

Thank you 2421

Chapter 2421: You have to be well (2)

xue 'er couldn't help but laugh. she buried herself in his arms and laughed.

brother, if we're talking about being together every day, of course, we've spent more than ten years together. She mimicked the little Vixen and whispered in his arms, looking very alluring.

after she finished speaking, she looked at him and smiled naughtily.

ye muyun couldn't stand this. he grabbed her hair and snorted, " "Trying to seduce me? hmm?"

"I'm trying to please my brother!" Xue 'er was embarrassed again and threw herself into his arms.

her little appearance simply wanted ye mu yun's life.

...

he kissed and rubbed her, but it was not enough. he only let her go an hour later. of course, he also gave her some instructions.

xue 'er had sufficient reason to believe that if she dared to have anything with lan yu, she would probably be skinned when she returned.

after she left, ye muyun lay on the bed alone and smoked quietly.

At the end of the day, he still cared about it. However, he knew that Xue 'er could cut off her relationship with Lan Yu, but Yi Shu couldn't. After all, Lan Yu had brought her up.

he also knew that xue 'er had grown up and she would know her limits.

As he smoked, ye Muyun chuckled and put out the cigarette.

Yes, take good care of your body and give your wife a good future.

on the other hand, xue 'er was actually feeling a little uneasy. after all, she had let him down when it came to her and lan yu. even if it was because of his revenge, he had selflessly given her five years of glory. on top of what he had done for yishu and the fact that he had saved her life, all of these added up and the things he had done behind her back were not even worth mentioning.

he opened the door and walked in carefully. little yi shu was still sleeping, but lan yu was already awake.

his thin face still did not have much meat on it. it was still dry and thin, looking haggard, very different from the lan yu of the past.

xue 'er pursed her lips and walked over slowly, sitting beside lan yu.

she reached out and covered him with the blanket before looking into his eyes.

he kept staring at her for a long time before he said, " "you would never have done this before."

she hummed in agreement. " you used to treat me very well, yueyue. i've never thanked you properly. "

"there's no need for thanks between husband and wife." lan yu looked at her with a deep gaze.

xue 'er was a little uneasy and couldn't continue.

lan yu laughed at himself again. " of course, our marriage was invalid to begin with. "

"if i, yingluo, had done it myself, i wouldn't have let you off today either," he said in a low voice.

"no, you will!" she mustered up the courage to correct him.

"i won't!" Lan Yu's eyes were almost a little fierce.

Xue 'er pouted, throwing a little tantrum, or rather, in a Rascal-like manner, ” “you’re always sad because you can’t bear to leave me.”

After she finished speaking, Lan Yu’s throat seemed to be blocked. He looked at her, at this young lady.

In reality, how was she stupid? she looked stupid, lazy, and unwilling to do anything, but she was actually very smart. It was just that Wanwan was spoiled by ye Muyun since she was young.

the her that he had been infatuated with was created by another man and had nothing to do with him.

a bitter smile appeared on lan yu’s lips. it was extremely bitter. ” you little rascal yingluo! ”

his gaze was a little strange, and he seemed to be struggling.

Meanwhile, his little guy wiped his tears and asked with a serious face, ” Lan Yu, can I hug you? ”

Chapter 2422: You have to be well (3)

meanwhile, his little guy wiped his tears and asked with a serious face, ” lan yu, can i hug you? ”

Lan Yu’s thin lips pursed, his throat moving uncontrollably, and his expression was depressed.

After a long time, he finally spat out two words coldly, ” “as you wish!”

But Xue 'er heard a compromise from this awkwardness, and it was he who wanted to hug her.

she hugged him and buried her small face in his embrace. her voice was low as she said, ” thank you, lan yu! ”

His body was very stiff, but she still spoke to him softly, ” “you have to be well, you have to get better!”

...

His body froze even more, and he only spoke softly after a long while, ” “i will.”

she hugged him and did not let go.

qin chen stood at the door and took a photo of the ‘family of three’ with his phone. after taking the photo, he admired it for a while. “it’s my big brother’s wedding gift. i think he’ll be very happy!”

