

## Thank you 2481

### Chapter 2481: Mumu, I'm sorry I'm sorry (2)

He walked over lightly. Qin Mu was bending over to pull up the suitcase when he was hugged from behind.

zhou chongguang's arms wrapped around her waist, and he buried his face in her neck. "Mumu, I'm sorry, I'm sorry."

it was probably because this was their bedroom, so when he fell to the carpet with her in his arms, he half-knelt and hugged her in a humble posture.

Qin Mu was held tightly by him, and his body couldn't move at all.

she raised her head and took a deep breath. "zhou chongguang, don't think that kneeling is of any use. if kneeling was of any use, there wouldn't be any need to forgive."

"i know it's useless!" His voice was deep. His face was buried and his lips were pressed against the skin of her neck. It was as if he was getting closer to her by pressing his lips against her.

...

"Mumu, don't go!" His voice became deeper.

"How do you think I should stay?" Qin Mu suddenly broke free from him and half-knelt as he looked at him. Zhou chongguang, I'm also a woman. I also know that it's fine if you don't love me, but you have a child with someone else, Hanhan.

"i'm sorry, but i can't continue," she said after taking a deep breath.

"I've said that I'll get rid of the child, no matter what it takes." His eyes were filled with pain.

“zhou chongguang, what makes you think that i, qin mu, would be willing to follow a pauper?” she looked straight at him and said almost cruelly.

His breath hurt. He wanted to hug her, but he was afraid.

“Let’s do this! Let’s part on good terms.” qin mu propped up one leg and wanted to get up.

Zhou chongguang’s voice was soft and light. Qin Mu, you can’t leave. There are more than ten bodyguards guarding this villa.

Qin MU’s legs paused, and then he looked at him.

As he wished, his handsome face was slapped again, a solid one.

Qin Mu looked at him. you’re despicable.

zhou chongguang’s thin lips were tightly pursed, and there were faint traces of blood on his handsome face. it was qin mu who had hit him.

Slowly, he forced a smile. “have you calmed down a little?”

Qin Mu continued to stare at him and coldly spat out two words.”what do you think?”

Zhou chongguang didn’t say anything. He just looked at her like that, his eyes filled with heartache.

suddenly, he removed the sweater on his body. qin mu took a step back. ” what do you want to do? ”

zhou chongguang squinted at her and said,”apply the medicine.” Do you want to help me wipe it?”

of course, qin mu wouldn’t.

she bit her lip and looked at him, not saying a word.

zhou chongguang was only wearing his pants. he walked to the drawer and took out an ointment. he took it over and applied the ointment in front of the mirror.

qin mu's gaze followed his body movements and landed on him.

zhou chongguang's expression wasn't too good, because he was in pain.

when he was done, he turned to look at qin mu and said calmly, "it's none of your business, is it?"

Qin Mu didn't say anything. Then, he turned around and walked outside.

He hugged her from behind again, the smell of ointment all over his body.

"Mumu, I'm very scared!" he buried his face in her neck and said in a low voice, "You really don't love me at all?"

"tell me, what do i have to do for you to be willing to stay and love me again?"

Qin MU's body stiffened. After a while, he turned his head and looked at her very indifferently. "Do you think I can still love you?"

Zhou chongguang tightened his arms and didn't say anything, just sticking to her like that.

Qin Mu held it in for a long time and finally couldn't help but say, "zhou chongguang, are you done?"

"not enough!" He suddenly turned her around and kissed her hard on the lips.

he kissed her with all his might. as he kissed her, he lifted her up and threw her on the sofa. then, he leaned over her.

Chapter 2482: Mumu, I'm sorry I'm sorry (3)

He kissed her fiercely, almost in despair.

qin mu struggled, kicked him, and punched him, but all these were useless.

Zhou chongguang seemed to have made up his mind and was determined to flatten her.

With a cracking sound, Qin Mu closed his eyes slightly and said in a trembling voice, "zhou chongguang, do you know what you are doing?"

Her eyes were bloodshot, and her voice was filled with unprecedented despair. "don't make me hate you."

He gritted his teeth. you already hate me now, don't you? "

...

as she spoke, she was about to force her. qin mu closed his eyes and stopped resisting.

however, she didn't give him any reaction. she lay under him as if she had lost her life, crying.

