

## Thank you 2451

Chapter 2451: You're responsible for extinguishing the fire you started (3)

"mom, qin mu's period is a little irregular. if he recuperates, it might not be so painful when he's pregnant in the future. "

mother zhou poked him. " you only know how to dote on your wife! "

however, she still forced a smile. " i don't care. i have to get pregnant within a year. otherwise, yingluo. "

"only one?" Zhou chongguang knew that he was trying to sound him out, but he deliberately said it in a light tone.

Mother Zhou looked at him,"of course, we can adopt one if we can't give birth, but she's young. Of course, we have to work hard!" chongguang, your wife doesn't want to have children?"

"No, I didn't!" Zhou chongguang coaxed his own mother and laughed. why would she? Qin Mu likes children.

...

Mother Zhou was comforted. that's good. I'm most afraid of your wife being spoiled. She's afraid of pain and refuses to give birth. Now that I heard you say that she likes children, that's good. It's just a small illness that needs to be recuperated.

then, he warned his son. " you have to be gentle with women. don't ruin qin mu's body. do you understand? "

zhou chongguang didn't know whether to laugh or cry.

"Qin MU's body is quite soft!" She coughed lightly.

Mother Zhou laughed and hit him.”You’re not serious. Only Qin Mu can spare you for your preposterous teasing in the past.”

she sighed. ” be good to him in the future. there’s no rush for the child. qin mu is only 22 years old, right? he’ll only be 23 during the new year. there will be plenty of opportunities. ”

Zhou chongguang laughed along and did not say anything else.

At this moment, he looked up unexpectedly and saw Qin Mu standing in the middle of the stairs on the second floor, looking at them quietly. He didn’t know how long he had been standing there, looking, and listening.

He panicked, afraid that she would overthink, so he quickly walked over and said in a low voice, ” “why are you awake? you’re wearing so little, you’ll catch a cold.”

Qin MU’s originally calm face squeezed out a smile. I heard you talking to mom, so I came down to take a look.

As she said that, her small face turned to Zhou mother and called out “mom.”

Mother Zhou was quite satisfied. Recently, she had thought things through and was in a good mood. She also found Qin Mu, this little wife, pleasing to the eye in every way.

Although Qin Mu was pampered, he still respected his elders. For this, he didn’t lose any points among his relatives and friends. His only wish was to have a grandson or granddaughter, regardless of whether they were men or women.

qin mu retracted his gaze and looked at zhou chongguang. he asked in a low voice, ” did he prepare tonics for you again? ”

zhou chongguang saw that her expression was normal and heaved a sigh of relief. he smiled and pinched her small face. ” “It was originally your tonic, you have the nerve to say that!”

qin mu also imitated him and lowered his voice.”But if you drink it, I’ll be the one in trouble!”

she stuck out her tongue and said naughtily, ” “even mom is warning you, don’t break me!”

With that, he turned around and ran.

her little appearance stirred up zhou chongguang’s heart. he didn’t care if his mother was still around or what he had just said. he grabbed qin mu and dragged him upstairs. he raised his head and said to his mother, ””mom, we’ll come down for lunch in an hour. make more soup for me. i need to replenish my body.”

When Qin Mu heard this, he wanted to dig a hole in the ground. He was too shameless.

Besides, it was a little too much. Everyone in the villa would know what they were doing. Besides, how could she face her mother-in-law in the future if she did it so early in the morning?

But Mr. Zhou didn’t care. She was the one who teased him just now! They had to be responsible for destroying it!

The referee recommended Yaoyao’s new book, marital passion: Good Morning, hubby. it’s already been released. Please add it to your collection ~~”

## Chapter 2452: Control yourself, control yourself (1)

qin mu was helpless. he could only push against his handsome face that came closer and said in a low voice, ” “if your mother is around, she will have a problem with me!”

Zhou chongguang’s eyes were tinged with a smile. His body was suspended above her, and he seemed to be deep in thought for a moment before he spoke, ” “then i’ll let you go and double the compensation tonight, okay?”

Qin Mu nibbled his chin in slight disdain. “You do it every day, Zhou chongguang. Are you tired of it?”

“Of course not,” Zhou chongguang chuckled.

as he said that, he leaned close to her ear, his breathing chaotic, ” “i’ll never get tired of this.”

