

## Thank you 2371

Chapter 2371: he's changed (1)

ye mu yun raised his hand and turned off the lights. he sighed, "Time to sleep."

"Are you avoiding the question because I mentioned song keren?" She waved her small fist and accidentally hit his chin in the dark.

He frowned. do you think I need to avoid you? "

" we're sleeping together again, " he said with a smile. " it doesn't seem wise to be too calculative about other things, mrs. lan, hmm? "

he was implying something, and she could no longer act as if she was in the right. she only dared to say in a low voice, " "the marriage certificate isn't real!"

Ye Muyun smiled and didn't say anything else. He just pressed his fluffy little head into his arms.

Late at night, the two long-lost Hearts finally reunited.

"brother, have you ever thought of me in these eight years?" she suddenly said.

ye muyun lowered his head. he thought she was asleep and didn't expect her to still have the energy to talk.

"Every day, every second," he said in a hoarse voice.

"Then why are you still looking for song keren as your girlfriend?" Xue 'er's little teeth bit hard on his heart. He felt a little pain, then he laughed deeply. I have to find a spare tire, right? Mrs. LAN, don't you have one too? "

xue 'er was angry. she scratched, bit, and hit her. " i dare you to call me mrs. lan again! "

She was throwing a tantrum, but he held her down with one hand. Her small body was being pressed down, and no matter how much she struggled, it was in vain.

His dark eyes were very close to her, and his voice was low. then, you should call Zhenzhen Mrs. Ye, hmm? ”

Xue ‘er’s face turned red. Fortunately, he couldn’t see it with the lights off.

Her small face was buried in his arms and she did not make a sound for a long time. He knew that she was shy.

she was already 26 and almost 27 years old. she was also the mother of a child, but she was still so easily embarrassed.

the more she was like this, the more shameless he said in her ear. he couldn’t see her blushing, but he could feel her little heart beating very fast. her little face was also frighteningly hot, so he let her go.

When she woke up in the morning, it was already a different day.

she would be by his side every day from now on.

Ye mu Yun tilted his head, looked at his beloved little girl, and kissed her.

she didn’t wake up, probably because they had too much fun last night. he kissed her, but she only frowned.

He laughed, lifted the blanket, and put on a morning coat. He went to check on little Yi Shu, but the little guy was still not awake.

When Chairman ye came back from the children’s room, he leaned against the bed. His heart was full, but he also felt a little lonely.

The people she cared about the most were all by her side, but they were all sleeping.

He went out to smoke two cigarettes before returning to the bedroom. His little one was still not awake.

He smiled, leaned on the side of the bed, and reached out to give her a Peck.

She woke up and raised her delicate hand to Pat his handsome face. no!

he grabbed her little hand, his voice low and hoarse. ” “didn’t you want to see lan yu?”

the little guy in his arms immediately opened his eyes and looked up. ” really? ”

“tang xue ‘er, if you continue to show such an infatuated expression, i promise you that you will never see him again in this lifetime!” chairman ye’s face darkened immediately.

Her little mouth suddenly opened wide as she looked at him. Then, as if she thought of something, she snuggled in his arms and acted coquettishly, ” “big brother.”

ye muyun looked at her and didn’t know what to do with her. he snorted but still pinched her little face. ” alright, get up and i’ll take you there! ”

## Chapter 2372: He’s changed (2)

Little Yi Shu was still young, so there was no need to let her know for now. When the two of them sat in ye mu Yun’s car, Xue ‘er still asked uneasily, ” “what about the lan family?”

ye muyun slowly buckled his seat belt and looked at her. ” “am i that unrepresentable?”

“You know it!” Xue ‘er was not confident.

“Know what?” ye muyun wasn’t in a good mood. ” you know that lan yu raised my daughter as his own and even raised her as a boy, huh? ”

Xue 'er lowered her head and placed her hand on the car door. She said softly, " "Then I won't go!"

Ye Muyun reached out and held her small hand. After a long time, he said in a low voice, " "Xue 'er, I'm a little jealous, do you understand?"

She widened her eyes in disbelief.

