

Thank you 2501

Chapter 2501: the main wife and the mistress (2)

As she said that, she gave him a hard and accurate slap.

Gu Mei was stunned from the slap. She held her face and looked at Xue 'er in a daze.

“You’re pregnant. You think that others wouldn’t dare to hit you, but I can. I’ve said it before, if you dare to hook up with Zhou chongguang again, I won’t let you off! Also, if you dare to show up in front of Qin Mu again, I promise I’ll beat you up until you miscarry, do you understand?”

gu mei was very embarrassed. xue 'er laughed coldly. Gu Mei, I’ll make a bet with you. Even if you give birth to the child in the end, Zhou chongguang will still not marry you!

How could Gu Mei Wan Wan not believe it?

she was just taking a gamble.

...

” of course, ” xue 'er continued, ” you can take a gamble. but don’t you think you’re being very selfish? ”

“But he is already a fully-formed fetus,” Gu Mei said with a trembling voice.

“qin mu is still an adult, yingluo. why didn’t you pity him?” xue 'er’s heart did not soften at all. ”
gu mei, i don’t care what you’ve been through in the past. zhou chongguang used to be the sunshine in your heart, but he is no longer. he is now the same as my brother and your own brother. he is a businessman who only seeks profit. he is not worth it for you to be so stubborn. ”

she paused for a moment and said the most serious sentence, ” he didn’t like you in the past, and he doesn’t like you or Gu Mei now. You will never get what you want. Men hate being threatened.

After she finished speaking, she pulled Qin MU's hand and walked towards the door. She said indifferently, "Zhou chongguang, do you choose to be in cahoots with the third party or go home with Qin Mu?"

go home?

Zhou chongguang smiled bitterly. He wanted to, but would Qin Mu let him go back?

No matter what, he still followed Qin Mu outside.

Mother Zhou could tell that Qin Mu wasn't pregnant, so she called her son. "Chong Guang!"

Zhou chongguang turned around and looked at his mother. His voice was pained. "Mom, do you think this is a good idea?"

Mother Zhou was stunned for a moment. This was the first time her son embarrassed her in public, and she couldn't get out of the situation for a while.

However, she was in no position to do so.

It was true that Qin Mu was still Chongguang's wife. It was also true that Gu Mei was a disgraceful mistress who got pregnant.

She was stunned for a moment and sighed.

Gu Mei's eyes were red. Mother Zhou was actually a little unhappy in her heart. However, for the sake of the grandson in her stomach, she could not help but sigh. "Let's return! You must be tired after being out for half a day."

"Auntie, do you think that I'm especially insensible?" Gu Mei pursed her lips.

Mother Zhou forced a smile. "How can that be?! "

However, Gu Mei could tell that she was being forced and felt a little uncomfortable in her heart. without saying anything, the two of them took the car back.

on the other side, qin mu had just reached the parking lot when he stopped in his tracks. he turned around and said, ” “xue ‘er and i will call the driver, you can go back!”

Zhou chongguang had already opened the car door, but when he heard that, his fingers stopped, and he looked at her with a deep gaze. “didn’t you say you wanted to eat hotpot?”

qin mu didn’t say anything and kicked his leather shoes.

he immediately understood. actually, he should have understood, but he still had hope in his heart. he hoped that she would really be willing to have a meal with him.

So he smiled faintly,”we have to eat, wait for the driver to come and take a walk.”

“are you tired?” he turned to look at xue ‘er.

xue ‘er coughed lightly, her voice was very delicate, ” “i’m so tired!”

Qin Mu cursed in his heart. Why wasn’t she tired when she hit him just now?

Chapter 2502: How have you been these past few days?(1)

Qin Mu cursed in his heart. Why wasn’t she tired when she hit him just now?

However, Xue ‘er had slapped Gu Mei, so she felt very comfortable in her heart.

However, she was also a little surprised that Xue ‘er would actually hit her. In Qin MU’s impression, little Xue’ er had always been little Xue ‘er, the little princess that her brother protected very well. Although she was four years older than him, she had always been so petite. How could she hit someone?

However, at that moment, Qin Mu was really a little touched. Little Xue 'er had really treated him as her sister-in-law and wanted to protect her.

