

## Thank you 2381

Chapter 2381: As beautiful as a woman (part one)

the nurse walked up and pushed the blanket to the side. she rolled up her pants, but the hospital gown was too long and she couldn't do it. the nurse looked at qin chen hesitantly."doctor qin, i can't get in."

qin chen glanced at it, his tone indifferent. " "Then we'll pull it down from the top!"

The young nurse hesitated for a moment before pulling down from the top to the bottom. It turned into one word.'Take off?'

This ... Wasn't too good, was it? after all, Lan Yu was a public figure!

the nurse hesitated. qin chen glared at them and personally went over to pull yingying away.

His actions were very rough, and there was a whooshing sound.

the young nurse covered her eyes together.

Oh, Dr. Qin. The coolest Dr. Qin in the hospital did such an indescribable thing to Lan Yu. At that moment, Lan Yu's expression was also very interesting.

After that, Qin Chen pointed the needle directly at Lan Yu's knee.

His face was pale with fear.

"you're afraid of injections?" qin chen smiled.

Lan Yu would never admit it. He said coldly, " "No, I didn't!"

"It's good that you didn't! It's because this needle really hurts!" Dr. Qin coughed lightly.

And Lan Yu was sure that he did not hear wrongly. This black-hearted doctor's tone carried a hint of gloating!

damn it. he struggled, but his broken body and the hospital gown that was pulled down to his knees made him look extremely pathetic.

at this moment, he even had the thought of killing him!

when the thick needle pierced into his skin, lan yu's forehead was covered in beads of sweat. he gritted his teeth and said, " i swear, as long as i can, i will kill you with my own hands. "

qin chen was focused on pushing the needle, and he took the time to smile, revealing his hateful white teeth. " "We'll talk about it when you can walk!"

They were very close, so close that Lan Yu could smell the faint scent of Cologne on him.

A effeminate doctor with perfume on!

Lan Yu glared at him, his eyeballs almost popping out!

but the pain continued, and the heart-piercing pain made him unable to say a word. he panted heavily, and his arm dug into qin chen's arm, sinking so deep that it was almost bleeding.

However, Qin Chen only frowned slightly, and his voice was a little hoarse. "isn't mr lan not afraid of death? now you're acting like a woman!"

Lan Yu's eyes popped out. That appearance and his usual appearance were simply two different things.

The nurse couldn't bear to see the patient die of anger with Dr. Qin around!

but look at how professional dr. qin was. his hand was pinched like this, but the needle was still inserted steadily. one must know that this kind of nerve-stimulating needle, if it was deviated, lan

yu's leg would be hopeless for the rest of his life, and it was very likely that his upper body would be paralyzed.

The young nurses all looked at Qin Chen with admiration. Dr. Qin was the light of the divine, a figure that even the director feared.

at this time, their doctor qin pushed all the medicine in and slowly pulled out the needle. when he pulled out the needle, lan yu let out a violent roar again.

qin chen straightened his body and smacked his hand away. he sneered."you're screaming like a virgin, no one wants to rape you!"

Lan Yu panted as he fell onto the pillow. He didn't care about his own sorry state as he shouted while panting, "I'm going to file a complaint against you!"

"please do!" Qin Chen didn't care at all. Only his eyes that were exposed flashed with a touch of evilness. Then, he took off his mask. Just as Lan Yu thought, he was outrageously beautiful, the kind that was more beautiful than a girl.

moreover, he looked very similar to qin mu, but he had a bit more heroic spirit.

However, sissies were still sissies!

Chapter 2382: as beautiful as a woman (2)

lan yu glared at him and was extremely furious. he felt that he had no way to deal with this quack.

"Pull his pants up properly!" Qin Chen said to the nurse.

Lan Yu Qianqian was so embarrassed that she wanted to die again!

ye muyun must have sent qin chen to torture him!

lan yu lay down straight and refused to talk.

Qin Chen threw the syringe aside and wiped his hands slowly with a tissue. Mr. Lan Yu's brain may have some problems, " he said in a low voice. contact the brain surgery department for a check.

lan yu suddenly turned his head and gritted his teeth. " "surnamed qin, don't you go too far!"

