

## Thank you 2391

Chapter 2391: she doesn't get pregnant easily (2)

dr. bai sighed. " the young lady didn't treat herself well when she was young. that's why she's suffering from this illness. it's like silk. you have to be patient. don't give her any pressure. "

Qin Chen nodded. doctor Bai, you know our family. We don't lack Qin Mu to give birth to this child.

as for zhou chongguang, if qin mu's meaning to him was just to give birth to a child, then this marriage was also dispensable.

doctor bai's relationship with the qin family wasn't deep, but she knew qin chen.

He looked carefree and didn't care about anything, but deep down, he was very concerned about Qin Mu.

she sighed in her heart again. after all, they were born from the same womb, so the feelings were indeed different.

dr. bai prescribed some medicine. they were all warm and nourishing. there was no harm, so she could get pregnant without stopping the medicine.

"Thanks." Qin Chen took it and smiled.

after saying that, she walked out. dr. bai looked at the tall and thin back and gently shook his head-

Why did such a good-looking girl think of herself as a man?

qin chen walked to the stairs and leaned against the wall, squinting at fang zi.

at this moment, someone stood beside him. he turned his head and saw that it was ye mu yun.

“brother!” qin chen’s voice was a little muffled as he threw the list in his hand to him, his tone calm.”qin mu’s illness.”

ye muyun took it and looked at it carefully for a minute. ” does she know? ” he asked.

“i don’t know!” qin chen’s head was leaning against the wall. ” ” i don’t want to tell her about yingluo. tell zhou chongguang. let’s see what he has to say. ”

Ye Muyun nodded in agreement and stuffed the prescription back to him. that’s a good idea, I’ll leave it to you. You’re the most suitable doctor for this.

qin chen narrowed his eyes. don’t you think that it’s more appropriate for you to say it since qin mu has been living with you all these years?”

” zhou chongguang and i don’t get along. furthermore, you’re a doctor, a professional! ” ye muyun’s voice was clear and he pushed it back.

“F \* ck!” Qin Chen cursed.

“there’s no grass!” ye muyun said softly, ” also, be more refined. did you really think you’re a man all these years? ”

qin chen took the prescription and left as if he had seen a ghost.

ye muyun smiled and rubbed his brows, but he felt a headache.

Yes, his two younger sisters had the same headache.

In the past, he thought that the twins were fake and that they were both girls. He didn’t know who thought that Qin Chen’s little bump when he was born was the same thing as Yingluo.

however, chairman ye immediately thought of his little custard bun. he didn’t seem to be any better. he didn’t listen to anyone’s advice at the age of five. chairman ye seriously thought that he should use qin chen as a negative example!

even if she asked qin chen to take off his men's kasaya in front of yishu, he would probably refuse!

Chairman ye still felt a headache.

On the other side, Qin Chen walked to a quiet place and sent a message to Zhou chongguang, arranging to meet alone at nine in the evening.

She put away her phone and quietly looked at the list in her hand before walking to the top floor of the inpatient department building.

the atmosphere in lan yu's ward was really strange.

Xue 'er was playing games on the sofa, little Yi Shu was playing with Lan Yu, and Lan Yu's Qian Qian was still looking like she had nothing to live for.

qin chen chuckled and walked over, his hands still in his pockets.

he reached out his hand and picked up little yi shu.

Chapter 2392: quack doctor, how do you want to play?(1)

He bent down and put his face close to Yi Shu's face, and he laughed, " "you're ye mu yun's little bun?"

Even Xue 'er didn't know who Qin Chen was, let alone Yishu. She was stunned.

Qin Chen smiled. I'm President ye's Wanwan's little brother.

As he spoke, his fingers were still holding the custard bun. He even leaned over to smell it, but he turned his head to Xue 'er and said, " " my brother used to be obsessed with the smell of your body. it's really perverted, but you don't seem to be weaned off milk. "

xue 'er's face turned red. after all, the other party was her' brother-in-law'. was he teasing her?

“But sister-in-law has grown up. She's quite pretty, and I like her!” Qin Chen smiled charmingly.

before he could finish his sentence, lan yu, who was lying on the bed, threw a book at him, ” “get lost!”

