Chapter 2411: she's finally calling me daddy (3)

“So you’d rather be a little fool than let ye Sansan die, right?” Qin Chen said coldly.

The little guy was no match for him. He cried and nodded.

qin chen shrugged and gave ye muyun a mocking look-

tsk! How did such a little fool manage Boyi when he couldn’t even handle her?

At this moment, ye Muyun couldn’t care less about all these. He only cared about his cutie pie, Yingying.

little yi shu stumbled into his arms and cried, ” “Daddy, I don’t want you to die!”

...

the little fool xuxu was crying in his arms. he held the little guy in his arms, feeling sad and sweet at the same time.

This was a completely different experience from holding Xue ‘er. After all, the one in his arms was his own flesh and blood.

ye mu yun gently took in the little guy’s scent. on his handsome face, there was a touch of pain.

It wasn’t an exaggeration to describe it as something that was lost and regained, or something that was fulfilled.

at that moment, he almost forgot that he was drawing blood. his strength slowly weakened, and he almost couldn’t carry his little yi shu. the new healer, yingying, once again passed out in embarrassment.

in the midst of little yi shu's earth-shattering cries, qin chen asked the nurse to put him on the drip. he said with some disdain, " how can you give xue 'er happiness in this lousy body! "

Xue 'er's expression was the same as little Yishu's, she wanted to cry but didn't dare to. Hearing Qin Chen's words, she raised her little paw."your brother is fine!"

Qin Chen was slightly stunned, then he laughed softly-

xue 'er was really a baby yingluo who was so stupid that it was cute!

he reached out and picked up little yi shu, pressing her small body onto the bed. he was rarely so gentle, " be good, don't cry. sansan won't die, yingluo. also, if you call him daddy, he'll live to a hundred years old! "

"you're lying to me!" lan er 'er's eyes were filled with tears and he only spoke after a long time.

Qin Chen narrowed his eyes and smiled. at least you're not too stupid.

As he said that, he looked at Xue 'er, who lowered her head.

at the entrance of the emergency department, lan yu sat in his wheelchair and watched silently.

She watched as ye Muyun fainted, watched as Yi Shu cried for her father, and watched as Xue 'er protected ye Muyun like a little wife.

everything was so perfect, and there was no place for him to stand.

he had lost completely. it started with hatred and ended with his feelings.

Lan Yu's thin face trembled for a moment, then he smiled bitterly and raised his hand to signal the nurse beside him. go back to the ward!

The nurse looked at him sympathetically. Sigh, Mr. Lan's expression seemed to have been cheated on.

when he returned to the country previously, he was quite high-profile and showed off his wife and children. it turned out that ...

None of them were his!

The nurse sighed. Mr. Lan was really unlucky to fall into Dr. Qin's hands when he was sick. Dr. Qin was very kind to female patients, but he was so mean to male patients that it made her angry.

the nurse nodded and silently prepared to push lan yu back to the room. however, the moment she left, qin chen noticed him and looked up in a daze.

Qin Chen didn't alarm anyone and just looked at Lan Yu silently.

she looked at the disillusionment in his eyes.

Lan Yu left in a sorry state. The nurse was pushing him, and he was pushing the wheel, so his hand was almost crushed ...

Qin Chen only looked at her for a few seconds before he lowered his eyes and continued to transfuse blood to little Yi Shu. However, the corner of her mouth curved up slightly, and a faint smile appeared.

I'm excited about Yaoyao's new book again.[passionate during marriage: hubby, good morning, or search for pen name yaoyao xianer ~~ xoxo!] please add it to your collection!

Chapter 2412: you're a pervert, you know that?(1)

little yi shuba blinked his big teary eyes, " won't ye sansan die? "

“You have to call me daddy.” Qin Chen smiled and reached out to rub the little guy.

Little Yi Shu’s gaze landed on ye mu Yun again. He pursed his lips and was a little embarrassed.

Qin Chen didn’t force her. After the child was hooked up, he asked the nurse to buy breakfast.

When he instructed the nurse, his voice was very gentle, and the nurse’s face blushed.

