Chapter 2491: mumu, let me hug you for one more night (1)

qin mu responded with an “oh.”

The way they got along now was quite peaceful. When mother Zhou came over to make a scene, Qin Mu calmed down instead.

Or rather, she knew in her heart that mother Zhou was throwing a tantrum and saying those words would make Zhou chongguang feel even more guilty towards her, and it was the most appropriate time for her to suggest that they live separately.

she realized that her love for zhou chongguang had started to calm down.

she still loved him. regarding gu mei’s pregnancy, she hated him, blamed him, and threw tantrums at him. however, she still could not be heartless.

” zhou chongguang, let’s split up. if yingluo, we can all adapt. ” “then we shouldn’t be together anymore,” she said in a low voice.

...

She hung her head after she finished speaking. let’s try.

zhou chongguang’s heart was as cold as water, and he smiled bitterly. ” “Mumu, I won’t be able to adapt.”

She looked up at her in embarrassment and then lowered her head.

He took a step forward and gently held her in his arms, his voice deep. “Mumu, I’ll leave tomorrow, okay?”

Her throat seemed to be blocked by something, and she felt unspeakably uncomfortable. Zhou chongguang, please.

“don’t reject me!” He closed his eyes and murmured, “Mumu, don’t reject me!”

he lowered his head to kiss her hair, and his heart ached.

Qin Mu didn’t say anything. It could be considered his silent consent.

Zhou chongguang was supposed to be happy, but his heart was trembling and he really could not be happy.

“I’ll carry you up to rest?”

“I can walk on my own!” after qin mu finished speaking, he realized that he didn’t have any shoes on his feet. he was stunned for a moment before he remembered that he was the one who carried him down.

zhou chongguang looked at her.

Qin Mu didn’t reply.

He carried her up the stairs. Every step he took, he cherished Hanhan because it might be the last time. after he carried her upstairs, he laid her down on the bed. her body still needed to rest.

qin mu closed his eyes gently. it was obvious that he didn’t want to communicate with him anymore.

However, he knew that this was the gentlest way she could comfort him. Perhaps, she was just pitying him.

zhou chongguang looked at her silently. he was reluctant to look away, but he was even more afraid that she would be disgusted.

he stood there quietly for a long time, then quietly left, closing the door behind him.

Zhou chongguang went to the study room and stood in front of the window, smoking for the entire afternoon. It was only when night fell that he came back to his senses.

it was already night time.

the moon was bright and the stars were few. the moonlight shone on the window, making it seem very cold.

Zhou chongguang lifted his sore eyes and laughed silently before he walked out slowly.

The door to the master bedroom opened. His heart skipped a beat and he quickly walked into the bedroom.

There was no one inside.

“Qin Mu.” zhou chongguang’s voice was almost trembling as he called out her name, then he immediately hurried downstairs.

As he walked, his pace slowed down.

qin mu was downstairs.

She was standing in the kitchen, seemingly boiling some soup and tasting it.

Zhou chongguang slowly walked down. what are you doing? ”

Qin Mu turned to the side and saw that it was him. His voice was calm. round bone soup, do you want to try it? ”

zhou chongguang’s voice was low. ” you know how to do it? ”

qin mu hummed in agreement. ” i just don’t know if it’s delicious. ”

She tilted her head and said with a calm expression,”zhou chongguang, i don’t think i’ve ever cooked for you in the past few years.”

“My love for you seems to be only on a spiritual level,” she said in a self-deprecating manner.

Zhou chongguang sighed. you don’t have to do all this. I can do it.

qin mu smiled and filled a bowl of soup for him. ” “Let’s try.”

Chapter 2492: Mumu, let me hug you for one more night (2)

he didn’t bring it over for a long time, so she looked up and met his eyes. there were tears in her eyes, and she wasn’t as indifferent as he thought.

zhou chongguang looked at her, his gentle palm caressing her small face. after a long time, he said in a low and hoarse voice, ” “Don’t cry,”

“i’m not crying.” qin mu shook his head quickly.

His eyes were still burning. After a while, he bent down and coaxed her, ” “mumu, it’s my fault. don’t cry.”

However, the more he said this, the more she wanted to cry. She turned her face away in embarrassment and brought the bowl of soup to him. if you don’t want it, I’ll throw it away.

“Eat!” “Why wouldn’t I eat? I’ll eat whatever you cook!” He said softly.

