Chapter 241 Meeting the parents (4)

PEI Qiqi's face blushed. She turned her back to him and teased him.

"You're not willing?" He hugged her from behind, his thin lips touching her small neck, his voice a little hoarse.

PEI Qiqi's body was a little stiff. She suddenly turned around and hugged him tightly.

"tang yu, can we really be together?" She looked up at him, her face filled with weakness and uncertainty.

tang yu reached out and touched her little head, "silly, we're already together."

In order to gain her trust, Tang Yu did what he was told. PEI Qiqi shrieked and he chuckled.

He kissed her small lips. Qiqi, do you feel it now? we are having fun together.

In the end, he buried his face in her hair and said in a hoarse voice, "Qiqi, Say You Love Me.

It was only at such a fragile time that he could ask for her love ...

And she was already so drunk that she didn't know what to do.

tang yu let out a long sigh of relief. he hugged the little body that was covered in sweat. she was still trembling like a little beast in his arms. he kept kissing her and teasing her.

PEI Qiqi slowly came back to her senses and still hit him. This was his mother's house, yet he was also so impetuous.

just now, you were the one who hugged me and didn't allow me to leave Yingluo. he was extremely satisfied. He carried her to the bathroom and felt that he had gone too far.

pei qiqi unwillingly took a bite as revenge.

She bit so deeply that she could almost taste blood. When she let go, there were two rows of teeth marks on it.

Tang Yu touched it lightly and his eyes were deep, "qiqi, if you do this, my mother will only think that zhenzhen is the one who took the initiative!"

pei qiqi was stunned for a moment. then, she pounced over and started munching on it. she originally wanted to destroy the evidence, but now, she really couldn't look at it.

He laughed deeply, feeling that his life could not be full anymore.

After that, she begged him for a night before he agreed to wear a shirt to cover it the next day.

As for the process of begging, PEI Qiqi didn't even think about how Wanwan had no moral integrity!

when she brushed her teeth this morning, she even glared at him. did every man have a special interest in things like hanhan?

when tang yu took her away, lin yun looked at the two little ones and felt comforted.

she tidied up pei qiqi's collar and saw the tears under pei qiqi's collar.

She quietly glanced at her son. Tang Yu said, "I was bitten by Qiqi even worse!

next time, i'll ask tang yu to bring you back." lin yun quite liked qiqi. she was a very obedient little girl.

PEI Qiqi nodded obediently, "Auntie, I will.

lin yun smiled. seeing tang yu take pei qiqi to the car for a walk, she felt comforted. she never thought her son would like a girl so much.

tang yu started the car and saw that pei qiqi was still looking back. he coughed lightly, "qiqi, if you really like my mom, you can confess to her. you can also call her mom in advance. my mom has wanted a daughter for a long time!"

PEI Qiqi turned her head and looked at him. She didn't fall for his trick and didn't say anything.

however, her small mouth was pouted, looking extremely cute.

Tang Yu didn't react. Actually, Qiqi didn't realize it herself. Right now, she only revealed this kind of expression when she was beside him.

He smiled slightly. Perhaps she didn't even know that she was like this!

Chapter 242 you'll spoil me (1)

it wasn't until the day before tang zhiyuan's birthday, before tang yu went to bed, that tang yu told pei qiqi about this.

PEI Qiqi was drying her hair after her shower. When she heard him speak, her body froze.

she slowly turned her head, her face a little pale. "Shall we go to your father's house?"

Tang Yu was wearing a bathrobe and leaning against the head of the bed. Between his long fingers was a cigarette. He was smoking from time to time.

he glanced at her and nodded. "yes, my father's 50th birthday."

He still gave Tang Zhiyuan face and said the words 'my father'.

pei qiqi turned off the hairdryer and looked at him, "tang yu, can i not go?"

he stubbed out the cigarette and patted the spot beside him, signaling for her to go over.

pei qiqi's hair was about 70 – 80% dry. she covered her collar and carefully walked over.

because of tang yu, she used his stock account to earn tens of millions. however, pei qiqi knew when to stop. She had not played for the past two days, so she returned his account to him.

she crawled over carefully and sat in the middle of his body like a little doll.

Tang Yu's fingers gently pinched her little chin, "why don't you want to go?"