Xue ‘er also looked at him eagerly, thinking that Qin Chen was too immersed in his character and seemed to enjoy the admiration of women.

...

qin chen knew that she was looking at him, so he only smiled. his faint smile was so beautiful that it made people scream.

Even Xue ‘er herself felt like she was going to fall under Qin Chen’s casual pants!

this world was too mysterious.

She immediately avoided Qin Chen’s gaze, but Qin Chen winked at her, as if he was trying to seduce her sister-in-law.

xue ‘er felt that if she were to turn gay one day, her partner would definitely be qin chen.

At that time, would ye mu Yun beat her to death?

she felt that it was very possible.

qin chen inspected ye muyun again, then put his hands in his pocket and said calmly, ” i’m going to the office to change. you sleep for a while. they’re all fine. ”

” oh, ” xue ‘er replied, and then she laid down carefully beside little yi shu. she was really tired.

qin chen looked at her, his expression gentle as he walked away.

He walked back to the office and took off his coat. He wore a light-brown sweater and a dark blue plaid shirt inside. They matched perfectly. He wore dark-colored casual pants.

He casually threw his coat on the back of the sofa, then went to the water dispenser to pour himself a glass of water.

His personal nurse, the Secretary, stood on top of him and reported his work today with a red face.

Qin Chen listened indifferently. After the nurse finished, he poured a glass of water and said, "I remember that there's an operation at four in the afternoon."

the nurse also paused for a moment, and then said apologetically, "the patient, yingluo, passed away last night."

qin chen's hand, which was drinking water, paused. he looked up, his eyes filled with surprise, and after a while, he said, "who's on duty? can someone die in the hospital?"

The young nurse hesitated. the patient's family members refused to pay at the last minute. The patient ran outside and jumped into the river. He died.

Qin Chen glanced at her, but the nurse wasn't sure if she had heard him clearly.

did dr. qin just curse?

after a short silence, qin chen said softly, "I know, you can leave first!"

the nurse heaved a sigh of relief. she must have been hallucinating just now. how could dr. qin curse?

She retreated and even thoughtfully closed the door.

qin chen still stood there, holding his thermos cup in his hand. he looked at it for a long time before taking a sip.

He drank it very slowly. There was a faint bitterness in the cup, and he tasted it on the tip of his tongue.

It was the taste he had every time he was helpless.

qin chen stood in the morning light, letting the faint sunlight shine on his body. it was warm, but it couldn't warm him.

he was not old, but perhaps because he was a surgeon, he felt that his heart was numb sometimes. he had seen too many deaths.

At this moment, his heart was empty. He stood by the window with a cup of hot tea in his hand. He felt that the tea beside him was the only warmth he could feel at this moment.

after a long time, he finally took his white coat and returned to the emergency room.

Chapter 2413: you're a pervert, do you know that?(2)

Ye mu Yun had already woken up and stuffed a little fellow in his arms as he wished.

At this moment, Chairman ye was stretching out his hand to stroke little curly hair. His expression was filled with indescribable love. Xue 'er knelt at the side like a little puppy.

qin chen stood at the door and watched quietly-

what a loving family of three!

he looked around for a while but didn't go in. he put his hand on his white coat and walked toward the elevator.

when he arrived at the VIP ward on the top floor, qin chen pushed the door open and saw that lan yu had already moved back to the bed. at this moment, he was lying on his back and seemed to be in a daze.

...

qin chen had seen many patients, but he had never seen a patient as negative as lan yu.

He didn't seem to care about life or death, and he didn't care about anything around him, because the things he cared about were no longer there.

qin chen had never experienced love before. just as xue 'er had asked, he didn't know if he liked men or women, but he understood human nature.

this was a doctor who had just entered the industry, and he had to have someone to help him.

however, after so many years, he had gotten used to hiding it. he had almost forgotten about himself.

Qin Chen walked in, and the nurse said, "good morning, doctor qin."

qin chen nodded lightly, walked over slowly, and stood at lan yu's bedside. "How was it today?"

lan yu's gaze shifted towards him. his speed was very slow. although he was very young, he had a feeling that he was about to die.