Zhou chongguang was shocked by that tear.

His heart trembled, and his voice became hoarse and helpless. "qin mu, qianqian mumu, what's wrong with you?"

he reached out to wipe her tears, but she turned her face to the side, not letting him touch her.

she twisted her face. her voice was very soft. "zhou chongguang, i'm not willing to make love with you. without love, what else can we do? "

he maintained his posture, his expression dispirited. it was as if the high-spirited general manager zhou had disappeared in an instant.

All that was left was disappointment.

he finally left her body and did not force her.

qin mu fell onto the sofa. he picked him up and gently placed him on the bed.

He kissed her and said softly, "I'll go downstairs and boil the medicine for you." &Nbsp;

at that moment, qin mu felt that all the blood in his body had frozen.

did she still need to take medicine now?

she didn't make a sound and just lay there quietly.

And he felt that she was willing, so she was very obedient and stopped making a fuss.

zhou chongguang reached out and ruffled her long hair. his voice was very low as he said, " wait for me. "

He turned to leave, but he did not see the coldness in her eyes.

after half an hour, zhou chongguang came over with a bowl of medicine. qin mu was still lying on the bed.

he sat beside her, his voice soft. "Mumu."

"I won't drink it!" qin mu's voice was very light and indifferent. he turned his head to look at him.

zhou chongguang's voice became gentler, " "Mumu, be good."

He helped her up, but Qin Mu reached out and smacked the bowl away from his hands.

the medicine was all over the floor, including the blanket, his body, and his face.

The bitter medicine flowed down his cheeks, bit by bit, making him look extremely embarrassed.

Qin MU's heart was fluctuating violently. She looked at him."Zhou chongguang, I said I don't want to drink anymore, did you hear me?"

He still did not make a sound.

qin mu's chest heaved up and down violently. she looked at him and then, as if she had gone crazy, smashed everything that could be smashed in the room.

The cracking sound came one after another, making people tremble in fear.

but zhou chongguang was still very calm and allowed her to smash him.

After smashing everything, the bedroom was in a mess.

she was standing face to face with him, standing at a place where they had once been extremely loving, but at this moment, they seemed to be enemies.

after a while, zhou chongguang squeezed out a smile. "mumu, have you cooled down a little?"

Qin MU's voice was so hoarse that he was almost growling."Zhou chongguang, I've had enough!"

After he finished speaking, his face was already covered in tears.

She had never lost her composure like this before, not even when they were about to get a divorce.

zhou chongguang was almost unable to breathe. he wanted to reach out and hold her in his arms, but he actually did not move at all.

qin mu's voice was hoarse. "zhou chongguang, don't force me anymore. i will die. "

Chapter 2483: mumu, i'm sorry i'm sorry (4)

Qin MU's voice was hoarse. Zhou chongguang, don't force me anymore. I will die.

he was stunned.

After a long time, he asked her in a hoarse voice, "Mumu, you said that you will die if you are with me?"

qin mu didn't say anything. he just looked at him with tears flowing down his face.

zhou chongguang hardened his heart and narrowed his eyes. "Then we'll die together."

with that, he carried her in his arms and walked towards the door.

...

Qin Mu struggled with all his might, but he hugged her and said in a low voice, "if you don't want to get hurt, it's best to move to another bedroom." He carried her to the guest room and placed her on the sofa.

qin mu was still trembling. his face was covered in tears, and he was only wearing a nightgown.

Zhou chongguang squatted down and carefully examined her little bare feet. Then, he looked up and said in a very soft voice, "there's some broken glass on my foot."

qin mu turned his face to the side. it was obvious that he still didn't want to talk to him.

zhou chongguang smiled gently, "i'll help you get the glass out. " It might be a little painful, but bear with it. "

Qin Mu turned his little face away.

His eyes were locked on her, and he lowered his head. He didn't want to use the needle to pick it up, but chose to use his mouth to suck the glass out.

When he did that, Qin Mu suddenly retracted his little foot.

Zhou chongguang's fingers held her firmly in place. He looked up with a meaningful gaze, then lowered his head again.

He spat out the glass shards but did not let go of her immediately. Instead, he continued to kiss her.