PEI Qiqi pursed her lips and said honestly, "i don't want to see zhao ke."

“Don’t worry, she won’t dare to make things difficult for you. Besides, I’m here!” He said. Tang mo kissed her and slowly said, “qi qi, i don’t want to make things difficult for you, but yingluo ...”

He looked at her and said seriously, ” I have to say that before you, many elders in the family were pressuring me.

His gaze was deep. PEI Qiqi asked carefully, ” “is it a blind date?”

He just smiled warmly and ruffled her hair. Qiqi, I’m not young anymore. I’m almost 30.

as the president of a multinational company, he naturally received a lot of attention in his private life.

Qiqi had appeared by his side, and it was unlikely that they would get married for the time being. So, it would be better for her if there was a suitable opportunity to make it public.

He didn’t care about the gossip, but Qiqi was different. She was a little girl.

He didn’t want her to be in someone else’s bag again. now that the word ‘raise’ had been made public, his grandfather would no longer ask the elders to arrange blind dates for him.

to put it bluntly, bringing her along this time was equivalent to giving qiqi a title.

Tang Yu carried her and sat her on his lap. He pressed his forehead against hers, ” you don’t want to marry me? ”

PEI Qiqi was so close to him that her heart was in a daze.

She shifted her small face to rest on his shoulder. She was very confused.

In fact, she had already surrendered to him.

Could she really be selfish just this once?

let go of the hatred, let go of her own background, and be with him!

Tang Yu, if one day, you realize that I’m not that good and Hanhan is even a little annoying, will you still like me? ” she said softly, and as she spoke, her eyes began to heat up.

She really couldn’t imagine how Tang an would hate her.

Tang Yu’s big palm patted her back, ” no matter how bad he is, he’s still my child. hmm?”

the tears in her eyes grew, ” tang yu, you’re going to spoil me. ”

“I’m already spoiled now.” He turned her small face and looked at her moist eyes. He kissed her eyes. little fool, what are you thinking about? ”

pei qiqi looked at him and suddenly asked, ” tang yu, do you love me a lot? ”

mr. tang turned his body to the side, took a cigarette, lit it and took a puff with a casual look.

Chapter 243 you’ll spoil me (2)

PEI Qiqi snatched the cigarette away from his lips and sat on top of him, ” you haven’t said anything!

He looked at her helplessly.

See, he's been spoiled!

even mr. tang felt a little uncomfortable saying such words, so he only gave a vague "en" and then coughed lightly. "qiqi, give me the cigarette."

"If you don't say it, then you're not allowed to smoke!" she said fiercely, "tang yu, from now on, you're not allowed to smoke in bed."

He looked at her. His eyes were so deep that PEI Qiqi couldn't see the bottom. It made her hair stand on end.

PEI Qiqi, if you can't smoke in bed, what should I smoke?" As he spoke, his eyes fell on a certain part of her thoughtfully.

PEI Qiqi almost jumped up. She still remembered that he hit her little P * s last time, but now he wanted to hit her again?

Tang Yu knew what she was afraid of, so he smiled and pulled the little guy into his arms. He bit her ear and said with deep meaning, "qiqi, actually i'm smoking your little fart. there are a few ways to do it. last time, i used my hand. how about we use this to do it this time?"

As he spoke, he pulled her little hand over so that she could feel it.

pei qiqi's little face was blushing red. he really was shameless ...

what restriction?| The God of desire and the cold President were all fake.

Fake seriousness! profiteers!

pei qiqi was pressed down and whipped for the entire night.

and what was especially beastly of him was that when he got up the next morning, he pressed her down and touched her a few more times.

Afterwards, PEI Qiqi wrapped herself in a blanket and lay on the bed. She watched as the naked man went to take a bath.

it was true that he had a very good figure and was even more slender and powerful than the male lead of [fifty shades of grey]. she had never seen him particularly fit (but mr. tang had special sports!) The sports equipment is PEI Qiqi!

Tang Yu walked straight into the bathroom. Before he closed the door, he suddenly turned around, "qiqi, you really don't want to shower with me?"

PEI Qiqi shook her head very quickly. What a joke. If she washed with him, she probably wouldn't have to eat lunch.

