

## Thank you 2401

Chapter 2401: Chongguang, have a child!(1)

“Mom,” she said. zhou chongguang walked over. ” why didn’t you sit in the living room? ”

mother zhou turned around to look at him. ” are you or is qin mu sick? I’m frying this early in the morning!”

Zhou chongguang smiled lightly. Qin Mu caught a cold yesterday. He’s still sleeping now. That’s why he took his medicine.

mother zhou nodded,”you’re really dedicated!” Young people nowadays don’t drink Chinese medicine. Western medicine comes quickly.”

hearing his mother say this, zhou chongguang smiled and didn’t say much.

the two of them couldn’t stay in the kitchen all the time, so they went to the living room to sit for a while. zhou mother raised her voice and asked someone to bring the tonics she brought from the car. finally, she said quite solemnly,”I collected all these things. They are very beneficial to women.”

She paused for a moment before she composed herself.”in the past, you were always out playing, so i wasn’t very optimistic about your marriage, nor did i urge you to have children. but now, your relationship is very good. chongguang, you’ll be 29 after the new year and will be 30 soon. At least you’re not letting your father down.”

zhou chongguang was silent for a while before he smiled and said, ” ” mom, mumu and i have plans to have a child when i’m 30, mumu. ”

He paused for a moment. Mumu is still young. Recently, she wants to open an art studio. I’m quite supportive of Wanwan, so let’s wait another two years!

“you’re too indulgent with her now.” mother zhou glared at him.

Zhou chongguang just smiled and took a sip of the tea beside him. that's not true. She usually listens to me. I'm in charge of her.

Although she said that, how could mother Zhou not see the love in her son's eyes? she also sighed in her heart. This ending might be even better.

she stood up. " i won't stay for dinner either. i don't want your wife to feel uncomfortable. "

"No!" Zhou chongguang was trying to please his mother. "qin mu is still looking forward to your arrival."

"stop it!" Mother Zhou glanced at her son. "Now that your business has grown, your ability to lie through your teeth has also increased."

she paused for a moment before she continued, " "how could i not know that i'm an annoying old woman!"

"No!" zhou chongguang chuckled. " alright then, i'll send you off. "

Mother Zhou was angry and amused at the same time. I knew you were an ungrateful Wolf. You forgot your mother after you married your wife!

Zhou chongguang didn't deny it, but he felt that since eight years ago, the mother and son hadn't seemed to have such a relaxed chat.

After sending off Zhou chongguang's mother, Zhou chongguang returned to the living room. He had a headache when he saw the pile of tonics.

he didn't want qin mu to know about it and put more pressure on her. thus, after some thought, he asked the servants to move into the cabinet in the kitchen and instructed calmly, " "Don't let Madam know."

"alright," the servant agreed.

zhou chongguang ate his breakfast and then went upstairs.

when he went upstairs, he was surprised to find that qin mu wasn't asleep. instead, he was leaning against the head of the bed. when he saw him come in, he asked calmly, " "did your mother leave?"

" mm. " he sat beside her and reached out to stroke her long hair. " mm. i'll go back first. "

"why didn't you leave lunch for us? president zhou can cook for us personally," qin mu said with a soft voice.

Seeing her mischievousness, he smiled and reached out to pinch her little face. yes, only our Mumu can enjoy my personal service.

His words were a double-edged sword. Qin MU's face turned red and he glared at him. "you're not serious."

Zhou chongguang smiled and did not say anything else.

Chapter 2402: chongguang, have a child!(2)

zhou chongguang smiled and didn't say anything else. he just leaned against the head of the bed and gently patted her to coax her to sleep.

when qin mu woke up, it was already afternoon.

Opening his eyes, Zhou chongguang carried her to the bathroom. your brother called just now and said that he wants us to go to your parents 'house for dinner.

qin mu was placed in the washroom by him. he brushed his teeth in a daze. half of it was done by himself, and the other half was done by his hands. in the end, qin mu simply didn't move and let him serve him.

Zhou chongguang reached out and knocked her little head. He laughed and scolded, " "you're really a little shrewd."

“Then, do you like it?” Qin Mu acted coquettishly, which was a rare occurrence.

