

## Thank you 2361

Chapter 2361: You can, beg me (1)

Before Gu ze picked up the phone, he laughed. you can't even figure out this. You're really useless.

Ye Muyun didn't say anything and just watched him pick up the phone.

gu ze only hummed a few times. it was all the other side talking.

After he hung up the phone, he sighed and said,"the hospital contacted Lan Yu's parents just now, and they strongly requested to be transferred to another hospital, Hanhan."

He paused for a moment and then said with a smile, " they're probably afraid that you'll murder their son.

Ye Muyun's thin lips pursed. let them be!

Gu ze continued,"but Lan Yu rejected him. He insisted on staying at Sheng Yuan hospital!"

As for the reason, it didn't need to be said. Everyone knew.

ye muyun looked at gu ze and smiled, not saying anything.

He closed his eyes for a long time before he muttered,"Let's go back to the villa!"

Gu ze smiled. He knew that he was not in the mood to work, so he ordered the driver to turn the car around and send Chairman ye home first.

An hour later, the car stopped in front of the villa. Ye Muyun didn't get out immediately.

He closed his eyes and thought for a moment.

The driver was already waiting outside the car. Ye Muyun didn't move, so he didn't dare to disturb her and just waited quietly.

a moment later, ye mu yun pursed his lips and got out of the car.

gu ze got out of the car and called out to him.

ye mu yun turned his body and looked at him.

Gu ze put one hand on the roof of the car and smiled. "When have you ever been so uncertain?"

Ye mu Yun paused for a moment and smiled. I probably don't believe that I'm so kind.

gu ze's smile deepened as he watched him slowly walk into the villa.

Ye Muyun slowly walked in. The servants in the house looked at him with surprise."mister?"

"Where's miss and Little Miss?" ye muyun took off his coat and casually threw it on the sofa. he sat down and asked in a slightly hoarse voice.

The servant quietly packed his coat and hung it up for him before saying softly, "He's sunbathing in the sunroom on the roof."

Ye Muyun felt that this matter was somewhat in line with her stupid image. She sat down for a while and got up to go upstairs. As she walked, she instructed,"Send a pot of flower tea and some snacks."

"the young miss has already eaten," the servant replied instinctively.

Ye Muyun continued to walk upstairs and didn't turn back. He only raised his hand to unbutton the top two buttons of his shirt and said in a low voice, " then I'll give you another set.

The servant was a little puzzled. Master was usually very strict with Little Miss and usually did not allow her to eat too much sweet food. What was going on today? it was not master's style to indulge her!

However, the servants didn't care about disobeying ye mu Yun and immediately went to the small kitchen to prepare.

Ye mu Yun walked up the stairs. On the wall of the top floor, there was a mirror.

He paused for a moment and looked at his own face. The corners of his mouth curled up slightly.

gu ze was right. when had he not been confident, especially towards his little fool?

at most, there was now another idiot.

The best way to treat a little fool was to praise her for being smart.

ye muyun walked up to the sunroom on the top floor. in the red and green light, he saw two little fellows lying on a small blanket in the middle.

One was fair and thin, while the other was fat. They were actually wearing swimsuits in the early winter.

xue 'er was fine, her one-piece swimsuit showed off her good figure, white and thin, just looking at it would make people's blood boil, but what was wrong with little yi shu?

Chapter 2362: you can, beg me (2)

The little girl's chubby little body only had a small swimming trunks on. It was fine now, but when she grew up, would she also wear this to go swimming and bask in the sun?

moreover, the two little fellows had fallen asleep. ye mu yun walked over and knelt down beside xue 'er. he reached out and picked up one of her ears, his voice low and hoarse."it's such a cold day and you're dressed like this, huh?"

Xue 'er was jolted awake. The moment she opened her eyes, she saw his handsome face. His entire body was leaning over as if he wanted to kiss her. She quickly used her little hand to hold his handsome face, and her voice was very low. little Yi Shu is still here!

his voice was hoarse, and he chuckled. ” you make it sound like i’m your stepfather. ”

he placed his warm palm on her stomach, feeling a little excited.