This period of time, perhaps it was because he felt that Yingluo liked him a little, so he didn't know how to control himself.

didn't they say that men had to rest for a long time before doing it again?

didn't they say that men would do it about three to four times a week?

why did tang yu do it three to four times a night?

besides, they had agreed before that it would be Friday to Sunday. Now, it was difficult for her to even take a day off.

As she was thinking, Tang Yu chuckled, "PEI Qiqi, you seem to have become smarter! Being with a profiteer all day long, even a fool would learn!

PEI Qiqi lay on her stomach and bit the blanket. Then, she said pitifully, "Tang Yu, can I apply to be a mistress again?"

It's easy, and there's money to be earned!

Marrying him, having children, cooking, and having to deal with his unrestrained needs—this was the first time PEI Qiqi felt that she had lost out.

Tang Yu laughed again, "Sure! That is, if you don't mind me going on blind dates."

"You wish!" PEI Qiqi casually took a pillow and threw it at him.

Tang Yu caught it and put it down in a good mood. He chuckled, "So you want to have me all to yourself!"

"I'm not!" PEI Qiqi made a face.

Satisfied, Tang Yu went to take a shower.

At four o'clock in the afternoon, the styling studio sent over a dress and a pair of high heels of the same style.

After PEI Qiqi changed and walked out, Tang Yu couldn't take his eyes off her.

Chapter 244 You'll spoil me (3)

She was dressed in a pink-blue satin dress with a hollow design that slightly exposed her breasts. There was a unique orchid hook at the waist to lock her slender waist. The dress was long and the entire design was very clean, highlighting her delicate collarbones and fair skin.

Her hair was tied up and pinned behind her head with an exquisite hair clip. It was simple but very chic. She didn't put too much makeup on her face, only a thin layer of makeup, but this showed the advantage of being young even more.

Tang Yu also changed into his suit and looked more eye-catching than usual.

He stood there and looked at PEI Qiqi. Then, he reached out his hand, "Qiqi, come here."

This gown was deliberately designed to reveal the necklace on her heart. He reached out to touch it, his eyes filled with a different kind of light.

After a long time, he took out an exquisite box from the bag and opened it. There was a pink diamond ring inside.

The entire ring was in the shape of a crown, and the pink diamond, which was about 60 carats, was embedded in the crown. It was dazzling, but it was also very soft and warm.

PEI Qiqi retracted her hand and looked up at him, "Tang Yu, this is too expensive."

Although she didn't know much about it, she knew that he wouldn't take out anything bad. This ring was probably worth hundreds of millions.

“PEI Qiqi, the most expensive thing you have is me!” tang yu didn't let go of her finger. instead, he put the ring on her finger.

The size was just right! and it looked especially good on her slender fingers.

PEI Qiqi asked, ” how did you know my size? ”

He knocked her on the head. do you think I'm you? you can't even buy that by mistake! I bought all your undergarments!”

pei qiqi bit her lip and glared at him.

although she had been in contact with him many times, she didn't know anything about yingluo.

tang yu looked at her and couldn't help but smile, ” okay, we can go now! ”

Today, the chauffeur drove them to Yan Hui. PEI Qiqi and Tang Yu sat in the back seat. She was still a little anxious. This anxiety came from Wanwan and Zhao Ke.

she knew she was selfish, but she couldn't reject tang yu's warmth.

The car arrived at Yan Hui. Tang Zhiyuan and Zhao Ke were already standing at the door to welcome him.

Zhao Ke was full of anticipation because at today's event, Tang Yu would give her some face.

It was only during Tang Zhiyuan's birthday that she could feel like the mistress of the Tang family. Because on that day, Lin Yun wasn't there.

when the car door opened, there were already countless reporters taking photos. the reporters were not allowed to enter, so they could only take photos at the entrance of the red carpet.

Zhao Ke looked at Tang Zheng's noble face and patted Tang Xin beside her, ” go and get your brother.

she was going to take a family portrait later and make the headlines tomorrow for lin yun to admire.

Tang Xin was like a little princess today, wearing a white chiffon dress and expensive jewelry, but she refused in her heart.

just as she was about to walk over, tang yu was already holding the car door and holding pei qiqi's hand!