Qin MU's eyes shrank, and his body also shrank back. However, he couldn't struggle free at all. She couldn't help but cry out and call him a pervert.

zhou chongguang kissed her almost humbly. she didn't allow him to touch her, so he could only touch her feet.

yes, she was right, he was a pervert now!

zhou chongguang came without a care, and in the end, he sighed dejectedly.

Qin MU's feet were bleeding, and his sorry figure was mixed with the blood.

When their eyes met, she gave him another slap.

he accepted it and his face was slightly red. other than being hit by her, it was also because hanhan was uncomfortable.

when had he, zhou chongguang, ever been in such a sorry state? he had actually done such a thing and was even being looked down upon.

After Qin Mu was done, he started to walk out on his own.

zhou chongguang pursed his lips and reached out to hold her back. " "are you crazy? your leg is bleeding."

“Compared to the past, this is nothing,” Qin Mu said in a low and hoarse voice.

he was speechless for a moment before he apologized in a low voice, ” “mumu, i’m sorry.”

“Do you think it’s useful to say sorry for some things?” Qin Mu looked at him.

“what else?” “how about i let you go, hmm?” his voice was as deep as water.

“Perhaps I’m just fulfilling your wish.” Qin Mu sighed softly. Zhou chongguang, perhaps what you want is a woman like Gu Mei who regards you as the sky and gives in without any principles.

he frowned deeply and stared at her without blinking. after a long time, he said in a low and hoarse voice, ” “you think so?”

qin mu didn’t reply.

zhou chongguang laughed, and his laughter was a little cold. Qin Mu, you don’t think our relationship is anything, do you? ”

her heart trembled.

He asked again in a hoarse voice, this time with a stern tone,””it’s nothing in your heart, isn’t it?”

Qin MU’s lips moved, but in the end, he couldn’t say a single word.

Chapter 2484: Zhou chongguang, I mind!(1)

qin mu looked at him for a long time before he said in a low voice, ” what about you? what do you want me to do? Zhou chongguang, tell me. What do you want me to do? pretend that nothing has happened and continue living together, continue to drink medicine, and continue to have children with you? ”

As she spoke, her face was covered in tears.”Aren’t you being too much of a bully?”

zhou chongguang could not deny this.

He stepped forward and held her shoulder. Mumu, this will definitely be resolved. We will get better.

he hugged her and said in a low voice, ” “as long as you’re willing to forget all of this, we’ll definitely get better.”

he paused for a moment. ” if you don’t want a child for the time being, we can do it, okay? ”

...

as long as she didn’t leave him, he was willing to do anything.

Qin Mu pursed his lips and shook his head with all his might. I don’t know. I don’t know Zhou chongguang. Let me calm down.

Gu Mei, the child, she was caught off guard.

at that time, her first thought was to leave him. she hit him, scolded him, and scolded him very badly, but he didn’t let go.

Wouldn’t it be better for everyone if he was more decisive?

He was carrying his child and had a complete family. Why did he have to bother her?

qin mu took a step back and thought disappointedly that perhaps she really didn’t love him as much as he had imagined.

therefore, when something happened, she wanted to escape and not let herself get hurt.

and she had indeed never considered his position in this matter, nor his passive position in this matter.

Was this the price Yingluo had to pay for all the things he had done in the past?

qin mu was stunned for a moment and could not come back to his senses for a long time. he could only look up at him.

the teardrop in her eyes, the hint of gentleness in her eyes, made his entire heart soften. his voice was gentle and hoarse. "mumu, you should rest well. be good!"

He reached out to pick her up and carried her back to the bed. He examined her feet and finally wrung a hot towel to clean them before carefully wrapping them with gauze.

qin mu already had no strength to resist. she obediently lay down and looked up at the ceiling. when he was done, he lifted his body and leaned over. his large palm cupped her small face and he kissed the corner of her lips lightly. "mumu, be good and stay at home. i'll settle this, okay?"

As he spoke, he buried his face in her hair and did nothing else.

she looked up and felt his light breathing. for a long time, she thought he had fallen asleep, but he didn't.

after a long time, she heard his hoarse voice. "Mumu, I can't lose you. Yingluo will die too."

qin mu's heart skipped a beat, and he could not come back to his senses for a long time.

he lay with her for a while before slowly getting up.