Although Qin Mu was 172 meters tall, at that moment, Xue 'er's aura was 1.8 meters!

now, zhou chongguang had brought up xue 'er, and little xue' er had betrayed him. qin mu could not say anything and could only look at xue 'er.

...

"Mumu, I want to eat hotpot now!" Xue 'er said eagerly.

Qin Mu looked at her for a long time before he slowly said, " "then let's eat!"

xue 'er winked at zhou chongguang, and zhou chongguang smiled.

This was also the first time in eight years that the two of them had unraveled the knot in their hearts.

At this moment, Xue 'er thought of that night, the scene of Zhou chongguang riding a bicycle with her.

At that time, they were still young!

In fact, it was quite wonderful back then.

Xue 'er also smiled at him. Beside her, Qin Mu muttered softly, " it looks like you guys will rekindle your old feelings.

zhou chongguang looked at her with a calm expression, while xue 'er retorted, " "mumu! do you want me to be beaten to death by your brother?"

qin mu smiled and got in the car.

In order to satisfy the pregnant woman's appetite, they still ate a vegetarian hot pot in the end. Zhou chongguang took good care of her. Other than Qin Mu, he also took care of Xue 'er very well.

xue 'er was having a good time eating. after she was full, she found an excuse to go to the bathroom, giving them some space.

in the private room, when only qin mu and zhou chongguang were left, the atmosphere was a little subtle.

zhou chongguang served qin mu some food, and his gaze fell on her face. ” “how have you been recently?”

His tone was so calm that he didn't sound like a husband but more like an old friend.

Qin Mu stopped what he was doing and raised his eyes to look at him. After a while, he said softly, ” “It's alright.”

in fact, how could it not be good? he had arranged everything well, and there was nothing that she was not used to.

Other than not having to drink medicine in the morning, other than not having Zhou chongguang to sleep with her every night.

However, no matter what, she could only get used to it.

even though she would miss him too.

But she didn't allow herself to miss him too much, so she walked out. She was willing to go out to work and interact with others.

She, Qin Mu, wouldn't do it again. She wouldn't use her weakness in exchange for love. She didn't want the people around her to worry about her.

she wanted to let the people who cared about her know that she could live well without zhou chongguang.

Zhou chongguang should not be the only one in her life.

However, she didn't tell him about this, and there was no need to. Time would prove everything.

When Qin Mu said that it was fine, Zhou chongguang was actually a little disappointed. He should be happy that she was doing well, but if she was doing well, it meant that she did not need him. He was dispensable in her life.

zhou chongguang was speechless.

Qin Mu smiled again. what about you? how are you? ”

zhou chongguang lowered his eyes, 'me? fortunately, yingying was staying in a hotel, but she didn't really go back. Most of the time, he sleeps in the office.”

Qin Mu frowned and continued, ” “it's nothing much. the bed in the lounge is quite comfortable, but it's a little cold to sleep alone.”

Chapter 2503: how have you been these past few days?(2)

Qin Mu didn't say anything and lowered his head to eat again.

Zhou chongguang's gaze was burning, and he pursed his thin lips before saying softly, ” “Mumu, are you angry?”

The child was still angry at Gu Mei, but he did not say it out loud.

even if he didn't say it, qin mu understood. she continued to eat slowly and smiled extremely lightly.”What's the use of being angry?”

Then, she glanced at him and continued eating.

zhou chongguang grabbed her hand. ” “mumu, perhaps we’re both waiting for the other party to compromise.”

...

this time, qin mu had completely lost his appetite. she used a wet tissue to wipe her hands. her movements were slow and meticulous. after a while, she said softly, ” “i have never waited for you to compromise with zhou chongguang. no matter what happens, i will respect your decision.”

She laughed. that was in the past. You’ve said it yourself. I’ll accept it. Whether you choose Gu Mei or have other plans, I have my own choice. However, what I’ve always wanted was not for you to compromise with me. What you’re saying now is that you’re waiting for me to compromise. What are you waiting for? are you waiting for me to agree to Gu Mei having a child? ”

then, she chuckled. ” that’s her stomach. it’s her child. she can have it if she wants to. it has nothing to do with me! ”

She looked at him and said in a softer voice, ” what I want is my husband’s reaction. It’s his choice. Moreover, Wanwan can see my feelings and understand Zhou chongguang.

it was hard for him to understand, and he saw a trace of contempt in her eyes.