However, his eyes were filled with mockery. "Are you referring to my leg or Yingying's other leg?"

lan yu's tone had a tinge of provocation!

this kind of frivolity was only used on women, but he had said it to this extremely beautiful male doctor. after saying it, he felt that he was a lunatic!

“We’ll have to check to know.” Qin Chen didn’t mind.

Lan Yu squinted his eyes and asked subconsciously, ” “what do you want to do now?”

qin chen gave the nurse a look, and she immediately brought over a medical tray.

He looked at Qin Chen quietly, his voice hoarse. “Don’t worry, I won’t go and destroy them again.”

after he finished speaking, he gently closed his eyes.

Qin Chen smiled. quite great.

He looked at the man in front of him and said in a very calm voice, ” I’m very curious. What have you been up to all these years, Hanhan? ”

lan yu ignored him and continued to close his eyes, refusing to communicate.

Qin Chen didn’t say anything, only smiling faintly as he looked at the two nurses. “Get ready, I’m going to help Mr. Lan clear his bloodline.”

Lan Yu’s eyes widened as he stared at her with a suspicious look.

“you’re not in a good mood!” he said with certainty.

Qin Chen still had a faint smile on his face, his hands in his pocket, and he didn’t deny it. “Yes, I’m not in a good mood!”

Lan Yu squinted his eyes and reminded him in a gloomy voice, ” “Doctor Qin, you’re a doctor.”

He didn’t care about what happened last night because it was Yi Shu, but if this quack doctor dared to use him as a punching bag, he would ...

The next second, that outrageously beautiful face was right in front of him, and her voice was very low and hoarse. "you'll what? Hmm, stand up and fight me, hmm?"

lan yu's expression turned even uglier. if this wasn't a quack, then he was a demon.

His face was livid, and he reached out to push the person in front of him away. I don't want you to treat me anymore. I want to change my attending doctor.

qin chen easily caught his arm and restrained him.

to lan yu, this was embarrassing. his hand was being held by an extremely beautiful man and he had no way to fight back.

Chapter 2414: you're a pervert, you know that (3)

To Lan Yu, it was embarrassing. His hand was being held by an extremely beautiful man and he had no power to fight back.

at that moment, he was extremely embarrassed.

he couldn't wait to get rid of this pretty boy.

Qin Chen lowered his eyes and looked at the intertwined hands. The black and white intertwined was quite a visual impact.

he laughed lightly. "sure, let's see if the hospital will approve it."

"Can't I go to another hospital?" Lan Yu gritted his teeth.

...

” sure, but i promise that! ‘m the only one in the country who can cure your leg! ” Qin Chen straightened his body and let go of his hand. think about it carefully. Do you want to continue to be tortured by me, or do you want to lie in bed and accept the despair of your life that might make you unable to stand up in the future? think about that situation, lying down and drawing? ”

lan yu was almost going crazy. she glared at this pretty boy, unable to do anything to him.

qin chen’s expression turned serious as he glanced at the nurse. ” “Have you prepared everything?”

He was the one who spoiled the nurses so much that they only knew how to read the gossip.

The nurse immediately ran out and closed the door.

Qin Chen didn’t pay any more attention to Lan Yu. He walked directly to the window and stood there quietly.

Lan Yu lay down and turned his head to look over. He could see that Qin Chen’s side profile was the kind of handsome man with a very straight face, especially the bridge of his nose. It was straight and beautiful, and his thin lips were light pink. He was a beautiful man in the style of a comic.

lan yu himself was an artist. probably because the lines were too good, he looked at them for a long time. he kept looking at them and actually forgot to look away ...

Qin Chen’s slender body was wrapped in a sweater and trousers of good quality, and the white coat outside was clean without a speck of dust. No matter how you looked at it, he looked like a high-quality young man, but his temper was terrible!

Lan Yu didn’t know how long he looked at it, until Qin Chen’s slightly hoarse voice sounded, ” “Have you seen enough?”

lan yu was stunned and coughed uncomfortably, ” “Did you fall out of love? Is that why you’re in a bad mood?”

qin chen quietly turned around and looked at lan yu. his phoenix eyes narrowed slightly, a sign that he refused to be seen through. his thin lips even curled up slightly, with a hint of mockery.”You think I have a girlfriend?”