Yi Shu was their child, but she was not born from her small body. As for how she was born, he thought that she was probably a surrogate.

However, Lan Yu had spent a lot of energy and money to save little Yi Shu’s life. Although there were some elements of conspiracy, he still had to thank that man.

Ye Muyun’s voice was a little hoarse. what if the servants come up and see you lying here dressed like this? ”

she placed her small hand on his shoulder, afraid that he would do something rash.

her little face was also red as she pursed her lips and said in a low voice, ” ” the male employees in the family won’t come up here like you. they won’t be as perverted as you. ”

His eyes were full of smiles. When a 28-year-old man was at his most attractive, there were already fine lines at the corners of his eyes, but he had a bit more maturity that could charm people.

“it seems that if i don’t do something, i won’t be able to live up to your opinion of me.” his thin lips were next to her ear, and he spoke in a low and hoarse voice, deliberately teasing her.

xue ‘er’s fair and slender palm landed on his shoulder. when she heard him speak, she suddenly tightened her grip, her nails scratching the expensive material of his clothes, leaving a scratch on it. then, she hugged his neck tightly and shamelessly said, ” “It’s daytime now.”

“What’s wrong with the day, baby?” He held her in his arms and moved his hot face closer to her. He found her small lips and kissed them for a long time.

She didn't dare to move and could only let him kiss her obediently. It was a pity that she only had a thin swimsuit on her body, and it was stuck to him. She felt the heat of his body and was a little scared.

ever since they had sex that night, she had avoided him and they had never had sex again.

Was he trying to collect interest now?

Xue 'er bit her lip and looked at him pitifully. She regretted wearing this.

his gaze seemed to want to strip her of her clothes.

she was so scared that she pressed her face against his neck and said in a low voice, " "Little Yi Shu is still here, don't mess around."

ye muyun's eyes narrowed and he kept staring at her eyes. he chuckled."how did you know i was going to mess around, huh?"

After he finished speaking, he reached out and hugged her in his arms. His voice was hoarse."lower your voice later, okay?"

She bit her lip and looked up at the bright sunlight. Then, she looked at the sleeping little pig hunter and was furious. ye mu Yun, you're shameless!

ye muyun chuckled and kissed her little mouth. he said in a muffled voice,"You just found out? Hmm?"

It was probably because she knew that little Yi Shu was their child and because she knew that she and Lan Yu were a fake couple, so she calmly accepted ye Muyun's urging for him to kiss her. She was a little shy, but she liked it. She even took the initiative to put her arms around his neck and offered her red lips to him to kiss.

as they kissed, the tone changed, and the breath he exhaled became hotter and hotter, almost burning her.

Xue 'er also felt his eagerness. Her small hands wrapped around his neck as she said softly, "Let's go back to the room, okay?"

"I'm worried about Hanhan with Yishu here," he murmured in a low voice.

she was furious and hit him with her small hand. "Ye Mu Yun, you bastard!"

was he going to do such a shameful thing in front of little Yi Shu?

she glared at him, but that little look was just a bluff.

Ye Muyun looked at the chubby little guy and continued to kiss the little person in his arms. His voice was extremely hoarse. Yishu Wanwan, I think it's necessary to give her an X education and correct her wrong perception.

Xue 'er almost exploded as she glared at him, "You're shameless."

"I only want you!" His thin lips kissed her delicate neck and smiled.

then he began to torture her. xue 'er was covered in sweat, but in the end, she bit her lip and hugged him.

He got his wish.

the servant who was delivering the desserts downstairs had just pushed open the door to the top floor when he heard the faint sound of crying. the servant was experienced and understood after thinking about it carefully. his old face turned red and he left.

sir is really impetuous. the little miss is still here, and he can't wait?

the door closed again. in the warm sunroom, xue 'er was covered in sweat as she snuggled in his arms, crying softly.

