'll be back in the future!” Zhao Yan's voice was very low. He reached out and pinched her face. I'm leaving. Stand here and watch me leave.

after he finished speaking, he looked at her deeply again, then picked up the plane ticket on the table, turned around, and strode out.

He did not look back.

qin mu just stood there and looked at him. he felt that the memories that belonged to her and zhao yan were slowly fading away.

zhao yan had played the 'füricen fürst' in her ear.

Zhao Yan was different from Zhou chongguang. The memories that Zhao Yan gave her were all beautiful, and they remained so until now.

She kept looking at his back until he disappeared from her sight.

she was pulled into a warm embrace. that was zhou chongguang.

"Alright, it's not like we won't be able to see each other in the future." Zhou chongguang coaxed her stiffly.

qin mu raised his eyes and looked at him. he said slowly, " then you can sponsor his concerts in the future. He'll probably have time to come back!

zhou chongguang looked at his wife for a long time before he said slowly, " "Qin Mu, do you think I'm that generous?"

he must be crazy to sponsor his love rival!

qin mu pouted and walked out of the coffee shop. zhou chongguang followed slowly and held her small hand. " are you angry? "

Before Qin Mu could reply, he smiled. I'm not angry with you yet!

she glared at him and tried to break free, but she couldn't. in the end, she simply gave up struggling. after all, there were more embarrassing things before.

zhou chongguang held her small hand and turned his head to look at her. his expression became gentler subconsciously.

it was so wonderful to be by a girl's side like this.

just as they were about to walk out of the airport, they met an acquaintance.

Gu ze and Gu Mei.

Gu Mei, who was supposed to be in France, was leaning on Gu ze's side with a pale face. There was a small suitcase beside her.

When the two groups met face to face, they were quite surprised.

Qin Mu tilted his head and looked at Zhou chongguang, his voice very soft. "Didn't you say she went to France? Without your orders, they wouldn't have come back?"

zhou chongguang was just about to explain when gu mei had already opened her mouth to speak softly, "Chief Zhou, I'm resigning."

Zhou chongguang was clearly stunned.

"i don't want to live in France anymore." gu mei's smile was a little bleak.

then, she looked at qin mu. "in the end, i still lost to you."

she had been by zhou chongguang's side for so many years, and she had always been watching. she thought that one day, zhou chongguang would lay all his cards on the table with qin mu, and that there would always be a place for her by his side.

She had never thought that when Qin Mu laid his cards on the table, she, Zhou chongguang, and the other women would all become cannon fodder.

qin mu looked at gu mei and pursed his lips. he did not say anything and walked toward the exit.

zhou chongguang had wanted to chase after her, but he paused. "secretary gu, if you want to resign, please go to the company as soon as possible to settle the procedures."

Gu Mei's face turned even paler as she looked at him. In his eyes, she could not see the slightest bit of tenderness.

Chapter 2338: Small schemes and tricks (3)

Of course, she had also seen the Hickey on his neck. It was so heavy and intense.

She had slept with Zhou chongguang before. She knew that he was not a man who liked to let women leave marks on his body.

in the past, she didn't know, but now she understood. at that time, it was because of qin mu. he didn't want qin mu to see the hickeys on his body when he went home to make love with him.

it was just that simple.

Now, not only did Gu Mei see it, even Gu ze saw it.

his eyes darkened and his voice was cold. " general manager zhou's suggestion is also my hope. "

his gaze still swept past zhou chongguang's neck, and his gaze was slightly cold.

In the end, he still left with Gu Mei.

zhou chongguang stood there for a while, then walked towards the exit. after about two minutes, he caught up to qin mu.

her little face was tense as she walked in front of him, ignoring him.

zhou chongguang sighed and reached out to hold her hand, not letting her leave.

Qin Mu took a step back and raised his head to glare at him. Zhou chongguang, what do you want?
„

“I don’t want anything!” His large palm gently stroked her long hair and his voice was very low. ”
mumu, i just don’t want you to be sad, especially about my past mistakes. ”

He kissed the center of her hair. it’s my fault. You shouldn’t be the one bearing the responsibility!

qin mu didn’t say anything, and his little face was still tense.

zhou chongguang sighed. he knew in his heart that this anger would probably last for a long time.