Lan Yu heard from the nurse that Qin Chen was only 22 years old. In his opinion, he was at the age where hair had not grown on his mouth yet.

however, compared to qin mu, qin chen was obviously much more experienced. it wasn't strange that he had a girlfriend.

However, he didn't know what kind of woman could tie Qin Chen down with his personality. It was hard to understand.

Just as they were talking, the nurse came in. The moment she came in, she felt that the atmosphere in the room was not right.

however, the nurse didn't say much. she took the doctor's tray and placed it on the table. " dr. qin, it's all ready. "

"prepare it for mr. lan yu as well!" qin chen's voice was especially calm.

The nurse nodded and smiled awkwardly at Lan Yu, " "mr. lan, we're going to make our move."

while speaking, the little chicken claw also waved in the air. after all, mr. lan was still very repulsed by the idea of having his pants taken off.

as expected, once the nurse finished speaking, lan yu's brows furrowed slightly. " i'll do it myself. "

"trust me, mr. lan, you can't handle this on your own," the nurse said in a softer voice.

Lan Yu exploded in anger. I can't even take off my pants? "

after he finished speaking, he panted, and the air was filled with embarrassment.

right now, he really couldn't even do such a simple thing. he was no different from a cripple.

Chapter 2415: you're a pervert, do you know that?(4)

The nurse was shocked.

Qin Chen's voice was calm. you guys can go down. I'll do it!

the nurse was shocked. how could she let the honorable doctor qin do such dirty and tiring work?

however, qin chen insisted. " go out and close the door. mr. lan probably can't accept the touch of the opposite sex. "

The nurse still went out.

Lan Yu stared at Qin Chen, panting. "How do you want to torture me again? hmm?"

...

"You are very weak!" Qin Chen stood by his bed, surrounded by a cold aura. This wasn't the aura of a doctor, but the aura of a Grim Reaper.

Lan Yu looked at him, his eyes turning as Qin Chen's body moved.

Qin Chen settled down and looked down at Lan Yu. " but you're very excited ... "

"Right!" lan yu's adam's apple bobbed. " it's as if it's contaminated with something that it should not be contaminated with! "

qin chen lowered his head slightly, and his beautiful face came close to lan yu's face. the breath he exhaled was cold. " you ... like how i treat you, don't you? "

Lan Yu closed his eyes slightly. I'm the patient and you're the doctor! you said you were treating an illness!"

“But you’re addicted!” Qin Chen’s thin lips curled up into a smile. after my legs recover, I’ll find a few good-looking boys. Maybe it’ll feel different, Yingluo.

lan yu’s thoughts were exposed.

Yes.

He didn’t necessarily like Qin Chen, but he found himself falling in love with a man’s appearance, the kind of handsome and cold comic man. Sometimes in the middle of the night, he couldn’t fall asleep, and his mind was full of nothing but what Qin Chen had done to him.

Those thoughts were too secretive and crazy, so he thought more and more in detail.

Then, his heart would be filled with sin.

That was why he hated Qin Chen even more. He hated his good-looking face, hated his overly slender figure, and even hated how he always dressed so cleanly and appropriately.

in short, he hated qin chen’s perfection. at this time, in the world of blue universe, qin chen’s appearance was like a contrast to his incompleteness.

Qin Chen didn’t say anything else and started to work rudely.

today, he was going to perform another puncture on his leg bone to stimulate his senseless nerves.

after so many days, lan yu himself was a little disappointed, because he really couldn’t feel his legs at all. not only his legs, but even that thing in the kasaya didn’t move.

He felt that he was a complete cripple, a useless person.

in fact, he only felt a little perverted when the beautiful doctor qin treated him.

He had never dared to think about this feeling, but Qin Chen already knew.

lan yu was extremely furious!

Qin Chen raised his eyes slightly, his dark eyes meeting Lan Yu's.

From Lan Yu's point of view, both of them were men. He couldn't stand it and only felt a little uncomfortable, but he didn't particularly humiliate them. If it was a man in front of him, everything would be different.

lan yu said softly, "don't stress yourself too much. also, relax yourself. or, when ran ran's legs recover, she can find a pretty little boy. you'll be fine."