Qin Mu rolled his eyes at him and pushed him. be serious. Get down quickly. Otherwise, your mother will really think that we’re doing something up there.

...

” it doesn’t matter what we do. ran ran, my mother is happy to see it happen. ” Zhou chongguang nibbled on her neck carefully. After nibbling for a while, he probably felt that he had teased her enough. Then, he propped up his body and patted her small face. then I’ll go down first. You come down after washing up. Remember to wear more, okay? ”

With that, she got off the bed and walked to the changing room, quickly changing into a set of home clothes.

Qin Mu lay down and calmed down.

When he passed by, he came over and pinched her little face again. Qin Mu made a face at him.

Zhou chongguang smiled and went downstairs in a good mood. Of course, after drinking the tonic soup that his mother had specially made for him, he knew that Qin Mu did not like it and drank her portion as well.

qin mu’s body was cold, and he couldn’t tolerate these tonics with yang properties.

He couldn’t tell his mother directly, so he drank it all himself. There were a few times when general manager Zhou had a nosebleed from the replenishment, but he was willing to drink it.

mother zhou turned around and found that her son had finished drinking the supplement. she patted his hand and said, ” “I finished it for your wife again!”

Zhou chongguang elegantly wiped his lower lip. it’s quite good. I didn’t notice it.

mother zhou glared at him. ” how did you not notice? you clearly did it on purpose. ”

Zhou chongguang smiled. mom, don't do these things in the future. I don't need supplements. Mumu doesn't like these things either.

Mother Zhou was silent for a while, then nodded. "alright, then i'll come less in the future."

"i didn't mean it that way either!" zhou chongguang sighed softly. " if you're free, you should come and play more often. mumu also likes the dishes you cook. "

mother zhou's eyes were a little red.

"How could I!" Zhou chongguang laughed. it's true. Mumu loves to eat.

As she said this, she looked upstairs. I'll go and see why she hasn't come down yet.

mother zhou also urged. " it's been a long time. quickly go and see if you're feeling unwell. "

thinking of his son's joke just now, it was probably because his wife was embarrassed and refused to come down.

zhou chongguang also smiled, then slowly walked upstairs.

He had a feeling that Qin Mu had heard their conversation.

in the master bedroom, qin mu was half-lying in the bathtub. he raised his head and looked at the crystal lamp above his head in a daze.

Yes, she heard it. She heard Zhou chongguang's mother say that she wanted a grandson, a grandson or a granddaughter. She also heard them say that her body had a small problem, and Zhou chongguang said that she was recuperating.

The Chinese medicine that she had taken was hard to swallow to recuperate her body. If it was just a small problem, why didn't he tell her? instead, he told her that they would have another child a few years later. He said that he wanted to play for a few more years.

Was it because of her illness?

Chapter 2453: control yourself, control yourself (2)

qin mu's emotions were in a mess. if they hadn't reconciled, it wouldn't have mattered if she could have children or not.

she had an indescribable feeling.

she had seen him speaking up for her in front of his mother, dealing with things for her, and even hiding things from her.

all of this made her feel that his love for her was real. she also believed that he would always be good to her even without the child.

However, Qin Mu didn't think that he would be willing to watch the mother and son argue over the matter of having a child forever.

she didn't dare to think about what would happen to their marriage if her body really needed a long time to recuperate.

...

Would Zhou chongguang's love for her be twisted? would she still love him as much as she used to?

qin mu knew that he wasn't someone who could be wronged.

At the very least, she couldn't suffer for the rest of her life.

it wasn't her fault that she couldn't have children, but if she couldn't have children, it would be her fault with mother zhou.

her mind was in a mess as she thought about many things. in the end, she closed her eyes slightly and refused to think about it.

Zhou chongguang stood at the door for a long time, looking at her in a daze. He did not realize that he had been standing there for a long time.

She must have heard it!

but zhou chongguang didn't want to say it out loud right now, because his mother was here, and he didn't want to talk about this with her right now.

He still firmly believed that it was best not to involve the elderly in the matters between husband and wife.

After that, he would take some time to bring Qin Mu overseas for a vacation. It could also be considered a way to relieve his boredom.