At that moment, the reporters almost went crazy.

They knew very well what it meant for a girl to appear next to Tang Yu at an event like this!

pei qiqi's hand was still in tang yu's hand. even in front of so many reporters, she didn't panic at all. she was calm and composed.

Her beauty and calmness had completely conquered the limelight.

oh my god, this girl is too beautiful.

Chapter 245 i'm sorry to disappoint you

back then, only zhao ke had such a beautiful face. however, how could zhao ke compare to the girl in front of her?

her face was cold and her temperament covered her appearance. she didn't look out of place when she stood with tang yan!

One had to know that Tang Yu was famous for being noble in city H. In the past, no matter how pure a woman was, he would always feel that it was a bit tacky to stand beside him. Until now, only PEI Qiqi was standing beside him so perfectly.

PEI Qiqi's gaze landed on Zhao Ke's face. Zhao Ke's face was deathly pale.

She really didn't expect Tang Yan to bring PEI Qiqi here. And she knew what this action meant.

tang yu held onto pei qiqi's hand and slowly walked over. he stopped in front of tang zhiyuan and smiled. he took the box from the driver's hand, " dad, happy birthday! "

Tang Zhiyuan hadn't heard Tang Yu call him that in many years. His eyes actually heated up a little. He was afraid of losing his composure so he held his forehead. After a while, he smiled, " you're so polite!

He took it and opened it. It was an old ginseng.

Suddenly, his face felt a little hot. He knew what Tang Yu meant-

She wanted him to nourish his body!

he closed the box and smiled. " let's go in together! "

tang yu held pei qiqi's fingers. pei qiqi glanced at him and obediently called him 'uncle tang'.

even though tang zhiyuan had other plans in his heart, he still couldn't bring himself to let such a beautiful girl call him uncle. he smiled and nodded.

of course, he was also stunned ...

pei qiqi's beauty far surpassed the young zhao ke's.

Zhao Ke looked at Tang Zhiyuan's expression and gritted her teeth in hatred. She forced a smile and held Tang Zhiyuan's arm. She said softly, " let's wait a little longer. When Shen Lian comes over, shouldn't you be welcoming her? after all, her relationship with Tang Yu isn't good.

he didn't finish his sentence, but everyone understood what he meant.

Tang Yu and Shen Lian didn't make their relationship public, but the adults knew about it.

She knew about the breakup!

The reason why Tang Zhiyuan and his wife invited Shen Lian over on such an important day was obvious.

tang zhiyuan paused and looked at tang yu.

Tang Yu's eyes were a little cold and a cold smile appeared on his face-

How could he not know about Zhao Ke's little tricks?

he lowered his head and looked at pei qiqi. his voice was low, " shall we go in first? "

PEI Qiqi grunted. She wasn't an idiot, so how could she not tell that Zhao Ke was trying to make things difficult for her?

However, she was no longer the poor little girl Zhao Ke left behind. She was also no longer the girl who craved for motherly love when she first met Zhao Ke. She was no longer the PEI Qiqi of today. She and Zhao Ke were like strangers.

just as tang yu and pei qiqi were about to enter, a black rv stopped at the door-

the cool car's silhouette was smooth. a driver in a well-ironed uniform got out of the car and opened the door.

a long, fair leg stepped out of the car. following that, shen lian, who was dressed in a black gown, walked out.

a few thin shoulder straps supported the black dress, which was very sexy. the split design also showed her beautiful calves and her whole body was white and glowing!

the cameras went crazy again. they even purposely placed tang yu and pei qiqi in the same frame-

tang yan frowned. it was obvious that it was impolite to go in now. he stood up and turned his body, but his fingers didn't let go of pei qiqi.

Chapter 246 I'm sorry to disappoint you (2)

shen lian smiled faintly and spoke to tang zhiyuan and zhao ke in a proper manner. then, she walked in front of tang yu and raised her head. her voice was a little hoarse, " tang yu! "

he just nodded indifferently and didn't say anything. he didn't want to provide anything to talk about.

Zhao Ke walked over and held Shen Lian's arm affectionately. She looked at Tang Yu, " Tang Yu, take good care of Shen Lian.