Lan Yu hated this black-hearted doctor to the core. He felt that if the world didn't have a doctor named Qin Chen, the air would be much fresher.

Qin Chen dodged easily, still with one hand in his pocket, and smiled faintly. “I dare to express it! unlike some people, who had clearly liked xuanji for five years and then made themselves look like eunuchs.”

Lan Yu's dark face turned green ...

Originally, when little Yi Shu and Xue 'er came over, although he didn't want to on the surface, he was secretly happy.

but ...

However, his little joy was completely ruined by this black-hearted doctor!

At this moment, Lan Yu really wanted to chop Qin Chen up. This black-hearted doctor not only insulted his physique, but also his personality!

eunuch?

Lan Yu wanted to retort, but Xue 'er had already said softly, ” “He's not!”

the surroundings were silent. at this moment, xue 'er bit her lip and said, ” “He has another woman.”

Qin Chen almost burst out laughing.

and lan yu almost fainted.

He would rather not have her explanation!

Qin Chen's fingers let go of Yi Shu's hand, and the custard fell onto the bed, landing on Lan Yu's injured leg.

after that, qin chen's pretty face was almost stuck to lan yu's face as he laughed evilly, "so it turns out that mr. lan also secretly ate it!"

Lan Yu exploded in anger and glared at him.

qin chen smiled happily, picked up the custard bun again, and said lightly, " alright, visiting hours are over. Sister-in-law, take Yishu downstairs. Big brother is still waiting for you.

Every word he said struck Lan Yu's heart, and Lan Yu immediately lay down.

qin chen picked up the little guy and threw him into xue 'er's arms. he blinked. " "mr. lan's treatment time is up. for the sake of mr. lan's dignity, it's better not to watch the treatment process!"

so pitiful!

xue 'er looked sympathetically at lan yu who was lying on the hospital bed. she had the illusion that lan yu seemed to have buried his head again.

Would he, Yueyue, be tortured by Qin Chen until he went crazy?

she thought to herself.

qin chen smiled. " don't worry, sister-in-law. i'm good at it. "

Xue 'er was solemn, but she also looked at Lan Yu with sympathy.

” daddy! ” yi shu said innocently, ” you have to cooperate with the doctor! ”

lan yu forced a smile. ” son, you don’t even know how thick this black-hearted doctor’s needle is. it’s the kind used to inject pigs! ” Forget it, son, you’ve never seen a pig anyway!

The ward quieted down. Lan Yu pulled down the blanket and pulled a long face. He looked at the black-hearted doctor warily. “what do you want to do today?”

Chapter 2393: Quack doctor, how do you want to play?(2)

qin chen sat beside him and smiled.””one of his legs is crippled, yet he’s still taking such a heavy bite?”

Lan Yu’s face turned dark red, turning into the color of a pig’s liver.(Thinking about how the International artist, Lan Yu, was in such dire straits, it also made one sigh.) black-hearted doctor, what do you want?”

Qin Chen smiled meaningfully. I forgot that you don’t even look in the mirror. If you do, you’ll know that I, ran ran, won’t have any bad thoughts about you.

lan yu was already very lucky that he didn’t die!

after qin chen finished speaking, he looked at lan yu quietly, his gaze deep.

lan yu felt his hair stand on end as qin chen’s gaze penetrated his soul.

Qin Chen smiled. alright, I won’t get an injection today. I’ll give you a massage.

Lan Yu looked at him suspiciously-

would he be so kind as to let go of the opportunity to torture him?

in lan yu's heart, he had already given up on the hope of being able to leave the hospital. he was just waiting, living a day at a time.

he wanted to see how many methods this beautiful sissy black-hearted doctor had to torture and humiliate him!

Qin Chen looked at him and smiled. I don't need a nurse today. I'll do it myself.

Lan Yu pursed his lips and gritted his teeth. what do you want now? "

"treat the illness! let's see if you're still working!" Qin Chen's smile was devilish and somewhat evil.

the muscles on lan yu's thin face trembled non-stop. he really could not accept being checked by a man!

However, Qin Chen's technique was very fast and steady, as if he had done it thousands of times. As he deftly removed the hospital gown, he said lightly, "I'm a minor in Andrology!"