Qin Mu heard the sound of him taking a shower and the sound of the changing room door opening. They were all soft, as if they were afraid of waking her up.

after about ten minutes, zhou chongguang walked out and stood by the bed.

he leaned over and kissed her forehead, his eyes fixed on her little face.

qin mu closed his eyes and ignored him.

Zhou chongguang knew that she was awake. He said in a low voice, " I'll be back before noon to have lunch with you, hmm? "

as he said this, he used his hand to gently brush her small face. he kept feeling that it was fluffy like a child's, and his heart softened a little.

however, when he turned around, his heart turned cold again.

When the door was closed, Qin MU's tears fell.

she was conflicted, and her heart was not made of stone.

Chapter 2485: zhou chongguang, i mind!(2)

she could see his kindness, his repentance, and his compensation. she wanted to leave, but she also cared.

Yes, she still cared about him. How could she not care anymore?

A child had disappointed her, but it was definitely not what he had said, that she did not care about him at all.

if love could disappear so easily, then it wouldn't be love.

Qin Mu lay down and closed his eyes slightly. After such a struggle, she had no more strength left.

Slowly, she fell asleep.

...

downstairs, zhou chongguang was about to drive out, but the servants at home had already informed him that the old lady had come.

regarding his mother's visit, zhou chongguang was very clear in his heart that she probably wanted to talk about the child in gu mei's stomach.

He slowly walked down the stairs and sat down on the sofa.

zhou mother looked at her son with a complicated expression. " chongguang, what are you thinking? "

Zhou chongguang wiped his face and leaned his head on the back of the sofa, saying calmly, " "abort the child."

mother zhou's face suddenly changed. " "what if qin mu can't give birth?"

zhou chongguang didn't make a sound. he just lowered his head and looked at his mother.

"Chongguang, you must have a child," mother Zhou continued.

"Qin Mu and I will have our own child." zhou chongguang's voice was very soft, but firm.

Mother Zhou was furious, 'then tell me, is Qin Mu willing to give birth to your child? has she recovered from her illness?"

zhou chongguang frowned,"mom!" it's not the time to talk about this. it's unfair to qin mu."

he smiled bitterly. " it's clearly my fault. i'm the one who let mumu down. even if i don't have a child in the end, it's only right. "

When he said this, mother Zhou's heart ached a little. She sighed slightly. I know you like Qin Mu, and your relationship with him has been very good recently. However, the child in Gu Mei's stomach is your flesh and blood. The ultrasound results showed that the small eyes and nose have grown back. They look very complete. One look and I can tell that you look exactly like you when you were young.

Her tone was full of pity.

zhou chongguang could not help but laugh, ” mom, how can you say that? how can you tell?”

mother zhou suddenly wiped her tears and sighed. chongguang, you don’t know this, but your dad and I have been looking forward to you growing up, getting married, and giving birth to a grandson for us to take care of since you were young. Your dad has passed away a long time ago, so we can’t see him anymore. Can you bear to let me not see him? ”

Zhou chongguang let out a long breath, ” “Mom, be more reasonable. Have you thought about what it means for Gu Mei to give birth to a child?”

Mother Zhou hesitated. She was actually testing her son’s thoughts, and now her son’s attitude was obviously particularly obvious. Mother Zhou already had a plan in her heart, so she hesitated for a moment, then said softly, ” ” chongguang, i have an idea. let gu mei give birth to the child and then hand it over to qin mu to raise zhenzhen. no, that’s not what i meant. zhenzhen is just letting qin mu be the child’s mother. as long as we don’t say anything, the child won’t know. ”

Zhou chongguang narrowed his eyes.

mother zhou continued to try her best to persuade him. ” qianqian should know her own body. i don’t think she would mind. ”

Zhou chongguang was about to speak when Qin MU’s voice rang out from the stairs. “I’m sorry, Mrs. Zhou. I mind.”

Zhou chongguang and mother Zhou were both shocked, especially when mother Zhou looked up and saw Qin Mu. She looked uncomfortable.

And Zhou chongguang’s eyes were filled with shock.