“Qin Chen!” Blue veins popped out on Lan Yu’s forehead.

qin chen waved his hand. ” you don’t have to thank me. just look at this photo and you’ll be motivated. you’ll know why xue ‘er chose my brother over you! ”

He sent the photo to ye mu Yun and then showed it to Lan Yu.

of course, lan yu knew what he looked like right now, so he refused to see it.

“Very self-aware!” Qin Chen nodded in satisfaction, then looked at his sister-in-law.

sister-in-law was embarrassed. it was already embarrassing to be seen like this by her ‘brother-in-law’, and she was even photographed.

Qin Chen smiled. I’ve already told my big brother to be on high alert about this marriage.

xue ‘er almost fainted. she was already thinking of peeling off a layer of her skin when she returned.

she quickly sat up and glared at qin chen. ” “is this how you treat your patients as a doctor?”

“No, it’s because I’m especially concerned about Mr. Lan Yu! After all, Mr. Lan Yu is an outstanding young artist, and I admire him!” qin chen said it calmly, his expression unchanged.

” i’ll definitely get better soon, ” lan yu said. ” i won’t let down doctor qin’s good intentions. ”

“i’ll wait!” qin chen smiled and blinked.

xue ‘er looked at qin chen adorably, then at lan yu qianqian. why did she feel that there was something unusual between them?

It was like a confrontation, but also like seduction?

xue ‘er was so scared that she peed her pants. in fact, she knew that qin chen was a girl. if they were really together, it wouldn’t be a big deal, but it was obvious that they were just teasing qin chen. qin chen himself despised lan yu, and they were always sarcastic to each other. also, lan yu didn’t seem to know that qin chen was a girl!

so, there was a problem with blue universe?

xue ‘er’s gaze was a little timid. she looked at lan yu as if she had opened a new door to the world.

Lan Yu was a little angry.

qin chen smiled and picked up little xue ‘er and his little niece. ” big brother is a little anxious from waiting. you know how jealous he can be. go back, i’ll take good care of yingluo here. ”

when he said the last two words, his tone was especially ambiguous.

Xue ‘er’s eyes widened.

qin chen was teasing her on purpose. he reached out and threw them out together, throwing little yishu into her arms. ” “go back quickly, be careful of the little fellow catching a cold.”

Xue ‘er-

What was Qin Chen doing back in the ward?

To seduce Lan Yu again?

She suddenly wondered if Qin Chen did it on purpose so that Lan Yu would give up faster.

she was touched. this 'brother-in-law' had really sacrificed too much.

Chapter 2423: are you trying to please me?(1)

however, when xue 'er returned, her days would not be so good.

after receiving the photo, chairman ye had already thought of a thousand ways to skin her alive.

In the end, she decided to stay at home and torture Yingying.

everything was so calm that xue 'er wondered if qin chen had lied to her.

did qin chen not send the photo to ye muyun at all?

But since he didn't say, she didn't dare to ask.

...

Director ye had selfish motives in his heart, and it was not a big problem. He only stayed in the hospital for two days before he brought his wife and child home.

On the day he returned home, it was still snowing. He was wearing a gray coat and carrying little Yi Shu, who was wrapped up tightly. Xue 'er followed behind him and asked worriedly, "is there a problem with your arm?"

Ye Muyun smiled, " what problem? just one hand is enough. Such a vile person!"

then, he kissed little yi shu.

Little Yi Shu was disgusted, but when they got into the car, he obediently put his arms around his father's neck.

The little guy still had some psychological trauma and was afraid that something would happen to his father.

Ye Muyun's heart felt warm. Although the little guy didn't seem to be satisfied with him, he still cared about him.

this bad temper was very much like his.

he kissed her again and again, but little yi shu still looked disgusted. however, he quietly moved his little face closer.

Ye Muyun didn't kiss him anymore and the little guy still looked disappointed. However, the baby didn't say anything.

xue 'er laughed to death. she felt that little yi shu really resembled him.

ye mu yun and xue 'er looked at each other, their eyes filled with meaning.

the car drove smoothly, and little yi shu hugged his father and refused to get off. this child probably had some dependence in his heart.

ye muyun lowered his head and said in a low voice, baby, daddy's here. Don't be afraid. Nothing will happen again.