"Is it strange that I'm jealous?" he asked, raising his eyebrows.

she was still looking at him with a surprised expression.

ye mu yun smiled and reached out to ruffle her hair. " little fool. "

After that, he started the car.

Christmas was coming, and the winter in B city was especially cold. Through the front glass of the car, they could see the snow falling from the sky.

"It's snowing," the person beside him called out softly, then stretched out her hand to tease him.

so stupid!

Ye Muyun drove the car very slowly. He turned his head and looked at the silly girl beside him who was wearing a tight robe and couldn't help but smile. Is there no snow in new York? "

she turned her head, her little face full of excitement, but she said very softly, " "brother, you're not in new York!"

his gaze lingered on her face for a few more seconds before he focused on driving.

Xue 'er's heart was boiling. Was she too unreserved just now?

ye muyun kept driving until she calmed down. then, he suddenly said, ” “you’re getting better at coaxing people now.”

“I’m not coaxing you!” as expected, she was fooled and spoke in a hurry.

Ye mu Yun turned his head and looked at her smile, not saying anything else.

when xue ‘er came back to her senses, she realized that she had been tricked. however, other than blushing and her heart beating faster, she had no other choice.

the car had been driving. she rolled down the window, and small snowflakes drifted into the car.

Ye Muyun’s voice was very faint. you’ll catch a cold.

“I want to feel it.” She said in a soft voice, then turned her head and smiled sweetly at him.  
“brother, are you happy?”

how could he not be happy when his heart softened when she was like this?

he was so happy that he even sent her to see his ex-husband!

However, the anger in his heart was not worth mentioning in front of her smile. Hence, he held the steering wheel with one hand and grabbed her thin wrist with the other.

xue ‘er was stunned for a moment, then she turned around to look at him.

His hand slowly moved over to hold her small hand, and their fingers were intertwined.

her expression changed from surprise to indescribable joy. she looked out of the window and called him brother, her voice especially excited.

he did not let go of her hand.

At this moment, Lan Yu was no longer important. She had already made her choice.

The car was parked in the hospital's parking lot. Xue 'er was about to get out of the car when her hand was grabbed.

then, his warm body covered her and hugged her without her noticing.

His voice was deep. Xue 'er, I'm sorry. And thank you, Yingluo!

he was sorry for his helplessness and giving up in the past. he thanked her for her understanding and for returning to his side.

he hugged her and buried his face deep in her neck. he didn't say anything, but his weakness and helplessness were vividly displayed in front of her.

### Chapter 2373: He's changed (3)

Xue 'er pursed her lips as he hugged her. After a long while, she finally said in a low voice, "we don't have any relationship!"

"It's all in the past, brother Wanwan. It's all in the past now," she said in a low voice.

He didn't say anything and just hugged her for a full five minutes.

when he finally let go, he only said in a deep voice, "In the future, don't leave my sight."

"Tyrannical!" Her voice was soft and delicate, and it was really deadly.

ye mu yun looked at his watch and smiled."alright, it's time to go up and see blue universe."

When they got out of the car together, he naturally held her little hand and did not avoid her.

Along the way, the staff of Shengyuan hospital looked at President ye and Princess Tang.

When they reached the elevator, Xue 'er struggled and said softly, " I'd better keep a low profile!

"afraid that lan yu will be sad?" he refused to let go of her small hand and held it very tightly.

xue 'er had no choice but to silently look up at the top of the elevator. when the elevator door opened, she snorted."tyrannical!"

ye mu yun accepted all the criticism. as long as lan yu felt it was too glaring, it was all worth it.

at the door of the ward, the doctor just happened to walk out. seeing ye muyun, he gave a simple explanation of lan yu's situation, " " president ye, lan yu's situation isn't looking too good! "

"What's wrong with him?" Xue 'er was stunned for a moment and immediately asked.

ye muyun patted her small hand to comfort her. then, he looked at the doctor."what's going on?"

yesterday, when lan yu had just woken up, he saw that lan yu still looked like he was about to recover.

