

Thank you 2471

Chapter 2471: He loves Qin Mu very much, so it's impossible for them to break up (3)

This was chongguang's first love, with a wife who was about to divorce.

they had made up. it was such a perfect marriage. they could not ruin it just because of gu mei's willfulness when she left.

zhao ziyi couldn't agree to this point.

mother zhou's expression was very ugly, and her voice was slow. "i have never forced chongguang to divorce. it was him, on the other hand. the moment he found out that gu mei was pregnant, he used every means possible to find her and force her to abort the child. "

"have you ever thought about why chongguang would do this?" Zhao Ziyi's voice was serious. it's because he knows your attitude. He can't give up on Qin Mu.

He paused for a moment and looked at Gu Mei. "you said you love him, but if you love him, is it to use the child to scheme against him? is it to possess him in the name of love?"

...

"Qin Mu used to love him too, but Qin Mu slowly learned to let go. She gave up on chongguang before. It was because chongguang liked her and refused to divorce her that they ended up where they are today. Think about it, will you be happy with chongguang? if he really loved you, he would have loved you a long time ago. he wouldn't have waited until today." zhao ziyi let out a sigh of relief. he had probably had enough of this for the past few days.

Ever since Gu Mei had appeared, he and Zhou chongguang had felt like they were living in hell every day.

chong guang found gu mei and offered a very high price. he was even willing to give twenty percent of rongguang's shares to gu mei.

chong guang's thinking was simple. as long as the child was gone, qin mu would never leave him.

That day, he even asked himself if Qin Mu would still follow him if he became a pauper!

that day, zhou chongguang was drunk and said that he did not dare to go back.

He said that when he fed Qin Mu medicine, he felt guilty. After making love with her, he felt that he had let her down, as if he had done it for a child.

That night, Zhou chongguang cried. Only then did Zhao Ziyi know how deep his love was.

It was indeed very, very deep. That was why after the child appeared, Chong Guang did not even think twice and decided not to keep the child.

After Zhou chongguang finished speaking, Gu Mei's expression was very bad. Her lips were trembling, and she could not say a single word.

zhao ziyi turned around and left. as he walked, he said, " think about it carefully. "

gu mei was still standing there. she was biting her lips so hard that they were about to bleed. however, zhou mother went forward to support her.

mother zhou looked at gu mei's expression. after a long time, she said in a low voice, " "this child is almost five months old, yingluo."

it was a fully formed child, and zhou mother quietly asked people, it was a boy.

boys, for the zhou family, were the inheritance of incense.

If Qin Mu couldn't give birth, then this child might be chongguang's only heir. How could mother Zhou bear to let him go?

she looked at gu mei and carefully said, " Gu Mei, if you don't want this child, then I'll take care of it, okay? "

gu mei turned her head and looked at mother zhou. she forced a smile.”i, yingluo, will not give up on this child.”

zhou mother was in a difficult position. zhao ziyi’s words just now still had some effect on her.

She still had to weigh her options between her grandson and son.

Gu Mei looked at mother Zhou and said in a low voice, ” I’m only asking to stay at aunty’s place. Otherwise, Chong Guang will definitely think of a way to abort this child.

thinking of the tragic situation of her grandson being aborted, mother zhou’s heart trembled. how could she still stand it? her voice trembled slightly.”How can this be? the child must be born.”

When mother Zhou said this, she had already completely forgotten about Qin Mu. She knew from the start that with Qin MU’s personality, how could he tolerate this child?

Chapter 2472: because you’re in pain, i’m in pain (1)

gu mei lowered her head and gave a soft ” mm “.

her fingers caressed her stomach, her feelings a little complicated.

she loved zhou chongguang, loved him for so many years. ever since he drove her away, she told herself that this was her last chance. if she said that she had a child, she would come back to find him.

if she didn’t have a child, then she would give up.

she had a child, but qin mu seemed to be unable to conceive. wasn’t this arranged by the heavens?

Gu Mei didn't want to give up such an opportunity. After seeing how well Zhou chongguang treated Qin Mu, she knew that he also had a heart. She yearned for him to treat her like that. She yearned to be his real wife.

...

she had wanted to do this a long time ago.

She was the one who met Zhou chongguang first, and now that she was pregnant with his child, why should she give in?

she didn't want to give up. she wanted to have him.