Little Yi Shu didn't make a sound at first, but then she bit her lips and said in a soft voice, " "but i've lost a lot of blood,"

her small appearance made ye muyun's heart melt. his voice became softer as he coaxed, "Isn't dad fine now?"

little yi shu's tears were about to come out, and her small hands grabbed his collar, "then little yi shu won't bleed anymore."

She didn't want her father to draw her blood. She was scared this time. She was afraid that her father would die.

Although ye Sansan would take mommy away, he was still Wanwan's father!

ye mu yun received this little guy's kind intentions and coaxed him from time to time.

And the little guy fell asleep in his sadness!

Ye Muyun looked at her helplessly and then looked at the child's mother. "How can she sleep so much? she's just like you when you were young, like a little pig."

Xue 'er expressed that she wouldn't take the blame. "It's your Zhenzhen's health that wasn't good at that time!"

Ye Muyun raised an eyebrow and looked at her with a smile. "I remember that there was always a villain who kept crying out that he was tired and kept begging me to let him go!"

Xue 'er's little face was completely red. no way!

"we have the opportunity and a lot of time to experiment." Chairman ye's voice was very indifferent.

Xue 'er bit her lip and glanced at him. "shameless!"

He laughed and looked down at little Yi Shu. He felt that the happiness of life was nothing more than this.

After returning to the villa, the sky was still filled with gentle snow. Ye Muyun carried the little fellow, her leather shoes leaving shallow footprints on the snow.

he carried the little guy into the children's room, covered him with the blanket, and adjusted the temperature of the air conditioner. he then straightened his body and massaged his shoulders."it's so heavy."

Chapter 2424: are you trying to please me?(2)

Then, he straightened his body and massaged his shoulders."It's so heavy."

he then looked at xue 'er.

Xue 'er snorted. you're going to say that I was fat when I was young again. Do you still like me when I'm fat? "

he smiled and pinched her little face."i'm doing a good deed every day! To save another man. "

she wrinkled her little nose and didn't say anything.

Ye Muyun walked out with her in his arms and rubbed his shoulders. "i'm a little tired, sleep with me for a while."

...

"pig!" She whispered.

"is that so?" ye mu yun's eyes were full of threat.

Xue 'er snorted. you only know how to sleep. What are you if not a pig? "

“There’s another type, a perverted freak!” he said very calmly.

xue ‘er was on her guard. he smiled and pushed her into the master bedroom. ” what else can i do with my arm like this? he probably can’t support his body and can’t even do many difficult movements.”

Xue ‘er was speechless.

he took off his coat as soon as he arrived at the master bedroom. he lay down comfortably on the bed with only a pair of trousers and a sweater on. he waved his hand.”little cutie, come here!”

He rarely spoke to her so easily. In the past, he usually put on the airs of a superior. Xue ‘er was afraid of him in the past, but she was still not used to it now.

she shifted her feet and said softly, ” “i think i should stay with yishu. she’ll be scared when she wakes up.”

“i have something to discuss with you.” Boss ye turned on his serious mode.

” oh, ” xue ‘er replied. she didn’t dare to act rashly and slowly moved her feet over, but her face was still guarded.

“will i eat you?” he rubbed the space between his eyebrows and laughed.”you were afraid of me in the past. why are you still afraid now?”

“Maybe it’s just a habit that’s hard to change, Yingluo.” she bit her lip and said softly.

chairman ye nodded in agreement, ” otherwise, i wouldn’t have liked a stupid pig for so many years.”

xue ‘er’s little face was a little red, but she gathered her courage. ” “You can choose not to like it!”

her voice was weak, and she didn’t have any confidence.

ye muyun chuckled. ” you’re the one who said it. what about wanwan who’s used to it? she’s used to it! ”

“Little piggy, come and sit with big brother!” He patted the seat beside him.

“even if you don’t like it, there are others who do!” xue ‘er was furious.

“blue universe?” “Are you sure you can do it with his current appearance?” Chairman ye sneered.

At this time, she was already sitting beside him, and he reached out and pulled her into his arms. His voice was low and hoarse.”do you believe that i can seduce you into cheating on me even if you’re with him? hmm?”

as he spoke, he pressed down on her waist, not letting her move.