"will you let me try?" lan yu blurted out.

after saying that, lan yu felt a little regretful. however, men always had some bad habits. they could not take back the words they had said.

therefore, he looked at qin chen with a burning gaze to see how he would respond!

this pretty boy, would he blush?

Chapter 2416: You're a pervert, you know that (5)

After he finished asking, Qin Chen's gaze was a little deep and bottomless.

even an old and young man like lan yu was in a daze and felt a little at a loss.

Their eyes met for a long time before Qin Chen finally said, "i'm very expensive."

Very expensive? does this mean that it's not impossible?

Lan Yu was a little surprised. Why did Qin Chen like men?

“Do you think I’ll like you in your current state?” “of course you have to pay the price.” qin chen’s nose touched his.

...

lan yu was stunned.

This was a Dr. Qin that he had never seen before. He couldn’t hide his dark side from head to toe, and he was too lazy to hide it. He even had a feeling that Qin Chen didn’t care about men and women, or that a person like Qin Chen wouldn’t like anyone at all.

he always looked at everything from a god’s perspective, and nothing around him could actually enter his heart.

lan yu was an artist, or rather, a soul artist. he saw through qin chen’s darkness, those that others couldn’t see.

after qin chen finished speaking, he took out a thin needle and slowly pierced it into lan yu’s knee. the sour and painful feeling was indescribable.

tiny beads of sweat seeped out of lan yu’s forehead. he could no longer care about the handsome man as the pain made him wish he was dead.

the quack did not show any mercy. he took out more than ten needles and pierced them into his bones one by one.

Lan Yu’s hand was on the side of the bed, looking at Qin Chen’s clean and handsome face, he gritted his teeth. “qin chen, you’re a person with a dark heart! he’s not suitable to be a doctor at all.”

After he finished speaking, he clearly felt Qin Chen's body shake. Then, Qin Chen stared at him coldly and said in a soft and slow voice, "Lan Yu, you'd better stay alive. Otherwise, you might not have the chance to take revenge!"

After he finished speaking, his fingers gently picked up those thin needles. Only then did Lan Yu know what it meant to be better off dead than alive.

bastard! he almost cursed.

"didn't you want me to try it on?" qin chen's beautiful eyes were filled with coldness."how can i try if i don't cure my legs? mr. lan."

He was frighteningly calm, and there was no warmth in his eyes when he looked at her.

Only then did Lan Yu understand that all the flirtatious things just now were his own wishful thinking. Qin Chen had never taken it seriously.

at this moment, lan yu secretly swore in his heart that once his leg recovered, he would definitely press qin chen down and see if he could do it.

if he was already prepared to persuade qin chen, it didn't matter.

for the first time, lan yu admitted that he was perverted.

He had taken a fancy to this pretty boy. It had nothing to do with love, but it was about love.

She just wanted him, just wanted to make him embarrassed.

qin chen originally wanted to torture lan yu, but later he felt that it was a little boring.

No matter how weak Lan Yu was, no matter how weak he was, he was not that person.

he was not the weak person who would give up his life and leave him.

He suddenly stopped and smiled faintly. He pulled out the needles from Lan Yu's legs one by one.

lan yu's voice was very low and hoarse.

qin chen's hand paused, and he laughed mockingly. " "You're calling me Like a Virgin!"

Lan Yu's face turned completely black. Then, he bit on his pillow and endured it.

after qin chen removed all the needles, he didn't get up immediately. instead, he asked softly, " "Try moving your legs and see if you can move them."

Chapter 2417: You're a pervert, you know that (6)

Lan Yu was covered in sweat, panting as he laid down and looked at Qin Chen.

He wouldn't kindly think that this quack was treating him, so he didn't take Qin Chen's words to heart.

He didn't try, and Qin Chen's gaze turned cold."If you don't even want to take this step, my treatment can only melt your body, but not your soul, because you can't learn to trust others."