Their family of three would be very good and happy.

.....

when zhao ziyi rushed to the emergency room, qin mu had already been examined. he had acute gastritis.

the reason was that qin mu took medicine every day and stopped eating after that. after a few months, even his iron stomach couldn't take it.

when zhao ziyi went over, qin mu was still unconscious. zhou chongguang asked for a ward and carried her to a single ward. zhao ziyi followed beside him and said in a low voice, "i'm sorry, chongguang. i didn't know you were here!"

zhou chongguang's face was expressionless, and his voice was low and slow. "i brought gu mei to the hospital. she said that she agreed to get rid of the child, but she called my mother. my mother just arrived, and you and mumu arrived. "

"i don't blame you, you didn't mean it." he paused.

it was possible that this was his and mumu's fate, or that it was his own doing.

That night, he could have not gone to see Gu Mei. Or rather, Gu Mei had drugged him. He did not drink it. He clearly knew that it was drugged. It was because he did not care about Qin Mu at that time. He only felt that there was no shame in having sex with another woman. That was why he ended up like this today.

Zhou chongguang closed his eyes slightly.

Zhao Ziyi tilted his head. including your mother? ”

Zhou chongguang stopped in his tracks, but he didn't say anything and walked straight into the ward.

The young nurse was busy at the side, putting on the drip.

after she was done, the nurse left.

zhao ziyi was just about to speak when zhou chongguang said calmly, ” Ziyi, you can go back first. I want to be alone with her.

When she woke up, she would definitely be angry and even do something ugly. She didn't want others to see this.

That was because she was Qin Mu, the Qin Mu who was still quite arrogant in his bones.

the things that she liked were all very elegant. she had never seen anything dirty ...

If there was, that would be him, Zhou chongguang.

He didn't want others to know this side of her. It wasn't that he minded, but rather, it was Mumu who cared.

His expression was very gentle, but also pained. Zhao Ziyi looked at him and was silent for a long time, before finally leaving first.

the couple was left alone. zhou chongguang reached out and gently caressed qin mu's small face.

Her face was very cold, and even in her sleep, she was still frowning.

"Does it hurt?" Zhou chongguang's voice was low. Mumu, tell me if it hurts.

"Does your body hurt, or does your heart hurt?" his voice was almost trembling.

However, Qin Mu was lying down and couldn't answer him. Zhou chongguang could only lower his body and press his face against Qin MU's little face. "mumu, i'm in pain too. because you're in pain, i'm in pain too. "

Chapter 2473: because you're in pain, i'm in pain (2)

he finally understood what it was like to love someone and what it felt like.

if she was in a little pain, he would be in a hundred times more pain.

zhou chongguang knew that the price he had to pay for loving qin mu was to be cruel to that child.

he had never hesitated, at least not until now.

he didn't have any feelings for that child either. he even felt that it wasn't his child, yingluo.

because there was no love and no participation, he felt that the child had nothing to do with him.

...

but qin mu would mind.

zhou chongguang had been watching over her the entire time, waiting for her to wake up.

at this moment, he could no longer care about his mother and gu mei. in his heart and eyes, there was only qin mu.

He was thinking about Qin MU's reaction when he first saw him after he woke up.

He was afraid but also looked forward to Yingluo.

When Qin Mu woke up, it was already three in the afternoon.

the winter sun shone into the ward through the glass, making qin mu's face even paler.

Qin Mu slowly opened his eyes. His long eyelashes blinked gently, and they were a little sore.

zhou chongguang's face was reflected in her eyes.

it seemed that he had become much more haggard after not seeing him for a long time.

qin mu was a little absent-minded. he just looked at him like that and did not come back to his senses. however, tears flowed down from the corners of his eyes.

“Zhou chongguang, let's leave Xuanji.”

But before she could finish her words, he covered her lips.

Zhou chongguang blocked her lips, his dark eyes locked onto her small face, his voice low and hoarse. Mumu, don't ever say these two words out loud, okay? I'll give you time.

he lowered his eyes and said these three words very, very softly.

i'm sorry.

Qin MU's tears fell even more. They rolled down drop by drop and soaked the pillow.

zhou chongguang felt that his heart was about to break into pieces, and he kept comforting her, "mumu."