His gaze moved up and landed on Lan Yu's face. He said something that Lan Yu would never be able to show his face in his life, "You've been awake for so long, but Qianqian hasn't gotten up, right?"

the veins on lan yu's forehead throbbed as he squeezed out a few words, "get lost!"

"Calm down!" Qin Chen easily pressed his shoulder down. being easily angered is not good for your recovery.

Lan Yu panted heavily and said in a bad mood, "But you've been angering me!"

"arouse your survival instincts! but you have to control yourself." Qin Chen raised his eyebrows, then put on a mask and gloves.

“Am I that dirty?” Lan Yu gritted his teeth.

“In my eyes, this is just a lesion!” qin chen’s voice was calm, and his eyes were sharp and professional, not at all like a black-hearted doctor.

then, qianqian lan yu closed his eyes and endured the examination of the beautiful doctor. this process was simply torture to him.

Qin Chen’s movements were very professional, and he didn’t avoid his gaze. He even used a professional technique to test it.

Of course, the blue universe Kasaya still couldn’t.

after about ten minutes, qin chen finished the examination and said in a calm tone, ” it might not work for the time being. the root of the illness isn’t this, it’s still this leg. ”

lan yu just looked at her, unable to tell whether he was sad or happy.

qin chen paused for a moment, then slowly took off his gloves and said, ” in other words, if the nerve in your leg is really dead, you can just wait to be a eunuch!

Lan Yu was originally very calm, but after hearing these words, anyone would fly into a rage. “is this how you comfort your patients?”

” this is not a consolation or a threat. this is a blatant humiliation! ” qin chen smiled happily and threw the gloves on his face. ” “Take a good whiff of your own scent!”

Chapter 2394: quack doctor, how do you want to play?(3)

qin chen smiled happily and threw the gloves on his face. ” “Take a good whiff of your own scent!”

with that said, she put her hands in her pockets and walked out leisurely.

The door closed, and an angry voice came from inside, ” quack!!!

qin chen laughed, brushed the hair on his forehead, and walked towards the elevator.

The young nurses who passed by all looked at him with eager eyes-Oh my God, Dr. Qin is so handsome!

one had to know that dr. qin was the number one male god of sheng yuan hospital. every move he made was extremely handsome, just like how he fell in love with ‘li zeyan’ in the game producer. his eyes could simply discharge electricity. when he was in H, qianqian could not imagine how attractive she was. if she called her baby, they would probably go to heaven!

Qin Chen walked into the elevator under the admiring gazes of a group of nurses.

he had long been used to the adoration and worship of women. when he turned around in the elevator, the nurses inexplicably thought that he looked like “bai qi.” oh my god, he was so handsome!

and in the ward, lan yu qianqian once again felt like she had nothing left to live for!

After Qin Chen got off work, he took out the piece of paper from his white coat and looked at it for a long time.

Although he had an appointment with Zhou chongguang at nine O ‘clock, he arrived at the night bar before eight o’ clock. He ordered a glass of white Martell, listened to music, and smoked casually. He didn’t smoke much, probably only two or three in an hour.

Qin Chen had a mix of bad and proud, which was very attractive to young girls, especially today when he took off his thin coat and wore a black shirt underneath. The first two buttons were unbuttoned, revealing his delicate collarbones.

exquisite was the impression qin chen gave people, but he wasn’t feminine. his beauty was particularly natural.

He was a man who was insanely good-looking.

of course, there were also many women who came over because qin chen was wearing world-class brands and his temperament showed that he came from a good family, like a diamond man.

however, he was very cold, and those women returned without any success.

When Zhou chongguang came over, he saw a woman leaving angrily and couldn't help but laugh. He walked over and took off his coat, then sat opposite Qin Chen. why, are you not interested in the woman just now? ”

he only knew that qin chen had been studying medicine in the united states and was a genius doctor, but didn't they say that the more talented he was, the more pressure he had?

Qin Chen glanced at him, but didn't say anything. He raised his hand to call for the waiter.”i'll give this gentleman a glass of watergate.”

zhou chongguang originally wanted to reject him, but it was rare for his brother-in-law to ask him out. although this brother-in-law didn't seem like a good recommendation, he was much easier to deal with than ye muyun.

as zhou chongguang thought of this, he did not say anything.

after a while, the waiter brought the wine over. he took a sip and looked up.”Is there something you need?”

