Chapter 2351: Pamper her! of course!(3)

ye mu yun walked over and said in a low voice, "why didn't you put on your coat? you'll catch a cold."

she felt that her face was burning hot, especially when zhou chongguang was beside her and she had said those words just now. she felt very uncomfortable and said softly, "I'm not cold,"

the next second, he held her little hand and said in a low voice, "You still say you're not cold? even your hands are icy cold."

xue 'er's entire attention was on his hand that was holding hers. she looked down nervously. "then i'll go back in a hurry."

she wanted to run away, but he held her little hand and did not let go.

Xue 'er's small hand struggled a little, but she was unable to break free. She was still holding onto his large palm.

Fine| the tender little hand in his palm appeared particularly small and delicate. the contrast between the white and wheat color was also very strong, giving a feeling of a jade of love.

she looked at him in a daze for a while, then looked up at him in a daze.

Ye Muyun reached out and rubbed her little face. Then, he turned around and said to Qin Mu, "accompany yishu for a while."

After that, his large palm landed on Xue 'er's shoulder and naturally brought her into the main hall.

qin mu turned her head and squatted down to chat with little yi shu. they chatted on and off, and she felt that she had never been so childish before.

Zhou chongguang was also standing at the side, listening quietly. He saw that her expression was so happy.

He thought that she probably liked children.

He walked over and squatted beside her. Sometimes, he looked at little Yi Shu, and sometimes, he looked at Qin Mu. His entire body was filled with a touch of warmth. It was probably the smell of home.

in the living room, xue 'er bit her lip. " i'm done tidying up. why don't you go and accompany little yi shu? "

At this moment, there was no one else in the hall, only the two of them. The empty and unfamiliar space made her feel uneasy, and she had a feeling of wanting to escape.

This was his home, and she was his sister. It seemed normal for her to go home with him, but Yingying was not.

She bit her lip, her mind filled with Zhou chongguang's words.

"I have something to tell you." Ye mu Yun smiled. As he said that, he pulled her to sit down on the sofa side by side. She sat on the side, and he sat next to her. This was equivalent to forcing her into a corner, making Xue 'er feel a sense of oppression.

she bit her lip and let out an " ah ". she tilted her head and looked helpless.

ye muyun's hand was placed horizontally on the back of the sofa. his movement seemed very casual, but he was holding her in his arms.

These days, the little guy was very guarded against him, and he almost did not even kiss her.

after a moment of silence, ye muyun said calmly, " qin mu is preparing to open an art gallery and would like to invite you to run it with him. "

"me?" Xue 'er's eyes widened slightly, but her mind seemed to be replaying the past.

those were extremely familiar. lan yu had personally guided her.

There was pain in her eyes as she looked at him helplessly, her lips moving.

“Don’t think too much!” his voice was gentle, and his long and beautiful fingers caressed her long hair. ” if you don’t want to, you can stay at home with yishu, okay? ”

xue ‘er kept looking at him for a long time before she said softly, ” “It’s not that I don’t want to, Yingluo. Let me think about it.”

she was thinking that she couldn’t always rely on him. she had to go out.

And perhaps this was an opportunity!

although he still had some relationship with qin mu, it was better than always being a rice weeper at home.

after she finished speaking, she couldn’t help but sigh in relief. then she looked at him.”thank you, brother.”

Chapter 2352: pamper her! of course!(4)

“if you treat me as your brother, you don’t have to thank me.” there was a hint of playfulness in his tone. ” besides, i’m just asking you on qin mu’s behalf. ran ran was a little embarrassed to ask you directly. ”

it was only then that xue ‘er thought of zhou chongguang. she frowned and wondered if this was a good idea.

“as long as you’re willing, there won’t be any problems.” Ye mu Yun said indifferently as if he could read minds.

Xue 'er listened to his voice and was in a daze again. Then, she remembered that he didn't seem to touch her easily recently.

Other than loving to rub her hair, he wouldn't casually kiss her.

Although it was much easier to get along with him, she still felt that it was dangerous for Yingluo to be with him.

However, she was also glad.