This was clearly denying PEI Qiqi's identity.

tang yu smiled faintly. he looked around and then looked at zhao ke, " this doesn't seem to be my home. mrs. tang should be the one receiving the guests. "

He paused for a moment and sneered, " also, just be a good Mrs. Tang. Don't even think about being my mother. My mother's surname is Lin.

zhao ke was embarrassed. she didn't think tang yu wouldn't give her any face in this kind of situation.

the way he looked at her was the same as the way he looked at a woman who had climbed into his father's bed more than ten years ago. it had never changed.

zhao ke gritted her teeth and endured it. she smiled at shen lian, who was beside her. " of course, i will do my best as the host. shen lian, i recently bought a few bottles of perfume in France. shall we go up and take a look? " if you like it, pick two bottles!"

"okay, thank you, auntie tang." shen lian nodded.

Zhao Ke then said something that was as confident as honey, " what's there to thank me for? we'll be a family in the future!

tang xin stood behind her and made faces at pei qiqi.

When she heard her mother's words, she rolled her eyes and said weakly, "mom, do you want me to marry sister Shen Lian or do you want me to marry her?"

zhao ke almost fainted. how could this child tang xin say such words?

"where are the manners i taught you?" zhao ke scolded angrily.

tang xin immediately stopped talking. she stuck out her little tongue and then watched the empress dowager and shen lian go upstairs.

she snuggled up to pei qiqi and whispered, "qiqi, you don't mind?"

pei qiqi smiled, "i don't mind!"

But her little hand secretly pinched Tang Yu's waist hard and ruthlessly.

Tang Mo's expression didn't change!

Tang Xin saw it by accident and exclaimed softly, "Qiqi, you're so violent!"

Tang Zheng smiled, "Tang Xin, your brother will be more violent at night!"

pei qiqi's face turned red, "tang yu, tang xin is still a child!"

"Actually, you are too!" He smiled and held her hand as they walked into the Grand Hall. Today, Yan Hui had been specially decorated. There was a huge musical fountain in the middle of the lawn outside. Now that the water was turned on, it looked especially spectacular and beautiful under the light.

On both sides, Western food was served, and there was a violin player playing soothing music. All of this was handled by Zhao Ke, who was the best at this.

The living room was also luxurious. Almost all the famous people of City B were there. When they saw Tang Yu, they all tried to make friends with him.

Although he didn't want to be separated from PEI Qiqi, he still needed to entertain her.

tang xin blinked and made a gesture, "brother, don't worry, i'm here!"

"If I lose it, I'll hold you responsible!" tang yu's long fingers held onto a glass of wine as he leaned back on the sofa. his expression was lazy and charming.

Tang Yu made a face and pulled PEI Qiqi to the self-help area to pick out food.

she complained in a soft voice, "qiqi, you don't know. my mom doesn't allow me to eat this and that. i'm so hungry!"

Chapter 247 i'm sorry to disappoint you (3)

then, she looked at pei qiqi, "qiqi, i'll get into the car later. can you bring me back?"

Just as PEI Qiqi was about to speak, Zhao Ke's cold voice came from behind, "Tang Xin, what are you saying?"

tang xin turned around and her face changed. she stood aside carefully and didn't dare to make a sound.

Shen Lian was standing beside Zhao Ke. She was holding a glass of red wine and sipped it elegantly. It was as if she was not concerned about this situation.

“Not everyone can be friends with, especially those of low status!” Zhao Ke reprimanded Tang Xin, then looked at Shen Lian, and her eyes became a little warm, “you have to learn more from your sister Shen Lian. She became a senior manager in the family business at such a young age.”

Tang Xin raised her hand and said weakly, “Qiqi is still the president!

Zhao Ke’s face darkened and she sneered. How can a small, broken company that’s not listed compare to a big company like Boda?”

Pei Qiqi didn’t say anything.

Tang Xin mustered up her courage, “then when Qiqi and brother get married, she will be the wife of the president of Sheng Yuan. Sheng Yuan should be much older than Boda, right?”

this time, she was about to step on Zhao Ke’s landmine. Her biggest pain in her life was that she didn’t enjoy the glory of being married to Tang Zhiyuan.

How could she let Pei Qiqi step over her head? That was something she would never allow.