The doctor hesitated for a moment, probably thinking about what to say, before he said, " Mr. Lan was also injured at that time. The nerves in his leg were pressed. After a long time, there was no treatment, so it's very likely that one of his legs will never be able to stand up again.

Xue 'er's eyes were filled with shock.

She didn't want to think about the possibility that he might not be able to stand up again.

However, she was actually very clear that it might really exist.

she pursed her lips and did not make a sound for a long time, but her face was a little pale.

Even ye mu Yun was a little dazed, but he quickly regained his senses and said, form a Specialist Group. If you can't do it, invite experts from overseas for a consultation. Do your best to treat Mr. Lan Yu's leg.

the doctor was a little surprised. wasn't lan yu and their ceo ye that love rival?

if lan yu's leg was crippled, how could he fight with ceo ye for a woman? He couldn't outrun boss ye!

Therefore, this successful man, this realm, this pattern, this heart, was really big.

the doctor nodded and smiled. " yes, i understand, chairman ye. "

ye mu yun motioned for him to leave first and then turned to look at xue 'er. " are you satisfied now? "

"what if yingluo can't be cured?" xue 'er lowered her face.

He reached out and stroked her long hair, his voice hoarse. " you have to believe that lan yu relies on his talent and not his looks. just his talent alone is enough to attract countless women. "

xue 'er's eyes widened, and she turned her head away, ignoring him!

when she reached the door of the ward, she stood there for a long time before she mustered the courage to push the door open. as soon as she pushed the door open, a plate flew towards her, accompanied by lan yu's angry shout, " get lost! "

Xue 'er was stunned on the spot and forgot to Dodge. If ye Muyun didn't pull her away, her forehead would have been hit.

Chapter 2374: you pity me, hmm?(1)

Xue 'er was stunned on the spot and forgot to Dodge. If ye Muyun didn't pull her away, her forehead would have been hit.

when she regained her composure, she saw lan yu sitting on the bed in frustration and throwing a tantrum at the nurse. " "get lost, i want to be discharged!"

the two young nurses 'eyes were filled with tears, and they comforted her in a kind tone."Mr LAN, this is only temporary. Our attending doctor will find a way to treat Hanhan in the future."

"Are you trying to give me Chicken Soup for the Soul?" Lan Yu narrowed his eyes and looked at the nurse. I'll say it one last time. Get lost!

The two young nurses 'eyes were filled with tears. They rolled around, but in the end, they did not fall.

Xue 'er watched from the door and could not believe that the person in front of her was Lan Yu.

in the past, lan yu was gentle and reserved, almost never losing his temper, and had always been gentle.

The man in front of her was full of hostility and violence, like a wild beast. With his untrimmed hair, he looked like an angry lion.

She looked on quietly. Lan Yu looked up and saw her.

his angry gaze slowly sank. he kept looking at her like that. it was as calm and unfathomable as the sea.

xue 'er's lips moved slightly and she called out, " "Blue universe."

Lan Yu was still looking at her. After a long time, he laughed at himself. why did you still come to see me? "

“Shouldn’t I be here?” Xue ‘er’s voice was very soft. She turned back to look at ye mu Yun and asked with some difficulty, “can i talk to him in private for a while?”

ye muyun looked at her calmly and then nodded. ” “of course.”

The two young nurses were stunned and subconsciously reminded him, ” “Miss Tang, Mr. Lan Yu’s mood is unstable now! We’re afraid of what if ...”

lan yu’s eyes were bloodshot as he glared at the two nurses. ” “will i eat her?”

the young nurse did not say anything. she did not dare to say a word and ran out dejectedly.

Xue ‘er walked past them and then silently closed the door.

When she closed the door, she saw ye Muyun’s dazed expression.

“Stingy!” She mouthed.

he could naturally tell what she was talking about, and he didn’t know whether to laugh or cry.

this little rascal, she wanted to be alone with a man, and he couldn’t be jealous?

he shook his head as the door closed. he leaned against the door and looked at the nurse.”still not leaving?”

the two young nurses looked at president ye and sighed in their hearts. president ye was really generous.

However, they didn’t dare to stay and immediately left.

ye mu yun looked at their backs and leisurely took out a cigarette from his pocket. he indifferently lit it up and his eyes were a little deep.