Zhou chongguang lowered his head to look at her. His gaze was burning. He looked at her like this for a long, long time before he finally lowered his head. His voice was slightly trembling as he said, “ of course I like it.

he liked her so much that he was already worried about his personal gains and losses. sometimes, he even dreamed that mumu said he was dirty and that she wanted to leave him.

how could he bear to do that?

zhou chongguang’s throat was a little tight, and his voice was also very hoarse. ” mrs. zhou, you’re seducing me. ”

“no, it’s mr. zhou who can’t control his unreasonable jade-like desires.” Humph! Qin Mu snorted and pushed him. carry me to the changing room.

he laughed. she was using him now, and she was using him very well.

Probably because of her mood, she picked a light pink coat that she rarely wore in the past. Zhou chongguang couldn’t help but look at it for a long time. It was only then that he remembered that his little wife was actually only 22 years old. In the past, she had deliberately worn a more mature look.

“you’re like a little girl now.” He reached out and pinched her face. don’t attract people outside. hmm?”

“This is also what I wanted to tell you, Mr. Zhou,” Qin Mu said very slowly.

zhou chongguang laughed and reached out to hold her shoulders, wrapping a thick scarf around her.

when he walked out, it was snowing. qin mu couldn’t help but turn around and look at him with a happy expression.”Zhou chongguang, it’s snowing.”

as she spoke, she exhaled hot air, then blew on his ear and wrote two words.

Zhou chongguang took a glance and snorted softly, "Qin mu, if you really want me to be a turtle, I'll break your legs."

"How am I supposed to walk without legs?" Qin MU's voice was soft.

He was opening the car door when she leaned behind him. Then you'll have to carry me for the rest of your life.

Zhou chongguang did not retract his hand that was pulling on the car door. He paused for a moment and smiled. mm, then I'm not a snail anymore. He's carrying a shell on his back."

Qin Mu hugged him and bent over to his ear, smiling gently. "Turtles also carry their shells!"

Zhou chongguang's heart was boiling hot. When Qin Mu was being mischievous, it was simply terrible.

He suddenly turned around and held her small face in his hands. He turned around and pressed her against the car, his lips kissing her small mouth.

His kiss was a little aggressive. Other than feeling a little uncomfortable, Qin Mu also felt a little shy.

Now that they were outside, servants could come over at any time. She struggled and her voice was muffled. "Zhou chongguang, you're so silly."

However, the more she struggled, the fiercer he kissed her. He pressed her against the car so roughly that her bones hurt.

Qin mu bit his lip and endured his rough kiss.

Although he was a carnivore, he rarely indulged Yingying like this outside.

qin mu struggled for a while before he lost all his strength. he let his body go soft and allowed him to kiss him.

Zhou chongguang kissed her hard. When he finally let go of her, Qin MU's little mouth was swollen from kissing.

Chapter 2403: chongguang, have a child!(3)

she angrily bit his lips. ” “someone will see.”

He chuckled and licked his lower lip, as if he had not had enough.”Then let them see.”

“Shameless!” qin mu turned around and opened the car door. he wanted to get in the car, but he hugged her from behind again and covered her ears.”You’re shy, huh?”

Qin Mu bit his little mouth, and there were unspeakable tears in his eyes. Zhou chongguang, I’m not used to Yingluo being outside.

He chuckled softly, his hot breath brushing against her ear, causing her to tremble.

“Okay, next time in the bedroom, okay?” He said in a low voice and bit her little ear again.

He was especially happy to see her scream.

In the end, he opened the door for her and helped her into the car.

When she arrived at the Qin family, she realized that not only ye Muyun, Xue ‘er, and little Yishu were back, but Qin mo and Qin Chen were also back. It could be considered a family gathering!

In the past, Zhou chongguang would not attend such gatherings. He and the Qin family were always separated by a layer.

Even now, he was still not at ease. However, since he had decided to love Qin Mu, he would have to accept everything.

Fortunately, he bought a gift from Yi Shu on the way, so it wasn't impolite.

However, when Zhou chongguang saw little Yishu wearing a little woolen suit and following behind the cool Qin Chen, he couldn't help but sigh that Yingying was really a common interest in the family. This definitely had nothing to do with Lan Yu's education.

lan yu was the scapegoat!

He even felt some sympathy for Lan Yu. He would not have a good life in the hands of Qin Chen, who was half man and half woman.