He slowly walked over and squatted at the edge of the bathtub before she woke up. She opened her eyes and looked at him, her voice a little hoarse."Zhou chongguang?"

"Why are you distant again?" He put his hand into the water and frowned. "the water is getting cold, you'll catch a cold."

hence, he grabbed a bath towel, wrapped it around her with one hand, and carried her straight into the master bedroom.

She was obviously still in a daze.

He sighed softly. After all, she was only 22 years old. There were many things that she couldn't hide, and she still showed it.

he gave up on asking her to go downstairs. instead, he pressed her forehead and coaxed her in a very low voice, " if you're not feeling well, just lie down here. i'll go and make some porridge for you, okay? "

At this moment, Qin Mu was also extremely afraid of meeting mother Zhou. She didn't know how to deal with it. She was still not used to disguising herself.

"Yes, I do feel a little dizzy."

He smiled, but there was a touch of bitterness in his heart.

Qin Mu must not be feeling good now, but he didn't know how to talk it out with her.

Zhou chongguang's expression was a little heavy, but he returned to normal after he went downstairs.

"your wife is really not feeling well?" mother zhou looked at him.

" i'm a little feverish, probably because i didn't control myself last night. " Zhou chongguang took the initiative to take the blame and then went to cook the porridge.

mother zhou looked at him and sighed in her heart.

Although they didn't have any children, their relationship was really good. Moreover, chongguang was completely devoted to his family now, unlike in the past, when he was an adult and didn't go home.

now, he seemed to have changed back to how he used to be.

Mother Zhou was both happy and emotional. She wanted to go upstairs to see Qin Mu, but she felt that it was not good to be in a daze. Thus, she told her son, " if taking medicine doesn't work, you have to see a doctor.

"alright!" zhou chongguang sent her to the front of the car. " i got it. i'll take note. "

## Chapter 2454: control yourself, control yourself (3)

mother zhou said seriously again, "you have to control yourself." You're so young, but you're crazy in the past and even crazier now!"

Zhou chongguang smiled. then why did you send over tonics? "

Mother Zhou glared at him, "this is still my fault!" You're the one who didn't control yourself."

Zhou chongguang just smiled and opened the car door for his mother to send her to the car.

as he watched the black rv drive away slowly, he heaved a sigh of relief. he had finally sent the man away.

Then, he quickly returned to the kitchen. The porridge was ready. He filled a bowl and brought it upstairs.

...

"Your mother went back?" Qin Mu leaned against the head of the bed and asked softly.

He hummed in acknowledgment and walked over gently. He placed the tray down and sat by the bed. He reached out and touched her head. "She told me to control myself so that I wouldn't tire you out."

qin mu's face was slightly red. she looked at him, and her lips moved.

zhou chongguang knew what she wanted to say and stopped her. he brought the porridge over. "let's eat something first,"

then, she added, "mumu, we have a lifetime to talk about it, understand? "

a lifetime? qin mu was a little dazed for a moment, and then he was scalded.

zhou chongguang stretched out his hand. ” it’s hot. spit it out. ”

There were tears in Qin MU’s eyes. He looked at him pitifully, but he still couldn’t accept it.

he didn’t find it dirty, but she found it a little strange!

Hence, her little face was scrunched up like something, and she was twisting around. Zhou chongguang looked at her, feeling extremely helpless and amused. She had probably never been in such a sorry state before.

When she finally swallowed it down, he reached out and patted her. you’re already so big. You still got scalded.

There was an indescribable doting in his tone.

when qin mu heard that, he pouted his little mouth and looked at him eagerly. his tears also fell drop by drop into the bowl.

Zhou chongguang looked at her small face, his expression as deep as water.

His fingers gently caressed her small face and asked very, very softly, ” “Why are you crying? is it because the porridge I made is not good?”

qin mu shook his head.

He put the porridge aside and took her into his arms with one hand. She was very thin, so she looked particularly small in his broad arms. After holding her for a while, he asked in a hoarse voice, ” “What’s wrong?”

Qin Mu bit his lip and buried himself in his shoulder a little affectionately, smelling the nice scent on his body. “Zhou chongguang, am I unable to have children?”