Xue ‘er’s little face was completely red, and she snorted lightly, ” “you’re shameless!”

“is that so?” He smiled mysteriously, then took out his phone from his pocket. His slender fingers swiped lightly, and a photo appeared on the phone.

When Xue ‘er saw this, she felt her head heat up.

she greeted qin chen in her heart, coughed lightly, and explained, ” “well, didn’t you ask me to say goodbye to him?”

“i didn’t ask you to say goodbye to him and go to bed.” boss ye’s voice was particularly dangerous.

Xue ‘er swallowed her saliva, ” “It’s a hospital bed!”

“a hospital bed is also a bed.” he reached out and lifted her small chin. ” what did i say, huh? ”

Xue ‘er looked at him, unable to say a word.

“i didn’t do anything! qin chen was there too!”

Chapter 2425: Are you trying to please me?(3)

She peeked at him secretly, but he was unfathomable and she couldn’t tell what he was feeling.

although she knew that he was probably pretending, it was sometimes a duty for young couples to satisfy each other’s vanity.

Hence, Xue ‘er tried her best to say, ” brother, I only have you in my heart.

“Is that so?” he looked at her with a cold gaze, as if he didn’t believe her.

“of course it’s true,” xue ‘er replied with a smile.

As she said this, she kissed his chin with all her might.”now you believe me?”

...

“tang xue ‘er, are you trying to coax a pig?” Chairman ye snorted.

xue ‘er’s expression was especially adorkable. ” brother, you’re so smart. i am! ”

Ye mu Yun even wanted to strangle her to death and then ignored her.

xue ‘er carefully laid in his arms and avoided his wound. ” are you angry? ”

“what do you think?” Boss ye said proudly.

Xue 'er laughed softly and laid in his arms affectionately, " "Don't be angry anymore. I'll sing you a song, okay?"

ye mu yun looked at her and sneered. " do you think i'll fall for it if you use the same method you used to coax lan yu? "

"then there's nothing left, brother," xue 'er said with a smile.

He glared at her. She really wasn't afraid of him now. He wanted to act like a superior, but it seemed like he couldn't keep a straight face. In the end, Chairman ye gave up.

xue 'er boldly kissed his lips, and his gaze immediately became somewhat profound.

Xue 'er's voice was soft. brother, do you like this? "

He narrowed his eyes and stared at her.

"in fact, i'm especially sulky!" xue 'er's little hand also boldly teased him, kissing and teasing him.

His breathing was slightly chaotic as he grabbed her small hand, his eyes burning."you do sound like qin chen. why? did he teach you?"

xue 'er laughed with her head lowered and buried herself in his arms. she laughed so hard that his heart was a little soft. she bit him a little through the layer of sweater, then crawled over and whispered in his ear, " how would qin chen know what kind of person big brother likes in bed? "

as soon as she said this, ye mu yun's gaze became meaningful. " you're trying to please me? "

yes. her voice was muffled as she continued to kiss him. is older brother happy? "

He leaned against the head of the bed, his eyes glimmering with a faint light. He squinted."You want to make me happy, huh?"

“yes, as long as brother is happy, i’m willing to do it!” She kissed the corner of his lips, trying to seduce him.

she was probably certain that he couldn’t do anything with the injury on his arm, so she said that on purpose.

Sure enough, his hand pressed down on her back and his voice was extremely hoarse. “Really?”

For some reason, Xue ‘er could hear danger in his tone and looked up at him.

ye mu yun’s voice was low and hoarse. ” it’s very easy to make me happy, wanwan. ”

he whispered a few words in her ear, and xue ‘er’s little face turned red.

After all, such a thing was still too embarrassing.

” what? you don’t know how? do you want me to teach you, huh? ” his voice was extremely hoarse as he held her in his arms, the lines on his arms tensed up.

His little wife bit him angrily. “Carnivorous animals!”

chairman ye shamelessly didn’t deny it. he reached out and held her. “i’ll give you two choices now.”