However, the more she cried, the more he found it interesting and tortured her even more.

after that, she had no choice but to hug his neck and call him brother. she complimented him and begged for mercy. at this time, she said whatever he liked to hear, and she no longer cared about shame.

she thought that he would let her go, but she had clearly underestimated the evil nature of men!

Ye mu Yun enjoyed it very much, but he still didn't let her go. He used all kinds of methods to torture her until she was better off dead.

When everything had calmed down, he lay down and took off his shirt to wrap her body in the sun.

Xue 'er turned her face to the side in anger and bit his shoulder. bad guy!

ye muyun chuckled and looked at her with his clear eyes. he couldn't help but lean over to kiss her little mouth. his voice was extremely hoarse. "not bad, can it make you feel comfortable?"

xue 'er couldn't hear what he said. she covered her ears and shrank into his arms, saying in a small voice, "Shameless!"

He laughed and realized that she had nothing else to say other than "shameless and a bastard.

He was really a child!

he laughed joyfully, and then, as if he had thought of something, his smile faded.

the little girl was still in his arms. she said in a low voice, "Big brother, can I still go to see Lan Yu every day?"

she was uneasy because she was afraid that he would be angry.

Their past was a complete blank, but she liked him, liked him again.

she didn't want to change, because liking someone was just a feeling.

although she didn't really remember, she remembered that when she was with lan yu, yingluo didn't really want to sleep with him.

and when he saw ye muyun, it seemed like wanwan wanted to be with him every day and sleep with him.

just like just now!

Just thinking about it made Xue 'er feel a little ashamed. She bit her lip and looked at him with tears in her eyes.

how could he not know what she was thinking?

hence, he teased her in a low and hoarse voice, " good girl. do you like it? "

xue 'er looked at him eagerly, and his voice became deeper, " "Do you like to make love with me?"

Chapter 2364: she has regained her memory (1)

She looked at him and stammered a little, unable to say anything for a long time.

The expression on his face was like that of a weak animal.

he kept looking at her and sighed. " how should i pamper you? "

Xue 'er suddenly hugged his waist, her voice a little adorkable, " "Big brother. i don't think i'm doing well."

mm. he looked down at her with a gentle expression.

He patted her shoulder with his large palm and the corners of his mouth curved up slightly. "why would i?"

"it's true!" She rested her face on his shoulder and said in a low voice, " Lan Yu is still in a vegetative state. I feel very happy and uneasy.

he looked at her quietly for a while and suddenly said, " lan yu has woken up. "

"what?" xue 'er sat up in his arms, her face full of shock.

ye mu yun's eyes were light. " yes, he's awake. "

She thought about it, but she was worried about him, so her eyes glistened with tears and she looked pitiful.

she was just sitting there, wearing his white shirt that hung loosely on her body. her black and bright hair fell straight on her shoulders, and she looked weak and beautiful.

He knew what she was thinking, but he deliberately ignored her. He looked at her and smiled faintly."what's wrong?"

Xue 'er bit her lip and gently shook his arm. brother, I want to see him.

"You've just slept with me and you want to see another man, huh?" He put on the attitude of a superior.

Xue 'er's little mouth was slightly pursed, and she simply didn't know what to say. Then, the tears in her eyes became more watery, but she didn't want him to see it, so she lowered her eyes and her little head.

Ye Muyun looked at her like this and felt both angry and amused. However, his heart was soft and indescribably soft.

He reached out and ruffled her long hair. His voice was very low. do you want to see him very much? ”

She grunted and looked up at him, shaking his arm like a little girl. brother, I’m begging you.

ye muyun’s eyes narrowed. then, he placed his thin lips on her ear and naughtily taught her, ” baby, try begging me. ”

beg?

Her eyes were filled with tears as she looked at him, not understanding why he said that.

Would begging him be enough?

the adorkable little guy pursed his lips and knelt beside him, begging him in a low voice.

Ye Muyun raised his brows and half propped himself up. He stared at her little face with a burning gaze and then chuckled.”is this how you beg others, huh?”

his fingers gently caressed her red lips, hinting at something.