She didn't make a sound and turned her face to the side, her back facing him.

"Zhou chongguang, I'm tired," he said softly after a long time.

"Then you sleep, I'll watch over you." he said carefully.

At this moment, he could somewhat understand how she felt back then. This was probably how she felt when she loved someone so lowly.

qin mu turned around, but his tears didn't stop. he knew that she was crying, but he didn't dare to disturb her.

he was afraid that she would say those two words again.

He could not bear to lose her.

However, the matter had to be resolved.

no matter how difficult or painful it was, he had to experience it once.

Half an hour later, he said in a hoarse voice, "qin mu, this child won't be born."

qin mu didn't say anything.

he didn't say anything more. he just lay down beside her and hugged her from behind.

Qin Mu struggled for a moment, but he hugged her tightly and refused to let go.

In the end, she was weak and couldn't outrun him, but her body was stiff and she resisted.

His deep voice rang in her ears, "Mumu, believe me this once, this child was born before!" After we got together, I didn't do anything with her or any other woman."

she believed his words.

because after that, he really did not touch any women, and she could feel it.

However, she could not accept a child.

this was especially so when she tried so hard to have a child with him. in the end, another woman had a child. to qin mu, this was a very humiliating matter. furthermore, he and his mother were accompanying gu mei at the hospital for a prenatal examination.

Qin Mu suddenly felt that everything was laughable!

Chapter 2474: Because you're in pain, I'm in pain (3)

She turned her head away, unwilling to talk to him.

He didn't dare to force her, but he was still on tenterhooks. He didn't dare to leave her for a moment, afraid that she would disappear if he did.

are you hungry? " he asked in a hoarse voice. I'll get someone to send food over, okay? "

qin mu finally paid attention to him, and his voice revealed his fatigue. " "Zhou chongguang, call my mother."

Her phone was smashed.

zhou chongguang paused for a moment and immediately understood her intentions. but how could he be willing to?

...

Ye Liangqiu would probably come to pick her up.

now that they were in trouble, once she left, she might really never come back.

Even if it was painful, he would rather it stay in his hands.

Zhou chongguang's voice was very soft. Mumu, the doctor said that we can go home after the IV drip. Let's eat something first. I'll make you something good to eat when we get home, okay? "

as he spoke, he gently stroked her long hair.

his every word, every word, and every action was filled with humble love.

zhou chongguang had never done that before.

When he was young, his love for Tang Xue 'er was young and full of pride. But now ...

he didn't dare to have any pride. he hated that he didn't want to kneel in front of her and beg for her forgiveness. however, he knew that qin mu didn't want these.

He could only beg her silently.

she would understand when she loved him in her heart.

qin mu's tears fell again. she turned her head to the side and looked at him silently.

After looking at it for a long time, he asked softly,"Zhou chongguang, is that still our home?" Can we still go back?"

Zhou chongguang's heart was trembling. He half-knelt on the ground and held her waist devoutly, burying his face in her arms. It was as if this way, he could enter her heart and know what she was thinking.

time seemed to have stopped. the sun shone on them, but it couldn't warm her or him.

Even someone as powerful as Zhou chongguang had such helpless moments.

His voice quietly rang out. Mumu, I'll handle it.

Qin Mu turned his head. Zhou chongguang, how are you going to handle this? Abort the child? or treat him as if he doesn't exist?"

After she finished speaking, she raised her head and said in a soft voice, "no matter how we deal with it, this child really existed."

her voice suddenly became very, very soft. "you knew it long ago, didn't you? that's why you fed me medicine every day and made love with me every day. you thought that i wouldn't leave you and divorce you because i was pregnant, right? "

Zhou chongguang raised his head slightly and looked at her silently.

Qin Mu gently wiped his tears and smiled, but it was a bitter smile. "Zhou chongguang, you really do understand me!"

"but i'm not pregnant, yingluo," she said softly."perhaps this is the will of the heavens."

"I won't!" He hugged her tightly and buried his face in her neck. After a while, she felt warm and wet.

was that zhou chongguang crying?

Zhou chongguang's eyes were slightly closed as he muttered beside her ear, "mumu, we'll have another child."

Qin Mu was a little dazed. Really?