When it was time for lunch, Qin Mu asked Xue 'er about the Art Gallery again. Xue 'er agreed. After lunch, the two girls brought little Yi Shu upstairs to talk about the Art Gallery. Of course, Xue 'er was like a blank piece of paper, and Qin Mu was in charge of everything.

Xue 'er was only in charge of providing the paintings. She also had some connections in Lan Yu to get some paintings to keep up the facade and to hire some artists.

qin mu's position was quite high. he specialized in custom-made items for powerful companies or individuals, and the cost was quite high.

Xue 'er was mesmerized, and the two of them chatted until six in the evening. When they were done, they realized that little Yi Shu had already fallen asleep.

xue 'er and qin mu looked at each other and smiled. they patted the little fellow and asked her to go downstairs to eat.

Ye Liangqiu and Qin Anlan were both there. In addition, Qin Mu and ye Muyun had each brought their other half home, so they all felt a little at ease.

Especially ye Liangqiu, who couldn't help but sigh in his heart. She looked at little Yi Shu. That was her granddaughter!

However, they could not acknowledge each other.

She did not know what mu Yun was thinking. Was she more helpless than her?

moreover, xue 'er had lost her memories and lost her previous sharp edges. ye liangqiu only felt even more guilty that xue 'er had let this child down, but her kindness to her seemed so deliberate.

she could only sigh.

Not long after dinner, the two young couples went home. Ye Liangqiu took a shower absent-mindedly and returned to the bedroom. Qin Anlan was flipping through a magazine.

she lay down and reached out to take the magazine from his hand. she didn't say anything and just lay quietly beside him, resting her face on his shoulder.

Qin Anlan's voice was a little soft. Liangqiu, why are you still so sad today?!

She lowered her eyes and pressed her face against her husband. "an lan, my heart hurts when i see xue 'er like that. she lost eight years with muyun and her memories. if lan yu wakes up again, will she still be his wife? "

Qin Anlan patted her shoulder and sighed. "He won't, you have to believe in mu Yun!"

he seemed to have thought of something, so he smiled. " "think about the past when mu yun had xue 'er under his thumb."

ye liangqiu's head rested on his shoulder, her expression dazed as she reminisced.

"yes, they were so wonderful back then," she said softly after a long time.

As she said that, she started to choke up. an LAN, I'm very bad. For the sake of Mumu's life, I destroyed such a beautiful relationship. Back then, they were really good.

Qin Anlan knew that this matter had been a knot in his wife's heart for more than eight years. It was not that he did not have any regrets, but how could he bear to blame her?

He reached out and patted her shoulder. In a low voice, he said, ” you’re already very good now!

Ye Liangqiu’s head rested on his shoulder, silent and not making a sound.

Chapter 2353: i’m scared, hug me (1)

The night sky was like a curtain, and the street lights extended into the distance like a long Dragon.

in the speeding car, ye muyun’s slender fingers held the steering wheel and his eyes were focused on the road ahead.

He took the time to look at Xue ‘ER holding little Yi Shu in the rearview mirror and said, ” “She’s asleep?”

his voice was very gentle in the quiet night.

xue ‘er acknowledged him, her voice soft and light.

Ye Muyun’s lips curved up slightly. His gaze landed on her face for a few seconds before moving away from her.

It was not until 8:30 that the car drove into their villa. When Xue ‘er wanted to get out of the car, he stopped her. let me carry her. The little fellow is too heavy.

xue ‘er nodded and waited for him to open the car door and carry little yi shu. she then got out of the car and walked quickly, ” “Cover her with a blanket, or she’ll catch a cold.”

He paused and let her cover him.

but when she looked up, she happened to see his deep eyes.

When their eyes met, she flinched and pursed her lips. go in!

She walked forward first, and an almost inaudible chuckle came from behind her. It seemed to be mocking her.

xue 'er stopped in her tracks. she stood at the entrance and glared at him.

Ye Muyun brushed past her. When he passed, he said in a low voice, "you little fool."

xue 'er almost exploded. she was not an idiot!

his whole family was an idiot!

but she didn't dare to say it out loud. she could only stare at him pitifully and purse her lips.