"So you're not stupid! That's great." Qin Chen's voice was very cold as he stood at the side and looked down at Lan Yu. alright, you can rest well now. Try not to move that leg. I'll come over tomorrow to give you an injection!

"I don't want to be treated!" Lan Yu said coldly.

No. How can you chase a little girl in a wheelchair? " qin chen laughed coldly. " don't be funny. "

after he finished speaking, he walked out directly, his back view handsome and cool!

at the very least, the young nurses were covering their faces as they watched, crying out loudly, and looking especially excited.

Lan Yu pursed his lips and glanced at the two nurses. His voice was cold."You guys like this sissy?"

the nurse covered her face. sissy?

"our doctor qin is definitely not a sissy." "You'll know in the future," the young nurses said in unison.

in the future?

lan yu laughed coldly. he was certain now!

However, his sneer made the nurse despise him ...

He wasn't handsome at all, and he was so weird!

It was better for them to visit Dr. Qin. At least it was pleasing to the eye!

The nurses simply tidied Lan Yu's clothes and went out first. Qin Chen was outside, holding a notebook in one hand and a pen in the other. He looked at them. "Are you half-dead from anger?"

the nurse laughed. " with dr. qin around, he probably didn't die from the treatment. he'll probably die from anger! "

Qin Chen stood up and smiled. don't worry. Lan Yu is like a cockroach that can't be killed. His heart for Tang Xue 'er hasn't died yet. How could he bear to die? "

After that, he shrugged and walked back to his office.

the two young nurses looked at each other, and one of them asked carefully, "Do you think Dr. Qin did it on purpose? Where's the thick syringe?"

"Pei Pei Pei! Dr. Qin is the most upright doctor in our hospital, how could he do such a thing, Yingluo? but it's not impossible, Yingluo!"

The two young nurses looked at each other and smiled.

inside the door, lan yu was lying quietly, his entire body burning with combat power!

he had to stand up and kill the black-hearted doctor with his own hands!

Also, he really hadn't given up!

in the parking lot below sheng yuan, ye muyun held his phone in his hand. after quietly listening to qin chen's call, he tilted his head and looked at the worried xue 'er. "Qin Chen is done."

Xue 'er acknowledged him, then asked him, " "Qin Chen just returned to the country?"

“right, not even a month!” Ye mu Yun ruffled her hair. do you want to see her? ”

With that, he started the car.

“Haven’t we already met?” Xue ‘er mumbled.

“I don’t think there’s a private meeting yet!” Ye Muyun smiled slightly, his fingers holding his chin. He asked while driving, ” “right, we should discuss the wedding date, right?”

“i think i’m eight years late, miss tang!” he paused.

Xue ‘er’s little face blushed, then she snorted, ” “I wonder who caused this!”

Chapter 2383: the first year of university, the qing dynasty, the death of one!(1)

Xue ‘er’s little face blushed, then she snorted, ” “i wonder who caused this!”

“It’s my fault for making you pregnant!” He smiled and suddenly said,”by the way, did you get pregnant on purpose back then?”

“i’m not!” Her voice was delicate and soft, not very convincing.

and so, he knew.

He didn’t laugh at her, but his heart ached for her.

His handsome face had a restrained expression. Other than gentleness, there was also a trace of heartache.

he held her little hand and did not let go.

“i’m sorry, i didn’t protect yishu well,” xue ‘er said in a low voice.

She thought that the child had lost Hanhan, but she didn’t expect that the child was born in a different way.

both of their hearts were at peace. after a long time, she turned her small face to look at him. actually, it’s not just because of me. You’re also very grateful to Lan Yu, right? ”

Hmph! Chairman ye’s expression darkened and he snorted. will I? ”

She naturally knew the reason why he refused to admit it, so she just smiled and didn’t say much.

ye muyun’s fingers tightened and his voice was heavy. ” i won’t let you be alone in the future. ”

He didn’t dare to think about everything that happened to her in new York. He didn’t dare to think about how much pain she was in at that time.