Just thinking about it made general manager Zhou feel that his life was still perfect.

he gave a set of lanxiang brand excavators to little yi shu, and the little guy was very happy.

when he looked up, he saw ye mu yun's dark face and smiled happily. "yishu, i'll buy you a whole set of small trains and planes in the future."

Boss ye's face darkened even more.

zhou chongguang coughed lightly and said to his wife, "If we have children in the future, especially girls, don't be with Qin Chen."

It was too dangerous, he could turn into a demon like Qin Chen at any time!

qin mu carefully looked at his big brother, then at qin chen. he swallowed his saliva in embarrassment.

When little Yishu grew up, would she be like Chenchen and like to act cool, making a bunch of female nurses scream at her,"so handsome!"

Just by thinking about it, he knew how much of a headache his big brother would have in the future.

Qin Mu didn't dare to say anything. She had always been a little afraid of ye Muyun, but Zhou chongguang wasn't. Moreover, there were still some grudges between the two of them.

fortunately, there was a child around, so the atmosphere was still quite harmonious.

but when they were discussing ye mu yun and xue 'er's wedding date, the little guy's face fell, showing that he was not happy.

She had slept with ye Sansan for so many days. It turned out that she had been deceived.

ye sansan had not given up on her mother!

Little Yi Shu was no longer interested in the toys. He threw them to the side, and the little guy was particularly disappointed.

Her mother was going to marry ye Sansan. She could no longer be with her parents.

The little cutie pie sat alone in the yard, hugging himself as he whined.

Qin Mu watched and walked over quietly. He copied little Yi Shu and sat there. He turned his face and smiled."What's wrong, Yishu?"

Little Yi Shu raised his eyes and looked at Qin Mu pitifully."Aunt."

Qin Mu stretched out his hand and rubbed her soft little curly hair. His voice was gentle. "you call me aunt. It means that you acknowledge ye Sansan as your father, right?"

Chapter 2404: I like it since you gave birth to it (part one)

The little guy lowered his head again and said softly after a long while, ” “But I can’t bear to leave father Lanyu.”

as he said that, little cutie pie’s bean-sized urine started to drip down, making him look quite pitiful.

qin mu’s heart also softened. he held little yi shu in his arms and kissed her fair forehead. he only felt that she was really like a custard bun, fragrant and soft. no wonder his brother had taken a fancy to xue ‘er when he was young.

This feeling was really different.

Were all children so cute?

qin mu’s heart softened. ” yishu actually likes ye sansan too, right? ”

...

The little guy didn’t say a word and hung his head.

It wasn’t that he didn’t like her, but that he didn’t want to admit it.

She liked him so much that she thought it would be weird if ye Sansan became a father. Besides, little Yishu already had a father.

The little guy didn’t say anything. Qin Mu smiled. He knew what he was thinking. He reached out and patted her little head. in the future, Lan Yu can still be Yishu’s father, understand? Yishu can have another father. Think about it, isn’t it a good deal?”

little yi shu looked up with an innocent face, ” really? ”

however, she quickly became hesitant. ” “Then which father does mommy belong to?”

qin mu was stumped by the question. it was hard for him to answer this question for a while.

At this moment, Zhou chongguang sat down beside her and smiled. "That depends on your mother's choice."

"Mommy will definitely choose ye Sansan." Little Yi Shu cried.

her mother and ye sansan often kissed each other, but her father and she didn't do it before.

When she cried like this, Qin Mu and Zhou chongguang both laughed. They didn't think of consoling the little one anymore. They only felt that Yingluo was really too cute when the little fellow was like this.

LAN er 'er peeked at them. These two did not comfort her. Waa, waa, she was so pitiful.

Waa, waa, she wanted a daddy!

lan er 'er was tormented for a long time. in the end, it was zhou chongguang who carried her up and coaxed her in various ways.

qin mu looked at the way he spoke gently and also smiled faintly.

She got up and hugged one of his arms with both hands. In a very soft voice, she said,"Zhou chongguang, don't you like children a lot?"

zhou chongguang turned his head and thought for a moment before saying, " "Little Yishu is quite cute like this."

qin mu wrinkled his nose and looked around to make sure no one was around. then, he lowered his voice."Is it because Yishu is Xue 'er's child that you like her so much?"