Then, she reluctantly followed him upstairs, like a little tail.

ye muyun carried the little fellow to her own bedroom. after putting the little person down, he turned his head to look at xue 'er who followed him and said in a low voice, "help her put on her pajamas."

although little yi shu didn't want to wear a girl's dress, she was still a girl, so it was better for her mother to do such private things.

"oh," xue 'er replied and ran to the changing room to get a set of pajamas. she half-knelt by the bed and carefully changed little yi shu's clothes.

ye muyun quietly looked at her hunched back and then looked down. his deep eyes seemed to be on fire.

however, she was completely unaware of it. she only got out of bed after changing into her pajamas.

however, she was hugged the moment she turned around. her small mouth was blocked by his warmth, which was like a hot plug.

Under the dim yellow light, his kiss was a little hot. He carried her and stumbled to the door, pressing her against the door and kissing her.

Xue 'er was stunned. She looked at him with her eyes wide open. Her back was against the cold door, and in front of her was his hot body.

Her small face was held by him, and he kissed her deeply, invading her nerves bit by bit.

suddenly, her legs gave way and she felt that she could barely stand.

what was he doing?

She suddenly struggled and shook her head, trying to break free from him. However, her struggle only made him suppress her even more.

“Baby, be good.” he murmured in a dream-like voice as he kissed the corner of her lips, comforting her.

He had no choice but to be passionate. He didn't know why, but he just couldn't control himself tonight.

xue 'er was pressed down by him like this. the moment she moved, she felt a dense and hair-raising touch. she did not dare to struggle anymore and could only raise her small face to accept his kiss.

Such a posture was obviously dangerous, because he could make a move with a single touch.

xue 'er was a little scared and even more guilty, but he was seducing her. she couldn't help but kiss him again and again, entangling and passionately.

his coat fell to the ground, and so did his. they were pushed together in layers, looking very intimate and ambiguous.

[after midnight, there will be 50 chapters ... 50 chapters ... In addition, demon's new book will be released on January 8th, which is tomorrow ... I'll inform you later ... Xoxo]

Chapter 2354: I'm scared, carry me (2)

She was getting hotter and she felt that he was kissing her more and more aggressively.

and they were kissing in little yi shu's room, and the lights were not turned off. even the soft panting sounds seemed so embarrassing.

She trembled uncontrollably, half out of fear and half out of excitement.

"Afraid?" his hot breath blew on her slender neck as he asked softly.

her consciousness sobered up a little and her voice trembled, "don't be in a daze."

"you don't like it when i kiss you?" his thin lips were pressed against the back of her ear. he felt that she was very hot, so he chuckled.

Xue 'er's eyes were filled with warmth, as if they were filled with water. She looked at him helplessly. I don't like it.

"your body is more honest than your little mouth." He laughed in a low voice, then kissed her little mouth from behind her ear. After a long sticky kiss, he looked up with a deep gaze. "You little liar."

xue 'er shook her head wildly. " i didn't! "

she was on the verge of tears, and a tear finally rolled down from the corner of her eye. then, she turned her face away and did not look at him.

ye mu yun looked up and said in a hoarse voice, " "why are you crying? hmm?"

Had he pushed her too hard?

He reached out and gently wiped the tears from the corner of her eyes. He coaxed her with all his heart.”be good, it’s my fault. i shouldn’t have treated you like this!”

she kissed her pink eyelids again and her voice became gentler.”Alright, stop crying. I won’t kiss you anymore. I’ll carry you to rest, okay?”

Xue ‘er bit her lip and looked at him, not saying a word.

He smiled and carried her in his arms. He opened the door and walked out.

However, he carried her to his own bedroom.

the moment he put her down, she struggled to get out of bed.

“be good and don’t move. i’m going to the bathroom.” He bent his knees and stared into her eyes with his dark eyes, deliberately scaring her. “if you dare to leave, i’ll go to your room, okay?”

she immediately understood. she stared into his eyes and said with her trembling lips, ” “you’re a bad person!”

He smiled and reached out to pinch her little face. Then, he straightened his body and walked to the bathroom.

xue ‘er looked at his back, biting her lips and curling up. she leaned against the bed and looked in the direction of the bathroom. yingluo really didn’t dare to leave, because she clearly felt that he was very excited just now.