He knew what she thought of him. In fact, from the bottom of his heart, he was in a difficult position. It was not that he could not bear to part with the child, but in the current situation, he could not do anything right.

Would he and Mumu be able to be together if he forcibly aborted the child?

No, that thorn was still there, in her heart.

Zhou chongguang smiled bitterly and did not continue this topic. It was obvious that Qin Mu was angry.

He was a little regretful, so he said in a low voice, ” “Can we not talk about this?”

“then, what can we say?” Qin Mu looked at him, and his voice sounded a little tired. “Zhou chongguang, I don’t want to force you. Can you not force me too?”

he looked at her for a long time before he asked softly, ” Mumu, it’s only been a month. Have you already gotten used to living without me? ”

“I’ve said it before, I’m doing well,” she said.

He was a little disappointed and did not speak for a long time.

when the atmosphere was a little low, qin mu raised his little face. ” “You should leave first, I will send Xue ‘er back.”

but how could he bear to do that?

even though the atmosphere wasn’t good, he was still willing to sit and look at her.

when xue ‘er came out, she knew that their conversation had broken down again. both of their expressions were not good, and they sighed in their hearts. no one could be relieved of this matter. if qin mu forgave her so easily, she would not be qin mu.

In the end, it was still Zhou chongguang who sent her back to PEI garden first, and then sent Qin Mu back to the villa she lived in.

the white sports car slowly stopped at the parking lot in front of the villa. when qin mu reached out and wanted to drive the car out of the way, he held her hand. she turned her head and looked at him.

“aren’t you going to invite me up to sit?” He said hoarsely, a hint of desire rising in his eyes.

besides missing her, he also missed this home.

He missed everything here, so he didn’t want to stay in a hotel. He would rather sleep in the office.

qin mu turned his head and looked at him. ” zhou chongguang, do you think our current relationship is suitable? ”

Chapter 2504: how have you been these past few days (3)

qin mu turned his head and looked at him. ” zhou chongguang, do you think our current relationship is suitable? ”

“we’re not divorced yet. what do you think our relationship is?” he closed his eyes slightly,’qin mu, do you hate me so much? You don’t even want me to go home?”

at that time, she sold the house and he bought the villa back. it was actually under his name. now, as a man, he should be generous enough to transfer the ownership to her, but he didn’t. it wasn’t that he was stingy, but it was as if she was still living in his place, he was still raising her, and she was still his little wife.

On the surface, he knew that she no longer treated him as her wife.

Qin Mu gritted his teeth and opened the car door. “if you want a cup of tea, get out of the car.”

Although she said it unwillingly, he still smiled and got out of the car with her.

...

when the servants at home saw him, they were all a little stunned. why did master come back?

zhou chongguang quickly got out of the car, then held qin mu’s hand.

“let go! what are you doing?” qin mu was a little annoyed. ” zhou chongguang, don’t push your luck. ”

“relax, or else people will see that we’re not a good couple!” he said in a low and hoarse voice.

Qin Mu was so angry that he laughed. Zhou chongguang, all your women outside are pregnant. Do you think that others will think that our relationship as husband and wife is good? ”

“Is it not good?” He grabbed her hand and pulled her into his arms. He lowered his head.”It’s true that you couldn’t bear to part with me that night, right? it’s true that you kept me for a night, right?”

“You were the one who insisted on staying.” Qin Mu pursed his small lips. He was already regretting bringing him back. He also had the intention to call security, but this seemed too unsightly. Would he be on social news?

Zhou chongguang looked at her with a burning gaze. you could have rejected her, but you didn’t!

With that, he lowered his head and kissed her lips. Regardless of her struggle, he pinned her hands behind her back and teased her.

qin mu was stunned. he just looked at him like that and forgot to resist.

He didn’t kiss too hard, just a light kiss, but he had already touched what should be touched.

after kissing for about ten minutes, qin mu’s breath became slightly messy. he let go of her and covered her ears with his thin lips. his voice was extremely hoarse.”If you don’t want to sleep with me, then push me away, okay?”

qin mu immediately felt the changes in his body. his face heated up, and he pushed him away violently.