“i don’t blame you!” she tilted her head and smiled sweetly. her smiling face was like a ray of sunlight, illuminating his entire life.

his throat moved, and after a long time, he said in a hoarse voice, ” “alright!”

xue ‘er also smiled gently. she tilted her head and watched him drive.

the sun shone into the car, and her small face was so clear that even her little hair could be seen clearly.

at a red light, he stopped the car and looked at her with a smile. ” “yes, i’m very grateful to him.”

So, when he wanted to kill Lan Yu countless times, he thought about how Yishu and Xue ‘er were fine while Lan Yu became like that, and his heart softened unconsciously.

she was right, he didn't do it because she didn't want to, but because lan yu really saved her and little yishu.

the debts between men were generally calculated clearly.

from the past to the present, in the schemes between lan yu and ye muyun, zhou chongguang was just an accident caught in the middle, or a chess piece used by lan yu.

of course, he also knew that letting a tiger return to the mountain would cause endless trouble.

however, he was still willing to do so. he would be at ease, xue 'er would be happy, and little yi shu would be happy too.

the thing he was most willing to do now was to make them happy.

The car slowly drove back to the villa. The little person sat in the courtyard and waited. Her chubby little hand supported her chin, looking extremely cute.

the car stopped. ye mu yun got out of the car and saw the chubby little guy running back.

obviously, they were throwing a tantrum.

xue 'er was also a little dazed.

she's probably unhappy because she didn't bring Lan Yu along after knowing that she's awake! Ye mu Yun's head hurt and he looked at Xue 'er. "Lan Yu used to take care of Yingluo?"

Xue 'er drooped her Little Neck and cleverly kept quiet.

ye mu yun looked at her and didn't say anything else. she knew that she couldn't count on her too much.

he slowly walked into the living room. little yi shu was lying on the sofa as if she was reading a comic, but ye muyun knew she was pretending because the book was placed upside down!

he walked over slowly and sat beside the little guy. he cleared his throat and said in a gentle voice, ” lan yu just woke up. when he’s better, i’ll take you to see him, okay? ”

Chapter 2384: The first year of University, the Qing Dynasty, the death dynasty (2)

Little Yi Shu looked at him in disbelief. His eyes were wide open. you’re going to let me see daddy?  
”

Xue ‘er walked in at this time and heard little Yi Shu’s words. She was a little worried.

Because she knew that ye Muyun actually really wanted Yishu to call him “dad.”

She pursed her lips and was about to say something, but he had already pulled the little guy into his arms and said in a very soft and indifferent voice, ” “of course. he’s your father, isn’t he? why wouldn’t i let yi shu see her own father?”

this time, not only was the little fellow surprised, even xue ‘er was a little surprised. when did yingying’s realm become so high?

Ye mu Yun’s heart sank. If these years were unforgettable to Xue ‘er, then he could only accept Wanwan.

her voice became gentler as she coaxed the little guy in her arms. ” but lan yu is a father, and uncle is also a father, right? ”

The little fellow drooped her little face and simply couldn’t call out. She probably felt quite uneasy in her heart as she looked up at ye Muyun with teary eyes and called out in a low voice, ” “ye sansan.”

Ye Muyun forced a smile and was a little disappointed, but he still reached out and ruffled her hair. in a few days, let mom take you to see him, okay? ”

Little Yi Shu stared at him innocently, and his voice became even softer, ” really? ”

“of course! When have I ever lied to you?” ye mu yun kissed her and held the little fellow in his arms.

there was probably a condition for this exchange, so the little guy did not struggle and obediently stayed in his arms.

Xue ‘er looked at him and smiled.

she could feel that he was different now. he had become gentler.

in the past, the way he dealt with things was often extreme, but it was different now. he had become particularly gentle and humane.

She thought that she did like him, and everything he did was for her and Yishu.

She looked at him with a hint of infatuation.

no matter if she was eight, eighteen, or now twenty-six, she loved him.

her eyes were filled with tiny rays of sunlight, and they were filled with her love for him.

ye mu yun looked up and looked into her eyes. he smiled lightly.

little yi shu looked at the way they were making eyes at each other, and his little body fell to the side.

the first year of university was wiped out!

Her mother and ye Sansan had completely gotten together.