“We still want a child?” Qin MU’s tears fell again. Zhou chongguang, when I look at you now, I’m reminded of the process of you making Gu Mei pregnant, ran ran.

“I can’t be like Zhou chongguang.” Her voice was light and bitter.

he buried his face in her neck and raised his voice slightly, slightly excited. ” “qin mu, what do you want? leave me, leave, huh?”

His lips moved to her ear and his voice was low and hoarse. “I’m telling you, don’t even think about it!”

Chapter 2475: Abort the child (part one)

qin mu didn’t say anything. he probably felt that his tone was too strong, so he softened his voice. ” we’ll be fine. we’ll have children. ”

however, he might have said all this to convince himself that she would not leave him.

the doctor came over to check on qin mu again. he smiled and said, ” we’ll observe him for another night. If there’s nothing else during the night, he can be discharged tomorrow morning.

Zhou chongguang nodded.

After the doctor left, he picked up the dinner that his family had sent over, opened it, and adjusted her bed.

because of her weak stomach, she ate very lightly. he scooped some porridge and brought it to her mouth, saying in a low voice, ” “Mumu, eat something, okay?”

...

Qin Mu raised her eyes to look at him. She didn't torture her stomach just because she was angry with him, but she said indifferently, "I'll eat it myself."

He didn't force her and silently passed the spoon to her.

Qin Mu ate very slowly. Her little face was still a little pale, and she felt that the food was not fragrant, but she forced herself to eat.

only by eating it would she have the strength to leave him.

zhou chongguang had been silently, silently watching her eat, and silently watching her lie down again.

she was very quiet, but she treated him as if he didn't exist, as if he was air.

he would rather she smash the bowl, get angry at him, get angry at him, and cry at him.

However, she was so quiet that he was even more flustered.

He stood by the bed and watched her calm little face, watching her fall asleep because of the medicine.

at this moment, night had fallen and the lights were switched on. the blazing white light shone on zhou chongguang's face, making him look pale but sinister.

He stood there quietly for a long time before he quietly left.

He needed to smoke and calm down.

in the corridor, mo yan's hands were trembling.

The lights were dim at the end of the corridor. He stood there alone, his back looking lonely.

when gu mei walked over, she saw zhou chongguang in such a state. he was surrounded by loneliness.

She was wondering if he was lonely because Qin Mu ignored him.

“is she alright?” Gu Mei said softly.

At that moment, Zhou chongguang’s body tensed up.

he slowly turned his head, his face extremely dark.

Even Gu Mei, who had accompanied him through all those dark times, had never seen Zhou chongguang with such an expression.

Right now, he was even angrier than when he was forced to be with Qin Mu.

Gu Mei suppressed her anger and flashed a bright smile. langzi, you’ve finally fallen in love with the clean little princess, right? ”

zhou chongguang did not make a sound and continued to look at her with a sinister expression.

” you ... ” gu mei was on the verge of tears. ” you said that you didn’t want a divorce because you were used to it! ”

“I love her.” Zhou chongguang’s voice was firm. Gu Mei, I will not be with you!

Gu Mei’s eyes were filled with hurt. She raised her head to look at the man she had loved for close to ten years. Her voice was very soft.”But we have a child.”

“so what!” Zhou chongguang’s voice was very cold,’Gu Mei, abort this child and I can give you money! You can have anything you want except me!”

because he was qin mu’s.

without glory, he could earn another glory for qin mu. if he couldn't, he would work to support her.

as long as she was willing to be with him, he was fine with anything.

And his words caused Gu Mei to be completely stunned.

anything was fine, except him.

Did he love Qin Mu to this extent?

"i don't want money!" gu mei's voice was choked with sobs. Zhou chongguang, I don't want money!"

Chapter 2476: abort the child (part two)

"Then I'm sorry, I Can't Give You Anything!" his voice was very cold. " gu mei, i'll give you a week to think about it. do you want the money or raise this child yourself? "

of course, he could find someone to forcefully abort the child, but zhou chongguang could not do such a thing.

Perhaps before Qin Mu knew about it, he could. But now that Qin Mu knew, he couldn't.

gu mei's face turned pale and she took a step back.

Zhou chongguang walked past her and headed towards Qin MU's ward.