Zhou chongguang’s eyes were tainted with a very deep layer of something, but he did not let her look at his expression. Instead, he continued to say in a gentle voice, ” “how could that be? yingluo mumu, you’re still so young. Didn’t I tell you to wait for a few more years?”

her small hands were wrapped around his neck, and she looked up at him very seriously.”Then what was the medicine I drank?”

zhou chongguang’s eyes became more and more fragmented bit by bit. he knew that even if he didn’t say anything, she would still ask qin chen, or even ask dr. bai. she would eventually find out, so he relaxed a little and hugged her as if he was hugging a baby. he said in a calm voice, ” your body is a little cold, so the chances of you getting pregnant are lower. i want to nurse your body back to health. otherwise, it won’t be good if you give birth to a child. ”

He said it very casually, but Qin Mu didn’t really believe it because he didn’t answer her question directly.

However, if she continued to ask and he had to give her an answer, she would seem unreasonable.

After all, he had been dealing with his mother for the sake of her health. She could tell from their conversation this morning.

## Chapter 2455: the most beautiful time (1)

Qin Mu lowered his eyes and didn’t continue to ask. He only hummed and then squeezed out a smile.”i want to eat porridge.”

“you’re already in tears, and you’re still eating?” “It’ll be salty, I’ll get another bowl,” he said with a smile.

She held his hand. no need, I’m not afraid of the salty taste!

after she finished speaking, zhou chongguang bit her little ear and said in a warm voice, ” you like salty ones, huh? ”

qin mu was speechless. he could still have such thoughts at a time like this. however, he also knew that he probably wanted to shift her thoughts away. hence, he put his little face on his shoulder and gave a vague 'mm'.

although he didn't do anything, general manager zhou's heart was a little shaken.

...

He wanted to do something, but now was not a good time, so he had to endure it.

qin mu obediently ate a bowl of porridge. he was pretending to be sick at first, but after eating the porridge, he really broke out in sweat and felt drowsy.

zhou chongguang helped her wipe her body with a hot towel again. after she fell asleep, he took a laptop over and accompanied her while dealing with work.

When Qin Mu woke up, it was already two in the afternoon.

As soon as she woke up, Zhou chongguang switched off his laptop, walked over, bent down, and kissed her little face. He said softly, " "You're awake?"

Qin Mu acknowledged and looked around. He saw his laptop and hugged him."You've always been here!"

"yes." "I'm afraid you won't be able to find me when you wake up," he said softly.

Qin Mu hugged him. He was soft like a little lamb.

After a while, she said in a low voice, " "I want to take a shower."

" i'll carry you there, " he said. " let's go out to eat later, okay? "

qin mu didn't want to go out at first, but he seemed to be in high spirits. thus, he nodded."alright," he said.

“let’s go to zhao yan’s restaurant!” he seemed to say it casually.

“childish!” qin mu glanced at him.

zhou chongguang chuckled. ” aren’t you making me jealous? ”

he carried qin mu to take a bath. however, she thought of something and bit her lip. ” “I don’t think I’ve taken my medicine today.”

When she said that, her expression was very careful.

His heart ached a little.

She was so afraid of taking this medicine that she refused to take it before. Now that she wanted to take it, she must feel bad.

zhou chongguang lowered his head and used his forehead to rub against her little head. his voice was extremely gentle. Mumu, let’s not take medicine today. I’ll take you to a big meal, okay? ”

She wrapped her arms around his neck. How could she not know what he was thinking? she said softly, ” Zhou chongguang, I’m fine.

She lowered her eyes and said in a very low voice, ” I want a child.

She looked up at him and repeated, ” “i want to have a child with you. zhou chongguang, i would like to give it a try.”

His heart was suddenly wet. He pressed his face against hers and sighed.”Silly Mumu.”

How could she be so silly? it was clearly his fault, so what was she thinking now?

he lowered his head and said in a very soft voice, ” mumu, we can put the child’s matter on hold for a while. if it really doesn’t work out, we can adopt it. don’t be too stressed. ”

Qin Mu bit his lip, and his eyes were like those of a small animal. He looked at him tenderly. "Really?"

zhou chongguang smiled. " of course! "

He kissed the corner of her lips and said, " three years. If we don't have a child in three years, we'll adopt one.