" what about you, dr. qin? " lan yu sneered. " did you trust someone else again? "

Qin Chen's beautiful face came close to him, and his voice was so low that he almost muttered, " "i've never seen a patient like you who constantly wants to take off the doctor's clothes."

Lan Yu's eyes looked deeply into his eyes. Just as he was about to say something, a nurse stood by the door and covered her small mouth ...

...

Oh my God, Lan Yu, who had just woken up in a vegetative state, was thinking of the most handsome doctor Qin in their hospital.

Oh my God, if doctor Qin were to fall into Lan Yu's hands, what would happen to these female doctors and nurses who were still single?

the nurse gasped at the door. she had obviously heard him.

"Get out!" Qin Chen's cold voice rang out.

his voice did not allow for refusal!

The nurse felt extremely aggrieved because Dr. Qin had never been so fierce to them before. She ran out with tears in her eyes.

qin chen turned his head and looked at lan yu indifferently. he gently spat out a few words, "so troublesome!"

he said it so coolly and coldly. if lan yu was a woman, he would definitely fall in love with him.

qin chen's hands were pressed on his sides, and he looked at him indifferently. "let's try it."

lan yu's thin face trembled a little, but the words he said were irrelevant. "qin chen, am i very ugly now?!"

doctor qin's face was almost twisted. he gritted his teeth."yes! what else?"

Lan Yu's eyes were filled with disillusionment. He looked at Qin Chen for a long time before he said in a low and hoarse voice, "I know!"

Then, he slightly avoided the pretty boy and tried to feel his legs.

in his perception, that leg almost didn't exist. only when the quack doctor stabbed him did he feel that the leg could feel. the quack doctor said that if it hurt, it meant that there was hope.

But sometimes, Lan Yu would rather not be saved, because it was too painful.

he tried hard to move for a long time, but only the muscles in his legs trembled a little, and then there was no more “then “.

But it really did move a little.

he raised his eyes and looked at qin chen in disbelief and ecstasy.

lan yu was also a human. he also yearned to be able to walk and jump, and not lie here like a cripple.

The decadence of the past seemed to have disappeared in an instant, leaving only desire.

He looked at Qin Chen with bright eyes.

qin chen was still very cold and ignored lan yu’s gaze. he only said indifferently, ” “If you want to leave, you’ll have to stab me once every day,”

Lan Yu didn’t say anything.

Qin Chen put his pants down and quietly put away his things. you should rest!

Just as he was about to leave, Lan Yu suddenly asked, ” did your Yueyue have any medical malpractice? my situation is very similar to that person’s?”

Qin Chen’s body froze, but he didn’t turn around. He only said coldly, ” Lan Yu, curiosity will kill the cat. It’s too easy for me to kill you!

After he finished speaking, he walked out, leaving Lan Yu staring at the closed door in a daze.

he was sure that qin chen was running away because he had hit the nail on the head.

Chapter 2418: His proposal (2)

He was sure that Qin Chen was running away because he had hit the nail on the head.

A doctor with a story to tell was unbelievably beautiful.

Lan Yu was even thinking that the patient must be very important to him. Was it a man or a woman?

he would figure this out in the future.

When Qin Chen walked out, he stood at the door for a while.

he was so frustrated that he wanted to smoke again, but he tried his best to restrain himself.

...

This was a hospital, and he was a doctor.

she took a deep breath, and her face twitched slightly before it calmed down.

when they returned to the emergency room, the family of three had already moved to the VIP ward on the top floor. after qin chen asked the nurse about the situation, he didn't go up and disturb them again. ye muyun's condition wasn't too bad to begin with ...

Thinking about it, he could make the little guy call him 'daddy' by using a little trick. If it were him, he would have drawn the blood too.

On the top floor, little Yi Shu was lying comfortably in ye Muyun's arms. His small hands were holding onto ye Muyun worriedly because he was afraid that ye Sansan would poop.

there were still tear stains at the corners of her eyes, and she looked rather pitiful.

Xue 'er was lying on the sofa opposite them. She looked at them, especially at ye mu Yun's smile.

her lips moved, and she felt very happy with the words she didn't say.

Ye Muyun waved at her and smiled. She walked over and lay down beside him with a little fellow between them.