Zhou chongguang laughed and reached out to caress her little face. “I still have things to do. I’ll be leaving first.”

After he finished speaking, he leaned over and kissed her on the lips again. While she was still in a daze, he turned around and left.

Qin Mu stood in the hall and watched him get into the car and leave.

For a long time, she did not come back to her senses. She did not know why, but she felt a sense of reluctance in her heart.

but she didn't stop him.

he said that he had something to do, and he did have something to do. however, if she asked him to stay, he would stay. no matter how big the matter was, he would not leave.

qin mu thought that he had probably learned to respect.

But they also seemed to be getting further and further away.

Zhou chongguang sat in the car for a long time, then smiled helplessly.

How could he hope that Qin Mu would come over and tell him not to leave? she was such a proud person. It would be good enough if she did not slap him after seeing Gu Mei's appearance today!

when he thought of gu mei, his eyes turned cold.

Wasn't he too easy to talk to? This was why Gu Mei dared to play such a small trick to anger Qin Mu.

Chapter 2505: mrs. ye's girlish feelings (1)

PEI garden. After Xue 'er got pregnant, she lived in PEI garden for a long time. She and ye mu Yun slept in the bedroom he used to live in.

but now, a lot of women's things had been moved in, unlike before when it was just a place for her to sleep at night. after all, a young lady sleeping with a man should be avoided.

But now, it was different. She could stay in his arms every day, and sometimes, she would even stay in his arms until noon before letting him go.

little yi shu also had his grandmother to take care of him, and xue 'er often thought happily that he was really lucky to get married.

Ye Muyun returned to the villa at six o'clock. After having dinner together, they took a walk in the courtyard. When they returned to the bedroom to rest, it was already past eight o'clock.

Pregnant women always had a lot of sleep, and President ye had recently developed the habit of going to bed early.

...

he came out of the bathroom in a white bathrobe. his black hair was still dripping with water, falling all the way to his heart and then down to the bottom.

Xue 'er was leaning against the head of the bed, holding a children's book in her hand and doing prenatal education. When she saw Chairman ye come out, she looked at him anxiously, drooling all over the floor.

"What's wrong?" Chairman ye asked casually as he wiped his hair with a towel.

in fact, her expression of wanting to eat streaky pork had already betrayed her.

He secretly wondered if he was too incompetent as a husband, so his little wife always looked like she was hungry!

xue 'er threw away the book in her hand and reached out for a hug.

ye muyun ignored her and firmly dried his hair. then, he slowly walked over and lay down beside her.

His little fellow had long been impatient. She was really a little greedy now. There were many things she could not do, but she had a persistent desire for his body.

it also often made him extremely uncomfortable, and he would go to the bathroom to solve it himself.

however, even though it was unbearable, he still chose to let her feel comfortable.

Just like at this moment, he was leaning against the head of the bed, looking at the little black head with deep eyes, like a little girl eating candy. She had really gone too far. He grabbed her little head and held her in his arms, his voice low. alright, Xue 'er. If this goes on, your husband probably won't be able to be together!

she opened her eyes innocently and licked her lower lip. " i still want to kiss you. "

"If you continue to kiss, you'll die!" he had a serious expression on his face, but there was nothing he could do about her.

xue 'er chuckled as she lay on his chest, her little hand poking his chest. " "do you feel very uncomfortable? hmm?"

"En!" Mr. Ye told her the truth and kissed her on the forehead. okay, be good. I'm going to the bathroom first.

She knew what he was going to do, so she reached out to hug him and looked at him with tender eyes."Hubby, you've never thought of me, Yingluo, huh?"

"what?" "What can I count on you for?" he smiled and pinched her little face.

Actually, she was already past the fourth month of her pregnancy and could do it now. However, he looked at her small body and did not dare to take the risk. He would rather solve it himself.

Xue 'er's little face blushed again and again, but she still hugged him and did not let go.

she kept pestering him like this until he lost his soul.

After a long time, he gently bit her little ear. you miss me? "

she didn't say anything and just buried her face in his heart. her thin arms wrapped around his waist and slowly moved down.

Ye mu Yun's breathing heated up and he narrowed his eyes."xue 'er, are you sure?"