Between her and Pei Qiqi, only one of them could stay in the Tang family.

“What do kids know! Your brother’s fiancée is Shen Lian.” Zhao Ke looked at Pei Qiqi, “don’t think that just because you are living with Tang Yan, you are the young mistress of the Tang family.”

Pei Qiqi lowered her eyes and smiled gently. Then, she looked up at Zhao Ke, “it seems like this is from Ms. Zhao’s experience. Even if Qianqian got married, she wouldn’t be acknowledged!”

Zhao Ke’s face almost turned black. This girl’s mouth was really sharp.

Tang Xin’s eyes were wide open. The way she looked at Pei Qiqi was so white!!!

Although the other party was her mother, she felt that her mother had gone too far. It was obvious that her brother liked Qiqi. Moreover, they slept together. Why did he not get married? Why did he marry sister Shen Lian?

Moreover, sister Shen Lian clearly knew about it. If she still clung to him and refused to give up, she was just like the kind of b*tchy person that was described on television!

Shen Lian smiled and walked over, “Tang Xin, it seems that Aunt Tang has something to talk to Miss Pei about. Let’s leave!”

Tang Xin opened her mouth to speak, but Shen Lian had already half-taken her to the other side to tease her.

‘Qiqi, I can’t save you ...’

Pei Qiqi watched Tang Xin leave and then looked back at Zhao Ke’s face.

At this time, there was no one around them, and no one was paying attention to them.

PEI Qiqi chuckled, " Ms. Zhao, now that you've sent someone away, you're not trying to talk to me about your mother-daughter relationship, are you? "

Zhao Ke looked at PEI Qiqi's little face and really couldn't bring herself to like her.

This was her daughter, but she was so beautiful that she almost stole her limelight.

She raised her head and looked coldly at PEI Qiqi, " "i won't let you marry into the tang family."

pei qiqi stared into her eyes. other than coldness, there was only disgust. it was like she was looking at a piece of cloth and wanted to throw it away.

She smiled, " Mrs. Tang, you probably haven't thought it through. Your Mrs. Tang is only limited to this 'Yan Hui', only limited to Tang Zhiyuan's friends. Even his friends might not approve of you. And I'm going to marry Tang Yu. That Tang family is not your Tang family. Do you understand? "

Chapter 248 I'm sorry to disappoint you

Zhao Ke's eyes were filled with shock. She stared at PEI Qiqi, " you dare ... You dare to say that about me!

Then, she raised her beautiful neck and a trace of viciousness appeared in her eyes, " say, if I fell into the water and I said we had an argument, do you think Tang Yu's father would accept you as his daughter-in-law? " "PEI Qiqi, the rich and powerful aren't that simple. If they were, Tang Yan would have cut off all ties with his father long ago. Because of Sheng Yuan, they're just putting on an act. This act will last until Tang Zhiyuan dies of old age!"

There was a hint of madness on her face, which twisted her beauty.

PEI Qiqi looked at the fountain behind her and sneered. She took a few steps back, " too bad, I'll have to disappoint you, Wanwan.

her body fell straight down, but her fingers grabbed zhao ke's arm and staggered.

She had been dealing with family matters since she was young, while Zhao Ke had always been pampered. In a moment of inattention, she was actually dragged down.

they lay in the cold and wet water together. zhao ke couldn't swim, so she floated in the water.

she didn't expect pei qiqi to do this and ruin all her plans!!!

"help!" PEI Qiqi let out a weak cry. She picked up Zhao Ke and threw her to the side so she wouldn't drown!

She was floating in the water as if she was about to drown ...

People immediately gathered on the shore and dragged Zhao Ke up. Zhao Ke was already half-dead, and she was so cold that she was hugging herself.

then, pei qiqi was dragged up as well. she choked on a mouthful of water and crawled in front of zhao ke, " is auntie tang alright? "

Tang Zhiyuan rushed over. Tang Yu did the same. He quickly took off his jacket and wrapped it around PEI Qiqi.

She hugged him with her small hands and said in a trembling voice, "auntie tang fell down because she was trying to save me,"

Tang Yu looked at her deeply.

PEI Qiqi buried herself in his arms and secretly bit him.

"you can swim?" His voice was a little hoarse, and it rang in her ears.