Chapter 2486: zhou chongguang, i mind!(3)

Zhou chongguang’s eyes were filled with shock.

These were not his original intentions, but if Qin Mu heard it, he would be so disappointed in this family. He didn't even dare to think about whether Qin MU's attitude, which had softened a little, would become tough again because of his mother's words.

"mumu, this kind of thing won't happen." He immediately got up and walked to the middle of the stairs.

He wanted to hug her, but Qin Mu reached out and pushed him away.

her face was cold, not only to him, but also to his mother.

This was what Zhou chongguang was most afraid of, because Mumu no longer cared about anything.

...

as expected, qin mu pushed him away and slowly walked down the stairs. zhou chongguang subconsciously reached out to grab her. "qin mu."

he knew what she wanted to say and what she wanted to do. he wouldn't allow her to do that.

In his heart, he still wanted to keep this complete family. He didn't want to lose Qin Mu, but he also didn't want to embarrass his mother.

he had hoped that he would be the one to communicate with his mother. the result of the war between the two women would definitely be a lose-lose situation for both sides.

qin mu turned his head and looked at him quietly. then, he smiled. " "You're afraid, aren't you?"

Zhou chongguang pursed his lips. yes, I'm afraid. Mumu, be good and go upstairs. We can talk about this later.

Qin Mu looked at him and then at mother Zhou. He took a step back. when you had sex with Gu Mei, did you discuss it with me? when you had sex with Lin Xue and countless other women, did you consider me? "

she looked at mother zhou again. ” i’m telling you now. i mind. not only do i mind, but i can’t tolerate it. ”

if it was an adopted child, I can give the same amount of love as my own. But it’s a child born from my husband’s affair. I’m sorry that I, Qin Mu, am not generous to that extent.

she smiled coldly and looked at them coldly.

zhou mother’s face was white and red, and she only spoke after a long time, ” “Qin Mu, don’t be so full of yourself. If you can’t give birth one day, you’ll feel that this child is very precious. You’ll regret Yingluo.”

Her tone softened. I don’t mean to divorce you. You’re still chongguang’s wife.

Qin Mu smiled slightly. if it were you, would you be willing to accept the fact that your husband’s woman gave birth to a child outside? ”

zhou mother’s face sank. ” if i can’t give birth, i will accept it. ”

“mom!” Zhou chongguang’s voice carried a hint of sternness, ” “Don’t say anymore.”

Qin Mu was not angry. Instead, he laughed. However, her face was very, very pale.

she said softly, ” zhou chongguang, you saw it, right? everything is just your own wishful thinking. your mother and i both feel that there is no need for our marriage to continue. ”

zhou mother felt wronged and felt that she was not willing to take the blame. she pursed her lips and said softly, ” “chongguang! mom didn’t mean that!”

zhou chongguang gave her a consoling look, and his tone became gentler. ” mom, you can go back first. I’ll solve the problem between Qin Mu and me, okay? ”

however, mother zhou was worried because the purpose of her visit today was to see qin mu and get him to agree to keep the child. the key was not chongguang. in fact, chongguang didn't care. the main thing was that qin mu wanted to speak up.

It was actually fine for Gu Mei to tease mother Zhou. The main thing was her grandson. The main thing was that Qin Mu always couldn't get pregnant.

That was why mother Zhou cared so much about this child.

this child had become a mental illness of mother zhou and had become a crazy demon.

Chapter 2487: Zhou chongguang, I mind!(4)

mother zhou stood up slowly and looked at qin mu. "Are you really not willing to accept this child?"

Qin MU's lips moved slightly.

zhou chongguang's voice was a little stern. "mom, i've already said that i don't want this child!"

"That's a 5-month baby boy!" Zhou Shuang's mother emphasized.

zhou chongguang was speechless for a moment, not knowing what to say about his mother.

Qin Mu sneered. I can lose everything. But I can't lose myself.

...

She looked at Zhou chongguang and slowly walked upstairs, not paying any more attention to them.

Zhou chongguang grabbed her hand and said in a low voice, "qin mu, this wasn't my intention."

qin mu's gaze was calm, and his tone was also very gentle. " " but zhou chongguang, you're carrying too much on your shoulders. "

she was actually a little disappointed.