“en!” qin chen took out another cigarette and put it between his lips. he turned his head.”Haven't you already guessed it?”

Zhou chongguang laughed bitterly. it's Qin Mu, isn't it? ”

Qin Chen was only focused on smoking. After half a cigarette, he took out a piece of paper. this was prescribed by the doctor today. Qin MU's body is cold, so it's hard for him to get pregnant. He needs to recuperate slowly.

While Zhou chongguang was still in a daze, he slowly opened his mouth again, ” “Also, Qin Mu is under too much psychological pressure.”

his gaze was burning. ” if there’s a next time, and you force her into that state, zhou chongguang, don’t even think about seeing her again! ”

Zhou chongguang had been listening quietly the whole time, as if he was not surprised.

Chapter 2395: Mumu, let’s play for two more years (1)

In fact, he and Qin Mu hadn’t used any protection for a long time, so he didn’t get pregnant. He knew that there must be something wrong.

however, he didn’t expect that the youngest one of the qin family wouldn’t be any easier to deal with than ye mu yun. she was simply too sharp!

He was silent for a long time before he said in a low voice, ” “The thing I care about the most is not the child.”

“i hope so!” Qin Chen’s voice was very calm. He put out his cigarette and got up.”Let’s go!”

Zhou chongguang called out to him, and there was some hesitation in his expression. by the way, I have a younger cousin at home who studies music. She’s of the same age as you. Why don’t you introduce her to me? ”

he admitted that he was trying to win her over.

Qin Chen put on his coat and frowned slightly, then turned to look at Zhou chongguang. “i don’t have any plans to find a girlfriend.”

Zhou chongguang was a little stunned. Could it be that Qin Chen was a G?

when he returned to the villa, he had a lot on his mind, but he couldn't tell qin mu. instead, he talked about qin chen.

zhou chongguang asked qin mu half-heartedly, very vaguely and darkly asking if qin chen's sexual orientation was normal.

Qin Mu laid on the bed and laughed for a long time. He laughed so hard that his tears were about to flow out.

Zhou chongguang propped himself up on both sides of her body and pinched her small chin with one hand. His voice was deep as he said, "you dare to laugh at me, huh?"

qin mu reached out and hooked his neck. "why don't you guess why he doesn't look for a girlfriend?"

Zhou chongguang looked at her suspiciously. I can't think of any other reason other than G.

qin mu moved closer to his ear and said in a very soft voice, pausing after each word, "Because Yingluo is a girl. How do you want her to find a girlfriend?"

Zhou chongguang's expression was as if he had eaten something.

"Really?" he narrowed his eyes.

How could that be possible? although Qin Chen was extremely beautiful, he had a masculine aura and a slightly evil look. He was dressed like a man and didn't look out of place.

Moreover, he and Mumu were born from the same womb.

suddenly, zhou chongguang felt as if he had been struck by lightning. he had forgotten that qin mu also had a score of 172. qin chen's height of about 175 cm wasn't unusual, and he was tall and thin. if yingying had been raised as a boy since she was young, then no one would be able to tell him apart.

zhou chongguang rolled to the side, using the back of his hand to cover his eyes. he let out a low sigh. "How did she do it?!"

He really couldn't tell at all.

qin mu laid on his chest and said softly, " yes! She's been like this for many years, and many girls have liked her since she was young!"

zhou chongguang secretly cursed her in his heart as a pervert, then turned his head to look at his young wife and asked very seriously, " "is he going to the men's room or the women's room?"

qin mu pinched his arm. " you have to ask qin chen. "

"i wouldn't dare!" Zhou chongguang let out a low sigh. he's not to be trifled with!

He still felt that Qin Chen was a man. Yes, let's be brothers!

it's good that you don't know.

after asking about qin chen's matter, he remembered the prescription that qin chen had given him. it was all chinese medicine. he had already secretly gotten the medicine, and the only thing left was to find a way to trick mumu into drinking it.

zhou chongguang propped up one side of his body and looked at qin mu seriously. " i plan to take a month's annual leave during the new year. we don't want children for the time being. i want to bring you out for a walk. "

Qin Mu looked at him in surprise and was a little surprised. Then, he slowly said, " "Didn't you want a child before?"