His arm was caught. He did not look at Gu Mei. "Let go."

...

gu mei's voice was pleading. " chongguang, i don't want anything. i'll just go back to how i was in the past. i won't disturb her and i won't ask for a status! "

"The existence of you and this child has already disturbed her." Zhou chongguang narrowed his eyes. Gu Mei. If you insist on doing things your own way, you won't get any benefits.

She was stunned for a long time before she said in a low voice, " "Does this child mean nothing to you?"

she took his hand and placed it on her stomach, saying anxiously, " " zhou chongguang, feel it. this is your child. he can already move. he's five months old and has taken shape. "

"i don't love you, and i don't love him either!" "Gu Mei, you're on your own now!" Zhou chongguang said coldly.

after he finished speaking, he gently pulled her hand away and left without looking back.

Gu Mei stood there. Her entire body was cold.

suddenly, she covered her face with her hands, tears flowing down from the gaps between her fingers.

If Zhou chongguang could give up, I wouldn't be where I am today.

if i could give up, why would i go to jail for you? i don't want any of the things you said.

Gu Mei slowly released her hand and placed her five thin and weak fingers on her lower abdomen. She suddenly laughed."zhou chongguang, since you're not willing to give it to me, i can only take it myself."

The child she got pregnant with was really timely.

and she knew qin mu's character better than anyone else.

Gu Mei left and returned to Zhou mother's side to stay. With this matter being blown up like this, it quickly became the gossip news and B city was in an uproar.

This was perhaps what Gu Mei wanted.

That night, ye Muyun came over, called Zhou chongguang to the aisle, and gave him a few punches.

Zhou chongguang's body was thrown against the wall with a loud bang. The sound was so loud that it almost seemed like he was going to be smashed into pieces. Xue 'er, who was at the side, covered her small mouth, too scared to make a sound.

"Let's go to the ward." Ye Muyun said to his little wife in a deep voice. Then, he grabbed Zhou chongguang's collar with both hands and gave him another round of punches.

Xue 'er had wanted to stop him, but seeing that Zhou chongguang had no intention of retaliating, she said softly to her dear husband, "Don't kill him!"

Ye mu Yun glared at her and Xue 'er went into the ward.

in the dark and gloomy corridor, zhou chongguang's body was on the verge of falling apart. he leaned against the wall and gasped for breath. his forehead and the corner of his mouth were covered in blood.

However, ye Muyun still felt that it wasn't enough. He narrowed his eyes and looked at the man in front of him. Not only did you cheat on your wife, you even had a child with Gu Mei. Before Gu Mei was sent away, you quarreled with Qin Mu, right? you even slept with Gu Mei after that?"

zhou chongguang wiped the blood from the corner of his mouth and closed his eyes. "i'm sorry!"

he had apologized twice today. the first time was to qin mu, and the second time was to qin mu's brother.

He was proud, but he understood that if ye Muyun wanted to take Qin Mu away, he would never have the chance again.

It would be impossible for him and Qin Mu to be together.

Chapter 2477: for love, he knelt (1)

Zhou chongguang's palm supported himself against the wall as he slowly stood up. He looked at ye Muyun and looked straight into ye Muyun's eyes.

then, he slowly knelt down.

With his head down, he knelt on the ground ...

At this moment, he had abandoned all his self-esteem and pride for love.

If there was no one else in Zhou chongguang's world other than Qin Mu, then he didn't want anyone else. He would only want Qin Mu.

Chairman ye was obviously shocked as well. He did not expect Zhou chongguang to be like this.

...

Back then, when this kid's father left, he was also unyielding and unwilling to beg him. He even did such a crazy thing and played until the fish died and the net fell. At that time, even the young and vigorous ye Muyun couldn't play with his treachery.

But now, because of Qin Mu, Zhou chongguang had knelt down.

The person kneeling in front of him was not Zhou chongguang, but a man who had no way out.

little xue 'er stood not far away, covering her mouth with disbelief in her eyes.

ye muyun looked at his little wife. her eyes were filled with tears. it was obvious that the pregnant woman's heart had softened and she was getting emotional.

chairman ye wanted to harden his heart, but he realized that he was helpless when facing such a zhou chongguang.

he couldn't continue fighting and couldn't curse.