In the ward, Xue 'er pursed her lips and looked at Lan Yu as she slowly walked closer.

lan yu looked at her, his expression not friendly. he snorted coldly, " you're here to see me because you pity me? "

xue 'er finally walked to his side. she lowered her eyes and her lips trembled slightly, but she did not say a word.

lan yu suddenly reached out and pushed her away. the thing in his hand also smashed towards the door. it fell on the door with a thud and then slid to the ground, making an ear-piercing shattering sound.

Ye Muyun was smoking outside the door and naturally heard the cracking sound. His body paused for a moment, then he continued to smoke as if he didn't hear it.

inside the door, xue 'er bit her lip and was shocked.

she slowly turned around and looked at the broken plates on the ground. then, she turned back to look at lan yu's face and asked softly, " "is throwing a tantrum the only strength you have left?"

Chapter 2375: you pity me, hmm?(2)

"what else?" Lan Yu's face was filled with a cold smile. what else do you think a cripple like me can do? "

He laughed mockingly. or do you think I can get the nurse to my bed? "

Xue 'er furrowed her brows. you're not that kind of person. You're not allowed to say that about yourself.

Lan Yu chuckled. miss Tang, you think too highly of me.

he paused and looked at her gloomily. then, he said, ” “i’m just that kind of person, can’t you tell?”

xue ‘er remembered ye mu yun’s words and coughed lightly.”you still have talent!”

lan yu looked at her, his eyes filled with a thick gloominess that made her tremble.

He said,”Tang Xue ‘er, do you understand me?” do you know my past? do you know how many women i’ve used and slept with on the road to success? Hmm?”

he narrowed his eyes and sneered. ” i even like my own sister yingluo. i’m a complete pervert! ”

“no, you’re not!” xue ‘er said anxiously,”you are not yingluo.”

She slowly knelt down, grabbed one of his hands, and placed it on her chest. She looked up at him seriously, at the man she had lived with for a few years.

this man had once saved her. even though she now knew that it was all a conspiracy, she couldn’t bring herself to hate him.

because after knowing what happened to hanhan, he was in more pain than she was.

“you’re not qianqian and lan yu, you have the ability to love.” she looked at her, her eyes soft.”You love me, don’t you? you’re not as hard-hearted as you think you are, and you’re not the one who can walk out of the darkness like i did in the past. Hmm?”

Lan Yu’s eyes drooped as he looked at her small face. There was no expression on his face, and she could not see what he was thinking at this moment.

He looked at her like this for a long time and suddenly smiled sinisterly.

at this time, lan yu's hair was a little messy, and his beard had not been shaved for a long time. it was very long, and his face was sunken because of his thin body. he looked very different from before, especially when he smiled like this. he looked particularly cold.

Xue 'er was a little uneasy, but she didn't escape. Instead, she held his hand tightly.

Lan Yu leaned forward and his gloomy face came close to her. His voice was even more gloomy and hoarse, " "alright, you want to save me, don't you?"

He moved closer to her little face and smiled a little strangely. He said word by word, " leave him and be with me! hmm?"

xue 'er's lips moved as she looked at him helplessly.

lan yu chuckled and said mockingly, " since you've chosen to be with him, why do you still care about me? get lost as far as you can! "

As he berated this, blue veins popped out on Lan Yu's forehead, and he looked extremely shocked.

he pushed her away, and his face returned to its previous violent look.

Xue 'er fell to the side, her lips pursed as she looked at him in a daze, her face filled with disbelief.

lan yu's body leaned towards her. one of his legs wasn't flexible, so he stuck himself to her. however, he lost his balance and fell off the bed. he fell on her and whined.

Xue 'er cried out in shock and instinctively held onto Lan Yu, not letting his leg press on her.

Lan Yu's face was squeezed onto hers, his face almost twisted, " "what, you're not willing? hmm?"

Chapter 2376: you pity me, hmm?(3)

Her face was being squeezed and it hurt. She felt that the thin layer of skin was about to be deformed. She gritted her teeth and said in a low voice, "Lan Yu, can you be more rational?"