Zhou chongguang laughed and suddenly turned over. Before she could react, he kissed her on the lips.

## Chapter 2396: Mumu, let's play for two more years (2)

he kissed her and said passionately, " " i suddenly realized that i haven't had enough of xufu. let's play for another two years, okay? "

Qin Mu was kissed by him and couldn't break free. He could only hit his shoulder with his small hands and said intermittently, " "The" the wind is the rain "

He kissed her for a while, then moved his thin lips to her ear and said in a hoarse voice, " "No matter how I think about it, my wife is still the most fun!"

qin mu turned his little face away and bit his chin. " bad guy! "

Zhou chongguang's gaze was deep as he supported himself and looked at her deeply. His voice was also very hoarse."Do you like bad guys?"

"You reek of alcohol. Get lost!" Qin Mu said with a look of disdain.

he chuckled and easily pulled her into his arms, demanding a kiss on her lips.

On the surface, even ten Qin mus wouldn't be his match. Very quickly, she softened into a puddle of water and was at his mercy.

in a daze, she felt him take the t-shirt.

qin mu held his hand and frowned. " if we have one, we won't go out. it's the same in B city. "

"Mrs. Zhou, I've changed my mind. I still want to play for two more years!" He leaned close to her ear and said passionately. At the same time, he sealed her small mouth, not giving her a chance to speak again.

After using a few at the same time, he finally used up all his strength. After lying down together for a while, Zhou chongguang carefully carried her into the bathroom and treated her like a princess.

recently, he was quite infatuated with his wife and couldn't bear to part with her. sometimes, qin mu would find him annoying and felt that he was being washed until a layer of his skin was about to fall off. he patted his hand and said weakly, "Zhou chongguang, that's enough! don't come again, yingluo."

She was really afraid of him.

He was a 28-year-old man, and his stamina was abnormally good.

He could stay up all night, but she didn't have the energy to accompany him. Sometimes, when Qin Mu was angry, he would kick him and ask him to find a woman outside to settle it.

but every time she said that, that night, she would probably be skinned by him.

later on, when zhou chongguang tortured her, he would tease her and mumble as he tormented her, "baby, you're saying this because you want me to torture you, right?"

at that moment, qin mu even wanted to kill him.

after a long time, she really understood. zhou chongguang looked like a gentleman, but he was actually a carnivore in his bones. it was hard for him to come home every night in the past.

She thought back to that time. He had restrained himself. She didn't know if it was because he wasn't interested in her body or because he had too much fun in the office in broad daylight!

As if he could feel her thoughts, Zhou chongguang pinched her little face and said unhappily, "Do you think that I have such a good appetite for everyone?"

qin mu was still lying in the bathtub. looking at his handsome appearance, he suddenly said faintly, "zhou chongguang, without love, how can we continue?"

"What about you?" his fingers gently caressed her little face and he said faintly, "what were you thinking when i hugged you?"

"Endure!" Qin Mu raised his little face and spoke bluntly.

in the end, zhou chongguang reached out and pinched her little face. ” “You really dare to say that!”

“Since Mr. Zhou dared to do it, I have nothing to hide.” Qin Mu rebuked him directly.

he chuckled. ” it’s my fault! ”

after he finished speaking, he reached out and carried her back to the bedroom. as he walked, he bit her little nose.”If you talk back again, I’ll make you sleep with me the entire night.”

Chapter 2397: mumu, let’s play for two more years (3)

qin mu hugged him softly. ” zhou chongguang. other than threatening me, what else do you know? ”

“Many!” “don’t worry, mrs. zhou,” he said with ill intentions,”i’ll make them all come true on you in the future.”

qin mu bit his neck and ignored him after that.

When she was not looking, his eyes were deep and gentle.

he placed her under the blanket and carefully hugged her to sleep. as long as he thought of qin chen’s words, he didn’t dare to let her feel even a little cold.

they lay under the blanket together. he placed her feet in his arms to give her warmth.

Qin Mu couldn’t fall asleep like this. He opened his eyes. I’m hot.