PEI Qiqi didn't say anything. She placed her little hand on his chest to warm it up.

He secretly smacked her butt, "Tang Xin, do you have any clothes to change into?"

She didn't care if she was beautiful or not, as long as she didn't catch a cold.

Tang Xin hummed and seemed to have just woken up, "come upstairs with me to change!

At this moment, Tang Xin forgot that her mother was still breathing and quickly took Tang Yu upstairs.

Tang Zhiyuan knew very well why Zhao Ke would save PEI Qiqi.

No matter how unhappy he was, they were still husband and wife, after all, and he still cared about their relationship.

He helped Zhao Ke up and handed her over to the servant. bring Madam to change her clothes.

He gave Zhao Ke a warning look, causing her to swallow back the words she wanted to say.

zhao ke pursed her lips, feeling indignant in her heart.

she didn't think that pei qiqi would be so cruel to jump down with her.

she was dizzy just now. now that she thought about it, it seemed like pei qiqi knew how to swim.

she bit her lip, her eyes full of unwillingness.

Shen Lian, who had been watching from the side, laughed coldly. She had also seen through it.

zhao ke was just a paper tiger in the tang family and couldn't do anything!

She was probably the only one who thought of herself as Mrs. Tang.

zhao ke went upstairs. no matter how uncomfortable she was, she still changed into a dress and went downstairs as if nothing had happened.

As for PEI Qiqi, she was escorted by Tang Yu to take a hot bath. After she carefully checked if she was injured, she took the clothes from Tang Xin.

Chapter 249 Announcing her identity (1)

It was a long white dress, the very simple kind. The upper body was tight at the waist, and the lower skirt was knee-length. The White satin was covered with a layer of light gauze, simple yet exquisite!

However, a 16-year-old child and a 20-year-old girl's figure were still somewhat different, especially the upper part of the Kasaya!

After PEI Qiqi put it on, her curves were especially sexy!

It was clearly a conservative dress, but it just looked so embarrassing.

tang yu let her long hair down and nimbly made a simple braid with his fingers. she looked like a country bumpkin and also slightly hid the beauty in her.

tang xin knelt by the bed and looked at her, " qiqi, you're so beautiful! "

Then, she looked at her brother and was a little jealous that brother Yingying could have Qiqi all to herself!

Tang Yu lowered his head and looked at PEI Qiqi. He then asked, " what happened just now? "

because tang xin was there, pei qiqi naturally couldn't say anything. she just smiled, " i accidentally fell into the pool! "

"i was the one who pulled her down," she said in a low voice. Tang Xin didn't hear this.

Tang Yu looked at her but didn't say anything.

How could he not know that it was Zhao Ke who was making things difficult for her! however, he didn't expect pei qiqi to counter him.

however, he should warn tang zhiyuan to control his woman!

When he went downstairs again, the lawn outside was bustling with activity. Zhao Ke had changed into a cheongsam and was wearing expensive jewelry. She was gorgeous.

she seemed to have specially picked a cheongsam to challenge lin yun. everyone knew that lin yun usually wore a cheongsam when she attended events, and the color depended on the occasion.

as for zhao ke, her figure was indeed more exquisite than lin yun's, and her waist was softer.

however, she didn't know that at this age, no matter how beautiful a woman was, it was all in vain. it was a competition of aura.

however, zhao ke didn't have such a charm!

She desperately grabbed onto her youth and desperately tried to grab onto Tang Zhiyuan's heart.

Even if she did not love him!

At this moment, Zhao Ke was unusually active. After seeing Tang Yu come down, she smiled at the guests and said, " Zhiyuan and I's biggest wish is to see Tang Yu come home soon! zhiyuan and i won't be performing the opening dance today. we'll let tang yu and shen lian do it. "

after she finished speaking, she clapped her hands gently.

Tang Zhiyuan stood at the side and was a little helpless.

even though he was interested in shen lian and wanted to make them work together, tang yu brought pei qiqi here. his meaning was obvious. no matter how selfish you were, you had to control yourself.

Leaving some face for others was the same as leaving some face for oneself!

but it was obvious that zhao ke still didn't understand. she didn't feel any pain when she hit tang yu, this wall!

tang zhiyuan's expression wasn't as friendly as feng jiyue's. he didn't help zhao ke out of the situation and just stood there.