He held her hand and led her to the parking lot. There, they met Gu ze again.

gu ze was closing the car door for gu mei. when he saw them coming over, his eyes were a little deep.

as for qin mu, he did not know why, but when he looked at gu ze, he let go of zhou chongguang’s hand.

Zhou chongguang narrowed his eyes slightly and looked at Gu ze, then at Qin Mu. He felt a little angry in his heart.

After that, his face darkened and he opened the car door abruptly. After Qin Mu got in, he closed the door quite loudly.

She had lost her temper and had enough of being jealous.

as for gu ze, his eyes were a little bitter, and then the corners of his mouth curved up slightly.

a person like zhou chongguang would actually be controlled by qin mu. qin mu only had to make a small action, and zhou chongguang was almost going crazy.

How could Qin Mu have any thoughts about her?

Gu ze smiled and got into the car.

Zhou chongguang's gaze was almost ferocious as he got into the car. Then, he turned his head and looked at Qin Mu."you like him?"

qin mu gently flipped his long hair, his voice a little lazy. " who are you talking about? "

"Gu ze!" Zhou chongguang gritted his teeth.

"Oh?" Qin MU's voice dragged on. did I? "

"why did you let go of my hand just now?" to zhou chongguang, that night in yunnan where qin mu and gu zehai sat by the sea for a night was a shadow that he could not shake off.

Gu ze was not like Zhao Yan. Even though he could tell that Zhao Yan liked Qin Mu a little, it was just a faint feeling. It was the kind that would not force her. But Gu ze was different.

gu ze's arrogance was unfathomable. even zhou chongguang did not dare to underestimate him today.

Especially after so many years, when Gu ze never had a girlfriend.

zhou chongguang's gaze was a little burning. he stared at her for a long time before he said in a cold voice, " it better not be. "

"if i liked him, zhou chongguang, do you think you could stop me?" qin mu sighed.

zhou chongguang narrowed his eyes.

"Drive!" qin mu's voice was very faint, and it sounded like a sigh.

He paused for a moment before starting the car.

Chapter 2339: you're still hugging me, you're disgusting?(1)

The car drove straight back to the villa. Qin Mu got out of the car first, and Zhou chongguang followed behind her. As they walked, they got the servants to bring the things in the trunk upstairs.

zhou chongguang took off his coat as he walked and held it horizontally in his arms. he quickly chased after qin mu.

Qin Mu also walked faster. He went straight upstairs and then slammed the door for him.

he stood at the door and looked at the closed door. he was a little stunned. then, he shook his head and smiled before turning the door.

He couldn't open it.

At this time, the servants downstairs also carried things upstairs. They were a little surprised to see Sir locked outside the door.

Zhou chongguang reached out and pulled his tie. His tone was slightly heavy. bring the keys over.

The servant nodded and left.

after a while, the servant came up and handed the key to zhou chongguang, while he stood guard at the side.

Zhou chongguang looked at him and frowned, " "go down!"

It was obvious that Qin Mu had the intention to quarrel with him, and a couple's quarrel could not be seen by the servants.

the servant immediately went down, but after taking a few steps, he turned back and looked worriedly.

it was only then that zhou chongguang remembered that the servants in this villa were all brought over by qin mu from the qin family back then. naturally, they were all on her side.

he pursed his thin lips and narrowed his eyes. the servants quickly walked away.

zhou chongguang used his key to open the door and carried his things in. it was almost nine o'clock. the bedroom was lit up with a warm yellow light. once he entered, there was a faint fragrance. it was the smell of qin mu's body.

His heart couldn't help but soften a little. He put the things down and walked toward her.

qin mu was drinking water with his back facing him. he didn't seem to mind when he heard the sound of the door opening.

when he walked past her, she turned her head and looked at him quietly.

Zhou chongguang also saw that there was not only water in her hands, but also medicine, Qianqian, and contraceptives.

However, he had replaced her.

He frowned, stepped forward, and hugged her from behind. His voice was a little hoarse. Mumu, don't take the medicine. Let's have a child.

qin mu didn't move. after a while, he said in a low voice, " "You said this before, and so did I. I haven't thought about it yet."

He bit the back of her ear and said in a warm voice, " is it because you're swaying left and right? is it because Zhao Yan and Gu ze have feelings for you, so you feel that you have more choices? "

his voice turned cold. " yes, none of them had such a ridiculous past like me, so you're moved, huh? "

he bit her maliciously, and the more he said, the more he believed it.

qin mu's body was a little stiff. then, he took a deep breath and pushed him away violently, confronting him."right, zhou chongguang, you're right. that's exactly what i think!"