...

as he said that, he took the bowl from her hand and drank half of the soup.

It wasn't very well made, but it was barely edible.

He quickly finished the bowl and said in a soft voice, " "Another bowl!"

Qin Mu took it over mechanically and filled another bowl for him. After he finished it, he had dinner with her.

it was already eight o'clock by the time they finished eating.

"i'm going upstairs to rest." she lowered her head. " xuxu, you can sleep in the guest room. i've already asked someone to clean it up. "

he didn't appreciate her thoughtfulness, but said in a low and hoarse voice, " "i'll sleep in the master bedroom."

qin mu didn't object. he nodded. " then i'll sleep in the guest room. "

As soon as she finished speaking, she was pulled into his arms.

with a thud, she crashed into his arms, and her nose was almost flattened.

"qin mu, when i said that i'm sleeping in the master bedroom, i meant that i want to sleep with you!" his voice was dark and hoarse.

she was trapped in his arms and could not move at all. she looked at him pitifully."Zhou chongguang, we're going to live separately."

As she spoke, she was on the verge of tears.

He held her in his arms and pressed his face against her little ears."Just because we're separated doesn't mean I don't love you!"

He knew that if he didn't say it now, he might not be able to say it in the future. He pressed his lips against hers and said in a very hot voice, " Qin Mu, listen. I won't like anyone else. I won't want

anyone else. I won't sleep with another woman. In my spouse column, there won't be anyone else other than you. It's the same for my heart Jue! Did you hear me?"

in the end, his voice deepened."I don't care what your decision is!"

Qin MU's heart trembled a little. After a long time, he nodded."i know."

"very well-behaved!" he kissed her little face. "mumu, i'm not here. take care of yourself, yingluo, and i'm sorry! "

Other than saying sorry and I love you, he seemed to be unable to find any other words to describe his feelings.

qin mu shook his head.

she couldn't describe her feelings. she thought that if she wasn't so proud, maybe she would face it with him.

However, she was selfish and could not do it.

that night, they slept together, and for the first time, they didn't do anything.

Zhou chongguang's arm was placed horizontally on the pillow, and Qin Mu was using it as a pillow. His eyes looked at the ceiling, watching silently.

it was not until late at night that he said hoarsely, " "go to sleep!"

Qin Mu closed his eyes and felt that his eyes were a little sore. Then, his eyelids were kissed warmly, and his gentle voice rang in his ears."mumu, don't cry!"

"I'm not going to cry!" Her voice was almost trembling as she spoke, but she didn't dare to open her eyes.

she was afraid that if she opened her eyes and saw him, she would want to cry.

She had seen all kinds of negative news about him on the internet. When the mistress was pregnant, he knelt down to his brother and egged Qin Mu on. She was soft-hearted partly because of this!

She had never thought that Zhou chongguang would do such a thing. Perhaps he really loved her!

Chapter 2493: mumu, let me hug you for one more night (3)

Zhou chongguang had not gone to deal with those matters outside and had been accompanying her the entire time.

She knew that he had once valued Rongguang very much. With Rongguang, he had also once lived a life of luxury.

Fame and fortune, power, women's Kasaya, and a wife who did not cry or make a fuss at home.

however, after his wife at home made a fuss, his days seemed to be not so good anymore.

right now, he could even be said to be in a terrible fix!

"zhou chongguang, do you regret it?" qin mu asked in a low voice.

...

his body trembled, and qin mu continued, "the last time I asked for a divorce, how good would it be if we got a divorce? Yingluo, you don't have to be so troubled.

After she finished speaking, she looked up at his handsome face.

zhou chongguang narrowed his eyes slightly and looked at her. after a while, he said in a low and hoarse voice, "i don't regret it."

Why would he regret it? if they divorced, they would never have been together, and he would not have been so happy.

in this life, he would never forget the happiness.

it was a little pretentious to say that it was love, but that was the marriage he yearned for.

his young wife might have a child in the future. when he came back from work, he might not have a gentle wife. he still had to take care of his child and his young wife. however, no matter how busy and tired he was, he would still feel that this was the life he wanted.

it was just that he couldn't tell her these things now, as it would only hurt her heart.

as for the child in gu mei's stomach, they did not talk about it anymore. it was like a time bomb and also a thorn in her heart.