Although Xue ‘er didn’t understand, she looked at him as if she was going to eat him up!

Man-eating Pixiu

she could vaguely feel something breaking out of the ground, and then, it seemed to be reversed.

the ten year old ye mu yun,

The seven year old ye mu Yun,

the way they looked at her was like a custard bun, as if they wanted to eat her up.

be careful, don't get eaten!

It was as if there was a string in her mind that was pulled suddenly, and then everything became clear.

Xue 'er's expression was a little dazed, and she kept looking at him, her gaze a little straight.

In a flash, she remembered everything, including the parting and hurt Yingluo.

She looked at the magnified handsome face in front of her in a daze. At this time, he was bullying her. She had been used to bullying him since she was young.

if she didn't guess wrong, he was currently thinking of some shameless activity.

he wanted her to beg with her little mouth, right, yingluo?

Chapter 2365: she has regained her memories (2)

Xue 'er's eyes were dazed. Ye Muyun's fingers moved down and pinched her chin, teasing her softly, "little cutie, little goody!"

xue 'er turned her little face away, somewhat refusing ...

he's really a pervert!

when did he have such a bad taste?

her eyes were empty so that he wouldn't realize that she had recovered her memory. she still had a silly and cute look.

the man who was addicted to sex raised his eyebrows and pulled her into his arms. his thin lips were close to her little ear as he taught her naughtily, his voice hot and hoarse. "You can't ask a man for help like this."

xue 'er looked up at him, her eyes filled with tears. "i didn't ask you to do anything! "

"You still haven't asked? hmm?" His voice became even warmer. you want to see another man. Isn't that asking me to do something? "

She was about to cry in his arms, and her voice was soft and small. then I beg you.

his eyes were clear and deep, with the expression of an adult man about to do bad things. she could understand it.

moreover, she had already recalled everything.

"Think about how you can beg me, hmm?" he gently bit her little ear.

xue 'er's eyes were a little misty as she blinked and looked at him.

after a while, she bit her lip and said in a low voice, " then, is this okay? "

she reached out to hug him, gently kissed his chin, and slowly moved down.

His voice was hoarse. Xue 'er, go a little lower!

"Like this? brother yingluo is still the same?" she asked adorably, but her actions were not stupid at all. it almost drove him crazy.

ye muyun gritted his teeth. " it's already very good, be good! "

she was like a small animal, burying her little face and doing all kinds of shameful things to him. however, she still looked very, very scared. it was simply taking his life.

in the end, she cried and said she didn't know how to call him brother.

He had taught her a few times but she still couldn't do it. She only knew how to lie on her stomach, her small body trembling like a helpless little beast.

he had no choice but to carry her and slowly press her in his arms. he bit her little mouth and murmured in a hot voice, "you're so stupid, what should i do?"

The little one in his arms did not say anything. She just buried herself in his arms and endured his ruthless whipping.

He didn't let her go until night fell. He also reached out to bring the sleeping little Yi Shu back to the master bedroom.

Under the warm yellow light, the family of three laid down together. It was a heartwarming sight.

ye mu yun looked at the little pig lying on the side and couldn't help but smile."you can really sleep! Just like you when you were young."

and the little pig that looked the same was still panting, his whole body still lingering in the air.

after a long while, she calmed down and turned her small face to look at him. her voice was also very soft. "when can i go and see lan yu?"

Ye mu Yun's fingers gently rubbed her little face and smiled. the LAN family is in the hospital now. Are you sure you want to go see them?"

xue 'er glared at him!

she had been tricked!

he was clearly doing it on purpose!

Yingluo and Lan Yu were a fake couple, and Lan Yu became like this because of her. There was also Lan Ting.

that's right, lan ting is dead!

Little Yi Shu was not even a child of the LAN family. With all these added together, how could she go to the hospital?

Xue 'er felt that she had fallen into his trap, so she turned her face away and ignored him.