Tang Yu was still standing beside PEI Qiqi. Shen Lian, on the other hand, felt uncomfortable.

She was especially embarrassed now. It was like she was trying to get ahead but Tang Yu didn't want her!

At this moment, Tang Yu smiled. He went on stage and took over the microphone, " I brought my little friend here today. I really want to get married, but he's too young!

His gaze landed on PEI Qiqi's face. His gaze was so warm that it could make the early autumn night soft and tender.

all the women at the scene were stunned. they knew that tang yu's public image had always been cold and aloof. it wasn't like how he was now, gentle as water.

tang yu reached out his hand to pei qiqi, " qiqi, come here. "

he really treated her like a child, and his gaze on her was warm.

this moment, to pei qiqi, was extremely important. it was an unforgettable scene in her life.

Chapter 250 announcing her identity (2)

There was a man who didn't care about her family background, didn't care about the fact that he had bought her, didn't care that she liked Lin jinrong, didn't care that she had nothing, he wanted her!

her heart was about to jump out of her chest!

However, every beat of his heart was announcing ...

She wanted him too!

She wanted to be with him. She wanted to possess him. She wanted to live the rest of her life. She wanted every minute and every second to be his.

her eyes were filled with warmth, quietly.

She reached her hand out to him. Her white fingertips touched his warm palm. Tang Yu pulled her up onto the stage and then wrapped his arm around her waist. His deep and hoarse voice rang beside her ear, " Qiqi, do you know how to dance? "

"You didn't say so earlier!" she leaned on his shoulder, her small hand on his shoulder, and looked up at him.

She was as fresh as a Lily, and she was perfect for standing beside him.

she was also so young that it made people envious. zhao ke was very beautiful, but compared to pei qiqi, there were about ten shen lians in between!

pei qiqi laughed softly as she spoke. she stepped on tang yan's foot with her high heels-

"i'm sorry!" she smiled mischievously and stuck out her tongue.

He grunted. you don't know how to dance? "

“I will!” pei qiqi was infuriating!

tang yu stared into her eyes. he couldn't believe that he was played by his little friend.

Meanwhile, Zhao Ke stood at the side, her heart filled with unwillingness.

” zhiyuan, look, she doesn't even know the basics of social dancing and she even stepped on tang yu. if she marries tang yu, she'll become the laughing stock of the upper class! ”

tang zhiyuan didn't seem to be so attentive. he hummed vaguely and then continued, ” “i saw that she danced very well!”

how was that possible?

Zhao Ke sneered and looked over. Then, she was stunned.

PEI Qiqi and Tang Yu were dancing to an United Kingdom song. It was a very lazy dance with an aristocratic posture. She even had a good grasp of every turn. Especially with her current dress, it was obviously more suitable for dancing-her previous dress was too long.

She was like a Lily blooming in Tang Yu's hands, giving off a fresh aura.

Tonight, Zhao Ke's throne as the most beautiful woman in B city changed hands for the first time in more than 20 years.

the next day, all the mainstream media reported on the situation that night. reporters could not enter yan hui because there were drones.

that dancing video was very, very beautiful, because it was a scene of love!

after the song ended, tang yu kissed her in front of everyone. it was a declaration.

PEI Qiqi was his. She was his future wife. With his status, especially in public, he couldn't be so intimate with a woman.

shen lian's face was sad, but she still forced a smile and smiled.

At the end of the birthday party, Tang Zhiyuan asked Tang Yu to stay. Although he wasn't close to his son, he still felt that he had to ask about today's incident and his son's marriage.

in the study room, tang zhiyuan and tang yu sat on both sides of the sofa. the servant brought some tea and immediately left.

“You've decided?” Tang Zhiyuan's fingers gently tapped on the armrest a few times.

tang zheng held the sobering tea and took a sip. because the color of the tea made his lips more moist, it also made him look a little more sexy.

He put down his cup and smiled. yes! We'll get married after Qiqi graduates.”

“but she recently took over the pei family! tang yu, are you sure you want to take over this hot potato?” Tang Zhiyuan asked in a deep voice.