He couldn't pull it out at the moment, and she couldn't force him.

It was too cruel for her to do such a thing.

so, she could only leave the decision to him. even if the child no longer existed, she, yueyue, might not be with him.

she knew, and he knew it even better in his heart. zhou chongguang had lived with qin mu for so long, and he understood her character.

she wasn't running away, but giving him time to think it through. from another perspective, this was actually her kindness.

After quarreling, she didn't make any more trouble. It was also her manners.

zhou chongguang's heart ached for her.

his heart ached so much that it was difficult to add to it. although he knew that hugging her would make her feel disgusted and resistant, he still turned sideways and hugged her. his lips found her and blocked her.

qin mu instinctively turned his small face away, but his palm quickly held hers and he kissed her deeply.

Qin Mu took a deep breath. Her body was like a small Caterpillar as she shrunk backward. However, her back was the side of the bed. As she shrunk like this, her body was empty and she fell straight onto the soft carpet.

zhou chongguang could have held her back, but he did not.

she didn't know what kind of mentality he had, but he didn't pull her. instead, he chose to fall off the bed with her.

Their bodies were folded together, and the bathrobe on their bodies was also loosened due to the sudden change.

Qin Mu lay on his back, his lips slightly open. His long hair was messily scattered, and there was a kind of wanton beauty.

zhou chongguang's eyes darkened, and he looked at her with a burning gaze.

qin mu had been married to him for such a long time. how could he not know the meaning in his gaze? he turned his little face away. " zhou chongguang, we're living separately. "

"Starting tomorrow!" His voice was very soft, and his slightly cold fingers caressed her delicate little face.

his fingers gently caressed her small face, a little unwilling to let go.

qin mu was a little embarrassed,"zhou chongguang, i don't want yingluo."

his fingers paused, his gaze still on her small face, and his breathing became lighter. " "Mumu."

but he didn't say anything. he just lowered his body and hugged her, tightly hugging yingying.

Chapter 2494: I love you, do you understand?(1)

qin mu didn't say anything and didn't struggle anymore. he just let him hug him.

In the end, she cried.

she pinched his shoulder and cried silently.

She was a little embarrassed. She should have pushed him away, but she had no choice. She couldn't bear to.

However, no matter how reluctant she was, she still wanted to separate from him.

she cried on his shoulder, uncontrollably. she had never been so fragile before.

...

Zhou chongguang's heart was warm and wet, and he simply didn't know how to comfort her. His voice was low and hoarse. "Mumu, don't cry."

"It's my fault, don't cry, Yingluo," he said almost indulgently. "If you want to separate, then we'll separate for the time being, Yingluo. I'll come back after everything's settled, okay?"

she didn't make a sound and only cried. she cried until her eyelids were slightly swollen and buried her face in his shoulder, refusing to look up.

her body was convulsing, and zhou chongguang kept patting her back and coaxing her.

After a long time, she wrapped her thin arms around his neck and asked in a low voice, "When did that happen?"

Zhou chongguang's body froze.

Qin Mu still asked.

this was extremely embarrassing for her. he knew best what her question meant. it meant that she was compromising in some sense. and he also knew that she was crying because she couldn't bear to.

the more reluctant she was, the more his heart ached. qin mu should not have to bear all this.

Zhou chongguang hesitated for a moment, then said in a low voice, " " before gu mei was sent overseas by me, she asked me to meet her. "

As soon as he finished speaking, he felt the body of the woman in his arms stiffen.

He hugged her and pressed his lips against her ear. His voice was extremely hoarse."Mumu, don't ask anymore. Be good, don't ask anymore."

"That time, you two slept together?" Qin Mu asked almost stubbornly.

zhou chongguang hugged her and didn't reply. the more details she knew about such things, the more hurt she would be.

Although he didn't say anything, Qin Mu could guess that he was willing to go to bed. No man could reject a woman, and that time with Zhou chongguang and Gu Mei was more like a breakup. However, Zhou chongguang's pregnancy was probably a trap. Otherwise, he wouldn't be in such a terrible state now.

under the dim yellow light, qin mu hugged his neck with one hand and gave him a slap with the other.

this slap wasn't heavy, but it wasn't light either. it was carried out on the bed, and it was the kind of direct venting that belonged to the person closest to him.

after she hit him, her small hand was caught by zhou chongguang, and she placed it on his chest.

he knew and understood her thoughts, and his heart ached even more.

for a moment, he did not know what to do with her because his little wife was so sad. she hated him to the core, but she could not bear to leave him.