It was because Zhou chongguang was so humble that he had lowered his stance when he fell into the dust.

ye muyun slowly smoked a cigarette and leaned against the opposite wall. he didn't think about it and only asked, "What are you going to do?"

his voice was cold and emotionless. "zhou chongguang, think carefully. qin mu might be infertile. gu mei's child might be your only heir. think carefully before you go and find qin mu."

He paused for a moment. Qin Mu can't take it anymore. You know her illness. If you can't give her everything, then you might as well not give anything to ran ran. I know my own sister well. Although this is tough, she can pull through!

Zhou chongguang was still kneeling, and his voice was hoarse. "i will give her everything."

Ye Muyun was still leaning on the same spot and quietly smoking a cigarette. As for Zhou chongguang, he knelt down with a cigarette.

there were nurses walking back and forth around them, all looking at them curiously.

zhou chongguang was, after all, a famous person. for him to be kneeling there so shamelessly, the nurses were all shocked. someone even secretly took a photo and teased,

zhou chongguang knew, but he didn't care.

Other than Qin Mu, he didn't care about anything else now.

if this could make her feel better, he was willing to do it.

after the time it took to smoke a cigarette, ye muyun's voice was very light, but he wasn't speaking to zhou chongguang. instead, he was speaking to his loving little wife, "xue 'er, come here, it's time to go home!"

Xue 'er moved over, raised her little face and said slowly, "I want to wait for Qin Mu to wake up."

Ye Muyun sighed and ruffled her hair. at this time, she won't want to see anyone. She's a little girl who wants to save face.

it was still the same sentence, he knew his own sister very well.

Oh, "little Xue 'er replied. She had completely returned to her adorable childhood self and obediently followed ye mu Yun.

Zhou chongguang was still kneeling on the ground. When their elevator door closed, he immediately covered his lower abdomen and fell to the ground, staggering.

In the elevator, Xue 'er looked at her brother and said in a small voice, "will zhou chongguang die?"

"He won't die, but he will vomit to death!" "he'll vomit to death how he fell in love with an idiot like you in the past!" chairman ye said nonchalantly.

xue 'er almost jumped up. "how am i stupid? i'm already much smarter now! "

mr. ye nodded in agreement."that's because the child in your stomach combines your iq."

xue 'er was speechless.

Chapter 2478: For love, he knelt (2)

In the corridor in front of the ward, Zhou chongguang was lying on the ground, crying out in pain. He almost suspected that he had internal injuries.

(Chairman ye's wife is pregnant. How strong can a man whose request is not fulfilled be?)

Zhou chongguang lay there for a long time before he felt a little better.

he propped himself up bit by bit and slowly walked into the ward.

Under the dim yellow light, Qin Mu was in a deep sleep.

Just by looking at her like this, he felt that it didn't hurt as much anymore, Yingluo.

...

he supported his body and leaned against the side of the bed, watching over her, watching over their shaky marriage.

Under the light, his face was as pale as paper. He should have gone to see a doctor, but he was not in the mood at all.

He thought, if he collapsed tomorrow and couldn't take it anymore, would Qin Mu cry? would he cry for him?

however, he couldn't collapse because he was afraid that she would cry. he said that he would protect her well.

zhou chongguang covered his face and laughed bitterly and helplessly. he just sat there the entire night.

and that night, the photos of him kneeling had been spread all over the streets, and the fact that he had an affair and had an illegitimate child was also known to everyone!

the qin garden's entrance was surrounded by reporters. his mother had called him countless times, asking him to go home and deal with it.

however, zhou chongguang only had one thing to say. he had to accompany qin mu.

This made Zhou mother unhappy. aren't you worried about Gu Mei? her emotions are very unstable right now!

Zhou chongguang was disheartened. mom, have you ever worried about your son? " he asked.

zhou shuang's mother was stunned.

zhou chongguang had already hung up.

He didn't have the strength to deal with anything else. He just wanted to be with Qin Mu properly. He didn't even care about reputation, status, or glory. If the stock fell, so be it. If it fell, so be it. If it fell, he could shamelessly cling onto her.