"What are you thinking about?" He laughed and freed one hand to pinch her face."If it was your child, I would like it even more!"

after he finished speaking, he felt a little regretful and sighed in his heart.

He didn't want to see Qin Mu disappointed one day.

he was even prepared to vasectomy and tell everyone his problem if mumu could not make it.

He had thousands of thoughts in his mind, but Qin Mu didn't know them. He bit his arm. "i won't give birth!"

After biting, she ran away.

Zhou chongguang looked at the little fellow in his hands and said helplessly, "you see, women are so troublesome!"

little yi shu's eyes were filled with tears. she looked at him pitifully, and then she cried again.

"Everyone else says I'm a girl, but uncle, you're saying that little Yishu is troublesome!"

the little guy cried sadly. he felt that his father didn't love him and his mother didn't love him when he was cheated in this life.

the whole world was filled with malice.

Zhou chongguang was defeated by the little thing.

"You like children a lot?" a cold voice rang in her ears.

the referee recommended yaoyao's new book, marital passion: Good Morning, hubby. you can search for the book's title or pen name, please add it ~~"

Chapter 2405: I like it since you gave birth to it (2)

He looked up and saw Qin Chen leaning on the side, a blade of grass in his mouth, still dressed as a man.

He was extremely handsome!

to be honest, as a man, she didn't have a girly aura at all. she was really beautiful to the point of going crazy.

however, what made zhou chongguang's head hurt was that qin chen didn't have the gentleness of a young girl, and he also had the slyness that men didn't have.

His (I'll take it as Qin Chen is a man) eyes often seemed to see through all mockery, often making Zhou chongguang very embarrassed.

He thought about it seriously before answering Qin Chen, " it depends on affinity.

...

Qin Chen laughed. you're very cautious, why are you afraid of me? "

"that's because you're qin mu's zhenzhen's younger brother," zhou chongguang snorted coldly.

"Is this a personal attack?" Qin Chen's voice was still lazy, and he didn't seem to care.

zhou chongguang laughed. " let's see how you'll understand! "

Qin Chen's beautiful eyes were filled with admiration. alright, you passed!

How he came, how he left, he even took little Yi Shu away. This child was quite cute, his whole body was filled with the smell of custard buns, and he was even raised by that pervert Lan Yu.

He, Yueyue, liked it!

(The author likes the character Qin Chen very, very much. Please don't stop the author from writing about him!!!啊啊啊, 迷死了!!!)

in zhou chongguang's heart, he was squinting his eyes to the point of f \* cking a dog, a woman more handsome than a man!

And they were Qin MU's fellow countrymen.

Fortunately, his Mumu was not like this. Otherwise, Zhou chongguang would not be able to imagine how he could hug and make love with a good-looking 'man'!

He also dared to guarantee that Qin Chen was an airport runway guy.

Looking at that thin body and those two long and straight legs, it didn't look out of place when he dressed up as a man.

No, she was not pretending to be a man, he was a man!

zhou chongguang looked at it for a long time, then laughed.

qin chen took the little custard and played with it for a long time. he only returned it to ye muyun after the party was over.

when yishu left, she waved at qin chen reluctantly. ” “Goodbye, uncle!”

xue 'er covered her face.

Qin Chen smiled lightly. “Small| Little brother| Little brother, goodbye!”

xue 'er sneaked a glance at ye muyun and noticed that the muscles at the corner of his mouth were twitching. she thought, one was his younger brother, no, younger sister, and the other was his son, not his daughter wanwan. they were all like this, no wonder he had a headache.

at this moment, xue 'er still felt bad for him. she had forgotten that she was actually little yishu's mother.

On the way back, Xue 'er sat in the front passenger seat and kept looking at ye mu Yun.

he reached out and held her fingertips. ” why do you keep peeking at me? huh? ”

“no!” She denied it.

ye mu yun smiled and didn't expose her.

in fact, he knew what she was thinking. qin chen's style of dressing or behavior was no problem for him. the entire qin family did as he pleased. after all, he was an adult and knew what he wanted.

moreover, he had been independent since he was young and had never been at a disadvantage.

but yi shu was different. she was still young, and her values had not yet been fixed. she had a soft personality, which was very similar to xue 'er.

He didn't even dare to think about a male version of Xue 'er!

however, his little wife was not worried at all and was still watching him make a fool of himself.