Chapter 2426: Are you trying to please me?(4)

His young lady looked at him eagerly. what choice? ”

ye muyun gently pinched her chin and said in a low and hoarse voice, ” “the first is, you take a walk.”

before he could finish, his little friend asked, ” “What’s the second option?”

Mr. Ye smiled meaningfully. "There's a second way, which is to urge me to go to battle with my injury!"

Xue'er's little face fell, and her little body moved to the side. She secretly looked at him there, feeling that it was extremely terrifying.

Was he really going to do that?

...

It was broad daylight. Her legs went soft when she thought about that scene.

"Barely?" Chairman Ye's voice was slightly hoarse. "In that case, I'll have to come by myself."

Xue'er quickly blocked him, her voice timid and on the verge of tears. "I'll do it."

He leaned against the wall and did not move. His eyes were deep, but there was a small spark in them.

Xue'er bit her lip and carefully crawled over to kiss his lips.

He looked at her. She was about to cry. She would not stupidly come and tease him.

She was so stupid that he actually felt uncomfortable, but he insisted on letting her do it ...

In the end, it was a little messy, but he really enjoyed it.

However, Chairman Ye, who had enjoyed it, still refused to let her go. He took her into his arms and coaxed her to do it once.

After they were done, little Xue'er laid in his arms and poked his heart with her little finger. She was extremely angry. "Bad guy!"

Ye Muyun chuckled and kissed her. what, didn't you tell me not to stop just now? "

xue 'er was even angrier. he was the one who wanted it, but he had to force her to beg. thinking about that embarrassing situation, she felt embarrassed and buried her small body in silence.

after a while, she finally found her conscience. she looked up and said hesitantly, " "will your yueyue feel uncomfortable?"

"it's very comfortable!" Mr. Ye laughed and deliberately misinterpreted her words.

Xue 'er bit his chin angrily, " "i'm asking if you want me to help you clean up!"

ye muyun chuckled and reached out to pinch her small chin. his voice was extremely hoarse. "if you don't think it's dirty."

Then she laughed even more freely,"but it shouldn't be, you were just teasing."

xue 'er's face was as red as a monkey's p * s. she covered his mouth and said, " "You're not allowed to say anything!"

He smiled and looked at her. Then, he kissed her on the lips. It was an extremely gentle kiss.

her heart throbbed for a moment.

"thank you, mrs. ye." he smiled after the kiss.

xue 'er snorted and got off the bed to get a hot towel to wipe him down. however, in the process, he seemed to be a little moved.

xue 'er's movements slowed down and she glared at him.

ye mu yun closed his eyes and said in a hoarse voice, "don't mind it!"

as xue 'er worked, she snorted coldly, " "I knew you were a carnivore."

He laughed uncontrollably and reached out to stroke her long hair. He said meaningfully, " "When I recover, I'll definitely repay Mrs. Ye."

There was nothing wrong with this, but Xue 'er's hair stood on end as she thought about her miserable life in the future.

every day, he would press her down and make her look bitter. after simply wiping him, she would change her clothes and run out.

he didn't call out to her because he was indeed a little tired.

he had lost too much blood only two days ago, and he had lost it twice in a row just now.

He slept for about two hours. When he woke up, he was already refreshed. The bed at home was still the most comfortable.

Chapter 2427: In terms of treachery, only ye mu Yun can win (1)

after he got up, he went to check on the little guy. he was still sleeping.

her little face was pink from her sleep, and she was extremely beautiful.

he stood by the bed and very gently stroked the little guy's little face, his eyes filled with the warmth of a loving father.

After accompanying him for a while and seeing that the little guy did not show any signs of waking up, he slowly went downstairs. At this time, he had changed into a set of home clothes. He was wearing gray casual pants and a white turtleneck sweater. He looked very homely and also looked very young and good-looking.

Xue 'er was busy in the kitchen, her little figure lovingly pacing around the counter, and he was watching from a distance.

she was about to pour him a cup of fruit tea, but he looked down at it with some disdain.

...

“Miss often drinks it,” the servant said in a low voice.