She knew that she could only be disappointed and not argue with him.

he cared about his mother. his mother had lost her husband, and it was more or less related to her brother. in zhou chongguang's heart, yingluo felt guilty towards his mother.

if one were to compare her children with gu mei's, qin mu was sure that she was ranked first. he could give up his children for her and even never have children for the rest of his life.

But when she was compared to Zhou chongguang's mother, she really did not know which one was more important in his heart.

Qin Mu finished his words calmly, and Zhou chongguang was stunned for a moment. He felt that the calm Qin Mu had returned.

the woman in front of him was not the little wife who would act coquettishly with him these few months and tell him that zhou chongguang, you should hug me. instead, it was the qin mu who would tell him coldly that zhou chongguang, i want to leave you. zhou chongguang, i want a divorce.

perhaps this was the characteristic of a girl from a good family. when she loved you and wanted to be with you, she would become very small, like a child, allowing you to pamper her as much as you wanted. but when she didn't love you and didn't want to be with you, she would become terrifyingly rational.

However, he still liked it. He still loved it very much. He still couldn't bear to let go.

Zhou chongguang's throat rolled, and his voice was very restrained. "you should trust me."

Qin Mu didn't want to argue with him in front of mother Zhou. He broke free of his hand and said in a low voice, " " zhou chongguang, really, i don't want to look too bad on yingluo. think about it, you can have the best of both worlds. "

Zhou chongguang narrowed his eyes. He knew what she meant, so he frowned even more. I've said it before, I won't get a divorce.

"Let go, I want to rest," Qin Mu said softly.

Zhou chongguang's hand tightened, but he still let go in the end.

He looked at his empty hands and was a little dazed. When he raised his eyes, Qin Mu had already walked upstairs.

Mother Zhou was still standing downstairs, while Zhou chongguang slowly went down.

he didn't make a sound, but his expression was extremely ugly.

Mother Zhou was also silent. The two were silent for a long time before mother Zhou said in a low voice, chongguang, you should consider what mom said.

Zhou chongguang's smile was slightly cold. He put his hands in his pocket and looked down for a long time before he slowly raised his eyes.

Zhou mother's eyes met with her mother's. She had never seen her son like this, and she was shocked.

zhou chongguang said softly, "mom, you heard everything. qin mu is not willing."

Mother Zhou was a little disappointed and muttered, "doesn't she love you very much? why can't she bear a child?"

zhou chongguang's smile became even more desolate, "mom, don't you understand?" The more she loves him, the more she can't tolerate this kind of thing."

zhou mother was even more lost, she almost lost her soul as she said, "But, can't she be a little more considerate?"

## Chapter 2488: Do you feel pain?(1)

Zhou chongguang couldn't help but say, "it's my fault!" mom, you can't blame qin mu for this. also, don't keep saying that she can't have children."

his words were obviously biased towards qin mu. mother zhou was unhappy. was she and her grandson not as important as qin mu?

Zhou chongguang's mother could not convince Zhou chongguang, but she had her own plans in her heart. Hence, she sighed, " " chongguang, no matter what, you can't do anything to gu mei. "

The child was already five months old. If they delayed any longer, they probably wouldn't be able to abort it.

zhou chongguang looked at his mother. how could he not know what she was thinking ...

he had his own helplessness, and it was just as qin mu thought.

...

regarding qin mu's matter, his mother had taken a step back. for this matter, he couldn't be too extreme.

zhou chongguang pursed his lips, and finally said in a low voice, " mom, don't say anymore. "

mother zhou was still worried, and said a lot more, making zhou chongguang's heart particularly upset.

after sending off zhou mother, he sat downstairs and smoked half a pack of cigarettes.

He had wanted to talk to his mother, but since she had been here, there was no need to talk anymore.

he sat downstairs for about two hours. as he smoked, he wondered if qin mu would cry upstairs.

Would she still cry for him now?

By noon, even she herself disliked the smell of smoke on him.

“sir, what do you want to eat for lunch?” the servant asked, trembling.

Zhou chongguang’s voice was calm, “I’ll do it!” you guys can leave now. don’t come to the main residence if there’s nothing important.”

the servant immediately left. everyone knew that sir’s woman was pregnant outside, and the atmosphere at home was particularly tense.

zhou chongguang was annoyed. he had wanted to smoke another cigarette, but his cigarette box was empty, so he gave up and looked upstairs for a while, then walked into the kitchen.