Chapter 2456: The most beautiful time (2)

"will your mother agree?" qin mu sighed.

"I'll convince her." He kissed the corner of her lips again. of course. I think three years is enough for us to have a child.

He didn't know why, but Zhou chongguang's consciousness strongly felt that he and Qin Mu would have a child.

he could feel it.

Of course, he didn't tell her that if his mother hadn't discovered Qin MU's illness, he would have said that it was his own problem. However, it was too late now.

Although Qin MU's conversation with him was like taking a calming pill, she also felt that her body's problems were not as easy as he said.

...

However, she did not ask further.

He was not willing to give up, so she was willing to cooperate and give him a child.

if they weren't fated to be together, she thought that they could adopt one or two children.

zhou chongguang put qin mu down, his voice hoarse. " "You go first, I'll wait for you outside."

however, qin mu reached out and hugged him. he refused to let go. his other fair and thin arm turned on the shower head, and warm water instantly spilled down ...

Zhou chongguang's body was neat and tidy, and he was all drenched in an instant.

He looked at her.

Qin Mu was like a Little Vixen, unbuttoning his shirt. His voice was so soft that it could kill."Your clothes are all wet, Zhou chongguang. Do you want to wash them together?"

He laughed, but his voice was extremely hoarse. "mrs. zhou is so enthusiastic, of course you can!"

as he said that, he leaned forward and kissed her on the lips. his large palm brought her small hand down, and his action was extremely strong.

she was the one who started the fire, but now her hands were trembling.

"Are you afraid?" zhou chongguang's voice was also extremely hot, and even trembled a little, " "i will teach you."

He had always been in charge of the matters between the couple, and he couldn't bear to teach her those things.

However, he was still a man. Sometimes, he would overstep his boundaries. For example, now, when his little wife took the initiative.

in the end, the lovemaking in the bathroom continued until five o'clock. qin mu's legs were all soft, but zhou chongguang's spirit was still especially good, as if he could do it again.

Qin Mu pounded his shoulder and complained. where did your mother get these tonics? they're so powerful.

his face sank on her shoulder and he chuckled. "mumu, you've begged me time and time again. why would i need any supplements!"

qin mu reached out to hit him. he laughed in a low voice, but he finally let her go.

it was already seven o'clock when they left the house. it was cold at night, so he wrapped her up tightly.

She was wearing a white down jacket and a red scarf, only revealing her eyes.

they couldn't go to the restaurant anymore, so they decided to walk to the nearby area to eat. zhou chongguang held her hand, and they were like an old couple, warm and peaceful.

along the way, many people looked at them enviously. they looked pretty good, especially zhou chongguang, who was wearing a dark gray coat with a light coffee-colored sweater inside. he looked handsome and cold.

Qin Mu, on the other hand, appeared much more easy-going. However, with his figure, he was a highlight in the crowd.

Her long hair was tied into a ponytail, making her look pure and cute. Many college students were looking at her.

Zhou chongguang was a little jealous. He reached out and pinched her small face. Mrs. Zhou, actually, you've been married for four years.

"So?" she raised her small face and asked with a smile. the previous matter seemed to have been swept away.

zhou chongguang's head lowered slightly, and his lips were pressed against her forehead. he lowered his voice and said, "in the future, i should dress you up more like an old man. It'll save you the trouble of provoking a little boy!"

qin mu laughed in extreme delight. "zhou chongguang, are you jealous?"

"right!" "I'm jealous, Mrs. Zhou, if this makes you happy," he sighed in a low voice.

qin mu laughed. then, he took off his scarf. his lips gently came up to hers and kissed her as if he treasured her very much.

He lightly pecked her little mouth and said softly, "i can't believe i'm still so excited when we've been kissing for so long. mumu, what about you?"

Qin Mu hugged his waist and lowered his eyes. His breathing was a little messy. me too.

...

As soon as she finished speaking, he kissed her deeply, deepening the kiss in an instant.

in the distance, someone was setting off fireworks. the fireworks lit up the night sky, adding some warmth to the cold night. under the light of the fire, he held her small face and kissed it deeply.