“Oh!” let’s go, ” he said calmly, then let go a little.

qin mu was in his arms. he opened one eye and looked at him.”Zhou chongguang, did you do something to let me down, huh?”

He laughed. no way!

Qin Mu snorted. he’s trying to curry favor for no reason. He’s either up to no good or up to no good.

He chuckled and reached out to pinch her little face. even if they are, it’s between us. It’s none of other people’s business.

Qin Mu closed his eyes and said in a low voice, ” don’t hug me too tightly, or I won’t be able to sleep!

zhou chongguang looked at her calm little face and sighed in his heart. mumu, but i want to hug you.

she was so tired that she fell asleep, but zhou chongguang was not sleepy at all. after she fell asleep, he got off the bed quietly and went outside to smoke two cigarettes.

He was a little frustrated. For Qin Chen to look for him so cautiously and not let Qin Mu know, the problem must be serious. It must have made his heart feel heavy as he stood alone in the dark night.

he even regretted asking her to have a child. if he had known earlier, he would have told yueyue that he didn’t like children. he only liked to have two people and that one child was very annoying.

however, it was useless to regret.

Now that their relationship was not bad, Qin Mu also started to look forward to the birth of a child. She liked to let her imagination run wild, and he didn’t dare to take any risks.

Zhou chongguang smoked two cigarettes outside and returned to the bedroom to lie beside her. Qin Mu was avoiding him, probably because he felt that his body was cold. He was not willing to be in his arms.

He lay down quietly at the side and waited for her body to warm up before pulling her into his arms.

Qin Mu lay in his arms obediently and was especially obedient. It was the best look he had ever seen. Zhou chongguang leaned over, and his warm thin lips pressed against her forehead. His voice was very, very low. “mumu, we’ll walk down this path together.”

she had fallen asleep, but she probably thought that he was annoying, so she slapped his handsome face with her small hand.

Zhou chongguang could not help but laugh. He felt a little helpless and kissed her again unwillingly, but his heart was as gentle as water.

a child wasn’t that important to him. it might be more important to his mother, but if he couldn’t convince wanwan, he would adopt one. if the zhou family had to have an heir, that was.

that night, zhou chongguang could not sleep at all.

at this moment, he knew that if he loved a woman, he had to give her his heart and soul. when it came to him, he had to think for her and make her happy. he couldn’t stand it if she was even a little unhappy.

so this was what love and liking were like.

early in the morning, qin mu woke up in zhou chongguang’s arms. in front of him was his magnified handsome face. because of one night, his chin had a deep green color.

Chapter 2398: I want to pamper you (part one)

she stretched out her little hand and rubbed it. it was a little prickly, but it was also a little fun, so her little hand moved around like this.

at first, zhou chongguang let her have her way, but after that, he lowered his voice, probably because he was angered by her. “Stop it, I’ll kill you if you keep playing.”

Qin Mu raised his little face and looked at him eagerly. After a while, he retracted his little hand and said, ” “do you still have any strength?”

Zhou chongguang held her small body in his arms and lowered his voice, ” “do you want to try, hmm, mrs. zhou?”

qin mu laid on his shoulder and chuckled. ” “It’s Mr. Zhou who wants to try it on himself.”

“Yes, I want to try, and I want to do it even more!” He spoke bluntly.

She blushed and tried to break free, but he didn’t let her. He locked her in place.”what?”

Qin Mu didn’t struggle anymore. He simply lay in his arms and said softly, ” “aren’t you going to work?”

“i’ll take a day off today and accompany you,” he said in a hoarse voice.

qin mu bit his lip. ” i don’t dare to let you accompany me. ”

“Then how about we change it to sleeping?” He laughed in a low voice, as if he was up to no good.

His little wife struggled gently. He smiled happily and pressed on her small shoulder. ” alright, stop fooling around. be good and sleep a little longer. i’ll go make breakfast for you. ”

“That’s good!” Qin Mu lay down again and covered himself with the blanket, leaving only his eyes open.

There was a smile in her eyes, and that smile was filled with happiness.

zhou chongguang looked on and felt touched. if he could, he was willing to let her be happy forever.

he reached out and ruffled her hair, his voice a little hoarse. ” ” alright, be good. have a good sleep. your eyes are all blue. ”

Qin Mu pulled up the blanket to cover his little face, and his voice was muffled.”Mr. Zhou, you have dark circles under your eyes. I can tell at a glance that you’ve indulged too much in Jade.”