Mr. Ye felt that it was time to teach her a lesson tonight. Otherwise, she would forget who her husband was.

Chapter 2406: with him around, she's not afraid (part one)

little yi shu had been secretly observing them from the back seat. she knew that their marriage was probably set in stone. she was half-lying down, and her little face was full of disappointment.

Ye Muyun also saw it from the rearview mirror and couldn't help but smile.

his child yingying was so cute, no matter if she was unhappy with him or angry.

he only looked at it and then focused on driving. the road was a little slippery, so he slowed down the car again.

xue 'er didn't talk to him anymore, afraid that it would affect his driving.

under the street lights, thin snowflakes were falling, so clear that they could be seen. the road was already covered with a thin layer of white.

...

ye mu yun drove even slower, his handsome face flickering under the lights of the passing cars.

at the intersection ahead, a truck suddenly slanted toward them. the wet and slippery road made the speed faster and more dangerous.

Ye Muyun hit the brakes and the car screeched, but it still rushed forward at a very slow speed. The truck was getting closer and closer. His slender hands quickly steadied the steering wheel and started to reverse. It reversed very quickly and then drove towards the side of the road with a bang. Half of the front of the truck hit an electric pole.

the front of the car was smoking.

As for the truck, it passed by his car and finally flipped over on the side of the road with a bang.

ye muyun leaned on the steering wheel. when he regained his consciousness, he turned his head.

xue 'er also came back to her senses and realized that his forehead was bleeding a lot, and his arm was also dripping with blood.

She covered her mouth.

“i’m fine!” He said calmly as he quickly flattened his seat and went to the back seat to pick up his little one.

although yi shu was sitting in a child’s chair, he still touched his leg. at this time, his pants were bleeding.

ye mu yun couldn’t care about anything else. he unbuckled the little guy’s seat belt and ordered xue ‘er, ” “Call Qin Chen and ask him to arrange an ambulance. We can do a blood transfusion in the ambulance.”

although xue ‘er was worried about him, she was more willing to listen to him now.

in such a cold, dark, and helpless night, he was injured, but he could still give her a sense of security.

She also knew that he had hit himself in this state to protect her and Yishu.

She was afraid of blood, but she couldn’t faint now. He and Yishu both needed her support.

xue ‘er’s hands trembled, and she pursed her lips. she firmly dialed qin chen’s phone and briefly explained the situation. she then looked at the sign on the side of the road to indicate the location.

qin chen informed the hospital and drove over quickly.

Ye mu Yun’s blood was flowing non-stop. It was a shocking sight to see.

although little yi shu’s wound wasn’t big, he was still crying in this kind of snowy night. it was very despairing, but xue ‘er was brave like never before.

she found a few towels in the car and wrapped them up. however, the blood on ye muyun’s arm continued to drip down. it was terrifying.

“big brother!” Xue ‘er finally couldn’t hold it in and sobbed.

his voice was gentle as he comforted her. "be good, i'm fine."

he hugged little yi shu, and he was afraid that she would be scared, so he kept coaxing her.

that look was just like how she had coaxed her when she was young. xue 'er's eyes were filled with tears.

She finally understood what his feelings for her had been like in the past.

The heat in the car slowly disappeared, and it became colder and colder. He took off his coat and put it on her, his voice a little hoarse."there's a bloody smell, but i'll make do with it."

Chapter 2407: She's not afraid as long as he's here (2)

He gave the only wool blanket to Yi Shu, which was wrapped in a small blanket.

this child's body was weak and he couldn't catch a cold, otherwise he would definitely have a fever.

not only that, but he also used his body temperature to warm the little guy.

He took off his sweater and used the warmest part of his heart to warm her.

Little Yi Shu was in a daze. She felt very uncomfortable. She felt as if she was being held in a warm embrace. This embrace was very warm, just like her father's.

She called out softly. Ye Muyun's voice was deep. daddy's here.

...

little yi shu struggled to open his eyes and looked up at the handsome face in the dark.

there was a lot of blood, but she could tell that it was ye sansan.

Ye Sansan had lost a lot of blood, but why was he still hugging her so tightly?

Little Yi Shu closed his eyes tiredly. His little face drooped in ye mu Yun's arms and he mumbled for a long time.

her little fingers secretly wrapped around his waist as she exhaled a weak breath. "uncle, will i die?"