However, he didn't have the chance to hesitate anymore. His little fellow was simply trying to kill him.

Chapter 2506: Mrs. Ye's girlish feelings (2)

he couldn't help but hold her little face and kiss her lightly. he didn't dare to be rough and kept kissing her very, very gently. he carefully kissed her.

Xue 'er was extremely obedient, like a little girl full of desire for him.

it's really terrible ~ ye muyun restrained himself and only dared to do it gently once.

After it was over, the little guy panted lightly, and he asked again and again nervously. Xue 'er was a little impatient, and she kicked him with her little foot."Ye mu Yun, you're so annoying now!"

Boss ye felt a little wronged. Since when did loving and being worried about his wife become his shortcomings?

however, a pregnant wife had to be patient. no matter how unreasonable she was, he still had to endure it. he leaned against his wife's back and massaged her waist considerably.

...

her small waist had become very round because of her pregnancy. from the back, she looked like a small frog with slender limbs. she was quite cute, but it did not prevent a husband from being interested in his wife.

at least, ye mu yun always had a strong interest in xue 'er. although this child came as a surprise, but to be honest, he really hadn't played enough.

just like now, how could he be satisfied after doing it once with his heart in his mouth? not only was he not completely satisfied, but he also had to endure and comfort his little wife, but he was satisfied deep down.

Xue 'er calmed down and turned over, leaning against the bed with her round belly. She looked at her husband and sighed, "Meeting Zhou chongguang today made me recall the past."

ye muyun originally wanted to go to the bathroom, but after hearing her mention this, he paused and smiled. "What are your thoughts?"

xue 'er tilted her head, her face full of pity. "I see that Zhou chongguang is quite loyal to Qin Mu now. actually, thinking about it, if you didn't shamelessly move to Pei Garden back then, you probably wouldn't have anything to do in the future, and Yingluo wouldn't have let Gu Mei have it."

Chairman Ye's face darkened as he looked at his little wife. "You mean to say that you've taken a fancy to Zhou chongguang, this scumbag?"

it wasn't an exaggeration to say that now.

xue 'er looked up. "I don't think he's a scumbag now. Yingluo is quite affectionate."

"Can he endure eight years for you?" Chairman Ye sneered.

Xue 'er was all smiles. CEO Ye, you seem to have forgotten that you had a girlfriend before. Her name was something like Song Keren!

"that's just an illusion," boss Ye was a little embarrassed.

"you didn't kiss her?" xue 'er was still smiling.

After being embarrassed, Chairman Ye sneered, "at least, you've only kissed me. you don't feel pressured doing other things. for example, what Qianqian did for me tonight. i've left some places clean for you!"

xue 'er simply couldn't bear to listen. was this what the cold and aloof CEO Ye would say?

Chairman ye said as he got off the bed. He didn't have any intention of using anything to cover himself."It's clean, you know?"

"ye mu yun, you're shameless." xue 'er covered her face.

"i'm so angry at you!" he spat out a few words. " i'm going to the bathroom. "

He had wanted to accompany her, but he was quite angry now.

When he came back after his fire had subsided, Xue 'er was still lying on the bed, showing no intention of washing up.

However, she was a lot more obedient. Her small body leaned closer to him and her voice was also low."brother, do you think qin mu will forgive zhou chongguang?"

Ye Muyun lowered his eyebrows and looked at his little wife. After a long while, he smiled. " if gu mei's child is born, it will be very difficult for them to be together again. "

Chapter 2507: mrs. ye's maiden's feelings (3)

"will zhou chongguang let gu meisheng pass?" Xue 'er sat up and shook his arm, her expression a little anxious.

Ye mu Yun sighed. even Gu ze came forward, but Gu Mei is bent on doing things her own way. Other than using force now, Gu Mei is determined to keep the baby.

Use force?

Xue 'er frowned. Zhou chongguang would probably not do such a thing either ...

gu mei's willingness was one thing, but as a man, personally aborting his own child was another. that would seem a little worse.

“Then what will happen to Yingluo in the end?” she asked.

...

ye mu yun lowered his head and looked at her. “I don’t know what to do either! “i can tell that qin mu still has feelings for zhou chongguang, but she also has her own self-esteem. she doesn’t want to force zhou chongguang to do such a thing, but i think that if qin mu can walk out of it, there’s no difference whether that child is born or not!”