Although she was ye Sansan’s child, Lan Yu’s father was more important in her heart.

little yishu was secretly thinking that although ye sansan would be sad when lan yu's father and mother were together, children didn't like change.

Especially when ye Sansan forced her to wear small dresses. She didn't like to wear small dresses.

The little guy collapsed on the sofa, his Rascal-like appearance was exactly the same as Xue 'er when she was young.

ye muyun looked at the child's mother. I gave you a look, experience it for yourself!

xue 'er was also feeling a little guilty, because this gene was passed down from her!

She walked over and tugged on his sleeve, her voice even softer. it's okay if Yingluo isn't a girl!

"Then, are you willing to have another son?" his eyes were bright.

His little girl lowered her eyes and her voice was like a mosquito."It has to be able to give birth to one?"

she knew that her body could no longer bear pregnancy, but she did not dare to tell him.

after she finished speaking, she looked at him nervously, afraid that he would dislike her.

Chapter 2385: Not allowed to sleep together (part one)

After she finished speaking, she looked at him nervously, afraid that he would dislike her.

she knew that he hoped to give birth to a boy who could inherit boyi.

Besides, no one had the heart to force Yishu to do something like this.

Ye Muyun laughed. if you can't, then you can urge Zhao Yan to get married. I want his son to inherit the Tang family. No one will object.

xue 'er raised her little hand and asked, "do you think his son would be willing if zhao yan himself was not willing?"

Ye Muyun's face darkened. In the end, he was the only idiot who fought for power. All these years, all he did were stupid things?

xue 'er knew that his face had darkened, so she tried her best to please him and praise him. "Big brother is the best!"

"what about the bed?" He squinted at her and asked her a question that was quite explicit, not avoiding the child.

xue 'er's little head drooped down and she bit her lip. "amazing too!"

little yi shu looked at this and then at that, and then he cried out loud.

ye muyun sneered in his heart. he could call lan yu 'daddy', but the little brat had to recognize who was the one who provided the seeds.

"shameless!" xue 'er glared at him.

"Weren't you the one who made her cry?" Mr. Ye said innocently.

However, he quickly smiled, picked up little Yi Shu, and kissed her. "Alright, stop crying. I won't sleep with mommy."

xue 'er was speechless!

Little Yi Shu was such a simple and stupid little creature, she was immediately coaxed. She blinked her tears, "you really don't want to sleep together?"

then, the little guy completely forgot that he was supposed to be a boy. he blinked his tears and said, "then little yi shu will sleep with mommy from now on."

"Of course you can!" Ye mu Yun pinched her little nose and smiled. "uncle can satisfy all of little yishu's problems."

the little guy looked at him suspiciously with an adorable expression.

at the side, xue 'er secretly rolled her eyes. she could believe everything else, but this was something she would never believe.

was it possible for a person who was used to eating meat to suddenly become a vegetarian?

she pursed her lips and stole a glance at him. as expected, he winked at her.

She knew it when Xue 'er teased her!

At night, little Yishu was very alert and kept pestering her mother, not letting ye Sansan have a chance.

ye muyun didn't appear at all and left the little one in her care while he dealt with work in the study.

It had been a long time since he had returned to the company. He usually dealt with things at home.

When he was done, he raised his hand and looked at his watch. It was already ten O 'clock in the evening.

it was the time when the child was asleep. he smiled, got up, and closed his computer.

Under the warm yellow light, he walked back to Xue 'er's bedroom and slowly approached the bed. He saw that the little person was sleeping soundly with her small hands hugging her mother's body. She looked so beautiful.

ye muyun reached out and unbuttoned the top two buttons of his shirt. he sat on the edge of the bed and quietly looked at it for a long time.

The bedroom was quiet, and a sweet scent floated in the air. Of course, there was also the smell of the custard bun.

his heart softened, and he couldn't help but lean over and kiss little yi shu's little face. then, he took a deep breath of the custard bun.

only god knew how happy he was that little yi shu was a girl!

It was a replica of little Xinxin!

however, no matter how much he liked her, in the dead of the night, he still liked his little wife more.

She grabbed a pillow and stuffed it into Yi Shu's arms. She then carried the child's mother away quietly and walked straight to her bedroom.