Ye mu Yun chuckled and hugged her from behind. are you angry? “

Chapter 2366: She has regained her memories (3)

She still didn't talk to her and carried her little body.

Ye Muyun chuckled, he's still so cute even when he's angry!

he hugged her tightly and coaxed her in a low and hoarse voice. ” then, why don't you beg me again, huh? ”

Xue 'er suddenly turned around and glared at him!

He still had the cheek to say that he was begging. Just now, she had used her hands and mouth, but he was playing tricks on her.

“You scoundrel!” she wasn't good at scolding people, so she could only squeeze out these two words. then, she angrily lifted the quilt and got out of bed, walking towards the door.

Ye Muyun laughed in a low voice and also quietly got off the bed and followed her into her bedroom.

she slammed the bathroom door shut. ” i want to take a shower. get out! ”

He laughed in spite of himself. She had quite a temper!

However, he still walked over quietly and opened the bathroom door.

xue ‘er was taking a shower, and the bathroom was stained with a mist, making her body look very beautiful.

She turned her head to look at him, her expression a little dazed. Then, she threw a bar of soap over. go away!

her voice was coy and soft. rather than being angry, it was more like she was acting coquettishly.

Ye Muyun laughed in a low voice and quickly walked over to hug her from behind. He kissed her delicate little face and neck. beg a few more times and maybe I’ll agree, hmm? ”

“i don’t want to.” She said angrily and weakly.

but how could she resist his seduction?

10,000 words were omitted!

When he was completely satisfied, he carried her out of the bathroom. Xue ‘er nestled in his arms and said in a low and hoarse voice, ” “i must see him today!”

he patted her on the butt and glanced at her. ” “Just because of these words, I want to press you down a few more times!”

So she was doing it with him just to see Lan Yu? What kind of logic was this?

Xue 'er cried out in pain as he carried her in his arms. She kicked and bit him, as fierce as a wild animal. He hit her a few times with all his strength, causing her to be in pain and become obedient.

xue 'er was crying and throwing a tantrum in his arms. he could not bear to be cruel anymore. after lying down together, he kissed her. "i'll arrange for you to meet him tomorrow afternoon, okay?"

she looked at him eagerly, her eyes clear and bright, with a touch of suspicion.

"I'm so untrustworthy, huh?" he reached out and pinched her little nose.

xue 'er looked at him. she looked at his handsome face, which was even colder and more noble than before.

her gaze was distant, as if she had not seen him for a long time.

suddenly, she reached out and hugged him, burying her face in his waist and calling out softly, "Big brother."

At that moment, she was very afraid that she had almost lost him.

she didn't dare to think about what would have happened if she had been killed by lan ting. would she have never seen her brother again?

She was not thinking of anyone else, but him.

because he was her only regret in this world.

she closed her eyes for a long time, taking in the warmth of his body.

In her heart, she said that she missed him and loved him, but she was still unwilling to tell him that she remembered.

it was probably a prank by yingluo!

his heart instantly softened when she acted like this. he reached out to stroke her little head.

Under the warm yellow light, it was a scene of warmth, quiet, and beautiful.

a moment later, she raised her head and blushed. ” “big brother yingluo”

he hummed in acknowledgment and looked at her intently.

His face was really handsome!

Xue ‘er bit her lip and leaned close to his ear. should I beg you again? ”

ye mu yun looked at his little fellow and almost laughed out loud. he suppressed his voice and said,  
” “baby, are you asking for sex?

Hmm?”

Chapter 2367: she has regained her memories (4)

xue ‘er’s little face was extremely red, but she still looked at him with determination.

he too, had a burning gaze, so deep that it seemed like there was a flame dancing in the depths of his eyes.

she suddenly felt that her lips were a little dry, so she licked her lips. however, she did not know how tempting this action was. ye muyun reached out and pulled her into his arms. his voice was low and hoarse. ” you don’t need to beg wanwan. why do you need to beg? ” hmm?”

his handsome face was getting closer and closer, and finally, he slowly kissed her.