Xue ‘er understood. Qin Mu was trying to give up, and Zhou chongguang had acquiesced.

She sniffled and said in a small voice, ” what if we don’t get together? what a pity!

Ye Muyun smiled and held his little wife in his arms. He put his chin on her hair and said softly, ” “I believe that Qin Mu won’t fall for the same man twice. She’s grown up now and not a 14-year-old girl anymore. You have to believe in her, understand?”

xue ‘er nodded.

“I heard that you beat up Gu Mei today, is that true?” ye mu Yun’s tone changed.

Xue ‘er looked at him and said in a soft voice, ” yes, my hand hurts. Brother, look.

at this moment, the little guy’s eyes were filled with tears, as if she was the one who had been hit.

Ye Muyun was angry and amused at the same time. He spread out her small hands and said in a serious tone,”It does look a little red.”

“yeah, it hurts!” She frowned and threw herself into his arms.

It really wasn’t because of Gu Mei, but because of Gu ze. Even ye mu Yun had to give Gu ze some face and didn’t want to make things too ugly. Actually, Xue ‘er had already discovered this long ago.

Now that she was like this, ye Muyun couldn't do anything to her. He could only warn her in a low voice, " "did you forget that you're pregnant when you hit me, huh?"

She stuck out her tongue.

"i'll send someone to follow you in the future to prevent you from getting into trouble." ye muyun pinched her little face.

xue 'er made an "oh" sound and didn't dare to make another sound.

Ye mu Yun stared at his little wife for a long time and lectured her until she became obedient.

but later, he still took a hot towel and gently cleaned her up, then hugged her to sleep.

Her little body was warm and comfortable in his arms.

Sometimes, when ye Muyun woke up in the middle of the night, he would feel that this kind of happiness was a little unreal. As expected, people can't be too happy.

as for gu mei, he had talked to gu ze once before. he did not tell xue 'er about his conversation with gu ze, and he could not tell xue' er.

The reason why ye Muyun was difficult to handle was because of Gu ze and Zhou chongguang.

zhou chongguang had long become the upstart of B city. although he couldn't compete with bo yi, his strength couldn't be underestimated.

gu ze looked at ye muyun and sighed.

He had never suppressed Gu ze. In the early years, Gu ze was still low-key. But now, Gu ze's private company, Hua Rui, was already an important partner of Bo Yi.

Gu ze had also left Boyi.

these were all men's concerns. they couldn't fall out with each other for qin mu. president ye did this eight years ago, but eight years later, he would consider more things.

Chapter 2508: Zhou chongguang, let's get a divorce!(1)

Qin MU's life gradually returned to normal. She spent another month to take care of the gallery so that it could open after the new year.

Slowly, she got used to being alone. She had not seen Zhou chongguang for the past month.

He would only call her occasionally, and she would respond with a few words.

That was because Gu Mei's child was still around.

gu mei had come to her once and begged her not to abort her child.

qin mu sneered back then. she should have gone to beg zhou chongguang, shouldn't she?

...

However, by now, Gu Mei's child was already six months old, and he had not seen anyone in a long time.

Qin Mu thought that she should have given up.

Even though she loved him, she could not tolerate the existence of Gu Mei's child.

also, she heard that mother zhou was very sick. as her daughter-in-law, qin mu should go and see her. however, she didn't go because there was really no need.

Qin Mu placed the small suitcase in the trunk and drove to the gallery.

as she drove, she couldn't help but think of these unhappy things, but she chose to forget them.

when she arrived at the gallery, she had been busy from morning to night. she only ordered a simple lunch for lunch. by the time she finished her work, it was already night.

When Qin Mu drove back to the villa, his body was a little tired, but his heart was even more tired.

she sat in the car for a long time, then slowly moved her body to get out of the car. but after moving a little, the door was opened, and zhou chongguang was standing outside the door.

Qin Mu was a little shocked and got out of the car slowly. "Zhou chongguang, what are you doing here?"

Zhou chongguang's thin lips were tightly pursed, and he only spoke in a low and hoarse voice after a long while, "mumu, will you come with me to the hospital?"