He found it so funny that he wanted to pull her out of the blanket and have sex with her again.

But he just smiled and pinched her little face, then got out of bed to wash up.

as qin mu lay down, he could hear the sound of him brushing his teeth in the washroom and the faint sound of him shaving. he shaved almost every day, and he didn’t seem to like having a trace of unrefreshing look on his face.

Qin Mu sighed. Actually, he was quite a clean freak.

Zhou chongguang came out of the changing room and had already changed his clothes. He was wearing a light gray sweater and dark brown casual pants, looking very comfortable at home. When he passed by the bed, he even specially walked over to pull her blanket aside and kissed her small face where her hair was scattered.

qin mu covered his face and laughed. he also smiled slightly.”You’re getting better at acting coquettishly.”

it was actually quite good. he also liked to pamper her.

zhou chongguang went downstairs easily. when he reached the kitchen, the servants were a little surprised.

I’ll make Madam’s breakfast. You guys can go down first! He said lightly, then took out the Chinese medicine that he had prepared last night from the cabinet. He had never done this before, so in the end, he asked the servant to help him boil the medicine.

“Is teacher not feeling well?” “this medicine is so choking,” the servant hesitantly asked.

“Yes, it’s Mumu who caught a cold.” Zhou chongguang’s face had a hint of gentleness. it’s for strengthening the body.

the servant made an “oh” sound. he was also quite happy in his heart. mr. zhou was really good to miss now. how many men would be willing to boil medicine for madam early in the morning?

zhou chongguang packed the medicine in a thermal container and personally fried bacon and radish cake for qin mu. there was also a bowl of fragrant rice porridge, which he placed on a tray.

## Chapter 2399: I want to pamper you (2)

he raised his hand to look at the time. it was already past nine o ‘clock, so he took the tray and went upstairs.

the entire second floor was quiet. he pushed open the door to the master bedroom. qin mu seemed to be asleep. there was no movement.

He walked over and put the tray aside. He sat by the bed and called her name softly, ” “Mumu, wake up.”

Qin Mu turned over and said in a muffled voice, ” Zhou chongguang, I want to sleep a little longer.

“it’s time for breakfast,” He leaned over and whispered behind her ear, ” if you don’t get up, I’m going to hit your p \* S.

Qin Mu acknowledged and turned over again. He opened his eyes and glared at him.”tyrannical!”

he took the opportunity to kiss her on the lips, his voice a little hoarse. ” I woke up early in the morning to make you breakfast, and you said I was overbearing, huh? ”

qin mu stretched out his hand to cover his lips. ” i haven’t brushed my teeth. ”

he also reached out to grab her little hand and said meaningfully, ” “Qin Mu, you haven’t washed your hands yet.”

she blushed and snorted. she glared at him, but finally sat up and watched him move the tray closer.

“i didn’t wash my hands.” She wanted to slip off the bed.

Zhou chongguang held her down and said in a light tone, ” “I’ll feed you.”

Qin Mu stuck out his tongue. so mushy.

However, she was also lazy, so she leaned against the bed and let him feed her.

between them, it seemed that they had never been this close before. he had never pampered her like this before. in the past, she also didn’t have the face to ask yingluo to do it. only now did she know that zhou chongguang could also pamper women a lot.

Her heart was a little complicated, but she still accepted it.

She had said that she would give him a chance.

after he finished feeding her breakfast, he asked her solemnly, ” “how’s the taste?”

“not bad, there’s still room for improvement.” she said it tactfully.

Zhou chongguang pinched her little face, smiled, and took the thermal container at the side. ” i found a doctor and gave you a prescription. yingluo, you keep catching a cold. try taking medicine for two or three months to see if your body will get better. ”

As he spoke, he opened it and poured himself a cup.

Xue ‘er was immediately repulsed by the strong smell of the medicine. She pinched her nose and said in a buzzing voice, ” did you make breakfast for me because you wanted to poison me with Chinese medicine? ”

zhou chongguang did not know whether to laugh or cry.