If he went to the bathroom now, was Qingqing going to take care of herself?

in the bathroom, the sound of water could be heard.

She suddenly felt her mouth go dry, and her mind was filled with uncontrollable imagination, imagining what he was doing now.

She covered her face and scolded herself secretly.

how could she have sex with his yueyue?

xue 'er pursed her lips and kept staring at the bathroom door. he came out after about ten minutes, his body wet and he was only wearing a bathrobe.

she suddenly felt that it was very dangerous for a man who had just taken a bath!

ye muyun took a dry towel and gently dried his hair. his voice was faint. ” what are you afraid of? ”

He slowly walked over and threw the towel that had been used to dry her hair on her small head.

Xue 'er looked a little funny with the towel on her head. She reached out and pulled the towel off.

ye muyun looked at her and took a cigarette from the bedside table. he skillfully lit it and the blue flame illuminated his handsome facial features, making him look more manly.

He took a puff, leaned on the sofa, and smiled. “don’t worry, i’ve dealt with it. i won’t touch you!”

“What about tomorrow and the day after?” ” can you guarantee that? ” she mustered her courage.

Chapter 2355: i’m scared, hug me (3)

she looked at him nervously after asking.

Ye Muyun’s slender fingers pinched the cigarette. He looked at her and laughed. I can’t!

Xue 'er was a little angry and glared at him.

“you think i’m a bad person again, huh?” his eyes were filled with gentleness. ” xue ‘er, yingluo, you used to treat me like the whole world. ”

His voice suddenly carried a faint sense of loss. now, you’re the one who’s most afraid of me!

Her heart ached. She looked at him carefully and saw a hint of pain in his eyes.

She suddenly felt uneasy. The more she knew about their past, the more guilty she felt.

She was enjoying his care, but she was not prepared to give anything in return. And he could see it clearly.

She didn’t know why he was still so good to her!

“It’s a habit,” he read her mind and said calmly.

Xue ‘er bit her lip. After a long time, she said uneasily, ” I can’t promise you anything!

“a promise is made by a man to a woman!” He smiled, put out the cigarette, and walked over to her.

Xue ‘er clutched the sheets tightly, extremely nervous. He leaned over and kissed her little mouth, murmuring, ” I’ll sleep here tonight. I’ll sleep in the study.

she widened her eyes, not understanding why he had made such an arrangement.

ye muyun didn’t explain and just smiled. he reached out and ruffled her hair. ” be good and listen to me. ”

after that, he walked out of the bedroom.

xue ‘er stared at the closed door in a daze for a long time before she went to take a shower and came out in a large bathrobe.

she felt a little empty in the bedroom that was filled with a man's aura.

She lay down and turned off the light. His scent was all around her, and her face was hot just by lying down like this.

when she finally fell asleep, she dreamed of him kissing her.

xue 'er woke up in extreme shame. she covered her face the moment she woke up, not daring to think about the dream.

It was so real that every detail, every hair cell, was magnified and clear.

she could even feel the sharp pain.

she couldn't sleep anymore. she covered her face and curled up at the head of the bed.

at this moment, she actually yearned for his embrace and the heat from his body.

outside the window, there was a sudden flash.

in an instant, the world was as bright as day, and it was dazzling.

she shrank back and turned her head to look out of the window. then, a muffled thunder rumbled.

xue 'er shrieked and buried her face in her knees. she was still afraid, so she got into the blanket.

her little body trembled, and her entire body was trembling!

Lightning and thunder sounded one after another. The dark bedroom was as bright as day. She couldn't help screaming and trembling in fear.

the bedroom door opened, and she was pulled into a warm embrace.

her little face was pressed against his warm body. when the thunder rumbled, she buried herself in his arms and said in a fragile voice, ” “Hug me!”

ye mu yun lowered his head helplessly. ” you’re already so big. why are you still afraid?! ”

she had been afraid since she was young. he thought that after so many years, she would not be afraid anymore. after all, she was already a 26-year-old girl.

However, at this moment, the little girl in his arms was trembling so badly. Her small hands were hugging him so tightly as if he was the only person she could rely on in this world.