"my wife has already run away with me," he said with a strange smile. "i still need to be rational, huh?"

Xue 'er gritted her teeth. Lan Yu, it's impossible between us.

"if it's impossible, then get lost! don't be a saint!" he said viciously, then propped up one of his legs and tried to climb back to the bed, but he was too weak. he had just lifted his body when he fell back down in a sorry state.

This time, he fell heavily to the side.

xue 'er wanted to help him up, but he grabbed her hand and threw her to the side.

he looked at her and sneered,"see that?" I don't even have the strength to crawl back to bed. Tang Xue 'er, why are you still pestering me? are you trying to make a fool out of me?"

Xue 'er knelt at the side, biting her lips. Her little face was filled with weakness, but the words she said simply angered him to death, "That's right, I'm here to see you make a fool of yourself. Not just today, but tomorrow and the day after tomorrow. From now on, I'll come every day to see Mr. Lan make a fool of himself, Yingluo."

Lan Yu's face was green with anger. He glared at her and almost roared, "get lost!"

"I'll get lost!" xue 'er pursed her lips. "also, i won't call the nurse for you. just sit on the ground!"

his face had turned dark as he glared at her. "tang xue 'er, help me to the hospital bed now."

Xue 'er took a step back and laughed softly. I'm here to see a joke. Why should I help you up? if you want to go up, you can climb up yourself. You still have one leg, right?"

lan yu's face was black as he glared at her. if looks could kill, lan yu would have already done so.

just then, the door opened.

The person who opened the door wasn't ye mu Yun, but Lan Yu's parents.

the moment the door opened, the situation in the ward shocked everyone, especially lan yu's parents. their hearts ached.

she rushed in and looked at xue 'er angrily. " he's already like this and you're still treating him like this. are you still human? "

especially mrs. lan. she wanted to slap her, but her hand was caught by ye muyun. his voice was very deep. " mrs. lan, this isn't the place for you to act so atrociously. "

mrs. lan gritted her teeth and looked up at ye muyun. " " ceo ye, i know you're very powerful in B city and you can do whatever you want with one hand, but my son has become like this to save this woman. can't i even hit him once? "

ye muyun's eyes were as deep as water,"mrs. lan forgot who hit xue 'er!" Your son has to pay the price for what your daughter has done. Isn't that fair?"

this sentence hit mrs. lan's sore spot. mrs. lan's voice was sharp and piercing. what about my Tingting? she jumped off a building for you in new York. Don't you feel anything? "

xue 'er was stunned and ye mu yun gently pulled her into his arms.

he looked at mrs. lan and chuckled, his thin lips pursed. " mrs. lan, do i have to take responsibility just because she likes me? Her jumping off the building had something to do with me? and, is she dead?"

mrs. lan's face was pale, and she couldn't say a word.

Ye Muyun continued to sneer. she died in the end because of Lan Yu's twisted love. He let her do whatever she wanted. And you guys let her do whatever she wanted.

ye mu yun paused for a moment before continuing, "don't push your own pot onto others."

mrs. lan was so angry that her entire body was shaking. she pointed at ye muyun. "you guys get lost, don't come any closer!"

Chapter 2377: you pity me, hmm?(4)

mrs. lan was so angry that her entire body was shaking. she pointed at ye muyun. "you guys get lost, don't come any closer!"

she kept saying, "lan yu, let's transfer to another hospital. we won't live here anymore. yes, they want to murder you. just like how they did to tingting. "

LAN waihu's mother knelt on the ground as she spoke. She could not even understand what she was saying, she just kept saying, "they wanted to kill you and harm you. lanyu qianqian, have you forgotten about tingting? I thought you liked Tingting the most?"

she mumbled to herself many times, and lan yu closed his eyes.

xue 'er was also stunned.

Did the LAN family know that Lan Yu liked Lan Ting?

Then, what did they mean by their kindness when she returned to B city?

Did he think she was a fool?

She bit her lip, her face a little pale.

ye muyun reached out and pressed her into his arms, not letting her hear this.