"Mumu, no matter what, don't let go of my hand." After the kiss, he pressed his forehead against hers and murmured softly.

it was a promise, but also a request.

qin mu's small hand slowly climbed over and interlocked his fingers with his.

sometimes, love was just that simple. they fell in love with hanhan after four years of a not-so-good marriage, after she was disappointed in him.

Their fingers were clasped together, so it wasn't so cold anymore. After that, he didn't let go of her small hand. He held her small hand and went to have a simple dinner, then watched a movie like a normal couple.

Director Li Fangfang's "no questions West East" had made Qin Mu cry a few times.

zhou chongguang kept handing her tissues, and after that, he simply hugged her in his arms to coax her. when she cried, he could use his sleeve to wipe it off, or he could kiss yingluo away. this sweetness was beyond that of a newly-wedded couple.

when they left the theater, qin mu was still immersed in the plot and couldn't extricate himself. zhou chongguang hugged his little wife and said with a light smile, "Children always cry easily."

"You're cold-blooded!" "Businessmen are cold-blooded," Qin Mu snorted softly.

alright, I'm cold-blooded. I'll warm you up tonight?" he chuckled and reached out to hold her little hand.

qin mu's face turned red. he really wouldn't give up taking advantage of her for a single moment.

the two of them walked home for about half an hour. after walking for ten minutes, qin mu made a fuss and wanted to take a taxi. zhou chongguang was quite fond of such peaceful and solitary times. in the end, he had no choice but to carry his little girl.

Qin Mu was quite happy. He lay on his back like a curious little girl.

zhou chongguang laughed at her. "qin mu! you must not have been favored at home in the past!"

"No way!" "It's because we have too many children in our family." Qin Mu wrinkled his nose.

"if big brother isn't afraid, i still have qin mo and an an lanlan." she counted.

Zhou chongguang's head was about to go dizzy from hearing that. "by the way, aren't you and qin mo from the same country? Why did it become Qin Chen?"

Qin Mu paused for a moment before saying, "Qin Chen is an an. Lan lan is overseas. He hasn't come back yet.

as for the middle, she couldn't explain it clearly. everyone thought that she and qin chen were twins, but in fact, she and qin mo were.

However, as time passed, her children also thought that it was the case.

It was mainly because lan lan was teasing Qin Yun.

that extremely beautiful boy yingluo

Chapter 2458: Baby, it's time to take your medicine (1)

zhou chongguang could hear the sigh in her tone, so he softened his voice, "you can tell me when you have the chance in the future, okay?"

qin mu acknowledged him and laid on his shoulder again. he chuckled. "old ma, old ma, hurry up!"

He laughed and reached out to Pat her little P \* ss. "you know how to command people, don't you?"

"It's obviously old Ma!" she leaned on his shoulder and smiled happily.

At this time, there were still some fireworks in the distance, shining brightly on her small face. It was very bright.

Zhou chongguang was furious and leaned over to kiss her. Qin Mu also allowed him to kiss her graciously because he was afraid that he would not be willing to carry her and would put her down.

...

After carrying her on his back for half an hour, he finally made it home.

He put her down in front of the door. The lights above were a little dim.

“Mumu, did I give you more confidence in me tonight?” Zhou chongguang held her little hand, not letting her go home immediately.

Qin Mu blinked his eyes and pretended to be ignorant.

“qin mu!” Zhou chongguang’s voice carried a hint of blame.

qin mu laughed and looked at him. ” i know wanwan and zhou chongguang. i said i wouldn’t give up easily. ”

She held his hand. if you don’t let go, I won’t let go.

his gaze was a little deep as he looked at her without saying a word.

Qin Mu was the same.

their eyes met for a long time before he said in a low and hoarse voice, ” “good! mumu, remember your words.”

He held her hand and went upstairs. It was already eleven o’clock. When they returned to the bedroom, he let her rest first while he dealt with some urgent matters.

In fact, at eight o’clock, Zhao Ziyi had already gently urged him, but he had ignored him.

Qin Mu looked at him and made a sound of agreement.

Zhou chongguang kissed her forehead. I’m going to the study room. I’ll be back to accompany you in a while.

Qin Mu nodded obediently and even hugged him to kiss him.

Zhou chongguang's eyes were filled with gentleness. He reached out and ruffled her long hair. "If you're tired, then sleep first, okay?"