He was even more reluctant, so he said in a low and embarrassed voice, ” “mumu, i won’t leave, okay?”

As soon as he finished speaking, she buried her face in his neck and did not say a word.

Zhou chongguang’s heart suddenly softened. He lowered his head to look for her small lips and kissed them lightly.

She didn’t refuse and let him kiss her. When his kiss moved towards her neck, she looked up and panted, her eyes bright. how good would it be if I could get pregnant with Huahua in one go? ”

Zhou chongguang’s entire body froze. He stopped all his movements, raised his eyes, and looked straight at her.

“I’m serious.” Her voice was very soft. Zhou chongguang, if we had a child, would it not be so difficult? ”

Chapter 2495: i love you, do you understand?(2)

His eyes were burning as he kept looking at her. His Adam’s apple was moving sexily, and his voice seemed to contain sand. Mumu, are you serious? ”

qin mu’s head was placed on the pillow, looking soft and soft. his long hair was scattered on the white pillow, giving off a kind of delicate beauty.

She spoke softly. but I can’t get pregnant. That’s why Zhou chongguang, your mother cares so much about this child, right? ”

he sighed and buried his face in her neck, his voice low and hoarse.”mumu, you’re the most important person in my heart.”

“but she has a child.” qin mu smiled bitterly. ” zhou chongguang, you must not know what to do with me. but i don’t know what to do with you either. ”

zhou chongguang looked at her and said in a low voice, ” “Then let’s try.”

...

he said it humbly, but qin mu blocked his lower lips and turned his small face to the side. ” “Forget it,” he said.

Zhou chongguang’s body had actually started to heat up. He looked at her, his gaze light and shallow.”you’re teasing me on purpose?”

“no.” qin mu turned his face to the side.

he looked at her, his eyes still burning.”It doesn’t matter if you did or not, you’ve succeeded.

as he said that, he kissed her lips ruthlessly. qin mu started to struggle.

because she could feel that he was serious.

“This is the last night, Yingluo. Be good.” Qin Mu, ” he murmured, ” I’ve never betrayed our feelings. Ever since I fell in love with you, I’ve never betrayed you.

he knew what she was thinking, so he said in a low voice.

Qin MU’s eyes widened as he looked at him.

This was the deepest topic between them, and he said it out loud.

at that moment, qin mu seemed to have received some kind of redemption. she gently closed her eyes.

If it was the last night, then he would sink.

Zhou chongguang's heart was burning. Although it was said to be the last night, he felt that this was his first time with Qin Mu.

he had never felt so agitated before. he actually felt a sense of helplessness and didn't know what to do.

His fingers trembled, and so did his body. From the kiss, he slowly devoted himself to her, burning her up bit by bit.

The night was long but short.

He kept pestering her, and his sweat was also entangled with her, as if he wanted to pester her until the end of time.

At the last moment, he leaned close to her ear and murmured unwillingly, "I love you, do you know that?"

Qin Mu opened her misty eyes. There was a hint of pain and reluctance in her eyes.

but she didn't say anything, and he already knew her choice.

She still wanted to separate.

after they were done, he didn't let go of her and just hugged her tightly.

qin mu was in his arms. she opened her eyes and looked out of the window. the sky was already turning white, but she just kept looking at it silently.

Finally, it was seven in the morning, the time he usually woke up.

Zhou chongguang lowered his head and looked at the person in his arms. She said softly, "You're leaving?"

“Yes!” He didn’t want to make himself worse. Although he wanted to force her to stay by his side, in the end, he couldn’t bear to.

He lowered his head and kissed her gently between her brows. His voice was particularly hoarse.”mumu, take care of yourself.”

also, wait for my return.

qin mu pursed his lower lip, looked up, and gave him a smile.

it also gave him a trace of warmth.

Zhou chongguang reached out and pinched her small face. He lifted the blanket and got out of bed, but he had only taken two steps when he turned back suddenly. He turned around and bent down, kissing her lips hard.

his hands quickly restrained her and interlocked their fingers. this kiss used all his strength.

Chapter 2496: i love you, do you understand?(3)

Qin MU’s lips moved slightly, but he still accepted his teasing.

finally, he left her lips, panting slightly as he looked at her deeply.