Chapter 2386: not allowed to sleep together (2)

Xue 'er woke up and opened her eyes to look at him. Her voice was soft."What are you doing here?"

at this moment, they had already reached his bedroom. ye muyun pressed her against the soft mattress and kissed her while murmuring, " "i carried you here, lower your voice, yingying."

"Or else that little guy will cry again," she said with a chuckle.

Xue 'er was lying on the bed, wearing a pure cotton animal pajamas. Her black and bright hair fell on her shoulders, looking soft and soft, no different from when she was 18 years old.

As he kissed her, his anxious heart calmed down a little. Instead, he wanted to talk to her.

He kissed her, his voice hoarse and charming. if Yishu doesn't want to, then Zhenzhen will let her be surnamed LAN!

Xue 'er's eyes widened in shock.

Because she knew him. Ye Muyun was a bit overbearing. To put it bluntly, he was overbearing and possessive. How could he be willing to let Yi Shu take Lan Yu's surname?

She was so shocked that she forgot to speak.

He kissed her and said with a smile, " are you silly? you still don't believe me, huh? "

for the last time, he kissed a piece of soft flesh behind her ear and bit it hard.

She cried out in pain and opened her teary eyes, staring at him in a daze.

"you're mine. that's enough!" he finally got to the point, and his voice was even more hoarse."xue 'er?"

she snorted and hugged his neck, burying her face in his neck to relieve the overheating temperature.

"what?" Her voice was light, weak, and helpless.

his thin lips covered her ear, and his hot breath sprayed on her ear. it was hot, making her tremble in fear. " don't leave me again. "

after that, it was endless possession.

Xue 'er felt that he was going crazy, and she could only continue to hold him in her arms.

The last drop of sweat turned from warm to cold. She moved uncomfortably in his arms."i want to take a bath!"

ye muyun made a sound of acknowledgment and lifted her up easily.

In the end, he played with her two more times in the bathroom. When he came out, he gently helped her put on her pajamas and carried her back to her bedroom, placing her back beside little Yi Shu.

He supported himself with his arm and kissed her lightly. His voice was hoarse. I really don't want to let you go!

he kissed her little mouth again and again, full of longing. xue 'er couldn't help but turn her little face away and snorted. " i can't control myself! "

He chuckled and caressed her little face gently with his fingers. He was reluctant to let go of that soft touch and said in a hoarse voice, " I just want to. I'm a little exhausted. If you want it, tomorrow night, okay? "

"Who wants to play with you tomorrow night? You're shameless!" xue 'er turned her face away, her little face colored with a touch of moving expression.

he smiled and pinched her little face. " then, tomorrow morning? hmm? "

After a pause, he smiled meaningfully. "I can probably come here twice."

xue 'er turned her face back and glared at him, saying randomly, " "Shameless! Shameless! Shameless!"

"Where Can I Get a wife to hug me if I want to be shameless!" He chuckled and carefully placed his hands on both sides of her body. He kissed her again and again, and his voice was warm. Xue 'er, good night.

She hummed in acknowledgment like a baby.

He looked at her deeply and could not help but lower his head to kiss her on the lips.

After kissing, they didn't leave, but continued to cuddle for a while.

After kissing her for a while, she said in a low voice, "I'm going out. This little thing is really annoying."

#### Chapter 2387: Not allowed to sleep together (3)

He kissed her for a while before saying in a low voice, "I'm going out. this little thing is really annoying."

When mom and dad made love, it had to be done secretly, and after they were done, they had to send the person back.

Ye Muyun also turned his head and kissed his little girl. After kissing her, his expression was very gentle. When he left, he adjusted the light in the bedroom to the most comfortable light.

then, under the dim yellow light, he lowered his head and whispered in her ear, "Baby, are you happy now?"

after asking, he left, chuckled, and closed the door.

xue 'er lay in the dim yellow light, holding little yi shu, feeling beautiful.

She felt that he was very happy now.

In the morning, Yi Shu woke up first. She looked up and kissed her mother affectionately. Then, she was about to hug her mother to sleep for a while more, but her sharp eyes immediately noticed that her mother's neck seemed to be bruised.

on tv, it was called a hickey.

the little fellow was stunned.