After a long time, his chin was suddenly kissed. Ye Muyun’s entire body froze. He lowered his head and his voice was unbelievably hoarse.”Xue ‘er, do you know what you’re doing?”

Chapter 2356: i’m your daddy (part one)

she was like a little puppy, snuggling in his arms and kissing randomly.

she kissed him so much that his whole body was on fire, but he had to hold it down.

because she would regret it when she woke up tomorrow.

his hand pressed down on her mischievous little hand, and his voice was hoarse. ” “be good, don’t move.”

He wouldn’t be able to take it if she continued to kiss him like this.

he was a normal man, and in his arms was the girl he had loved for so many years.

how could he remain calm?

if there was no reaction, he was not a man.

However, no matter how hard he tried to stop her, she still hugged him like a little puppy and kissed the corner of his lips.

“Xue ‘er!” his voice was hoarse and raspy as he held her thin little arm, his dark eyes deep.”I can’t guarantee what will happen if I continue kissing you, Yingluo. Are you sure?”

She moved back a little, her eyes filled with tears as she looked at him.

She looked like a weak little beast, fragile and wanting to look at him.

yes, he could feel that she wanted him!

she was so obvious.

If he refused again, he would not be a man!

He reached out and pulled her into his arms. His thin lips were on her neck. He said in a low voice, ” even if you want to leave, I will never let you go!

Then, he turned around and kissed her hard on the lips amidst her screams, thoroughly entangling himself with Yingying.

Outside the window, the light was still coming in from the darkness. In the bedroom, between the flickering light and dark, their bodies were entangled again and again in an ancient melody. The two Lost Hearts were slowly getting closer.

After countless struggles, she still couldn’t resist the primitive impulse to walk towards him.

at this moment, she had forgotten about lan yu and yi shu. she only knew that she wanted this man.

she really, really wanted him!

as for him, he had suppressed it for too long, and the little person in his arms was so passionate. he let go of his restraint and did not let her off the entire night.

the next day, it finally stopped raining after a night.

The sky was gray, and the smell of fresh air mixed with mud was everywhere.

a chubby little hand gently pushed open the door of the master bedroom and walked in.

The chubby little guy wrinkled its nose and walked in again.

The lighting in the bedroom was very dim, and the little guy only saw Yingying and Yingying lying on the bed when he walked over.

her mother was in ye sansan's arms!

the little guy's little face fell, and then he carefully lifted the quilt!

啊啊啊啊!

the little fellow shrieked.

the person on the bed, no matter how dead she was, had woken up.

ye muyun and xue 'er leaned against the bed, both wrapped in the sheets, looking as if they had been caught in the act.

Especially Xue 'er, who didn't know how to explain!

The little person looked like he was about to faint. He looked at them pitifully, and bean-sized tears fell.

Ye Muyun coughed lightly, "that, your mom is afraid of thunder!" That's why I'm hugging her to sleep."

The little fellow was still staring at him, pouting. "In the past, when there was thunder, mommy didn't even look for daddy."

of course, it's because lan yu is not your father!

at this moment, ye muyun decided on one thing. but before that, he looked at xue 'er in his arms and slowly said, " "yishu, you're not lan yu's child. you're my son, yingluo!"

"It's a daughter!" He paused and corrected her with a frown.

After he finished, little Yi Shu was stunned.

Xue 'er was the same.

What was he saying?

he gave birth to little yi shu?

xue 'er swallowed her saliva, " "which woman did you have yishu with?"

Chapter 2357: i'm your daddy (2)

she was furious!

he had already had a child with someone else, so why did he sleep with her last night?

Ye mu Yun only felt a headache!

“You think there’s someone else other than an idiot like you?” he asked, holding his forehead.

No matter how docile an amnesiac little sheep was, she would still get angry. They had just finished having sex, and he called her an idiot. This was simply too infuriating!

xue ‘er bit her lip. ” ye mu yun, you bastard! ”

He looked at her and sighed in his heart. Calling her an idiot was an overstatement. Did she not catch the main point of his words?

he then looked at the younger one, who was also staring at him with tears in her eyes. ” i was born by daddy. ”

“of course!” ye mu yun directly lifted the blanket and walked down. he picked little yi shu up and put her under the blanket.