She had a weak stomach, so he had prepared two light dishes for her. It was then that he remembered that he had made her drink Chinese medicine in the morning. It had actually been very crazy.

Zhou chongguang’s heart ached just thinking about it. How could he be so cruel back then?

She must have hated him to the core now!

When he accidentally cut his hand while cooking and blood flowed out, he looked at it in a daze. He was still thinking about Qin MU’s pain at that time.

after zhou chongguang finished cooking, he tasted it for himself. he was afraid that the dishes he made would be bitter.

After he tasted it, he looked up at the stairs again. He hesitated for a moment, but still decided to go upstairs to call her.

he pushed open the bedroom door. qin mu hadn’t slept. he must have taken a shower. he was lying on the bed in a bathrobe and holding a picture book in his hands.

Her expression was very calm, and Zhou chongguang almost thought that it was as if nothing had happened.

He slowly closed the door, walked over, and gently took the book from her hand. Mumu, it's time to eat!

qin mu raised his eyes, and his gaze fell on his fingers.

Zhou chongguang followed her gaze and looked down, saying in a low voice, "I accidentally cut myself while cutting the vegetables."

"does it hurt?" Qin MU's voice was a little soft.

zhou chongguang looked at her. his heart was struck by her words.

he humbly realized that as long as she showed him a little kindness, his heart would pitifully reignite with hope.

Yes, hope.

he half-knelt beside her, held her small hand in his large palm, and humbly kissed it. "mumu, you still care about me, don't you?"

qin mu lowered his gaze and asked softly, "What do you want me to say?"

Chapter 2489: do you feel pain?(2)

such an answer was enough for him.

Zhou chongguang leaned forward and kissed her lips lightly. Qin Mu struggled instinctively, but he clasped her hand firmly, their fingers intertwined. His voice was also extremely hoarse."Mumu, don't hate me! Please, I beg you."

The last two words were almost like a whisper at the corner of her mouth, and then he kissed her bit by bit.

qin mu pursed his lips. he didn't give him a chance to go deeper, but it seemed that he was satisfied with this.

zhou chongguang was only kissing her like this, but he already felt his heart throb.

and she did not resist.

...

he didn't dare to do anything more. he just buried his face in her neck and murmured, "Mumu, what do you want? can you forgive me?"

he didn't expect her to answer, but qin mu said in a low voice, "i don't know zhou chongguang. i don't know what to do."

zhou chongguang's heart was almost broken into pieces. he cupped her little face and kissed it bit by bit."you also can't bear to part with me, right?" "i didn't." qin mu closed his eyes.

He looked at her with a little disappointment in his eyes. Then, he lay on her chest and reached out to hug her. His voice was very soft."mumu, i know you still love me, don't you?"

qin mu raised his head. it was as if something was stuck in his throat. she didn't say anything and only reached out to hit his shoulder.

He grabbed her small hand very tightly, then forcefully brought her hand to his waist and let her hold it.

Qin Mu struggled a few times and had no more strength. He could only lie down softly and hug his waist with his thin arms.

"Zhou chongguang, get up." She turned her face to the side.

one of his hands pinched her chin and kissed her a little passionately. qin mu turned his face to the side, and he chased after her and kissed her forcefully.

this kiss was very, very gentle, as if it was filled with all his love.

in the end, his voice was low and hoarse.”mumu, you still love me!”

this time, it was for sure.

qin mu didn’t want to reply because admitting to it would be embarrassing for her.

She didn’t say anything, and he felt satisfied. He kissed her again.”It’s time to eat, be good.”

he carried her and got up, but qin mu’s fingers grabbed onto his sleeve. his voice was very, very low.”Zhou chongguang.”

He looked at her with gentle eyes. Mumu? ”

She clenched her fingers tightly, and her small white hands turned white. Her voice was a little helpless and uneasy. ” zhou chongguang, i’m not such a cruel person. i didn’t ask you to abort the child. ”

She said in a low voice,”that’s a life!” however, i’m not magnanimous enough to accept yingluo raising this child like your mother said.”

zhou chongguang’s breathing became light and shallow. ” mumu, you’re finally willing to talk to me, right? ”

Qin Mu shook his head. I don’t know. Zhou chongguang, I don’t know!