Then, she realized that ye Sansan had lied to her. He had secretly kissed her mother again.

Little Yi Shu turned around angrily, facing Xue 'er with his little P \* S. He didn't say a word, like an abandoned child.

Xue 'er was in a deep sleep and did not notice.

the little guy was angry, and his fat little body was curled up together. after a long time, his mother did not come to coax him.

Hence, she turned around, hugged her, and started crying.

xue 'er opened her eyes. she was really too sleepy. the little guy's cries shook the sky, so she could only get up in a hurry to coax him.

ye muyun also came over. he probably just took a shower as he only had a towel wrapped around his body.

The water dripped down from her hair and her body to the places that people wanted to see. Xue 'er's eyes were fixed on her and she couldn't move them away. The fat little person also stared at her with tears in his eyes.

After looking at it for a long time, she suddenly burst into tears again.

wow, such a good-looking ye sansan. mom will definitely like her.

the little fellow cried until she was out of breath. ye mu yun went over and hugged her, pressing her into his arms. then, he used his eyes to signal to xue 'er. What's wrong?

Xue 'er was confused and shook her head to show that she didn't know either.

the little guy looked at them making eyes at each other and cried again ...

she had been crying for so long, but these adults actually didn't know what she was crying about. it was too hateful!

Ye Muyun hugged his beloved little daughter. He was angry and amused at the same time. Little Yi Shu's little appearance was very similar to Xue 'er when she was young. She was really adorable.

he reached out to pat the little guy, his voice especially soft. " alright, baby, don't cry. "

The little guy looked up and pouted. I'll sleep with you in the future!

ye mu yun laughed, his eyes filled with a deep smile."alright!"

Then, the little guy opened his cute eyes wide and looked at him.

Xue 'er looked on from the side, and then covered her head with the blanket.

She sighed to herself. Was she as stupid as Yishu when she was young, so she was tricked by him?

Ye mu Yun looked at the one lying down and smiled.

xue 'er, i'm also very happy now. what should i do?

From that day on, LAN er 'er and ye Sansan started to fight. At night, they were like eagles being tamed. LAN er' er opened his eyes and stared at ye Muyun. " ye sansan, you're not allowed to sneak into mom's room after i've fallen asleep. "

well, you're asleep, so you don't have to go secretly. instead, you're openly encouraging ye sansan to think so.

Chapter 2388: Baby, I haven't hugged you in a few days (1)

LAN er 'er's arms and legs were wrapped around him. Ye Sansan's body was very warm. Moreover, ye Sansan's skin was very good. It was young and elastic. It felt good to hold her.

If ye Sansan was willing to be ye Sansan, she could still accept Qianqian and laner's thoughts. As they thought about it, their little heads nodded like a chick pecking at rice.

ye muyun's eyes were filled with warmth and a smile as he looked at the little girl in his family.

ten minutes later, the little guy finally fell asleep. xiangxiang fell sweetly in his arms. probably afraid of the cold, her pink little fingers were curled up on his heart, as if to absorb heat.

Ye Muyun's gaze was extremely gentle. He quietly looked at his little person and kissed him, but he still felt that it wasn't enough.

Initially, he did plan to look for the child's mother, but now that he was carrying his younger daughter, he suddenly didn't want to move. He just wanted to hold the little fellow like this and feel warm.

Actually, it didn't matter if her surname was Qin or ye, as long as she was his child.

moreover, this child had said that he didn't want it, but now she was nestled in his arms so intimately. how could he not like her?

Ye Muyun's eyes were filled with gentleness. He hugged the little fellow with his eyes closed and smelled the milk fragrance. Strangely, he was in a deep sleep.

the little cutie pie woke up at dawn. he peeked at ye sansan and sniffed at her. he didn't smell anything other than his own.

She pursed her lips and fell asleep again.

ye mu yun opened his eyes with a smile in his eyes. this little guy was still worried about him.

His eyes were full of fatherly love. Although this child was caught off guard and her gender was unclear, he still loved her. He loved her very, very much, just like how he loved little Xinxin.