However, he really did not expect Qin Mu to be so afraid of taking medicine. Her personality had always been calm, unlike the clingy Tang Xue 'er. But now, it seemed that all girls were the same.

He didn't find it annoying. Instead, he liked it.

Zhou chongguang pulled her small hand away and laughed softly, "How could I bear to poison you? if I poison you to death, where would I find another wife? where would I find such a cute little girl?"

it wasn't enough to just talk, he even kissed her little hand.

qin mu was a little stunned. he looked at him."Zhou chongguang, you were the one who said that I haven't washed my hands."

"i don't mind you." his voice was low and hoarse, and then he whispered in her ear, "When will you serve me? hmm?"

In the past, there was nothing fancy between them. But ever since they made up, Zhou chongguang still felt that he was rather hardworking in order to please her. He was not afraid of being dirty or tired. However, Qin Mu was rather conservative and had always been unwilling to do so. He also did not accept such services.

As a man, he naturally wanted to.

However, he also remembered that she had said that he was dirty, and he did not dare to force her.

after saying that, he actually regretted it and immediately corrected, "Baby, if you don't want to, then forget it, okay?"

Zhou chongguang! Qin Mu covered his little face. Zhou chongguang, if I don't have to drink those medicines, I'm willing!

Zhou chongguang's heart twitched fiercely. He was simply in an unbelievable ecstasy.

He could not believe that she was willing to do this for him.

but,

However, his man's instinct made him choose to enjoy it first. As for the medicine, he could slowly coax it.

he reached out and pulled her into his arms, his voice low."you like me, huh?"

After it ended, Zhou chongguang lay down, his breathing chaotic. He had never been like this before. It was as if all the strength in his body had been sucked out, and he had even let out an embarrassing cry just now.

Although he tried his best to calm down, he still pressed her into his arms. After a while, when he had more strength, he kissed the hair strands on her forehead. His voice was extremely hoarse. Mumu, you little fool.

her eyes were still moist. just now, it wasn't just him, her eyes were also moved, and at this moment, she was flustered.

he knew her body so well, so how could he not know? after he calmed down, he leaned close to her little ear and said in a low voice, " let me help you, okay? "

Qin Mu closed his eyes. His voice was weak. don't whine.

But he had already carried her to the bathroom. Under the warm water, she was pressed against him and tried her best to please him ...

As for her, she could only accept Hanhan.

However, what made Qin Mu angrier was that he had enjoyed it and tormented her until she was on her last breath. In the end, he still held her in his arms and fed her the medicine mouth to mouth.

The process was difficult to describe in a few words, but it was not as bitter.

after feeding him the medicine, qin mu's face was bitter. he lowered his head and bit his chin."you scoundrel."

Zhou chongguang laughed a little willfully. if you still refuse to take your medicine next time, I'll deal with you according to the three meals.

qin mu simply covered his head with the blanket and ignored him.

Zhou chongguang was about to say something when there was a knock on the door.

he paused and straightened his body."what is it?"

"mr. zhou, the old lady is here," the servant said in a respectful voice.

zhou chongguang was a little surprised. his mother?

after he and qin mu got married, his mother had never stepped into this villa, because it was the qin family's house.

Why are you willing to come over today?

after thinking for a while, he still said to qin mu in a low voice, " "You sleep for a while more, I'll go downstairs to entertain them."

Qin Mu made an “Oh” sound and looked very obedient. “do i need to get up? this isn’t right.”

He held her down and smiled. I’ll explain. Be good. Lie down and sleep.

Qin Mu was still worried, but she still laid down. She was worried about the Hickey on her neck. After all, she was an old woman and might not be able to accept it.

when zhou chongguang left, she glared at him. ” “don’t talk nonsense.”

He smiled and gently pinched her little face. I know!

A minute later, he slowly went downstairs, but his mother was not sitting in the living room. She only saw a cup of tea on the table, and the servant stood with an awkward expression.”the old lady is in the kitchen.”

Zhou chongguang nodded and smiled. I understand. You may leave!

After all, they were mother and son, and it wasn’t good to have people around.

Zhou chongguang walked towards the kitchen and saw his mother, who was holding the medicine jar and smelling it gently.