Her voice lowered a little. I don’t know what’s going on between you and her. I don’t know how much you’ve been in contact with her, Zhou chongguang. I’m afraid that we can’t find a reason to continue our relationship.

“We love each other.” He said calmly.

qin mu raised his eyes and looked at him in surprise. he was in a daze.

zhou chongguang looked into her eyes, and his gaze was gentle. ” “mumu, everything will pass.”

she was in a daze, and after a while, she shook her head.”no, zhou chongguang, please don’t.”

“i know, i know everything!” he hugged her. this hug was filled with warmth.

Chapter 2490: Do you feel pain?(3)

Qin MU’s lips moved, but in the end, he still said, ” “Zhou chongguang, I haven’t thought it through yet.”

Zhou chongguang acknowledged her and continued to carry her. He carried her very gently, as if he was coaxing a baby. “mumu, believe me, okay?”

Qin Mu didn’t say anything.

But she knew that her heart had softened a little, Yingluo.

Zhou chongguang didn’t force her anymore. He carried her downstairs and placed her on the dining chair.

he placed food in her bowl and filled it up for her. he almost didn’t feed her.

...

Qin Mu ate very slowly, as if he was savoring it very carefully, but he knew that she was thinking about something.

Qin Mu was not someone who would soften so easily. The child in Gu Mei's stomach was a thorn in her heart. She would not let it go so easily.

Zhou chongguang only ate a little before he stared at her with a nervous expression.

as expected, qin mu put down his chopsticks after he finished eating and looked at him.

"What's wrong?" Zhou chongguang's voice was a little shaky.

qin mu lowered his eyes and said very softly, "zhou chongguang, let's separate first, yingluo, before i decide."

his pupils contracted and his thin lips were pursed tightly. he looked at her with a touch of pain in his eyes.

Qin Mu didn't avoid his gaze. The two of them looked at each other for a long time before she said softly, "Zhou chongguang, this is the biggest concession I can make."

The muscles on his face trembled violently, almost losing his composure.

after a long time, zhou chongguang closed his eyes slightly,"don't live separately, otherwise, it'll be a divorce, right?"

but he didn't ask, nor did he dare to ask.

Qin MU's voice became even softer. I'll take it as you've agreed. Zhou chongguang, I know you. You also understand me, Yingluo. Let's not make things difficult for each other, okay? "

her smile was pale.

his hand gently caressed her small face, and his adam's apple rolled twice. after a long time, he finally said,"Mumu, what should I do to make you stay?"

his palm was warm, but her little face was cold.

qin mu's small face rubbed against him twice, and he raised his head. " zhou chongguang, before we decide, let's live separately, okay? "

Zhou chongguang maintained this position for a long time before he finally said hoarsely, " "alright," he said.

She said that this was the biggest compromise she could make, so he had to make a concession as well.

"I'll move out, you can continue to live here." his voice was soft as he held her hand."Mumu, don't refuse, or I won't agree. Do you know that?"

qin mu's lips moved, and he continued, " " don't worry, my mother won't disturb you again. i apologize for what she said. "

Qin Mu felt a little sad. He had clearly let go, but her heart was empty, as if something was missing.

she was a little lost and didn't know what to do in the future.

She didn't know if she had given up on him.

Qin Mu was silent for a long time before he laughed lightly."Alright," he said.

Zhou chongguang's heart seemed to have been stabbed.

She agreed. Was she so eager to part with him? was she not even a little bit reluctant?

However, he couldn't ask any more questions. Asking any more would only be asking for humiliation.

"When are you moving out?" Qin Mu thought for a while and asked calmly.

Zhou chongguang was still looking at her, his gaze burning.

Qin Mu scratched his head. I want to go overseas for a holiday during the new year. It's a way to relax. Why don't I move out? you can move out when I'm back.

Zhou chongguang pursed his lips. no need. I'll move out!

he looked around. " there's nothing much to move. i'll just bring a few clothes. it's quite convenient to move around in a hotel. "