Zhou chongguang hung up the phone and returned to the bed to guard Qin Mu.

he looked at her quiet little face and reached out to touch her cheek. it had only been a day, but he felt that she had lost weight. his body sank a little as he hugged her.

he smiled bleakly. at this moment, he didn't even dare to hug her.

this night, to zhou chongguang, was so long.

he kept looking out of the window, but he could not see any light.

her eyes were sore from watching, but she still didn't see it.

Perhaps, just like this, he would not wait anymore. Just like this, he would be with her forever. At this moment, he would stop.

He slowly moved his face closer to hers and closed his eyes.

at dawn, qin mu was in his arms.

His embrace was not warm. Instead, it was a little cold.

She didn't open her eyes, but took a deep breath. She smelled the tobacco on his body, as well as the smell of blood.

She was stunned for a moment, but she still slowly opened her eyes. What she saw was Zhou chongguang's injured face.

qin mu blinked. his eyes were sour and bitter, and he only regained his senses after a long time. "let go."

there was no emotion or warmth in her voice.

zhou chongguang's eyes shuddered, and a hint of hurt flashed past his eyes.

he did not let go but asked in a hoarse voice, "aren't you going to ask me where i got this injury?"

qin mu didn't speak. he lowered his eyes and didn't look at him.

Zhou chongguang didn't care about his reputation anymore, and he definitely wouldn't keep her in suspense. He directly said in a low voice, "your brother came by and gave me a beating."

of course, he omitted the part where he knelt down.

qin mu raised his eyes and searched his face with his gaze. after a while, he said softly, "You can also choose not to suffer this."

Chapter 2479: For love, he knelt (3)

as she spoke, she struggled to get up, but her hand was caught by him, and her body was pulled closer.

she was in his arms, and when she looked up, she saw his tight and disheveled chin and his green stubble.

qin mu's voice was a little cold. "zhou chongguang, are you crazy? let me go. "

"yes, i'm going crazy!" Zhou chongguang's voice carried a hint of a low growl, and then he immediately hugged her body, hugging her entirely, and lowered his head to kiss her.

Qin Mu was naturally unwilling to do so. After being stunned for a moment, he struggled with all his might. His small hands pounded on his shoulders, and he shook his head hard, trying to get rid of him.

However, the man and woman's strength were so distinct that not only did she not get rid of him, but he also pried open her lips and kissed her deeply.

...

he was very anxious, as if he was looking for something, as if he wanted to prove something.

just like that, he desperately wanted her to respond. he used all his tricks, but qin mu was still unmoved.

When he opened his eyes, he saw her clear and cold eyes.

she looked at him coldly without moving her eyes.

Zhou chongguang was suddenly jolted awake, and then he laughed bleakly. How could he be so naïve, to naively think that she would be willing to be touched by him?

“mumu, i will wait.” “Can you please wait for me?” he asked, pulling her into his arms.

Qin Mu was held so tightly in his arms. All she could smell was the smell of blood.

she knew that he wasn't feeling well. it must have been very painful.

&Nbsp; she spoke softly, ” Zhou chongguang, it's not that I don't know what's good for me. I also know how you feel about me.

she paused for a moment, and her voice became even softer. ” but you should also know that this matter can't be forgiven by me. ”

Zhou chongguang's hands tightened, and he said in a suppressed voice, ” “I know, Mumu, I know everything.”

“If you know, then let go.” qin mu's voice sounded very cold and hard. ” “then let's get a divorce, alright zhou chongguang? i'm begging you.”

after she finished speaking, his body froze, and his face was filled with shock.

qin mu begged him.

back then, he didn't love her, and she didn't ask him to love her. but now, they were in love, and she was begging him to let go.

The muscles on his face were so twisted and strange with every movement. He opened his mouth slowly, and every word seemed to knock on her heart.”Qin Mu, unless I die! Otherwise, I won't divorce you.”

Just as he finished speaking, a slap landed on his face.

The injuries on his face were getting worse, but he didn't mind at all and continued to look into her eyes.

“Zhou chongguang, it’s hard for me to love you again.” qin mu said softly, softly.

And these words completely struck him.

His face was as white as paper, and his tall body swayed slightly, but in the end, he only smiled gently and said, ” “i’ll get the doctor. if there’s nothing else, i’ll take you home.”

“Your brother has agreed to let me bring you back,” he continued after a short pause.

he laughed at himself, even though the price was a little high.

qin mu was trembling with anger.