He carefully placed her in his arms and continued to sleep with a smile.

For the next few days, the little cutie pie occupied ye Sansan's bed. Ye Sansan had been very well-behaved and did not sneak into her mother's room.

Thus, the little fellow was temporarily relieved and continued to monopolize ye Sansan.

Towards this, Xue 'er didn't know whether to laugh or cry. However, she was happy to relax because she really couldn't stand ye mu Yun's excessive needs.

His desires were as big as a beast's!

That night, after her shower, she quietly returned to her bedroom and sat in front of the dressing mirror to dry her hair.

The bedroom door opened softly and closed again.

she looked at the person in the mirror, turned off the hair dryer, and asked helplessly, "yishu is asleep?"

ye muyun quietly walked in and stood behind her. he leaned over and smelled the fragrance of her hair. his voice was a little muffled."Yes, he's asleep."

then why did you come over? she'll wake up. Otherwise, she'll start crying again. xue 'er said as she blew the wind away.

he took the hairdryer from her hand and smiled faintly. "i'm in a deep sleep. i won't wake up for a while. "

he dried her hair very naturally, his actions professional. the two of them were silent, their eyes meeting from time to time in the mirror.

She recalled everything, but their interaction now was different from the past. It was like an old couple.

xue 'er's eyes were filled with tears. she took the skincare products on the table and gently wiped them on her face. her gaze fell on him in the mirror, and her voice was very low. " what do you want to do here? "

he turned off the hairdryer, picked up a lock of her hair, and leaned over to smell it.

Chapter 2389: Baby, I haven't hugged you in a few days (2)

He turned off the hairdryer and picked up a lock of her hair. He leaned over and sniffed it gently. His voice was low as he said, " Tang Xue 'er, we haven't had sex in four days. You've been going to the hospital every day, huh? "

"You were the one who agreed to sleep with Yishu." She was still sitting there, looking at each other in the mirror.

He was only wearing a bathrobe, and his face was already covered in love. He didn't have any intention of hiding it as he nibbled on her neck and said in a low and hoarse voice, " "did you not miss me?"

as he spoke, he picked her up and swept away all the skincare products with one hand. then, he carried her to the dressing table.

Bottles and jars fell to the ground. Xue 'er covered her eyes and sighed, " "it's very expensive,"

he was standing in the middle of her body, his voice carrying a hint of a chuckle."i'll buy you more."

At this moment, he had no choice but to do it!

she bit her lip and said in a broken voice, " go to bed. "

However, he chuckled and teased her. let's do it here again and then carry you over, okay? "

With each other's clothes, it was very convenient for them to skip 10000 words!

she bit his shoulder and said in a delicate voice, "Bastard!"

he chuckled softly. "if i don't come soon, i'm not a man anymore."

his voice was also a little breathless. "i have such a beautiful little wife at home and i don't use her. am i a man? hmm?"

As he spoke, he ruthlessly whipped her, making Xue 'er feel like she was better off dead!

after one round, it was already worse than death, but the man who had been hungry for four days would not let her go easily. in the bathroom and on the bed, he tortured her twice each before he was done.

After they were done, he hugged her and coaxed her for a while before returning to his bedroom.

Xue 'er gritted her teeth as she lay on the bed. She was so flustered that she couldn't help but tease this bastard!

the next day, little yishu found that ye sansan was in a particularly good mood. after that, she realized that ye sansan's mood would be especially good a few times every few days.

However, the little guy didn't have any evidence of ye Sansan sneaking out, so there was nothing he could do.

However, ye Sansan often sent her and her mother to the hospital to visit her father, so little Yi Shu turned a blind eye to it.

in her heart, lan yu was still the number one father. as for ye sansan and wanwan, they were probably number two.

At Sheng Yuan hospital, ye Muyun sent Xue 'er and Yi Shu to the ward. Because he didn't want to see his little daughter call Lan Yu' daddy', he went to the side to smoke. He left the cigarettes in the

car, and when he got down to get them, he happened to see Qin Mu and Zhou chongguang getting out of the car.

qin mu's face was a little pale. when he saw ye muyun, he was also stunned for a moment. then, he smiled faintly."brother, why are you in the hospital?"