Qin Mu agreed softly. He simply didn't want to leave when she was like this.

However, Zhao Ziyi had called him no less than ten times, so he had to reply.

He left the master bedroom with great difficulty and quickly went to the study room, closing the door behind him.

He dialed Zhao Ziyi's cell phone, and after a while, the call was connected. After Zhao Ziyi said a few words, the phone slipped out of Zhou chongguang's hand.

"chongguang, i can't be sure yet!" zhao ziyi was still speaking, but zhou chongguang could no longer hear him. After a long time, he finally picked up his phone. Fortunately, Zhao Ziyi was still there.

zhou chongguang's voice was low, "help me investigate." Also, don't tell anyone."

Zhao Ziyi nodded, " alright.

after zhou chongguang hung up the phone, he fell into deep thought.

He smoked one cigarette after another, and his nerves were almost numb.

his heart was in great pain!

he only returned to the bedroom at two o'clock in the middle of the night. qin mu had already fallen asleep. he was lying on his side and hugging his pillow. his little face was buried so that he couldn't see it. he looked very dependent on him.

She was still young, and even now, she still looked like a small and weak wife. Especially since he had been pampering her recently, her skin had become much fairer and tender, making her look even younger.

zhou chongguang walked over lightly and sat down beside her, his thin lips pursed.

He didn't do anything, he just sat beside her and watched, as if she would fly away in the blink of an eye.

after a long time, he leaned over and hugged her in an extremely uncomfortable position. he buried his face in the crook of her neck and hugged her silently for a long time.

#### Chapter 2459: Baby, it's time to take your medicine (2)

he was not in the mood, but he still took a shower and brushed his teeth carefully, because she liked to be clean.

after lying on the bed, he took the pillow from her hand and carefully held her in his arms.

this was the woman he loved and wanted to treat well for the rest of his life.

he looked at her, his voice low and hoarse. "Mumu, if I don't let go of your hand, you won't let go either, okay?"

However, Qin Mu had been sleeping the whole time, so he probably couldn't hear her.

He watched her all the way until the sky brightened, and only then did he take a two-hour nap.

...

When Qin Mu woke up, she smelled the scent of Chinese medicine. She instinctively wanted to vomit.

She hated this smell too much, but Zhou chongguang spent an hour every day brewing medicine for her without any obstacles. No matter how much she didn't want to drink it, on account of how hard he worked, she had to pinch her nose and drink it.

Furthermore, she wanted a child with him now.

Qin Mu wanted to get out of bed, but Zhou chongguang had already brought the medicine upstairs.

Qin Mu pinched his nose, and his voice was buzzing. it looks so bitter.

Her voice was soft and soft, like a little lamb.

The bitterness in Zhou chongguang's heart was blown away a little. He stood at the door and laughed, " "Didn't you want to drink it yesterday? now that it's done, you think it's bitter."

he walked over and put the medicine aside. then, he took out two plums and said, " "eat one first, then drink it later, hmm?"

Qin MU's eyes were bright as he looked at him."where did you get it?"

old Chen wanted it. He dotes on his wife and will always buy some. zhou chongguang said rather angrily,"big brother will buy you two catties later."

Qin Mu ate one. Although it was a little sour, it tasted much better than medicine.

as she ate, she looked at him and said with some disdain, " don't learn from my brother's bad habits. Why do you have to call him brother? are you a pervert? "

She unconsciously said bad things about her own brother. Zhou chongguang smiled and pushed her long hair back. see, after marrying into the Zhou family, you're finally not on the same page as ye Muyun!

"After he shamelessly ran to the Tang family, we were no longer of the same mind!" qin mu suddenly turned into a child and said excitedly, " " zhou chongguang, you must not know this. my

brother has wanted to be the tang family's son-in-law since he was ten years old. he ran to uncle tang himself and asked him to raise him. ”

as she said this, she laughed,”you don't know how dark my dad's face was at that time!” he said that others would laugh at him for not being able to raise a child.”

zhou chongguang laughed along with her. ” what happened after that? tang yu just agreed like that?”

“en!” Qin Mu nodded. my brother has been two-faced since he was young. Uncle Tang probably saw that he had potential. Thinking about it now, my brother has been working so hard for the Tang family. I heard that when they got married, he returned all his shares to Xue 'er!