Qin Mu laid down, and her fingers hung by the side of the bed. Every finger was powerless. She moved, but in the end, she didn’t hold his hand.

ten minutes later, zhou chongguang walked out of the bathroom. he was already neatly dressed.

“I’m leaving,” he said in a hoarse voice as he stood at the head of the bed.

at this moment, he actually felt that his departure was an easy thing for qin mu. at least she didn't have to drink bitter medicine in the morning and endure his needs every night, just because he couldn't wait to have a child.

...

she must have been very tired these days. love was not supposed to be like this.

once love lost its color, it would not be beautiful.

Mumu, if I can't give you happiness, then I might as well let go.

Zhou chongguang laughed, and it was a bitter laugh.

When he turned around, he thought, when he could return, would Qin Mu still be waiting for him here?

would she still wait for him?

zhou chongguang left and slowly went downstairs. when he left, his heart was as cold as water.

qin mu lay quietly on the bed. there were some tears in the corners of her eyes. she told herself not to cry.

This was the best way, wasn't it? she wouldn't make things difficult for him, and she wouldn't make things difficult for herself.

however, after he left, the empty xuanji suddenly threw the blanket away and ran to the balcony.

the morning light was a little piercing and bitter.

Qin Mu opened the window and looked at the White sports car parked downstairs.

zhou chongguang stood by the car with a suitcase beside him. he was standing by the car and smoking.

it was probably the sound of her pulling open the window. he looked up at once and met her eyes.

the corners of qin mu's mouth curled up slightly. he wanted to squeeze out a smile, but in the end, he couldn't.

Zhou chongguang still finished the cigarette. He threw the cigarette butt on the ground and lowered his head to step on it to extinguish it.

when he looked up again, he smiled at her, then opened the car door and got in.

qin mu stared at it closely, and tears welled up in his eyes.

His car slowly left the villa's Black carved gate.

Qin Mu clenched his fists and stood there in a daze for a long time.

five minutes later, the servant knocked on the door and came in.

Qin Mu was still standing there when he heard the servant's low voice. "Madam, Sir has instructed for Madam to rest after breakfast. breakfast is ready."

"What about him? didn't he eat?" Qin Mu blinked.

He must have not eaten anything in such a short time.

the servant's voice sounded a little awkward. after a while, he said apologetically, "yes, sir didn't eat anything and left."

qin mu lowered his eyes and clenched his fingers even tighter. at this moment, she actually had the urge to call him back.

However, that impulse was only a momentary thought. She gave up very quickly and turned around, saying indifferently, "I'll be down in a while."

The servant nodded and quickly left.

Qin Mu went to wash his face and slowly walked down the stairs. Breakfast was already prepared, and it was all her favorite.

However, after taking a bite, she frowned and felt that something was wrong.

After a long time, she finally remembered and mumbled, "Don't you need to take your medicine this morning?"

"Madam, what did you say?" The servant beside him asked softly.

"Nothing!" Qin Mu shook his head.

She thought in a daze, you're the one who didn't want it, but now you're missing Yingluo.

Chapter 2497: A life without him (1)

Zhou Chongguang's departure did not have much of an impact on Qin Mu's life. He seemed to have explained everything, and the servants had arranged everything at home. Even for some ordinary private matters, the servants seemed to have received instructions from him, and everything was going according to her wishes.

When she felt better, she went to check on the progress of the art gallery's renovation. The designer told her that General Manager Zhou had come over a few times and gave some suggestions.

Also, he had always been paying for the expenses at home. Those annoying things had never come to her.

She was as comfortable as before, except that Zhou Chongguang was not by her side.

A month after he left, Qin MU's Art Gallery had finished its renovation. That day, she asked Xue 'er to go and take a look.

Xue 'er was pregnant, so ye mu Yun was worried and followed her. He only looked at her for five minutes before coming out.

...

after the group of people came out, qin mu smiled lightly. " "Let's go find a place to drink something!"

ye muyun raised his hand and looked at the time. " i still have a meeting later. qin mu, you can accompany xue 'er. wanwan is just right. we haven't seen each other in a long time! "

He said the last sentence with deep meaning.

For the past month, Qin Mu had only called him to tell him that he was fine. Then, he had locked himself in the villa every day and didn't see anyone.