"lan yu has been awake for a few days. i've sent xue 'er and the others over to take a look. " Ye Muyun lit a cigarette and smoked it quietly. Then, he looked at his sister. what's wrong? you don't look too good.

Qin Mu pursed his lips and then said softly, " my appetite isn't very good. I came to check.

ye muyun nodded, then looked at zhou chongguang. " go with her. let me know when you come out. "

Zhou chongguang's expression was a little nervous. He didn't say much and directly helped Qin Mu into the elevator.

ye mu yun looked at their backs and his eyes were deep.

He could tell that Zhou chongguang was a little interested in Qin Mu, and it was probably impossible for them to break up.

Gu ze was probably going to be sad.

Chapter 2390: She doesn't get pregnant easily (part one)

he smoked his cigarette quietly and smiled faintly.

in the elevator, qin mu and zhou chongguang stood side by side. she said softly, " "i'm not pregnant."

“i know! i’m just checking.” zhou chongguang reached out and touched her little head, his voice quite gentle.

Recently, his relationship with Qin Mu had been very stable. Although it wasn’t like other couples, it could still be considered intimate for an old couple who had been married for many years.

When the elevator reached the fourth floor of the outpatient department, Qin Chen was already waiting there. He had personally arranged the best gynecologist for Qin Mu.

qin mu went in to check, and qin chen and zhou chongguang waited outside.

all these years, qin chen had always been abroad, and even zhou chongguang wasn’t very familiar with him. even the outside world wasn’t very clear about the qin family having such a child.

“If we rule out the possibility of her being pregnant, she probably has to go to the Gastroenterology Department.” Qin Chen’s voice was calm.

Zhou chongguang’s expression was a little complicated, and he told Qin Chen the truth, ” I hope Mumu gets pregnant.

Qin Chen leaned back, tall and thin, his overly beautiful face looking a little lazy. why? ”

This doctor was too devilish. Even Zhou chongguang felt that he was too unrefined and uncouth in front of him.

That’s right, this child from the Qin family who came back from America was actually younger than him a few times. He was the same age as Qin Mu and was only 22 years old. Other than his young and good-looking appearance, he was full of feminine charm. He was a very westernized person. Although he didn’t speak English, he looked very westernized just by standing there.

Dangerous, yet charming.

it was the kind that both men and women would like.

although he was the same age as qin mu, he was so experienced that he was eight wall street ahead of qin mu!

zhou chongguang realized that he was actually looking for similarities between her face and qin mu's. when he realized this, he was in a sorry state and avoided his gaze.

It was like seeing a ghost! He was truly a strange person.

qin chen looked at him with a lazy smile, as if he had seen through everything.

at that moment, zhou chongguang was in a sorry state, and he secretly decided in his heart that in the future, he would keep mumu away from these twins.

They were born in the same womb, so why was there such a huge difference?

his mumu was so innocent!

after waiting for a long time, the two of them didn't say anything more.

When Qin Mu came out, his expression explained everything. He was not pregnant.

"it doesn't matter!" zhou chongguang consoled him gently, and qin chen arranged other examinations in the gastroenterologist. there were no problems.

qin chen went to talk to the director of the gynecology department for a while before walking over and saying,"There's nothing wrong with it!"

he patted qin mu's shoulder. " relax a little. don't put too much pressure on yourself, okay? "

Qin Mu nodded.

"i'm here." qin chen gave her a hug.

he said a few more words to zhou chongguang and sent them off. then, he walked back to the gynecology department and saw the doctor from earlier.

the female doctor dismissed the people around her and personally closed the door. she turned back to look at qin chen and sighed.

qin chen's usually frivolous face also had a trace of nervousness. "is the situation not good?"

yes. the female doctor nodded with a serious expression. not very good.

She pursed her lips, then continued, "Her first uterus has a cold disease, so it's not easy for her to get pregnant."

qin chen's hands were in his white coat. "doctor bai, can you recuperate?"

Dr. Bai nodded. try Yingluo, but Yingluo is quite difficult. You have to be mentally prepared.