Once again, the water and dew blended together, and the soul and body became one.

when it was over, xue 'er was so tired that she had fallen asleep, while he was so full of energy that he was about to get up when he saw a small person standing at the door.

she was still wearing only her swimming trunks. although yingying was a little unsightly because she was a little girl, she was still very adorable.

At least, that was what ye mu Yun felt.

he stared at the little guy's naked body and waved at her. "come here."

The Pigman stared into his eyes and snorted. ye Sansan, you're bullying mom again!

"do you know how you were born?" ye mu yun sneered.

The little piggy climbed into his arms and stuffed Bing Bing's little feet and hands into his arms to keep warm. Even CEO ye, who was in his Prime, shrank back a little.

then, the little guy said with a smile, "ye sansan, did you know?"

ye muyun pulled the little fellow out of her arms, but the little piggy refused. it was like a magnet, firmly attached to ye sansan's body.

"I'll count to three and tell me where you're from." ye mu yun's voice was a bit.

"one!"

The little pig cried out in pain, but it was still stuck to him, even more firmly than a magnet!

"two," Ye mu Yun counted without any mercy.

the little guy's eyes were glistening with tears as he hugged her even tighter. her tiny feet, fat legs, and her naked body were a scene that no one else could imagine.

Moreover, that little fellow was staring at him with a pair of adorable eyes. He was certain that he would not bear to do so!

You can't bear to? If he really couldn't bear to part with her, he wouldn't be her father!

Ye mu Yun stared at the little person and his face darkened. one!

after he was done counting, he took the little person from his arms and walked towards the door with one hand.

The little thing was crying out in the cold. She tried to climb up into his arms with her small hands and feet, but ye Sansan was ruthless and carried her outside.

LAN er 'er cried out pitifully,"Uncle, you're bullying me."

"you're still calling me uncle?" Ye mu Yun stared at her tear-streaked face. It was as if he could see Xue 'er when she was a little custard.

his heart softened, and he reached out to take the little fellow into his arms, allowing her small hands and feet to warm up in his arms.

however, he still carried lan er 'er to her room and walked into the bathroom.

lan er 'er looked at him warily and immediately covered his chest."Don't peek!"

He still said it in a serious tone.

ye mu yun looked at her. " you're only wearing swimming trunks and you don't want me to peek? "

He was now seriously suspecting how Lan Yu and Tang Xue 'er managed to raise LAN Yishu, who was a middle school kid!

LAN er 'er jumped into the empty bathtub and looked up with his big, adorable eyes. then, can you fill the tub with water? "

Chapter 2368: she has regained her memories (5)

ye muyun chuckled. he filled the tub with water and gave the little fellow a comfortable bath. then, he put on the towel pajamas. it was a blue elephant style and very cute.

He carried her in his arms and went downstairs to have dinner with the little one. LAN er 'er looked upstairs and coughed lightly. He asked softly, "where's mom?"

ye mu yun smiled slightly, "mom is a little tired." i need to rest."

lan er 'er looked at him with tears in his eyes. he was going to have the courage to not eat, but he had not eaten since the afternoon and was already starving to death!

She looked at him helplessly, but in the end, she still picked up her spoon and ate without any backbone. She looked at bad uncle as she ate.

ye mu yun sat beside the little fellow and reached out to ruffle her hair. his voice was low. " do you know where you came from now? "

"Uncle ye's stomach!" the little guy's eyes were teary as he admitted it with extreme reluctance and shame.

Ye mu Yun's face froze!

then, he unwillingly admitted that lan er 'er did not inherit much of his perfect genes. she was almost a replica of xue' er.

however, he did not expect that lan er 'er would be so handsome when he grew up.

Ye Muyun sighed and reached out to touch the little guy's short fur. He said in a low voice, Yishu, you're my child with your mother. You only need to remember this, okay? "

little yi shu didn't say anything, it was obvious that she was still unwilling.

Ye Muyun couldn't do anything about him being like this for the time being. He smiled and thought that the future was long.