“I’m the Father!” He looked at her and said softly.

Little Yi Shu was only a few years old, after all. She was frightened, and her eyes were filled with tears as she looked at him.

Xue ‘er was the same.

she had lost her memory, but she remembered clearly that little yi shu was lan yu’s son. how did he become her and ye mu yun’s daughter?

it was too chaotic!

After that, ye mu Yun and little Yi Shu did a DNA test, and so did Xue ‘er.

In the end, little Yi Shu was their child. The only thing ye Muyun didn’t know was that Yi Shu was indeed five years old. They had been separated for eight years, so why was she only five years old?

He vaguely thought that it might be related to Xue 'er's illness at that time, but only Lan Yu knew the truth.

Bo Yi's office.

Ye Muyun stood in front of the floor-to-ceiling window. Gu ze slowly walked closer. Chairman ye, there's news from the hospital that Lan Yu might wake up. Do you want him to wake up? "

Ye Muyun narrowed his eyes and looked at Gu ze with a burning gaze."How did he get the chance to wake up?"

Gu ze paused for a moment before speaking. according to the neurology experts, Lan Yu's desire to live is particularly strong. His brainwaves are getting more and more normal day by day. I'm afraid he'll wake up soon.

as he said this, his voice deepened. " master gu, do you want him to live or sleep forever? "

After speaking, Gu ze's gaze fell on ye Muyun's face.

Ye Muyun didn't speak immediately. Instead, he turned around and looked at the panoramic view of B city through the floor-to-ceiling window ...

Bo Yi was almost under his control, and Xue 'er and Yi Shu were also by his side.

what more could he not be satisfied with?

After a long time, he said softly,"Gu ze, I've lost a lot of Kasaya on the way to such a high place."

The acquisition of Rongguang was more than a personal grudge.

At that time, he was young and full of vigor. He felt that he was omnipotent. Now, he only wanted an ordinary happiness.

this happiness could only be given to him by his wife and daughter. he thought that if he did anything to lan yu, xue 'er would probably not forgive him.

He laughed bitterly in a low voice and turned to look at Gu ze. if Lan Yu wants to wake up, then let him!

gu ze was a little surprised because this was obviously not boss ye's style!

ye muyun's expression became even more indifferent. " there are too many mysteries about lan yu, including yishu's birth. we need him to solve them. xue 'er and i can't live together like this forever. "

He gritted his teeth. I can't stand her going to the hospital every day to see a vegetable!

gu ze understood. this last item was the main point!

he understood the dark thoughts of men.

Chapter 2358: Lan Yu awakens (1)

After a long time, ye mu Yun softly said,"take me to the hospital."

after a pause, she said, " i want to see him. "

"I'll make the arrangements." Gu ze nodded.

ye mu yun's eyes flickered slightly. when he looked outside again, he said very indifferently,"don't let xue 'er know."

Gu ze wanted to say something, but his phone rang. He immediately picked up the call. After listening to a few words, his expression was a little complicated.

After hanging up, his fingers gently played with his phone, his expression particularly complicated. Lan Yu has woken up. The director over there called mainly to ask CEO ye whether to let Lan Yu wake up or let him continue to sleep? ”

Ye Muyun looked at Gu ze and said slowly, ” let him wake up. Don’t let Xue ‘er know first.

he was already walking towards the door. ” i’ll go for a while. ”

Gu ze nodded. He dialed the phone as he walked and ordered, ” “Don’t move first.”

when they arrived downstairs, the chauffeur drove the car. ye muyun sat in the back seat, his thumb on his chin, deep in thought.

Gu ze would occasionally pick up a call.

About half an hour later, the black limousine arrived at Sheng Yuan hospital. The director had been looking forward to it.

The director really couldn’t make a decision on this matter ...

who was the person in the hospital? she was boss ye’s love rival!

it was already good enough that he wasn’t killed. he still had to serve him well. the director had to admire this lan yu. his willpower was as strong as the sky. he had been lying here for so long and had forcefully woken up. was he going to fight with ceo ye for a woman again?