She immediately guessed that it was his mother's illness. Zhou mother's illness came very quickly. Was it only a month and she was already dead?

Qin Mu was a little dazed.

"Alright, I'll go with you!" She said in a low voice after a long time.

Whether she was happy or not, she was still willing to meet an old man on his deathbed.

although he knew in his heart that it would definitely be unpleasant, qin mu was still willing to go and see her.

She got into Zhou chongguang's car. He drove, and she sat beside him.

She looked at him from the side. It seemed like he had lost a lot of weight in the past month.

"how is she?" qin mu asked faintly.

zhou chongguang's thin lips were tightly pursed. he held the steering wheel with one hand and held her hand with the other.

"not very good," he said in a hoarse voice. "it might be tomorrow morning."

It was acute leukemia, and no match could be found. No amount of money would be of any use.

qin mu had heard of it before, but he didn't ask about it in detail. now that he heard it, he pursed his lower lip. "take care of your health."

That was all she could say. It was not convenient for her to ask about anything else.

She thought that at the end, mother Zhou would have to explain to the child in Gu Mei's stomach. At this time, Zhou chongguang would probably agree to any conditions, and she could not blame him.

Qin Mu felt that he was already very calm now. After he finished speaking, he didn't say anything.

But Zhou chongguang had spoken up. Perhaps this was their only chance to be alone now. There were some things that he still wanted to say to her alone. Whether she was angry or hit or scolded him, he had to accept it.

Zhou chongguang's voice was hoarse. Mumu, I'm sorry. I've decided to let Gu Mei give birth to Yingluo.

Qin MU's body instantly stiffened. Although she had already guessed the outcome in the past two months, she was still hurt when he said it.

Chapter 2509: zhou chongguang, let's get a divorce!(2)

she pursed her lips and her face was frighteningly pale. after a long time, she whispered, "I know."

Zhou chongguang held onto her small hand and did not let go. His voice was pained as he said, "Mumu, I'm sorry!"

“What else can you say other than sorry?” she smiled lightly.

he was speechless for a moment, and indeed, he could not say anything.

Qin Mu forced a smile. Only she knew how ugly her smile was. She thought that she was strong enough, but now, her heart was trembling, her hands were trembling, and her whole body was trembling.

“Zhou chongguang, are you going to marry her?”

...

“I won’t!” he answered quickly, and then took the time to look at her.

His eyes were almost cautious, afraid that she would be angry and refuse to go with him.

Qin Mu sneered, ‘if you don’t know, Zhenzhen, then you want to make that child an illegitimate child? Why should the child bear the consequences of your and Gu Mei’s mistakes?’

when she said this, she finally understood why she was willing to give in. it was because that wasn’t the child’s fault. that was gu mei and his fault. yingluo also, perhaps it was because this child was zhou chongguang’s, so she couldn’t be so cruel.

qin mu’s tears fell. ” zhou chongguang, it might be cruel for you to say all this now. but i still want to tell you. let’s get a divorce! ”

he did not let go of her hand, nor did he say anything. he just sped up.

The car sped through the night at an unbelievable speed.

half an hour later, a sports car with good performance stopped in the parking lot of shengyuan hospital with a screech. qin mu knew about mother zhou’s illness mostly because he heard about it from lan yu. although lan yu was not in the country, there would always be gossip doctors who would pass on the news.

for example, gu meiyi was serving mother zhou and so on.

Qin Mu didn't want to hear about this. When she found out about mother Zhou's illness, she knew that the child would be born.

The car stopped and it was dark inside.

she turned her face to the side and looked at zhou chongguang. " get off! "

some words should be said clearly before death, so that the old man would not die in peace.

qin mu thought to himself that she was just returning what her brother owed her family back then.

She wanted to open the door, but her hand was held back by Zhou chongguang. Following that, her lips were blocked by him.

he kissed her lips almost roughly. when she wanted to resist, he held her little face with both hands and fixed her in place, not allowing her to move. qin mu's face would hurt as soon as he moved.

The kiss lasted for about two minutes before he left, panting.

his body fell heavily on the back of the chair, and there was a sense of despair.