Xue 'er accompanied the little fellow for the entire night. At around 10 O' clock, she came down to look for food. She was probably really hungry.

Ye Muyun sat on the sofa and didn't move. He calmly ordered the servants at home to make a new set for her.

Xue 'er was eating in the dining room while ye mu Yun was reading on the sofa. Beside him was little Yi Shu lying on his lap, a comic book in her hand.

The little guy was probably so tired that he fell asleep. His small body was sprawled on ye mu Yun's body and his chubby little hands were on his waist. He looked like he was sleeping very soundly!

xue 'er's eyes were a little hot as she watched.

Even though Yishu was his child, she knew that he doted on her.

she ate quietly and would secretly look at him after a while.

there was a faint gentleness on his handsome face. he did not say a word and only looked down at the little fellow.

Xue 'er suddenly felt that he was already very much like a father, and quickly entered this role.

As for her, it seemed that she had not been able to come in quickly. She was silent and buried her head in eating.

after they finished eating, ye mu yun called out to her, "Come over and help me get the book!"

she looked up and then said, ” oh. ”

ye muyun reached out and took the comic from the little guy’s hands and handed it to xue ‘er. he carefully carried little yi shu and walked upstairs.

he held her carefully, the gentleness between his brows could not be hidden, and it was deep and charming under the light.

She followed behind him, and when they were halfway to the center, he seemed to have deliberately waited for her.

Xue ‘er paused, then looked at him and said slowly, ” “you seem to love her a lot.”

Ye mu Yun chuckled and looked at her. “you’re even jealous of a child, huh?”

she didn’t make a sound, lowered her head, and quickly walked to little yi shu’s room. she put the book on the little guy’s bed because the little guy would get angry if he didn’t see his book in the morning.

Chapter 2369: She has regained her memory (6)

Ye Muyun kept smiling and carried the little guy to the bedroom and covered him with a blanket.

She straightened her body and looked at him quietly for a long time, as if she doted on him very much.

Xue ‘er looked at him with a helpless expression.

finally, he turned his gaze over and gave her a look of pity.

His slender fingers held her fingertips. go back to the bedroom!

She retracted her little hand and said in a somewhat bullying manner, ” “that ... i’m just full.”

ye mu yun laughed. ” what did you think i was going to do, huh? ”

She lowered her little face.

after a moment, he smiled and reached out to pull her into his arms. he half-carried her out and said in a deep voice, ” “although i really want to do it, yingluo, you might not be able to take it.”

She blushed and struggled.”you’re the one who can’t take it!”

as soon as she finished speaking, she wanted to bite off her tongue. these words had too much room for imagination.

Ye Muyun’s eyes were very clear. He looked at her and said slowly, ” maybe we can use other methods!

Xue ‘er glared at him-shameless!

he smiled, opened the door, and brought her back to his bedroom. then, he pressed her against the door and kissed her.

The kiss was gentle and careful, without the urgency of a lover, but with a touch of warmth, as if they had been husband and wife for a long time.

xue ‘er’s body was propped up by him against the door, helplessly and indulgently accepting his kiss.

He would occasionally stop and whisper to her, ” “I can’t take it, huh?”

his voice was really hoarse, and she couldn’t take it. she shook her head desperately and looked at him with watery eyes.

ye muyun chuckled and kissed her delicate little chin as he continued to coax her. “you’re jealous of a child, yingluo. i gave it to you, can i give it to someone else?”

after he finished speaking, he shamelessly gave her something different.

He wasn’t really doing that. He was just teasing her and watching her break down.

Xue ‘er lowered her head and looked at his black head after he squatted down. She suddenly reached out and grabbed his hair, her voice extremely fragile.”Don’t whine.”

he chuckled and stopped. he got up and kissed her little mouth, his voice unclear.”then tell me, what do you want?”

She bit his chin angrily and regretted it immediately, but he wasn’t angry. Instead, he smiled and picked her up.”be good and draw me a sketch.”

She looked at him in surprise.