Only then did Chairman ye reluctantly take two sips and unexpectedly found that the Apple taste was quite good.

then, he looked up and watched her busy herself.

the snow had stopped, and the sunlight shone into the kitchen. it was very bright and warm.

his child was wearing a fluffy pullover, the kind that a rabbit would wear. his long hair was tied into a ponytail, and he looked as young as an 18-year-old.

His throat tightened as he recalled their engagement when she was 18 years old.

At that time, they were both young and too emotional. He treated her as his everything, and she was afraid of him.

At that time, their relationship was still immature. Now that he thought about it carefully, he actually had no regrets.

in the kitchen, xue ‘er flipped through the menu while boiling some unknown soup. her expression was so focused that she didn’t notice him when he walked in.

“what are you doing?” Ye mu Yun hugged her from behind, his voice a little hoarse.

“Oh,” Xue ‘er replied, and then smiled sweetly. “Beef Bone soup. I heard it’s good for strengthening the body.”

ye muyun nudged her little neck. she was fragrant and soft. he was a little tempted again, but thinking about his body, he restrained himself.

“your heart finally aches for me, huh?” he smiled and looked at the soup she had made.

although he felt a little disdainful, he still cared about her feelings.

xue ‘er turned her head, looking a little adorkable. ” no, it’s for lan yu. he’s weak, and i don’t think the lan family has specially prepared a meal for him. he’s always on an iv drip, how can he have any nutrition? ”

ye mu yun’s face darkened and his voice was low and hoarse.”After hugging on the bed, you developed feelings for her again?”

Xue ‘er reached out and pinched his nose. stingy!

“no man would be so generous in this matter!” he hugged her and bit her little ear. his voice was also warm.”i’m the one who put in the effort on the bed. i’m the one who made you comfortable.”

however, she wanted to make a nourishing soup for lan yu. of course, he would care!

xue ‘er’s legs went soft from his kiss and she stuttered, ” “can you be more reasonable?”

“i’m already very reasonable.” Ye Muyun was expressionless. I want to drink first!

Xue ‘er couldn’t argue with him, but fortunately, she had cooked a lot, so she said generously, ” “alright! i’ll fill a bowl for you!”

only then did mr. ye sit at the small dining table with satisfaction and wait for her soup.

she carefully filled a small bowl for him, then sat opposite him, asking for praise.

Ye mu Yun took a sip and his eyebrows moved slightly. Then, he drank a small bowl without a change in expression.

“Not bad, right?” Xue ‘er was satisfied.

“En!” He had a look of approval on his face, “it’s not bad!” i also feel that i was making a mountain out of a molehill just now, so i’ll give these thoughts to lan yu!”

if you want poison, then poison that man to death!

It was too disgusting!

Chapter 2428: in terms of treachery, only ye muyun can win (2)

Xue ‘er was a little touched. He seemed to be much easier to talk to than before, so she said, ” “i’ll get the driver to send you to the hospital later.”

Ye mu Yun smiled and casually asked, “You’re not going to go personally?”

her small hands immediately hugged his arm and she smiled sweetly. ” “I’ll stay at home to accompany you!”

Ye Muyun looked at her and smiled. He didn’t say anything and just walked to the counter, took the ingredients, and started to cook.

“I’ll go! Your wound hasn’t healed yet!” Xue ‘er quickly helped.

Ye Muyun’s eyes flickered. you can put the nourishing soup you made into a thermos now. Let the driver send it over.

...

“I almost forgot!” Xue ‘er stuck out her tongue.

So, she hurriedly filled the bowl with soup and ran out.

ye muyun kept looking at her with a faint smile in his eyes and continued to cut the ingredients in his hands.

He made a small Chinese yam pot with a few red dates in it. The color looked very beautiful.

Xue 'er ran back and looked at him with adoration. She laid on the ground and looked around."You've done well,"

When ye Muyun was boiling it, he prepared two more stir-fried vegetables. While cutting, he asked her, "you've sent it over?"

xue 'er grunted and hugged his arm. "I did. Big brother is doing great!"

"how considerate." she was all smiles, her eyes curved into crescents.

he tilted his head. "no reward?"

"What kind of reward?" she deliberately asked in surprise, and then suddenly gave him a light kiss.

however, she laughed when she was kissing him. she tiptoed and pressed her lips against his as she asked softly,"do you like the reward?"

he patted her hand and said,"i like it!" In the future, you can make soup for Lan Yu every day."