She didn't need to know about these dark things.

at this moment, lan yu used the last bit of his strength, ” “enough!”

NovGo.co

Mother LAN was stunned. She couldn't believe what her son said. Her son was helping someone else criticize her?

Her voice was a little mournful. Lan Yu, Tingting is dead. She's dead. Can you wake up? ”

lan yu just looked at her like that, his face tensed and his entire person exuded a terrifying aura. he gritted his teeth and coldly said, ” yes, she's dead, Zhenzhen, but I'm not the only one who had a ridiculous dream all these years!

it was their family's abnormal love that had brought lan ting to her current situation.

after lan yu finished speaking, mo ding's mother's face turned pale. she was unwilling to accept this reality.

Back then, they knew that Lan Yu liked Lan Ting and had always doted on her.

after lan ting jumped off the building, the doctor found out that she was mentally ill. lan yu was determined to send her for treatment, but lan yu's mother was not willing to do so. did sending her for treatment mean that the lan family had a mental illness?

This was something she could not accept.

After that, Lan Ting lived a life of drunkenness, and Lan Yu also ran off to learn painting. This family had once thought that there was no hope.

however, lan yu had brought back the beautiful tang xue 'er and little yi shu. the old couple had always thought that the heavens had been kind to the lan family and that they finally had an heir. it turned out that everything was still an ill-fated relationship.

“lan yu, how can you face your sister like this?” “You saved this woman and gave up on your sister,” Mrs. LAN burst into tears.

Xue ‘er’s body was nestled in ye mu Yun’s arms and lightly trembled.

although she had known this for a long time, she was still hurt when she was torn apart naked.

She laid in ye mu Yun’s arms and trembled like an injured little beast.

as for lan yu, he was lying on the ground in an ugly and sorry state. his eyes were fixed on her.

Looking at how clean she was, he looked at Lan Yu and smiled gently. His smile was a little sad.

He didn’t even know when he had fallen for her. If it wasn’t for the car accident, he probably would never have admitted it to himself.

xue ‘er’s eyes met with lan yu’s. he was in such a sorry state and the pain in his eyes was so clear.

The softest part of her heart seemed to have been hit.

In those five years, when she was on the verge of death, Lan Yu had reached out his hand, and he had carried Yishu. Those peaceful days, his gentleness and care for her were like a net that enveloped her, making her unable to breathe.

She struggled slightly. She thought ye Muyun wouldn’t let go of her, but he did.

Chapter 2378: the female version of li zeyan is super cool (1)

She took a few steps forward and knelt down on one knee. She used one hand to support Lan Yu’s arm and shoulder.

he was thin to begin with, and after this illness, he became even lighter. although she was weak, she could actually carry him.

Lan Yu was stunned for a moment. He looked at the little face that was so close to him and his throat tightened.”Tang Xue ‘er, what are you doing?”

“To save a bastard!” Xue ‘er gritted her teeth and glared at him.

lan yu narrowed his eyes. ” do you think you’re the savior? get back to ye mu yun’s side! ”

“Of course you’re going back, but before that, I want to see how you’re going to live a life worse than death and reattach your broken leg,” xue ‘er’s voice carried a slight hmph.

Lan Yu almost exploded. His messy hair stood on end and his thin face was filled with shock.

he just stared at xue ‘er and said in a hoarse voice, ” “do you just want to see how miserable i am?”

“right!” “you can think of it as a woman’s heart being the most vicious!” xue ‘er’s voice was relaxed.

Lan Yu raised his eyes and looked at ye Muyun. He said in a sorry state, ” “take your woman away!”

Director ye stood there elegantly, his handsome appearance forming a world of difference with Lan Yu.

Lan Yu pursed his lips and looked at the man in front of him, suddenly feeling a little dazzled.

Those dark thoughts overwhelmed him and he almost couldn’t breathe. When he woke up, he realized that it was jealousy.

Yes, he was jealous that ye Muyun could get all her love and innocence.

It would be a lie to say that he didn't regret it. That day, if he had been cruel, he would have already had her.

however, he was also glad that he did not force himself on her. otherwise, how could he stand in front of her now?