When Zhou chongguang went out, Qin Mu immediately got up and wanted to leave, but there were already two Men in Black standing guard at the door. They said respectfully, ” “Madam, director Zhou would like to ask you to wait here for a moment.”

Qin Mu closed the door expressionlessly and returned to the hospital bed.

she knew that she could not leave.

of course, she could also call her brother, but she didn’t want her brother to step in for her and zhou chongguang’s matters.

after a while, zhou chongguang and the doctor came in together to check on qin mu. qin mu could be discharged if there were no problems.

Chapter 2480: mumu, i’m sorry (1)

But the doctor looked at Zhou chongguang and coughed lightly. CEO Zhou, do you need to treat your injury? ”

zhou chongguang was not in the mood, so he rejected, ” “i’ll go back and apply some medicine on my own.”

the doctor smiled and didn't say much, but he thought to himself, 'is general manager zhou's relationship with his wife not that good, or is it hot on one side?'

mrs. zhou had gastroenteritis. director zhou was so nervous, but mrs. zhou didn't react at all when director zhou was beaten.

however, it was no wonder. president zhou had made a woman pregnant outside, and mrs. zhou still felt sorry for him. that would be stupid.

After Zhou chongguang finished speaking, he packed up his things. Actually, there was not much to pack. The main thing was to pack up and bring Qin Mu away.

...

Thinking of this, Zhou chongguang's heart felt a little better.

he draped his coat over her and buttoned it up one by one. when he was doing this, he felt that it was tightly buttoned and grabbed her tightly.

qin mu didn't resist and allowed him to buckle it up for him.

however, when he held her hand, she instinctively avoided it.

zhou chongguang's eyes hurt, and his thin lips pursed into a straight line. finally, he put both his hands in his pockets and did not force her.

The car was driven by Zhao Ziyi. Qin Mu ignored Zhou chongguang, and even more so ignored Zhao Ziyi.

She understood in her heart that Zhao Ziyi had long known about Gu Mei's pregnancy and had been helping Zhou chongguang with his work.

She leaned her head to the side and looked out of the car window quietly.

probably in order to ease the atmosphere, zhao ziyi said a lot of things, nothing more than things like “we can go abroad to play for the new year” and so on. however, after talking for a long time, it was also just a one-man show.

Qin Mu didn’t say anything at all.

zhao ziyi glanced at zhou chongguang in the rearview mirror and thought to himself, ” Brother, I can’t help you this time. This matter is too big. Even a woman can’t accept it, let alone Qin Mu. Qin Mu, the Qin family’s little princess, who was prepared to divorce you before!

Zhou chongguang did not say anything all along, because whatever he said now would be wrong. Furthermore, he did not want to be slapped by Qin Mu in front of Ziyi.

when the car arrived at the villa, qin mu got out of the car first.

zhou chongguang followed him to give birth, and zhao ziyi opened the car door. ” “Chongguang.”

zhou chongguang turned sideways.

“Bear with it.” Zhao Ziyi smiled slightly.

Zhou chongguang stretched out his hand to touch his face that had been slapped. He cursed in a low voice and followed Qin Mu.

the smile on zhao ziyi’s face disappeared. he looked at zhou chongguang’s back, deep in thought.

Chongguang’s life had always been smooth, and he only had two obstacles now, one was eight years ago, and the other was now.

This time, he didn’t know if chongguang would be able to survive. He didn’t dare to think about what would happen to chongguang if Qin Mu insisted on leaving.

In his eyes, Gu Mei was extremely stupid.

was there any meaning in forcing a man who didn't love her to accept her and give birth to a child?

even if zhou chongguang and qin mu could not last till the end, that person would definitely not be gu mei.

Zhao Ziyi pursed his lips, but still started the car and left first.

This time, it was different from the last time. He did not have the intention of taking advantage of the situation because Zhou chongguang loved Qin Mu.

on the second floor of the villa, zhou chongguang gently pushed open the bedroom door and saw qin mu packing his luggage.

She moved very quickly, and a large box was filled with her belongings. She did not take the clothes she bought after her wedding, and only packed some things from her teenage years.

Zhou chongguang closed the door and looked on quietly. His thin lips were slightly pursed. Was she determined to say goodbye to him?