He started to cut the vegetables again. Xue 'er hung on his arm and didn't let go. He said helplessly, "Xue 'er, didn't you say that my arm was injured?"

she pretended to be innocent. "this arm is not injured!"

then, she stuck close to him affectionately, as happy as a puppy.

As long as he looked at her happy face, he would feel satisfied. He asked with a smile, "have you tried your soup?"

“you’ve tried it!” Oh! Xue ‘er laughed. it’s your first time, isn’t it not bad? ”

ye muyun turned his head, his eyes were a little deep, and then he smiled meaningfully.”It’s not bad! yingluo didn’t cry too hard, even though she was doing well.”

the more xue ‘er listened, the more she felt that something was wrong. in the end, she finally understood what he was talking about.

“You’re not serious.” She angrily bit his shoulder. “you’re not allowed to say it again.”

she was always shy, so her face was red.

Ye Muyun smiled and carried her to the kitchen counter. learn to cook for me in the future!

“i don’t want to!” she shook her little feet. ” it’s fine with you doing it, yingluo. ”

After she finished speaking, she realized that he was looking at her again, so she blushed. “I didn’t mean it that way! ye mu yun is too despicable.”

“Is that so?” he smiled.

However, he didn’t explain and continued to cook. Not only did he make a meal for two, but he also made a baby meal for little Yi Shu. It was a heart-shaped mushroom rice, and it looked especially delicious.

yes, ” Xue ‘er frowned. it’s what the little girl likes, but Yishu might not like it.

Ye Muyun ruffled her hair. don’t give the child such psychological hints. If you give her too many hints, she’ll think that she’s a boy and that she should like things that boys like.

Chapter 2429: In terms of treachery, only ye Muyun can win (3)

he said it seriously, and xue 'er pushed the blame to him. ” “Then I'll leave Yishu's education to you!”

chairman ye raised his eyebrows and said amusedly, ” “what else? do you think i can count on you?”

“Tang Xue 'er, don't forget that I was the one who started your education when you were young!”
He looked at her with disdain.

Xue 'er was displeased. that's why I'm so stupid. It's all your fault!

After she finished speaking, she covered her mouth and looked at him with wide eyes. I take back my words!

Ye mu Yun chuckled. that's right. He's so stupid. Who can he blame?!

...

he reached out and knocked her little head. ” “you're so stupid!”

Xue 'er lowered her head and didn't say anything. Xuxu thought to herself, how could he be so stupid?

Ye Muyun gently held her in his arms and coaxed her gently, but his voice carried a smile. ” what do you think we should do? i hope that our child is just a little like me and won't be so stupid! ”

xue 'er was furious and glared at him.

Ye mu Yun smiled. be good and sit down. I'll go and carry little Yi down.

she had nothing else to say and ate in silence. however, her stomach was soon conquered by his superb cooking skills.

then, she remembered that she had left a small bowl of soup for them. she wanted to see which of them had better cooking skills.

xue 'er really tasted it with great confidence. however, she only took a small sip before she spat it out with a bitter face.

Oh my God, what is this!

it was not sour, sweet, salty, but it had an indescribable strange taste.

xue 'er stuck out her tongue and looked for water to drink. at this moment, ye muyun came in and saw her. " what's wrong? "

xue 'er sipped her water and pointed at the soup she had made. " "this yingying is too bad to drink."

"oh, it's alright!" President ye placed little Yi Shu on the seat and said in a light tone.

xue 'er looked at him suspiciously,"he's alright?."

"do you really think it's fine?" she asked.

Boss ye's status was so high that when he lied, he would say very calmly, " " it's not bad, but not as good as mine. that's why our little yishu eats what dad makes, okay? "

The little fellow was sleeping like a fool and obediently sat there with a small snow-white scarf wrapped around his body. He was like a cute little animal. Ye mu Yun liked him just by looking at him and kissed him before sitting at the side to serve the little princess.

Xue 'er looked at his calm expression and wondered if there was something wrong with her taste buds. Thus, she gritted her teeth and drank another mouthful, then spat it out again.

it was really awful!