Ye Muyun chuckled. usually, I won't object to whatever she wants to do.

Lan Yu was stunned.

Then, ye mu Yun raised his hand and a few security guards appeared at the door.

"Take Mr. And Mrs. LAN away. From now on, no one is allowed to enter this VIP Ward without my permission." "Whatever she wants to do, even if it's nonsense, I'll fulfill her wish." Ye Muyun's voice was especially calm.

lan yu was completely stunned.

xue 'er was also stunned. she slowly turned her head and looked at ye mu yun!

Acting!

he was just pretending!

when did he become so generous?! It was all to anger Lan Yu.

However, she still needed his help. No matter how angry she was, she still didn't say a word.

Mrs. LAN was carried out by the security guards like a little chick. She screamed, " " let go of me, you bastards. i'm lan yu's mother. why can't i see my son? i'm going to call the police and take you lawless people away. "

"It's because Mr. Lan is not in a good state right now. It's not appropriate to visit him!" The doctor said expressionlessly.

” you bastards; ” mrs. lan shrieked; ” i’m going to sue you! you tried to murder my son! ”

“please do!” the doctor smiled and gestured for her to go ahead. he then said very softly, ” ” it will take at least half an hour for the police to get here, and this half an hour is enough for us to do a lot of things. for example, a single injection can make a person completely lose his mind. of course, the police will let you take mr. lan yu back. but we can’t guarantee that he’ll still be fine.”

mother lan’s expression changed again and again. in the end, it was completely black. she scolded,”you quack!”

“Every year, some medical malpractice is allowed, isn’t it?” the doctor smiled and said meaningfully,”and this year, our hospital still has a quota.”

Chapter 2379: The female version of li zeyan is super cool (2)

lan waihu’s mother’s vision turned black, her eyes rolled back and she fainted!

ye mu yun looked at lan yu and went up to help him onto the bed. then, he looked at xue ‘er, ” “go back first. if you want to come here in the future, you can come here every day!”

After that, he looked at Lan Yu and said indifferently, ” “It’s up to you whether you’ll be depressed or go back to the original you! However, Xue ‘er is a Beauty Complex. She probably won’t like the way you look now!”

After speaking, Lan Yu looked up at him and met the cold and Noble ye mu Yun. For a moment, no one spoke.

Xue ‘er looked at this and then at that, not daring to make a sound.

Finally, ye mu Yun grabbed her small hand. “Let’s go home first.”

Oh, ” she said. After taking two steps, she couldn’t help but turn back to look at Lan Yu.

Ye Muyun didn't turn around and only said softly, "Lan Yu, I'll give you a fair chance to compete."

She paused for a moment and chuckled. the condition is that you have to clean yourself up!

Lan Yu was extremely angry, his face completely black.

"since when did you become so infuriating?" xue 'er turned around and said softly.

"I'm already generous enough!" Chairman ye said proudly.

She secretly took his hand and asked carefully, "Can I really choose again?"

"what do you think?" ye mu yun snorted. anyway, with lan yu's current state, he had nothing to worry about.

"What if he recovers?" Xue 'er asked carefully.

Ye mu Yun stood still and looked at her coldly.

"You were the one who said you could choose again!" she bit her lip, but there was a mischievous look in her eyes.

ye muyun looked at her eyes and felt both angry and amused. he reached out and ruffled her hair and snorted."idiot!"

"if you call me an idiot one more time, i'll be with lan yu!" Xue 'er pouted and threatened in a low voice.

Chairman ye looked at Lan Yu and smiled faintly. sure, you can go now!

with lan yu's current state, she probably couldn't eat it either!

as he said this, the little person hung on his arm and refused to come down. he went out.

lan yu was left half-lying there in a daze.

he actually knew that he had already lost!

It wasn't because of his looks or his legs. It was because there had never been a space for anyone else between ye Muyun and Tang Xue 'er.

He propped himself up and looked at the button by the bed. He reached out and pressed it.

five minutes later, the doctor came in and smiled. ” “mr. lan, it seems that you've thought it through and are going to receive treatment, right?”

Lan Yu's gaze was gloomy and he did not speak.