"Qin Mu, you're so calm that it's scary. I wonder if you still love me." He covered his eyes with the back of his hand and let out a long breath.

qin mu was still calm. " my calmness isn't because i don't have love anymore, but because i'm accepting my fate! "

She looked at him,"Zhou chongguang, you have to be fair to me."

As she spoke, her voice was a little choked. Then, she quickly opened the door and got out of the car.

The moment she got out of the car, her tears fell, but she couldn't wipe them away with the back of her hand.

She sobbed. Zhou chongguang, it's not that I can't tolerate you. It's just that I don't know what to do.

"tell me, what should i do?" she looked at him.

under the dim yellow light, they stared at each other.

She cried out,"are you going to let me raise this child, or are you going to tolerate your husband going to another woman's side all the time? and I'll keep wondering if they've slept together again, Yingluo."

Chapter 2510: zhou chongguang, let's get a divorce!(3)

there was something sharp in his eyes, and it hurt his own eyes.

Zhou chongguang closed his eyes slightly. Qin Mu, I won't. I won't!

Qin Mu turned his head and looked at him, on the verge of breaking down under the light. He couldn't help shaking his head."Don't ask too much of me. You already know that I'm very selfish. I can't stand a single grain of sand in my eyes, Yingluo."

"unless i don't love you," she murmured again.

just like back then, she didn't love him, so she had to endure the four years when he had a woman outside.

But now, to continue their marriage, they had to be loyal.

...

She didn't want to experience it again. She didn't want to wait until she was old and realize that it was just a beautiful dream, and the truth was so cruel.

She was scared and didn't want to continue. Or rather, he couldn't trust her anymore.

Qin Mu knew that on one hand, it was his past. On the other hand, it was her mentality.

She didn't want to force herself. She would rather live a better life.

Zhou chongguang went forward and hugged her tightly.

He was crying, but he didn't want her to know about Yingluo.

He hugged her for a long time until they both calmed down.

when he went to see mother zhou, gu mei was not there. when qin mu saw mother zhou, mother zhou was already on her last breath. after not seeing her for a month, there was almost no flesh on her face. her eyes were also deeply sunken.

However, when she looked at Qin Mu, her eyes lit up for a moment, as if she had seen light in the dark. Her breath was weak."mumu mumu mumu."

This was the first time that mother Zhou had called her that. It was probably because her mind was no longer clear and she had heard Zhou chongguang say it too many times, so she called her that.

qin mu knew that when he looked at this old man who was about to leave, all his hatred and disgust would leave him. all that was left would be an unspeakable sigh.

Human life was so fragile!

"Mumu, you're crying." Mother Zhou's fingers moved. She wanted to lift it up, but she couldn't do it in the end.

Qin Mu shook his head. no, I didn't cry.

Zhou mother's eyes widened, as if she was using all her strength. can you call me Yingluo's mother? "

qin mu walked over and sat in front of the bed. he used his hand to wipe the tears from the corners of his eyes and called out very softly, " mom. "

Zhou mother's pupils were a little dilated, and she looked straight at the ceiling, but there was a smile on her mouth, as if she was very pleased.

after a long time, she moved her lips slightly again. " don't let wanwan divorce me. i beg you, wanwan. "

she tried her best to explain clearly, and qin mu also understood.

she did not nod for a long time.

Mother Zhou's eyes were eager, and she used the last bit of oil to support her life-

She knew that she was too selfish, which was why she had such retribution. However, the child of the Zhou family was already so big, how could she bear to abort it?

however, chong guang loved qin mu so much that she didn't even see him smile these few days. if her death could be exchanged for qin mu's heart softening, she was willing to do it.

no one knew that zhou mother had changed the medicine as early as half a month ago.

Since she was going to die anyway, it didn't matter whether she died earlier or later. The earlier ran ran left, the earlier she could beg Qin Mu, the less heartbroken chongguang would be.

mother zhou saw that qin mu didn't speak for a long time. the corners of her mouth moved, and so did her body.

She wanted to get up and kneel down to beg Qin Mu.

she wanted to tell qin mu that chongguang couldn't live without her, but she couldn't get up in the end. her body fell heavily and she panted desperately. however, she went out more than she went in.

“just treat it as yingluo's father's life in exchange, okay?” Two drops of tears rolled down from the corner of mother Zhou's eyes.