"Are you alright?" xue 'er held his hand and smiled, "you scared me,"

even now, his face was still very pale, and she was a little worried.

Ye Muyun held her hand. His palm was very warm and her heart slowly calmed down.

"xue 'er, let's get married!" his voice was a little hoarse, but he spoke very gently.

He even lowered his head to kiss her forehead when he said this.

She was a little surprised, but her heart was filled with more gentleness as she hugged his arm. She rubbed her little face against him and said in a soft voice, "but you're not handsome at all right now, and i'm not good-looking either."

I still don't have flowers or diamond rings!! after thinking about it, he quickly added on.

ye mu yun looked at her and the corners of his mouth curved up slightly."what if there is?"

Xue 'er's eyes were wide open as she looked at him in disbelief.

he held her and the child with one hand, and took out a small box from his pocket with the other.

xue 'er was even more surprised.

I was going to propose at home last night. There's even a cake and flowers prepared at home, but since miss Tang is so anxious, can I do it a little earlier? ”

He opened the box with one hand, and there was an 8.88 carat diamond ring from the United States. It was very eye-catching.

xue 'er's eyes were wet, but her mouth trembled, unable to say a word.

ye mu yun pursed his lips and smiled. I'll make up for it later. Mrs. Ye, say you're willing.

“How can you force me like this!” She covered her mouth with tears in her eyes, but she still gently held her hand in front of him.

Ye Muyun's fingers were trembling and he didn't immediately hold her down.

his gaze fell on her small face, and both of them could not help but shed tears.

“xinxin,” he called her.

she hummed in acknowledgment and looked up at him. then, she said in a spoiled manner, ” “my hands are tired.”

He smiled gently and slowly put the dazzling ring on her.

Then, he reached out and pulled her into his arms.

[i'll update another chapter in a while. i'm too tired~]

Chapter 2419: His proposal (part two)

Ye mu Yun hugged her tightly.

this hug was almost eight years apart. although they had been together for a long time, the meaning of this hug was different.

She had finally returned to his side.

he called out her name and lowered his head to kiss her forehead. his voice was extremely hot.

Xue 'er kept biting her lips, her little hands trying to hold him tightly, not wanting to let go.

She believed that he would not let her go either!

...

Just as the two of them were in love, little Yi Shu, who was in the middle, burst into tears. you're squeezing me! It hurts!"

Ye mu Yun and Xue 'er were too excited just now and actually forgot about it. Now, they looked at each other and smiled.

he reached out and carried the little guy to the side. then, he could not help but kiss the child's mother.

it was the rarest time in his life, so he let himself go.

Little Yi Shu watched from the side, feeling that she had nothing to do here, so she climbed down from the back and crawled on the carpet. After she opened the door and sneaked out, her young parents didn't notice Hanhan either.

There were only two wards on the top floor. Other than this one, there was only the one that Lan Yu was staying in. Little Yi Shu knew the way, so she quickly ran in and closed the door.

lan yu was lying down. after hearing the sound, he turned his head and saw his little yi shu.

The little guy's eyes and nose were all red. He ran over slowly and threw himself onto the bed. He buried his little face in Lan Yu's arms and called out 'daddy' awkwardly.

lan yu's heart was a little sour. would this vile person not belong to him in the future?

This was the child he had brought up, and now he was going to return it to someone else.

his thin palm gently stroked the little guy, and his voice was even more hoarse. "yishu, actually, it's xuanji."

it was difficult to say it, but he still had to say it.

"you're the child of your mother and ye muyun. dad has been lying to you." after he finished speaking, he felt his heart empty. he thought that he had given up on lan ting not only because of xue 'er, but also because of yishu.

He had personally brought up this vile person for five years. In these five years, he had toiled and peed, so hard and sweet.

He was no different from her biological father. His love for her was no less than her biological father's.

little yi shu's voice was also muffled. "i know."

"It's good that you know!" Lan Yu was still rubbing her little head, "You have to listen to your father in the future. Yes, he's a very capable person."