“ai, if i were mr. lan, with such a great reputation and so many properties of the lan family, i would try my best to stand up, right?” the doctor's smile didn't seem like a doctor's. he held a notebook in his hand and said in a calm tone, ” from today onwards, I'll start with recovery shots. However, it might hurt a little!

lan yu raised his eyes and looked at the doctor.

He was clearly a male doctor, but his face was extremely pale, like a gigolo.

he was so sissy!

From the bottom of his heart, Lan Yu looked down on such a doctor, so his face was calm. “I want to change the doctor.”

“change doctors? I'm sorry, it's Sheng Yuan hospital. I have the final say.” the doctor smiled meaningfully. ” i forgot to tell you. my last name is qin wanwan. i'm president ye's younger brother. ”

“Qin mo?” Lan Yu’s face darkened.

that was impossible!

qin mo’s appearance wasn’t this feminine, and qin mo didn’t study medicine!

Chapter 2380: The female version of li zeyan is super cool (3)

The doctor leaned forward, his face very close to Lan Yu’s. He said word by word, ” my name is Qin Chen! He’s Ye mu Yun’s youngest brother.”

lan yu narrowed his eyes. only then did he remember that qin mu did have a younger twin brother called qin chen.

She didn’t expect that the Qin family could raise a boy like this, who looked especially coquettish!

qin chen’s face was still very close to his, so close that lan yu could see his beautiful eyelashes, long and curled, simply not like a man!

At this moment, he had an illusion that this man was trying to make him feel better!

to lan yu, this was very humiliating.

His Adam’s apple moved and he said coldly, ” “you’re not gay, right?”

Mr. Lan, you’re thinking too much. Even if I were to ask you to look like this, it’s not within my consideration. So, please cooperate with the treatment. As for any other improper thoughts, don’t think about it. Qin Chen’s smile was a little detestable!

lan yu’s face turned black.

Shameless doctor, his eyes were clearly full of nitpicking.

lan yu's face was filled with rejection, while qin chen straightened his body and chuckled. "Mr. Lan, as long as you are obedient and cooperate with our experiment, I promise you that it will not be particularly painful. I will be gentle and gentle."

"You quack!" Lan Yu gritted his teeth.

qin chen smiled. "if you can walk out of this ward now, the experiment on you will stop. " Unfortunately, you can't even jump out."

Lan Yu squinted his eyes and glared at him. "what do you want to do to me?"

qin chen stood in front of the bed, his expression cold like a doctor's, but his face was very beautiful, and when he smiled, he gave off a bad feeling.

Qin Chen smiled slightly. the nerves in your legs are necrotic. So far, there hasn't been a case of it being cured, so we can't guarantee the effect. But the worst case scenario is that the patient will be the same as now.

Lan Yu's face was dark as he looked at this handsome male doctor. do you always comfort your patients like this? Did anyone file a complaint against you?"

qin chen smiled and lowered his body. " mr. lan's leg is broken, but is your brain okay? I'm threatening you, not consoling you, okay?"

lan yu lay down and covered his head with the blanket. " get out! "

however, the beautiful male doctor did not go out. instead, he put his hands in his white coat and said calmly, I need to get an injection. It might hurt a little, so in order to prevent Mr. Lan from hurting himself, I have to tie you up first!

lan yu suddenly lifted the blanket and could not take it anymore. " i'm not your test subject! "

He was wrong. This was not a quack doctor at all. This was a black-hearted doctor.

He struggled, but his legs were disabled and he was weak. Two strong nurses were enough to subdue him.

lan yu was pressed down, embarrassed and in a sorry state. he had never been like this before.

He was tricked by a Doctor Who was neither male nor female. He must be a spy sent by ye Muyun.

It was quite strenuous for the tall and strong nurse to hold him down.

qin chen slowly walked over with a thick needle in his hand, the kind that was used to inject pigs.

even lan yu's eyes went black as he glared at him, panting heavily, " "Let me go!"

"Heal!" qin chen smiled. " don't worry, it's just a little painful. you won't die! "

"Roll up your pants," she said to the nurse.