Ye Muyun didn't dare to force her and often found out about her situation through the servants. Today, she took the initiative to contact her and Xue 'er could accompany her to relax.

xue 'er knew what he meant and said, " "Then go quickly. You don't have to pick us up at noon. I'll just call the driver over."

ye mu yun smiled and pinched her little face. " "Alright, I'll take my leave first!"

"keep an eye on her. don't let her drink coffee." he looked at qin mu again.

" en, " qin mu replied with a faint smile. " don't worry, big brother. i'll take good care of xue 'er. "

Xue 'er winked at her.

"I won't go easy," Qin Mu replied.

Ye Muyun smiled and left first. Qin Mu held Xue 'er's arm and walked into a pretty good dessert shop. He only ordered a milkshake for Xue' er. Xue 'er made a fuss for a long time but Qin Mu didn't fill the water.

"Stingy!" the beautiful pregnant woman grumbled.

qin mu smiled and looked at her. "it's big brother who doesn't allow you to eat it. besides, he's doing this for your own good. these things will affect the fetus. "

She paused for a moment, then said,"Actually, even if I gave you some, you wouldn't drink it. You're just throwing a child's tantrum to make people care about you and make big brother's attention on you, right?"

to put it bluntly, little xue 'er was jealous. she already had little yi shu, and now she had another one in her stomach. xue' er felt that her position was threatened, so she acted like a child.

Big brother liked this type. Not only did he not expose her, but he also loved her very much.

qin mu was a little envious. in fact, she had also been pampered like this before.

if it wasn't for gu mei, yingluo and the others would probably be happy forever!

Xue 'er didn't notice the disappointment in her eyes. She protested,"Qin Mu, I'm four years older than you ~ I'm not a child.

"But my brother dotes on you like a little kid." Qin Mu couldn't help but laugh,"even I feel that it's a little perverted, Yingluo."

Xue 'er blushed and didn't say anything.

the two of them sat in silence for a long time before she took the initiative to ask, " "There's no room for negotiation between you and Zhou chongguang? I saw that he treated you quite well after that. He was really good! just like how your brother treats me. "

Chapter 2498: A life without him (2)

she was especially sincere in her words. although zhou chongguang had been very muddleheaded in the past, gu mei's pregnancy was something that happened before zhou chongguang and qin mu developed feelings for each other. qin mu could not accept it at the moment, but it was not as simple as a divorce.

qin mu lowered his head and took a sip of coffee. then, he smiled bitterly. I know what you're saying. When Hanhan first started, I saw Gu Mei's protruding stomach and it was really uncomfortable. At that time, I was thinking of getting a divorce and leaving him.

"but," qin mu pursed his lips. "but i realized that i'm hesitating again. perhaps it's just as you said. he's too good to me, and i can't bear to let him go. "

Xue 'er's little face was filled with worry, and her wrinkly face looked rather adorable. She hugged Qin MU's arm and said in a coy voice, " "then why are you still living separately from him?"

Qin MU's smile was a little bitter. what can I do then, Xue 'er? if I'm with him, I'll definitely hear news about Gu Mei every day. I can't take it.

xue 'er nodded. she suddenly understood why zhou chongguang had agreed. it was because he did not want to hurt qin mu.

...

"qin mu, what are your thoughts? do you want your brother to step in?" she asked in a low voice.

Although this was a little vicious, from the bottom of her heart, Xue 'er was very, very biased towards Qin Mu. She had warned Gu Mei and Wan Wan in the past that if she got caught between Qin Mu and Zhou chongguang, she would not let her off!

Qin Mu was slightly surprised. Then, he shook his head."No, no need."

Xue 'er didn't say anything else. She drank her milkshake, but her big eyes kept looking at Qin Mu.

“don’t worry, i’ll be fine!” qin mu’s voice was low.

she looked up and smiled.”It’s different from eight years ago.”

xue ‘er nodded.

at this moment, the door of the shop was pulled open. the person who walked in made qin mu’s eyes stare straight at him. there was also xue ‘er, whose eyes were practically on fire.

That person was Gu Mei.

The person accompanying her was none other than Qin MU’s mother-in-law ...

this was truly ironic.

Qin Mu sat there and didn’t move. She couldn’t move either.