"Nonsense, how could I! " i will always be by our little yi shu's side. " ye muyun shook his head. his vision was a little blurry, but he had to hold on. he had to transfuse blood to yi shu. also, xue 'er would be scared if he fainted.

He forced himself to talk to little Yi Shu. He didn't let her sleep, and he didn't let her be scared.

the blood on his arm was still flowing, so much that it scared little yi shu. the little guy finally cried out, and he cried in a soft voice, "uncle, are you going to die?"

He let out a long breath. no!

However, he knew that if the ambulance did not arrive soon, he might bleed to death.

xue 'er was on the verge of tears, but she didn't dare to.

she could only press on his wound tightly so that he would not bleed so fast.

she tried her best to suppress herself, afraid that her tears would upset him. in such a dark and icy night, their hearts were once again stuck together.

and this time, they had their child.

Qin Chen and the ambulance arrived at almost the same time. As soon as his car stopped, he opened the door and jumped out. He opened the back door and carefully carried Yi Shu out, then asked in a low voice, "brother, can you still walk?"

"Help me up, Xue 'er!" Ye Muyun's voice was a little weak as he spoke in a low and hoarse voice.

"oh," xue 'er replied. with tears and snot all over her face, she helped him out of the car and then got into the ambulance with much difficulty.

qin chen was already preparing a blood bag. he looked at ye muyun. "can you hold on?"

Because little Yi Shu couldn't be delayed.

"Go ahead!" Ye Muyun gritted his teeth.

Qin Chen looked at him silently and quickly began to draw blood. After the needle was inserted, he began to help him stop the bleeding. His movements were so Swift that it made people's hair stand on end, without a trace of emotion.

Xue 'er swallowed her saliva. She was worried about ye mu Yun and also worried about little Yi Shu.

Qin Chen's technique was very good, and ye Muyun's bleeding stopped very quickly, but he was still drawing blood.

after about 300 milliliters, his face turned pale. qin chen's voice was calm."can you still hold on?"

"yes." ye mu yun smiled.

xue 'er's little fingers were twisted together as she looked at him uneasily.

Qin Chen, on the other hand, changed to another blood bag and put the blood he had just drawn on Yishu.

ye muyun's face became paler and paler. he had to draw two bags of blood.

"you can't smoke anymore," qin chen said calmly.

Chapter 2408: She's not afraid as long as he's here (3)

In fact, the blood that little Yi Shu needed was not enough, but this 600ml could make it to the hospital.

Ye Muiyun didn't need her to say anything. He couldn't hold on any longer. He had been slapped until he went into shock.

"Put him on the nutrient fluid!" Qin Chen ordered the nurse expressionlessly, while he took care of Yishu.

his brother's body should be able to take it, but little yi shu needed to be taken care of.

Xue 'er stayed by ye Muiyun's side because little Yishu had Qin Chen. Although Qin Chen was always cool, she trusted him.

She watched as ye Muiyun fainted and bit her lip as she asked Qin Chen, "he'll be fine, right?"

...

"Yingluo probably won't die!" "don't worry, i'll keep him alive and let you two get married!" qin chen winked at her.

Xue 'er pouted and didn't make a sound. She kept holding his hand, hoping that he would suddenly wake up.

however, ye mu yun didn't wake up that night.

The ambulance arrived at Shengyuan hospital an hour later. Qin Chen arranged a Ward for him. He didn't want to sleep tonight because Yishu's bleeding hadn't stopped yet.

ye muyun couldn't continue to smoke for the time being. if he continued, he would die.

on a snowy night, sheng yuan hospital was cold and quiet. it was so quiet that even a needle could be heard.

However, the emergency room was still brightly lit.

ye muyun was still unconscious and had a fever of 39 and a half degrees.

Qin Chen rudely put him on a drip, not caring about him.

He took the blood bag and brought a nurse to the VIP Ward on the top floor.

The door to the ward opened. Lan Yu was lying down quietly. Although it was very late, he was not asleep.

at this moment, the lights in the ward suddenly turned bright and glaring.

Lan Ding opened his eyes and stared at the person who had suddenly appeared.

It's that black-hearted quack again, and there's a needle in his hand.