She looked at him. do you know what I was thinking when I saw Xue Lin and Gu Mei? ”

she stared into his eyes and said, ” “i feel extremely disgusted!”

Zhou chongguang’s facial expression was a little twisted as he stared into her eyes. Qin Mu, on the other hand, was still sneering.”this is what you want to know.”

“Did I disgust you?” he stretched out a hand to catch her, and in the next second, she fell into his arms. he bit her lips and said in a very, very low voice, ” qin mu, when you were screaming so happily under my body, why didn’t you find me disgusting, huh? ”

He nudged her evilly, deliberately torturing her.

qin mu’s eyes widened slightly. then, he started to struggle violently.”Zhou chongguang, you’re shameless. Let me go!”

However, his arms were strong and forceful. He held her in his arms and looked at her evilly. Very soon, Qin Mu couldn’t take it anymore and snorted softly.

After that, he carried her into the bathroom and pressed her against the mirror, while he covered her back.

his face was pressed against hers, and he held her small chin with one hand, forcing her to look up at the person in the mirror.

their eyes met in the mirror. his voice was hot and hoarse, and it was right next to an artery on her neck. ” look at you now. do you still dare to say that you’re disgusting? ”

qin mu closed his eyes slightly, his voice weak.”zhou chongguang, don’t make me hate you.”

“You’ve hated me for a long time. Otherwise, why wouldn’t you have my child? do you think I’m dirty?” his voice rang in her ears. ” then i’ll make you feel disgusted. ”

“Zhou chongguang, what are you trying to do?” Qin MU’s voice trembled.

“make love!” ” i’m fine, ” he said softly as he squinted at her in the mirror.

the 22-year-old qin mu was still young. however, because he had been getting better recently, he had more charm and was very attractive to men.

she opened her eyes, looked at him, and struggled.”Zhou chongguang, you bastard!”

his voice was heated. ” yes, i’m a bastard! ”

then he would be a bastard to the end.

he only let her go at midnight.

Once he let go, Qin MU’s body slid down softly. Zhou chongguang reached out to catch her.

Qin Mu pushed him away angrily and slipped down.

Zhou chongguang reached out to hug her. Qin MU’s voice was soft, but it was extremely hoarse.”get lost!”

she had never been so rough before, but it was because he had never been so rough.

qin mu closed his eyes slightly, unwilling to look at him again. he leaned against the sink and only propped himself up after a long time. however, just as he propped himself up, he slipped again.

Zhou chongguang lifted her up forcefully. what are you trying to be strong for!

After the man had vented, he was different. His temper was very good. He carefully carried her to the edge of the bathtub and filled the bathtub with hot water with one hand.

The steam made the bathroom look a lot more hazy. Qin Mu tossed and turned for a while but couldn't move anymore. He panted and laid on the edge of the bathtub.

At this moment, she was in a mess and covered in red marks.

but zhou chongguang was fine. he was neat from head to toe. the affair just now was very humiliating to her.

zhou chongguang didn't force her either. when the water was half-full, he reached out and carried her in.

Qin Mu didn't struggle, because she needed hot water to soak in.

She raised her head, and because of the alternating between pain and comfort, her small throat gently moved, and she was in that position again.

Zhou chongguang felt that he had just calmed down, and now he was back to life again. He stared at her for a long time, then held back and gently washed her body.

Qin Mu resisted, but her resistance was cold.

She looked into his eyes and didn't give him any reaction. It was so piercing that Zhou chongguang's eyes were red. When he reached out to carry her, he said in a low voice, "mumu, are you going to use cold violence on me?"

qin mu closed his eyes. "i want to have a good sleep. stop bothering me!"

she was very, very tired. the consequence of angering him was the pain of all the bones in her body being broken. at this time, she was a little regretful.

Zhou chongguang looked at her helpless look, and his eyes were filled with guilt. He carried her back to the bedroom, turned on the heater, and said in a low voice, "i'll guard you."

he was lying beside her. qin mu opened his eyes and looked at him with a deep gaze.

Zhou chongguang reached out and ruffled her long hair. does it hurt? ”

“zhou chongguang, if you cared about whether i was in pain or not, you wouldn’t treat me like this.” qin mu’s voice was very soft.