The director came forward and coughed lightly. Chairman ye, what do you think of Lan Yu’s arrangements? ”

Ye mu Yun paused and looked at him.”kill him?”

cold sweat broke out on the director’s forehead. how could he say something like a smile and a rustle out loud?

his chairman ye ignored him and walked directly to the elevator of the inpatient department.

when he saw lan yu, even ye muyun was shocked. it hadn't been long since he last saw him, but that man with a depressed aura had actually become so thin.

he stood in front of lan yu's hospital bed, but in his heart, he was thinking that his little fool would probably cry into tears when she saw lan yu like this.

The more she thought about it, the more frustrated she felt and she wanted to smoke.

He walked to the sofa and sat down. He lit a cigarette and said to the person behind him, "all of you can leave!"

Gu ze looked at the director, and the director's mind was all on whether to let Lan Yu live, so he refused to leave.

"do you still want to be the director?" gu ze's voice deepened.

these words were a little heavy. the dean felt a little aggrieved. he only wanted to work for chairman ye!

But since Vice President Gu had said so, he didn't dare to stay.

After the door closed, ye mu Yun looked at Lan Yu and said in a deep voice, "I should say congratulations!"

lan yu had just woken up, and his body was still extremely weak. his gaze landed on his face very indifferently, and after a long while, he spoke in a hoarse and unclear voice, "you must be very disappointed, qianqian?"

"i won't!" Ye Muyun's voice was very calm. "I just happen to have something to ask you."

lan yu tilted his head, his thin face carrying a trace of pain. at this moment, his entire body was in pain.

Then, he closed his eyes slightly, shrieked, and made a cracking sound.

as for ye mu yun, he was still waiting quietly and very patiently.

“Can you give my Yingluo some water?” Lan Yu finally spoke.

Ye mu Yun’s eyes were deep and unfathomable.

Chapter 2359: Lan Yu awakens (2)

after a long time, lan yu finally spoke in a low voice. ” after i’m done asking, will you kill me? ”

Ye mu Yun didn’t reply immediately. He got up and poured a glass of water for Lan Yu. He placed it on the side of his bed and said in a calm voice, ” “if you want to drink, sit up.”

Lan Yu’s lips were extremely dry and had started to peel. In the days that he was unconscious, he had been relying on the drip to maintain his life. However, this could only maintain his life.

his human instinct made him want to drink a mouthful of water.

Hence, she struggled and tried her best to sit up. She struggled and supported herself.

Ye mu Yun just looked on coldly and didn’t help him.

After five minutes, Lan Yu finally struggled to sit up, panting heavily.

he also roughly understood why he was able to wake up. this gentle-looking man had a will that was not weaker than his.

” lan yu, graduated from the economics department of stanford university, but changed his course to oil painting for some unknown reason. ” ye mu yun said indifferently as he looked at lan yu with a burning gaze.

lan yu’s slightly withered fingers were holding the cup, carefully and eagerly sipping it. when he heard ye mu yun’s words, his fingers trembled. then, he looked up at him with shock in his eyes.

He looked extremely down and out, but ye mu Yun didn’t dare to underestimate him.

he squinted his eyes and asked, ” lan yu, is the reason lan ting? ”

lan yu’s hand that was holding the cup started to tremble and the water in the cup spilled out.

He looked at ye Muyun, his dry lips trembling. After a long time, he said in a hoarse voice, ” “how did you know?”

” you didn’t leave anything behind, but your secretary, who is your woman, left a diary. ” “she doesn’t mean anything to you?” ye muyun asked.

he was the one who killed his secretary first. lan ting was so agitated that she did such an irrational thing.

in the end, it was lan yu’s love for xue ‘er that had caused today’s events.

otherwise, he would not have found out so quickly.

Ye Muyun’s expression was very calm. Lan Yu, Lan Ting is dead!

lan yu’s gaze froze. he looked at the cup of water in his hand that he had been craving for. there was only half a cup left.

he looked at it for a long time before he raised his head and carefully took a sip with trembling hands.

It was like the water in a cup was the most precious thing in the world.

perhaps, after today, he, lan yu, would never have the chance to drink it again.