"what are you doing here?" lan yu's expression was somewhat guarded.

Qin Chen didn't have time to put on his white coat. He was wearing a thin woolen coat, which made his face look even more beautiful.

This was also the first time Lan Yu had seen this sissy in casual clothes. Lan Yu was a little reluctant to admit that this Sissy's innate conditions were particularly good. Although he was only about 175 cm tall, his aura was not any weaker than a man above 180 cm.

However, no matter how good-looking this quack was, it could not change the fact that he had done evil.

Lan Yu glared at him.

Qin Chen walked over quickly. I've just done a blood test, and your blood type is special. Although I'm disabled now, I don't want to use your blood if there's a way.

after he finished speaking, he asked the nurse to hold him down while he rolled up lan yu's sleeves. that aura was like a tyrant forcing himself on someone, right?

The bright red blood flowed into the blood bag like a pillar. The speed was a little slow. After all, Lan Yu had just turned from a vegetable into a normal person.

qin chen also knew that his body was not in a good condition to draw blood. what he was doing was no different from a bandit. it was against professional ethics.

But at this time, he couldn't care.

Lan Yu was controlled by a little nurse, and the quack doctor in front of him did whatever he wanted to him.

he almost wanted to curse out loud at qianqian. lan yu could guarantee that he had never seen such a shameless doctor in the past 30 years.

It was as if Yingying was drawing his blood now and saying that the quality of his blood was not good with a look of disdain!

f \*\* k you!

"Yishu is injured!" Qin Chen lowered his head, his overly beautiful eyes staring into Lan Yu's eyes, his voice deep and slow."you should know her body better than anyone else!"

## Chapter 2409: She finally called me daddy (part one)

Lan Yu was stunned.

“Where’s Ye Muyun? where’s her father?”

Although he asked this, he did not struggle anymore.

Qin Chen’s gaze fell on the blood vessels. His speed was getting slower and slower. He looked at Lan Yu’s thin body like this and almost thought that he had sucked him dry.

qin chen pulled out the needle decisively and looked at the blood bag. it was about 150.

although it wasn’t much, it was better than nothing!

...

He lowered his head and looked at Lan Yu’s pale and thin face, saying softly, ” ” ye muyun has lost too much blood and is now unconscious. wanwan just drew another 600ml. ”

He paused for a moment, and his tone became even more indifferent. ” if yishu needs it, he has to continue to draw, because he’s her father! ”

Qin Chen knew that ye Muyun was willing to give up her life for the little guy. She was willing to give up anything for her own child.

As he said this, Lan Yu closed his eyes, ” “Take mine! Until you’re drained!”

since he was already like this, he was willing to give yi shu the best of everything-a father who loved her and a complete family.

qin chen kept the blood bag and looked at the man on the bed in surprise. he pursed his thin lips and said coldly, ” “I will when it’s necessary,”

he walked very quickly, and just as his hand was on the doorknob, lan yu called out to him, ” “I want to see the child.”

“dawn!” qin chen replied quickly.

With that, he left.

When he put Lan Yu’s blood on Yi Shu’s neck, Yi Shu’s bleeding had stopped. He had a mole in his heart-

damn, the blood of this person in a vegetative state was really useful!

Yishu calmed down a little, so Qin Chen asked the nurse to take care of her while he went to see his brother.

ye muyun’s fever didn’t go down and his whole body was covered in sweat. xue ‘er’s eyes were red as she tried her best to help him lower the temperature of the alcohol.

Qin Chen took the towel from her hand and said calmly, ” let me do it!

xue ‘er looked at him eagerly. qin chen’s movements were very professional, and he quickly completed the cooling.

that’s it. he looked at Xue ‘er. you should take a nap.

“I’m not sleeping,” Xue ‘er shook her head.

qin chen looked at her for a while, then smiled. ” “alright, you look after my brother. i’ll go take care of yishu.”

In fact, they could be seen in the consultation room.

Although the situation was stable now, no one was in the mood to sleep. They always felt that they would only be at ease when dawn came.

he didn't dare to let his family know about these things for fear of worrying.