"Daddy LAN too!" Little Yi Shu quickly said and then hugged Lan Yu tightly, "in the future, i'll still call you dad. i'll come and find you again, okay?"

she raised her head and looked at lan yu with a pleading expression.

His heart was about to melt, so how could he bear to refuse?

lan yu acknowledged her in a low voice and kissed her hard. ” “I’ll get the nurse to take you back.”

He was already worried about the little fellow, but now that he saw the little fellow jumping around, he was relieved.

little yi shu frowned and said in a soft voice, ” Daddy and Mommy are getting married soon. They don’t have time for me right now because they’re kissing.

the child’s unintentional words made lan yu fall into deep thought.

after a long time, he smiled bitterly and said,”then i’ll stay here and accompany dad.”

The little guy hummed and jumped over. He leaned against the bed affectionately. daddy, I’ll tell you a story, okay? ”

” mm, ” lan yu replied. then, he slowly fell asleep.

Chapter 2420: You have to be well (1)

The little fellow looked at Lan Yu’s sleeping appearance and stopped talking. He laid his little body flat and slept close to Lan Yu.

when the couple was done kissing, they realized that their daughter was gone.

the entire sheng yuan hospital was turned upside down. the surveillance cameras had checked every single corridor, but they could not find anything.

lan yu’s ward was the most unlikely place. in the end, qin chen came over and found it.

As soon as he walked into the ward, he saw the fair and chubby little angel sleeping beside Lan Yu. She was very close to him, her little face touching Lan Yu’s face.

the contrast between beauty and depth!

...

white and black.

qin chen didn't go in immediately, but closed the door and stood by the door, watching quietly for a long time.

he was thinking that if lan yu didn't look like this and had his previous appearance, how pleasing it would be for little yi shu to be with him. people would believe that they were really father and daughter. after all, lan yu had raised their own child, and their faces were very similar.

Qin Chen didn't disturb them. He walked out and called ye Muyun. "yishu fell asleep at lan yu's."

she didn't know what the other party said, but qin chen continued, "let xue 'er pick up yishu in an hour! There will be a day when she and Lan Yu will end their relationship."

ye mu yun also agreed.

This was the difference between Qin Chen and Qin Mu. Qin Chen was also a girl, but his Wanwan was more like a man. Or rather, in terms of character, she was like another ye Muyun. They were closer to each other. He wasn't like Qin Mu, who was blindly afraid of this older brother.

On the other end, ye Muyun hung up the phone and said in a faint voice, "at Lan Yu's."

xue 'er had just let out an 'ah' when her body was pressed into his embrace again, and he kissed her wantonly, and the more he kissed, the more he went overboard.

she was a little uneasy. "mu yun, your arm is injured, hanhan."

his kiss paused for a moment, and then he laughed a little. after laughing, he lay flat on the bed and looked at his little one. "what do you think i want to do, huh?"

Xue 'er's little face was very red. She glared at him and then wanted to get down.

Her thin arm was caught by him, and ye Muyun's voice was very low. when you pick up little Yi Shu later, explain it clearly to Lan Yu Qianqian.

she turned around.

chairman ye obviously didn't want to meet her eyes. he closed his eyes and said in a lower voice, "this is the last time, tang xue 'er. this is the last time i'll let you see him alone!"

"Tyrannical!" Xue 'er turned around and knelt beside him, her small hand pinching his nose.

He opened his eyes and looked at her with a deep gaze.

"but i promise, i only met him to give yishu a happy childhood. " "Mu Yun, will you believe me?" she said seriously.

he looked at her, his heart throbbing, but he kept a straight face. he snorted unhappily. "i can't give her a happy childhood. why must you be with another man, huh?"

"you're being unreasonable!" She was getting bolder and bolder now, and even dared to scold him in his ear.

Ye Muyun's eyes had a deep meaning. He smiled and pulled her into his arms. "sleep with me for a while longer. when you wake up, you can go to lan yu and give yishu a happy childhood. "

xue 'er did not object and obediently nestled in his arms. after a while, she asked him in a low voice, " "You're angry?"

no, why would I be angry? you guys raised Yishu together and spent time together. You have feelings for her. Why would I be angry? " Chairman ye said in a weird tone.