Xue ‘er held her hand tightly and said in a low voice, ” “Why don’t we go to another place?”

qin mu’s gaze was still on gu mei’s face. he said word by word, ” “i don’t need to!”

she could tell that zhou mother’s expression was a little troubled. gu mei had probably dragged her in.

when they walked together, they really looked like a mother-in-law and daughter-in-law! She and Zhou chongguang had been married for so many years, but they had never been so intimate before.

Qin MU’s gaze made mother Zhou feel a little uncomfortable. Thus, she pulled Gu Mei.”let’s go! it’s not good for qin mu to be here and for chongguang to hear about it. ”

Gu Mei gave mother Zhou a light smile. didn’t we already talk to chongguang? he’ll come and pick us up.

Mother Zhou was dejected. Previously, she said that she was outside and asked her son to come and pick her up because he happened to be nearby.

However, Chong Guang did not know that Gu Mei was here. If he were to cause a scene, Yingluo ...

she knew that chong guang had moved out and initially thought that he had made his choice. however, he did not. chong guang did not visit gu mei even once. instead, he had called her a few times and asked her to persuade gu mei to abort the child.

How could mother Zhou bear to do that!

this was her grandson.

however, she could tell that chongguang was unhappy. he didn't even visit her once in the past month. he was obviously angry.

she had called zhao ziyi, and he said that chongguang and qin mu were indeed living separately, but his original intention was not to get a divorce. instead, it was because chongguang did not want to force qin mu and wanted to give her some personal space.

Chapter 2499: A life without him (3)

So these days, mother Zhou was in a dilemma and couldn't make a decision.

Now that Gu Mei had said this, she sighed. "Gu Mei, ah, it's better to keep a low profile."

Chongguang didn't want this child to begin with, and now that you've pushed him too far, how could he not be radical?

Gu Mei's thoughts were completely different from mother Zhou's. In her heart, she was thinking about how to force the abdication. As a mother, she needed to fight for a status for her child. She did not want her child to bear the name of an illegitimate child.

Gu Mei pulled mother Zhou to sit beside Qin Mu and Xue 'er, probably on purpose.

xue 'er wanted to say something, but qin mu pulled her hand and said in a low voice, "you don't have to do this for me. don't forget that you're pregnant."

...

"it's too easy on her." Xue 'er said angrily.

"There's no need to get angry over someone who's not worth it." Qin Mu lowered his eyes.

"You're at a higher level now!" Xue 'er held her hand. she saw that you have a good temper, so she deliberately provoked you like this. Don't fall for it!

Qin Mu raised his lips and smiled slightly. "of course i won't!"

"Don't faint from anger." Xue 'er nodded her head, relieved.

As she said this, the person who pushed the door open and entered made her gaze freeze.

it was zhou chongguang.

he couldn't be here to look for qin mu, right, ran ran?

If he wasn't looking for Qin Mu, then he would be looking for Gu Mei?

xue 'er tilted her head and looked at qin mu.

qin mu was actually smiling. xue 'er was a little stunned and said in a low voice, "You're still laughing?"

Qin Mu raised his eyes and smiled. why aren't you smiling? my husband is here to pick me up!

as he said that, he looked at zhou chongguang.

to be honest, the first person zhou chongguang saw was not his mother or gu mei, but qin mu.

He was a little stunned as he looked at her.

of course, at this moment, he had already seen gu mei. his heart tightened and he had a rough idea of what was going on.

he walked over quickly and ignored gu mei and his own mother. he stood directly in front of qin mu's table.

after not seeing her for a month, his eyes fell on her face with a little desire. he put his hand on the edge of the table and said in a low voice, "Why did you come out? It's very cold outside today."

qin mu acknowledged and said in a soft voice, "i'm quite satisfied with the progress at the gallery."

zhou chongguang smiled, but he still couldn't help but reach out to touch her hair gently. he only touched it for a while before retracting his hand. "it's good that you like it."

At this moment, mother Zhou could not sit still. Gu Mei said softly, "Zhou chongguang, we want to go back."

she was pregnant and felt that he would send them back first for the sake of his mother and the child in her stomach. so what if he liked qin mu? They were still living separately.

xue 'er was just about to speak when qin mu said softly, "hubby, we don't have a car! Can you send me and Xue 'er back later?"

"Of course!" He looked at her little face greedily and draped her coat over her shoulders considerately. When she got up, he buttoned it up one by one.

xue 'er blinked her eyes in disbelief. when did qin mu's combat power become so strong?