The snowy night was especially long. Xue 'er supported herself and stayed up the entire night for the first time.

sometimes, when she turned her head, she could see the dark night outside through the window.

after two seconds, she turned back to look at ye muyun and little yishu. she teased qin chen as he patted her on the shoulder and handed her a cup of hot coffee."it'll be fine,"

Xue 'er took it and held it in her hands. After a while, she suddenly remembered something. where did you go just now? "

"i went to lan yu's ward to draw blood." qin chen smiled and coughed lightly.

Xue 'er was a little speechless. Lan Yu was already like that, and Qin Chen really had the heart to do it.

Yishu's problem is quite tricky. If you and brother have a way, you should have another child. Qin mo gave birth to a child for brother in the past. Qin Chen was very straightforward.

Xue 'er lowered her little head and hummed in agreement, not retorting.

after a while, she looked up. " how's lan yu qianqian? "

"i won't die!" "go and see him when the sun rises." qin chen smiled.

"did you force him, or did he do it of his own will?" xue 'er asked carefully.

Chapter 2410: she's finally calling me daddy (2)

“Is there a difference? whether or not he’s willing, i’ll smoke.” Qin Chen smiled devilishly. of course he can Sue me, but he won’t have any evidence.

It was Xue ‘er’s first time meeting a girl like Qin Chen, and she couldn’t take it.

No, she was not a girl at all.

He was an overbearing man!

On this point, it was rare for her to reach an agreement with Zhou chongguang.

qin chen laughed again and put down the coffee in his hand. he looked at xue ‘er.”don’t worry, i know what i’m doing. i won’t joke around with his life unless he’s willing!”

...

he usually didn’t explain anything to others. if others misunderstood him, then so be it. however, xue ‘er was his brother’s most important woman and also his sister-in-law, so he was still willing to say a few more words.

Xue ‘er was a little embarrassed by his gaze, and her little heart was beating fast ...

god, this was the first time she was embarrassed by someone of the same gender!

She pursed her lips. do you plan to keep doing this, Yueyue? ”

“Are you a man?” Qin Chen looked at her seriously.

xue ‘er didn’t say anything, which was a silent agreement.

Qin Chen pursed his lips and said in a low voice, ” “In my heart, there is no such thing as gender. Do you understand?”

Xue 'er stared at him in a daze for a long time before stammering, "do you like a man or a woman?"

she thought that qin chen probably liked girls!

"i don't know yet, maybe i like both!" qin chen smiled.

xue 'er was speechless and couldn't continue the conversation.

However, as they chatted, the sky was about to turn bright, and the sky was suffused with a trace of white.

Qin Chen stood up. I'll go and see them.

xue 'er nodded.

Finally, after a night, both father and daughter were fine. Ye Muyun woke up at seven in the morning, but his body was still weak. Little Yi Shu woke up at eight, but he felt dizzy the moment he woke up.

"He's lost too much blood!" "I can only take my time!" Qin Chen said calmly.

he looked at ye muyun. "can you smoke a little more? yishu's brain will get hurt easily."

When he spoke, little Yi looked at him with a comfortable expression, and bean-sized tears fell-

little yi shu, don't hurt your brain. will yi shu become a fool?

The little guy was crying sadly, weak and sad. It was heartbreaking to see him like that.

"I'll draw another 200!" ye muyun went over and rubbed the little guy's head. "uncle qin is lying to you!"

Little Yi Shu blinked her teary eyes, still looking extremely sad.

the cold-blooded quack doctor had already prepared a blood bag and wanted to draw her brother's blood like a blood-sucking demon king. xue 'er's heart ached to death but it was no use. ye mu yun also insisted on drawing blood.

Qin Chen didn't hold back and calmly drew his blood. The little guy blinked his big eyes and looked at him. There were tears in the corners of his eyes, but he had forgotten to cry. His little appearance was particularly adorable.

Ye Muyun's face was getting paler and paler. He sat there, his body slightly trembling.

Little Yishu's little hand gently pulled on Qin Chen's sleeve, and he asked with tears on his face, "will ye sansan die?"

"Who knows!" Qin Chen smiled lightly.

lan er 'er immediately burst into tears. " i don't want ye sansan to die! "

"Then, are you willing to become a little fool?" qin chen asked coldly.

poor xiao lan 'er had tears on his little face as if he had stopped breathing. there were tears on his long eyelashes and they trembled slightly. then, he howled like a little pig and could not help but cry out,"then i'll be a little fool."