This time, she was suspicious of ye Muyun's taste buds, but she forgot to doubt his Black-bellied level.

"what should we do? will lan yu go bad from eating it?" "I have to call the driver," Xue 'er said after some thought.

she was about to make a phone call, but chairman ye silently raised his hand to look at the time and did not stop her.

Xue 'er called the driver, and after a while, her face fell. "what? he's already back?"

she put down the phone and jumped to the door to take a look. indeed, the chauffeur had returned.

Xue 'er turned around and looked at ye mu Yun. She stuck out her tongue."Will Lan Yu be poisoned to death by me?"

"I won't! at most, it's a little unpalatable." He smiled and comforted her.

however, she seemed to have heard something from his words. she glared at him and said, " ye mu Yun, did you already know it tasted bad, so you asked me to give it all to him?!

chairman ye shrugged his shoulders. " what else? "

Chapter 2430: in terms of treachery, only ye muyun can win (4)

xue 'er was furious. if it wasn't for yi shu, she would have cursed.

At this time, Chairman ye added, " " otherwise, why would i say that you're stupid? you just believe everything others say, huh? "

Xue 'er sat in front of the dining table in anger. She didn't say anything and just ate.

She, would, never, believe, him, again!

ye muyun continued to feed the little fellow and took the time to look at her angry appearance.

She did not know how gentle and loving his gaze was.

...

However, she did not know how cute it was to be so careful.

She did not know how happy he was.

.....

At the hospital, Qin Chen was holding a thermos in his hand. His brother's chauffeur had given it to him and said that Xue 'er had made it.

if tang xue 'er knew how to make soup, qin chen would write his name backward.

however, she still opened the thermal container and sniffed it. it smelled a little strange.

He closed the door again and walked towards the VIP Ward happily. (Two-faced brothers!)

pushing open the door, lan yu was leaning on the bed. in front of him was the nutritious meal prepared by the hospital.

even beef and spinach would make one nauseous.

qin chen walked in, shook the thermal container in his hand, and coughed lightly. " "Your ex-wife made this especially for you."

lan yu looked up at him and snorted, " "where did the ex-wife come from!"

"tang xue 'er, my current sister-in-law!" Qin Chen didn't care if another knife was stabbed into his heart.

As expected, Lan Yu's face darkened and he glared at him. I really want to dig your heart out and see if it's Black. Dr. Qin, do you feel happy when others are in pain? ”

“no!” Qin Chen stretched out a slender finger and shook it gently. I'm very happy!

Lan Yu's face darkened even more as he glared at him.

Qin Chen didn't care about his dark expression. He sat by the bed and kindly opened the thermos for him. actually, we're still ran ran's relatives, aren't we? ”

“Who's your relative?” Hmph! Lan Yu snorted coldly. pretty boy, stop it!

“it seems like you don't want to drink this soup, right?” qin chen wagged his fingers.

lan yu snorted. ” who said so? ”

As he said that, he reached out and snatched his own thing. He immediately filled a bowl and impatiently drank it.

He had only drunk half of it, but it was already stuck in his throat. Yingying was too unpalatable.

is this soup or poison?

lan yu coughed and vomited, then glared at qin chen. ” “Are you trying to poison me, Yingluo?”

“I can't inherit your legacy, why would I poison you!” qin chen knew that he wouldn't drink anymore, so he kindly reminded him, ” this is probably Xue 'er's first time cooking. Big brother might not have eaten it before. Lan Yu, you're still so picky. If Xue' er knew, she would be sad!

“how could that brother of yours not know how terrible this is?” lan yu gritted his teeth.

If it was good, why would it be sent here?

it had to be said that men understood men.

qin chen got up, carrying a small bucket. ” is there a good family! ”

He walked out and poured the things away. This thing was just a prank. If Lan Yu got sick from drinking too much, he would have to spend effort to save him. He didn't like things like intestines washing the most!

But even if Lan Yu only drank a mouthful, he still got sick from drinking it. There was no one missing from the intestines cleansing.

After Qin Chen was done, he pushed Lan Yu back to the ward and called his big brother!