Ye Muyun smiled. He walked to the bedside and opened the drawer to take out a few books. When he looked up at her again, his expression was a little indifferent but full of love.

he walked towards her and led her to the sofa to sit down. of course, she was sitting on his lap.

She was still not used to this kind of intimacy. It had been too long since then.

she sat on her side, holding the sketchbooks he had given her. she flipped through them one by one, and every one of them was of him!

those lines, his handsome face, were familiar yet strange. they were him of every age.

he was handsome and cold at every age.

Xue ‘er’s eyes were lowered and had a hint of gentleness. He looked at her deeply.

“Big brother, you’ve never laughed before, have you?” Suddenly, she looked up and asked in a low voice.

Ye Muyun chuckled. of course, Wanwan would smile when she’s facing you.

xue ‘er was stunned and stared at him, not knowing how to respond.

after a while, she lowered her head and looked through it again before carefully saying, ” “Look, they’re all not smiling.”

After a while, she lowered her head and looked through it again before carefully saying, ” “look, they’re all not smiling.”

“You want to see me smile?” his voice suddenly became extremely hoarse. ” you can beg me. ”

xue ‘er was about to explode as she glared at him, ” “can you stop asking for it all day long?”

It was as if he was extremely dissatisfied.

Miraculously, as if he could read minds, he chuckled. ” i’m not satisfied yet. do you want to try again? ”

xue ‘er didn’t even dare to raise her eyes as she grumbled softly, ” “Lecherous eyes!”

he smiled and looked at her while she looked at the sketches.

after a while, he suddenly said,”actually, you remember, don’t you?”

She looked up at him, her eyes filled with shock.

he didn’t avoid her gaze and kept smiling.

“how did you know?” she asked with difficulty.

“because the way you look at me is different!” He smiled and lowered his head to kiss her lips. welcome back, Xinxin.

he called her by her nickname, and tears welled up in xue ‘er’s eyes. her lips trembled, but she could not say a word.

he had been looking at her with tolerance, just like how he had done since they were young.

She was in his arms, and he could touch her. As long as she wanted to, she could have him again.

Perhaps she was still angry with him before the car accident. Although she liked him, what happened eight years ago was still a blow to her.

But now, she didn’t seem to care so much.

What she cared about was his existence and whether he was still by her side.

Xue ‘er smiled and wrapped her arms around his neck, calling him brother.

their eyes met, filled with the joy of reunion after a long time.

In this moment of intimacy, she suddenly asked, ” “brother, didn’t you want me to draw you?”

ye muyun looked at her and gritted his teeth. ” tang xue ‘er, do you think this is a good time to do this? ”

“then what’s appropriate?” she looked at him with a pure and innocent appearance, but there was an endless sense of seductiveness in her eyes. she was like a little vixen in his arms.

he reached out and pinched her little chin, his gaze deepening as he said word by word, ” “Make love!”

“you said i can’t take it,” she pouted.

“Let’s use another method to exchange.” his voice was hoarse. he reached out and took the sketchbook in her hand to the side. then, he carried her up and walked towards the bed. he rubbed the tip of his nose against her affectionately.”i’ll dote on you, okay?”

She wrinkled her nose and said in dissatisfaction, ” “it’ll be very painful.”

ye muyun chuckled. ” then i’ll be gentle. ”

As a result, he didn’t let her off the entire night.

When it was over, she lay in his arms and said softly, ” “You’re really too unrestrained!”

his dark eyes were still looking at her, as if he had not eaten his fill.

She lowered her head and took a bite angrily.

he smiled and said meaningfully, ” “It’s because you’ve starved me for too long.”

However, Xue ‘er thought of song keren and snorted, ” “Then you can do it with your ex-girlfriend!”

His previous girlfriend?

“but i don’t want to.” ye muyun chuckled.

song keren was not the person in his heart, so he did not want to force her.

she didn’t know how to respond to him and just stared at him.

Ye mu Yun raised his hand and turned off the lights. He sighed,”Time to sleep.”