After drinking half a cup of water, he had regained some strength and his mind was much clearer, but he could only speak, not compete with the cold and Noble man in front of him.

lan yu raised his eyes and looked at ye muyun. his voice was very calm but tense. ” now, she’s yours again, right? ”

There was a hint of mockery in his tone.

ye mu yun smiled indifferently and looked at lan yu, ” “what do you think?”

Lan Yu remained silent and closed his eyes.

I’ve done a DNA test, ” ye Muyun said softly. I’m very curious. Why is Qianqian my child when Yishu was five years old? ”

Lan Yu’s eyes were filled with shock and astonishment as he stared at ye mu Yun.

Ye Muyun pursed his thin lips. do you know why I didn’t kill you now? ”

Lan Yu’s body fell backward and he squinted his eyes at the man in front of him.

he did not say a word.

Ye mu Yun continued in a low voice, ”Because you like it!”

lan yu’s gaze was even more shocked, and his voice trembled, ” “How did your Yueyue know?”

Chapter 2360: Lan Yu awakens (3)

Ye mu Yun looked at him indifferently. I guessed!

because between Lan Ting and Xue 'er, you chose to let Xue' er live. Ye mu Yun smiled. Lan Yu, you persevered for so many years and played such a big game of chess. In the end, you were destroyed by your own heart's demon.

lan yu's face was ashen.

Ye Muyun's voice continued to ring out, " you fell in love with her, so you gave up on her.

the cup in lan yu's hand fell to the ground and shattered into pieces.

ye muyun opened the door and walked towards the door. he said lightly, " "lan yu, take care."

lan yu was a person who lived in the dark and was destined to be a tragedy.

When he placed his hand on the doorknob, Lan Yu's voice trembled, filled with endless desolation and humbleness, " "Will you let her see me?"

There was also Yi Shu!

To Lan Yu, he was his child.

Ye Muyun lowered his eyes and said in a low voice after a long time,"I will! because you are a part of her life."

And he had to slowly learn to respect.

She was no longer a little girl under the age of 18. She was a woman, a woman with thoughts.

At this moment, ye mu Yun felt that letting go wasn't a difficult thing.

If he wanted her, he had to let go of Hanhan because he firmly believed that she only had him in her heart.

whether a woman loved a man or not, the body was the most honest.

After he finished speaking, Lan Yu's face turned ashen.

if ye mu yun was bluffing before, then now he could be sure that he had really lost xue 'er.

Xue 'er would never be his again.

The door closed. In the cold and empty Ward, Lan Yu's smile was pale and bitter.

He couldn't help but think that after so many years and so many opportunities, if ... If he had loved her a little earlier, would the ending have been different?

it turned out that love or not, it all depended on heaven's will.

ye muyun walked out. gu ze and the director were both standing outside.

he paused for a moment, his eyes quietly falling on the headmaster's face, and slowly said, "treat mr. lan well."

The Dean was stunned for a moment. Did President ye change his personality?

Why did he suddenly become so generous?

however, no one dared to disobey chairman ye's words. the director agreed repeatedly, "we will use the best medicine to treat mr. lan. "

ye mu yun glanced at him and said,"contact the lan family and tell them about the situation."

the dean was about to cry. he was so touched that their boss ye was like an angel now!

Isn't he too kind?

Ye Muyun didn't have the time to watch the director's antics and quickly walked into the elevator. Gu ze looked at the director and smiled, then left as well.

in the elevator, ye muyun's voice was a little tired. " "gu ze, i don't know if this is right or wrong!"

"boss ye, are you not confident? This doesn't look like it!" Gu ze smiled. or do you think that after we let the Tiger go back to the mountain, Lan Yu will still make a move? "

"i'm not afraid of that!" Ye mu Yun looked at himself in the mirror and slowly said, " "the main thing is, yingluo, do you think xue 'er's heart will ache when she sees lan yu like this?"

The thought of his woman seeing another man cry so sadly made his heart burn with rage.

gu ze smiled and hung up. the director called again.

He held his phone and looked at ye mu Yun. "This Dean Hao is getting more and more useless. He keeps calling me over such a small matter."

Ye mu Yun looked at him. he's probably afraid of standing on the wrong side, that's all.