As she spoke, Mrs. Zhou looked at Mr. Zhou with sympathy.”Including the 5% you gave me.”

Zhou chongguang was unconcerned and laughed softly, ” “It's yours, you can do whatever you want with it! besides, tang xue 'er and i are old news, and nothing has ever happened between us!”

“Some people seem to have forgotten their dark history. They have forgotten how they shamelessly followed us to new York in the past!”

“Mrs. Zhou, you're young and ignorant!” zhou chongguang laughed. ” also, you should drink your medicine. just because you're talking nonsense, you think you don't need to drink your medicine, huh? ”

Qin Mu glared at him. can you not see through it? don't they say that men are cute when they're confused? ”

“I have to be strict with a brat like you!” Zhou chongguang coaxed her and fed her mouthful by mouthful.

Although Qin Mu was unwilling, he thought about the plum after the incident and pinched his nose to drink it in one go.

“Baby, you’re so good!” He spread out his hands and peeled the plum for her to eat.

Qin Mu couldn’t stand him and looked at him. “don’t give me that, i’m not buying it!”

“then which one do you like? a compendium?” Zhou chongguang pinched her little face.

qin mu slapped his hand away, and his little face was completely red.

...

zhou chongguang leaned over and kissed her, the kind that was a deep kiss, sharing the taste of the medicine in her mouth with her.

At first, Qin Mu was still a little resistant. This wasn’t very good, but he kissed her deeply. She couldn’t refuse and could only helplessly accept his kiss.

Again and again.

after kissing her, he kissed her face. ” i’ll wait for you downstairs. i’ll take you to see the location of the gallery later, okay? ”

Qin Mu nodded. okay.

She looked quite obedient. He couldn’t help but touch her little face again and went down first.

however, the moment he turned around, his face darkened slightly. he walked down the stairs slowly and prepared breakfast before qin mu came down.

When Qin Mu went downstairs, he still had a smile on his face, and she couldn’t tell.

Qin Mu bit the croissant he had prepared and said in a faint voice, ” “zhou chongguang, when do you think my brother and xue ‘er will be back from their honeymoon?”

zhou chongguang laughed. ” it’s just that xue ‘er is back, and she’s pregnant. what help do you think she can provide? ”

Qin Mu bit his lip. I can’t help. It’s good for me to take a look.

after a while, she sat beside him and wrapped her small hands around his waist. she said in a low voice, ” ” chongguang, xue ‘er is pregnant. it’s hard for her to get pregnant, and now she’s pregnant too. can i get pregnant too? ”

He could hear the uneasiness and slight disappointment in her voice.

his gaze became extremely gentle. he lowered his head and pressed it against her small face, sighing softly.”There will be, Mumu. We will definitely have a child.”

Qin Mu hummed and sat up straight obediently.

She had become much more lively recently, probably because he had pampered her too much.

and he liked it very much.

zhou chongguang waited for her to finish eating, then went outside to wait for her in the car. women always had to pack up when going out.

Qin Mu walked over slowly, and Zhou chongguang reached over to open the car door for her. He smiled slightly.”you’re very beautiful today,”

she was wearing a chanel coat today. her brown curly hair was done up very well, and the shoes on her feet were exquisite.

it was rare for her to dress up so meticulously.

Qin Mu sat in the car, but he still looked at her. you went out with me, so you specially packed up?  
”

qin mu looked at him and laughed as he buckled up his seat belt. ” “i heard that the landlord is quite handsome.”

“qin mu.” There was a faint warning in Zhou chongguang’s tone, ” “Is he more handsome than your husband?”

qin mu chuckled. ” you know it too. after being married for a long time, there’s always not so much novelty. ”

she was only joking with him, but zhou chongguang was very calculative. he reached out and pinched her small face. ” “Mumu, you said you would never leave me.”

Qin Mu was shocked, then he smiled helplessly. “zhou chongguang, when did you become like a child? you’re so calculative.”

but zhou chongguang did not laugh. he kept looking at her.

the smile on qin mu’s face also faded and slowly disappeared. after a while, he said in a low voice, ” “Okay, I won’t leave you. Is that okay?” he said.