Zhou chongguang would definitely know, but as long as Qin Mu said it, it would be enough to make him go crazy. He held Qin MU's small hand and asked gently, "are you cold?"

"I want to eat hotpot later." qin mu raised his head, his expression especially innocent, just like before.

For a moment, Zhou chongguang was in a daze. He couldn't tell if she was real or just acting.

As for Gu Mei, she was even more furious. She immediately stood up while holding her stomach."chong guang!"

the people in the dessert shop all looked over at this scene and thought it was melodramatic!

Chapter 2500: the main wife and the mistress (1)

zhou chongguang looked over and said in an indifferent tone, "gu mei, my patience is limited!"

Gu Mei's expression was a little depressed. After a while, she said in a low voice, "but I'm pregnant with your child. Are you going to leave with her now and not care about me?"

After she finished speaking, the people around her instantly perked up their ears. It looked like another scene of a scumbag man getting his mistress pregnant.

this scene was embarrassing for zhou chongguang, and it was the same for qin mu.

But Qin Mu didn't back down. She hooked her arm around Zhou chongguang's, her lips trembling slightly. miss Gu, I know that some things happen to many secretaries and bosses, but chongguang was only drunk. I'm at ease to hand him over to you. I didn't expect this, Yingluo. If you think he should take responsibility, I can withdraw from our marriage, but Yingluo.

Qin Mu lowered his head and stretched out his hand to stroke his still flat stomach. miss Gu, you're going to be a mother too. Can you bear to let my child be fatherless?"

...

everyone immediately looked at gu mei with disdain. she was really too shameful. even when the legal wife was pregnant, she still did not let go of the other family. she used underhanded means to seduce her superior. if she was pregnant, she should have aborted it. that was the legal wife. furthermore, she used her big belly to bully others. she was too despicable.

When Qin Mu said that, mother Zhou's expression was both surprised and happy.

If Qin Mu was really pregnant now, she believed that she would definitely stand by Qin MU's side, because she was willing to help her son.

gu mei couldn't care about that now. she didn't believe that qin mu was pregnant. if he was, zhou chongguang would never move out.

Hence, she shouted in a hoarse voice, " "It's impossible for her to get pregnant. She can't get pregnant at all, Yingluo."

The gazes from the surroundings became even more disdainful. Gu Mei probably felt it too, while Zhou chongguang's gaze was like an ice knife.

gu mei shrank back and pushed the blame to mother zhou. chongguang, your mother said so. I didn't follow or investigate her, Hanhan.

Mother Zhou was not a person on the inside and outside, and now it was even more unclear what was going on ...

a glimmer of hope rose in her heart. she hoped that qin mu was really pregnant.

Therefore, mother Zhou didn't say anything and didn't express her opinion.

"enough!" zhou chongguang held qin mu's hand. " regardless of whether she can get pregnant or not, i will not divorce her. "

at this time, a sigh came from all around. " "It turns out that scumbags also have true love!"

” i know, right? just look at the looks and aura of her legal wife. if i were her, i wouldn’t have divorced her either. what a loss! ”

he’s a man. Eating secretly is just a change of taste. Only a fool would divorce!

In the midst of the condemnation, the scumbag general manager Zhou’s face darkened. He glanced at the crowd and finally said with a black face, ” “mumu’s gone!”

Qin Mu was especially obedient and didn’t forget about his sister-in-law. “Chongguang, you can just hold Xue ‘er!”

It was only then that Zhou chongguang’s attention was focused on Xue ‘er, and his expression was a little complicated-

Xue ‘er had been pregnant for a few months. If he and Qin Mu could get pregnant, they would be around the same age now.

He smiled slightly. He had long forgotten the fanaticism he had for Tang Xue ‘er when he was young. Now, his feelings for Qin Mu were as gentle as water. It was the kind that flowed slowly, but it was very comfortable.

He reached out to support Xue ‘er, but Xue’ er gently broke away from him and slowly walked to Gu Mei.

She tilted her head and looked at Gu Mei.

gu mei was still standing, but her expression was a little embarrassed.

xue ‘er’s voice was very soft. ” back then, when you went to jail for zhou chongguang, i remember telling you not to have any ideas about zhou chongguang. he’s qin mu’s sister-in-law. i used eight years to exchange for qin mu’s love. i didn’t fall for your schemes. ”
